## Agriculture Rally Draws Large Crowd Here

### Around Muleshoe

The United Methodist Youth will have a brisket dinner with all the trimmings on Sunday, January 16 beginning at 12:30 p.m. in the fellowship hall of the Methodist Church. The cost is \$2.50 for pre-schoolers and \$4. for adults. Proceeds will be used for the youth ski trip scheduled in February.

Robin Marcel Burgess of Muleshoe, a student attending Angelo State University in San Angelo, is listed on the Dean's Honor Roll for the Fall Semester at the University. Burgess, a finance major at ASU, is listed on the 3.00 to 3.49 honor roll.

Muleshoe Ladies Country Club Golf Association will hold their first meeting of the year and install new officers Wednesday, Jan. 19 at 12 (noon). Following the meal and installation the ladies will play cards and golf.

The Dean's List at West Texas State University includes from Muleshoe, Stanley E. Black, senior general studies major.

An informational program has been planned by the County Extension Service to help residents of Bailey County learn more about Crime prevention and how to protect their homes and property, be aware of fraud and con games and organize their neighborhood in the neighborhood Watch Program.

The program will be held on Tuesday, January 18, from 7:30 p.m. to 9:30 p.m. at the Civic Center according to Linda Mullin, County Extension Agent.

Sandra Chitwood of Muleshoe is among 479 Eastern New Mexico University students named to the 1982 fall semester Dean's Honor Roll. Eastern students receive one of four designations as a Dean's Honor Roll student and are graded on a 4.0 scale. Ms. Chitwood is a senior art education major and a summa cum laude Dean's Honor Roll student with a 3.8 to 4.0 grade point average.

The Moonlight Extension Club will meet on Monday, January 17 beginning at 7:30 p.m. in the Muleshoe State Bank Community Room.

Skating will be sponsored on January 21 by the Girls Softball League at the Cont. Page 6, Col. 6

LEADERS WELCOMED.....Bennie Claunch of Claunch Gin, Bula and member of the Plains Cotton Growers Board welcomes National W.I.F.E. President June Saylor formerly of Muleshoe and Tommy Fondren, President of Plains Cotton Growers in Lubbock, Texas. Many other area and state farm leaders were noted at the capacity crowd in the Bailey County Civic Center on Thursday evening.

### MHS Athletes Named To All-District 2-3A Berths

Coach Windy Williams, Head Football Coach at Muleshoe High School has recently released the names of all district players selected from among MHS athletes this year. Selections were made by an all-pro panel of Head Football Coaches in the District 2-3A.

Named to the first team, All-District for 1982 both offensively and defensively was Darin Shaw, Zeke Contreras was picked on the offensive squad, first team; Thurman Coleman, defense, first team; and Alex Paez running back, unanimous first team choice.

Besides the four named to first team honors, six MHS athletes were named to the second team-All District Roster for 1982. These athletes include Sam Gonzales, both offense and defense, Hector Orozco offense, Perry Flowers offense, Jay Gleason Defense, Roby Wilson, defense and Jeff Hamilton, defense.

"The Coaches select these boys because they truly feel that they are the very best," Williams stated. "We really have a concerned group of coaches and they are very honest about the players, even their own." He also stated that the selection of this many players to all district teams was very gratifying as a coach, since it reflected progress and ability of the entire team and all its players. Williams stated that "The only thing about

the selection, was that sometimes all the valuable players did not come to the forefront or limelight."

Williams talked a little about his Mules of 1982, about the season and the pride he takes in his young charges, a subject which he seems to find time to talk about endlessly.

Starting with Alex Paez: Williams told us that he

was a 1052 yard rusher for his 1982 season. "Paez is a very durable, tough player and as deserving a player as there is anywhere. He was consistent, always played well." Paez, a senior, was a unanimous choice for the spot of running back, offense on the District 2-3A first team.

Darin Shaw, who is a Cont. Page 6, Col. 1

### Cross Country Mules Named All-State

Coach Robert Brandon Friday released the names of Muleshoe High School athletes who had been named to the Texas All State Cross Country Team for 1982. The names were released to Brandon by the Texas Cross-Country Track and Field Coaches Association and included two MHS boys who made the first team all state in Class AAA. First teamers named were Tony Luna, sophomore and Aldo Almanza, junior.

Named to the second team were Martin Mendoza and Tony Rojas. Henry Carrion was named to the third team.

"This is a very big honor for Muleshoe and for these boys, and we are proud of them. Cross-country running requires a lot of self-motivation from it's participants," Brandon stated.

### Jennyslippers Name Officers For Year

The Women's Division of the Muleshoe Chamber of Commerce and Agriculture (Jennyslippers) met on Tuesday night to elect new officers for the coming year, which will be the second year of the organization.

Elected to serve as President for the coming year was Margie Merritt, President-Elect Kathryn Taylor, Secretary Billie Downing and Treasurer Vivian White. A nominating committee composed of Linda Lee, Rose Lee Powell, Thursie Reid, Lena Hawkins and Izetta Shain prepared the slate of nominees for the seventeen members attending.

Committee Chairmen will be appointed at a later date by the President of the organization.

A few things planned for the next year included a possible skat-a-thon in March, decorations for the Chamber of Commerce

### Proof Of Liability Will Save Citations

Texas Department of Safety Troopers will still continue to ticket motorists who are not carrying proof of liability insurance said a spokesman for the TDPS Wednesday in Austin. This rule will be followed even though the Attorney General has said that no evidence is required.

On Monday, the Attorney General's office stated in an advisory opinion that motorists could not be penalized for failure to carry proof of insurance with them when they drive.

State law requires that every driver be covered under liability insurance and police have issued tickets to motorists for failure to provide this evidence, either in the actual policy or in an insurance company card.

Col. Jim Adams, DPS director, said that the attorney general's opinion would not require troopers to change their policies.

"The statute requires motorists to furnish the information to an officer upon request," he said. "Failure to provide information to satisfy the officer may result in the officers presumption that the motorist failed to maintain the liability insurance."

The Attorney General's office said that the law does not require drivers to

carry proof of insurance. Failure to carry, produce or furnish information concerning evidence of financial responsibility is not a crime nor offense under the act," the AG opinion said.

The Attorney General said if courts were permitted to try a driver on charges of failing to produce proof of insurance, it could violate his right to be presumed innocent before being proven guilty.

Adams, however, quoted a May 14, 1982 attorney general's opinion that upheld rules developed by the DPS when the law first went into effect. "If a Cont. Page 6, Col. 1

### Neighboring States Also Represented

Over a thousand people filled the Bailey County Coliseum on Thursday evening, including many out of state residents from Oklahoma and New Mexico. They came to hear what local, area, state and national leaders had to say concerning the state of the U. S. economy and "down on the farm," and to gain a little inside information on President Reagan's newly proposed "crop swap."

Those who attended were treated to a barbecue supper compliments of local, community and area merchants in Bailey and Parmer Counties. The meal was prepared by Walter Hughes, manager of Tide Chemical in Farwell, and was served by American Ag Movement members and the area WIFE organi-

zations. Following a welcome by retired Bailey County Judge Glen Williams, speakers were introduced who shed some light on the new PIK program. Delbert Watson, local Grain Sorghum Producer board member introduced Elbert Harp, Executive Director of the National Grain Sorghum Producers Association who told the crowd that "GSPA believes that the government is really ready to do something about the agriculture situation now." "Calculators have really been running the past few days, with each farmer figuring his own personalized PIK program," Harp said.

Harp stated that the "crop swap" was in addition to, and not a replacement for the current Reduced Acreage Program (RAP) under the 1983 Farm Program. "There will be no change in loan or target prices," Harp promised.

The Payment In Kind payment rate is set at eighty percent of normal farm yield on sorghum, corn and cotton; and 95 percent on wheat. Harp advised that the higher percentage rate on wheat was due to the fact that most of it is already in the ground and substantial costs have been incurred by farmers.

Cotton stock received by farmers in the Bailey County area will be based on strict low-middling, light spot, one inch, reported Tommy Fondren, President of the Lubbock based Plains Cotton Growers Association.

Producers who opt to participate in PIK must first sign up in the 1983 Reduced Acreage Plan, which is a ten percent set aside plus a ten percent paid diversion.

Thirty percent of a producer's base acreage will be eligible for PIK. Those producers who hit \$50,000 limits on RAP may participate in the "crop swap" and receive 50 percent PIK payments on acreage above their \$50,000 limitation.

Certificates for the PIK plan will be made available to producers at the normal harvest time for the commodity in each region. "In the case of Bailey County, that would be October 1 for corn and sorghum," Harp explained.

Cotton for this area would be released in October also.

Storage costs will be paid by the Commodity Credit Corporation (CCC) on certified grain for a period up to five months, but only until the farmer sells his PIK grain. "Farmers who store grain in on-farm storage will receive an additional seven months storage Cont. Page 6, Col. 4

### Commissioners Meet In Regular Session

The Bailey County Commissioner's met in a regular session beginning at 10 a.m. on Monday, January 10 in the Court House, to take care of several formalities which occur at this time each year.

Terms of Justice and County Courts were set. Justice Court is set for twelve terms and meets on the third Monday of each month. County Court term was set and six terms are set for this, meeting in January and then every other month through the year.

