## "MY TURN"

By  
Carol  
Ellis

THE CLASSIFIED PAGES of newspapers down through history have been a great place to pick up amusing and sometimes unplanned little slices of humanity. Traditionally, the reader's imagination fills in the blanks--often quite colorfully. For instance:

From the *Galena Park (Texas) Channel Press*: "Emma -- please come on home. All forgiven. My upper plate is still in your purse."

From the *DeKalb (Illinois) Daily Chronicle*: "Day Nursery -- Expert supervision for ages six weeks to five years. By hour or day. Unreasonable rates for unreasonable children."

In Hobbs, New Mexico, some years ago Fire Chief Archie Conner shut down his department for two days and posted a notice in the paper warning: "Positively no fires allowed."

*Wildwood-by-the-Sea (New Jersey) Independent Record*: "Rummage Sale--The Ladies' Auxiliary, having cast off clothes, now invite your inspection."

In the *Duluth (Minnesota) News-Tribune*: "As far as my husband, not being responsible for my bills, he never was. I have always paid the bills as he usually doesn't work."

In an Abilene, Texas newspaper: "\$10 reward for south-side apartment, large enough to keep young wife from going home to mother, small enough to keep mother from coming here."

*The McLeansboro (Illinois) Times-Leader*: "Will the person or persons who took all my hens and left the old rooster come and get him. He is lonesome."

It pays to advertise. C.K. of Nebraska City placed this ad in the *Nebraska City News-Press*: "I wish a Merry Christmas to the person who stole my coat." The next day he got his coat back in the mail.

*Sarasota (Florida) Journal*: "For Sale--Two bedroom home. Blonds and drapes go with the price."

*Cactus (Arizona) Sage*: "For Sale--Occasional chair by lady with carved, clawed feet."

*Schenectady (New York) Union Star*: "Widow desires girl to share home or gentleman."

Under "Antique and Restoration" in *St. Petersburg (Florida) Times*: "Figures and busts reduced. Sensational reduction of other things. Imported old bags at your own prices."

*Hile (Hawaii) Tribune-Herald*: "Wanted--3 men to help install electric unit and one office girl."

The publisher of the *Seminole (Oklahoma) Producer* ran an ad in the *Daily Oklahoman* for: "Reporter, male or female, must be able to READ and WRITE."

*Miami (Florida) Herald*: "LOST--Saturday night between 320 and 545 NW 29th Street, blue Japanese silk pajama bottom."

*Decatur (Illinois) Review*: "Wanted--Used Secretary in good condition."

*Montreal (Quebec) Star*: "Apartment wanted immediately by man expecting first baby."

*Merced (California) Sun Star*: "For Sale--Mattress, in use only a few weeks, and large diamond engagement ring."

In the same vein, from the *Racine (Wisconsin) Sunday Bulletin*: "Like new, 16 gauge shotgun for sale cheap. Also wedding dress with veil."

Baby-sitting ad in the *Palo Alto (California) Times*: "Middle-aged woman who enjoys boys by the hour, mostly at night."

*Cheboygan (Michigan) Tribune*: "For Sale--Police dog. Will eat anything, fond of young children."

*Lubbock (Texas) Avalanche-Journal*: "For Sale--Chocolate covered chihuahua puppies, tiny size, very sweet."

From the *Ramsey Air Force Base Daily Bulletin*: "Found--Parakeet. I own a cat. HURRY! Call 555-1002."

*Delta Democrat-Times (Green-ville, Mississippi)*: "Nice two bedroom home in shady neighborhood."

## Early Vote Date Is Given For Election

Early voting is underway in the County Clerk's office in Farwell for the special election on May 1, when voters will make their choices for the U.S. Senator, as well as voting on the three proposed amendments to the state constitution.

County Clerk Bonnie Warren announced that an early voting day will be held in Bovina next Tuesday, April 20 at the City Hall.

