AGENTS KILL OUTLAW AND HIS MOTHER

OKLAHAWA, Fla., Jan. 16.—Federal agents and county officers today killed Fred Barker, notorious outlaw, and his elderly mother in a long-drawn machine gun battle at a farmhouse here. There were no other casualties.

Barker was suspected of complicity in the kidnaping of Edward G. Bremer, wealthy St. Paul banker. Ten department of justice agents raided the house about 6:45 a. m.

"We are department of justice men. Come on out," one of the officers shouted.

Shooting started from the house. The officers returned the fire from behind cover. Machine guns were used on both sides.

The shooting died down only to flare up intermittently. After an hour's quiet shortly after noon, the federal agents began closing in on the house and filled it with tear gas.

When the officers crashed in they found Barker and his mother dead. Department of justice men said Mrs. Barker had a machine gun clutched in her hands.

Eastland County Is Urged to Support Brazos River Plan

George Barber, secretary of the Mineral Wells Chamber of Commerce was a visitor in Eastland county today, meeting with business men and members of the chambers of commerce in Eastland, Ranger and Cisco, during their support on the Brazos River project.

At the meetings Mr. Barber outlined, briefly, the advantages to be derived from the \$50,000,000 project, if the money can be secured from the federal government, and those who attended the meetings voted to have the chambers of commerce in each town support the movement to have business men write to Congressmen and Senators.

Connally urging their support if the bill is brought before the present session of congress. He outlined steps to be taken by each county under three plans. These were the appointment of a committee to supervise the project; letters by organizations and individuals to Senator Tom Connally and to their representatives—in this case Congressman Thomas L. Blanton; and individual letters to representatives of other states whom the writers may know, or to business concerns with whom they may have influence.

To that was added the idea that the letters might be followed up with petitions signed by those who probably would not take the time to write the letters.

Mr. Barber outlined the project as one directly in line with the policy of President Roosevelt, and one which would be presented for adoption as a self liquidating plan. He pointed to it as a power producing undertaking but not a power distributing enterprise.

It is a vast PWA plan with the idea of giving employment and power to the Brazos river watershed. To be properly presented to those in charge he said each county should organize around a key city, developing the vast production area and tentative locations made for dams subject to the approval of the engineers.

While 12 major dam sites are being pointed to, he said those were tentative and might be changed after an engineering survey.

Counties wanting minor dams should make applications to the state engineering department, which would first pass upon the feasibility of the proposal and then make a survey to determine its practicability.

'Road Ripper' Will Be Paid For In Two Payments of \$372

Filing of a commissioner's court order Wednesday for script warrants in the sum of \$650 for a "road ripper" was made in a county clerk's office.

Script warrants for \$345 were to be made to fall due to a Dallas machinery company on April 15, 1935 and 1936. The 1935 April payment will amount to \$272.32, as interest will have accumulated at the rate of six per cent since Dec. 20, 1934. The money will come from the county and bridge fund.

Seventeen Indicted For Harboring Of Baby Face Nelson

SAN FRANCISCO, Jan. 16.—Because a woman talked, 17 persons were under indictment today, charged with conspiracy in aiding George (Baby Face) Nelson to conceal himself from federal authorities for several months.

The indictments were returned by a federal grand jury in San Francisco after statements allegedly had been made by Mrs. Helen Gillis, widow of the slain gangster and on evidence produced by a mysterious "woman in black" seen emerging from the jury room. Eight of those named already have been arrested.

Control of Cotton Surpluses Sought

WASHINGTON, Jan. 16.—President Roosevelt and administration experts are exploring the possibility of international action to control world cotton surpluses, it was learned at the White House today.

While discussions have not reached the point where overtures have been made to foreign governments, administration experts were described as nearing agreement on proposals.

QUOTA IS SET UPON COTTON CROP OF 1935

WASHINGTON, Jan. 17.—Secretary of Agriculture Henry A. Wallace, today set a Bankhead tax-free cotton production limit for 1935 of 10,500,000 bales of 500 pounds each.

The allotment is virtually the same as that for the 1934 crop. The increase in the 1935 quota over that of 1934 is 523,000 bales of 458 pounds.

In addition to the tax-exemption certificates for the 1935 quota, certificates for about 700,000 bales remained from 1935 allotments.

"It is probable that all of the certificates carried over from the 1935 season will be used in 1935," the announcement said.

Recovery of Pet Brings Accident To Eastland Tot

While trying to bring her dog from the street, little Ray Fullington, 5½-year-old daughter of Mr. and Mrs. R. W. Fullington of Eastland, was injured when a passing auto's fender brushed and threw her to the street Tuesday afternoon.

Confinement in Payne-Lovett hospital for a few hours revealed to attending physicians she had suffered forehead and leg bruises and a slight concussion.

She regained consciousness late Tuesday night and at the last report was doing satisfactory at her home in the Conner apartments on corner of West Moss and South Lamar streets in Eastland.

The driver of the automobile was absolved of all blame for the accident.

ALLRED ASKS PROHIBITION REFERENDUM

AUSTIN, Jan. 16.—Popular referendum on repeal of prohibition and old age pensions were asked by Governor James Allred today in his first message to the legislature.

He also asked stronger oil control without relinquishing the state's exclusive right to regulate production and issuance of the remaining \$3,500,000 "bread bonds," most of which probably will be expended in caring for the state's unemployed.

Governor Allred personally delivered his message at a joint session of the house and senate, which convened at 2 p. m. He stressed oil regulation and adequate relief as immediate problems.

The supervisor of reindeer in Alaska gets \$3,800 annually under the New Deal. It may be money well spent, but we have a natural curiosity as to just how a reindeer is supervised.

JAN. 28 SET AS START OF FHA CANVASS

Jan. 28 was set Thursday morning by F. V. Williams, chairman of the Federal Housing movement as the start of the house canvass of home improvement needs in Eastland.

At the meeting of committee members for the movement of several organizations, held in the chamber of commerce, and attended by several business men, an informal outline for the building program was given by Williams.

First stated Williams, the canvass for the disclosure of actual improvements needs in Eastland—and then contact of the prospective home improver by the building trade.

Eastland has been divided into seven zones for the canvass work. Two lumber companies will conduct a survey of a like number of zones. The city of Eastland through the city manager, Walter Gray, has arranged for two workers to canvass two other sections of the town. F. V. Williams, the chairman of the Eastland movement took care of the fifth and the other two zones are yet to be assigned.

Questions to be asked residents cover those of repair of roofs, painting, papering, screen, foundation repairs, builders hardware, concrete work, electrical work, plumbing, insulation, ceiling, plastering, masonry, garage repair, flooring and others.

Tentative plans call for the conductance of a Better Housing Essay contest among school students of Eastland with prize awards.

The building and craftsmen trades was represented in J. Y. Jordan, "Si" Perkins. Other representation at the meet were from the Civic League, Rotary and Lions club.

Oil Belt Teachers Committee to Meet

Announcement was made today that the executive committee of the Oil Belt Educational association would meet Saturday morning at Mineral Wells.

The object of the meeting is to formulate plans and a program for the spring convention, which is to be held in that city on March 15 and 16. Tentative plans call for a banquet on the night of March 15 with the program planned in keeping with the coming Texas centennial.

FOUR BANDITS ROB A BANK AT BUFFALO

BUFFALO, Texas, Jan. 16.—Four bandits today robbed the Citizens State bank here of between \$2,000 and \$3,000 and escaped in an automobile.

The robbers waited at the bank until President Robert Burroughs came to work and forced him to admit them. Two remained on guard outside while the others made the president open the vault.

When bank employees and a number of customers entered the bank they were herded together in a small room and told to keep quiet.

Employees said the robbers went about their business calmly, taking an hour and a half to complete the job.

America's Most Dangerous Gang Is Now Shattered

WASHINGTON, Jan. 17.—The most dangerous gang in America has been shattered with the killing of Kate "Ma" Barker and her son, Fred, J. Edgar Hoover, chief of the bureau of investigation, said today.

"It was the brainiest and most desperate of all—this Barker-Karpis gang," Hoover added.

The only leaders of the desperadoes still at large, he said, are Al Karpis and Arthur Barker, brother of Fred.

BITTER SWEET TOWN BABY WILDWOOD CREST, N. J.

Doc Stork, from all appearances, has taken a dislike to this seacoast town, for he made only one visit here during 1934.

"Old Rip" May Go To New York City

The one-time Rip Van Winkle of the Horned Toad species, snapped when he was in his prime and before travels wearied and taxed his condition. He reportedly died of pneumonia.

Coin Sale Start Found Eastland Bank With 200

Evidently Legion headquarters expected a large number of Centennial coins to be sold in Eastland, according to Percy Harris, post commander, who said that the Eastland National Bank had 200 of the coins originally.

At first when the coin sale over Texas opened, none were procurable in Eastland until the post commander wrote for them.

Proceeds of the Centennial half dollars—that sell for one dollar—go to a fund for the building of a Museum of Natural Texas History.

The coin differs from those of the same value. On one side are seen two Texas historical personages—Stephen F. Austin and Sam Houston. The six flags Texas has been under are shown on the same face of the coin.

Pardon Is Revoked By Governor Allred

AUSTIN, Jan. 17.—Gov. Allred today revoked a conditional pardon granted by ex-Governor Miriam Ferguson, January 4, to Earl Renolds, convicted of burglary in Johnson and Dallas county and sentenced to five years.

Gov. Allred has been informed by Fort Worth police that Renolds was arrested there with burglar tools in his possession. He was suspected of definite connection with crimes under investigation.

Breck Rotarians Hear Program By Eastland Group

Members of the Eastland Rotary club, Tuesday, had charge of the meeting of the Breckenridge club. T. E. Richardson had charge of the program.

