SOIL EROSION PROJECT TO BE STARTED SOON

WASHINGTON, May 16.—A soil erosion project on the watershed of Duck creek in Smith county, Texas, embracing approximately 25,000 acres, was announced today by Director H. H. Bennett of the soil erosion service.

Experiments made there may affect a 33,000,000-acre section of sandy lands, extending from East Texas into southeastern Arkansas and northwestern Louisiana.

Annual loss of soil in that section is proceeding at the rate of 19 tons of soil per acre, measurements at the Tyler erosion station have indicated.

That loss has perturbed Uncle Sam for two reasons: (1) Millions of tons of top-soil, valuable to agriculture, swept into the gulf each year by rains that gully across the state, represent a tremendous economic loss. (2) By storing the rain where it falls, instead of letting it run off, the soil erosion service can materially aid the nation-wide flood control program.

Nearly 20 per cent of an East Texas rain is lost. Slopes and hillsides are shredded with gullies. The federal government proposes to experiment with four methods of erosion control in East Texas:

1. Plant steep slopes in the Duck creek watershed with trees and grasses. A cover of grass reduces the loss of soil to one-fifth of a ton per acre, and the run-off of rain to 1 1/2 per cent.
2. Encourage the rotation of crops.
3. Strip cropping, terracing and contour plowing will be urged for less steep slopes.
4. Check dams and similar devices will be installed at strategic points.

Millions Are Urged For Public Roads

WASHINGTON, May 16.—Chairman Wilbur Cartwright, Democrat, Oklahoma, of the house roads committee, today told the United Press he will lead a fight in the house to earmark for construction at least \$200,000,000 of the funds asked for by President Roosevelt in his message to congress.

Under the present draft of the new bill submitted by the president the stipulation is made not more than \$100,000,000 shall be used for this purpose. Cartwright said he believed there is enough sentiment in both house and senate in favor of earmarking a large sum for road work.

Rotary Club to Award Badges to Eastland Students

The Rotary club had their session presided over by Leslie Gray, vice president, at their Monday noon luncheon meeting on Conlee roof. Songs led by Julius Krause with Clara June Kimble at piano, opened the program on which J. B. Johnson and Sam Gamble, program chairman, presented D. Joseph, Rotarian of Ranger, who gave a most interesting description of his trip to the Holy Land, his experiences in Palestine and Damascus, and present day political status.

The club decided to award two gold badges for the best all round students in Eastland public schools in cooperation with the Lions club who are giving two gold badges in this class, making one badge for best all-around student for each of the four public schools.

B. M. Collie and Ben Hamner were named as program chairman next meeting. George Tunif of Dallas was the guest of Ben Hamner.

Miss Ruth Ramey, county home demonstration agent, announces a cake making demonstration to be held at the home of Mrs. Dave Vermillion at Olden at 2 o'clock Friday afternoon.

County Federation To Meet Saturday 10 A.M., Bass Lake

Miss Ruth Ramey, Eastland county home demonstration agent announces that the Eastland County Federation of Women's clubs will meet Saturday at 10:00 o'clock at Bass Lake.

The meeting will be an all-day affair. A basket lunch, with individuals bringing their lunches, will be served at the noon hour.

The public is invited, but of course will be expected to provide their lunch.

Boy Scouts to Go To Camp In July

Announcement has just been received from G. N. Quirl, scout executive for the Comanche Trail council, which includes Stephens, Eastland, Erath, Comanche, Brown, Mills, San Saba, and Lampasas counties, that the annual summer camp will start July 10.

Mr. Quirl states that there will be two periods of one week each. The first period will be July 10 to 17, and the second, July 18 to 25.

There will be plenty of scout activity this year to keep the scout interested and having a good time. The slogan of the camp will be "Every scout a swimmer." Special courses will be presented in swimming and life saving.

The troop unit plan of camping will be carried on as heretofore. There will be something new for the old camper and lots of things for the new camper.

Mr. Quirl states that with the co-operation of scouts and scouters this will be the outstanding camp of the southwest during this season.

Salvation Army To Make Annual Appeal This Week

The annual appeal of the Salvation Army is to be made in Eastland county this week. W. D. Pedigo, campaigner from headquarters office, who has been coming here for the past several years will be in charge. The campaign will be made under the supervision of the county advisory board as follows:

The estimate has been set at \$60,000 for the county. Funds derived from the campaign will be used to carry on the extensive Christian service in this section and the Texas division. They operate without regard to class or creed, and appeal to all who are interested in the neglected or suffering. Every effort to administer the affairs of the work as economical as possible is made.

During the past year in this division, meals were served to 476,000 transients, jobs were found for 4,000 men and women; 97,000 families were given general relief; clothing furnished to 6,000 and more than 200 girls were cared for in maternity homes and hospitals. A good percentage of the service is shared by the rural towns and communities.

This appeal is for the entire year. No other authorized canvases will be made.

KIDNAPERS OF GETTLES GIVEN LIFE VERDICTS

LOS ANGELES, May 16.—Prison walls closed about the kidnapers of William Gettle today, a week after James Kirk, Roy Williams and Larry Kerrigan planned the ransom abduction of the Beverly Hills millionaire.

Swift justice was meted the trio last night. On their pleas of guilty they were sentenced to life under California's new kidnaping law, under which, as interpreted by Judge Charles Fricke, the trio will be doomed to life in prison, but "with the possibility of parole." They agreed to plea guilty to escape a possible death penalty, permitted only if a victim has been harmed. Gettle said he was not. Two women, arrested with the gang, remained in jail, uncertain of their fate. Prosecutors said they might be charged with conspiracy to kidnap.

The kidnapers will be transferred to San Quentin prison late today.

NEW YORK, May 16.—Better news from Washington and an upswing in wheat prices raised cotton prices 50 cents a bale today. The close was at gains of six to ten points, with July options up 11.40 cents.

KINGCADE WELL RESPONDS TO NITRO SHOT

CISCO, May 16.—Shot Monday afternoon at 4 o'clock with 80 quarts, the Lone Star Gas company's No. 1 Kingcade well, north of Cisco, was being cleaned out Tuesday with the prospect it will be completed for about a 75-barrel well. Gas flow was increased from about 200,000 feet to an estimated million feet by the shot.

The well responded with two strong flows over the derrick after the time bomb set off the nitro-glycerin, and then bridges 32 feet off bottom.

The well is bottomed in Marble Falls lime after passing a broken Lake sand formation without show. It picked up oil and gas showing at about 3,591 and was drilled to 3,608.

Large Audience A large audience gathered at the location to watch the results of the shot. Under 60 feet of tamping, it was thought the well might not clean itself, but spectators in the rig were suddenly forced to run as a column of black fluid mushroomed out of the casing and climbed over the derrick top where it was caught in a stiff north breeze and plumed over the ranchland for hundreds of yards.

The first flow died down, when a second strong surge of gas sent another after it. The well then bridges, and the flow settled down to a thin black spew which finally ceased. During the night the hole filled again and this morning cleaning operations were started.

Meanwhile, with 10,000,000 feet of gas in the upper Lake sand, where casing has been firmly set without cement, the Hickok company's Kleiner No. 1, in the same vicinity is being completed as it stands. It has no oil, but predictions are that good production lies below the gas sand.

Both of these wells were drilled in swift time and without difficulty. The Hickok company drilled its own well. Gallagher and Lawson are the contractors on the Lone Star well.

