"That Passing Laughter" Reviewed At Culture Meet

The Self Culture Club met February 26th in the club room of Mills County State Bank. Hostesses were Mmes. Claude Taylor and LeRoy Beard. Mrs. Fred Reynolds presided over the business, and Mrs. Thurman Head was elected to membership in the club by unanimous vote.

A letter dated 1912 and written by Mrs. J. H. Randolph upon completion of her office as president of the Self Culture Club was read by Mrs. Julian Evans. The letter was presented to the club by Mrs. M. F. Horton. It will be placed in Jennie Trent Dew Library. Mrs. Randolph was a charter member of the club, which was organized in 1905.

Following the business meeting, the hostesses served a

delicious refreshment to members and special guests, Mmes. Joe Palmer and Sumter Gerald of Euless.

Mrs. Evans gave the invocation.

Mrs. A. R. Neely was program director. She introduced Mrs. Paul Henderson who reviewed "That Passing Laughter", stories of the Southland. The book, published by Southern University Press, Birmingham, Alabama, has over one hundred authors — governors, doctors, lawyers, negro farmers, gardeners, cooks, bankers, housewives, novelists, plantation owners, etc. It is important and elusive Americana, depicting a way of life that is passing, and will be invaluable to the real student of sociology and history.

Nancy Weddell, Gerald Duncan Exchange Wedding Vows February 28

Nancy Pearl Weddell and Gerald Keith Duncan were united in marriage Saturday, February 28, 1976, at 7:00 p.m. in the Central Christian Church, Lampasas, Texas. Rev. David E. Mills, Minister of the Central Christian Church, officiated for the double ring ceremony.

Parents of the bride are Mr. and Mrs. George Pinson Weddell of Lometa, Texas. Parents of the groom are Mr. and Mrs. Troy E. Duncan, also of Lometa.

Traditional music was furnished by Mrs. Thurman Head of Goldthwaite, organist, and Miss Nelda Hardin of Fort Worth, soloist, who sang "The Lord's Prayer" and "Oh, Promise Me."

The church was formally decorated with a Victorian arrangement in shades of pink, rose, lavender, and purple tones in mixed flowers forming the central focal point. At each side of this arrangement were four spiral candelabra holding tall pink tapers and garlands in strands of stimplax. On the lectern and pulpit were two matching arrangements cascading down the front of them. Draping the altar rail were garlands of stimplax caught with bows of pink satin. The aisles were marked with cascades of greenery and bows of pink satin.

The bride was given away by her father, George Pinson Weddell. For her wedding, she chose an original gown of ivory tulle appliqued with Alencon and Venise lace embroidered with seed pearls. In classic silhouette the empress bodice featured a wedding ring neckline and long tapered sleeves. From the empire waistline the full skirt fell softly into a chapel length train. To complete her attire the bride chose a pagoda toque covered with lace matching that on her gown. The illusion floated gracefully past the hem of the train.

The bride carried a formal cascade bouquet of wax roses and stephanotis in shades of ivory with pink French silk apple blossoms and ivory ribbons. The bridal veil floor clasp matched the bridal bouquet.

Maid of Honor was the bride's sister, Miss Georgina Weddell of Lometa.

Bridesmaids were Mrs. Richard Menchaca of Portland, Texas; Mrs. Stanley Gillum of Odessa, Texas; Mrs. James D. McLean, Jr. of Killen, Texas, sister of the groom; Mrs. Terry Simmons of Waco, Texas; Miss Melissa Coats of Goldthwaite; and Miss Gayle Cooley of Richardson, Texas.

The Maid of Honor and bridesmaids' dresses were deep rose pink evening length with fitted bodice, high waistline, and the full length sleeves were trimmed with rose pink ostrich feathers. Their bouquets were formal cascades of pink roses, and pink, rose and orchid carnations with purple statice and touches of baby's breath. They wore matching clusters of flowers in their hair.

Mr. Troy E. Duncan, the groom's father, served as best man.

Groomsmen were Mr. Wayne Lilly of Lometa, Mr. Donald Carsten of Wichita Falls, Mr. James D. McLean, Jr. of Killen, Mr. Richard Duncan of Dallas, Mr. Richard Lee Clardy of San Angelo, and Mr. Hal Wood, also of San Angelo.

Serving as ushers were Mr. Allen Cox, Lometa; Mr. Scott Weddell, San Angelo, the bride's cousin; and Mr. Everett A. Kirby, Lometa.

The groom and groomsmen were attired in black tail coats and trousers, ivory shirts, black bow ties, and pink rosebud boutonnieres.