A talk was made by Judge W. P. Leslie, who had for his subject, "Truth and Veracity." He said it is hard to have a case tried these days without perjury creeping in.

Two songs were rendered by Mrs. A. H. Johnson. She was accompanied by Miss Peggy McLaughlin.

Senate Is Asked To Condemn The Federal Labor Law

AUSTIN, Jan. 17.—The Texas senate today was asked to condemn the federal child labor amendment and request congress to write a new one.

A resolution offered by Senator John Hornsby, Austin, declared the present labor amendment seeks to substitute paternalistic government for parenthood.

"It was submitted by a republican congress more than ten and a half years ago without the sanction of a single Texas congressman," Hornsby declared.

Freak Mishaps Are Recorded In Kansas

OZAWKIE, Kan., Jan. 16.—Freak accidents were recorded in Jefferson county in the last few weeks.

Mrs. Lola May lifted her small son to her shoulder. As she did so she twisted her neck and caused a vertebrae to slip. She has her neck in a cast now.

Mrs. Rose Rumbaugh yawned and her jaws locked. On the way to the doctor her car became stuck in the snow. She waited an hour and a half for medical aid.

Darwin Graham, youngster, drank mercury from a thermometer. A doctor prescribed a remedy by telephone. He is well on the way to recovery.

Abandons Palo Pinto Well; Files Notice Of Drill In Parker

Oil Operator Lee W. Johnson of Mineral Wells this week at Eastland filed record of no show on a well in Palo Pinto county and record of intention to drill in Parker county.

DOGGETT TAKEN TO HUNTSVILLE FIRST OF WEEK

Clifford Doggett, convicted of the death of L. F. Threet, Cisco rancher, in Eastland district court, was Tuesday conveyed to Huntsville to await his sentence—death.

Doggett received the supreme penalty when tried at 88th district court at Eastland. In Baird, where he was tried on robbery charges in connection with the case, he was given 99 years.

Elmer Van Cleave and Mary Lou Howell, charged identically in the Threet death will be eventually tried.

Doggett's motion for new trial filed by J. Frank Sparks, his attorney, was overruled recently in 88th district court.

Appoint Committee For Joint Luncheon At Lions Club Meet

Committee appointments for the joint Chamber of Commerce, Rotary, Retail Merchants, business men's and Lions luncheon were made at the Lions club meeting this week.

President W. B. Pickens gave the assignments to G. W. Hipp, F. M. Kenny, and Wayne Jones. The trio will work out program details for the luncheon with other committees from the other groups.

H. C. Davis, secretary of the Eastland Chamber of Commerce, and Charles T. Lux, state secretary of the Texas Retail Merchants association, gave a few brief remarks. Lux, of Austin, while in Eastland visited the Eastland association. From Eastland he went to Stamford.

Dr. Charles W. Estes, pastor of Central Presbyterian church of Denton, made a brief talk.

Theatre President Announces Cast of Next Presentation

Judge O. C. Funderburk announces the Eastland Little Theater and their lineup of the cast in the play, "The Thing Called Love," to be presented 8 p. m., Jan. 28, at Eastland high school auditorium.

The group sponsoring the play presents, O. C. Funderburk, president; Mrs. J. M. Perkins, vice president; K. B. Tanner, secretary-treasurer; Mrs. W. K. Jackson, director of publicity; Miss Adrienne Flurry, librarian; Roy Birmingham, business manager producing "This Thing Called Love."

The cast: Harry Bertrand, Charles Laffoon; Florence Bertrand, Mrs. A. H. Johnson; Ann Marvin, Miss Margaret McLaughlin; Dumary, Curtis A. Hertig; Dolly Garrett, Mrs. James H. Cheatham Jr.; Fred Garrett, James H. Cheatham Jr.; Tice Collins, Jack Ammer; Miss Alvarez, Mrs. Agnes Harwood Doyle; Normie DeWitt, Carl Tanner; Marie, Mrs. Layton Eppler.

The committees are announced in: Make-Up—Curtis Terrell, chairman; Miss Adrienne Flurry, Mrs. Hazel Carter Ammerman.

Ticket Sales—Mrs. P. G. Russell, chairman; Mrs. W. H. McDonald, Mrs. Layton Eppler.

Publicity—B. M. Collie, chairman; W. B. Pickens.

Properties—Mrs. Dixie Williamson, chairman; Mrs. James Horton, Mrs. H. O. Satterwhite.

Costumes—Mrs. W. E. Stalter, chairman; K. B. Tanner, Mrs. Curtis Kimbrell.

Director of Play—Mrs. Hazel Carter Ammerman.

The play brings the difficulties between a young married couple, the Bertrands, who allow suspicion and jealousy to disrupt their union of five years.

This so scares the sister, Ann Marvin, out of all idea of marriage, that she prefers to run a tearoom. She brews a theory, marriage can be happy if "This Thing Called Love" is kept out of it.

But along comes an American millionaire who induces her to marry him but to have no sex appeal in the union.

How this situation finally gets them is a story apart, and brings a laugh a minute even after the final curtain has fallen, it is said.

Morton Valley PTA Hears Ranger Woman Make "Thrift" Talk

Mrs. C. E. Maddocks of Ranger delivered a message on "Thrift" at the Morton Valley Parent-Teacher association's recent meeting. Mrs. Josie K. Nix, publicity chairman, reports.

Miss Marjorie Maddocks of Ranger rendered one vocal selection and was accompanied by Mrs. Homer D. Smith, of the same city.

The next meet of the group will be held Jan. 10.

Personnel: Mr. and Mrs. Lewis Smith, Misses Christine Cunningham, Inez Pickett, Ila Peoples, Mr. N. A. Smith; Mrs. Florence Davis, L. F. Trout, D. A. Weems, Luke Weems, Bill Whately, J. B. Rayfield, T. L. Henderson, W. B. Peoples, Tillman Harbin, O. N. Ramsower, and Josie K. Nix.

New Car Licenses Showing Increase

AUSTIN.—New passenger car registrations in 15 representative Texas counties showed about the usual seasonal decline from November to December but were considerably above those of December, the preceding year, according to reports to the Bureau of Business Research of the University of Texas. Registrations for the month in these counties of 2,011 cars represented a decline of 29 per cent from the previous month but an increase of 11 per cent over December a year ago, it is stated. For the entire year registrations in these counties totaled 47,040, an increase of nearly 28 per cent over 1933.

"Comparisons with December, 1933, by price groups is worthy of special note," the bureau says.

"For the lowest price group there was a decline of 15 per cent; for the next group, an increase of 66 per cent; for the one above this an increase of 128 per cent; and for the highest price bracket an increase of 188 per cent. Moreover, this latter group showed the substantial gain of 32 per cent over November. A similar favorable comparison in the higher price brackets was noted in the November report."

An attempt had been made a month ago to hold up the state bank here and suspicion was aroused when a stranger was seen repairing an automobile in the alley of the bank today.

Quietly the village posse was assembled and surrounded the bank, wounded and captured the suspect who was working on the car.

Inside they found three bandits waiting for the time locks on the vault to open. The posse charged and the bandits fled. Finding their car surrounded they rushed to a garage where they stole an automobile and kidnaped a repairman and another man.

The alarm was broadcast and a sheriff who attend your part of the state with citizen vigilantes and crossed the area from all sides, trapping them at a farm near M. Nab, Ill.

INDICTMENTS RETURNED BY GRAND JURY

"Grand jurors have taken no action in the McBee case investigation," District Attorney Grady Owen said Saturday. The jurors recessed temporarily Friday afternoon and will probably reconvene Wednesday, it was said.

Jurors spent the biggest part of last week in investigation of the case, and Friday turned to other matters.

Indictments were returned against Jimmy Curtis of Eastland, charged with assault upon Jim George, Eastland cafe operator, and Hallie Hartin of Ranger, charged with theft by bailee, when the 91st court grand jurors recessed temporarily Friday afternoon.

Seven other true bills were returned, Grady Owen, district attorney, said Saturday, who added that no "no bills" were returned.

Jimmy Curtis, charged in one of the true bills returned, is alleged to have hit Jim George of Eastland Tuesday night with a heavy instrument, causing injury. Members of the county officers staff state that the incident occurred at about 8:00 that night. Curtis is in Stephens county jail at Breckenridge.

Hallie Hartin, charged with theft by bailee, is in Eastland city jail, as the county jail is still under repair.

C. J. Moore of the Moore Auto Mart at Ranger when filing a complaint against Hartin Thursday, said that he came into his place of business for the purpose of purchasing a car. "He seemed to like it, and asked me to put a little gas in the tank for a demonstration. I did so, and asked him if he wanted me to go with him," Moore said. "He replied that it was unnecessary, as he was just going to drive the car around a couple of blocks. That was about 2 o'clock Tuesday afternoon."

Rotarians at their Monday on the Connelley Hotel hands with other civic organizations in preliminary preparation for a better housing campaign.

President B. M. Collie appointed Frank A. Jones, Stewart Doss and F. V. Williams as a committee to cooperate with chamber of commerce, Lions and Civic League.

Program chairman Julius Krohn and John Harrison presented a quartet in two selections, "The Gypsy Prince." Quartet members were Miss Jo Earl U. Clara June Kimble, Olivette F. Ough and Alma Williamson. John Tolbert, accompanied by Olivette Killough.

The club president told S. Petty, resigned Eastland Mayor, that development of Eastland Maverick squad in past year was outstanding.

Optimism of this year's for high standing was possible, the new coach will receive evidenced cooperation, Petty said.

Odell Bailey of Ranger and ty were visitors.

'Hams' of Eastland Should Form Club, Says One of Them

Amateur radio operators in Eastland should organize, thinks Homer Norton, one of the group, who announced that a club may be formed in the near future.

Other "hams," as they are generally known, were urged by Norton to contact himself or M. E. Boatwright, another of the group.

