Mills Co. Young Homemakers Place 2nd At Annual Convention

PRESENTED AWARD - Pictured above are, left to right, Sara Jane Radd, Patty Johnson, and Wanda Allen as they accept the silver tray from the 13th Annual Young Homemakers Convention for placing second Outstanding Chapter in the state of Texas. -- Laughlin Studio Photo

During the 13th Annual Young Farmer - Young Homemaker Convention the Mills County YHers placed second as Outstanding Chapter in the state of Texas. Wanda Allen, past president, accepted the tray for this honor.

The Young Homemaker Convention convened in the Sheraton - Ft. Worth Hotel on Friday, January 17th. After a musical interlude by the Magical Singers of Irving High School the morning business session got underway. Speaker for the morning was Mrs. Amy Truman Lee of San Antonio. She inspired the YHers with her personal philosophy of "reverence for life" on this earth. She is active in art, education, civic affairs, and the humane education. At present she is a member of the Board of Directors and Secretary of the Humane Society of the U.S., Washington, D.C.

During the afternoon session the YHers enjoyed a style show by the Goodwill Industries Auxiliary. During the "Fashions of Past Eras" many beautiful and old costumes were viewed. One wedding gown was from the year 1890, with costumes from that year to our present 1970's.

On Saturday morning Dr. Julia Van Burkleo of Longview, Texas spoke on "Practical Aspects of Remaining Healthy Wives and Mothers." Dr. Burkleo is a gynecologist and served a three year residency in obstetrics at Dallas. She has practiced this specialty in Longview for the last 13 years. Another of her interests is learning disabilities in children. After an interesting talk the floor was open for questions and answers.

Each year the Electric Utility Companies present the winners of state with an award from their companies. Mills County received a check for \$100.00 which was accepted by Jean Todd, president of Area IV.

In the state of Texas there are 293 chapters of YH with 5070 members. At this year's convention 143 chapters were represented by 675 members. With special guests and advisors, a total of 750 attended the convention. There are 32 new chapters in the state. Mills County is in Area IV which has 29 chapters with 512 members.

Attending from Mills County were Wanda Allen, Joy Barnett, Thresa Black, Mary Blackwell, Patty Johnson, Glenda Lemke, Nell Miller, Pat Miller, Pris Muse, Janell Sherwood and Jean Todd.

Van Arrives For Mills County Senior Citizens

Most of the Senior Citizens of the county will now have access to the transportation van provided for Mills County. The van arrived in the county on Wednesday of last week, delivered by Coleman Young of the Central Texas Council of Governments. The van is made available through funding by the Green Thumb Program in contract with the Governor's Committee on the Aging. Mr. Young, Regional Director of the Office on Aging, made delivery of three vans throughout the region. Lampasas and Milam Counties also received one of the vans.

The local groups sponsoring the van include the County Commissioners, the Ministerial Alliance, and the Hill Country Community Action Agency. Through their participation, the van will be provided at no cash cost to the county, allowing their

dispatching, housing and time to count as an in-kind match. The county will be provided with \$1500 for the expenses of gas and oil and maintenance, and will receive another \$3000 for its upkeep in July. The H. C.C.A.A. will be organizing the schedule for the van, as well as helping to provide volunteer drivers. The county is providing a place to park the van as part of their contribution.

The van may be used for transport of any persons over 55 years of age to be used for errands, doctor's appointments, trips to the grocery store, and even short excursions. Any person within the county may use the van. It is hoped that trips may be planned a day in advance in order that the van may be used most efficiently. Certain days will be set aside for the van to go to the smaller communities in

the county. The numbers to call for those needing transportation are: the office of Hill Country Community Action Agency, Ruth Dumas, 648-3522; or County Judge's office, Lori McLean, 648-2222.

Bicentennial Committee Meets Tonight

The Mills County Bicentennial Committee is to meet Thursday, January 30, at 7:00 in the Commissioners' Courtroom of the Courthouse. Several matters of importance are to be discussed, including the verification of committee members, specific projects of each committee, and the nomination of Mills County as a Bicentennial Community.