J. A. Lauderdale Has Fracture of Skull

CISCO, May 14.—Condition of J. A. Lauderdale, 60, prominent farmer of the Harpersville community northwest of Cisco, injured when he was thrown from a horse near his home Monday, was slightly improved early Tuesday. His injuries were reported to be skull fractures above the forehead and on the left side of the head.

How the accident occurred was unknown. Mr. Lauderdale had gone to drive up several horses on his farm and was riding without a saddle. He was found by a chance passer-by, a stranger to the community, lying unconscious a few hundred yards from his home. The stranger summoned neighbors who took him to his home and notified his son at Cisco.

Last of Gettle Kidnapers Caught

LOS ANGELES, May 17.—Complete solution of the kidnaping of William Gettle, Beverly Hills millionaire, was claimed today by authorities with the arrest of Clyde Stoddard on suspicion of kidnaping charges.

A few hours after three others were rushed away to San Quentin prison to begin serving life terms, Stoddard was arrested and charged with providing the car in which an attempt was made to collect \$60,000 ransom.

Stoddard said he and one of the other men owns the automobile and that he loaned it to them without knowing their purpose.

Baptists to Unite In Fight Against 'Social Injustice'

FORT WORTH, May 16.—A call to arms of all religious denominations to unite in a fight against "social injustice" and atheism was sounded here today by Dr. M. E. Dodd of Shreveport, La., at the annual Southern Baptist convention.

"In a day when the battering minds of atheism and infidelity are being hurled against all religions, we Southern Baptists should form any possible union with others in holding the line against a common enemy.

"We cannot evade the responsibility of properly positioning ourselves in the midst of an order when social and economic inequalities and injustices are brought to our attention daily."

CIVIC LEAGUE FLOWER SHOW MAY 25-26TH

The Civic League of Eastland will hold their spring flower show Friday and Saturday, May 25-26, in the Frost and Stubblefield buildings on the south side of the square.

The league since its organization, 17 years ago, has held a series of annual flower shows, beginning with a small window display in 1918, and gradually expanding in effort and effect, to the splendid undertakings of the last six years.

WOULD BECOME AVAILABLE IF BILL PASSES

WASHINGTON, May 14.—Billions of dollars for home modernization and new residential construction would become available under legislation introduced in congress today in response to a proposal by President Roosevelt asking action on a housing program before adjournment.

Senate majority leader Joseph Robinson, estimated that two or three weeks should be required to complete legislative action on a measure which was regarded as one of the most important recovery projects of the administration.

Mr. Roosevelt's message to congress, urging a nation-wide home modernization and repair program, was followed by introduction of legislation to carry out the program.

The president said the program would consist of four major inter-related divisions:

- 1.—Modernization, repair and new construction.
- 2.—Mortgage insurance.
- 3.—Mortgage associations.
- 4.—Building and loan insurance.

"The purpose of the program is two-fold," Mr. Roosevelt said. "First, to return many of the unemployed to useful and gainful occupations; second to produce tangible, useful wealth in a form for which there is great social and economic need."

The president said that he envisioned modernization of commercial and industrial structures, but that he believed the government should confine its assistance largely to home improvement.

Loans to individual home owners, he explained, would be made by private agencies, which, in turn would be insured by the government against loss up to a certain percentage of the loan.

The other phase of the program, the making of funds available for new home construction, and the improvement of the mortgage market includes a long term mortgage financing agency. This would give mutual mortgage insurance to private agencies, which would make loans on newly constructed houses up to 80 per cent of the appraised value and make new mortgages on existing homes up to 60 per cent of the value.

The loans would carry about five per cent interest and would amortize in 20 years.

Five greyhounds, in Texas, dropped dead chasing a rabbit and they couldn't even come back home to boast how the big fellow got away from them.

Baptist Circle No. Five Visits the County Home

Circle No. 5 of the Eastland Baptist church visited the County Home this week where they rendered a program for the entertainment and benefit of the inmates. The visitors also distributed oranges, apples, bananas, candy, etc., to the inmates of the Home.

The program, according to H. R. Pafford, superintendent of the Home, consisted of devotional from 5th, 6th and 7th chapters of Matthew, led by Mrs. L. S. Rogers.

Songs rendered included "Jesus Paid It All," "What a Friend We Have in Jesus," and "Love Lifted Me."

Prayer was led by Mrs. Breazeale. Among those attending the service were: Mmes. L. V. Simmonds, C. J. Nelson, S. A. Green, R. E. Shoemaker, H. R. Breazeale, R. E. Kilborn, V. E. Vessels, L. S. Rogers.

Church Schools Are Doomed Unless They Make Change

FORT WORTH, May 17.—Church schools are doomed unless they adopt methods suited to a rapidly changing world, Charles Johnson, Monticello, Ark., told delegates to the Southern Baptist convention here today.

While Baptist colleges and universities made a net enrollment gain of eight per cent in the last year they must change their methods, ideas and organizations if they are to survive, Johnson said. Johnson is chairman of the Baptist education commission.

Olden Man's Sister Dies In Missouri

Mrs. Martha Jane Fowler of Clarksburg, Mo., and sister of M. W. McMinn of Olden, died Friday at her home. The following is taken from an issue of her home town newspaper:

Mrs. Martha Jane Fowler, wife of Dr. G. L. Fowler, 1109 South Monticello avenue, passed away at the family home early Friday morning following an illness of more than six years when she suffered a stroke of paralysis.

Mrs. Fowler the daughter of the late Mr. and Mrs. W. A. McMinn of Wayne County, was born November 14, 1861 in Wayne County. She was married to Dr. Fowler at her home on October 6, 1878. They later moved to Clarksburg where they resided for several years.

Dr. and Mrs. Fowler moved to Sedalia about twenty years ago and had since made their home here, their residence always being at the South Monticello address.

She was a member of the Methodist church at Clarksburg.

Five children were born to Mrs. Fowler, one passing away in infancy. A son, Alonzo Fowler, passed away several years ago in Idaho, and three survive, John and William Fowler of Augusta, Kansas, and a daughter, Mrs. Morris Dunaway of St. Louis, and her husband. A brother, M. W. McMinn of Olden, Texas, also survives.

The body was taken to the Gillespie Funeral Home, where funeral services were conducted at 3:30 o'clock, the Rev. Dwight Willet, pastor of the First Baptist church, officiating.

Commissioner Completes a Road To Cross Roads

Henry Davenport, commissioner of Ranger and Eastland precinct, has recently completed a one and one-half mile stretch of road that serves the Cross Roads community and school. This road ties in with approximately five miles of other roads that enables the people to have a road system that connects with the Bankhead highway and this road is one of the best in this section. Before Mr. Davenport started the work it was almost impossible to travel the Cross Roads road in rainy weather. The people along the route are well satisfied with the work and each one of them co-operated with the commissioner in seeing the work finished.

The road was built with CWA labor under the supervision of Mr. Davenport and Eob Hise, and the Jack Phillips estate donated the right-of-way for the project.

There are in the neighborhood of 50 children being served by the new road to the Cross Roads school who are carried each day by bus to their studies. C. D. Ervin is the driver.

Bank Deposits of Nation Increase Over December 30

WASHINGTON, May 17.—A \$1,000,000,000 increase in national bank deposits in the first two months of this year and a gain of \$2,000,000,000 since last June was shown today by reports in response to the March 5 bank call.

On March 5, national banks had total deposits of \$18,790,487,000, a gain of \$1,200,605,000 over the December 30 statement and \$2,016,372,000 over June 30, 1933.