MORE OREGON RIDERS

SALEM, Ore.—Revenue from gasoline taxes in Oregon in 1934 will be more than \$1,000,000 above last year's figures, said P. J. Stadelman, secretary of state, between Jan. 1 and Nov. 30 the state collected the sum of \$7,708,531.35. In 1933 the revenue was \$6,728,720.49. Oregon motorists used 154,170,628 gallons of gas in 11 months of the year just ended, a total of 6,335,232 gallons more than last year.

FAMILY OF RINGERS

SALEM, Ore.—The Hampton family, Jefferson, ranging in age from 16 to 76 years, won six victories out of nine games of horseshoes played against the Salem club in a winter season game here. The winning team consisted of W. H. Hampton, patriarch of the clan, Robert, Raymond, Lewis, Levi and James Hampton.

THREE KILLED AS CITIZENS CHASE BANDITS

LENORE, Ill., Jan. 16.—Bank bandits and vigilantes fought a series of bloody gun battles in Illinois today.

Three men were killed and three were wounded. Three of the gang of four bandits were captured. No money was obtained.

The victims included a co-sheriff of Marshall county, and killed, and an unidentified bandit, who shot and killed himself with a machine gun to avoid capture.

One of the wounded men, a county supervisor, was in serious condition.

An attempt had been made a month ago to hold up the state bank here and suspicion was aroused when a stranger was seen repairing an automobile in the alley of the bank today.

Quietly the village posse was assembled and surrounded the bank, wounded and captured the suspect who was working on the car.

SECURITY BILL INTRODUCED IN CONGRESS

WASHINGTON, Jan. 17.—A bill to carry out President Roosevelt's program of security for the aged and insurance benefits for unemployed, was introduced in congress today.

Bills embodying recommendations of the commission on economic recovery, introduced by Senator — democrat, New York, and Senator David Lewis, democrat, Maryland.

They faced thorough study in the senate finance committee, the house ways and means committee with prospects of changes before being reported to the committees and enacted into law by the house and senate.

IMPETUS GIVEN FOR FHA CAMPAIGN BY ROTARIAN

Rotarians at their Monday on the Connelley Hotel hands with other civic organizations in preliminary preparation for a better housing campaign.

President B. M. Collie appointed Frank A. Jones, Stewart Doss and F. V. Williams as a committee to cooperate with chamber of commerce, Lions and Civic League.

Boy Raises Flock Of Turkeys From Hen In Year's Time

YOAKUM, Texas, Jan. 14.—Elton Riske, 10-year-old farm lad of near Shiner, just wouldn't be disappointed or discouraged in his efforts to become a turkey raiser.

His grandmother gave him four eggs. He broke one before he got home. A hen hatched two gobblers and a turkey hen from the other three, but the turkey hen died and a dog ate a gobbler.

Grandmother gave a sick gobbler to Elton and he traded it for a hen. He then saved his dimes and bought three hens which he tamed so they would lay at home. Every time a hen layed he put on a setting of eggs.

Within a year he had a flock of which he sold 55 during the Christmas and New Year holidays.

Hunting Bug That Manufactures Cheese

VANCOUVER, B. C., Jan. 11.—The identity of the bacteria that makes cheese taste and smell like cheese is being sought by research workers attached to the University of British Columbia's department of dairying.

The experiments are being conducted under the supervision of Dr. Bythe Eagles, who believes that discovery of the responsible bacteria would revolutionize the whole dairying industry.

"Cheese making will be a science, not a mystery handed down from father to son," he states. "As it is, you start to make cheese exactly the same way you have made it a thousand years; you may get good cheese, you may get bad cheese.

"We are trying to isolate the bacterium. Then you can take this bug working to put them into your milk and do this and so with it, it will get good cheese."

Code Horse to Classes For Over 46 Years

HUNTSVILLE, Texas, Jan. 14.—J. L. Pritchett saddled his horse and rode to his classes at Houston State Teachers college for 46 years, but ill health forced him to resign and indoors.

In connection with the college, he has not been severed, however, because Dr. H. F. Estill, president, accepted his resignation, appointed him professor emeritus of equestrianism. A faculty committee drew up resolutions commending him for his long service as a teacher.

Commercial Failures In Texas

JUSTIN.—Failures in Texas during December showed about usual seasonal increase over November, it is shown by a report of the Bureau of Business Research of the University of Texas.

According to R. G. Dunn & Co., there were 21 failures in December, against 12 in the preceding month and 25 in December, 1933.

Total liabilities were \$529,000, an increase of 248 per cent over the month previous and 32 per cent above December a year ago. Average liability per failure, \$25,000, as 92 per cent above that in November and 56 per cent greater than in December, 1933.

"For the entire year 1934 the statistics on failures were highly favorable in comparison with the year previous," the bureau says.

The total number of failures was 225, against 500 in 1933, a decrease of 55 per cent; liabilities totaled \$1,153,000, compared with \$11,377,000, drop of 74 per cent; and average liability per failure, \$14,000, against \$24,000, a decline of 42 per cent."

ON TEXAS FARMS

In Jackson county, home demonstration club women report 57,647 quarts of food canned during 1934 by themselves and by the women they have helped. Estimated value is \$12,166.15.

Six terracing schools attended by 237 men and boys were held by the Brown county farm demonstration agent in December. He has on file 98 applications for help in terracing, covering 8,973 acres.

Starting with two trench silo demonstrations and a depression, helping along by a drought, Brazoria county farmers and dairymen now have 75 trench silos ranging in capacity from 35 tons to 950.

Hog killing and pork curing demonstrations were held in Washington county at the farms of Messrs. Chip and Lewin Rout in December by T. H. Roensch and C. Hohn, county and district extension agents, when 26 hogs were killed, cut and cured the Texas A. and M. way. About 30 people participated in the demonstration.

Delta county women had an eye to looking well and in their home demonstration work they completed 322 individually fitted patterns and made for themselves 6,245 articles of clothing valued at \$9,140.63. New clothes closets to house their good clothes were reported by 20 women and 37 others improved the closets they already had.

CANADIAN.—An average of 11 eggs per hen was laid during November by 550 white leghorn hens belonging to Mrs. Smith Morehead of the Washita Home Demonstration Club in Hemphill county, while standard production for that month is only 9 eggs per hen, according to Miss Sadie Lee Oliver, home demonstration agent. The 509 1/2 dozen eggs sold for \$160 while the cost of production was only \$82.65, leaving Mrs. Morehead a profit of \$77.35 for the month. Her chickens are raised by methods outlined by the Texas Extension Service, and her expenses were for laying mash, grain, oyster shell, medicine, and lights.

QUITMAN.—Doris Jeanne Holley, 11-year-old bedroom demonstrator for the Cartwright 4-H club in Wood county, has completely refinished her bedroom at a cost of \$14.80 by doing all of the work herself with the help of her father and mother, according to Miss Katherine Kelly, home demonstration agent. Doris Jeanne planned walls, used heavy building paper to cover them, and sewed sacks together and tacked them up to use as canvas. She repapered her walls and ceiling, finished her woodwork and floors which had previously been unfinished, and then enameled her furniture jade green.

FALFURRIAS.—Sixteen Brooks county women taught to can by Mrs. J. M. Word, member of the Falfurrias Home Demonstration club, have preserved \$305.50 worth of meat and vegetables this year, according to Miss Louise Hogue, home demonstration agent. Meat canning was taught to 13 women, 11 of whom were not members of the home demonstration club. These 13 women canned 210 quarts of meat valued at \$283.50. Vegetable canning demonstrations given to three women resulted in the canning of 110 quarts of vegetables valued at \$22. In addition one non-club member taught by Mrs. Word made six quarts of orange marmalade valued at \$2.10.

MADISONVILLE.—By terracing 50 acres of land, Fred Seay of Madison county estimates that he has added \$250 to the value of his farm for a cash outlay of \$25, he told W. L. David, farm demonstration agent. Mr. Seay used the county grader and machinery to do his work and found that it cost him 41 1/2 cents per acre. The terraces were built 24 feet wide and 24 inches high. Since Mr. Seay has found out how little it costs him to have this work done, he plans on aving more terracing done in the near future.

KOUNTZE.—Thirteen thousand five hundred pounds of wool were sold by 43 members of the local wool growers' association in Hardin county during December for \$2,600, averaging \$60 per grower, according to W. P. Barrett, farm demonstration agent. Through a cooperative agency, small growers in the county have been able to sell their wool for several cents above the price offered them individually by buyers. The wool was assembled at two central points in the county where it was weighed, branded and listed.

GATESVILLE.—The cost of digging and filling a 60-foot trench silo was only \$18.50 for an estimated amount of 25 tons of silage, W. T. Perryman, Coryell county, told D. W. Sherrill, farm demonstration agent. Mr. Perryman declared that the \$18.50 cov-

erred the cost of labor and all other expenses, and that the estimated replacement value of the 25 tons of feed in the silo is \$150. "In a time of short pasturage and feed the use of trench silos and the saving of feed that otherwise would be wasted is very important," Mr. Perryman says.

New Beauty and Comfort Zone Riding

THE new Ford V-8 for 1935 is here! It is not only new in appearance—with new streamlined body and luxury fitted interior. It introduces a new motor experience—Comfort Zone Riding.

The body of this new car is mounted on a new Full-floating Springbase. All passengers are cradled in the Comfort Zone between the springs. As a result even back seat passengers now enjoy "front seat riding comfort!"

Notice the many other new features of this Ford V-8 for 1935. More body room, with seats up to 5 1/2 inches wider. Safety glass all around at no extra cost. A luggage compartment in back of the rear seat. Bigger tires. New easy-acting brakes, and a clutch that will delight every woman who drives.

Remember—when you buy a Ford you get the basic advantages of a powerful V-8 engine, an all-steel safety body and the most economical car to operate Ford has ever built.