Each commissioner was appointed as road-overseer of his respective precinct for the coming terms.

In other business, the Court appointed Dr. Jerry Don Gregory to fill the position of County Health officer. The compensation and/or salaries of county officials was formally noted to be paid on an annual salary and not a fee basis.

James Johnson was appointed by the Commissioners to serve on the Child Welfare Board as replacement for Julian Dominguez. Commissioners also authorized Judge Green to purchase a calculator for his office and authorized the purchase of a file cabinet for the Justice of

the Peace's office as well as the cleaning of a typewriter.

Several transfers of funds were made from various funds and are as follows. A transfer in the amount of \$12,000 from the Road and Bridge general fund was Cont. Page 6, Col. 5

### School Board Sets Back To Back Sessions

Two specially-called meetings of the Board of Trustees will be held next week back to back beginning on January 17 and then again on January 18 with the time of the meeting set for 6:30 p.m. each evening.

The general agenda for both these meetings will include two executive sessions as authorized by Civil Statutes in which the consideration of personnel will be the topic.

Following executive sessions both nights, the board will then reconvene in open sessions to consider actions resulting from the executive sessions.

According to a spokesman, a new superintendent for the Muleshoe Schools may be announced in mid-February.

### Local Farm Program Will Include Session On PIK

On Monday, January 17 many area producers, power suppliers, financial representatives and other interested persons will be attending a program planned for irrigation interests. This meeting will be to discuss the cost of pumping water as it inter-relates with other input costs of crop production on the High Plains.

Farmers will receive a "PIK Worksheet" at this meeting which will enable them to take it home and put a pencil to their own particular situations and come up with some answers on the newly proposed program for U.S. Farmers, according to Spencer Tanksley Bailey County Extension Agent.

The program will cover such topics as conservation tillage and soil fertility; the 1983 farm program; electric energy - future rates - load management; irrigation requirements of feed grains, cotton, sunflowers; irrigation and pumping costs and efficiencies; financial management tips; wheat diseases and fungigation of crops. Also a session on the PIK proposal will be reviewed and a question and answer session will be held.

The conference is being co-sponsored by Texas Agricultural Extension

Service, Blackwater Valley Soil and Water Conservation District and the Bailey County Electric Cooperative Association.

A time for comments and questions will be allowed; and displays, exhibits and

printed handout material will be available.

The purpose of the program is to keep the area informed on new developments and technologies that can help reduce Cont. Page 6, Col. 3

STOCK SHOW DONATION.....Herman Morrison, member of the Bailey County Junior Livestock Show Board of Directors accepts a check in the amount of \$200 from the Muleshoe Kiwanis tendered by President Rusty Williamson for promotional purposes of the upcoming annual event. Show dates have been set for January 26, 27 and 28 at the Bailey County Coliseum.

### Lazbuddie 4-H, FFA Stock Show Set January 22

Lazbuddie FFA and 4-H'ers will have a chance to show off their livestock on Saturday, January 22, since that is the date set for the annual school-

community show, according to Rick Copp, Vocational Agriculture Instructor at Lazbuddie High School.

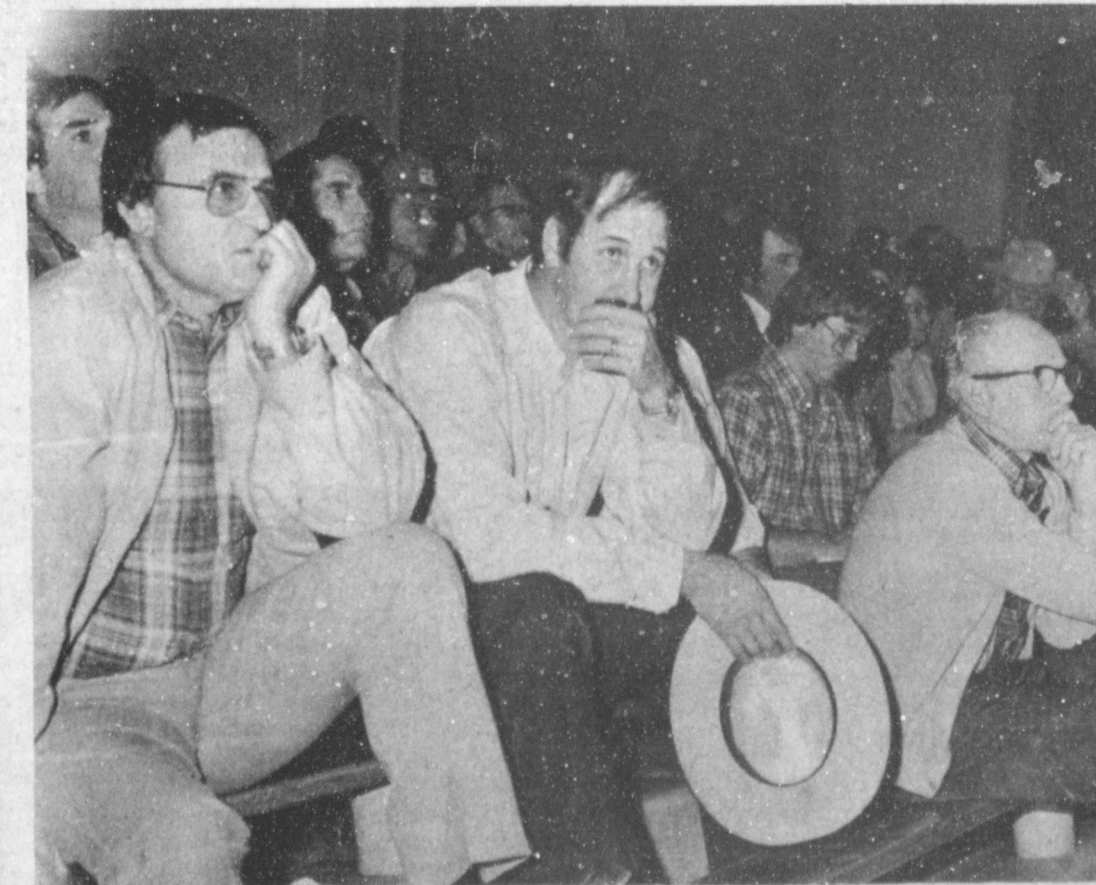

Copp stated that he expected anywhere from twenty to twenty-five pigs, twelve to fifteen steers and about forty lambs for the event. All local Lazbuddie youth will be eligible to show.

The show will be held this year in John Agee's barn, which is located about four miles east of Clay's Corner on the north side of the road. Weigh-ins for the show will start at 8:30 a.m. on the morning of the show and run through 11 a.m. with the proceedings themselves getting under way at 1 p.m. Judges names were not available at press time.

Banners for show winners will be donated to the contestants by Lazbuddie Grain and as an added attraction this year a showmanship trophy will be Cont. Page 6, Col. 8

### GED Tests Given Here In April

Basic Adult Education classes are currently offering all Bailey County and area residents an opportunity to improve their skills in the areas of English and Math, to learn to speak English, and to prepare themselves for the GED tests that will be given here in April. Since many new jobs are requiring that applicants have high school diplomas, persons of all ages are returning to schools throughout the United States to study for, and earn, GED Cont. Page 6, Col. 7

FOOD FOR THOUGHT.....Well over a thousand area and neighboring state residents jammed the Bailey County Coliseum Thursday night for a session on President Reagan's newly announced PIK or Payment In Kind proposal. While farmers generally agree that it sounds good, they are withholding judgement until details are finalized and released.

## Career Schools- A First Step To A New Career

This year, millions of Americans will consider changing careers. Many people, however, seeking a career change will need to learn new skills before successfully switching careers.

Today, many individuals are turning to America's trade and technical schools to learn the necessary skills they need to pursue a new career. Specialized trade and technical schools appeal to people seeking a career change because the training is job-oriented and intensive. In addition, trade and technical schools emphasize "hands-on" training using the same equipment that is used on the job.

"Thousands of people each year use our schools as springboards to new careers," said Henry Herzog, president of the National Association of Trade and Technical Schools (NATTS), an educational association representing over 500 private career schools across the country. "They realize that by learning a skill the odds of changing careers improve dramatically."

Until recently, most Americans were content with one career. Today, however, with rapid advances in technology changing many jobs, it's not too unusual to meet many people who have changed careers.

"We're seeing it all," said Herzog. "The homemaker who wants to become a real estate agent, the engineer who wants to open a sporting goods store, and the math teacher who wants to become a computer-service technician are typical of the kinds of career transitions we help people to achieve each year."

Although it's difficult to define what constitutes a career change, most authorities agree it's really the individual's perception that counts. If he or she perceives a job change to be a

significant departure, it should be considered a career change.

Reasons For Change While the specific justifications people give for changing careers vary tremendously, labor experts contend that there are generally three basic reasons why most individuals seek a new career—changes in one's family situation, job changes—plant shutdowns or the introduction of new equipment, or simply internal pressures caused by one's preoccupation with career and life satisfaction.

"Most career changers come to us with a strong sense of commitment," Herzog said. "They know what they want and they know we can help them without taking three or four years in the process."