Despite the rise in deposits the banks were shown to have continued their loan accounts despite urging by government officials they lend only to promote recovery.

JUNE ROBLES' STORY DOUBTED BY PHYSICIANS

TUCSON, Ariz., May 17.—One man was held incommunicado and two others were being questioned today in a general roundup of suspects in the kidnaping of six-year-old June Robles. Large crowds gathered threatening about the county jail where the questioning was in progress.

TUCSON, Ariz., May 17.—Further doubt was expressed by physicians today on the story of little June Robles that she was imprisoned for kidnapers for 19 days in a corrugated iron box, half buried in the hot desert, nine miles from here.

Authorities are inclined to believe that the six-year-old girl's story was woven from imagination. Authorities believed it was more likely she was imprisoned in the cave two days or so before she was found so that her abductors could escape.

The case was examined for fingerprints. They said their suspicions against two local suspects might be proved or disproved by the tests.

AUSTIN, May 17.—Texas ranger headquarters today waited word from an undesignated place in Texas of the reported arrest of a suspect in the June Robles kidnaping. Ranger Captain Hamer has been in communication with officers at Tucson. He said that he had not been notified of any arrests. He denied reports of a seizure in the lower Rio Grande valley.

Dr. and Mrs. Fowler moved to Sedalia about twenty years ago and had since made their home here, their residence always being at the South Monticello address.

She was a member of the Methodist church at Clarksburg.

Five children were born to Mrs. Fowler, one passing away in infancy. A son, Alonzo Fowler, passed away several years ago in Idaho, and three survive, John and William Fowler of Augusta, Kansas, and a daughter, Mrs. Morris Dunaway of St. Louis, and her husband. A brother, M. W. McMinn of Olden, Texas, also survives.

The body was taken to the Gillespie Funeral Home, where funeral services were conducted at 3:30 o'clock, the Rev. Dwight Willet, pastor of the First Baptist church, officiating.

GAS GATE RATE CASE SET FOR WEDNESDAY

AUSTIN, May 17.—District Judge Charles Wheeler today postponed until next Wednesday a hearing in the Lone Star Gas company rate case.

Law points will be argued then. The case will be set for trial on its merits on June 1, Judge Wheeler announced.

The trial is expected to take five to seven weeks. By it the utilities division of the state railroad commission seeks to force the Lone Star Gas company to reduce the gate rate at which it furnishes natural gas for distribution in 250 communities. A rate of 32 cents a thousand cubic feet is sought to replace a 40-cent rate.

Delay was caused by a late filing of a long reply by the state to an answer of the gas company. The company had contended its business is interstate and not subject to state control. The reply argues that its local business within the state is subject to state control.

Five Messages to Be Sent Congress By the President

WASHINGTON, May 17.—Five messages to congress, wiping up President Roosevelt's legislative program for the session, will be transmitted within a week, it was said today.

The communication will deal with munitions, war debt, silver, the coconut oil provision of the tax bill and social legislation.

It was explained that in sending these messages it would help congress expedite action and guide both houses toward adjournment.

SENIOR CLASS BANQUETED BY JUNIOR CLASS

A big, grassy plot between adjacent residences on Pershing street, was brilliantly illuminated Saturday night by means of a flood light, and with the setting of trees, from which fluttered gay paper ribbons, brilliantly decorated booths, a grand fishing pond, and chairs and settees, presented a Mardi Gras scene for the entertaining of the seniors by the juniors of Eastland Hi.

The program opened with the grand march with Billy Satterwhite leading the crowd around the block, to the beating of a drum.

Preceding this all registered and were issued tickets, lettered "Meal Ticket Class of '34, Eastland, Texas, compliments of class of '35," with allotted spaces to be punched as the holder filled out his entertainment program.

Welcome was extended by Mrs. J. Le Roy Arnold, general chairman for evening, who presided over the program as presentation of the high school Parent Teacher Association.

Welcome address by Rex Gray, junior president, to the seniors, brought a response from Marshall Coleman for the seniors.

"Greetings" were expressed by Bob Sikes, sophomore class, and Edith Rosenquist, freshmen class.

The entire crowd gathered into four groups, each putting on a stunt, the one imitating faculty members receiving the prize, all day suckers.

Gay balloons, flower decked tables, and decorations in the senior class colors of gold and purple, made a flashing note. A sandwich, cookie and pickle booth was hosted by Mmes. L. V. Brown and W. E. Chaney; the pop (Continued on page 5)

HIGHWAY WORK IN RANGER IS NOW UNDERWAY

Work on the cut-off on Highway 1 through the city of Ranger was begun this week after receipt of a work order from the state highway department, with preliminary work taking up most of the time of the contractors so far this week.

A sub-contract on the dirt work has been let by Morgan Construction company to Bucy and Childs. They are to start this dirt work Monday morning, it was stated today by employees of the highway department.

The first concrete is to be poured on the first culvert near the unersap south of town Saturday morning and the work on the bridges is expected to start within a few days.

The contract, which was let to Morgan Construction company of Dallas, is expected to take about 110 working days, which was the time specifier in the contract. There is very little clearing to be done, which will allow the contractors to begin actual construction right away, it was stated this morning.

Work Progresses On Permanent Athletic Field

Work has been progressing this week on the movement of the Eastland high school athletic field and equipment from the location near the high school building to what is known as the Welch field, just east of town on the Bankhead highway.

The local school authorities and athletic committee have been spending an average of \$300 to \$500 per year on repairs at the local football field, and at the end of the year have nothing better than when the work was done, it is stated. It has been impossible to establish a turf on the ground, and all together it has been a very unsatisfactory situation, those in charge say.

At a recent meeting of the school board they authorized the purchase of the piece of ground just east of town, and have made a trade whereby the receipts from athletic sources will pay the bill.

Mrs. A. F. Taylor and Miss Lorraine Taylor present their students in piano and expression recital, assisted by South Ward school glee club, 8 p. m., high school auditorium.

Sew Sew Club

The Sew Sew club recently organized, was charmingly entertained by Mrs. Leslie Spaulding in her suite at Conner apartments.

A fine radio program furnished the undertone for a delightful hour when fingers were busy with needlework, and a display of individual artistry was featured.

The hostess served a 5 o'clock tea plate to Meses. H. Basham, Ed Landry, L. Horn, Howard Harris, Claud Crossley, Lanier, Pulling-

ton, O. M. Hunt, Raymond Webb, and Gerald Crossley.

The club will meet May 31, hostess announced later.

Artistic Recital

Mrs. F. O. Hunter presented her students in a piano recital assisted by junior high school glee club, and West Ward school organization, Tuesday night in high school auditorium, before a large and appreciative audience.

The stage was handsomely set with baskets of flowers, and ends massed with ferns and floor baskets of roses, with piano banked in fragrant blooms.

The order of the program was introduced by Miss Edith Meek, and opened with a double number by the junior high school choir club, sung with pantomime and directed by Miss Wilma Beard, with Mrs. F. O. Hunter at piano.

The instrumental numbers opened with a piano solo by Vanetta Van Geem, a six-year-old miss, who played charmingly, "Lullaby," by Williams.

Through the succeeding numbers the solos, by students of longer

study, climaxed gradually, presenting Betsy Lou Timms, Marilyn Lerner, Louise Jones, John Kley, Homer Meek, Julia Parker, Nina Mae Seale, Edith Meek, Anna Jo Tabelman, Kathryn White, Miss Ruth Meek, and Miss Mary Frances Hunter.

Each number was perfectly given and received hearty applause.