On Thursday, April 22, an early voting booth will be conducted at Friona, Texas Federal Credit Union, for the convenience of voters.

Early voting in the Parmer County Hospital District is also being conducted by the county clerk, rather than at the hospital, as stated last week.

Otherwise, the early voting continues for the school board and city council elections at both Bovina and Friona. Deadline for such voting will be Tuesday, April 27, and votes may be cast at the superintendent's office or city halls of either community.

The city and school election is also scheduled for May 1.

## MEET YOUR NEIGHBOR

By JUNE FLOYD

Even though O.H. and Carlene Martin Jones have lived at 809 Sherwood Lane for the past 27 years, they are still farmers at heart. Both of them grew up on farms and were actively engaged in farming the first thirty years they were married.

Carlene was the fifth child in a family of six. Her mother died when she was two, so she grew up in the home of her paternal grandparents, Mr. and Mrs. J.M. Martin, who farmed in Lamar County, Texas.

Following her graduation from Paris High School, she went to Memphis, Texas to visit her father, Carl Martin, a Hall County cotton farmer.

While there, Carlene became acquainted with one of her father's neighbors, O.H. Jones, who was the fourth child in a family of ten.

Their friendship soon developed into romance and the two were married October 24, 1936. They continued to live on a Hall County farm, where cotton was the principle crop, for the next fourteen years.

In 1950 the Jones family moved from Hall County to Kress,

## B.P. Clinic Slated Here

A blood pressure screening clinic is scheduled at Bovina Clinic on Wednesday, April 21 between the hours of 9 and 11 a.m.

The clinic is sponsored by Parmer County Community Hospital Home Health Department.

Anyone who wishes may have their blood pressure checked that day, free of charge.

## Highway Hearing Is Slated

The Texas Department of Highways and Public Transportation will hold a public hearing on April 26 at the Lamb County Courthouse at 7 p.m.

The purpose of the meeting is to receive comments for highway projects to be budgeted in 1994, 1995 and 1996.

The public is invited to attend the meeting and make comments on road work they feel needs to be done, says County Judge Bonnie Clayton.

O.H. and Carlene Jones

Texas, where they continued to live and produce cotton for five years.

As was the custom with farmers at that time, O.H. and Carlene milked cows, separated the milk, took care of hogs and chickens and marketed the produce.

They also grew fruit and vegetables and always had chores for them and their children to do.

In 1955, the couple purchased a section of land from Lee Sudderth and for the next eleven years a farm southeast of town was home for the Jones family.

They retired in 1966 and for the next few years devoted their time to travelling and visited most of the forty-eight continental United States, as well as Canada and Mexico.

O.H., who was an avid fisherman, generally found some place to cast for whatever fish were available and Carlene was his able assistant.

For a number of years, these two spent several months each year in South Texas to avoid the cold in the Texas Panhandle. However, health problems have kept them closer to home in more recent years.

The couples' children and their spouses are Reggie and Sandra Jones, Amarillo; Donald and Vicki Jones, Farwell; Kathy and Lowell Boozer, Canyon; and Brenda and Jon Lin Riddle, Bovina.

Carlene laughingly said, "When we all get together, there's so many of us we need a community center."

Their grandchildren are Regina Jones of Amarillo, who has two daughters, Ramona and Rochelle; Ronna Jones Gilliam and her husband, Vince, of San Antonio, who have a son, Patton; and Randy Jones. He and his wife, Sandra, have a daughter, Melissa Rachele. They also live in Amarillo.

Also, Cory, Jeremy and Kristi Jones and Cindy Langley, who has a son, Kolton, of Farwell. Cory is in the Navy in Florida.

Also, Misty Boozer Black of Manhattan, Kansas, whose husband is Mitch; and David, Amy and Lynn Boozer, who live in Canyon. David and his wife, Dawn, have two children, Douglas and Patricia.