See this new Ford V-8 today.

FAMOUS FLIERS SAY
"get a Lift with a Camel!"

COL. ROSCOE TURNER, holder of the transcontinental record west-to-east and east-to-west: "A speed flier uses up energy just as his motor uses 'gas.' A Camel gives one a 'refill' on energy. I smoke all I want. Camels never upset my nerves."

SIR CHARLES KINGSFORD, SMITH, famous flier who holds the record from Australia to California—7300 miles in 51 hours—says: "Once you've had a real chance to appreciate the mild, mellow flavor of Camels, no other type of smoke seems to satisfy. I always want a Camel, especially when I'm fatigued. And Camels are my 'super-jarger'—they lift 'em up my vin—give me new energy and 'go.'"

From Newark Airport to Miami and return in 15 hours and 16 minutes! That's the record held by Chief Pilot E. H. Parker, of the Eastern Air Lines. But let him tell you about transport flying and how Camels help him through the strain. In his own words: "The steady grind of transport flying takes stamina—vitality—nerves that never waver. Passengers... mail... express must arrive on time, and it's the pilot's duty to see that they do! There are plenty of times when I get tired. Then I smoke a Camel. For I have noticed that Camels help in easing the strain. I can go on with more alertness and vigor. I smoke Camels a lot. They never affect my nerves."

SPORTSWOMAN PILOT, Mrs. T. W. Kenyon, champion air woman: "After a strenuous flight, a Camel restores my energy. And each Camel renews the enjoyment of the last!"

WILEY POST, famous flier who holds the "round-the-world record, says: "Camels are made from more expensive tobaccos. You can certainly tell that in their mildness and good taste."

OLDEN

Thieves got away with Mr. J. A. Smith's Buick car Saturday night about 10 o'clock. Mr. Smith had parked the car in front of John Matlock's house and gone in for a few minutes. Hearing the car driven off, Mr. Smith and others went outside and soon gave chase in another car but were unable to find the Buick. Ranger officers and others were notified and soon were out aiding in the search and the Ranger officers succeeded in getting close enough to fire at the car but it is not known whether anyone was injured. The car was found on a road near Pleasant Grove Sunday morning and it had

been almost demolished by fire. Mrs. L. S. Hamilton, who was quite seriously ill for several days following an emergency appendicitis operation at the West Texas Clinic in Ranger, was removed to her home in Olden Monday. Her host of friends here are happy to know she is well on her way to complete recovery. Olden Boy Scouts, accompanied by their scout master, Mr. Warren, enjoyed a weiner roast Thursday night at Trianon park near Roofo's swimming pool. Monday morning a free session for the ladies was given at the Olden skating rink and it proved to be much appreciated. A large crowd was present and many women skated. Mrs. Cordie Easley and children

have moved into the Hunt house with Mr. and Mrs. Lewis Edwards. Leola Croft, who has been living in East Texas, returned last week with her father, C. B. Croft, and is living in Olden again. Little Lee Todd was ill a few days last week but was able to be back in school this week. D. M. Collins left Sunday for San Antonio. He accompanied his uncle, Roy and Raymond Collins. D. M. expected to return next Tuesday, Jan. 22. Mr. and Mrs. Henry Collins and family visited W. E. Walker and family in Carbon Saturday night and Sunday. Friday, Jan. 18 will be Miss Maxine Henderson's last day as teacher of the 3rd and 4th grade room here, as she had previously submitted her resignation as of that date. Miss Maxine has been one of our most popular and well liked teachers and it is with sincere regret we let her go, at the same time wishing her every happiness and all good wishes for the future. It is understood that her wedding to young Doctor Wier will be solemnized some time in February. Irb Dean returned from a business trip to Graham one day last week. Mrs. Will Stephens of Stephenville expects to visit her son, Jack Stephens and family here next week. She is expected to arrive Saturday. Olden girls basket ball team played the Colony girls team at the Eastland Gym Friday night. Olden lost but reported a good time and lots of fun. They have a game for this Friday scheduled at the Cisco gym. Mr. Will Hambrick expects to visit his family in Dallas over the week-end. He is considering moving to Olden where he is employed at present by the Magnolia Petroleum Company.

Mr. and Mrs. A. B. Henslee and Mr. and Mrs. Claud Lee drove to Fort Worth on business Thursday. Woodrow Parks of Stephenville was the guest of his uncle, Ed Parks and family, from Wednesday to Sunday. Fire of unknown origin broke out in the home of Mr. and Mrs. Wilson, near the Rudco Gasoline plant at 11:45 Saturday night. The house belonged to "Dad" Nicholson. Mr. and Mrs. R. D. Wright and Mrs. Bailey Stark drove up to Ranger Friday. Mr. and Mrs. Will Sneed of De Leon visited their son and daughter-in-law, Mr. and Mrs. Robert Sneed Thursday. A wedding of much interest to many friends of the bridegroom was that of Max Williams of Ranger, and Miss Ora Mae Horton of Olden. The wedding took place at 1 o'clock Sunday at the Desdemona Methodist parsonage with Rev. H. H. Naudie officiating. Witnesses were Mr. and Mrs. Blake Effler, Mr. and Mrs. Jack White and Mr. and Mrs. Jack Webster, the three men being fellow employees with the groom. The groom is the son of Mr. and Mrs. M. P. Williams and is a graduate of our high school, is quite a skilled machinist and has hosts of friends here who extend to him and his attractive bride congratulations and best wishes for a long and happy life. Mrs. C. B. Riblett and son, Ray Henslee and daughter, Miss Lorene Henslee, left Wednesday for their home at Longview after having visited her sister, Mrs. A. B. Henslee and family for two days. They were accompanied by her daughter-in-law, Mrs. Aaron Henslee, who had visited her parents, Mr. and Mrs. W. H. Davis. Mrs. C. B. Miles of Baltimore, Md., who is visiting her parents, Mr. and Mrs. John Nabors, was the honoree at a party given at the home of Miss Johnnie Buchan Saturday afternoon. Miss Buchan was assisted in entertaining by Mrs. C. A. Skipping and Mrs. R. H. Abel. Quite a large number of friends were present. Lovely refreshments were served and the honoree was presented with a large shower of useful and pretty gifts. Arthur Weir of Kilgore was the guest of Mr. and Mrs. Bill Parks a few days last week. Miss Edith Creighton spent the week-end with home folks at Strawn. Mr. and Mrs. C. Cutting of Cisco and their daughter-in-law, Mrs. Dick Cutting, came down Friday and spent the day Mr. and Mrs. Cutting with Mr. and Mrs. Fred Welder and Mrs. Dick Cutting with her aunt and uncle, Mr. and Mrs. Charles Lee. Mr. and Mrs. A. B. Henslee and two children, Kathleen and baby Sarah Anna, left Monday for Freer where they will visit until Friday with Obed Henslee and family and Minor Wallace and family. Bishop H. A. Box of Fort Worth was unable to come to Desdemona Sunday night on account of a severe case of flu. In his place Rev. J. B. Curry, presiding elder of Cisco district came and preached a splendid sermon to a large crowd. Rev. Curry and wife and three children were guests at a 6 o'clock buffet supper served by Mrs. W. E. Barron and Mrs. H. H. Nance at the home of Mrs. Barron.

Lane Holmes was in Ranger visiting with relatives and friends Saturday and Sunday. Sam Fonville of Desdemona visited his parents, Mr. and Mrs. J. L. Fonville over the week-end. Tommie Hammond and family of Stephenville visited R. S. Horn and family Sunday. Ted Hall and family visited in Stephenville Saturday and Sunday. Misses Lucile Carter, Eldreda Hogg, Juanita Hogg and Esther Carter visited Miss Beatrice Anderson. Mr. and Mrs. Robert Slaughter of Eastland visited her parents, Mr. and Mrs. J. L. Fonville, Sunday. Temple Sparks of Lubbock is spending several weeks visiting with Hardy Tidwell and family. Miss Mary Henson of Desdemona spent the week-end visiting Mrs. Hardy Tidwell. Mrs. Lizzie Askew who has been critically ill for the past several weeks is still confined to her bed, but has made some improvement. Mrs. Askew has lived in this community for more than fifty years and has a host of friends who love and esteem her highly and hope for her complete recovery. Robert Riggs of this community visited N. E. Riggs and family of the Howard community Sunday. The school at this place has progressed satisfactorily this year with a good attendance and good interest. Much improvement has been made during the past year. The house has been re-covered and repainted on the inside and outside, and a water system has been installed. Other improvements are contemplated. For a number of years this school was transferred away but it has been found more satisfactory to have the school at home. A play entitled, "Go Slow Mary" was presented at the school building Tuesday night. The cast of characters was as follows: Mrs. Abby, Winnie Mae Carter; Mr. Abby, Steve Riggs; Mrs. Berdon, Emogene Carter, Bobby Berdon, Richard Riggs; Dolly Berdon, Lucille Carter; Sally Carter, Dorothy Tidwell; Harry Stephens, Hardy Tidwell; Burt Childs, Robert Riggs; Katie, Jewel McWhorter; Danny Gribb, Temple Sparks; Murphy, Bud Carter.

