Thurs., June 21, 1979 ★ Goldthwaite, Mills County, Texas 76844 ★ Vol. 86, No. 11

Locals pictured in front of oak panels' are: County Agent Danny Long

and wife, Becky; Mary and Gordon Banks; Mr. and Mrs. Hawley Jernigan and their son, Gaylon.

## Local Delegation 'Brands' County Panel At A & M

The search is on throughout Texas for outstanding brands to include on county panels at the Kleberg Center's "branded highway" at Texas A&M University.

Expected to be imprinted on the 254-county 'oak panels' in the new \$9.5 million Robert J. Kleberg Animal and Food Sciences Center at the University.

societies to select other brands, for the panels," Maddox, Texas Agricultural Extension Service beef cattle specialist, said.

Recently, a delegation from Mills County added local brands to the county's oak panel. Participating were: Mr. and Mrs. Gordon Banks, Mr. and Mrs. Hawley Jernigan, Gaylon Jernigan, Mr. and Mrs. Danny Long, and (not pictured) Mr. and Mrs. Sherwood Owens and Sam Owens.

There are some 200,000 Texas brands recorded and on file with the Texas and Southwestern Cattle Raisers Association in Fort Worth. This is the state's most complete record.

The "branding" was an idea of Dr. O. D. Butler, for many years head of Texas A&M's Animal Science Department and now associate vice president for agriculture and renewable resources. He said that not only are cattle brands a rich part of Texas livestock history, but a prized possession of ranchers in identification of their cattle.

"We felt that the branding ceremonies would bring about a closer tie-in between cattlemen and our animal science facilities on campus, as well as with research and educational work throughout Texas," Butler said.

Maddox said the branding ceremonies will be conducted by Extension district groups until "all panels are branded."

## City Council Sets '79-'80 Tax Rate

The City Council met in regular session on June 7 in the City Hall. The Operations Report and Bills for May were shared and approved.

County Judge Ledbetter reported on a FHA Housing project for poor elderly. After review, the Council asked that a representative from FHA be invited to the next Council meeting for more information. Judge Ledbetter also shared recent developments on the Jail-house renovation.

An engineer from Rady & Associated presented current status of the City's sewer project and an

amendment to the contract for a performance study to be conducted during step 2 rather than step 3.

City Manager Allen presented the proposed 1979-80 City Budget, based on tax rate of 20c per \$100 assessed valuation. An Ordinance to approve the tax rate was adopted by the Council.

The Council passed favorably on the Garbage Rate increase ordinance. A third reading will be part of the July 5 meeting.

The Council increased the rental rate for City-owned equipment (back-hoe, jack-hammer dump truck, etc.)

Mr. Bill Brown from the Santa Fe RR requested to meet with the City Council as Equalization Board. The City Council meeting was recessed while the Board met with the SFRR representatives regarding the amount of tax to be paid within the City.

## Furniture Store Destroyed By Fire

R & W Furniture, located at 1110 Fisher St. in downtown Goldthwaite, was ravaged by fire in the late hours of last Thursday, June 14th. The origin of the fire is still officially undetermined, however, electrical wiring is suspected of being the culprit that started the tragic blaze. No injuries were reported in the fire.

All units of the Goldthwaite Volunteer Fire Department answered the call to the fire, at about 10:30 p.m. Thursday. The fire fighting equipment fought the battle from the rear alley, fighting the main part of the fire in the rear of the old rock-laid structure.

R & W is located between Steen Hardware and the Patty's of Texas Blouse Factory. Neither of these businesses suffered any noticeable damage from the blaze, although some smoke damage may have occurred.

All the contents of the building were either destroyed completely or melted by the intense heat of the inferno. All the interior walls were blackened by smoke and heat, carpet melted, paint and varnished blistered, and every square inch of area charred into blackness.

Felton Wright and Franklin Rind, co-owners of the firm, have moved to temporary offices just a couple of buildings to the south.

New Chevrolet "Wheels"

Mark and Kent Geeslin, new owners of the Chevrolet dealership for Goldthwaite were snapped in front of their establishment last Thursday morning. The brothers have been in operation at the car agency for a few weeks, but official word from Chevrolet Motor Division came only recently.

The firm plans a gala grand opening and open house in the near future. They, along with all the staff at the facility, located on Hwy. 183 North, invite all their friends and new customers to come by and meet them, and see what's new in the line of Chevrolet cars and

trucks. The Geeslin boys purchased the franchise from W. G. "Spot" Saylor, who was the dealer here for many years. The Goldthwaite Eagle welcomes the new owners to the local business scene. Watch the paper for details concerning the open house.

## Kirby Descendants Enjoy Reunion June 9 & 10

One hundred fifty related members, descendants of Robert Goodwin Kirby, born in 1813, were blessed with beautiful sunshine when they attended the Kirby reunion June 9th and 10th in Lometa, TX.

Everett A. Kirby was Master of Ceremonies and introduced Jack Hayes Kirby of LasCruces, NM who offered the opening prayer, followed by Inman's Kitchen and Catering Service in Llano, TX serving a Bar-B-Q dinner.

Much interest was shown in three large genealogy charts worked up by Glenn Kirby showing early ancestors in Virginia and North Carolina, the descendants of the 7 children of Robert Goodwin Kirby and Nancy Miles, who lived to adulthood, and a chart of Robert Goodwin's brother, Isaac H., who had many descendants present.

