EASTLAND, TEXAS, FRIDAY, FEBRUARY 7, 1936

NUMBER 14

New Auto Drivers License Law Goes Into Effect on Feb. 14

Effective February 14, all drivers of automobile must secure a driver's license. However, the new law allows six weeks of grace, the period ending April 1, for persons to secure the licenses before prosecutions will begin.

Following are some of the high points in the new driver's licenses law:

(1) All operator's licenses will be issued FREE. For chauffeurs' licenses the present fee of \$3 per year will be retained.

(2) Applications for both types of licenses must be filled out before notaries of the public. The law specifically states that no charge may be made for this service as follows:

"Every application for an operator's or chauffeur's licenses shall be made upon approved form furnished by the department (of safety), and shall be verified by a person authorized to administer oaths, and no fee shall be charged by any officer of this state, or any county thereof, for such certification."

(3) The operators' licenses run for a three-year period, (ending April 1, 1939) as compared to one year for chauffeur's permits.

(4) Every person driving a motor vehicle, with certain exceptions noted below, whether for pleasure or hire, is required to CARRY his license. Inability to produce the license subjects a driver to immediate arrest.

(5) Licenses must be obtained in the county in which licensee resides. Supposition is this provision will deter criminals from obtaining permits under aliases, as it is assumed each issuing officer will be reasonably acquainted with each resident applying for license. The licenses will be easy to get but reckless drivers will find them hard to retain.

They may be issued to persons under 18 years of age only on application by the parent or guardian of the minor, and to persons under 14 only if the county judge after investigation, approves. No chauffeur's licenses for commercial driving, may be issued to persons under 18 unless the county judge approves.

Habitual drunkards, those addicted to the use of narcotics, those not mentally responsible, and those suffering from physical or mental disabilities which prevent them from exercising reasonable and ordinary control of a motor vehicle, are barred from securing permits.

Suspension or revocation of a license is mandatory upon final conviction of the holder on any of the following offenses: negligent homicide resulting from operation of a motor vehicle; driving a motor vehicle while intoxicated or under influence of a narcotic; failure of a driver involved in an accident to stop, render aid, and disclose his identity at the scene of the accident; or any offense punishable as a felony under the motor vehicle laws of the state; upon two convictions on charges of aggravated assault on a person by means of a motor vehicle; and upon three convictions of violating any motor vehicle laws which constitute misdemeanors, within any 12-month period.

Suspension Mandatory
The license must be revoked or suspended, for any of the above offenses, first for a period of six months. A second offense, however, makes mandatory suspension for an additional year.

Should any driver have his license suspended, and then drive a car despite that fact, the suspension will be extended for a period as long as the original suspension. In addition, a penalty of two days to six days in jail and a fine up to \$500 is provided for those who drive while their licenses are suspended or revoked.

Any person denied a license shall have 30 days in which he may file a petition for hearing in county court and after 10 days the hearing will be held with testimony heard to show the merits of the case.

Stephens Has Over 4,500 Votes, Early Check-Up Discloses

BRECKENRIDGE, Feb. 3.—Candidates for office or others seeking votes on any matters of county consequence will need to shake hands with or address about 4,500 hereafter.

This is the conclusion reached after glancing over poll tax receipts issued by County Tax Collector E. N. Howell. His records show approximately 3,750 receipts paid for and approximately 750 exemptions issued. Over 750 received their receipts on Friday, the last day making the predicted line-up.

This number surpasses by about 100 the number of receipts bought during the last election year.

In three separate parts, the license is so designed that status of the holder as to misdemeanor convictions (he is allowed two) may be determined on examination. The first part, or license proper, bearing a detailed description of the holder, his signature, and date of issuance, is surrendered on the third conviction.

The second (or middle) part is captioned "Second Conviction Report," and the third (or last) part "First Conviction Report." On first conviction of the holder of a misdemeanor, it is mandatory on the trial judge to execute and detach the bottom part of the license and mail it to the department of public safety, reducing the permit to second class. A second conviction makes it mandatory on the trial judge to execute and detach the second conviction report, with the license falling to third class. Suspension is mandatory on the third conviction.

It will be unlawful for any person to lend his license, or for any person to display as his own license one issued to another. In addition to the "laws of the road," the act specifies that these offenses shall be considered misdemeanors, and licenses accordingly reduced in class on convictions.