The harmonica band of West Ward school played "Bells of St. Mary's," with refrain sung between the verses, and "Drink to Me Only With Thine Eyes," with Miss Lavelle Hendrick directing, and Mrs. A. E. Herring at piano.

The glee club of West Ward school in a double number presented "Awake, Arise and Greet the Morning," and the delicate and whimsical, "Fairy Tale," with Mrs. Hunter as accompanist, and Miss Hendrick directing.

The program throughout was snappy, and attracted attention on account of its musical values.

In the early part of the program the junior high school glee club, presented a lovely bonbon dish to Mrs. Hunter, in recognition of her faithful work, and a handsome set of toiletry to Miss Wilma Beard in appreciation of her valued services.

Recital Friday Night

Mrs. A. F. Taylor and Miss Lorraine Taylor will present their summer studio recital tomorrow evening at 7:30 o'clock in high school auditorium.

Students in piano and expression will give a varied program assisted by the South Ward school glee club.

A novelty dance number will be included on the program.

The public is cordially invited.

Music Club Program Friday

The Music Study club will hold their last meeting of this season in the community clubhouse Friday afternoon at 3 o'clock with Mrs. Grady Pipkin as club hostess and leader of program.

A musical satire by Mrs. H. O. Satterwhite will be featured and assembly singing will bring the club's musical touch.

Mrs. E. C. Satterwhite, president of club announces a social hour will follow the formal installation of officers, and that every member of the club is urgently asked to attend.

Boys and Girls World Club

The Children's circle and Boys and Girls World club of Methodist church who are following a series of good-will programs under direction of their leader, Mrs. J. U. Johnson, are doing some fine work and on Sunday, Mother's Day, met in the church at 4 o'clock in the afternoon and presented a beautiful Mother's Day program, and later, arranged baskets of flowers and small cakes, which they carried to several mothers.

The occupation was delightful one for the children, who thoroughly enjoyed their trips to the various homes, under direction of Mrs. Johnson and Mrs. Fredregill.

The club and the circle have been invited by Mrs. Johnson to come to her home tomorrow at 1:30 p. m., and hear a 45-minute program on "World Good-Will," broadcast over the N. B. C. network.

Gordon Wayne Cooper Has Birthday Party

Mrs. Thornton Cooper, 710 South Bassett street, entertained in honor of her son, on Tuesday afternoon in celebration of his sixth birthday.

Games out of doors were enjoyed and the small friends served their refreshment on the lawn, arranged with small chairs for their comfort.

The three-tiered white iced birthday cake, surrounded by pink animal cookies and topped with six burning pink tapers was served with ice cream with strawberry topping, and candies at close of a merry afternoon.

The pink and white motif was carried out in the arrangements, and lovely decoration of roses within doors.

The children were given jacks as souvenirs.

Personnel, Gene McDonald, Dicky Lawrence, D. L. Kinnaird Jr., Jackie McDonald, Billy Allen Kenny, Dicky Brogdon, Glenn Wood, Edward Gann, Charles Francis Ellis, Leon Gann, and honor guest, Gordon Wayne Cooper. Mrs. Cooper was assisted by her sister, Mrs. W. S. Poe.

Miss Doris Johnson Honored

A lovely pre-nuptial shower was tendered Miss Doris Johnson by Miss Lorraine Taylor and co-hostess Miss Mary Pearl Judkins, at the Taylor home on Tuesday night.

Color motif of pink, orchid and

yellow was carried out in the appointments for the three card tables, with bridal effects obtaining.

Pink roses, purple larkspur and California poppies, further developed the color scheme.

High score in games, silver hot plate mats, were awarded Mrs. L. Y. Morris, and second high, a hobnail bonbon tray, went to Miss Wilma Beard, the winners graciously presenting them to the bride-to-be.

A dainty salad course was served with chicken salad sandwiches, potato flakes, olives, iced tea, and pink frosted cake.

A pretty reading was given by little Lynda Hassell, who finished by presenting a large, pink silk covered box, topped with a rose spray, piled with the gifts of the guests and presented the honoree.

Personnel, Misses Ima Payne, Mary McCarty, Lucille Brogdon, Lavelle Hendrick, Maurine Davenport, Wilma Beard, Verna Johnson, Miss Mona Pritchard of Abilene; honor guest, Miss Doris Johnson; Meses. Hassell, L. Y. Morris, Roy Birmingham, and Misses Mary Pearl Judkins and Lorraine Taylor.

Church of Christ Bible Class

The Church of Christ Bible class continued their study of the subject, "Justification by Faith," under direction of the class teacher, Mrs. Loretta Herring, completing the series of these lessons at their Monday session. Hymn, led by Mrs. J. R. Boggus, and prayer by Mrs. C. F. Fehl, prefaced the study.

A box of cakes was packed and sent to the Boles Orphans' home. The session was dismissed by prayer by Mrs. W. E. Moore, Present, Meses. Ira L. Hannah, Otho Barton, C. F. Fehl, J. R. Boggus, Guy Sherrill, Loretta Herring, W. E. Moore, O. M. Hunt, J. R. Crossley, J. W. Walsh, B. E. Roberson, and Miss Opal Jones.

Church of God Auxiliary Meets

The Ladies Auxiliary of the Church of God met in the home of Mrs. D. K. Williamson last Tuesday. The afternoon was spent piecing on a quilt top.

Devotional services were in charge of Miss Beatrice Daniel, who gave eight reasons for believing that the Bible is the Word of God. Prayer was led by Mrs. Tate of Olden.

There will be only one meeting before the business meeting when officers will be elected and we continue to urge all who can possibly come to be present at these meetings.

The ladies will meet with Mrs. E. W. Barnett, also of University Heights, next Tuesday afternoon.

Church of God To Have Debate

The local Church of God young people announce a debate between their group and Cisco group next Sunday evening at 7 o'clock.

The subject will be: Resolved, That Books Are More Profitable Than Friends. Eastland debaters have the affirmative side while Cisco will debate the negative. The public is invited to all Church of God services.

Methodist Church Missionary Society

The Women's Missionary society of the First Methodist church enjoyed an interesting program Monday afternoon at the meeting held at the home of Mrs. Frank Crowell, with Mrs. P. L. Crossley as co-hostess.

Mrs. Wayne Jones, president, opened the meeting with the assembly hymn, "Must Jesus Bear the Cross Alone," and Lord's Prayer in unison. Announcement was made of the Boys and Girls World club and Children's circle asked to meet at home of director, Mrs. J. U. Johnson, Friday of this week, 2:30 p. m., to hear the "Good-Will" program to be put on by national network broadcast.

The Cisco district meeting in Breckenridge June 6 was also announced and members asked to at-

tend. Bulletin board was presented by Mrs. Joe C. Stephen, and devotional on theme, "More Blessed to Give Than to Receive," by Mrs. T. M. Johnson. Hymn, ensemble, followed.

The program subject, "Health in the Orient," was presented by Mrs. Wayne Jones in preface to discussion of "Ignorance and Superstition Chief Barriers of Physical Development," concluded with current events in oriental countries in round-table.

The hostesses served hot fruited punch and wafers to Meses. John Burke, Virge Foster, C. L. Fields, J. V. Freeman, M. Newman, W. L. Van Geem, W. E. Coleman, J. Frank Sparks, George Brogdon, R. E. Our New Deal

Began 16 Years Ago!

TODAY America is looking at the past with a grin... and ahead with hope. Sixteen years ago the founder of the Piggly Wiggly system looked at the retail food business and was ashamed at the way merchants had played "follow the leader"...