Also, Denver Riddle of Bovina; Casey Dee Riddle Weathers and Jon Riddle. Denver and his wife, Christy, live here. Casey Dee and her husband, Fred, live in Tacoma, Washington and Jon and his wife, Nikki, and children, Kyla, Kassie and Kale, live in Clovis.

RIBBON CEREMONY...The Bovina Chamber of Commerce held a ribbon-cutting ceremony for Fast Stop Conoco, which is holding a grand opening promotion this weekend. From the left are Fast Stop employees Mel Clark and Joe Murphree, and Chamber officials Bret Whitten (president), Jeff Steelman, D'Lynn Jamerson and daughter Taryn, and Kenneth Waters.

## Bovina Pioneer B. Sudderth Passed Away On April 8th

Funeral services for W.M. (Billie) Sudderth, 76, were conducted from the First United Methodist Church at 2:30 p.m., Saturday, April 10, with Rev. Steve Venable, pastor, officiating.

Burial was in the Bovina Cemetery under the direction of Ellis-Blackwell Funeral Home.

Sudderth, who was born at Leonard, Texas, moved to the Bovina area with his parents, the late Mr. and Mrs. Lee H. Sudderth, in 1921, died at St. Mary's of the Plains Hospital in Lubbock, Thursday, April 8.

He was married to Obereta West on December 19, 1934, in Clovis, New Mexico.

During World War II, Sudderth served in the United States Navy. He was a Seabee and served as the Parmer County Veteran's Service Officer following his discharge.

He was a farmer and rancher and was involved in many civic, community and church activities. He was a member of First United Methodist Church and the Methodist Men's organization. He was also a member of the Bovina Chamber of Commerce and was named "Man of the Year" in 1968.

## Weather: Normal For Area

You could tell by the temperatures during the past week that we're still sort of "between seasons" on the calendar.

Area residents enjoyed one of the most beautiful Easter weekends that could be remembered, as temperatures were in the 80s for Saturday, Sunday and Monday. Even the wind, which is this area's usual culprit, stayed down for the most part.

Then on Wednesday, the temperature hit the skids again, as a fast-moving cold front also left .17 inch of moisture in Friona and .23 inches in Bovina.

The mercury continued to drop Wednesday night, falling to a low of 27 degrees on Thursday.

Farmers in the area are still needing a good, soaking rain, as the wheat is badly needing moisture, as well as pre-planting moisture for row crops.

BILLIE SUDDERTH

In 1959, he had the distinction of being chosen as DeKalb's Corn Growing State Champion. He has also served as a city commissioner and a member of the local school board.

His interest in the young people of the community was shown by his willingness to sponsor Little League Baseball teams and to work with the local Boy Scouts.

Survivors include his wife, Obereta, of the home; two sons, Glenden Sudderth of Bovina and Ronnie Sudderth of Springtown; three brothers, Sam Sudderth of Shawnee, Oklahoma, Don Sudderth of Alamogordo, New Mexico and Melvin Sudderth of Palm Springs, California; and two sisters, Ruth Redden of Canyon and Frances Hodges of Happy.

Eight grandchildren and five great-grandchildren also survive. Active pallbearers were Daryl Kirkpatrick, Kregg Wilson, Greg Bell, Larry Mitchell, Roy Hartzog and Dennis Willard.

Honorary pallbearers were all of his many friends.

The family requests that memorials be made to one's favorite charity.

## 'Salute To Excel' Is Being Planned

A "Salute to Excel" is being planned in a special edition to be published by the Friona Star and Bovina Blade on April 30.

The special issue will commemorate the 25th anniversary of the beef packing plant, the area's number one employer.

Excel, which was originally known as Missouri Beef Packers, Inc., held its Open House in late April of 1968, and slaughtered its first run of cattle during the first week of May, 1968.

BUSINESS OF MONTH...The Bovina Chamber of Commerce is saluting Kerby Welding this week as its Business of the Month. Shown are owners "Big Al" and "Little Al" Kerby, who stand ready to serve the needs of area farmers.