Peanut Adjustment Contracts Offered County Producers

Beginning Thursday and extending through January, committees started work in old highway office, basement of court house, in Eastland; at Carbon Trading Co., Carbon; at Higginbotham's, Rising Star; at Chamber of Commerce in Cisco and Ranger, and at the hotel sample room in Gorman to aid peanut producers in the execution of peanut adjustment contracts. Producers desiring to participate in this program should contact the nearest committee as soon after Jan. 17 as possible. The contracting producer agrees to not increase his peanut acreage this year above the average acreage planted to peanuts on that farm in 1933 and 1934; or where in one of the years of 1933 or 1934 the acreage was considerably higher than the other to plant in 1935 not over 90 per cent of the highest acreage. Benefit payments to be made next fall after the total crop is measured will be at the rate of \$2 per acre on the "permitted" acreage, being that acreage which contract signed is allowed to plant to peanuts; should, however, the 1934 yield on that farm have been above 500 pounds of nuts per acre the payment will be at the rate of four tenths of a cent a pound on actual yield. Owners and tenants share benefit payments just as they share in the crop harvested. All farms owned or operated by signers must also be under contract. Like other AAA contracts those signing are bound to not increase acres planted to basic commodities or other crops for sale in 1932 or 1933, which ever year was higher on contracted farm. Either owner or tenant may execute the contract but both must sign. Production figures must be on this farm and

BRONCHIAL TROUBLES

OFFICERS SAY ONE BANDIT IS LIKELY KILLED

Ranger police officers engaged in a running gun battle along one of the main residential streets of Ranger early Sunday morning with four suspected hijackers, in which one of the hijackers is thought to have been killed outright or fatally wounded.

The running battle occurred on Young street shortly before 3 o'clock Sunday morning after word had been received that four men in a Buick coupe, bearing license numbers 318-318 had robbed filling stations in Breckenridge, Palo Pinto and Wink city and were headed toward Ranger. The car had been stolen in Olden about 10:30 Saturday night.

Policemen Guy Pledger and Jack Roach, when they received word from Strawn the hijackers had sped through that city headed toward Ranger, stationed themselves on the Strawn road near the outskirts of the city and waited for them.

Soon the car was sighted and the two officers took up the chase. Pledger driving and Roach manning a sub-machine gun, the same gun which was stolen from the Ranger armory and which was later taken when Raymond Hamilton was captured following a bank robbery in North Texas.

The hijackers sped down Strawn road, with the officers in close pursuit, but no shots were fired as the long-range bullets would have gone in the direction of the main section of Ranger. The bandit car turned out Young street, with the police car about a block behind when Roach opened fire with the sub-machine gun. At Blundell street the fugitives turned south, going out the road by the Montgomery dairy. The dust along this road made it impossible for the pursuing officers to see more than a few feet ahead, and at a cross road the car made the wrong turn and lost the pursuing officers.

While the Ranger policemen were engaged in the chase in Ranger, Sheriff Virge Foster and his deputies were just giving up a search for the stolen car south of Olden, where it was thought it had been taken, and were returning to Eastland.

The bandits apparently doubled through Lone Cedar into Olden and headed north on the dirt road out of that town, as the coupe, with bullet holes in the back, was seen later Sunday morning a few miles north of Olden, burned.

Another car, which was stolen in Ranger the same night, was also found about a mile nearer Olden with a flat tire, and officers believed that the same quartet of bandits had stolen the two cars and left one in a pasture south of Olden. When they lost the pursuing officers they stopped for the second car and drove north of Olden, where the car used in the backing was abandoned and burned, apparently to obliterate evidence and fingerprints.

The reason the officers believed that one man was probably fatally wounded is that three of the seven shots fired from the high-powered rifle, entered the back of the coupe under the glass going out through the seat. With four men in the coupe it would have been almost impossible that the bullets would have missed the man sitting next to the driver, as all three bullet holes were within a four-inch circle that struck the middle of the back of one man when four got into the burned machine to determine the positions of the men in the car.

Eastland county and Ranger officers searched the wooded section near where the car was found, all day Sunday trying to locate clues but did not find any evidence that one of the men had been left dead in the vicinity of the burned car. Arrests have been made, but officers are still working on the case.

How Texas Cities Got Their Names

In 1519, only 27 years after Columbus first set eyes on the New World, Corpus Christi was named.

In that year Alvarez de Pineda, and his Spanish followers in search of legendary silver and gold, landed on the shore near the present site of the city.

De Pineda landed the second Thursday after Pentecost and in honor of the religious feast, named the spot "Corpus Christi," which means "Body of Christ."

Three years after Texas had won its independence the settlement was founded. It was first named Kinney's Trading Post, but when a post office was established, it took the name Corpus Christi.

Improved Business Conditions Seen By Ford Motor Co.

DEARBORN, Mich., Jan. 15.—Improved business conditions throughout the United States are indicated by figures given out today by the Ford Motor company showing the reception the American public gave the new Ford V-8 car for 1935.

When, late in 1927, Ford, after standardizing for years on the Model T, brought out a new Model A, more than 5,000,000 persons visited the show-rooms of Ford dealers, the country over, on the two days on which the new model was on exhibition.

Final reports, covering the whole country, show that visitors at dealers show-rooms to see the new Ford V-8 for 1935 totaled 8,683,900—an increase of approximately 73 per cent over the reception given the Model A.

Reports show sales volume greatly improved, especially in the agricultural states and in the small towns generally. A considerable number of dealers reported that, in the two days on which the new car was on exhibit, they sold, on the floor, from 40 to 50 per cent of their total sales for the year 1934. A characteristic of the showing all over the United States was that persons not previously considered as prospects are buying. The rural areas of the south and west showed a renewed buying power beyond all expectations.

Production figures show a total of 50,002 of the new units manufactured to date, with schedules of 110,000 a month for January and February and 70,767 men employed in the Detroit area.

City Dump Worth Money to Dallas
DALLAS, Jan. 14.—The city dump is rapidly becoming a valuable asset.

A few years ago the city received no revenue from the dump, but now bids as high as \$390 per month for the right to gather salvage from the junk pile have been received by the city officials.

WILD NEW YORK
BURLINGTON, Ont.—One of the revolvers brought to the police station here for registration was a .32-caliber weapon, purchased in 1892. In it were rusted the original seven bullets.

The owner explained that he had never fired the gun and had only purchased it originally when planning a trip to New York in 1892. He had been warned to arm himself "for protection in the wilds of the Bronx district."

Is This Too Good For Your Cough?
Creomulsion may be a better help than you need. It combines seven helps in one. It is made for quick relief, for safety.

Mild coughs often yield to lesser helps. No one can tell. No one knows which factor will do most for any certain cough. So careful people, more and more, are using Creomulsion for any cough that starts.

The cost is a little more than a single help. But your druggist is authorized to guarantee it, so it costs nothing if it fails to bring you quick relief. Coughs are danger signals. For safety's sake, deal with them in the best way known.—(Adv.)

Funeral Services For S.A. Young Are Held On Sunday

Funeral services for Sam A. Young, about 55, of Ranger, who died at a Breckenridge hospital early Saturday morning as the result of a fall from the mezzanine floor of the Burch hotel, Breckenridge, were held Sunday at the Central Baptist church of Ranger, with Rev. H. H. Stephens in charge of the services.

The decedent is survived by his widow, two sons and one daughter. One son resides in New Orleans, the other at Fort Worth, and the daughter at Mineral Wells.

The accident, which resulted in death, occurred at 3 o'clock Friday afternoon at the Burch hotel in Breckenridge. Mr. Young was on the mezzanine floor when he suddenly fell backwards over the railing, his feet striking the cigar counter and his head hitting the floor. He was badly cut in the accident and never regained consciousness.

Specialists from Fort Worth were rushed to Breckenridge, where they worked the remainder of the night, but death resulted at 6 o'clock Saturday morning.

Mrs. S. N. Seales, employe of the hotel, was in the lobby at the time. She said she saw Mr. Young standing on the mezzanine floor. A moment later he fell over the banister into the cigar stand below.

Active pallbearers were Dr. J. A. Shackelford, Dr. W. C. Palmer, T. J. Anderson, Joe Dennis and A. J. Ratliff. Honorary pallbearers from Ranger were Dr. W. L. Jackson, Col. Brashier, Felton Brashier, Tony Lewis, Johnny Boyd, Ray Campbell, Harold Durham and D. E. Pulley, old Durham, D. E. Pulley, C. E. May, C. N. Deaton, D. Joseph, C. W. Blacklock, B. C. Johnson, E. H. Mills, Saule Perlstein, and C. B. Pruet. Those from Breckenridge were Milton Daniel, Ford Alcus, Mr. Richardson, Ray Corbett, Gene Borders and R. R. Mason, from Eastland were Judge Rosenquest and Allen D. Dabney and from Mineral Wells Will Mercer and D. C. Pratt, and Mr. Smith, superintendent of pipe line department for Magnolia at Olden, and Mr. McMillen of Desdemons.

OREGON PIONEER DIES
HILLSBORO, Ore.—Mrs. Amelia Clemens, 90, first white child to be born in Portland, died here recently. Her father, William Johnson, was a sailor aboard the frigate Constitution and was wounded in the engagement with the Guerriere. "Honest John" has killed hundreds of hogs, mountaineers say. He is 50 or 60 years old, perhaps older. His killings this season have caused mountaineers to list him as "Public Enemy No. 1."

ROBS WITH PERAMBULATOR
MARYSVILLE, Ky.—Babies, just babies are generally wheeled in a perambulator, but a man here found a new use for one.

He admitted to police here that he drove up to a slot machine with a buggy, put the slot machine in it, covered it with a blanket and went home, where he broke up his "baby" to the tune of \$16.90.

His ingenuity cost him 60 days in jail.

SEVEN-CENT BEAUTY
SYRACUSE, N. Y.—A woman can "be beautiful on seven cents a day," according to Mrs. Lois Gluck, of New York city. Mrs. Gluck spoke at the State Vocational Teachers convention and told the women teachers that they could keep themselves "young and beautiful" after they are 30 years old.

Drilling Start on Well in County Is Slated Jan. 14th

Application for drilling was filed by three operators last week in the oil and gas division office of the railroad commission at Eastland.

Sarah J. McBride of Cisco filed application for drilling No. 1 Morgan, Barnhill survey, section 35, Eastland county. Operator intends starting Jan. 14 to 3,000 feet.