It didn't stop then — it's going ahead faster than ever today. Since 1918 Piggly Wiggly stores all over the world have been, literally and continually, "The Store of the Future Serving the People of Today!"

The first Piggly Wiggly stores would look funny today — yet basically they haven't changed... they have simply continued to improve along the radically different lines begun back in 1918.

Booster Bible Class Program Subject, 'Mother'

The Booster Bible class of the Methodist church had their usual meeting and held a program entitled "Mother."

Miss Jessie Lee Ligon, first vice president, presided. Hymn, "Wonderful Words of Life," led by Mrs. C. W. Price, had Mrs. W. W. Kelly as pianist.

The presiding officer called attention to the beautiful pictures, one a Madonna and the other Whistler's "Mother," the gift to

the class that morning by their teacher, W. P. Leslie, who opened the program with prayer.

Reading, "Motherhood," Doris Lawrence.

Violin and piano duet, Gloria and Ruth Reed.

Reading, "My Mother," Woods Butler.

The lesson by Judgt Leslie was given entirely to a wonderful tribute to motherhood. Class benediction closed the session.

"SPITFIRE" REVEALS KATHERINE HEPBURN IN SPIRITUAL ROLE

Katherine Hepburn's latest picture, "Spitfire," which comes to the Lyric theatre Monday, presents the star in a role that is said to be unique in the annals of the screen. "Spitfire" is an adaptation of Lulu Vollmer's celebrated stage play, "Trigger," and in it Miss Hepburn enacts the role of a half-savage poor white who lives in a cabin in the Carolina mountains. Her character is one of most amazing contradictions; a praying zealot by practice, she is an unmerciful wildcat by nature, and although fighting against romance, she falls an easy prey to her first lover.

The story is said to have strong emotional and dramatic situations. Her prayers for the sick having been followed by cures, she is suspected of being a witch by the ignorant and highly superstitious hill folk. Then, after a disillusioning love affair with a much-married young engineer who works on a nearby dam construction project, she falls to heal a dying baby because of the mingled hatred and longing in her heart for the married man she knows she cannot have. Another and nobler man then obtains a belated hearing from her for an offer of marriage.

The character is of course elemental and primitive, and Miss

Hepburn's interpretation of it does not gloss over any emotions, according to those who have seen the picture. Like a young animal, this young girl, Trigger Hicks, expresses whatever may be in her heart, whether it be hatred, rage, faith, childlike love or the elemental passion of a woman for a man. The explosive, fighting, loving, headstrong, independent, hoydenish girl of the mountain ex-

pression is said to be more typical of the traditional Hepburn flair than almost any part that could have been selected for her.

The large supporting cast in "Spitfire" includes Ralph Bellamy, Robert Young, Martha Sleeper, Louis Mason, Sara Haden, John Beck, and others, and the production was directed by John Cromwell.

SARASOTA, Fla.—Styles Scott just as a pelican swooped down of Venetia hooked a two-pound and swallowed the fish, so he kept trout from a boat near here on reeling in and landed both the fish and the pelican for a "fish" story without equal in the parts.

WHY do you suppose Chevrolet keeps repeating, in all of its advertising, "Drive it only 5 miles"? Here's the reason: Chevrolet engineers have tried out all the various makes of cars in today's low-price field. And they have proved to their complete satisfaction, the same things that hundreds of thousands of Chevrolet owners are proving in their daily driving: How much more smoothly a car travels with genuine, fully-enclosed Knee-Action. How much more comfortably it handles, with shock-proof steering. How much more restfully you ride, in a Fisher Body car. How

much more safely you drive, with cable-controlled brakes. And how much finer performance and better economy are secured from an overhead-valve Six! In other words, Chevrolet engineers know for sure that the Chevrolet ride simply can't be matched by any other in the low-price field. They know it—thousands of owners know it—and now we want you to know it too, before you make your final choice of a low-priced car. CHEVROLET MOTOR COMPANY, DETROIT, MICH. Conference Golf Tournament Held

Jack Mooney of Ranger was medalist and North Texas Agricultural college of Arlington won the match play for teams in the annual Central Texas Conference golf tournament held in Ranger Friday and Saturday. North Texas Agricultural College won by a team score of 309, which is one of the best scores turned in by a college team in match play in this state.

In the individual play, in which the eight high men played for honors, Neal Dantser of Tarleton won over Willoughby of North Texas Agricultural College by a score of 4-3.

In this tourney Willoughby defeated Mooney in the semi-finals, 3-1, while Dantser defeated Elders of N. T. A. C., 1-up in 19 holes. The eight high score men who participated were Mooney of Ranger, Delk of N. T. A. C., Eldridge of John Heatsill, Masters of N. T. A. C., Willoughby of N. T. A. C., Heatsill of Weatherford, Yarbrough of Weatherford and Dantser of John Tarleton.

JAIL HAS NO TENANTS

Oulits committee, Mrs. W. E. Stalter, chairman; Mmes. Frank Lovett, Ora B. Jones, N. N. Rosenquest and Lola Mitchell.

Civic league window display, Mrs. C. W. Price, chairman; Mmes. E. C. Satterwhite, Ben E. Hamner and W. H. Mullings.

Mrs. W. K. Jackson, president of the league, will hostess and receive at the door of one building, with Mrs. W. A. Martin, general chairman of flower show, and Mrs. B. E. McGlamery, second vice president, will hostess and receive at the door of the adjacent flower show building.

Delightful music will be arranged by George Harper in compliment to the league and its work. Merchants have responded more than generously to the invitation, to display their wares, and the flower show buildings will be lined with booths of these handsome exhibitions.

A reception will be held through the hours Friday evening, which the high school graduates and their audience of Friday night are cordially invited to attend, as well

as the general public. On Saturday night the two days exhibition will climax in a distinctive and unique Civic league style show, put on by Mrs. Dave Wolf, at the fashion. Space will be arranged for an attendance of 150 to 200 guests.

Living models will appear in latest creations. The flower shows are free to the public. A cordial invitation is extended Eastland and adjacent cities to attend.

All those having flowers are earnestly requested by the chairmen to send or bring them to the buildings on Friday morning at hour designated. There are countless homes that are enjoying their roses; just bouquets in the flower show, attach your card to the entry and let others see the roses Eastland can claim as her own.

Mrs. W. E. Coleman, incoming P. T. A. president, dispensed punch from a prettily arranged table, and the intriguing fishing pond was supervised by Mrs. L. J. Lambert, retiring P. T. A. president.

A regular honest-to-goodness pole and line was used to fish for candies. Souvenirs were secured from Mrs. Dan Childress, by having to throw three balls in tubs, successful contestants receiving either a beach hat or a fan or some other clever oddity.

A big box of candy became the lucky possession of Miss Hazel Haynes.

Together the evening was one of the cleverest and most enjoyable of the many charming affairs of graduation year, fostered by the Parent Teacher Association of Eastland high school.

Cotton Included In Exchange Bill

WASHINGTON, May 14.—The house agriculture committee today voted to include cotton markets in the commodities exchange control bill.

As it was reported originally by the committee, the bill proposed to regulate commodities exchange markets by limiting short selling and speculation and by licensing commission merchants' dealings in commodities. The action today was to designate cotton as a commodity.

Chairman Marvin Jones of Texas, of the committee, said he would introduce a new bill immediately extending provisions to cotton.

Sale of Liquor to Women Is Deplored

EL PASO.—Sale of liquor to women and children is the worse result of repeal, says Ida B. Wise Smith, W. C. T. U. national president.

