Water Under the Bridge

BY G. F. B.

Looks as if our "summer playtime" might be over. That Wednesday morning north wind cuts through you like a rabbit through the briar patch.

The prospects for our first freeze aren't too far away, either.

But then, those pesky deer hunters ordered this stuff, didn't they?

I commented last week that it was time to begin the annual "knock the hunter" season. And that will continue until... one of these years... someone gets up enough nerve to put a "thirty-ought-six" in my hands. Then the shoe will be on the other foot and you'll probably read this column starting something like this...

"The deer are really fat this year folks, and the frost is on the pumpkin, so get out those rifles (well-oiled and spotlessly clean) and head for the deer lease with all due speed."

But until then it's open season on deer... hunters.

By the way, the season opens Saturday, not Friday, as some were trying to tell me the other day...

The 90th anniversary celebration at Goldthwaite's First Baptist Church will be worth attending, and not just for the members of the church, but for everyone in Mills County. The history of this church catches scenes of life throughout all the development, wars, good things and bad of Mills County.

Activities begin Wednesday night, November 12, and will continue through Sunday night with the musical production of "Alleluia" by the FBC Choir and the Howard Payne University Alleluia Orchestra. (The orchestra alone would be worth the trouble.)

Dan Connally, pastor of the church, issues a special invitation to everyone to attend any and all of the special services. An Open House is set for Saturday afternoon.

Mills Commissioners Court Holds Session Monday

Mills County Commissioners Court met last Monday in regular session at Mills County Courthouse.

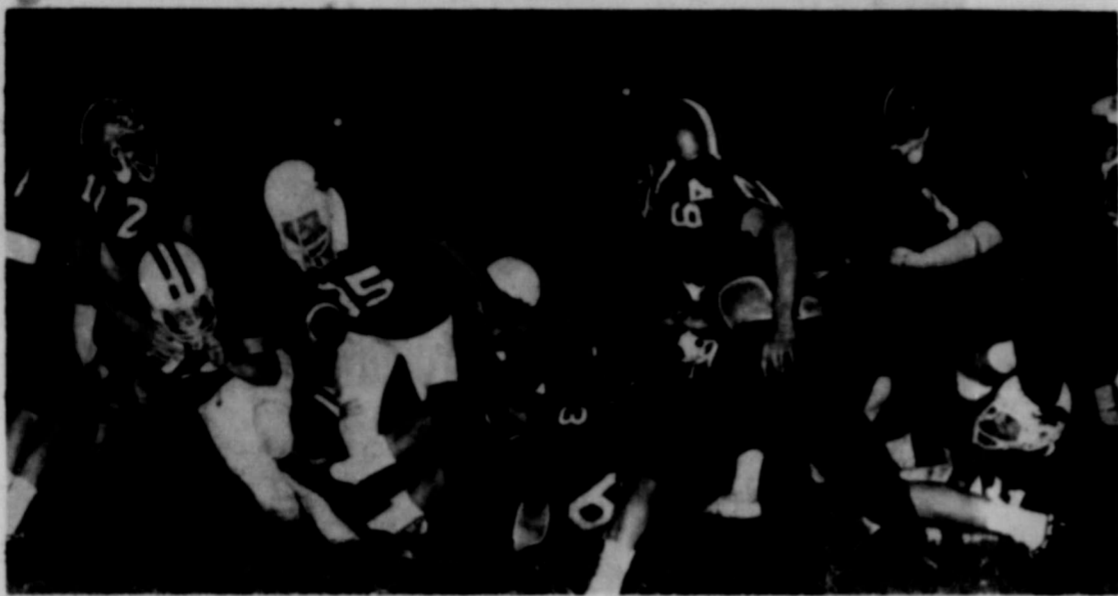

The court postponed, pending future bids, the completion of another segment on the beautification of the courthouse lawn. Mrs. Walton Daniel and Mrs. W. P. Duren were at the meeting, representing the Garden Club which is director of the project.

In further court action, the commissioners unanimously voted to reinstate the Fisher (Democrat area) voting box, no. 9, Mills County. A petition with 35 registered voters was read at the meeting. Currently, these voters vote in Mullin and Friddy.

The court canvassed the voting results of the special constitutional amendment election held last week.

Tom Cody Graves was present at the meeting to present to the court progress for a Mills County airport. He asked the court to appoint three members to an airport advisory board to develop the idea. No appointments were made at the meeting.