A reception, hosted by Mr. and Mrs. George Pinson Weddell, was held in the church following the ceremony.

Members of the house party included Mrs. Novis O. Williams, Jr., Lampasas; Miss Cay Hudgins, Lufkin; Miss Janice Spaeth, Lometa; Miss Gay Harper, San Angelo; Miss Joan Watten, Fullerton, Ca.; Mrs. T. L. Duncan, Kyle; Mrs. Craig Sullivan, Lampasas; Miss Suzanne Smith, Austin; Mrs. Ronnie Whitehead, Round Rock; Miss Barbara Bruce, Goldthwaite; Miss Cindy Hammond, Lometa; Miss Cheryl McCann, Lometa; Miss Kim Kirby, Lometa; Mrs. Bill Simmons, Lometa; and Miss Pamela Klein of Fort Worth.

The rehearsal dinner was held in the Community Room of Citizens State Bank Building, Lometa. The decorations

were in shades of pink, dinner, hosted by Mr. and Mrs. Troy E. Duncan, was held Feb. 27, 1976.

For traveling the bride was attired in gold plaid with bone-colored accessories and a deep purple orchid corsage.

The bride is a graduate of Lometa High School and attended Texas Christian University, San Angelo, where she is now engaged in ranching.

For their wedding trip the couple will tour Arizona.

We were sorry over the death of Lawrence Jones, Uncle Lawrence was an old timer of Mills County. At one time the family resided at the George Mason place, now Mrs. Brown's. We express our sorrow to his loved ones.

Mr. and Mrs. Stone Shipman visited Mr. and Mrs. Pearl Shipman and enjoyed the birthday supper. Happy Birthday, Mr. Shipman.

The philosophy of dentists today is to make you work harder at keeping gums and teeth healthy so that there is less work to do when you come to him for your check-up. Today, your dentist takes the time to talk to you about how best to take care of your mouth, with brushing, flossing, massaging and rinsing.

We carry a great many dental health products in our pharmacy that can help to put into practice what your dentist is asking you to do. And, our personnel are trained to answer your questions about any of these products.

San Saba REAK BY: Mrs. Dutch Smith

Well, it's good to be back after a bout with the flu and inner ear trouble. I am still not over it, but so much better. I have been out since January, you might say.

Our children, the Johnnie Smiths of Burnet, had dinner with us last Sunday night.

On Saturday night our grandson Jesse Ball visited us. He and Dutch and I visited in the Carl Brown home. Our children were there. We enjoyed seeing them and had a very good visit with them.

I visited several friends in Goldthwaite, Mrs. Owen Carothers, Mrs. Fay Rahl and Mrs. Fred Laughlin, and also visited some in the hospital. I also visited Mrs. Lula Morresey.

Sunday Dutch and I attended the funeral of little Wayne Featherston. That was such a sad funeral. We pray God will bless his parents and grandparents and all the relatives

who were so heartbroken.

Well, today is March 1st. It is really dry out our way. I hope we get a rain very soon.

Our nephew Owen Smith visited us one day last week. We had dinner with them and then Hazel went to the singing with us at Hillview Manor.

We had a good singing. I still think some of the Goldthwaite people could attend and help us sing. Well, I hope you will think it over and remember that I am old and you are getting old.

We just had a nice surprise. Our oldest son, C. S. "Chile" Smith, Jon, and a friend, John Butler of Waco, came and we had a nice visit with them. He left too quick, though. I talk real fast, but didn't have much time to question him much.

Well, no news. Maybe next time I will know something.

From the County Agent
By DANNY LONG
Mills County Extension Agent

Diseases of peaches and plums are common in Mills County, and control programs are a year-long effort because fruits are subject to different diseases which occur throughout the season.

Sprays applied at only specific periods control only certain diseases and allow the rest to develop and destroy the fruit.

In 1975 above average rainfall during the fruit development period caused increased losses due to brown rot. Homeowners must start early and follow a continued program if such diseases are to be controlled.

Fungicides such as captan, sulfur or Benlate are effective for controlling disease on fruit trees. These should be used on a two-week program starting at bloom and ending with an application one day prior to harvest. The fungicides can be mixed with insecticides, thus reducing the total number of spray applications required during the year.

Sanitation is important in disease control. Remove diseased fruit from trees and the soil surface below trees. Also thin the fruit load on trees so that fruit does not touch. Fruit should be spaced on the limb about four to six inches apart.

Fruit can be an important part in any home garden, but

a disease control program is necessary to produce a healthy crop.