Projects of special interest are the day of interviews by KNCT-FM radio, plans for a bicentennial play, and the developments concerning the Goldthwaite depot.

Chairpersons for the Bicentennial Committee are as follows: Euna V. Barnett, Orville Hale, and Miss Love Gatlin; Jean Todd, Blake English, and Geraldine Laughlin; Rachel Wilkins and Charles Studer.

We hope that all persons on the respective committees will attend, and invite all persons interested to come to the meeting. Any ideas for the celebration of our nation's 200th birthday will be welcome.

According to Miss Mae Featherston, librarian, the Library is open three afternoons a week - Monday, Wednesday and Friday from 2:30 to 5:30. Since we are a small county and a small library, we do not require library cards. Everyone is welcome to check out books. All we ask is that you return the books on time or pay the required fine of five cents for each library day. When a book is overdue twenty days, the borrower owes \$1.00, and the fine stops there.

To the many people who have overdue books over twenty days, please bring them back, pay \$1.00 for each book, and clear your library record.

Movie Scheduled At Youth Center

The movie "Robin and the 7 Hoods" will be shown Saturday night, February 1, 1975, at the Youth Center of the First Baptist Church. The movie is in color and has a great cast of actors including Frank Sinatra, Dean Martin, Sammy Davis Jr., Bing Crosby and Edward G. Robinson.

The cost will be \$1.00 and candy and cokes will be available.

Everyone is invited to attend the showing.

The purpose of the showing is to provide wholesome entertainment for the people of Mills County.

The movie will begin at 7:30 p.m.

Cancer Society Meets Jan. 30

The Mills County Committee of the American Cancer Society will meet January 30, 1975, at 5 o'clock at the Mills County State Bank Community Room.

Everyone is urged to make a special effort to attend this important meeting.

Annual Girl Scout Cookie Sale Underway Thursday

The Annual Girl Scout Cookie Sale gets under way in Goldthwaite Thursday at 4:00 p.m. and will continue through Saturday, February 8. Four kinds of cookies will be sold: Assorted oxford creme, Scott-tea sugar cookies, mint, and peanut butter Savannahs. Packages of the first three kinds contain 12 ounces; the Savannah packages contain 10 ounces. All will sell for \$1.00 a package. Customers are encouraged to buy a case of 12 packages for \$12.00 to have on hand for entertaining. The cookies will keep indefinitely when frozen.

Funds from the cookie sale benefit the Girl Scout program in a number of ways. Part of the profits are kept by individual troops to finance their own projects which encompass a wide range of activities. This helps girls learn intelligent money management by budgeting their troop funds.

Part of the profits which go to the Council provide partial camperships for individual girls attending Camp Wood Lake. To enable more girls to attend camp, requirements for camperships have been lowered this year. A \$5.00 campership will be awarded to each girl who sells 36 packages, and a \$10.00 campership for each girl who sells 72 packages and attends a 12-day session. Another part is set aside for financial assistance to individual girls or troops attending national or international Girl Scout events. Last year assistance was given to a troop visiting the Girl Scout National Center at Rockwood, near Washington, D. C. The rest of the profits go to the development and maintenance of Camp Wood Lake, the Heart of Texas Girl Scout Council's resident camp at Lake Brownwood.

Outstanding Girl

Cynthia Koen is shown with the silver tray she won as Outstanding Girl of the Livestock Show. Each year the Young Homemakers present this award to the outstanding girl, she is judged on a point system based on her total number of entries in divisions consisting of foods, clothing, crafts and livestock.

Cynthia is a sophomore at Goldthwaite High School. She is active in band, treasurer of the FHA and is manager of basketball concession stands.

She likes to cook and sew and does a lot of home canning. She is also active in U.L.L. events.

Cynthia was presented the tray by Sara Radd of the Mills County Young Homemakers.