"It's damnable—and that's not a curse word, it's an adjective," she said here during a conference. Mrs. Smith predicted the return of prohibition.

She has figured the effect of 3.2 beer on an automobile driver to a split second. "Two drinks of 3.2 slow a driver's muscular reactions one-fifth of a second. That fraction often is the difference between a wreck and an avoided accident," she said.

2nd Installment City Taxes Is Due On 31st of May

The second installment of Eastland city taxes becomes delinquent May 31, according to announcement made by city officials. After this date penalty and interest will be added.

City officials urge those who are in position to pay these taxes to do so before May 31 and save the interest and penalty, which cannot be remitted once it is added.

Lumber Output Steadily Growing

AUSTIN, Tex.—The Southern Pine Association reported 217,057 board feet as the average weekly production of lumber per unit during April, which was nearly 1 per cent above that of March and 19 per cent greater than April, 1933, according to the University of Texas Bureau of Business Research.

Average weekly shipments per unit totaling 201,236 board feet represented a decline of 1 per cent from March and 11 per cent from April last year, the Bureau's report said. Unfilled orders per unit averaged 779,984 board feet on April 30, practically the same as on March 31 but 31 per cent above that at the close of April a year ago.

Billious Attacks

Billious attacks due to constipation, thousands of men and women suffer from this distressing condition. Theford's Black-Draught is purely vegetable and gives prompt, refreshing relief. "I have used Black-Draught," writes T. L. Austin, of McAdenville, N. C. "There is a package of it on my mantel now. I take it for billiousness. If I did not take it, the pain and headache would put me out of business. It is the quickest medicine I have ever used that I know."

Thirteen Rural Schools Receive Aid from F.E.R.

Grants to 13 Eastland county rural schools have recently been assured by the Federal Relief Administration office at Austin for the continuance of the school terms to that of 1930 and 1931 length. The grants range from \$85 to \$1,132 and the aggregate sum is \$8,915.

Schools which will receive the grants are: Yellow Mound, Union, Flatwood, Morton Valley, Alameda, Shady Grove, Elm, Crocker, Grandview, Okra, Bullock, Pleasant Hill and George Hill. Although Dothan and Colony grants have been approved by the relief office, the sums and time the grants will be made has as yet not been designated.

CLARK GABLE AND MYRNA LOY CO-STAR IN "MEN IN WHITE," HERE THIS WEEK

Clark Gable and Myrna Loy head the cast of "Men in White," new M-G-M production which comes Sunday to the Lyric theatre. This marks the first time these two popular players have ever been cast opposite each other.

"Men in White" is based on this season's famous New York stage play of the same name by Sidney Kingsley. It is a story told in

vivid strokes of life in a great modern hospital. Medical men—men in white—are its heroes and its villains. The nobility of a superior profession is extolled in high drama.

Clark Gable, as Dr. Ferguson, a young interne. Otto Kruger is prominently cast as Dr. Lezine, thwarted, disillusioned medic. The part affords the gifted Kruger an opportunity to bring a vivid characterization to screen audiences.

C. Henry Gordon plays the "heavy" role of the doctor who comes to grips with Gable over the sick bed of a child patient. Although he is the senior doctor, Gable persists in his diagnosis of the case and saves the child's life as a result.

Henry B. Walthall portrays the role of the hospital's senior surgeon.

DESDEMONA

Mrs. John Whitton, who makes her home with her daughter, Mrs. C. W. Maltby, celebrated her 81st birthday on Friday, May 11. Although Mrs. Whitton has been an invalid for some time she keeps her bright, cheerful spirit and is loved by all who know her. During the day quite a number of friends called, each bringing a gift to show their love for this dear lady. May she live to see many returns of her birthday is the wish of her many friends.

The Future of the Kingdom

Text: Matt. 24:1 to 25:30.

The International Uniform Sunday School Lesson for May 29.

BY WM. E. GILROY, D. D., Editor of Advance

AMONG the effective illustrations of the kingdom of heaven none was more vivid or striking than that of the 10 virgins with the 10 lamps, going forth to meet the bridegroom.

The lamps were of no use without oil and it might have been supposed that oil would be the first consideration, but let any reader who has ever been stalled on the highway with an auto out of gas cast a stone at the foolish virgins.

The virgins were fair types of ordinary people and it was not remarkable that one-half of them were so slack as to go forth with their lamps without oil. So it was that, as the bridegroom was late, they had fallen asleep.

When they were aroused to meet him, the five wise virgins lighted their lamps and went forth, but the foolish virgins were put to shame, for their lamps had gone out and there was no time for them to go and buy more oil, though they went to seek it. The bridegroom came while they were gone, and the door was shut.

Of course, the story is constructed to point the moral that Jesus intended; namely, that people are just as foolish concerning the greater things of life as they are about the lesser things.

an operation Monday at the Blackwell Sanitarium at Gorman for the removal of an obstruction in his nose. He was accompanied to Gorman by his mother, Mrs. S. T. Stover, his sister, Mrs. Dewey Jones, and Rev. Z. C. Chambliss. He stood the operation well.

Mrs. I. N. Williams drove down to De Leon on business Monday.

Mrs. J. E. Derrick, her daughter and son-in-law, Mr. and Mrs. Style McEntire and their baby, drove up to Eastland on business Monday.

Mr. and Mrs. Tom Nabers had as their guests Sunday their daughter, Mrs. Guy Patterson and children of Eastland, and their daughter and son-in-law, Mr. and Mrs. Harry Gallagher of Albany.

and the foolish are shut out just as relentlessly from the high sources of grace and truth, if they neglect their opportunity, as were these foolish virgins.

The teaching of this lesson is worth considering in a rather slack age. We do not today make quite so much of either heaven or hell as did a former generation. We go on for the most part without that terrible sense of destiny that has affected people so deeply in the past, but the solemn truths of Scripture are just as solemn as they ever were.

We see men and women make rack and ruin of life, not always through sinfulness, but often through foolishness. It is not downright evil that alone defeats a man's life, but his lesser sins and shortcomings as well.

"I HAVE played the fool," was King Saul's candid confession when he had made a mess of his life. That was a life of tragedy, stark and terrible, ending with suicide on a battlefield of defeat the career of a man, splendid in physique and endowment, who had been called to high responsibility under the most favorable circumstance.

Tragedy begun in folly—that was Saul's history. And tragedy may enter our lives through folly.

Be watchful, be well prepared and provided; leave nothing to chance, but bring all of life under the dominance of its highest opportunity and destiny—that is the lesson of the Parable of the Wise and Foolish Virgins.

Little Bobbie Jean Lane, daughter of Mr. and Mrs. Horace Lane, visited her grandmother, Mrs. J. E. Kiker, at Eastland, from Friday until Sunday afternoon.

Mr. and Mrs. Worth Smith and children of Ellaville came down and spent Sunday with Mr. and Mrs. Roy Rushing. Other guests of the Rushings were Mrs. John Williams, mother of Mrs. Rushing and Mrs. Smith, who came in from her home near Salem, and Mrs. Fannie McMillan of Oklahoma City, who is visiting her sister, Mrs. Williams.

Clay Emde and his mother, Mrs. Mollie Emde of Kilgore, were here a few days last week visiting friends and looking after their property. Mrs. Emde still owns

her home here and her many friends hope she and her son will some time return here to live.