# SPS Submits Co. Response to PUCT

As part of a rate review ordered by the Public Utility Commission of Texas in October 1992, Southwestern Public Service Company has completed a current cost-of-service study and today filed a response to the PUCT order.

Although SPS's overall rates are among the lowest in the state, the PUCT ordered SPS to demonstrate that its earnings level is appropriate and its rates are "just and reasonable".

SPS President Coyt Webb said the SPS filing demonstrates that SPS efficiencies have saved customers \$84 million a year, compared with the average operating expenses of all other electric utilities in Texas. That has helped keep SPS rates among the lowest in the state.

SPS's operating costs and production expenses per kilowatt-hour generated are among the lowest in the nation, Webb said. "That's one reason--along with lower fuel costs--why our customers' overall price for electricity has declined almost every year for the past ten years," he said.

"Just and reasonable rates are designed to allow a utility to recover its investment and operating costs, and to provide to investors a return that is related to its efficiency," Webb said. "And we believe SPS has demonstrated in this filing that overall, it is the one of the most efficient electric utilities in Texas."

Higher property taxes, expected higher federal corporate income taxes, new accounting rules, and gradually increased employee expenses have been identified as primary factors contributing to increased company costs," Diller said. "These known and expected factors have been included in our cost-of-service study, and the result is a small revenue deficiency."

Such a deficiency indicates that overall revenues resulting from current rates are actually lower than warranted by the study, Diller said. In addition, the study shows that costs need to be reallocated among classes of customers, he said.

"As required, the SPS response includes new tariff sheets for all classes of customers. These new tariff sheets correct the revenue deficiency and reallocate, on a fair-share basis, costs among all classes of customers." Diller said. "It is important to note that SPS had no intention of making a filing at this time and we are only responding to the PUCT order."

The overall increase in rates indicated by the cost-of-service study is 1.25%, or \$5.6 million. However, because of the reallocation, adjustments would vary among classes, Diller said. Under the new tariff sheets, some customers--including many small businesses, cotton gins, and grain elevators--would receive a small decrease, Diller said. However, for residential customers, the average bill would increase 5.1%.

The overall rate includes the base rate and the fuel cost. In the new tariff sheets, the base rate portion of a residential customer's bill would increase 8%, while fuel costs would decrease slightly, creating the 5.1% overall increase for residential customers.

An SPS residential customer on the "lighting rate" who uses 700 kilowatt hours each month, would see a monthly bill increase of \$2.05--from \$46.71 to \$48.76.

Even with the indicated increase, the overall residential rate will remain 13% lower than it was ten years ago and will still be among the lowest in the state, Diller said.

A hearing is scheduled to begin in Austin on August 31, wherein SPS, the PUCT, the affected Texas cities who have original jurisdiction over rates within their boundaries, and others will participate in this process. A final decision by the PUCT isn't expected until late 1993, and new rates, if ordered, would not go into effect until that time.

Southwestern Public Service Company serves 75 cities in the Texas Panhandle and South Plains. It also serves customers in New Mexico, Oklahoma, and Kansas. Corporate headquarters are in Amarillo, Texas.

# Looking Up!

**BY RICHARD L. GRISHAM**  
Someone asked me recently, "What happens when you die? And when will we be resurrected?" This person who asked is a believer and church member and sincerely wanted to know.

Perhaps the question arose due to the Easter season or recent death of a loved one. Many other folks probably wonder about the same things, so let me address these two questions for you who are also believers in Christ.

First, "What happens to you when you die?" The Apostle Paul tackles this concern in 2 Corinthians 5:1-10. In verse 8 he states that for the believer who dies, "to be absent from the body" is "to be present with the Lord."

Just as Jesus demonstrated when He expired on the cross, our human spirit and soul go to be with God. "And when Jesus had cried with a loud voice, he said, "Father, into your hands I commit my spirit" (Luke 23:46).