Precinct 2 commissioner, Hawley Jernigan, made a motion which passed unanimously that the County pay the expenses of County Judge Herbert Faulkner and Commissioner Lewis Watson for them to attend a national

Eagles-Dragons Tie 21 - 21, Close Season Friday Against DeLeon

Friday night Goldthwaite and Bangs racked up 21 points each as they did battle in a 10A conference play. Bangs pulled off the first touchdown during the first quarter of play. Goldthwaite went into the second half of play to tilt the board for a TD and a good extra point. The touchdown play was on a quarterback sneak by David Miller. Bangs took the pigskin across the goal line in the second period of play to lead the Eagles at halftime 14-7.

In the third period of play Miller passed to Spradley for the second Eagle TD. Bangs was right behind as they racked up another six-pointer to break the tie.

During the fourth period of play Goldthwaite received another six-pointer as Byron Landrum took a pass from Miller across the line and kicked the extra point to leave the game tied 21-21.

Landrum carried the ball 19 times for a total of 118 yards, and Frazier carried the pigskin nine times for a total of 25 yards.

Jett Johnson received four passes for a total of 63 yards; Landrum, 2 for 25; Spradley and Benningfield received one

pass each. Delbert Berry had a total of 25 tackles; Eddie Martinez, 17; Frank Berrera, 11; and Landrum and Donnie Humphries, 9 each.

"We eliminated the number of penalties we have been averaging and did not have as many crucial turnovers as we have had in previous games," commented head coach Gene Aldridge. "The boys were really worked up and played an outstanding game."

This Friday Goldthwaite will conclude their '75 football

season as they host DeLeon, the number one Class A team in the state. Kick-off time is scheduled for 7:30 p.m.

The Way It Was

Fun Times In Goldthwaite

PART I

Information by Julian Evans

Written by Hartal Langford Blackwell

From the earliest time of settlement in this area until the introduction of the automobile, fun for both old and young was never far from home, and Sunday afternoons were the favored times for outings.

A typical Sunday afternoon centered around a camera, and lucky was the boy or girl who owned one. In the early 1900's, groups of young people would get together, bring the camera, and climb the hill east of town to the vicinity of the Phillip Nichols home, and there spend the afternoon laughing, joking and posing for pictures with everyone having a delightful time.

Or, perhaps a group of teenagers might get in buggies and go to what was known as the "Keese Water Hole" west of town for an afternoon of fun and picture taking.

Often, groups went to the Street place south of Goldthwaite for Sunday School picnics around a large earthen water tank, one of the few in the county. If a group was lucky enough to get to the Colorado River for a picnic, and they usually did on the Fourth of July, everyone went swimming. However, mixed bathing was frowned upon by most, and not commonly accepted, so the boys swam at one location on the river and the girls at another, out of sight of the boys if possible. The groups were always chaperoned by older people.

Riding the train was looked forward to with great enthusiasm and often groups walked to Mullin on Sunday afternoons just for the excitement of riding home on the train -- the cost, 30 cents each.

A happy time for young boys was the daily visit of the ice wagon. Mr. Edward Geeslin owned an ice house and bottling works located where the City Utilities now stand. The horse-drawn wagon started its rounds each morning delivering blocks of ice to the homes. The young boys of Goldthwaite followed the ice wagon like the children followed "Pied-Piper", except these children were having great fun eating chips of ice that flaked off as the blocks were chipped for each house. Ice was precious in those days, and scarce as well as expensive, so children were not allowed to eat much of it at home.

One of the things boys and girls loved to do most, usually without the knowledge of their parents, was a Sunday afternoon visit to Snow Cave, located near the Carlos Patterson place. There they explored its depths and carved their names upon its walls. There was a small tunnel in Snow Cave that led to a room called "Poker Hollow", and the cave was lighted only with candles carried by its visitors. Many times, when everyone had squeezed through the small tunnel and were inside "Poker Hollow" some prankster in the group blew out the candle, and panic reigned in the dark, with a mad scramble for the narrow tunnel. Another room in Snow Cave has a rock formation resembling a bear at the back of the cave. There are names of boys and girls of Mills County carved on the walls of Snow Cave dating back to its earliest discovery. Little did they realize the dangers that might lurk inside.