According to Herzog there are 98 new careers for career changers to consider and most programs enable students to complete their training in two years or less. These schools emphasize specialized training with less training unrelated to the occupational goal, plus a chance to finish quicker. Classes are usually small and start frequently throughout the year.

"Access and time are vital," said Herzog. "A lot of people are facing serious employment and career difficulties in this country that can't wait until September or December for the training to begin. They need to start training today for tomorrow's career."

For many Americans the ever-changing job market will mean new jobs, new careers and new opportunities. In the years ahead more people will experience different jobs and different careers. To keep workers in touch with new developments and rapid advances in technology, equally rapid training will be crucial.

NATTS Handbook Available For a free copy of the 1982-83 Handbook of Trade and Technical Careers and Training, readers should write to NATTS, 2021 K Street, N.W., Washington, DC 20006-1077. The 48-page Handbook list over 500 accredited trade and technical schools nationwide. It also provides information on choosing a career and a career school.

Two great killers are tension and mental strain; avoid them even at great cost.

In making your future plans, don't count heavily on what you think other people will do for you.

There's little to be gained by working so hard one day you have to rest the next.

We must admit that the younger generation learns fast, but we're not so sure what.

**TWISTERS WIN BIG...**Five boys from Hawkins and Purdy School of Dance and Gymnastics attended a Gymnastics Meet at Farmers Branch and won numerous awards. Back Row (L-R) Timmy Shipman, Jay Hawkins and Donnie Nowlin; Front Row (L-R) Michael Angeley and Andy Hughes.

### Five Twisters Win Big In Recent Meets

Five boys from Hawkins and Purdy School of Dance and Gymnastics attended a meet in Farmers Branch last weekend. The boys competed in two age groups and two class divisions.

Timmy Shipman, son of Mr. and Mrs. Gary Shipman, competed in the 10-12 age group, Class IV division. He placed fourth on floor exercise, first on pommel horse, first on rings, first on vault, first on parallel bars, third on high bar and second over all.

Donnie Nowlin, son of Mr. and Mrs. Joel Nowlin, competed in the 10-12 age group, class IV division also. He placed second on floor exercise, second on pommel horse, fifth on rings, third on vault, fifth on parallel bars, fifth on high bar and fifth over all.

Three boys competed in the 12-15 age group class III division, Andy Hughes, son of Mr. and Mrs. Joe Hughes; Michael Angeley, son of Mr. and Mrs. Ken

Angeley; and Jay Hawkins, son of Mr. and Mrs. Richard Hawkins. Jay placed fourth on floor exercise, third on pommel horse, fourth on rings, second on vault, second on parallel bars, first on high bar and fourth over all.

Coaches and parents who accompanied the gymnasts were Sherry Shipman, Drew Oberbeck and Sheri Hawkins.

Angeley; and Jay Hawkins, son of Mr. and Mrs. Richard Hawkins.

Jay placed fourth on floor exercise, third on pommel horse, fourth on rings, second on vault, second on parallel bars, first on high bar and fourth over all.

floor exercise, first on pommel horse, first on rings, third on vault, first on parallel bars, fourth on high bar and first over all.

Michael placed second on floor exercise, fourth on

pommel horse, third on rings, first on vault, fourth on parallel bars, third on high bar and third over all.

After competition the boys then toured downtown Dallas and ate at the Great Spaghetti Warehouse.

All five boys qualified for the State Meet to be held in Waco the first weekend in May.

Coaches and parents who accompanied the gymnasts were Sherry Shipman, Drew Oberbeck and Sheri Hawkins.

## BIBLE VERSE

"Therefore, now amend your ways and your doings, and obey the voice of the Lord, your God."

1. Who was the author of the above warning?
2. What was his position?
3. By what nickname was he known among his people?

### Answers to Bible Verse

1. Jeremiah.
2. He was the prophet among the Israelites.
3. The "Weeping Prophet," weeping over the sins of his people and the doom of the city of Jerusalem.

## WHO KNOWS

1. Name the northernmost town in the U.S.
2. What branch of the Armed Services was abolished in 1950?
3. Who said: "Just praise is only a debt, but flattery is a present"?
4. What is "Adam's ale"?
5. What is the only crime mentioned in the Constitution?
6. What is wrong with you if you suffer from coryza?
7. Who was Frances Perkins?
8. Who patented the first mechanical washing machine?
9. When was the first electrically powered machine developed?
10. The oceans cover what percent of the world?

### Answers to Who Knows

1. Barrow, Alaska.
2. The cavalry.
3. Samuel Johnson.
4. Water.
5. Treason.
6. Nasal coryza or common cold.
7. The first woman to hold a Cabinet post as Secretary of Labor.
8. Hamilton E. Smith, 1858.
9. In 1910.
10. Seven tenths.

## Childrens Home Associates Make Quilts

The Muleshoe Associates of the Portales Christian Childrens Home met at the home of Onedia Cornelison Monday, Jan. 6 to piece and cut quilt blocks for quilts to sell for the benefit of the home.

Ten were present. They were Lillie Barnhouse, Mabel Caldwell, Elsie Allen, Vickie Hendricks, Berlene Harper, Modine Elmore, Bernice Amerson, Blanche Aubrey, Mattie Smith and the hostess, Onedia Cornelison.

Coffee, cold drinks, cheese squares and crackers, hot rolls, jelly and butter were served by the hostess.

The next meeting will be in the home of Modine Elmore on Monday, Feb. 7.

## Partners map progress.

Lewis and Clark were men of destiny who challenged over 2,000 miles of trackless wilderness west of the Mississippi. Captain Meriweather Lewis, army officer and frontiersman, chose the artist and mapmaker Lieutenant William Clark for his partner. From 1803 to 1806 the two young men combined their skills and talents to search for a northwest passage to the Pacific Ocean.

As partners, Lewis and Clark provided detailed maps and valuable scientific journals which later encouraged rapid settlement and development of the West.

Today there is a new frontier to challenge — an energy frontier. You and Southwestern Public Service Company are partners like Lewis and Clark. Partners working together making energy decisions to make a difference. For instance, when you install a High-Efficiency Add-On Heat Pump in your home, you and SPS work together to better manage electricity. And when electricity is efficiently managed, it makes the difference.

Together, Lewis and Clark charted the maps that made the difference which helped win the West. Together, you and SPS can work as partners, charting progress for a new frontier in electricity management.

**You and SPS, partners managing electricity, make the difference.**

# Doubling Ceremony Unites Miss Elliott, McLean

MRS. PAUL EDWARD MCLEAN  
(nee Gina Beth Elliott)

Miss Gina Beth Elliott became the bride of Paul Edward McLean in a candlelight ceremony Saturday, Dec. 18, at 7 p.m. in the First Church of the Nazarene at Hereford. Rev. Wayne Grey of San Jon, N.M. read the double ring vows.

Parents of the couple are Mr. and Mrs. Leonard Elliott of Lazbuddie and Helen Kay McLean of Amarillo.

The altar setting was a brass arch candelabra flanked on each side with a brass winding spiral candelabra accented with potted greenery and bows, all candelabras held white tapers. Pews were marked with greenery and white bows. A blue unity candle on a brass stand with two white tapers composed the altar setting.

Adeana Carlyle of Lazbuddie played a medley of piano music for the ceremony including: "Brian's Song", "Happy", "Ice Castles" and "The Wedding Song".

The ceremony began as Rhonda Stafford and Lee Scott, cousins of the bride, lit the candles. The groom escorted his mother and Gary Elliott, brother of the

bride, escorted the bride's mother to light the unity candles.

Escorted by her father, the bride chose a formal length gown of white chiffon and Chantilly lace with accents of Scafler lace and seed pearls. The fitted lace bodice featured a high neckline and fitted sleeves. The tapered lace sleeves were accented at the wrists with Scafler lace which matched the outline of the waist and yoke. The full skirt was draped in front and trimmed with row on row of alternating ruffles of Chantilly lace and chiffon which extended around the skirt and bordered the full chapel train.

To complement her gown the bride chose a fingertip veil of bridal illusion. The two layer veil was bordered with Chantilly lace which matched the trim on her gown. The veil was attached to a lace covered dutch cap.

The bride carried a cascade bouquet of white roses and blue carnations with accents of baby's breath and white lace and streamers of white ribbon.

For the bride's traditional something old and bor-

rowed she wore her mother's earrings, her gown was something new, she wore the traditional blue garter and pennys in her shoes.

Judy Cooper of Spade served as matron of honor. Bridesmaids were Gay Elliott, sister of the bride, Waynell Gray of Tucumcari, N.M. and Karen Scott, cousin of the bride of Lubbock.

The bride's attendants wore matching gowns of bright navy satin featuring yokes and sleeves of ice sheer, the gowns were made with high necklines and full sleeves trimmed with ruffled lace and navy blue ribbon, the full skirts were bordered with a wide ruffle and topped with lace and ribbon. They carried bouquets of rosebuds and carnations similar to the bride's.

Susan Beene of Amarillo served as flower girl and Darren Elliott, nephew of the bride was ring bearer. Susan wore a navy dress which matched those worn by the bridesmaids. She carried a white wicker basket and scattered flower petals as she preceded the bride to the altar.