The book of Ecclesiastes reminds us, "Then shall the dust (the body) return to the earth as it was, and the spirit shall return to the God who gave it" (12:7).

So, when we die, "we shell out," to use agricultural terms, and "leave the pod behind!" That is, the spirit and soul leave the physical body behind as they go directly into the presence of God.

The church at Thessalonica was greatly concerned about their Christian family members who had died. What would happen to their bodies?

Would they be forgotten and never remembered again?

Had the second coming of Christ already occurred? If so, had they

and their deceased loved ones been left out of the resurrection?

Paul assures them in 1 Thessalonians 4:13-18 that the second coming of Christ and the resurrection of believers was still to come. "Unlike others who have no hope," Paul states that the resurrection of Jesus from the dead guarantees the eventual resurrection of all believers who have died in Christ (v. 14). He affirms that their departed spirits "God will bring with Him" when Christ returns.

Verse 15 informs us that those blessed believers who are alive at the time of Christ's coming "will not precede" those who are resurrected. "The dead in Christ will rise first," Paul promises in verse 16 and 17, "and after that, we who are alive and are left will be caught up with them in the clouds to meet the Lord in the air!" WOW! Sounds like rapture to me!

The newly resurrected, transformed bodies of those believers who have died will be reunited with their returning spirits! Then ZAPPO! Those Christians who are alive at the time of Christ's return will also be instantaneously changed!

This will occur, Paul tells us in 1 Corinthians 15:52, "in a flash, in the twinkling of an eye!" It has been estimated that the "twinkling of an eye" occurs in about 1/200 of a second!

This event will happen, the Scriptures tell us, when the Lord descends, the archangel shouts, and the trumpet blows a call to rise and shine! WOW! "Lord, I'm gonna be in that number, when the saints come zooming up!"

One of our favorite activities is to picnic. We love to eat sandwiches, some soft drinks and a park. While standing in line at a restaurant, we're eating lunch on a picnic. The ducks play in the ponds. Picnics give us a chance to get away from stuffy, stressful meals. Of course, high winds and bad weather can ruin an outdoor meal.

Picnics are perfect for family and friends. League games and picnics are a fun way to spend an afternoon. An picnic can be as simple as a picnic at home, or it can be a picnic at a restaurant, including a picnic and potato salad or other picnic items.

Although picnics are fun, they can be a bit messy. Try to avoid messy foods like hot and cold foods. Try to avoid messy foods like hot and cold foods.

# Picknicking: Favorite Summertime Activity

BY CARLA MCKEOWN

One of our favorite summertime activities is to pack a couple of sandwiches, some potato chips and some soft drinks and have lunch in a park. While everyone else is standing in line or sitting in a busy restaurant, we're enjoying a pleasant lunch on a picnic bench watching the ducks play in the playa lake.

Picnics give everyone a break from stuffy, structured indoor meals. Of course, in West Texas, high winds and blowing dust can add a bit too much grit to an outdoor meal.

Picnics are perfect for post-Little League games and sunny weekend afternoons. An outdoor meal can be as simple as sandwiches prepared at home, or it can be more complicated, including fried chicken and potato salad or grilled hot dogs.

Although wicker baskets are pretty and fit into the picture of a romantic picnic, they aren't too practical when it comes to keeping the food safe to eat. Insulated containers are best for keeping hot foods hot and cold foods cold.

Try the following recipes on your next picnic:

### HOBO SANDWICHES

- 3 cups torn lettuce leaves
- 3/4 cups chopped tomatoes
- 2 hard-cooked eggs, chopped
- 1/4 cup Italian dressing
- 6 slices Swiss cheese.

- 6 slices Cheddar cheese
- 6 individual French bread loaves
- 6 slices salami, quartered

Toss lettuce, tomatoes, eggs and dressing. Cut cheese into triangles. Cut bread lengthwise and split. Spread bottom half of bread with salad mixture, top with meat and cheese. Onions and olive slices are optional. Wrap sandwiches in foil and keep cool until ready to serve. Makes 6 servings.