Ed Hanson and family and a number of friends went to Eastland Monday to attend court as witnesses in the suit for damages against the gas company on account of the serious burns sustained by John Hanson when gas from a leaky pipe exploded. The case was postponed to Thursday.

Rev. and Mrs. Z. C. Chambliss returned Saturday from Best, where Rev. Chambliss had conducted a two weeks revival at the Baptist church. He reported a very successful meeting in which there were about 50 conversions, most of whom joined the church. Rev. J. C. Aly of Fort Worth, who led the singing in a revival here a short while ago, also led the singing at Best.

Rev. Z. L. Howell and wife and daughter, Miss Lois Howell, left Monday for Ennis to visit the son of Rev. Howell, who is mayor of Ennis.

Glenn Maltby left several days ago for Kilgore to accept a job in the oil refinery in which his brother, Jay Maltby, has been working for several months.

Mrs. J. E. Derrick left Tuesday for Kilgore to visit her daughter, Mrs. Donald Howell, who has been quite ill the past two weeks. Mrs. Derrick was accompanied by her other daughter, Mrs. Style McEntire and baby, James Edward.

Mrs. May Harrison of Eastland was here Wednesday in the interest of her campaign for re-election to the office of county treasurer.

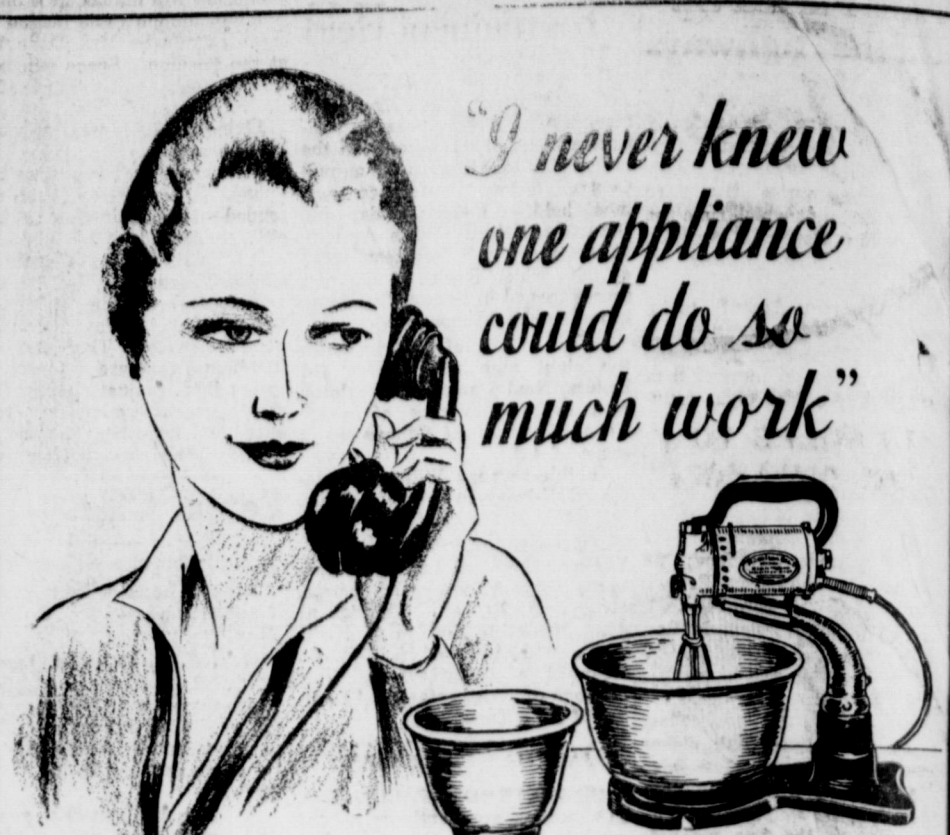

Our whole town was shocked and grieved to hear of the death of Billie McGowan, who was killed by accidently falling from a window on the third floor of the dormitory of the school he was attending at Austin. Billie was the only son of Mr. and Mrs. W. R. McGowan, who lived here the past two years, moving to Eastland just a short time ago. Besides his parents Billie is survived by one sister, Mrs. Gene Ashley of Eastland. The terrible tragedy occurred Thursday evening and the body was laid to rest at Temple on Friday. During the summers that Billie spent here he made many friends who regret his untimely death. He was 19 years old and had attended school in Austin several years. Sincere sympathy is extended to the sorrowing parents and sister.

The Baccalaureate sermon for

the 1934 class of Desdemona High School was preached Sunday at the high school auditorium by Rev. Z. C. Chambliss, pastor of

the First Baptist church, who gave a very appropriate and inspiring message to the class.

Mr. and Mrs. R. D. Hendon and baby son of Port Arthur came Monday to visit their parents, Mr. and Mrs. G. S. Bruce

VISITED 16,000 HOMES QUINCY, Mass.—The Men's

Bible class of Quincy has visited 16,000 homes here and distributed gratis 1,765 Bibles in order to have a Bible in "every home in Quincy."

'COON DOG ADOPTS PIGS GOFF, Kans.—Two orphaned pigs have been adopted by a 'coon dog whose pups were drowned near here. The strange family is said to be happy and the pigs have thrived for a month under the dog's care.

Mother Day Is Observed By the 9:49 Bible Class

The Men's 9:49 Bible class observed Mothers Day in a fine program, which included the entertaining of the Martha Dorcas and Susan Steele Bible classes of the Methodist church.

A gathering that packed the capacity of the immense room included, besides the visiting classes, many out-of-town mothers with their sons, and a big group of Eastland visitors.

The program was opened by President D. J. Jobe, who introduced all the mothers present.

The song assembly service, mas led by A. E. Herring, with Mrs. T. J. Haley at piano.

Judge J. E. Hickman offered prayer, and E. R. Trimble read a Mothers Day poem, closing with a voice solo, "An Old Fashioned Mother."

A marvelous talk on "Challenge of Motherhood," was presented by Mrs. E. R. Sanford.

Judge Hickman followed with his lecture, a magnificent tribute to motherhood.

New Line of Buicks Is Now On Display

FLINT, Mich., May 14.—A new line of Buick motor cars, priced in the low medium bracket, will be introduced Saturday in Buick dealers' showrooms throughout the United States and Canada.

The new cars, of traditional Buick design and construction, invade a price field hitherto untouched by Buick and open up for this veteran unit of General Motors a new and extensive market. Production in volume already is under way at the company's plants and adequate stocks of the cars are now in the hands of dealers. The new line will be designated the Series 40 Buick.

The price range will be from \$795 for the standard business coupe to \$925 for the five-passenger, four-door club sedan. These are the lowest prices ever placed on Buick motor cars.

On a 117-inch wheelbase chassis, the new line includes five body types at the following f. o. b. prices: Five-passenger, four-door club sedan with built-in trunk, \$925; two-passenger business coupe, \$795; four-passenger sport coupe, \$855; five-passenger four-door sedan, \$895; five passenger touring sedan, \$865.

Brilliant performance and economy are outstanding features. Powered with a Buick straight eight, valve-in-head engine developing 93 horsepower, the new cars are capable of speeds up to 85 miles an hour and will accelerate from 10 to 60 miles an hour in 21 seconds. Fuel economy is 15 miles per gallon of gasoline at a cruising speed of 55 miles an hour.