M. J. Dalton of Mineral Wells has started No. 1 Pennington Samuel Harding survey, Palo Pinto county. Depth contemplated 1,300 feet.

J. G. Jarvis et al of Fort Worth have started No. 1 Henry Williamson on Falls county school lands, Wise county. The location is about two and a half miles from Sunset.

Completion of International Petroleum Corporation's No. 4, M. Castleman survey, Palo Pinto county was filed. Drilling was completed Jan. 2. According to the record, 20 barrels per day are being made at a total depth of 1,365 feet.

Application to shoot was filed by R. A. Conkling et al of Oklahoma City, Okla., on their No. 1 J. C. Leazer, H. & T. C. survey, Comanche county. The 3 barrels production rate was intended to be stepped up with a 500 gallon shot of nitro.

Near Rising Star the latter part of the week, Charles Cox and others were drilling at 2,800 feet on the Watkins well, three and a half miles southeast of Rising Star. The group have been having trouble with the line. Day sand is expected at 2850 or 2900 and it no more trouble is encountered the holes should be finished soon. The well was started early last spring.

Stolen Car Is Found Stripped Near Olden
A 1929 model Ford coupe, which was stolen from Dr. W. L. Downtain in Ranger Saturday night, was found Sunday south of Olden. The car had been stripped by the thieves.

More Are Married in 1934 Than 1933
DALLAS, Jan. 14.—One thousand more Dallas county couples were married in 1934 than in 1933, according to County Clerk Robin Adair.

A total of 3,944 licenses were issued in 1934 against 2,770 in 1933. Adair attributed the increase to the improved economic situation and the repeal of the three-day notice law.

Relief Rolls to Be Reduced February 1

Copyright, 1935, By United Press WASHINGTON, Jan. 15.—Plans to reduce federal relief rolls by 4,000,000 persons through a nationwide subsistence homestead and rural rehabilitation program received consideration today from administration chiefs.

The cost, estimated between \$750,000,000 and \$1,000,000,000 would come from the \$4,000,000,000 President Roosevelt is asking from congress to finance work for the 16,000,000 persons receiving government doles.

TWINS A HABIT
BOSTON.—The stork has twinned the Benham family again. Mrs. William Benham, wife of a policeman, has given birth to her third set of twins. There are now seven children in the family.

HENS UNDER NRA
OAKVILLE, Wash.—John Gerrits, farmer, decided his hens were under an NRA code when he found an egg in his henhouse with the number "93" easily discernible on the shell. Gerrits claims the fowl that laid the egg was numbering her output in compliance with a code.

MAJOR FOR 32 YEARS
MARBLEHEAD, O.—George F. Eberwine has begun his 32nd consecutive year as mayor of this Lake Erie town. In addition, he is hotel manager, movie theatre operator, tobacco factory owner, tire dealer and village cobbler. Marblehead is noted as the home of the 100-year-old Marblehead Light and is one of the busiest points on Lake Erie for the U. S. coast guard.

OUSTS DOG SLACKER
EXCELSIOR SPRINGS, Mo.—Even a mother dog knows that relief is not given to families that list an able-bodied member who refuses to work. Brownie, a female mongrel, calls for her dinner each day from a local philanthropist. She steadfastly refuses to permit Schell, a strapping pup, to accompany her on the trip, apparently fearing she will be eliminated from the "relief" roll.

The New Ford V-8 for 1935

A New Kind of Motor Car—Designed for Easy Riding

New Seat Position New Weight Distribution New Longer, More Flexible Springs.

In the New Ford V-8 for 1935, all the weight of car and passengers is correctly balanced and distributed. Seats are moved forward so that passengers on the rear seat ride nearer the center of the car. This, with new spring suspension, and longer and more flexible springs, gives new smoothness, ease and riding comfort on every road.

For 1935, Ford has taken another revolutionary step forward. To the proved performance of the famous Ford V-8 engine has been added remarkable riding comfort. And the entire car has been clothed with a new and modern beauty, both inside and out.

The illustration on this page shows the distinctive modern lines of the New Ford V-8 for 1935. When you see the car in the showrooms or on the road you notice at once its larger size as well as its handsome appearance. It is longer, with more body room, more leg room and more baggage room. It is lower to the ground

—easier to step in and out. The front seats are as much as 5 1/2 inches wider in some body types. The curved gear shift lever gives additional front-seat comfort.

NEW, LONGER SPRINGS OF UNUSUAL FLEXIBILITY

The springing of the New Ford V-8 for 1935 is entirely new. The springbase of the car (the distance from the front to the rear spring) is 123 inches, or eleven inches longer than the wheelbase. This has been accomplished by mounting the front spring in front of the front axle and the back spring in

back of the rear axle. This design gives you increased comfort without sacrificing ease of handling.

Front and rear springs are longer and more flexible, with tapered leaves for the most effective spring action and quieter operation.

NEW FEATURES FOR SAFETY, COMFORT AND EASE OF HANDLING

See the New Ford V-8 at the show-rooms of Ford dealers. They have many interesting things to tell you and show you about its outstanding V-8 performance and comfort, luxurious new upholstery and appointments, improved, quiet-stopping brakes, new easy-pressure clutch, easier steering, new rigid X-type frame, Clear-Vision Ventilation and the many other features of the car. All 1935 Ford V-8 cars have Safety Glass throughout, at no additional cost. All have all-steel bodies.

made payable to the Fairbanks, Morse & Co., who built the plant for Seymour and asked it be given \$150,000 judgment.
 The original and amended petitions show Seymour in 1928 contracted to buy the light plant and system for \$111,526 and that the city on Dec. 15, 1929, signed notes for this amount plus \$15,749 representing additional equipment not in the original price agreement, a total of \$127,276. The total was made payable in 72 notes for \$1,526 payable monthly, plus 6 per cent interest.
 Seymour was unable to make the original schedule of payments. In December, 1930, the Fairbanks, Morse & Co. entered into an agreement with the city, refinancing the original and accumulated indebtedness to be paid \$500 monthly the first year, \$900 monthly the second, \$1,000 monthly the third, and \$1,250 monthly thereafter.
 The petition states only \$2,933 was paid during 1930 on the original contract and up to last Sept. 1, following the refinancing agreement, only \$14,100.
 Plaintiff cites the Seymour plant was purchased in accordance with terms and provisions of Articles 1111-18 Revised Civil Statutes of the State of Texas, and that the contract expressly provided that the holder of the indebtedness should never have the right to demand payment of the obligation out of funds raised or to be raised by taxation.
 The refinancing contract provided that the city "heretofore grants and agrees to grant to any purchaser of the municipal light plant or system under sale or foreclosure of the liens securing pay-

COMMERCIAL STATE BANK OF RANGER LIFTS RESTRICTIONS ON ALL DEPOSITS SATURDAY

Hall Walker, vice president of the Commercial State Bank of Ranger, announced Saturday afternoon that all restrictions on all deposits in the bank were being lifted immediately and that all deposits were now on the active account.

The statement issued at the bank Saturday by Mr. Walker reads as follows:

TO THE PUBLIC:

I am glad to be able to report that the Commercial State Bank is now in position to pay all of its depositors in full. We have available cash to pay all deposits—new, old, restricted, unrestricted, including time deposits or Certificates of Deposit, whether due or not.

In connection with this announcement I do not consider it amiss to review a little local bank history. The directors and officers of the Commercial State Bank have been severely criticized about the way they have managed the bank's affairs during the past two years, and a greater portion of this criticism has been leveled at me personally. I would not attempt to leave the impression that we did not make some mistakes. Therefore, much of this criticism was justified, however, some of the severest criticism came from people who did not have any money in the bank and who actually owe the bank money at this time. The business man who has not made mistakes since 1929 is an exception to the rule. I am thankful that I did not make more mistakes than I did.

The past year was a political year and politicians had much to say about themselves. I am not a politician and am not seeking public office, however, I desire to recount a few of the accomplishments of the directors of the Commercial State Bank.

I was cashier of the old Ranger State Bank for several years, but resigned in 1925 because I did not approve of the policies of some of the bank's officials who lived outside of Ranger. Later I helped organize and became associated with the Citizens State Bank of Ranger. The directors of the Citizens State Bank, in the main, are now the directors of the Commercial State Bank. During the greater portion of the years 1926-27

Ranger had two banks—the Ranger State and the Citizens State. It will be remembered at that time that the depositors guaranty fund had become depleted and the bank guaranty law in Texas was a dead letter. About 4 p. m. on April 8, 1927, the officers of the Citizens State Bank received notice from the Ranger State Bank officials that the latter would not be able to open its doors on the following morning, due to the fact the Ranger State Bank had more loans than deposits, the majority of loans being foreign and impossible to be realized on.

At that time people of Ranger had \$450,000 deposits in the Ranger State Bank which, as stated above, was not protected by the Guaranty Fund. After an all night meeting of the officers and directors of the two banks, the Citizens State Bank concluded, rather than to see the Ranger State Bank close, to take it over and assume its liabilities, including the \$450,000 deposit. The two banks merged on April 9, 1927. Another bank failure for Ranger had been averted. This merger finally cost the Citizens State Bank more than \$51,000.

Business proved to be good during the years of 1927-28. The Commercial State Bank was organized during 1928 and business continued good until the stock market crash in the latter part of 1929. The Citizens State Bank and the Commercial State Bank continued to function, both banks were in good condition. After the depression got under way it was quite apparent that one bank could handle the banking needs of Ranger and it was further apparent that two banks were a duplication. The taxes alone on the Citizens State Bank were over \$300 per month. The rent amounted to \$250 per month, to say nothing of the employees' salaries and other expenses, which could not be re-

duced. The Commercial State Bank owned its building and, of course, had no rent to pay. A movement was started to consolidate the Commercial State Bank and the Citizens State Bank purely as an economy measure. The two banks were merged in September, 1931, and the stockholders of the Citizens State Bank were paid 100 cents on the dollar for their stock of the same kind of money that they originally invested in addition to the excellent dividends which were paid during the years the bank operated. At this same time stockholders in many other banks were losing their stock plus an assessment equal to their investment. The public wisely accepted the consolidation knowing it to be the proper thing to do. The Commercial State Bank continued normal business and was in good financial condition having far more cash reserve than required by law and had no borrowed money.