### NEW POTATO SALAD

- 1-1/2 pounds small new potatoes
- 1 package (1.3-ounces) Italian dressing mix

- 1/2 cup thinly sliced celery
- 3 tablespoons minced green onions
- 3 tablespoons minced fresh parsley
- 1 tablespoon chopped pimiento
- Leaf lettuce

Cook potatoes in boiling water for 10 to 15 minutes or until tender; drain and cool. Cut potatoes into 1/4-inch slices; layer in a shallow serving dish. Prepare salad dressing mix according to package directions; combine dressing, celery, green onions, parsley and pimientos. Pour mixture evenly over the potatoes; cover and chill the salad thoroughly. Keep chilled until ready to serve. Makes 6 servings.

### CHILI BEAN CASSEROLE

- 3 tablespoons oil
- 1 large onion, chopped
- 1 carrot, shredded

- 1 clove garlic, mashed
- 1-16 ounce can stewed tomatoes
- 1-16 ounce can red kidney beans, drained

1-16 ounce can pinto beans, drained  
1-10 ounce package frozen cut green beans  
1/2 teaspoon salt  
1/8 teaspoon liquid red pepper sauce  
1 to 2 tablespoons chili powder, to taste

Heat oil in a large skillet, saute onion, carrot and garlic until tender but not brown. Add remaining ingredients, simmer over low heat for about 20 minutes. Taste and adjust seasonings. Keep warm until ready to serve. Makes 6 servings.

### TURKEY SALAD

- 2/3 cups mayonnaise or salad dressing
- 2 tablespoons cider vinegar
- 1 teaspoon salt
- 4 to 5 cups cut-up cooked turkey
- 1 cup sliced celery
- 1 cup minced green pepper
- 2 teaspoons grated onion
- 4 pita pockets, cut in half

In a large bowl, combine mayonnaise, vinegar and salt. Add chicken and remaining ingredients except pita pockets. Toss well. Cover and keep chilled until ready to serve. To serve, stuff 1/8 of the salad into each pita pocket half.

### PEANUT BUTTER COOKIES

- 1 cup granulated sugar
- 1 cup softened shortening
- 1 cup peanut butter
- 1 teaspoon baking powder
- 1/2 teaspoon salt
- 1 cup brown sugar
- 2 eggs
- 2-1/2 cups flour

Salt Lake City (Utah) Desert News: "Shoes too short? Have toes removed to fit by an expert."

Red Lake Falls (Minnesota) Gazette: "St. Joseph's Cemetery will be closed for the winter. Residents of this area should take due notice and govern themselves accordingly."

All of this leads me to conclude that folks around these parts are not using the Classified Page of this newspaper to their best advantage.

## Facts About The **BIBLE** BY JOHN LEHTI

### THE SANCTITY OF THE PRIESTHOOD

BY MOSAIC LAW, THE ISRAELITES WERE COMPELLED TO PROTECT THE PRIESTHOOD FROM BODILY HARM AT ALL TIMES AND UNDER EVERY CIRCUMSTANCE BECAUSE THEIR OFFICE WAS SACRED. THIS BECAME A STRICT TRADITION. IT WAS SOMETHING NEVER TO BE QUESTIONED. ALL ACCEPTED IT AS AN UNBREAKABLE COMMAND, GENERATION AFTER GENERATION OBEYING THE INSTRUCTION. AFTER SO MANY YEARS OF BEING OBEYANT TO THIS LAW, IMAGINE THE CONSTERNATION, THEN, OF SAUL'S ISRAELITE SOLDIERS WHEN HE ORDERED THEM TO KILL THE PRIESTS BECAUSE THEY HAD HELPED DAVID ESCAPE FROM SAUL'S MURDEROUS INTENT. # Scooter's Scoops

By Scooter Russell

Much-needed rain fell Wednesday morning and the report was that we had .23 of an inch. Temperatures felt chilly again and the winds made the chill factor a cool seventeen degrees.