As a further effort toward prevention of accidents on the highways, the state department will tabulate, analyze and furnish annual reports from law enforcement agencies, traffic officers, ambulance operators and hospitals, all of which persons and institutions are required by law to furnish the report from which conclusions and recommendations for public safety may be drawn.

Only persons exempt from possessing licenses are: Persons driving or operating a road roller, road machinery or farm tractor, implement of husbandry (not including any automobile or truck), farm wagon, farm trailer, or any non-motor propelled vehicle or carriage temporarily drawn; persons in the service of the United States and when furnished with a driver's permit and operating an official motor vehicle in such service; drivers of commercial motor vehicles operating under jurisdiction of the railroad commission of Texas who are required to have a driver's license issued by that department; non-resident of the state who do not have licenses required in their home state, provided they do not remain in the state longer than 90 days.

Pioneer Citizen Of Strawn Dies At Home Sunday

Funeral services for Malcolm Vernon, 74, of Strawn, were conducted Monday afternoon at 2:30 at the Strawn Merchandise company chapel, with interment in Mt. Marion cemetery, Strawn, following the services, which were conducted by Dr. L. B. Gray, pastor of First Presbyterian Church of Ranger. He died at his home in Strawn Sunday morning at 4 o'clock.

The decedent is survived by one brother, I. G. Vernon, of Gotebe, Okla.; two daughters, Mrs. Kate Vernon Manns of Strawn and Mrs. Miers C. Johnson of Carlsbad, N. M.; one son, Rhea J. Vernon of Abilene and six grandchildren. His wife died in July of last year.

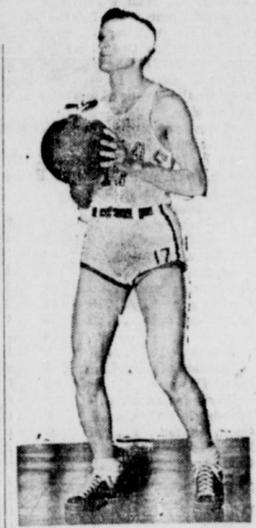

Pall bearers were J. R. Stuart, R. D. Brothers, Robert Hinkson, George Ritchie, Morris Frazier and Harmon Boyd.

Malcolm Graham Vernon, was born near Mineola, Texas, March 10, 1861. He was the son of Thomas Gaines Vernon and Nancy Dial Vernon. Mack, as he was known to his friends, was a cowboy of the old days of the open range. He worked with the Half Circle Six Cattle company of Tom Green county. In 1891 he settled in Strawn and opened a general store which he later sold in 1901 and at which time, he started an insurance agency, and which business he was engaged in at the time of his death.

Mr. Vernon held a high place in the growth of Strawn and Palo Pinto county. Always a friend of education, law and order, ever ready to aid and extend charity to the needy, he was loved and respected by all. An influence in the political fortunes of his city, county and state, his advice and help was sought and listened to by many. Texas has lost another of her few remaining pioneer cowboys, a true patriot and a valued citizen.

BOURNE, Mass.—Mrs. Eugene Stowell's pet squirrel harmoniously plays with her cat and dog, and drinks water from a glass. Harriet, the squirrel, is the ruler among the household pets and takes what it wants from them.

Eastland Family's Son Heads U. of T. Basketball Group

Poised for a free throw is Jack Taylor, University of Texas basketball captain, and its likely he will make it if his record as a letterman of the past three years is any indication.

Taylor, son of Mr. and Mrs. Albert Taylor of Eastland, plays forward on the university team. This marks the fourth year of basketball for the 21-year-old cage team captain. He has played since his freshman year.

Besides being known for his court ability, Taylor is a member of the Kappa Sigma fraternity. He is majoring in business administration, and at times finds time to mix tennis with his many campus activities.

Soviet Russia Finds Old Rip's Sleep Is True

Authenticity of Old Rip's long hibernation in the old courthouse cornerstone has been established by scientific research in Soviet Russia, according to an editorial in the Abilene Reporter-News.