The groom was attired in a white tuxedo with a white ruffled shirt, his attendants were Dug Durham of Bartersville, Okla., who served as best man, Mark Wallace, Craig Milford and Larry Adams, all of Amarillo were groomsmen. They wore navy blue tuxedos with white ruffled shirts edged in blue.

Ushers were Mike Pinales and Scott Elliott of Earth, cousin of the bride.

After the vows were recited the wedding prayer was given by the Rev. Vernia Ray Elliott of Little Rock, Ark., aunt of the bride.

Mike Pinales of Amarillo sang "The Lords Prayer" as the couple lit their unity candle.

Following the ceremony a reception was held in the fellowship hall of the church. Serving at the bride's table were Mrs. Martin Nowlin of Lazbuddie and Mrs. Vernon Turner of Hereford. Rhonda Freeman and Tracy Grimes of Amarillo served at the groom's table. Janet Elliott of Earth registered the guests.

Assisting with the reception were Mrs. Glenn Scott, Ms. Juanita Stafford, Miss Charlin Stafford, Mrs. Linda Elliott and Janet Elliott.

Following a wedding trip to Red River, N.M. the couple will be at home in Amarillo.

The bride is a graduate of Lazbuddie High School and Amarillo College. She is employed as a Lab Technician at Coffee Memorial Blood Bank.

McLean is a graduate of Pala Duro High School in Amarillo and Amarillo College. He is presently attending West Texas State University at Canyon and is employed at Coffee Memorial Blood Bank.

Special guest was the bride's 92 year old grandfather, Alfred Scott of Lazbuddie.

Out of town wedding guests were Horace and Christin McLean of LaMesa. Clarence and

Sarah Nell Brown of Texico, N.M. and Elbert Shannon of Amarillo, all uncles and aunts of the groom.

Other out of town guests were Mr. and Mrs. Gene Fountain, Ceres, Calif.; Rev. Vernia Ray Elliott, Little Rock, Ark.; Mrs. Irene Elliott, Oklahoma City, Okla.; Mr. and Mrs. Hubert Elliott, Clovis, N.M.; all aunts and uncles of the bride.

Also Clarence, Jessie and Chris Jackson, Oklahoma City, Okla.; Debbie, Rod and Jay Lind, Oklahoma City, Okla.; LaHonda Schirtz, Sanger, Tx.; Jan and Cletia Kelton, Littlefield.

## Muleshoe Young Homemakers Meeting Held

The Muleshoe Young Homemakers met Tuesday, Jan. 11 at the high school for their monthly meeting. The program was "Make A Mix" presented by Pam Hancock. She prepared several recipes using the mixes and served them for refreshments.

A business meeting followed. Craft night is scheduled for Jan. 25. Sewing fabric portable highchairs will be demonstrated by Nanette Robinson. The members discussed forming a baby sitting co-op.

The Young Homemakers will decorate the nursing home in February. They will also host a Valentine's Day Party for the residents on Feb. 11.

Penny Lloyd was a guest at the meeting and Linda Cogliandro won the door prize. Hostesses were Pam Hancock and Arelia Morris.

## Miss Norton, Humphreys Exchange Marriage Vows

Tina Norton and Gregory Allen Humphreys were united in marriage Sunday, Dec. 12 in the home of Travis Templeton at Plainview. Rev. Truman Johnson, pastor of the First Baptist Church of Sudan, read the doubling vows.

Parents of the couple are Mr. and Mrs. Bill Norton of Kermit, Sandra Baker of Lubbock and John A. Humphreys of Sudan.

The home was decorated with an archway of greenery entwined with delicate white and blue flowers and bows.

Given in marriage by her father, the bride chose a formal wedding gown of all over Chantilly lace featuring a fitted bodice and illusion yoke of Venise lace. The gown featured long full sleeves, accented with a wide cuff of illusion and Chantilly lace. The tiered skirt formed a chapel train. She wore a garland of baby's breath in her hair.

For something old, the bride wore a strand of pearls, belonging to the groom's grandmother. Her gown served as something new and a blue garter was borrowed from the groom's mother. She wore the traditional pennies in her shoes.

Rena Vassey of Wellington served her sister as matron of honor. Best man was James Humphreys of Sudan, brother of the groom.

Precious Johnson of Sudan, pianist, played the traditional wedding music. Susan Fisher of Plainview registered the guests and Ricky Norton, brother of the bride, ushered the guests.

Following the ceremony, a reception was held. Serving the guests were Shelly

was voted to do this again in February, at Williams Brother's Office Supply.

Mrs. Lenderson introduced the guest artist, La Wanda Calton from Portales, N.M. Ms. Calton is well known in the circle of artists in the Muleshoe Art Association. Her paintings have won recognition in the Muleshoe Spring Art Show.

She painted her impression of a New Mexico landscape, using the oil medium painted on masonite.

Those present were Velma Davis, Ann Vinson, Ruth Bates, Geneva Lemons, Betty Embry, Merle Dooze, Theda Cobb, Jauree Smallwood, Ginie Seifert, Erald L. Gross, Blanche Lenderson, Beth Watson, Dana Arnold, Louva Kersey and guests La Wanda Calton and Bertie Thompson.

**WOTS Weekly Meeting**

Bert England, Bettie Moore and Marv Smith were the hostesses for the Jan. 13 WOTS luncheon, held at Summit Savings. Ladies celebrating birthdays during the month of December and January are Faye Wellborn, Karen Mason, Margaret Quintana and Linda Cogliandro. Due to two cancellations of meetings in December the two months were combined.

Those celebrating birthdays were presented a bud vase and a card. A cake, baked and decorated by Lydia Wright centered the dessert table, in their honor. Members present included Faye Wellborn, Pat Mudford, Kathy Railsback, Mildred Williams, Lois Martinec, Kay Madry, Marv Smith, Bert England, Alice Phillips, Pamela Thomason, Linda Cagliandro, Glenda Duncan, Adelia Jones, Deanna Rasco and Jason, Donna Noriega.

Mary Ann Ramirez and David, Rose Crosswhite, Keley and Deborah, Betty Barker, Lydia Wright, Rhona Hugg, Margaret Quintana and Joseph, Edna Haynes, Bettie Moore of Earth and Pat Cummins of Sudan. Rose Crosswhite, whose husband, Roger, works at S.P.S., was a new member. Guests present were Sid Duncan and Bertha Wilkener. Hostesses for the Jan. 20 luncheon will be Lydia Wright and Mary Ann Ramirez.

**Muleshoe Singing Group**

The Muleshoe Singing Group met Saturday, Jan. 8 in the fellowship hall of the Trinity Baptist Church with 28 present, including four from Clovis and five from Portales. Invocation was given by Zed Roberson. There were quartets, solos and congregational singing. Fred Wilbanks gave the benediction.

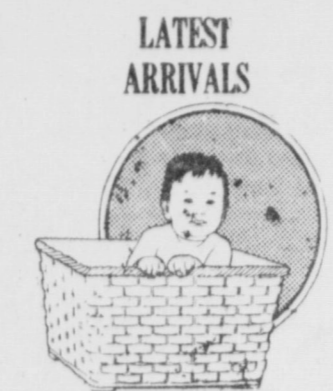

**SPECIAL ENTERTAINMENT...**Music students at Mary DeShazo Elementary School, under the direction of Mrs. Josephine Mitchell, will provide the entertainment at the Muleshoe Elementary PTA meeting Monday, Jan. 17 at 7 p.m. in the Mary DeShazo Cafeteria. Highlighting the evening will be a chili supper served along with hot dogs and chili. Tickets are \$2.50 per adults and \$1.50 for children. A babysitter will be provided.

**Texas Book Month Scheduled For March**

One hundred thousand books by Texans or about Texas for Texas libraries is the goal of Texas Book Month in March set by Wales Madden, III, Amarillo businessman and chairman of Texas Book Month. Madden's appointment as chairman of the drive was made by Wayne C. Sellers, Palestine Carnegie Library Trustee and chairman of Books for Texans, an organization formed by leaders in statewide library organizations. Madden will be joined as vice chairman by John F. Sammons, Jr., mayor of Temple. "Texas has nationally known publishing houses and thousands of published authors, many of whom have won international acclaim. In addition, there are Texas authors who have earned distinction in their fields, but whose works are not widely known. "From history and philosophy to prose and poetry, the books placed on library shelves will cover the full spectrum of learning and literary craftsmanship," Madden said to explain the need for Texas Book Month. "While many Texas authors have not yet earned fame of a Walter Prescott Webb, J. Frank Dobie, Katherine Anne Porter or Fred Gipson, their works deserve recognition and appreciation," Madden added. The chairman said a vigorous campaign will be conducted through the ten public library systems in Texas and through city and county civic groups. During the month Texans will be urged to make gifts, either of money or of Texas books to libraries. Selection of the books can be made from a list prepared under the direction of Dr. Dorman Winfrey, Texas state librarian. Lists will be available in public libraries. "We hope, also, to help libraries acquire histories of Texas counties and cities and biographies of Texas citizens not now widely known," Madden added. The chairman is a native of Amarillo and a graduate of The University of Texas. He is self-employed, is a member of the board of directors of the Texas Lyceum Association, Inc., a member of the board of the College of Business Administration Century Club at Texas and is a member of the citizen's budget committee of the Amarillo United Way. His wife is the former Susan Hamilton and they are parents of one son. Sammons is serving his second term as mayor of Temple. He is the third generation of his family to serve on the Temple city commission. He attended

Temple Junior College and The University of Texas. Sammons and his wife, Marilyn, have three sons.