ASCS Issues Annual Report Of Conservation Practices

The Mills County ASCS Office offered cost share assistance for conservation practices under two programs during 1974. A total of about \$85,000 in federal funds was used on a match basis, with county farmers and ranchers furnishing half the cost on needed conservation practices.

The two programs were announced in March of 1974, and because of predominantly dry weather were not used as extensively in grass seeding - sodding as prior years.

The Rural Environmental Assistance Program, 1973 REAP, provided \$73,000 in cost shares for a wide range of conservation practices on 170 farms. Participation of approximately 25 percent of all Mills County farms was evidenced. The following practices were used:

- Permanent vegetative cover (coastal, klein grass, etc.) - no. practices, 25; cost-shares, \$4268; acreage, 682.
- Cross fences for improvement of permanent pastures - no. practices, 19; cost-shares, \$9845; acreage, 1834 ac-served.
- Wells & pipelines for improvement of permanent pastures - no. practices, 35; cost-shares, 13,322; acreage, 3220 ac-served.
- Dams, pits & ponds - no. practices, 33; cost-shares, \$13,993; acreage, 5160 ac-served.
- Brush control - no. practices, 74; cost-shares, \$31,121; acreage, 4985 acres.
- Animal waste retention structures - no. practices, 1; cost-shares, \$673; acreage, 200 ac-served.

In addition, \$2486 were transferred to soil conservation service to help provide necessary technical services.

The Rural Environmental Conservation Program, 1974 RECP, provided \$13,000 in cost shares used primarily for construction of tanks. Only two practices were used by county farmers and ranchers. Twenty-six farms, roughly 3 percent of the farms of the county, participated in this program.

The practices used were:

- Establishing permanent grass - Klein - no. practices, 2; cost-shares, \$760; acres, 96.
- Constructing water reservoirs - no. practices, 26; cost-shares, \$12,096; acres, 2300

Workshop On Pastures Set Here Feb. 4

In addition, \$668 were transferred to soil conservation service to help provide necessary technical services.

In summary, the major impetus of the two programs went toward establishing or replacing livestock water facilities which had failed or were lacking due to drought. Livestock water facilities are used primarily to improve permanent pastures through better distribution of grazing.

To date, no funds have been released for a 1975 conservation program.

There will be a county Forage and Pasture Production Workshop held in the Meeting Room of the Mills County State Bank on February 4, 1975, beginning at 7:30 p.m. All Mills County producers are encouraged to attend this important meeting.

Several important topics will be discussed during the workshop. Among these will be topics on: Establishment of Pastures, Seedbed Preparation, Hay Production, Winter Pasture Production, and Insect and Disease Control and Prevention.

Dr. John Chapin, Extension Agronomist with the Texas Agricultural Extension Service, will be on hand to present the program.

There will be a clinic on income tax and farm record systems held in the Bank on January 30, 1975, beginning at 7:30 p.m. Dr. James Denton, area Farm Management Specialist, will present the program.

Participants in these two meetings will have the opportunity to gain information on latest trends and to obtain answers to any questions they may have.

There is no charge for the meetings and they are open to the public without regard to race, color or national origin.

Direct Distance Dialing Comes To Rural Areas

As of February 1, 1975, Direct Distance Dialing service becomes a reality for Mullin, Priddy, Star and Big Valley, according to Mr. Raymond Summy, manager of the Central Texas Telephone Co-op.

Direct Distance Dialing (DDD) is the revolutionary, do-it-yourself development that will enable all telephone customers living in Mullin, Priddy Star and Big Valley to dial long distance calls direct without operator assistance.

At the present time, a few towns cannot be reached by direct dialing. The first time a call is made, it is necessary to check if a town can receive such a call.

"The trend, however, is to-

ward a rapid expansion of these facilities," states Mr. Summy, "which means that in the not-too-distant future everyone will be able to dial 'direct' throughout the country."