The editorial, "3,000 Years," in part: Eastland's Old Rip, the frog that spent 30 years in the courthouse cornerstone and was revived to astonish a scientific world, has just had the authenticity of his long hibernation verified by scientific research in Soviet Russia. Incidentally, Old Rip's 30-year snooze is nothing compared with the record sleep of certain insects and small varieties of lobsters found buried 15 to 20 feet deep in the frozen peat beds of Siberia.

Moscow reports that the Soviet Academy of Scientists has revived these insects and lobsters after they had been frozen in a state of suspended animation for at least 3,000 years. Some of them, once revived, have given birth to a new generation.

Old Rip's sleep was pretty well verified, in the face of much scientific scoffing. Some scientists came to his rescue by giving examples of similar evidences of long-time hibernation. Old Rip was a horned frog—his body is now on display in the rotunda of the Eastland county courthouse, he having died after enjoying months of good health following his revival—but other genuine frogs, were found to possess this ability to suspend life over long periods of time.

The scientific world doubtless will wait for further definite proof from the Russian scientists before accepting the latest sensational disclosure.

Class Is Planning First Annual For School Since 1929

Plans for Eastland high school's first annual since 1929 were being formulated Thursday by the senior class, the sponsoring group.

The annual's staff—Gilbert Clark, editor; Lola Mae Estes, assistant editor; Carolyn Doss, business manager and Mary Price, circulation manager, were soliciting the cooperation of the other classes for the publication.

Leroy Stone is the senior class sponsor.

DRUNK DRIVING, LENIENCY OF PEACE JUSTICES, CONSTABLES POINTED OUT BY GRAND JURY

Motorists Present Gravest Problem, Says Jury Group

"Inherent and serious dangers incident to the driving of motor vehicles upon the streets and highways while the drivers are under the influence of intoxicating liquor," was pointed out as "one of the gravest problems before us at this time" by the grand jury which made its final report Friday.

"It occurs to this grand jury that this is one of the gravest problems before us at this time. "Almost daily," continued the report, "we see accounts of serious injuries and deaths directly due to accidents caused by drunken driving. We recommend as strongly as we know how that proper steps be taken to curb and bring to an end this practice, and to that end we earnestly request the assistance of the entire citizenship and the hearty and complete cooperation of all agencies."

While crime in general has been reduced, the grand jury pointed out "the still alarming number of thefts of all kinds, particularly petty thefts and theft of cattle." We would earnestly enlist the assistance and cooperation of all citizens in apprehending and bringing to justice such law violators."

The group had been in session a total of 11 days; had examined 175 witnesses; returned 45 indictments of which 33 were for felony offenses and the remainder for misdemeanor offenses.

Method to Better Dairy Industry Is Told by C.M. Heald

Points in the Eastland Chamber of Commerce program in agriculture and livestock were by County Agent C. Metz Heald at a meeting attended by members of committees on those programs of the chamber and dairymen Wednesday night. A series of similar meetings was voted by eight in attendance.

The program was: (1) Breeder feeding; (2) building trench silos to preserve forage; (3) planting right kind of feed; (4) utilization of home-grown feed; (5) using proper protein supplement; (6) breeding; (7) herd tests and culling.

4,580 Bales Were Ginned in County Prior to Jan. 16th

The census report of the department of commerce, bureau of the census, released by Mrs. Kathryn Fee, special agent, shows that there were 4,580 bales of cotton ginned in Eastland county from the crop of 1935 prior to Jan. 16, 1936, as compared with 4,623 bales ginned to Jan. 16, 1935, from the crop of 1934.

Four Born During Jan. in Eastland

Four births in January have been filed at the city hall in Eastland as vital statistics by Mrs. John Matthews, registrar for the Texas bureau of vital statistics.

Births were: Wildadean Bradshaw, daughter of Mr. and Mrs. Arthur E. Bradshaw, Jan. 6; Frances Jean Lindsey, daughter of Mr. and Mrs. Virgil Lindsey, Jan. 24; Baby Ordaz, daughter of Mr. and Mrs. Juan Ordaz, Jan. 30; Gay Elizabeth Poe, daughter of Mr. and Mrs. Galand S. Poe, Jan. 7.

43 Per Cent of Marriages in County Ultimately Failures, Records Show

Over 42 per cent of marriages in Eastland county are ultimately failures, if divorce and marriage records for 1935 are a true gauge. The percentage is nearer 43 per cent—42.86—arrived at by comparison of the 129 divorce suits instituted in district courts to 301 marriage licenses issued last year.