**LATEST ARRIVALS**

**Ashley Rene Wiseman**  
Mr. and Mrs. Brent Wiseman of Mineola are the proud parents of a daughter born Jan. 2 in Mineola. The young lady weighed six pounds and ten ounces. She has been named Ashley Rene. She has a three and half year old sister, Jamie. Grandparents are Mr. and Mrs. James Sparkman of Mineola and Mr. and Mrs. Kenneth Wiseman of Sudan. Great grandfather is B.P. Wiseman of Sudan.

**James Tyler Black**  
Mr. and Mrs. Tim Black are the proud parents of a

son born at 12:12 p.m. December 22 at South Plains Hospital at Amherst. The young man weighed eight pounds, ten and a half ounces and was 21 inches long. He has been named James Tyler. Grandparents are Don and Frances Bruns and Lou Ann Black, all of Muleshoe. Great grandparents are Mr. and Mrs. B.H. Black, Mrs. John A. Agee and Mrs. Fred Bruns, all of Muleshoe.

**In Fashion**

Sweaters need special care to retain their new, soft look. Always note, with care, cleaning or washing instructions from the factory. Angora wool or those of a blend of this material usually need to be professionally cleaned. Sweaters that can be washed should be washed quickly by hand, rinsed thoroughly and as much water as possible removed before drying. Don't wring. Air dry on a flat surface is best. Heat will cause shrinkage.

**XI Omicron XI Meeting Held January 4th**

Xi Omicron Xi met Tuesday, Jan. 4 at Summit Savings with Gayla Toombs and Pamela Miller serving as hostesses. Following the business meeting Pat Black presented the program on the High School Gifted and Talented Program. Refreshments of sausage balls, cheese dip, califlower and broccoli with cakes, tea and coffee were served. Members attending were Anita Allgood, Pat Black, Donna Green, Joan Lewis, Linda Marr, Pamela Miller, Lendy Schuster and Gayla Toombs. \*\*\*\*\* If you will make it a habit to go to church on Sunday, you will find that admission is free. \*\*\*\*\* There's quite a difference between being present and doing the work.

## Mules Named

Cont. from Page 1

junior, was the only two-way first teamer selected. Shaw qualified as wingback for offense and safety on defense. Of Darin Coach Williams had this to say: "He is a technical football player. Shaw does what he is coached to do. You can't get more complimentary to a Coach than that." He will be a returning letterman to the Mules in the 1983 season.

Another junior, Thurman Coleman, did a bang-up job for the Mules in the defensive line. He was also a unanimous pick for this position for first team - All District. "Thurman does all there is to do to win in football," Williams commented. "He's got a lot of football sense and is a full-speed player. This is his second year as All-District and he will likely be selected in 1983. "He is much stronger and more confident now than ever before," Williams said.

Senior Zeke Contreras was picked to first team - All District outside linebacker, offense this year, and according to Williams is probably the most improved player on the Mule squad this year. "Zeke is sort of special, in that last year he was selected as all-district guard. We needed him, needed his strength and size and switched him around to linebacker. I think his abilities have really come to the front," Williams stated. He described Contreras as a diversified player.

On the Mule selections for second team - all district, which in itself is no

### Liability...

Cont. from Page 1

person is unable to furnish the information requested by the officer, the officer may issue a citation even though the individual claims to have the required insurance," he said.

Adams said the law has produced positive results by increasing the number of Texans who have insurance. Prior to the law 74 percent of Texas motorists involved in accidents did have insurance; however, 1982 reports indicate that 91 percent of drivers involved in accidents have obtained and maintain insurance.

small feat, Sam Gonzales was a two-way choice, being picked as quarterback on offense and defensive linebacker. According to his Coach, Gonzales was a repeat choice from 1981, even after missing a lot of the 81 season due to an injury. However, he came back in district play "Gonzales started both ways for us this season and proved himself in some real good play action, really proving his ability," the Coach stated.

Hector Orozco, named as second team, All District running back, is described by Williams as "Tough, and quick." Orozco could run up the middle and he and Paez complemented each other in their playing," the coach said. Orozco is a senior and will be leaving the Mules this season.

Named as second team - all district offensive lineman, Perry Flowers is also a two-time all district selection. In 1981 Flowers was named to the second all district team as center. According to Coach Williams, the Mules moved Flowers into the spot of guard "because of his strength and speed." Williams says that Flowers has a lot of flexibility in his playing and proved valuable to the Mules. He is a senior.

Jeff Hamilton, was named as second team, all district defensive back (corner or half-back). He also played outside linebacker and according to Williams "is as consistent as football players come." Williams says that Hamilton has been a very coachable player, as well as versatile and intelligent.

Roby Wilson was named to the second team all district roster as a linebacker "Roby is one of our most improved ball players, and has made the conscious effort to condition himself in off season," Williams stated. Wilson won an Iron-Man award in the MHS weight lifting program. "He is also a very coachable player and very consistent," the head coach said.

A returning Mule for the 1983 season, defensive lineman Jay Gleason was chosen also for the second team - all district roster. Gleason started as a sophomore at center, doing a

good job, according to Williams. "He's strong, tough and has a lot of ability. He's able to do what it takes to win," Williams pointed out. "Jay has developed into a top notch football player and will be a stand out for the Mules next season," if William's predictions are right.

Coach Williams stated towards the end of the interview that one of the most important things about these selections, is that the boys selected realize that they played well and were able to obtain these honors because of a team effort, and vice-versa. "These boys owe

### Conference...

Cont. from Page 1

energy costs. This will be the third such irrigation conference in this area.

This meeting will be held in the Bailey County Coliseum and is scheduled for registration to begin at 8:30 a.m. and the program will get underway at 9:30 a.m. with Dr. Robert Berry TAES Plant Pathologist leading a discussion on Wheat Diseases and Fungicide of Crops to be followed with "Conservation Tillage and Soil Fertility" presented by Dennis Neffendorf, SCS Area Agronomist.

Rusty Williamson, County ASCS Executive Director will begin a discussion of the 1983 Farm Program around eleven o'clock and future rates and load management will follow with the information being delivered by Connie Gup-ton, Manager of the Bailey County Electric.

A free lunch will be served to those having pre-registered for it at 12:15 and the program will resume at 1:30 p.m. with Irrigation Requirements of Feed Grains. These will be followed by the same on cotton and sunflowers.

Leon New, TAES Irrigation Specialist will talk to the group at 2:30 p.m. regarding irrigation pumping costs and the program will start rounding out around 3 p.m. with financial management tips by Dr. Gary Condra, TAES Economist.

This program has been planned for the purpose of keeping producers and businessmen informed on new developments and technologies that can help them reduce energy costs in the months to come, said a spokesman for the sponsoring entities.

their teams a debt of gratitude, just as the teams owe them one for being the high performing players they were." Williams believes that to be named to all district distinction takes a unified effort. "It is gratifying as a coach to have your players named to this elite corps, it reflects the dedication of all the

players on the team." Williams is especially proud of all these Mules that he stirred up in the batch this year, and is planning an even bigger and better one next year. Hats off to all the Mules for a job well-done and to the faithful fans that stayed behind them a hundred and ten percent.

## Ag Rally

Cont. from Page 1

even if they sell their grain," Harp stated.

The \$50,000 limitations of payments do not apply to the Payment - In - Kind Plan, as the records now stand. However, some sources claim that this is unlawful and will have to be proven in court.

Plains Cotton Growers President Tommy Fondren told producers that the 90 percent floor had been put back into the 1983 yields and that deficiency payments on cotton would be made at the rate of 20 cents instead of 12.8 cents.

Fondren also stated that there would be a 30 day comment period on the plan before final regulations were issued on February 25. The sign-up period on PIK will begin on January 24 and will run through March 11. He also commented that the PCG and he personally felt that the PIK program had a lot of good things in it - "not all we'd hoped for, but the only ballgame in town," Fondren said. The PCG head also told producers present that Cotton, Incorporated funds would be withheld from PIK cotton, but that he felt sure there would be a rebate system for those not wishing to participate. When questioned as to the length of the PIK program, Fondren stated that it "would end when the surpluses run out. I don't think the U. S. will import the goods to continue a give-away program."

Other speakers included June Saylor, National WIFE President, Gerald McCathera former AAM Chairman, and Marvin Meek, immediate past chairman of AAM. Meek spoke to the crowd regarding a new "symbol of support" which has been developed for the Family Farm Foundation, an organization developed by some farm leaders and the Martin Ryan Haley Company of Washington.

The process itself, which is enclosed in an 'Ag Card' is intended to provide coupons to purchasers of farm related products and would allow them a rebate on goods purchased. Participating companies names were unavailable for release due to the pending finalization of the plan. The Ag-Card is a registered trademark of the Family Farm Foundation. According to Meek, more sponsors are being signed up each week, and the plan should be completed within four to six weeks. The cost of the card is \$25. Further information on this plan should be forthcoming in the near future.