**NEWS AROUND TOWN...**  
We received word early Wednesday morning that Leona McCain had passed away at the University Hospital after a short illness. She was only in the hospital a couple of days.

Mrs. McCain is survived by two children, Les McCain of Bovina and Claudie Hill of Littlefield. She also had grandchildren and great-grandchildren. Many knew her here and she was a sweet, lovely lady. Our sympathies to the family.

Our deepest sympathies to the family of Billie Sudderth, whose services were held last Saturday. He had many friends and family in the area and will be greatly missed.

Bill and Chris Cupit have a new granddaughter. This is the first child of their daughter, Randi, and her husband. Our congratulations. The couple lives in Lubbock.

Margaret Charles is a patient at the Methodist Hospital in Room 597E in Lubbock. Friends visited her on Saturday and said she had a mass on a kidney that caused hemorrhaging.

Nettie Lee Wilson was released from Parmer County Community Hospital in Friona where she had been a patient for several days. Mildred Rule of Friona will be staying with her in Bovina. Nettie Lee's granddaughter, Tana, has been here for a few days from Dalhart.

Our sympathies to Keith Knight, whose father passed away. He was Kenneth Knight and lived in Illinois. Services were held about April 6. Keith has returned home from Illinois.

\*\*\*\*\*  
The former Bernice Crump (I don't know her husband's name) has been hospitalized in the High Plains Baptist Hospital in Amarillo for a month following heart surgery. Friends, Artie Faye O'Hair and Nelline Spicer, visited with her on Wednesday.

\*\*\*\*\*  
Ronnie Cary was being released from the hospital Wednesday, where he has been a patient for almost a month after he was electrocuted. Ronnie had to have two toes on each foot amputated, but friends said he was in good spirits.

He will be returning to Lubbock once a week to see the doctor and will be having therapy in Clovis. The accident happened on March 16, according to his mom.

\*\*\*\*\*  
Dickie and Mary Evelyn Steelman recently took their trailer and spent a few days at Ruidoso, New Mexico. Mary Evelyn said Dickie had pretty good luck fishing at Bonita Lake and they had a good time but the weather was chilly.

\*\*\*\*\*  
Congratulations to James and Sandra Clayton on the birth of a new granddaughter, Shauni D'nae. The baby's parents are Shawn and Joanna Windle of Clovis.

\*\*\*\*\*  
Rick and Denise Anderson and sons, Zane and Bret, had a good time in Ruidoso over the Easter holidays.

\*\*\*\*\*  
Jim and I went to Hereford on Sunday and spent the day with our moms and took them out to dinner.

\*\*\*\*\*  
Kevin and Krystal Smith of Lubbock and Darlene and Stan Miller and daughter, Hannah, spent Easter Sunday afternoon with Kevin's and Darlene's parents, Bill and Suezzy Smith. Also with the family were friends, Jim and Joy Melton, and their company visiting from Canada.

\*\*\*\*\*  
Justin and Arlene Brozek drove to Great Bend, Kansas, and enjoyed visiting with Justin's parents, Mr. and Mrs. Weldon Brozek, over the Easter holidays.

\*\*\*\*\*  
Our thoughts are with Tim and Shannon Grissom. Shannon is in Northwest Texas Hospital in Amarillo and will be there for perhaps 45 days before their baby is born. Her room number is 365 and the direct telephone number to her room is 354-1365.

\*\*\*\*\*  
Bedford Caldwell underwent surgery on Monday of this week to repair his leg after breaking it in two places during a fall at his home a week ago Wednesday.

\*\*\*\*\*  
Bedford fell from a ladder as he climbed up to check something on their house. He also suffered a concussion. His friend and neighbor, Jimmie Clements, said he came through the surgery just fine. He is a patient at the Methodist Hospital in Lubbock.