If you're considering fall delivery of fertilizer, be sure you have a good place to store it or can safely and efficiently use it on the land.

In general, crops will derive as much or more benefit from an application just prior to planting than from a fall application.

In the past, fertilizers have been so abundant and cheap that a slight loss in efficiency due to time of application and rate used was not of as much concern as under today's conditions.

Even though the price of fertilizer is at an all-time high, it may go higher. Nitrogen is made from natural gas which is predicted to be critically short this winter. By ordering and buying early, you may be able to get the grades and mixtures you want rather than having to accept what your dealer has on hand next spring.

Fall purchase and storage of fertilizer will insure your crops of an adequate supply next spring. You will also be doing the fertilizer industry a favor by supplying storage and by allowing greater production this winter.

Store fertilizer in a dry place in bags or bulk. Keep fertilizer off earthen floors or concrete and provide protection from rain but allow for good air circulation.

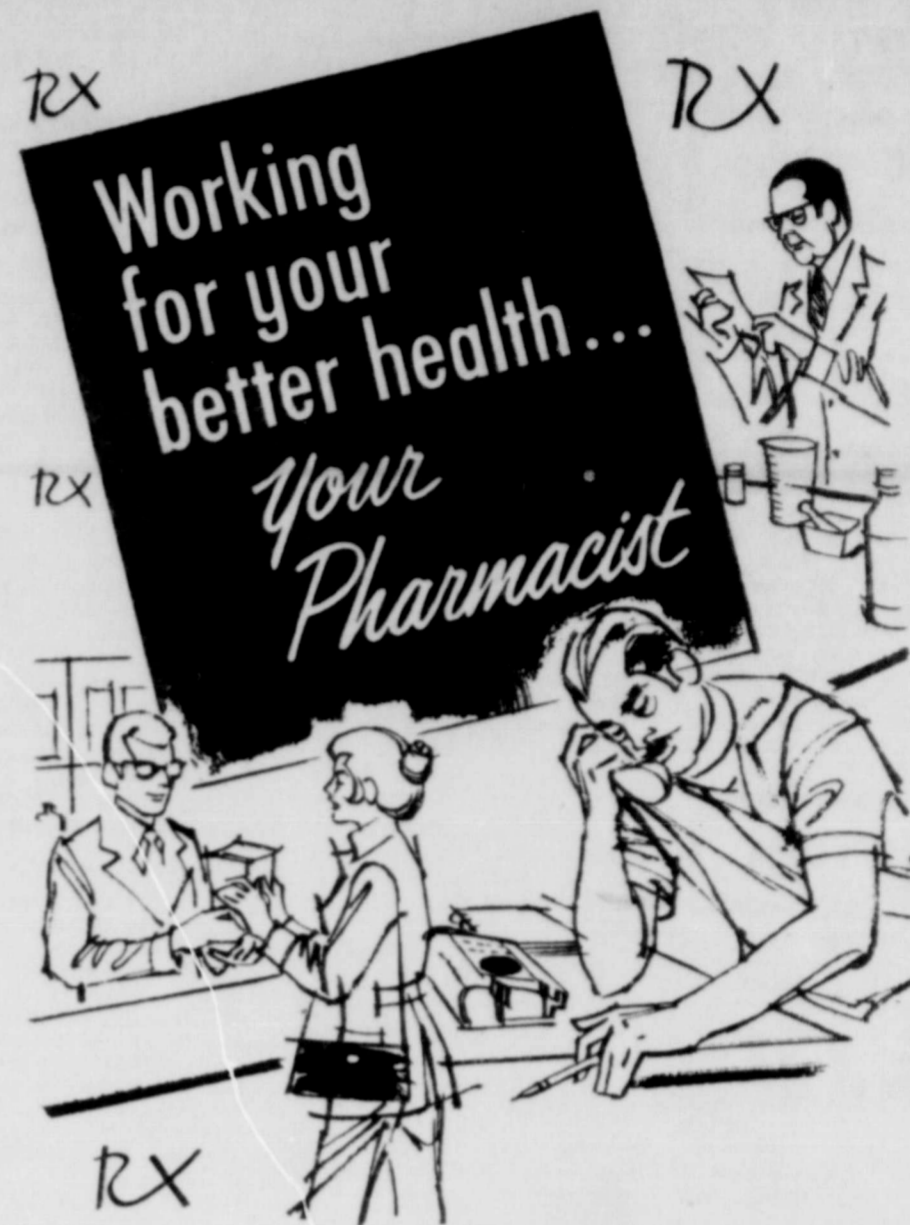

Put plastic down on concrete before piling fertilizer, either bagged or bulk. A layer of lime, sand or similar material under fertilizer may allow easier and more complete removal with less loss.

Most fertilizers may be stored in bulk, even the more hygroscopic materials - ammonium nitrate and urea. A tight plastic cover will help, but these will likely form their own crust which protects the material underneath. Your dealer can best advise you on the mixture that stores well. Those to avoid are the high nitrogen mixed grades, but the formulation makes a difference.

A boy asked his father what "extinct" meant.

"Suppose," answered his father, "all life on earth were wiped out. Then you could say the human race was extinct."

The boy thought for a moment, then asked, "Who would you say it to?"

Legal Secretaries Sponsor Scholarship

A college scholarship in the amount of \$500.00 is available to all high school senior girls through the Texas Association of Legal Secretaries. Any girl interested in obtaining information about the scholarship should contact Edna Earney, Scholarship Chairman of the Brownwood Legal Secretaries Association. Applications and all information must be turned in to Edna Earney by February 7, 1975. Applicants must have at least a "B" average, show a need for the scholarship, be well rounded in school activities, plan to enter college this fall, and must submit the following to Mrs. Earney: Letter stating why she would like to become a legal secretary, 3 X 5 picture, list of school activities, letter of recommendation from school counselor or principal, letters from two (2) persons (not relatives) with whom the applicant is well acquainted, transcript of grades.