On January 22, the Boy Scouts Pinewood Derby will be held in the Coliseum beginning at 1 p.m. and continuing until 5 p.m.

## Commissioners Court Holds Special Session

The Bailey County Commissioner's Court will meet in a special session in the Courthouse on Monday, January 17 beginning at 10 p.m. and continuing through until all business is concluded.

The following items are on the agenda for this

### Commissioners...

Cont. from Page 1

made to the four precincts - to be divided equally among them. Out of the General Fund, \$11,000 was transferred to Officer's Salaries funds; \$500 from the General Fund was transferred to the Law Library Fund; \$28,679.65 was transferred from the General Funds to add to a Certificate of Deposit which would bring the total CD amount to \$200,090.

Another large transfer in the amount of \$22,371.23 was transferred from the Road and Bridge Fund to bring the Road and Bridge Certificate of Deposit to the amount of \$275,000.

Other routine items of business was taken care of by the Court before its adjournment.

meeting: Howard Maddera of the South Plains Community Action Association is to meet with the members of the court. Also the court will have under consideration the appointment of James Williams as constable for Precinct 11.

Consideration of maintenance agreements for the IBM typewriters belonging to the county will be observed by the Commissioners and a notice from the General Telephone Company of intention to place a buried communication line within a county right-of-way will be reviewed.

Compensation of county officials and employees will be considered along with payment of county bills.

The Court will also hold a Public Hearing regarding load limits on a county road.

The County Treasurer's report will be reviewed and consideration of rental fees for the coliseum will be on the agenda as well. Other needed miscellaneous items will be handled.

Being frank is the road to unpopularity, unfortunately.

A new "baby" Resuscitation was presented to the Chapter by Carolyn Mahon, Regional Director of the Lubbock Office. This will be used in training for cardio-pulmonary resuscitation.

A nominating committee was appointed and included Linda Mullin, Clara Lou Jones, D.O. Burelsmith and Don Seales. This committee will nominate officers for the upcoming year which begins June 1.

Members present voted upon and approved a publicity plan presented by Dorothy Mick PR/PI Chairman. Board members attending the meeting included Clara Harbin, Linda Mullin, Owen and Clara Jones, D.O. Burelsmith, Laura and Don Seales.

The name of Loyd Haire was submitted by the Muleshoe Chapter for nomination of a Research Award.

### GED...

Cont. from Page 1

certificates. In Muleshoe this is happening every Tuesday and Thursday in the East end of the Muleshoe Junior High School building. In December, several Muleshoe and area citizens who had been attending classes took the GED tests, and they earned their GED certificates. Some of them have already enrolled either in advanced job training, or in college courses.

Any adult interested in learning to speak English, improving English and math skills, or preparing for the GED tests, may enroll in Basic Adult Education classes by coming to class in the Muleshoe Junior High School Building (East end) any Tuesday or Thursday evening at 7 o'clock. Classes meet for two hours, two times a week, and they are free. Please come, and bring a friend.

### Jennyslippers...

will be held at 7 p.m. in the Civic Center on February 8.

Johnnie and Cherry Estep; Vera Haire, Hugh Young, Dorothy Mick and guest Carolyn Mahon. The next meeting will be held on Friday, February 4 at the Corral.

## South Plains Agriculture

### To Be Reviewed

Crop and livestock producers throughout the area will get an up-to-date picture of the season ahead in agriculture during the annual meeting of the South Plains Development Program here January 25.

The day-long program at the KoKo Palace, Avenue Q at 50th Street, will give producers information to help them plan for profits in 1983. Billy C. Gunter, District Director with the Texas Agricultural Extension Service, said.

The South Plains Development Program is a coordinated regional effort of individuals, associations, businesses and agencies to promote economic development in agriculture and improved family life in 21 counties. It is sponsored by the Extension Service, working through county Extension program building committees and task forces which identify educational needs and coordinate educational activities.

### Lazbuddie...

Cont. from Page 1

presented in all three classes of animals under the sponsorship of the Shirley-Anderson Elevator at Lazbuddie. An adult showmanship class will also be featured this year, and if like last year's may prove to be the highlight of the show.

Entry blanks may be picked up at the Lazbuddie FFA shop or at the school. A minimal \$2 will be charged per entry to alleviate judge's expenses.

# State Income Estimate Lowered By \$1.5 Billion

State Comptroller Bob Bullock said Monday that he is cutting his estimate of state income by \$1.5 billion over the next three years.

The cut includes about \$470 million in 1983 and just under \$1.1 billion in the 1984-85 budget period.

Despite the cuts from Bullock's earlier estimate, which was made last September, legislators convening in Austin on Tuesday will still have \$4.1 billion more to work with in developing the 1984-85 state budget than was available two years ago.

Income in 1984-85 is expected to be \$3.1 billion more than in 1982-83, an increase of 16.3 percent. The state is also expected to have almost a billion dollar surplus left over at the end of 1983.

Together, the \$3.1 billion in additional 1984-85 income and the billion dollar 1983 surplus produce the \$4.1 billion in new money. Last September, Bullock had put the figure at \$5.1 billion.

(The \$1.5 billion cut in

revenues to the so-called major funds does not subtract directly dollar-for-dollar from the \$5.1 billion figure because of other adjustments in the estimate, such as highway money dedications.)

In total, the state will receive about \$14.3 billion in 1983 and \$32.4 billion in the two-year 1984-85 budget period. However, about a third of this total is dedicated to special uses and isn't available for general spending. An example is income to the state's public school endowment fund.

Counting the 1983 surplus, there will be about \$23.7 billion available to finance the heart of the state's 1984-85 budget, 5.7 percent less than earlier estimated.

Bullock blamed the drop on the impact of the continuing national recession and the depression in the state oil and gas industry, which have driven up unemployment and shrunk sales.

Bullock emphasized, however, that "Texas is still head and shoulders

above the rest of the nation."

"It's hard to pick up a newspaper today without reading about the terrible problems confronting other states," Bullock said.

He said a recent national survey showed that 41 states will face year-end deficits in 1983 if they don't raise taxes or cut spending. "Our income projections are down from last fall," Bullock said, "but I wouldn't trade places with any other state."

"No other state even comes close to having the current cash surplus we have—even though our surplus has dwindled since we figured it in September," Bullock said. "No other state comes close to having the growth rate we expect—even though our growth has slowed down dramatically."

Bullock pointed out that his revised figures were based on tax collection trends since his last estimate was made. He said collections from the sales tax, the state's most important tax, are running 2.6

percent behind the same time a year ago.

"In a normal year, we would expect collections to be ahead of the year before by 10-20 percent by now," he said.

Bullock said his latest projections foresee a slow rebound in the state

## NCC Praises PIK Plan

The payment-in-kind program announced by the Reagan administration offers a way to reduce excessive stocks of cotton and to strengthen farm income, National Cotton Council President Edward Breihan said today.

Breihan said the action should reduce burdensome cotton stocks which are expected to total eight million bales or more by the end of the current season and, in turn, relieve the downward pressure on cotton prices.

Praising the early announcement of the PIK program, Breihan said cotton producers can now proceed with their plans for the 1983 crop.

In a recent letter to Agriculture Secretary John Block, the Council president pointed out critical landlord-tenant decisions were imminent across the Cotton Belt and that field operations—already underway in South Texas—have been suspended pending the program announcement.

Breihan said the Council's Board of Directors recently passed an eight-point recommendation emphasizing the need to sustain the economies of local communities. It also enlarges upon an existing Council recommendation calling for reducing carry-over stocks to 3½ to 4 million bales as soon as practicable.

He added that the recommendation addressed the proposed PIK program and that the program announced today generally embodies the provisions of the Board recommendation.

economy in the coming year. He said, however, there were still uncertainties on the state's economic horizon. Especially uncertain is the energy industry.

"It's an unfortunate fact that the price of Texas oil today has as much to do with what happens in Saudi Arabia as it does Odessa," Bullock said.

He said a few forecasters were predicting oil prices to drop as much as \$6 a barrel later this year because of the continuing world oil glut.

## NCC Mailing Questionnaires To Growers

The National Cotton Council will mail questionnaires this week to a sample of cotton growers to assess their 1983 planting intentions, President Edward Breihan said today.

The Council initiated its own survey last year when the U.S. Department of Agriculture consolidated its January and March surveys into one. This year's USDA survey will be carried out in February, and results will not be reported until late that month.

"The Council survey will provide planting intentions earlier," Breihan said. "Individual cotton growers need this information for planning purposes. In addition, Council delegates will need it for their policy deliberations at our annual meeting early in February."

"We want to encourage every grower who receives a questionnaire to complete and return it promptly," the Council president said. "Results will be made available to all cotton growers through announcements in the media."

The Council's 1982 survey indicated that cotton producers planned to plant 11.3 million acres. Actual planted acres turned out to be 11.5 million, according to USDA.

"That would be good news to Texas consumers, but it would put a big dent in state revenues," Bullock said. A one dollar drop in

## Updated, Revised Bruce

### Brucellosis Now Effective

Revised and federal brucellosis regulations become effective Jan. 12, 1983, Dr. John W. Holcombe, executive director, Texas Animal Health Commission, announced today.

