**It May Not Be

The good old days? Modern day printers would really howl if they had to turn out their products the way R. M. Thompson and crew had to do around 1910. Col. M. Y. Stokes of Goldthwaite brought in this old photograph of the Eagle Office.

The newspaper press, folder, and two job presses were run off a common drive, on the ceiling, and were powered by a steam engine. Mr. Thompson is at the left in this photo. All the type for the paper was set by hand, as there was no electricity for a Linotype. The

building, although located on the present 1002 Fisher lot, is not the present one that was built about 1921. Thanks to Col. Stokes for sharing this memory. The Eagle will publish old news photos from time to time, as space permits.

John Hill is attacking State Budget waste . . .

"I've already started my search for waste in the state budget. I want to be ready to tackle overspending the minute I take office as Governor in January. My budget office already is paring down big state agency budget requests, to keep spending within available revenues. We'll have to live within our means, because I'll veto any new taxes."

Opal Burdette and Ruby Kattes... decorating bulletin board--

SOMETHING NEW HAS BEEN ADDED - a nice, big bulletin board in the living room. Opal Burdette and Ruby Kattes were among those responsible for decorating it this week. Many thanks to James Rajnoch for making the board for us.

THERE WERE LOTS OF WINNERS - at Thursday's bingo game, including Ola Rudd, Lena Brown, Susian Huckabee, Ruby Kattes, Lucretia Rothwell, Alice Waggoner, Josie Faught, Mabel Yarborough and Olive Covington. Pearl Crawford helped with joke prizes for the winners.

AND THEN THERE WAS - an ice cream social with vanilla, strawberry and chocolate ice cream festively served in our new, long-stemmed sherbet dishes. Who ate the most? Maybe Della Means will tell you.

BUT ALL THOSE CALORIES - were "used up" later in the day at exercise class. It had been a while since we'd done some of those exercises and Gladys Evans had to remind us how to do the leg exercises. Anyway, it was fun and nobody had sore muscles the next day.

BUT THEN IT WAS NICE - to have a quiet activity - sitting around the table, looking at pictures and remembering good times while working on our Home scrapbook which will be entered in NLC and TNHA scrapbook competition in October.

WE WELCOME BACK - Walter Hamilton, who has been in the hospital.

Susan Kay Derrick
...engaged

Engagement Announced

Mr. and Mrs. Cecil Derrick of Goldthwaite announce the engagement and approaching marriage of their daughter, Susan Kay, to Paul Basham, son of Rev. and Mrs. John Basham of Azle, Texas.

Miss Derrick is a graduate of Southwestern University, Georgetown, and is em-

ployed by Great Western Company.

Her fiancé also attended Southwestern University and is presently employed with Shamrock Food Service.

The wedding is planned for September 23, 1978, in the Chapel of the First United Methodist Church in Goldthwaite.

Mrs. Inez Gilbreath Is Home From 8-Day Trip

August in Colorado is beautiful. The nights and early mornings, around 7:00 o'clock, are about 40 degrees in Pagosa Springs — at least this is what we hear from Inez Gilbreath, who has just returned from an 8-day trip which took her over 1700 miles and three states.

Inez had a real treat by not having to drive a mile after arriving in Abilene, where she left from Monday morning, the 7th, around 8 a.m. with her son Rick, daughter in law, Lavell and two granddaughters Michelle and Angela.

While gone they saw such things as the musical "Texas" in Palo Duro Canyon, the famous Pagosa Springs which C. W. McCall sings about, and a drive up Mesa Verde to the Ute mountain Indian Reservation. The drive took them up to an elevation of 8,070 feet. Then back to New Mexico for some shopping in Albuquerque and Clovis. Then on to Lubbock for a visit with Mitzi Smith, her daughter.

Tired and worn out, back to Abilene Saturday for rest and a chance to regroup and on Sunday back home to Star.

Inez says she has a lot of nice memories, but most of all right now she thinks she needs a rest.

Mills County Extension Highlights

Mulches are important for the fall vegetable garden to conserve moisture and reduce soil temperature, but gardeners should be aware that diseases and insect pests can be introduced with some mulches.

For example, nematodes can be brought into the garden, particularly when using peanut hulls as a mulch. Peanut hulls serve as a carrier of root knot and lesion nematodes which attack the vegetables.

In addition to the nematode problem, organic mulches such as grass clippings, leaves and plant debris, have the possibility of increasing a disease known as Southern Blight. This is a fungus that lives on organic material in or near the soil surface. During the summer after an extremely dry period followed by scattered showers, plants may begin to wilt and die rapidly. The base of the plants may show a white

fungal growth with small light tan to dark brown structures the size of a pin head. These are Sclerotia, the overwintering bodies for Southern Blight. These will drop off the plant and remain in the soil for the next crop season.

These diseases can be avoided by using plastic or paper mulch.
Of course, large amounts of organic material are good for the soil, so we suggest working the material into the soil as deep as possible so that it can decompose at a lower level. Composting organic materials before applying them to the garden also helps in disease prevention.

Dear Frank & Georgie: Since moving to Abilene, we are missing all of the news from Goldthwaite! So, enclosed find a check to cover a year's subscription to the Eagle.

We have had some busy days since moving, but are about to settle back to normal again. We are enjoying our new church so much (Crescent Heights Baptist Church, 1902 North Mockingbird).

We bought a home on the creek "that never floods." However, the flood did come, but did not do any damage except remove a few feet of our back yard into the creek.

Our home is open to all of our friends in Goldthwaite! We loved the short months we spent there.

Sincerely,