All applications are judged by three judges who are approved by the Board of Directors of the Texas Association of Legal Secretaries at their February board meeting. Decision of the judges is final. All applications submitted by February 7, 1975, will be screened at the Brownwood Legal Secretaries Association's monthly meeting on February 10, 1975, and the name of the applicant chosen will be submitted to the Texas Association of Legal Secretaries by April 1, 1975. Any girls interested should contact Mrs. Earney at 1307 Center Avenue, Brownwood, Texas, 646-5547, or 646-7095 after 5:00 p.m., or contact their school counselor.

The young girl smiled sweetly at the long line as she stepped into the phone booth. "Don't worry," she said, "I just want to hang up on him."

CARDS OF THANKS

We want to express our sincere appreciation and gratitude to all our friends who stood by us during the passing of our husband and father. We will never forget the ones who were so kind as to send food, flowers and cards; the many prayers said and the visits. We extend our thanks also to the doctors, nurses and hospital staff, to Bro. Dan Connolly, and to Roy and Rachel Wilkins. And we thank the V. A. staff and those who visited the V. A. Hospital. May God bless each and every one of you.
The family of Joe Huffman
1-30-1tp

I want to express my deep appreciation to all of my friends and relatives for your kind expressions of sympathy, the cards and the beautiful flowers sent in memory of my uncle, Roach Fox. May God bless each of you.
Sue Nora Queen Leverett
1-30-1tp

Words are inadequate to express our sincere appreciation to the many friends and neighbors for their expressions of sympathy, kindness and friendship shown us in the loss of our loved one. For the food, floral offerings and every kind deed we are deeply grateful.
Mrs. Kenneth Masters and family

Extension Highlights

By Judy Bonner
Mills Co. Extension Agent

When it's snow-stomping time or just plain cold and gray, the meals that hit the spot are sometimes the easiest to make. Pancakes, French toast, jonnycakes, or hoe-cakes are just the thing for breakfast or dinner on a blustery day. And topped off with maple syrup they make a meal fit for a winter festival.