SHERIFF'S TEXAS THE STATE OF TEXAS County of Eastland

By virtue of a certain order of sale issued out of the Honorable 91st District Court of Eastland County, on the 14th day of April, 1934, by P. L. Crossley, clerk of said court, upon a judgment in favor of E. C. Brand, Banking Commissioner of Texas, for the sum of Twenty-eight Hundred Twenty-six & 89/100 (\$2826.89) Dollars and cost of suit, in cause No. 15,899 in said Court, styled E. C. Brand, Banking Commissioner of Texas, versus Harrell Rig Company and placed in my hands for service, I, Virge Foster as sheriff of Eastland County, Texas, did on the 7th day of May, 1934, levy on certain real estate situated in Eastland County, described as follows, to-wit:

Being lots 1, 3 and 5 of Block 13 of Daugherty Addition to the town of Eastland, Texas, and levied upon as the property of said Harrell Rig Company and on Tuesday, the 5th day of June, 1934, at the courthouse door of Eastland County, in the City of Eastland, Texas, between the hours of 10 a. m. and 4 p. m., I will sell said real estate at public vendue, for cash, to the highest bidder, as the property of said Harrell Rig Company by virtue of said levy and said order of sale.

And in compliance with law, I give this notice by publication, in the English language, once a week for three consecutive weeks immediately preceding said day of sale in the Weekly Chronicle, a newspaper published in Eastland County.

Witness my hand, this 7th day of May, A. D., 1934. VIRGE FOSTER, Sheriff, Eastland County, Texas. By D. J. JOBE, Deputy. May 11-18-25

ISTANBUL.—A proposal to link Europe and Asia by means of a tunnel under the Bosphorus has been made by foreign town-planners employed by the municipality of Istanbul. The tunnel would run from Arnautkemy on the European side to Vanikemy on the Asiatic shore.

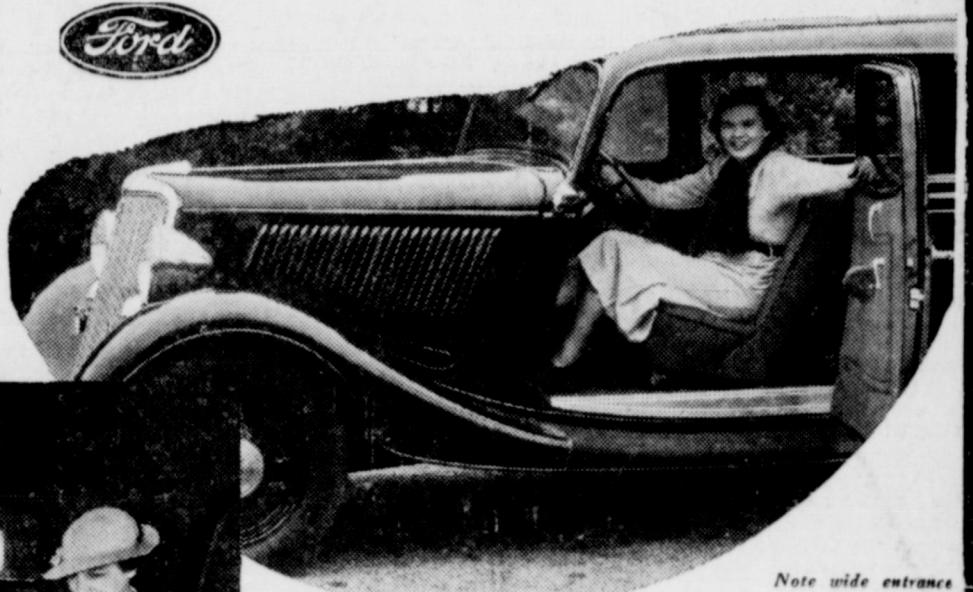

Instead of obligating themselves to paying war pensions for many years, why don't the countries of the world plan a war that would kill all their men outright and make things easier for the following war?

5 Six-Footers... and not a cramp in a Carload!

FIVE big men can relax in utter comfort on the deep cushions of the Ford V-8. Wide seats keep elbows out of ribs. Ample leg room keeps legs from being cramped.

Why? Because Ford measures roominess in terms of usable body room. Not in terms of the distance between bumpers, which means nothing when you come to analyze it.

The Ford V-8's very engine construction gives you more body room, as the diagram explains. Cylinders are "doubled-up" saving space, not strung along in a line to waste it.

The Ford V-8 front seat is adjustable. It quickly and easily adapts itself to a six-foot-two husband or a five-foot-two wife. It ends forever that source of strife.

Eastland Youth Killed In Fall At Deaf School

AUSTIN, May 11.—The body of William McGowan, 19, student at the State School for the Deaf here, will be taken to Temple today for burial.

McGowan was killed yesterday in a fall from a three-story window. The youth's parents, Mr. and Mrs. W. R. McGowan of Eastland, were en route to Temple to attend their son's funeral.

European nations are reducing their pensions to World War veterans so they'll have enough money for pensions to the next war's veterans.

More Bread Bonds To Be Issued Before June 1st

AUSTIN, May 15.—Issuance of the remaining \$3,750,000 state bread bonds by June 1 and a special September session of the Texas legislature to authorize more bonds were considered likely today.

Requests for sale of the remaining bonds was made by the state relief commission.

Gov. Miriam A. Ferguson took a lead in the relief commission session. She said she would not hesitate to call the legislature to authorize more bonds to prevent hunger.

"Let's use the available money, if needed," she urged. "When it is gone I can call the legislature."

PRESIDENT SIGNS BILL

WASHINGTON, May 15.—President Roosevelt today signed the Johnson bill which prohibits public utilities from appealing decisions of state commissions or boards to the federal district court.

INFANT DROWNS IN FISH POUND; BURIAL MONDAY

Funeral services were conducted from the family residence, Route 3, Gorman, Monday afternoon for Burnis Dale Elrod, 14-month-old son of Mr. and Mrs. D. O. Elrod of Alameda, who drowned Sunday morning. The services were conducted by Rev. K. C. Edmonds of Ranger with burial at the Howard cemetery.

The infant was playing in the yard of his grandfather, R. R. Browning of Alameda Sunday morning at 11:30 when the tragedy occurred. While playing in the yard he fell into a fish pond, where he drowned before help could reach him.

He was born in the Alameda-Cheaney community Feb. 20, 1933, and was but one year, two months and 13 days old at the time of the accident. The entire community was saddened Sunday when word

of the accident spread as the family has been well known and respected in that community for a number of years and the child, though young, was well known throughout the section of the county.

ST. FRANCIS XAVIER CHURCH

Sunday will be Pentecost, or Whit-Sunday. The epistle is from the Acas of the Apostles, 2:1-2; the Gospel is from St. John 14: 23-31. Sunday will be the anniversary of the coming of the Holy Ghost, the Third Person of the Trinity, on the Apostles to give them knowledge, strength and courage to preach the new religion—Christianity; so that St. Peter converted and baptized 3,000 on that day. It was on that day that the Church was formally opened. Mass will be at 8 a. m., by Rev. J. Fernandez.

Cotton Week Being Observed Over the Whole of America

National Cotton Week, which began on Monday, May 14 and will continue through Saturday, May 19, is being observed throughout the nation, and particularly in the south, where cotton reigns as king of agricultural crops.

The leading stores of the nation are featuring cotton goods and during the week the citizens of America are given an opportunity to boost cotton, the leading payroll of the Dixie states.

Many stores, too, throughout the nation, are offering special cotton week bargains, thereby offering the public the benefit of many bargains in cotton goods of all kinds.

The week is creating considerable interest and it is expected that in the future it will grow in importance until it takes on the aspect of an annual celebration in commemoration of one of the greatest of agricultural products of the United States.