While 129 divorce suits were filed, 79 were granted and the remainder are pending.

Recommend That Defendants Pay Fine or Jailed

Leniency of constables and justices of peace who commit "minor infractions of the law" by not requiring defendants in law violations to pay fines or be remanded to jail was scorned by grand jurors who made their final report of the December term to 91st District Judge George L. Davenport Friday.

"We have examined into the administration of the offices of the justices of the peace and the constables regarding minor infractions of the law handled by such courts," stated the report. "We urgently recommend to the justices of the peace that defendants brought before them charged with such law violations be required to pay their fines or remanded to jail. It occurs to us that such strict enforcement regarding minor infractions of the law will go a long way toward preventing more serious offenses. The records indicate that many a criminal career is started out by the commission of misdemeanor offenses. Prompt and efficient justice in these cases should certainly tend to stop a defendant who might otherwise be headed for a career of crime, as well as show to others that such violations will meet with prompt punishment commensurate with the offense committed."

Historical Essay Contests Will Be Held In County

Announcement has been received here of a historical essay contest among the history and English classes of Texas public schools, with the four winning essays in each county entered in a state contest.

The subjects of the essays are to be drawn from county history, persons, places or events of significance in the development of the county.

Essays must not be more than 500 words in length and the title of the contest must contain not more than five words. The Centennial board in each county shall work out details of contest procedure in that county, observing the general rules for the contest.

The winners of first place in each of the four divisions will receive \$200 each, of second place \$100, of third place \$50 each and fourth place \$25 each. The school contests will be concluded sometime during the week of March 1.

All inquiries and correspondence relative to this contest shall be addressed to Mrs. Elthe Hamilton Beal, Director Public School Division, State Department of Publicity, Centennial Headquarters, Dallas, Texas.

First '36 plates Issued Saturday

Motor vehicle license No. 314-051, first to be issued in 1936, was claimed by M. L. Burson of Cisco at the tax assessor-collector's office Saturday, first day on which the plates were obtainable.

Second license issuance went to S. B. Barber of Ranger. Last year, W. C. Campbell of Eastland was first to obtain the car plates.

DISMISS CASE
Because of settlement, case of Tom Guin et al vs. Sunbeam Market Place, Inc., was dismissed at defendant's cost by 88th district court this week.

Forty-five petitions were filed in 88th district court, 30 granted and three dismissed.

Eighty-four were filed in 91st district court, 49 granted and one dismissed. One marriage was annulled. The remainder are pending.

Majority of the divorce suits are not contested, usually the wife or husband filing a waiver.

District Old Age Pension Office to Open In Abilene

ABILENE, Feb. 6.—Abilene district headquarters for the Texas Old Age Assistance commission (old age pensions) will be opened next Monday in a three-room suite in the Citizens National Bank building, it was learned Wednesday after a conference by John L. Camp, county judge, and C. L. Johnson, mayor, with J. O. Shelton the newly-appointed district supervisor.

The suite is that now occupied by Shelton, but he is giving up his private business to devote all his time to the state's business. Rent will be paid jointly by the county and city.

Shelton will go to Austin for a two-day conference of district supervisors, with Orville S. Carpenter, state director. On his return he may be ready to announce the district personnel in the 12 counties of district 13. The counties, besides Taylor, are Callahan, Coke, Eastland, Shackelford, Fisher, Jones, Kent, Mitchell, Nolan, Scurry and Stephens.

County Home Agent Outlines Work of Morton Valley Club

Mrs. Guy Stoker was hostess to the Morton Valley Home Demonstration club Tuesday afternoon, Feb. 4th.

Mrs. Josie K. Nix, president, opened the meeting and approved minutes were read by the secretary, Mrs. Guy Stoker.

After the business session was held, Miss Ruth Ramey, county home demonstration agent, outlined club work for the year.

She also gave a very interesting talk on bed linens. Hemstitched pillow cases and scarfs were shown by Miss Ramey.

At the close of the meeting Mrs. Stoker served a salad plate with coffee and cookies to Meses. Josie K. Nix, Bill Whately, Clarence Henderson, W. E. Tankersley, W. B. Peoples, Ed Castleberry, J. B. Rayfield, Tohe Hamilton, Thad Henderson; Misses Ruth Ramey and Ruth Carter, and a visitor, Mrs. Harris.—Reporter.