The depression continued and business grew worse which caused banks to fail in greater numbers than ever. Both large and small banks, old and new, were compelled to close their doors and with Ranger having had six bank failures during normal times and with some towns nearby losing part of their banks, some all, it was enough to cause Ranger people to become frightened, which resulted in a run on the Commercial State Bank and \$140,000 was drawn out in cash in four days. The directors concluded the only way to stem the tide was to restrict withdrawal and the withdrawal limit was invoked. To close the bank meant liquidation of the notes which would have been a big sacrifice to borrow and would have resulted in bad business for the town, and left Ranger without a bank. When a bank is forced into liquidation it seldom pays back the depositor 100 per cent. I was determined to see that every depositor receiving 100 cents on the dollar. Ordinarily, under circumstances of this kind, the banker's health fails and he is required to move to a foreign seaport or some magic valley—to regain his health. I will admit I had a few headaches during this time, but otherwise my health remained good. The climate quite agreed with me and I am still enjoying good health. Also the directors of the bank did not seek to blame anyone else as often is done, but assumed the full responsibility.

The co-operation received from the depositors has made it possible for me to pay you back 100 cents on the dollar as I have al-

ways promised I would do and has enabled us to gradually collect our notes in an orderly way and without crushing our borrower. As notes were collected we released deposits and I do not know of any one who has suffered. If we had closed the bank as dame-rumor so often said would be done, the above could not have been accomplished.

To compensate the depositors in a small way we wish to pay 4 per cent interest per annum to those who have not received accommodation from the bank in any way or who have not used the bank profitably since their account has been frozen. If any depositors have been forced to sell his deposit at a discount through necessity, not fear, or if any depositor has been forced to borrow due to the fact his funds were restricted here and had to pay more interest than we are paying, I wish such depositor to contact me personally.

We are not using this article to seek praise or credit for what we have accomplished. It was our duty to do what we have done and more if possible. I do not think anyone needs praise for doing their duty, we only regret that it could not be done sooner.

I want to thank the customers of the bank, and more especially the depositors, for their patience and forbearance. Also the directors join me in thanking the depositors of the bank for their co-operation and loyalty.

Sincerely yours,
HALL WALKER,
Vice President Commercial State Bank, Ranger, Texas.

As notes were collected we released deposits and I do not know of any one who has suffered. If we had closed the bank as dame-rumor so often said would be done, the above could not have been accomplished.

To compensate the depositors in a small way we wish to pay 4 per cent interest per annum to those who have not received accommodation from the bank in any way or who have not used the bank profitably since their account has been frozen. If any depositors have been forced to sell his deposit at a discount through necessity, not fear, or if any depositor has been forced to borrow due to the fact his funds were restricted here and had to pay more interest than we are paying, I wish such depositor to contact me personally.

We are not using this article to seek praise or credit for what we have accomplished. It was our duty to do what we have done and more if possible. I do not think anyone needs praise for doing their duty, we only regret that it could not be done sooner.

I want to thank the customers of the bank, and more especially the depositors, for their patience and forbearance. Also the directors join me in thanking the depositors of the bank for their co-operation and loyalty.

Sincerely yours,
HALL WALKER,
Vice President Commercial State Bank, Ranger, Texas.

Show Sales For Oldsmobile Lead Those Made 1933

More Oldsmobiles have been sold at retail at the New York Automobile Show this year than during any other year in Oldsmobile history. More than twice as many have been sold than were sold at the 1934 Show.

These figures were made public today by D. E. Ralston, vice president and general sales manager of Oldsmobile and were cited as the basis for increased optimism over general business conditions.

"There can be no question of public acceptance of the 1935 Oldsmobiles," said Mr. Ralston. "The policy of giving the public every proven feature certainly is paying dividends. From the time the doors were opened at the New York Show, the Oldsmobile booth was crowded with visitors."

H. L. HART AN APPLICANT FOR MAVERICK HEAD

Coach H. L. Hart, former all-conference Daniel Baker end, and assistant Maverick coach this past season, is regarded as a likely choice to succeed "Red" Petty, who recently resigned as head Maverick mentor, it was learned Wednesday.

Hart's work with the 1934 Maverick line coupled with his record as head coach at Nacogdoches, Texas, and Maryville, De Ridder, and Lake Charles, La., have won for him a reputation as a capable mentor.

Confronted with little material for a line, he so juggled the players from position to position and produced by the end of the season a line that could hold against the strongest offense in the Oil Belt.

In Evans Mitchess, Hart uncovered one of the fiercest and most savage like tackles that Maverick fans have looked upon. Under his tutelage Sam Butler and D. C. Frost received recognition in the district.

Before coming to Eastland Hart compiled a record in Nacogdoches and three Louisiana towns. During his regime as head mentor his teams won 34 games while losing only eight and tying three.

Hart has tutored several nationally famous football luminaries. Among the stars were Bill Bankers, "The Blind Blizzard," and Don Zimmerman, both all-American at Tulane university. Hart had the two stars on his team at Lake Charles, La. Bur Baxger, former all-Southwest conference back at S. M. U.; Buck Frizzell, Centenary tackle, and Charles Baker, present S. M. U. lineman, are among his former players.

Coach Hart was elected Maverick mentor in 1923 but declined the position. He has attended coaching schools instructed by Knute Rockne, late Notre Dame coach; Howard Jones, U. S. C. coach, and Pop Warner, Temple university coach.

Besides Hart as a likely applicant there are two or three more. It is unlikely that selection will be made before Feb. 4, the Eastland school board's next meet date, unless a special meet is called.

WOODULL IS FIRST TO TAKE OFFICE OATH

AUSTIN, Jan. 15.—A former court reporter and a former shorthand expert took up the reins of Texas' state government shortly after noon today.

James Allred, 36, was sworn in as governor. Walter Woodull of Houston preceded the chief executive by taking the oath as lieutenant governor.

Both men who rode to high positions in public life from humble beginnings, stood on an improvised platform over the first steps of the state's granite capitol building.

Before them was a multitude of about 10,000 persons, come from all parts of Texas to witness the ceremony. Heavy clouds hung overhead.

Woodull, a tall, big-boned Texan took the oath first. Allred watched nervously. For four years he has been attorney general, but this was no courtroom. He was appearing not before one judge—but 6,000,000 judges who work and live in Texas.

Projects Meaning Employment of 334 If Approved Are Announced

Eight work relief project applications which if approved will mean employment for 334 men were announced Tuesday by Administrator H. E. Driscoll at county relief headquarters.

The projects were scheduled to be sent to Austin Tuesday from where approval or rejection will be made.

The applications:

Application to subgrade, fill with chat and grade the following streets in Ranger: Oak, Tiffin, Spring, Austin, Hospital, Gholsen, Terrell and Wilson. Estimation of cost \$16,568.45 with employment for 74 men.

Application two miles north and three miles west of Ranger to remove 7,333 square yards of earth from subgrade and replace with 2,444 cubic yards of road gravel or caliche. Cost \$3,654.80 and 42 men.

Remove, rebuild three miles of fences, grub and grade right of way, erect a 50 foot span bridge; make a 600 foot fill using 1,600 cubic yards on Eastland-Bedford road, 59 men.

Cleaning of dump grounds and disposal plant, moving garbage from top of hill into canyon at northwest corner city limits of Cisco. Cost of \$2,779.60 with employment of 52 men.

Set back fence and grubbing right of way distance 1 1-2 miles and building and setting three culverts. On Seranton-Cisco road leading to salt tank road leading to Cisco. Cost of \$1,424.60, 25 men.

Application for grading, draining, cleaning, widening and fencing 2 1-10 miles of lateral road from Kokomo to Eastland. Road to be 50 feet wide when completed. Cost of \$2,540.16, 65 men.

Painting Colony school building inside and outside. Provides for 8,932 square feet to be painted and 50 window lights installed. Is supplement to original project No. 67-B4-81. Cost of \$290 with employment of 10 men.

Building flue, leveling and draining school grounds, landscaping, setting flag pole and building reek wall around Grandview school between Gorman and Staff. Cost of \$202.37, with 7 men to be employed.

ALLRED SAYS OPEN DOOR TO BE HIS POLICY

AUSTIN, Jan. 15.—Gov. James Allred today promised Texas a governing policy of "open caucuses openly arrived at" by the state's 6,000,000 persons, the legislature and chief executive, law enforcement and adequate relief were pledged.

"The day of the political trickster of closed doors, log rolling, of patronage trading, of political sniping, of political sabotage—these days all of them should pass out with the fogs of yesteryear," Governor Allred told his audience.

"The sunshine of truth should come through open doors so all may see just how this government is carried on."

If Postmaster General Farley finds it so easy to get a profit out of his department's operation in 1935, wouldn't it be a good idea to make him secretary of the treasury?

Fergusons Leave Governor's Office For Fourth Time

AUSTIN, Jan. 15.—Governors "Ma" and "Pa" Ferguson today left the Texas governor's office in which they have been occasional tenants since January, 1915.

Each looks back upon two elections to the governor's office. Jas. E. Ferguson served one complete term and part of another when he was impeached and forbidden ever to hold state office.

Mrs. Ferguson became governor in 1925; was defeated by Dan Moody and Ross Sterling and then defeated Sterling to again become governor in January, 1933.