"The present Texas brucellosis program will remain in effect until commissioners of the Texas Animal Health Commission act upon proposals before them. However, Texas livestock producers need to be aware now of the new federal changes," Dr. John W. Holcombe, executive director, Texas Animal Health Commission, said.

Under the federal regulations, Texas will continue its two-area classification, and as of Jan. 12, 1983 the present Class A and Class B area will be-

the price of a barrel of oil costs the state about \$40 million in oil production taxes," Bullock said.

In comparing his revenue figures with spending recommendations the Legislature will be considering, Bullock said "it would be

tough to make the shoe fit the foot."

In writing the 1984-85 budget, the Legislature has these options: keep spending within Bullock's income estimate, raise taxes to pay for additional spending or risk deficit spending by overriding Bullock on a four-fifths vote.

"Our estimate isn't made to fit anyone's preconceived spending plans," Bullock said. "Under pay-as-you-go, it is supposed to be the other way around, but the options now are up to the Legislature."

**Texas DPS Reminds Of Winter Season**

The Texas Department of Public Safety reminds motorists that the winter season is upon us, and it is time once again to get both the driver and the vehicle in the best possible condition for this most grueling driving season.

The DPS reported 1,262 fatal accidents that caused 1,469 deaths during the winter months of 1981 and 94 of these fatal accidents were attributed to snow or ice covered roadways, according to Major Vernone Cawthon, Regional Commander of the Texas Department of Public Safety.

He said, "Winter driving on wet, foggy, or ice covered roads is different and requires more patience."

He advised the motorist to start early, to allow time for traffic delays, and for rest periods on long trips, to adjust their speed for road and traffic conditions, and to avoid sudden driving maneuvers.

Cawthon said, "Winter driving requires more concentration and effort on the part of the driver, and extra care must be taken to clean windows and headlights of mud and ice. The ability to see or be seen is lowered in bad weather and this requires more driver alertness."

He noted, batteries, tires, windshield wiper blades, and anti-freeze are items that need to be checked. Weak batteries should be replaced, tires should have good deep treads, and good wiper blades are vital in winter when visibility is poor.

"Remember the speed limits posted on our highways are limits for good conditions, and winter driving may require us to lower our speed to adjust for poor conditions," he said.

He emphasized that impatience will not get you to your destination any faster. Patience will not get you there any faster either, but he said, "It will sure make the trip more pleasant and safe."

**Progress Girl Among Inaugural Parade Members**

Cody Beckwith Hardin-Simmons University junior from Progress, daughter of M/M Art E. Beckwith will be among coeds who will ride one of HSU's famous Six White Horses in the inaugural parade in Austin on Jan. 18 for Gov. elect Mark White.

The White Horses and their lovely coed riders and the university's Famous Cowboy Band will travel to Austin early on the day of the parade which begins at 3 p.m. and return to Abilene late that evening.

The latest participation for the White Horses and the Cowboy Band was the Cotton Bowl Festival Parade in Dallas on Jan. 1.

The Dallas White Horses and their riders have had 15 performances in the last several months, according to Dr. William O. (Bill) Beazley, who coordinates the riders and the horses.

The horse unit began sometime in the 1930's, but no one is sure of the exact date.

Other riders who will go to Austin and take part in the parade will be: Natalie Morton, senior, Abilene, Terri Grimes, senior, Mineral Wells; Beth Longbotham, sophomore, Clyde; Ronda Clardy, sophomore, Irving; Sharon Gray, junior, Haskell; Linda Fox, Freshman, Vernon, Stacia Blahak, sophomore, Abilene and Lynda Henderson, junior, Rotan.

It will be the fifth time that the White Horses and their coed riders have marched before a Texas governor along with the Cowboy Band. They took part in the first and second inaugural parades of Gov. Beauford Jester (1947 and 1949); in Gov. Dolph Briscoe's parade; and in Gov. Bill Clements 1979 parade.

**News of Area Servicemen**

Airman Martin Melia, son of Dora Melia of 1307 Walnut, Friona, Texas, has completed Air Force basic training at Lackland Air Force Base, Texas.

The Airman, who is remaining at Lackland for specialized training in the security police field, studied the Air Force mission, organization and customs and received special instruction in human relations.

Completion of this training earned the individual credits toward an associate degree in applied science through the Community College of the Air Force. He is a 1982 graduate of Friona High School.

**Enochs News**  
By:  
Mrs. J.D. Bayless

Mrs. W.L. Welch underwent surgery at West Plains Hospital in Muleshoe Thursday.

Mr. and Mrs. Sid Key drove to Roswell, N.M. Saturday to visit her children, Claude Wayne and Vonna Hamilton.

Mrs. Bill Key is a patient in the West Plains Hospital in Muleshoe, she has three broke ribs from the pickup accident during the snow storm.

Mr. and Mrs. E.N. McCall were in Lubbock Saturday to visit their daughters, Brenda and Robert George and family Dolores and husband Steve Mosser and family.

Mr. and Mrs. J.D. Bayless were in Muleshoe Friday morning on business and stopped at the hospital and visited their nephew Jim Swanner who is Administrator at the Nursing Home.

Landon Nichols baby son of Mr. and Mrs. Jerry Nichols, was dismissed from the Littlefield Medical Center Saturday after being a patient there for 10 days. Mr. and Mrs. Nichols left for home at El Past Sunday morning.

Danny Hall of Morton a former resident of Enoch's, underwent back surgery in Lubbock the past week. He is a patient at Highland Hospital.

Mr. and Mrs. Dennis Turney was New Years guests in the home of her parents, Mr. and Mrs. Trueman Nix at Littlefield.

Shane Claunch started to West Texas College Monday, he went to Tech the first semester.

Mr. and Mrs. Bill Dupler and girls visited the Luther Edwards in Sundown Saturday.

Parents, in seeking to help their children, might remember the fact that responsibility often develops unsuspected talent.

## Crop Irrigation News Featured At Conference

The latest research and innovations in crop irrigation will be featured during the High Plains Irrigation Conference here January 18. The annual educational program for producers and agribusiness firms opens at 9:30 a.m. at the Texas A & M University Agricultural Research and Extension

Center, 6500 Amarillo Blvd., West.

Five speakers and a panel of growers will present information designed to help producers make more efficient, cost-saving use of water, said Leon New, agricultural engineer and irrigation specialist with the Texas Agricultural Extension Service.

Dr. Arland Schneider, research agricultural engineer with the U.S. Department of Agriculture at Bushland, will report on surge flow irrigation. Use of center pivot sprinklers for pesticide application will be discussed by Dr. Carl Patrick, Extension entomologist.

Obtaining top energy efficiency will be the topic of Lyman Dellinger, technical service supervisor for Moline Engines, Russellville, Arkansas. Making irrigation profitable will be explored by Dr. Ray Sammons, Extension economist.

New will discuss limited irrigation of crops.

The grower panel will relate experiences and practices in their irrigation operations.

The Extension Service recently moved New from its Lubbock center to the TAMU center in Amarillo and assigned an additional irrigation engineer at Fort Stockton to provide better service to West Texas producers. New now serves the 20 counties of Panhandle District 10, counties in the South Plains District and counties in the Rolling Plains District.

## Soybean Association Meets In January

Water costs and availability are issues constantly affecting many soybean farmers in the Texas and Louisiana Gulf Coast region. There is concern irrigation water may become scarce and expensive. According to Texas Soybean Association Director Robert Horn of Nome, this could indicate a move to additional soybean acreage.

"The Texas Soybean Association (TSA) Annual Meeting will explore the market outlook for soybeans in 1983-84 and examine the status of water resources", says Horn. "The January 21 meeting begins at 8:00 a.m. in the Sheraton Spindletop, Beaumont. All soybean farmers and other interested persons are invited."

Soybean farmers are forging ahead to create a more profitable market environment. American Soybean Association (ASA) President B.B. Spratling, Jr. of Roba, Alabama, will describe the programs being enacted by ASA and TSA members. Extension Economist Dr. Art Gerlow will deliver "Soybean Situation and Outlook".

On the topic of water, Dennis D. Baker, regional manager of the Trinity River Authority of Texas will review "Economic Utilization of Water Resources in the Upper Gulf Coast." "The Future Use and Availability of Texas Water Resources" is the subject of Dr. Herbert Gruff, Texas Department of Water Resources.

New developments in Gulf Coast soybean production will be highlighted by Texas A & M extension specialists, and winners of the soybean yield contest

will be announced. The TSA will also conduct its annual business meeting.

**Story Services  
Held Here  
Saturday**

Funeral services for Sylvester C. Story, 78, of Phillips were held at 4 p.m. Saturday, Jan. 15 in Ellis Chapel of the Chimes.

Burial was in Bailey County Memorial Park under the direction of Ellis Funeral Home of Muleshoe. Story died at 6:30 p.m. Wednesday at his home.

Story was born June 9, 1904 in Arkansas and married Ida Robertson on March 11, 1930 in Oklahoma. He moved to Phillips 15 years ago from Muleshoe. He was a farmer.