Since there was no refrigeration during these early times, fresh meat was eaten as soon as possible after it had been slaughtered. Many nights someone would butcher a calf and have it ready to sell from door to door the next morning. It was usually eaten for breakfast, for fear of spoilage before noon on hot days, and people looked forward to a breakfast

of steak, eggs, fried potatoes, biscuits and gravy.

The first band was organized in Goldthwaite in 1890 by a Professor Boyer from Kentucky who boarded at Mrs. Carrie Whittaker's boarding house. After a short period of instruction, the band gave a concert in the courthouse for their families and close friends. At the close of the concert, everyone enjoyed the first ice cream to ever be served in Goldthwaite, and the first that most everyone there had seen. The ice cream had been shipped in on the evening train from Temple.

On the south corner of Fisher and the Waco Highway stood the Henry Martin Dry Goods Store, and adjoining it to the south was the first theatre of Goldthwaite, "The Crown Theatre". Here the young and talented Miss Mary Lou Rahl, affectionately called "Tootsie", played the piano, accompanied by an orchestra, and they cued the silent movie every night. The vivacious young Tootsie, who later became Mrs. Bill Woody, could literally make a piano talk, and since the movies were without sound, she and the orchestra set the pace of the music fast if the action was fast, slow if the action was slow, and soft if things became sad.

Some members of the orchestra were: the three Everly

Brothers, Floyd Mullin, Claude and Kelly Saylor, Neal Dickerson, Clyde Hudson, Jim Kelly and L. B. (Cap) Walters.

Aubrey Keel operated the Crown Theatre and was projectionist. As the film rolled, it dropped to the floor in a huge pile, sometimes rolling down the stair to the floor below. When the film broke, and it always broke several times during each show, Mary Lou and the orchestra entertained the audience with popular tunes of the day until the film was again repaired. Not many people in Goldthwaite have ever been able to play the piano as well as Mary Lou.

The first air-conditioning of any kind in Goldthwaite was set up in the Crown Theatre. A windmill wheel was mounted on the rear wall of the theatre and was pulled by an electric motor, sending fresh air back through the crowd. Ribbons were secured at the entrance and allowed to hang free, so that the breeze from the fan made them flutter and stand out, enhancing the effect of the air-conditioning.

Some of the earliest recitals and plays of the county were given in The Crown Theatre.

Mills County Deer Season Opens Saturday

Saturday, November 15th, marks the beginning of Mills County's deer season. Mills County hunters, as well as hunters from all areas of the state who have leases here, are anxiously awaiting sunrise Saturday morning.

The deer crop itself should be a good match for the number of hunters. An either sex deer season is again in effect for Mills County for the third year in a row.

Elsewhere in this issue of the Eagle, a map is shown outlining the counties which will receive antlerless deer permits this season. The permits will be issued Friday, the day before deer season opens.

Turkey season in Mills County comes concurrently with deer season. Limit is two turkey gobblers or bearded hens, which have beards protruding through the feathers. All tur-

keys must be tagged this year. Quail season opens on December 1st.

Land owners who lease their land for hunting are required to buy a license to lease and maintain a record of hunter's turkey, quail, deer and dove kills.

Deer season ends at sundown January 1, 1976.

Bennie Schriver, local game management officer, reminds hunters to be safety conscious and to wear bright clothing when hunting to prevent any unnecessary accidents.

Museum Board Has Initial Meeting Friday

The newly organized Mills County Museum Board met last week to start work on a permanent museum.

County Judge Herbert Faulkner presided at the meeting. Permanent officers will be elected at the next meeting of the group.

The work of Herbert Cooke, present director of the museum, located in the former Cattleman's PCA Building, was lauded by the group and discussion was held on the fine progress already made by the museum, under Mr. Cooke's direction.

The group voted to have Judge Faulkner appoint a committee to study the county's feelings on a museum, its location, method of financing, organization, etc. They will report at the next meeting.

Mrs. M. F. Horton, president of the Mills County Historical Commission, was asked to get in contact with a museum expert in Austin and have them present a program at the next meeting.

There was a nice group of interested Mills County residents in attendance at the meeting in the County Commissioners Courtroom.

A total of approximately 800 votes were cast in Tuesday's election — a somewhat higher than usual number for a non-presidential year. The Republicans were few and far between — about 40 adherents of the G.O.P. in all of Mills County. The Goldthwaite Volunteer

Fire Dept. was summoned soon after one o'clock Thursday morning to fight a fire that destroyed the unoccupied home of James Ralph McKee in the northwest portion of Goldthwaite.