Control of nematodes in the home garden and flower beds is a problem that homeowners must deal with year after year. These microscopic organisms attack and feed on the root systems of most of our garden vegetables and flowers.

The most commonly found nematode is the root knot nematode. It gets its name from the enlarged knots or galls it forms on plant roots. Above ground symptoms include general loss of vigor and color. Plants many times wilt and die even though adequate soil moisture is available.

Prior to this year, homeowners did not have much with which to combat the nematode. Certain granular nematicides containing the material DBCP were on the market but could not be used on all crops because of the bromine residue problem. Methyl bromide fumigation was also available but was quite dangerous to the applicator and also posed a bromine residue problem.

A new soil fumigant suitable for broad spectrum soil fumigation by the homeowner has now been cleared for use. The material is presently sold under the trade name of Vapam by the Stauffer Chemical Company.

The material is sprayed on the soil at the rate of one quart per 100 square feet of surface and watered into the soil immediately. Fumigation will be aided if some type of covering can then be pulled over the soil for 3 or 4 days. The covering can then be removed, the soil tilled and allowed to aerate at least 2 to 3 weeks before planting.

This product has clearance for all garden crops and residues should not be a problem. Extension demonstrations utilizing this product in numerous Texas counties in 1975 showed excellent control of nematodes as well as many other soil organisms.

This product is presently available from many home garden supply stores in gallon containers. Follow all label instructions carefully, as all pesticides are potentially dangerous.

HEARING TESTS ARE IMPORTANT!

If you have a hearing problem of any kind you owe it to yourself to have an Electronic Hearing Test made to find why, and what can be done to help you before it is too late. The tests are free and will only take about 20 minutes of your time. We check your ears for packed wax, the tubes that let your ears breathe, then with the machine we check your hearing nerve, (bone reading) air conduction, (outside sounds) then measure how much sound the ear will take. We can pinpoint your problem and explain in plain English what can be done to help you, then you make your own decision. We never try to high-pressure you into buying anything. There are thousands of people today suffering from hard of hearing (even some who wear Hearing Aids) just because they waited too late to do something about it. Don't let this happen to you.

Mr. Joe Treadway will hold his regular Hearing Aid Workshop at the Mauney Motel in Goldthwaite, Monday, March 8, from 1:30 p.m. to 3 p.m.

We invite you to come in for your free test. We do repair service on most makes of Aids, and have a full service on cleaning, tubes, batteries for your Aid, and can always save you money. We are licensed by the State of Texas to fit and dispensing of Hearing Aids.

We are always close by when you need us. We are in the Stephenville office, (Skipper Real Estate Building) every Thursday and in the Hamilton office every Friday to run special test and assist you in every way.

Legal Secretaries Report

The Brownwood Legal Secretaries Assoc. held its regular meeting at the Conquistador Restaurant Supper Club at the Riverside Motel.

James G. Bunnell, County Judge, was the special guest speaker for the occasion. The judge spoke on various ways in which each member might be a better secretary to her employer.

Judge Bunnell said a very important quality in the law office is humor. Reflecting some of his past experiences, he focused his point which was well taken. Humor is one of the few ways we in the legal field have of relieving tension, both our own and our clients'.

Mr. Bunnell also stated that a little kindness would go a long way in any profession. All the guests were welcomed by both Judge Bunnell and president Debbie Gwathmey.

The minutes were read and approved and Janie Haynes read the treasurer's report and outcome of the gun sale project. Everyone was urged to turn in their receipts so that the book could be sent to the publisher. Betty Crowder gave her report on the progress of the seminar plans.

No one has applied for the scholarship which B.L.S.A. is giving away, and which T.A.L.S. is giving away, so reported Cheri Steele, scholarship chairman. If anyone knows of anyone who is a senior this year and is interested in obtaining a scholarship, they should contact Cheri at 643-1505. You do not have to be a legal secretary to qualify. Anyone interested please call Cheri.

Next month's meeting will be a salad supper. The location will be announced at a later date.

Members attending this meeting included Linda Davis, Treva Matthaeci, Cheri Steele, Debbie Gwathmey, Betty Crowder, Evelyn Myrick, Carmolita Smith, Louisa Spore, Jerry Tischler, Faye Elms, Billie Jacobs, Juanita Cox and Melissa Campbell.

Guests attending included Marian Holdridge, Bonnie West and Betty McClure from Coleman; Janet Curtis, Kay Holman and Jan Kaase from Comanche; Betty Wigginton, Donna Valadez, Ruth Schwartz, Juanita McBea, Connie Netherly and Amy Cruckermeyer.