Many interesting events happen at family reunions and the following was no exception. Mrs. Lavelia Frances Hastedt of Columbus, TX met for the first time Dexter Beeson Kirby of Novice, TX, who was a second cousin of 70 years. Their families had separated and settled in different areas of Texas in the 1870's; Lavelia's father, Thomas Jefferson Kirby, locating in Columbus, TX and Dexter Beeson Kirby's grandfather, A.Z. Kirby, brother to Thomas Jefferson, settling near Lawn, TX.

For the professional photographs taken by Laughlin Studios of Goldthwaite, large signs were used to designate the descendants of Isaac B., Thomas Harrison, Andrew Jackson, William Columbus, Harriet (Gage), Nancy Jane (Sinclair), Robert Marion, Isaac H., A.Z. and Thomas Jefferson.

Recognition was given to the youngest, Eryn Elizabeth McMahan, born October 11, 1978 and the daughter of Keryn and Mike Mahan of Goldthwaite, and granddaughter of Ruth Kirby Parmer McMahan, Eryn McMahan is the 7th generation of Robert Goodwin Kirby.

Recognized as the oldest member was John Benjamin "Bud" Kirby, born January 5, 1888 who had 20 of his children and grandchildren present.

The honor of having been married the longest went to Kirby Cunningham Kirby and wife Helen of San Angelo who were married December 27, 1919. The most recent married couple was recognized as Sara and Mark Clardy of Houston who were married December 13, 1978.

Recognized coming the farthest distance were Mr. and Mrs. Joe White of Alex, OK and Mr. and Mrs. Jack Hayes Kirby of LasCruces, NM with their children Jimmy and Robin, and Mrs. Hazel Kirby. Visiting in the home of Lou and Harold W. Kirby of Midland as an exchange student from Finland is Esa Neimi, who also was present. Other out-of-state guests were Mrs. John Engling and Danny of Dubuque, Iowa, mother and nephew of Mr. H.W. Kirby.

Lavelia Frances Hastedt of Columbus, TX was given special recognition by Glenn Kirby, one of several family researchers, for providing information leading to the extension of the Kirby family lineage to Halifax County, NC and consequently to Southampton and Ile of Wight Counties of Virginia as early as 1735.

Following recognition of the special group, Weldon Kirby led several songs for group singing. Everett A. Kirby also expressed the groups appreciation to John and Evelyn Clardy for organizing the program; to Weldon Kirby, Dale Parmer and Tommy Kirby for mowing and spraying the reunion area and securing the catering service. Also thanked were Jean, Scott and Bodie Kirby, Dick and Shannon Clardy for arranging volleyball nets, horse shoes and washer throwing games; to Troy and Ann Duncan for arranging the public address system and the professional photographer; also a public thanks went to Lewis and Jewell Kirby, Pete and Hattie Lee Kirby, and Dale and Culene Parmer for taking care of miscellaneous items.

A large silver tray was presented to Martha and Glenn Kirby from the J.C. "Pete" Kirby family in appreciation for their efforts, working up the genealogy charts, mailing notices and newsletters, name tags showing hometowns and from whom they were descendant, receiving relatives and guests at the

# Senior Center "Goings On"

It has been some time since we gave you any information concerning the "goings on" at the Senior Center. The "Bits and Pieces" gives you a schedule of activities, but we would like to add to this and give you a more NEWSY account of things that are happening.

So many people have visited us from other places and other states that we could never mention them all. Seldom does a day pass that someone doesn't drop by and say, "I've heard so much about your Center that I just dropped by to see it." We're always so very glad to have these visitors and hope they will come again.

The Nutrition Program has grown by leaps and bounds. If you have not been to the Center in a while, you probably are unaware of some of the changes. The small stove has been changed for a larger one with eight burners and two large ovens to take care of the extra meals.

We have a new large ice maker and salad maker. Recently we received several more containers to carry and keep food warm, which is prepared for San Saba and Priddy.

The schedule for meals includes Goldthwaite (Monday, Tuesday, Thursday and Friday); San Saba (Monday, Tuesday, Thursday); and Priddy (Tuesday & Friday); Wednesdays have been kept open for the covered dish luncheons.

On June 14, 97 meals were served at the Center and 76 meals sent to San Saba. Priddy usually gets 25 to 35 meals. Some meals are delivered to the sick and to those unable to come to the Center. The purpose of the program is to enable older adults to get one balanced meal per day so that they may stay in their own homes longer and to fellowship together to eliminate loneliness. It is not a welfare program; you may give whatever donation you wish and the only requirement is that you be 60 years of age. The cooks need to know by 8:30 how many

lunches to prepare, but if you want to call later, there might be a cancellation. As the TV commercial says, "Try it, you might like it!"

The Transportation Vans are used extensively, but could be used more often. They transport people from Priddy on Tuesday; Star on Thursday; Mullin on Friday, and locally on the other days. Transportation is available to the grocery store, hospital, doctor's office, drug store, or wherever you need to go, as well as to the Center to eat and play games. Many are using this van, but we would like others to take advantage of this service. Please call either of these numbers, 648-2638 or 648-3122 for meals or transportation.

The Gift and Craft Shop is almost completed and you are welcome to come at any time and look over the many things that have been made. Several quilts have been made and sold. Right now, the wall hangings are a popular item. This money helps on the upkeep of the building.

The Center could not operate so efficiently without the help of the many volunteers who give of their time and talents in the dining room, serving meals, or wherever they are needed. We are grateful for the

volunteer service. We would like to express our sincere appreciation for all the help and support of the people of the county, the many organizations, and to Dale Allen and the City Council. All have been helpful. Last, but not least, we are grateful for many memorials that helped to keep the Center operating.