Miss Melva Gene Nowell and Royce L. Wheat of Ranger were united in marriage Saturday, Oct. 28, in the home of Rev. and Mrs. C. C. McKeever. The bride is the daughter of Mr. and Mrs. Roy B. Nowell of Goldthwaite.

Friday night is homecoming night in Mullin when the Bulldogs will play their first six-

man football game of the year against the Lawn Longhorns. Coach Barnett said that his probable starting line-up will be Averi Swinney, Alvin Bramblett, W. H. Simpson, Bobby Wood, Billy Anderson, George Ellis.

Rex Williams, 4-H Club boy from Mullin, has won a trip to Chicago on his corn project, harvesting over 70 bushels to the acre.

The recent frost is reported to have damaged the fall feed crops badly. Some farmers report maize scorched and in some fields failing. It is believed the feed crop will still be pretty good, however.

Mr. M. V. Nowell, one of the oldest citizens of the county in point of years as well as in time of residence, died at

his home in Big Valley last Saturday morning. He was in his 95th year and had been a citizen of this county since 1877. He was a member of the Baptist denomination and the last of the charter membership of Jeff Davis camp of Confederate veterans.

Mullin Upsets Star 56 - 26

Mullin has been named the six-man football champion for Mills County following the Mullin - Star game last Thursday night. Mullin pulled off a 56-26 win.

Scoring for the Bulldogs went as follows: Charlie King, 2 TD's; Gary Bearden, 3 and one extra point; Ricky Shelton, 2 and one extra point; and Randy Lindsey, 2.

Mullin, which stands 7-2 for the season, will travel to Moreland for their final game of the '75 season. Kick-off time is 7 p.m. Mullin is in second place in District 15B.

Bill Brown scored once for Star on a 39-yard run and received a 50-yard TD pass from Jimmy Witty. Witty ran 52 yards for another Tiger touchdown and passed to Dennis Norwood for another.

Thursday, tonight, Star will host Pottsville for their final game of the '75 season. Game time is 7 p.m.

What's the highest honor that a person can receive for their high grades, reliability and trust? Why, it's the G.H.S. Beta Club. The members of the Beta Club average the grades of high school people after two six-weeks to see who has a 90 average, then they vote to see which people will be asked to join the organization. The Beta Club has been trying to raise enough money to go to the annual Beta Club Convention in Dallas this coming January. They have been selling four types of really beautiful cards. They will stop selling the cards on Thursday (today), so if you will help them you had better see one of the members before Thursday. The Beta Club also raises money to give two scholarships to two of the seniors at the end of the year. The Beta Club officers for the year are:

President - Byron Landrum, a senior and son of Mr. and Mrs. Kellis Landrum
Vice Pres. - Valerie Studer, a junior and daughter of Mr.

BY Lela DeHart

I have been riding around over the countryside, seeing the green shoots of grain coming up, covering the ground. How beautiful it is! The first thing I fell in love with in this country was the green fields in mid-winter. The 1 1/2 inches of rain is promising another green field winter.

Mrs. Rosa Tiemann was operated on Tuesday evening in the hospital at Comanche. This reporter and husband visited her a few minutes Wednesday evening. She is doing fine.

Visitors in the home of Mrs. Linnie Embrey last week were Mrs. Edna Schwartz, Dee and Madge Dutton of Carlton, Mrs. Lewis Stone and son Jeff and a couple of Jeff's friends of Dallas, Lois Bynum and Tillie Harris of Indian Gap, Obie and Neva Embrey of Evant, Mr. and Mrs. Charlie Swindle, and Mr. and Mrs. Alfred Hohertz.

Mr. and Mrs. Charlie Covinger and Mrs. Bertha Covington made a trip to Pasadena, Texas over the weekend for the wedding of Mrs. Covington's grandson, Michael Klueck. Mrs. Alwine Swindle of Austin is visiting Mr. and Mrs. E. A. Marwitz for a few days.

Mr. and Mrs. Albert Hopper of Ft. Worth spent a few days visiting in the community last week.

Mrs. Bertha Covington had friends to stop by on Monday, Mr. and Mrs. T. R. Bethke of Austin. They hadn't seen each other in 23 years.

The friends and patients of Dr. Mims will be glad to know he is back on the job after a lengthy vacation. Dr. Mims' work is in Comanche.