Survivors include his wife, Ida; two daughters, Mrs. Kenneth "Crocket" Landers of Cotton Center and Mrs. Norma Miller of Hiron, Tenn.; one son, Melvin W. Story of Hiron, Tenn.; one brother, Virgil Story of Heaven, Okla.; 14 grandchildren; and four great grandchildren.

**Whisenhunt  
Services Held  
In Sudan**

Funeral services for James M. "Son" Whisenhunt, 66, of Sudan were held at 2 p.m. Thursday, Jan. 13 at the First Baptist Church of Sudan with the Rev. Truman Johnson, pastor, officiating.

Interment was in Sudan Cemetery under the direction of Hammons Funeral Home of Amherst. Whisenhunt died at 12:30 a.m. Tuesday in Veterans Administration Medical Center in Albuquerque following a lengthy illness.

A Rockwall County native, Whisenhunt had lived in Sudan since 1930. He was a World War II veteran and was awarded the Purple Heart. He was a farmer and a member of the Disabled Veterans of America.

Survivors include his mother, Ethel of Muleshoe; two sisters, Beatrice Atkins of Amarillo and Mavis Green of Pampa; and three brothers, Grover of Lamesa, John of Muleshoe and Arthur of Amarillo.

**Local Woman's  
Brother Dies  
In Northfield**

Services for Delmont Hays, 80, of Northfield were held at 10 a.m. Saturday, Jan. 15 in the Matador Church of Christ with Dan Coker, of Abilene and Mark Williamson of Childress, officiating.

Interment was in Northfield Cemetery under the direction of Seigler Funeral Home of Matador. Hays died at 5:30 a.m. Thursday in Childress Nursing Center after a brief illness.

A Hall County native, Hays married May Ring on Jan. 3, 1929, in Northfield and had worked for the Matador and Swenson Ranches. He was a member of the Masonic Lodge in Matador and had been a farmer and rancher in the Northfield area for many years and attended Clarendon College.

Survivors include his wife, May; one daughter, Jerry Wright of Abilene; two sons, Joaquin of Oakley, Calif. and Vaden of Matador; one sister, Iva Smith of Muleshoe; six grandchildren; and one great grandchild.

Most people are limited by their inability to appreciate others.

WALTER SEBRING

**Walt Sebring  
Services Held  
Saturday**

Funeral services for Walt Sebring, 82, were held at 2 p.m. Saturday, Jan. 15 in Ellis Chapel of the Chimes with the Rev. H.D. Hunter, pastor of the Community Church, officiating.

Burial was in Sudan Cemetery under the direction of Ellis Funeral Home. Sebring died at 9:25 p.m. Thursday in West Plains Medical Center.

He was born Oct. 19, 1900 in Ballinger and married Ollie Powell on June 3, 1928 in Fort Worth. He moved to Muleshoe in 1953 from Sudan. He done custom combine work and was a Baptist.

Survivors include his wife, Ollie; one son, Frank Ray Sebring of Littlefield; one daughter, Mrs. Fannie Lu Wolfe of Tulsa, Okla.; two sisters, Mrs. Sadie Will of Sudan and Mrs. Ethel Bridges of Ft. Worth; one brother, Ruley Sebring of Ft. Worth; seven grandchildren; and six great grandchildren.

**GTE Marketing  
Gets New Name,  
New Look**

Are you having a communications problem, never can get a line out on your current phone system? Call the GTE Business Sales Department at either area code 505-393-1546 or area code 806-637-7571. A Business Sales Representative will work with you on every aspect of your communication needs.

The Business Sales Department serves the Memphis, Brownfield, Carlsbad and Hobbs areas, with offices located at 206 N. Turner, in Hobbs, N.M. or 211 S. 6th in Brownfield, Texas.

"Sales personnel will analyze customer needs and take some of the 'Guess work' out of the designing and implementation of the affordable telephone systems," according to Joe Zinser, Sales Supervisor for the Western Division.

The Business Sales Department is developing new ways in which to meet the needs of business customers who are making communication decisions daily to keep pace with today's rapidly changing business environment and new communication technologies.

Senior Sales Representative is Kimberly Clark. She is responsible for sales of business equipment to customers in Muleshoe. Kimberly joined GTE in 1980. Prior to GTE she attended Texas Tech University in Lubbock where she received a degree in Marketing.

A conversationalist will talk whether anyone is listening, or not.

brought a tape of the Kings Kids for our enjoyment and entertainment. We really appreciate it.

Grace Kemp was visited by her son and granddaughter and great grandson Wed. afternoon.

Bertie Hendrix was hospitalized last week, she is much improved at this time. Edna Henderson continues to improve in the hospital.

Marie Ingram was visited by Jeff Whatley, Wilma Waddle, Josie Garcia, Susie Vela, Josie Flowers, Mrs. Walter Sebring, Jaunice Glasscock of Earth, Maud Kersey, Scott Campbell, Martha Buck, Bethalene Harper, Stacey Campbell of Lubbock.

Ora Roberts was visited by her granddaughter and great granddaughter Wed.

Ethel Whisenhunt was visited by several of her family members Wed. We express our sympathy to Mrs. Whisenhunt and her family at the death of her son. "Son" Whisenhunt.

**Hance To Speak At Forum In In Lubbock**

Congressman Ken Hance will be the featured speaker at the National and State of Texas Legislative/Regulatory Forum January 21 beginning at 8:15 a.m. at the Lubbock Civic Center, Terrace Suite. Also featured on the program will be Shane White, Legislative Affairs Manager of the Chamber of Commerce of the United States; Ed Coltharp, Executive Vice President of the West Texas Chamber of Commerce; and Tommy Stevens, Chairman, Governmental Affairs Committee of the

Lubbock Chamber of Commerce.

The Forum will provide a first-hand view of critical

Ronald Reagan, President:

"I think we have made great, great progress with regard to our relationship with our allies in Europe and Japan and with our neighbors here in the Western Hemisphere."

Selfishness is the main cause of bad manners.

issues facing business during the 98th Congressional sessions. Sponsored by the Chamber of Commerce of the U.S., the West Texas Chamber of Commerce and the Lubbock Chamber of Commerce, the program provides an opportunity for the business community to respond to governmental issues on the state and national level.

The public is invited to attend the half-day Forum and may register by contacting Tim Pierce at the Lubbock Chamber of Commerce, (806) 763-4666.

**ATTEND THE CHURCH OF YOUR CHOICE**

**It Takes a Lot to Satisfy  
A HEALTHY APPETITE**

Anyone that has ever tried to fill the bottomless pits of growing boys will tell you that it is practically an impossibility. Yet we must continue to feed them so that they will continue to grow.

With the right kind of encouragement from parents, these boys will develop a hunger for God's word. Take them to church Sunday where they may study and learn more of God's word.

"Blessed are they which do hunger and thirst after righteousness: for they shall be filled."

**EVERYONE IN THE CHURCH  
THE CHURCH IN EVERYONE**

The Church is God's appointed agency in this world for spreading the knowledge of His love for man and of His demand for man to respond to that love by loving his neighbor. Without this grounding in the love of God, no government or society or way of life will long persevere and the freedoms which we hold so dear will inevitably perish. Therefore, even from a selfish point of view, one should support the Church for the sake of the welfare of himself and his family. Beyond that, however, every person should uphold and participate in the Church because it tells the truth about man's life, death and destiny; the truth which alone will set him free to live as a child of God.

## LEGAL NOTICES

NOTICE TO ALL PERSONS HAVING CLAIMS AGAINST THE ESTATE OF LELAND KENYON DEAN\* DECEASED

Administration of the estate of LELAND KENYON DEAN, Deceased, has been commenced by the issuance of original Letters Testamentary to the VIOLET LEE DEAN, on January 6, 1983, by the County Court of Bailey County, Texas, acting in Cause No. 1537, styled IN RE: ESTATE OF LELAND KENYON DEAN\* DECEASED in which court the matter is pending.

All persons having claims against the estate are hereby notified to present them to the undersigned at the address shown below within the time prescribed by law.

DATED this 10th day of January, 1983, -s- by Linda Guelker Linda Guelker, Of Counsel THOMPSON, THOMAS & BROWN 103 West Avenue D Muleshoe, Texas 79347 806/272-4276 State Bar Number 08567300 ATTORNEY FOR ESTATE 3s-1tc

Allen Sinai, senior economist, Data Resources Inc.

"The small rise in the Consumer Price Index for (November) and over the past year represents the fallout of the deepest downturn since the 1930s."

## Sudan News

By Evelyn Ritchie

Holiday visitors in the home of Mr. and Mrs. Doyle Terrell were their daughter, Mattie Sanders of Tuttle, Okla and their grandchildren, Mr. and Mrs. Lonnie McKenzie and children of Coffeville, Kansas and Mr. and Mrs. Carl Brown and children of Ind. Mo., Mrs. Terrell was released on Christmas eve from the Methodist Hospital where she had been a patient for several days.

## YEAR END FIRE REPORT

The members of the Sudan Fire Department answered calls for the total of 31 fires during 1982. These consisted of 4 structures; 3 autos; 11 grass related fires; 12 cotton fires; one misc. This group of men put in 564 man hours fighting fires in 1982. Each and every citizen in Sudan and the surrounding area are thankful to have these dedicated men to serve us.
