or 1934.

BILL VOTED

CWA PROJECTS APPROVED FOR **STREET GRADES**

One of the latest projects for the city of Eastland to get approval from the CWA officials is that for \$15,000 with which to grade and gravel a number of streets. The principal street included in this project is West Patterson.

Other projects being sought for Eastland and which have a good chance of being approved, it is stated, from one or another of the various relief agencies, is the repairing of the Eastland city hall, enlarging and repairing the city disposal plant, the building of fence and retaining wall around the cemetery, which is municipally food for needy children; night Find discrepancies ing of trees in parks; the deepen-ing and straightening of the Leon river where it flows through the and reclaim land.

all worthy projects be submitted to an adult slayer. them for investigation and they where it is needed and where it will do the most good. If you have some project in mind that you want to spend the available money some project in mind that you think would be valuable to the town and community, submit it to the CWA officials and it will be given attention.

On Public Works

WASHINGTON .- What the U S. bureau of public roads believes to be a speed record in road build ing was established recently in the

tween Santa Fe, N. M., and the she finds the playboy in the arms 49 days of the 200 allowed to comof a former sweetheart. The cli- plete this four and a half mile secmax finds Miss Harding in a pow- tion of road were required to put was in charge of the construction.

cluded grading to a 24-foot width, building two major drainage structures of concrete, and placing two four-inch lavers of crushed surfacing material.

Although the contract permitted the use of machinery, the bureau of public roads reports that the contractor, E. H. Honnen, preferred to use instead a large number of unemployed and needy men.

"The project," the report states, proved a veritable godsend to the community, which depends on grazing, farming and lumbering