In fact, maple syrup can be used to enhance meals in many ways. Try it as a sauce for ice cream, puddings, and custards or as a glaze for ham, carrots, squash, sweet potatoes or baked fruits. Use it for pies or nut bars or candy. It might be fun to do, but you really don't have to tap your own sugar maple trees in order to serve good maple syrup. The U.S. Department of Agriculture has grade standards for table maple syrup and you can use these grades as a buying guide.

Grading is a voluntary service offered by USDA's Agricultural Marketing Service and although processors don't have to use the service, some do. You may see the U.S. grade mark or a grade such as "Grade AA" without the U.S. prefix on maple syrup containers. This means that the product must meet U.S. grade standards. Maple syrup is made by the evaporation of maple sap or of a maple sugar solution. If it meets U.S. grade standards, it will have no more than 33.5 percent water and will weigh at least 11 pounds to the gallon. All maple syrup that is marked by grade must possess the characteristic maple flavor and

should be clean, free from fermentation and free from such as scorching. Color and cloudiness of syrup are the factors that make the difference in grade. Maple sap is a clear color when drawn from the tree. The traditional amber color of the syrup is developed by the evaporation process.

A U.S. Grade AA or B syrup should be a light color and fairly clear. Grade A syrup cannot be darker than medium amber. Although you won't usually see a container marked with U.S. Grade B, a grade B syrup should not be darker than dark amber in color. Cloudiness, which is caused by the suspension of particles of mineral matter in the syrup, is just about impossible to describe without pictures. But U.S. Department of Agriculture inspectors and processors who use U.S. grade standards have official visual aids to measure products to meet these standards. They also have visual aids to compare with the product.

Lacking such aids or a mark on the container, the consumer should look for a syrup that is a light color and that has a minimum of cloudiness. These are of the highest quality of syrup.

Maple syrup will keep at room temperature in plastic containers. After the caps are opened, the syrup mold. If mold develops, it off, then heat syrup to boiling and cook 3 minutes. Open containers of maple syrup should be stored in the refrigerator. If you have chanced your maple syrup container that holds more than you can use in a reasonable time, you can store it in other containers.

Heat the syrup to simmer (160 degrees F) and pour while still hot into sterilized jars. Seal the jars for age. If a sugary crust forms the bottom of a container, maple syrup, set the container in hot water until the crust dissolves.

Maple Walnut Pie
Beat Together: 1 cup syrup, 4 eggs, one eight salt
Pour into unbaked pie pan. Top with 1 cup chopped nuts. Bake at 375 degrees (moderate oven) 30 to 35 minutes.

Services For Eaphriam Pass Conducted Tuesday, Jan. 28

Funeral services for Eaphriam Lafayette Pass of Goldthwaite were conducted Tuesday, January 28, 1975, at 2 p.m. in the Wilkins Funeral Chapel, with Rev. Dan Connally officiating. Interment was in the Goldthwaite Memorial Cemetery. Arrangements were under the direction of Wilkins Funeral Home.

Mr. Pass, a member of the First Baptist Church of Goldthwaite, passed away Sunday, January 26, 1975, at 1:40 p.m. in the Childress Hospital.

Born February 13, 1877, in Bell County, Texas, he was the son of Salescher Ann Wright and Elias Harrison Pass.

He was married to Dove

Alice Turner in Bell County, Texas, on March 14, 1894. In 1900 he moved his family to Nolan County and stayed 13 years on a 213 acre farm bought for \$13 an acre. He traded this place for one in Mills County on the Colorado River in order to have fire wood and a place to run cattle.

Survivors include two daughters, Mrs. Ben L. Graham of Goldthwaite; Mrs. Leona Bechem, Modesto, Calif.; one son, Sidney E. Pass of Abilene; four grandchildren; thirteen great grandchildren; and twenty-two great, great grandchildren.