\*\*\*\*\*  
Gene and Genny Ezell spent last week visiting with their son and daughter-in-law, Roger and Judy Ezell of Plano, Texas.

\*\*\*\*\*  
Genny said it was so pretty there because they had had lots of rain. They always enjoy shopping and one day drove 55 miles one way to Cardwell, Oklahoma to have a catfish dinner. They said it was worth the long drive because it was delicious.

\*\*\*\*\*  
The family watched the finals of the NCAA game on TV and got excited when both Roger and Judy saw students from their schools in the game. Roger and Judy are both principals of different schools and Genny said Roger saw a youngster, Jim, who was playing for Michigan and Judy saw a girl, Stephanie Scott, who played for Texas Tech.

\*\*\*\*\*  
Kim Rundell's son, Scott, was hospitalized in the Clovis Hospital for eleven days with pneumonia. He has been released and is getting along fine. He is an eighth grade

student in Clovis, and his mom is the former Nancy Hutto.

\*\*\*\*\*  
A guest in the home of Mike, Lori and Kadi Smith this week is Jean Orfield of Dallas. She is Lori's mother.

\*\*\*\*\*  
Christine Cupit went down to Lubbock for a weekend visit in the home of Gary, Randee and Hailee D'Nae Jones.

\*\*\*\*\*  
Houston and Laura Bartlett went to Earth, Friday evening for a family Easter get-together in the home of Viola and Jack Hadaway. Mrs. Hadaway is Laura's mother.

\*\*\*\*\*  
Then on Saturday, the Bartletts went to Tucumcari, New Mexico for a visit in the home of Bess and Wayne Hutton.

\*\*\*\*\*  
Easter Sunday guests in the home of Mr. and Mrs. Zeferino Villarreal, Sr. and Norma were Sgt. David Villarreal, who is stationed in England; Joseph and Dora Shipp and children, Simon, Jennifer, James and Sam, who live in Amarillo.

\*\*\*\*\*  
Also, Eddie Villarreal and family of Farwell and the following residents of Bovina: George Villarreal and family, Father Tim Dran, Lisa Navarro and family and Johnny Villarreal.

\*\*\*\*\*  
Eleven Bovina ladies attended the fifth annual Spiritual Growth Retreat in Muleshoe on April 2 and 3. Fred and Florence Littauer, renowned Christian counselor and speaker/author, respectively, were the special guests and presented the program for the retreat.

\*\*\*\*\*  
The praise and worship services were presented by Cindy Ferguson and Amy Gray of Idalou.

\*\*\*\*\*  
Sharon Rector of Friona gave the Saturday morning devotional followed by a special music presentation by Janet Rector, Sharon's daughter, who performed four songs for the group.

\*\*\*\*\*  
Hastings, Elaine Carson, Esther Steelman, Sherri Whitten, Velma Grisham, DeAnn Turner, LeAnn Mathews, Melissa Young, Terri Sorley and Tammy Willard.

\*\*\*\*\*  
Robert Vaughn, 48, of Portales, New Mexico, died in the Veteran's Hospital in Albuquerque, Thursday, April 8. His wife, Kathy, was the sister of Molly Teague.

\*\*\*\*\*  
The Vaughns lived in Bovina about five or six years ago. Funeral services for Vaughn were held in Portales, Saturday, April 10.

\*\*\*\*\*  
Robert and Emmagene Calaway had company over the weekend. Emmagene's sister and brother-in-law, Audine and Bill Wells of Muleshoe, and aunt, Orpha Wickard from Lubbock, came up Friday afternoon and stayed until Sunday afternoon.

\*\*\*\*\*  
On Saturday evening, Emmagene's other sister and brother-in-law, Eris and Denzel Pulliam of Hereford, came up for the evening meal, then the group went out to eat on Sunday and had an enjoyable visit.

\*\*\*\*\*  
THINK ABOUT IT...People who never make mistakes lose a lot of chances to learn something.

\*\*\*\*\*  
Have a nice rainy week... Scooter.