Their departure was believed to be their final exit from the stage of Texas politics. C. C. McDonald and Tom F. Hunter, their successive choices in the last state campaign for governor, bowed in turn before the sweep of Allred votes.

The nominal honor of national committeeman for the Democratic party, won by "Governor Jim" as a final tribute, was relinquished when Vice President John N. Garner, agreed at Allred's suggestion to accept the post.

"Pa" Ferguson will be 64 in August. Mrs. Ferguson is just four years his junior. Together

Expects 1935 To Be Big One For Insurance Firm

Swinging into the year 1935 with an optimistic spirit of enthusiasm, Frank Lovett, who has been representing the Southwestern Life Insurance company of Dallas for the past nine years, states that the company looks for the biggest business this year in its history. The expectation is based solely on the record of this remarkable Texas insurance institution, which has maintained a standard second to none in its line. The statement as published in this issue of the paper of its financial condition is truly one to be proud of.

Regardless of what kind of life insurance one may desire Mr. Lovett has just that kind of policy to offer, and of course every person should have an insurance policy. Mr. Lovett has his office at 208 South Lamar street, phone 33. The following statement as handed to us by Mr. Lovett gives in detail the loyalty to the Southwestern Insurance company to the state of Texas and its citizenship:

Of all the indices of Texas business conditions, perhaps none offers more definite and specific proof of progress than the annual statement of a large life insurance company which for thirty-two years has done business in every nook and corner of Texas, but which writes no insurance outside of Texas. Such a company is the Southwestern Life of Dallas, the only one of the large Texas companies which does not go outside the State for business. It is by far the largest United States company operating in only one state. By reporting an increase of more than fifteen millions insurance in force during 1934, the first substantial gain since 1930, this Texas institution offers significant evidence of business improvement in Texas.

A record of the Company's size for the past five years writes the history of the depression. Up to the end of 1929, the Southwestern had made large gains annually for many years, having doubled in size during the previous six years.

Early in 1930 losses and surrenders began to be felt, and the gain during that year was small—approximately one-third of that for 1929. On December 31, 1931 the Company had less insurance in force than it had at the beginning of the year. The next year, 1932, generally conceded to be the worst for nearly all lines of business, proved the most difficult for Texas policyholders. Notwithstanding the production of thirty-seven millions of new insurance by the Company's agents, the total volume in force fell off more than fourteen millions. Recovery commenced in 1933 when a gain of about one and a half millions was recorded. The gain of fifteen millions for 1934 has just been announced in the annual report to policyholders of President C. F. O'Donnell.

A comparison of the annual statements for 1929 and 1934 reveals some interesting changes in the Company's investment practice, due to the introduction by the New Deal of its government lending agencies. Prior to 1930 the Southwestern Life found a ready outlet for its reserves and surplus funds in the mortgage loan field, and 55 per cent of its assets were invested in loans on Texas farms and city property. At the end of 1934 only 36 per cent of its assets were in mortgages, while the bond item had increased from 8 per cent to 22 per cent.

The tendency toward increasing liquidity is revealed in the larger proportion of cash and United States Government bonds, now more than five millions, or approximately 12 per cent of all assets, as compared to 8 per cent at the end of 1929. While the normal income of a legal reserve life insurance company far exceeds its normal disbursements, the companies have been called upon in recent years to meet heavy withdrawals of policy reserves or "cash values." Many millions of dollars have been loaned to Texas citizens on the security of their policies, and doubtless many a business and family budget has been saved by these emergency funds.

President O'Donnell says that the demand for policy loans has been steadily decreasing, however, and life companies are turning again to long-term investments. With gradual retirement of the Federal Government from the real estate loan business, the companies are anticipating an improved demand for first mortgages. Properly selected Texas mortgage loans have given a good account of themselves during the depression. The Southwestern Life's figures for 1934 reveal that interest collected on real estate loans during the year yielded a return of six per cent on a total investment of more than sixteen millions. Since organization in 1903, the Company has loaned approximately forty-six millions to Texas citizens on Texas real estate.

Co-Op Terracing Agreement Signed

COLLEGE—Terracing takes its place early as an important rural activity of 1935 and is so recognized by an agreement between the Texas Extension Service and Texas Rural Communities, Inc., to cooperate in increasing the amount of land in the state under the protection of terraces.

Under the plan, which is definitely a part of the rural rehabilitation program of the Emergency Relief Administration and of the soil and water conservation program of the extension service, M. R. Bentley, agricultural engineer, will have charge of the extension service and will give supervision to the work which will be carried on in the counties through the farm demonstration work supplemented by terracing assistants employed by relief agencies.

The extension service, according to the agreement, will be responsible for securing the cooperation in counties desiring the program; for furnishing technical supervision of county terracing assistants employed by the Rural Communities Inc.; and for assisting with training workers and giving general supervision of conservation work.

The Rural Communities Inc., which is the governmental agency charged with rural rehabilitation, will employ an assistant to its manager to furnish general supervision of these terracing assistants, will provide funds on a refunding basis to facilitate conservation work that will furnish work for relief labor and will also provide financial aid for individuals who desire to terrace their lands with relief labor but are unable to obtain the money for it from regular financial institutions. These loans will be so arranged as to be payable over a long period of time with small interest charges.

Daniels-Williams Wedding
Curtis McCleskie was host to a large number of guests at his home last Friday evening when he gave a wedding party honoring Mr. Henry (Buddie) Daniel and Miss Winifred Williams.

During the latter part of the evening everyone was called inside and asked to take seats to begin a new game. While the guests were waiting for instruction the door was opened and Mr. Daniel and Miss Williams walked into the center of the room and to the surprise of those present, the wedding ceremony was read immediately by Rev. R. T. Smith, pastor of the local Nazarene church.

After congratulations from the friends of the couple, refreshments were served.

The bride was lovely in blue silk crepe with white trim. She is the daughter of Mr. and Mrs. C. W. Williams of this city.

The groom is the son of Mr. A. W. Daniel, also of Eastland.

Those present in addition to the bride and groom were Misses Estelle Smith, Anabel Arterburn, Inez Smith, Maureen Arterburn, Ruth Pangburn, Mary Frances Berry, Jo Frances Thomas, Mable Green, Marie Hilburn, Lucy Dell Myrick, Lahoma Berry, Wanda Lee Berry and Beatrice Daniel, sister of the bridegroom.
Lawrence Rust, Ralph Greer,

Jake Smith Jr., Buster Doyle, Doll Williams, J. C. Myrick, Calvin Williams and Curtis McCleskie, host, Mr. and Mrs. Herman Phillips, Mrs. Alene McCleskie, Mr. and Mrs. D. E. McCleskie, Mrs. Jake Smith, Sr., and Mrs. Berry and Rev. R. L. Smith.

New Hat Blocking Machine at Modern

Keeping up with progress and ever ready to render the highest type of quality service in this community the Modern Dry Cleaners and Dyers have installed the very newest and most modern hat blocking machine on the market. This new innovation gives better workmanship, speedier service and guaranteed satisfaction. J. B. Johnson says, "We are proud to announce first, our new model 1935 factory method hat crown and brim ironing machine; second, our affiliation with Rhodes National Hatter Bureau of Scientific hat renewal and a franchise for the use of Col-r-bac, a product recently developed in the Nacco Laboratories which will produce the Rhodes factory finish, eliminate surface mouse color perspiration stains and mottled spots on hats. We invite any one to inspect our new hat department operating daily in our show window."

This is just another stride towards giving everybody in this community the best of service by the Modern Dry Cleaners and when something new and different that gives better work comes out they are the first to install it. Such an institution deserves the patronage of the citizenship of this entire territory.

"BIOGRAPHY OF A BACHELOR GIRL" DELIGHTFUL; FILLED WITH AMUSING SITUATIONS

"Biography of a Bachelor Girl," the new Metro-Goldwyn-Mayer film playing Monday and Tuesday at the Lyric theatre, bring back a team which won dramatic fame with a single picture.

They are Ann Harding and Robert Montgomery, together again for the first time since the prize-winning "When Ladies Meet."

Miss Harding, needless to say, is the bachelor girl, and an exceedingly glamorous one. She is Marion, artist and sophisticate, who has tread the gallant path to fame.

Montgomery is the curt Mr. Kurt, hard-boiled magazine editor who induces the girl to write the colorful story of her life.

"THE NIGHT IS YOUNG" MUSICAL ROMANCE

Ramon Novarro in romantic uniform, teamed with a piquant new personality from England, champagne-blonde Evelyn Laye, charms with music, romance, comedy and drama in "The Night Is Young," Metro-Goldwyn-Mayer's glamorous new Viennese musical romance.

playing at the Lyric theatre Sunday

Novarro, as the young arch-duke, sings superbly, and Miss Laye, too, has a glorious voice plus much beauty. And, contrasted to gay comedy and light-hearted romance, they also stage some poignant dramatic moments.

The story deals with a young archduke's forbidden love affair with a ballet girl. Clever little touches such as the musical marionettes, the comedy song of Charles Butterworth, and other details add unique charm.

The universe, say scientists, is expanding at a rapid rate. Can't someone please call this to the attention of Huey Long?

COLLEGE YOUTHS IN STIRRING DRAMA AT LYRIC THEATRE TODAY

Three distinct romances, although woven together in the same plot, are unfolded in the First National production, "Gentlemen Are Born," which comes to the Lyric theatre today.

The story is a thrilling drama with plenty of lighter comedy touches and gay music, including familiar college songs and a new air written by the famous song team of Sammy Fain and Irving Kahal, entitled "When You Call the Roll, Alma Mater."
There is an all star cast headed by Franchot Tone and three leading ladies, Jean Muir, Margaret

Lindsay and Franchot Tone in "Gentlemen Are Born" nearly ruins himself.