Pallbearers were Grover Maddox, Truett Aldridge, H. G. Brooks, Floyd Fox, Charles Conradt and John Jackson.

Self Culture Club Enjoys Dress Review

Thursday, January 23rd, the Goldthwaite Self Culture Club was hostess to almost fifty pretty lassies in the First United Methodist Church Fellowship Hall who modeled their lovely garments they had made in Mrs. Wallace Johnson's homemaking class during the fall semester of school at GHS.

As Mrs. Janell Sherwood, moderator, introduced each girl she modeled her garment while Janell gave the type garment, material from which it was made, and the service opportunities for the garment.

There were many lovely garments - pantsuits, special occasion and evening dress, and blouses.

There were many favorable

comments from the club members and the many guests.

The girls were in a hurry, so they were served fruit punch and cookies as soon as they modeled, then went on to other activities.

After the girls and their devoted teacher left, the club guests and members were served delicious punch and assorted cookies, and a warm fellowship was enjoyed.

A short business meeting followed, conducted by Mrs. Clyde Cokrum, club president. Reports were heard from all standing committees. A resignation from Mrs. Oran Carothers was read but not accepted as the entire club knows we need her unusual talents. We all trust she shall remain a club member.

Mullin Community News

By: Lorene Holland

Funeral services are being conducted this afternoon (Monday) at Marble Falls for Authur Williams, oldest son of Mrs. Mable Williams and the late Chester Williams. He passed away with an apparent heart attack.

Mr. and Mrs. Azelle Mosier from Arizona are here visiting with his mother, Mrs. Fred Mosier, and also to attend the funeral of Authur.

Mrs. Charlene Mosier was pleasantly surprised Sunday afternoon when a group of her friends and relatives met at her home to help her celebrate her birthday.

Those present were; Mr. and Mrs. Thurman Scrivner of

Lewisville, Texas; Loretta and Laura Hunt of Early; Mr. and Mrs. Maxwell Kirkpatrick of Mullin; Mr. and Mrs. C. N. Scrivner of Goldthwaite; Vicki, Sharon and Mitzel Roberts of Brownwood; James Ranne of Bangs; and Artie and Willard Mosier of Mullin. Many more happy birthdays, Charlene!

Brad Vines and his parents returned to Galveston Sunday afternoon where Brad will have a medical check-up at John Sealy Hospital.

We are having some pretty spring-like days, but according to reports it may come to an end shortly. If it stays like this the fruit trees will bloom too soon, and the fruit may all get killed from a later freeze.

Mr. Willard Mosier and Artie Mosier plan to visit at the care center in Brownwood Tuesday with their brother Walter and wife Clara. They have plans to help him celebrate. Walter and Clara are both in the care center and are quite ill.

There were no services at the Methodist Church in Mullin Sunday. Our pastor, Bro. Roper, is ill with the flu.

Mr. and Mrs. Bob Parker and Donna Jean of Kermit were weekend visitors here with Mr. and Mrs. Grady Hancock, also with Pat Parker of Goldthwaite. Mr. and Mrs. T. J. Medart, Tommy and Candace of Leasder spent the weekend here with their grandparents, Mr. and Mrs. Frank Spinks.

Mr. and Mrs. Don Hicks of Austin were weekend visitors here with Mr. and Mrs. Melvin Bessent.

Mr. and Mrs. Carroll Lockett and three sons of Lubbock came for the weekend to visit with his parents, Mr. and Mrs. Bert Lockett. They had to return home a bit earlier than they had planned due to the illness of one of their little boys. With three small boys that can happen very easily.

The old flu bug is still around in Mullin. With all the pretty weather we have been having one would think the flu would disappear, but not yet.

GIVE THEM A FAITH TO LIVE BY...