Mrs. Lela Schlee is now in the Western Hills Rest Home in Comanche.

Hillview Highlights

How delightful to have the public school kindergarten children come for a Halloween program! Our thanks to Mrs. Miller and the mothers who helped. Hillview residents who assisted with refreshments were Drue Huchabee, Ruby Kattes, Olive Covington, Sallie Strange, Allie Welch, Allee Waggoner, Alma Hanna, and Charlie Belle Southerland.

And how we did enjoy having the ghosts and goblins come by for treats Halloween night -- about 40 of 'em. Staff members Willie Mae Brown and Gayle Smith provided popcorn and music during the evening.

Last week also brought the G.A. choir, Mr. Witzsche and his accordion, and the string band.

Welcome to new residents

Goldthwaite's B Eagles held a spellbound crowd during the last three minutes of the Goldthwaite-Bangs game Thursday night following a Bangs fumble which was recovered by Eagle Sammy Padilla.

After a couple of plays to advance the ball toward the goal line, Charles Davis received a 17-yard pass from QB Mike Connally to put the pigskin on the one-yard line. On the second attempt from the one-yard line, Mike Williams took the ball over for the score, leaving the Eagles with an 18-14 victory.

Following three plays, after Randy Williams had recovered an on-side kick, Tommy Collier went 42 yards for the first six-pointer of the night. With 4:53 left in the first quarter, Williams passed to Davis for the second Eagle TD. Score at halftime stood Eagles 12, Bangs 0.

Bangs controlled the third quarter of the game, and on an 11-yard run scored their first six-pointer.

With 6:14 left in the fourth period of play, Bangs scored again on a 47-yard run. With the extra point try good, Bangs went ahead 14-12.

Goldthwaite broke loose during the final minutes of the game with their fantastic play to pull off the 18-14 win.

Mike Williams carried the ball 21 times for a total of 124 yards, 5.9 yard average; Tommy Collier, 16 for 111 yards, 6.9 average; D. D. Terrebonne, 2 for 3 yards, 1.5 average; Mike Connally, 4 for 0 yards; and Dean Humphries, 1 for 1 yard.

Connally attempted 2 passes and completed 1 for a total of 17 yards, and Williams attempted 3 and completed 2 for 11 yards. Davis received 2 passes for a total of 24 yards and Terrebonne 1 for 4 yards.

Mary Patterson and Elzie Funderburk. Those hospitalized are Exa Roush, Zelma Hamilton and L.V.N. Eva Garland. Gertrude Kahns came home last week.

Jr. Eagles, Bangs End Game In 6 - 6

Goldthwaite's Junior High Eagles played an outstanding game against Bangs last Thursday night, both defensively and offensively, but could not muster a score until the final 21 seconds of the game.

Bangs came on strong in the first quarter and racked up a TD on a four-yard run.

Goldthwaite worked hard during the four periods of play to get the pigskin over the goal line, but couldn't get the six-pointer on the board until the last 21 seconds of the game. Coy Hammond took a 22-yard pass from Scott Ward for the score. Jim Smith's extra point kick was wide, leaving the score tied 6-6.

Mike Ervin carried the ball 15 times for a total of 88 yards, 5.9 yard avg.; Keith Williams, 5 for 26 yards, 7.2 avg.; Steven Schwartz, 7 for 46, 6.6 avg.; and Ward, 3 for 8.

Leading tackler in the game was Jim Smith.

The Junior High Eagles stand 3-2-3 for the season and have 2 wins and 3 ties in district play.

Thursday, tonight, Junior High will play DeLeon there in their final game of the season. Game time will be 6:30 p.m.

"The performance from both the offense and defense was very outstanding in the game against Bangs," commented Coach Danny Spradley.

Dear Charlotte,

As I frantically placed Christmas on the drug store shelves this week, Dorothy Jordan shared with me a child's thoughts of Thanksgiving.

Last year a small child watched the city electricians install Christmas lights a few days before Thanksgiving. The child looked up at her mother and asked what the men were doing. The mother explained, and in bewilderment the child asked, "Why are they doing it so soon? We haven't had our turkey yet?"

- - And a little child shall lead them - -

Let us pause long enough to have our turkey and give thanks to the dear Lord for a day that says "STOP". - - A day that gives us 24 hours to remember God, home, country, happiness, and an abundance of Love.

Thankfully,