Our times may be unique—both in the fears we and our children must face, and the conflicting distractions around us. Is religious faith enough to cope with our troubled world? The answer is this: *if you care*, the same place where your faith is built can be made a rallying point for the kind of realistic human involvement that can produce a stirring change—for the better—in your community, in the world, in your heart. Show the way. Give them a Faith to live by. This week, go to worship—and put your Faith to work, all week long.

Haven't we had some pretty weather for the last few days? I'm wondering how long it is going to last. February and March are usually pretty cold months.
Mrs. Ada Stuard, Mrs. Oma Hamrick and Diane Parrish, all of San Angelo, and Mrs. Larry Loudamy and son John of Georgetown spent the weekend with us. We visited our uncle Jack Whitley and Bonnie of Spring Creek and our uncle Geo. Churchwell of Locker while they were here.
Robert Phillips, his wife Diane, and Junior had supper with us Saturday night.
A. R. Rowlett went to Mullin Tuesday and sawed wood for Harold Lock.
Mr. and Mrs. A. R. Rowlett had two of their granddaughters spending the weekend with them. N. H. Hardman and Loyd Locker of Spring Creek visited on Wednesday afternoon.
Albert Whitley of Big Valley visited us Thursday afternoon.
Ruth Jones of Cherokee spent the weekend with her sister-in-law, Mae Egger.
Mr. and Mrs. Charles Higgins visited us Friday afternoon.
Mr. and Mrs. Robert Abbassi (nee Reta Jean Egger) of Austin spent the weekend with her parents, Mr. and Mrs. R. D. Egger, and son Sam. Her aunt, Mrs. Hulon Egger, gave them a shower.
Mrs. A. R. Rowlett visited with her mother, Mrs. George Wilson, in the rest home at Greenwood Saturday.
Raymond Hard went to San Antonio twice this week to play golf.

We have enjoyed some warm, pretty weather. There are quite a few on the sick list; they call it flu.
Mr. and Mrs. Andy Willis have been putting up some new sheetrock.
Mr. and Mrs. Louis Stahnke attended church at Priddy Sunday. Mrs. Freda Christenson accompanied them home for dinner and an afternoon visit. Freda called me; I enjoyed talking to my old neighbor - and she was feeling nicely.
Mr. and Mrs. Steve Hatliff children of Johnson City visited Mr. and Mrs. Donald Ratliff and Troy were visitors of their parents, Mr. and Mrs. W. W. Hatliff. They enjoyed chicken and home-baked bread and all the trimmings. I bet they slipped a loaf of bread to home.
I visited Mr. and Mrs. Harve Light at the hospital. They were doing nicely.
William Daniel visited his parents, Mr. and Mrs. W. L. Daniel, at the Heritage Home. They were doing nicely.

Singing
A singing will be held at the Edge Schoolhouse Sunday, February 2nd. The singing will begin at 1:30 p.m. All interested persons are invited to attend.

Pink & Blue Shower Planned

A party for a special little valentine will be given for Mrs. Jimmy Flippen Saturday, February 1, at 2 p.m. in the home of Mrs. Charlie Sheldon at Star. All friends of Johnafaye and Jimmy are invited to this pink and blue shower.

Wanted-Talent Show Entries

Attention! All talent show prospects! The Goldthwaite Garden Club will be sponsoring its annual talent show on February 28th. All interested individuals and groups are invited and urged to enter the show. Those wishing to enter should contact Mrs. R. Glynn Raley, Mrs. Tom Collier or Elizabeth Doggett. Deadline for entries in the show is February 15th.

Livestock Raisers Meet Monday

A meeting of the Mills County Livestock Raisers' Association will be conducted Monday night, February 3rd. The meeting will be held at 7 p.m. at the Show Barn in Goldthwaite. The general meeting will include a discussion of the recent show and sale.

Correction

On the recently published Buyer's List of the 1975 Mills County Livestock Show, the Heritage Nursing Home was inadvertently left off. On the list of contributors Mills County Abstract & Title Company was erroneously listed as Tom F. Duren & J. C. Cockrum, Atty's.