25 Youths Assigned To Park Project

Twenty-five youths have been assigned to the National Youth park project seven miles east of Ranger, Crigger Paschal, National Reemployment Service office director, announced Tuesday.

Remainder of the quota of 41 will be assigned as rapidly as the applications of youths eligible are received, Paschal stated.

Allred to Address Church Meeting In Breck On Feb. 12

BRECKENRIDGE, Feb. 3.—Plans being made for the meeting of the Presbyterian men of the Synod of Texas on Feb. 12, when Gov. James Allred will be a speaker on the program.

At this meeting it is expected that 350 men will be present and the governor has consented to be present and to speak at 12:15 o'clock at the luncheon on the subject, "State of Texas."

Funeral Rites For Jim Harrell Held

Funeral services for Jim Harrell, 66, Eastland carpenter and former cowboy and farmer, were held Sunday in Eastland at the Church of Christ with the pastor, Rev. John G. Bills, officiating. Interment was in the Eastland cemetery.

Harrell died Saturday at his home, from pneumonia.

Born in Washington county, Arkansas, Harrell came to Texas with his parents. In Yoakum county Harrell was a cowboy on the plains for 10 years.

Interested in cowboys of the plains, he collected many pictures and relics of ranch life. He formerly lived eight miles north of Eastland on a farm for 10 years.

Harrell had lived in Eastland 28 years and contributed carpenter work on every church in the city. He had been a member of the Church of Christ for 25 years. He also was a Mason.

Survivors are the widow, Eastland, and the following children: Mrs. G. A. Glascock, Cresson; Fred Harrell, Benbrook, Guy Harrell, Cresson.

Hammer Undertaking Company was in charge.

BEER PROPONENTS CONSIDER TWO PROBLEMATICAL ROUTES AFTER 91ST COURT UPHELD

Judge Garrett In Dallas For Meet Of Texas Group

County Judge Clyde L. Garrett Thursday was in Dallas, where the County Judges and Commissioners Association of Texas convened for a one-day session.

Judge Garrett, president of the convening group, called the meeting to discuss "relief labor restrictions" of the WPA, which assertedly excludes those never on relief from employment.

The restrictions, Judge Garrett has stated, has forced many counties to restrict and in some instances abandon work projects.

Mrs. I. N. Hart Dies At Cisco Thursday

Mrs. I. N. Hart of Cisco, step-mother of Josh Hart of Eastland and former Sheriff John Hart, now of Midland, died early Thursday morning at her home in Cisco from a heart attack, friends here learned.

Mrs. Hart also is the mother of Mrs. K. N. Greer at Cisco.

Funeral arrangements were not known.

Rising Star Man Assessed Fine On Charge of Assault

John Proctor of Rising Star paid Monday a fine totaling \$27.50 on a county court charge alleging assault.

An indictment alleging an assault on City Marshal A. D. Carroll of Rising Star against Proctor Dec. 21, had previously been transferred from district court to the county court.

TRANSFER CASE

On 91st district court's motion, case of Virginia Cochran against B. C. Cochran was transferred this week to 88th district court.

Eastland American Legion Post Wins Membership Event

Check-up Monday by George Utz, commander of the Dulin-Daniel American Legion post, with Cisco legion officials revealed the Eastland organization was winner in a membership drive which closed Saturday.

The two months' drive netted an increase to a total membership of 50 from 29 for the Eastland post while Cisco has approximately 40 members.

The Eastland legionnaires will be feted at a barbecue to be given by the Cisco Legion.

Central West Texas Oil Meet Scheduled At Breck This Month

BRECKENRIDGE, Feb. 3.—The Central West Texas meeting of oil men of this section is scheduled to be held in Breckenridge this year and officials of the association are busily engaged making preparations.

The date of the meeting is to be set for some time the latter part of February. Marshall Young is president of the organization and a large number are expected to attend with a number of outstanding speakers.

Award of Company Is Okehed By Court

A \$1,500 settlement to Mrs. Pauline Graham and three minor children by the Continental Oil Company and Hartford Indemnity was approved by 91st District Court Tuesday.

One thousand and fifty dollars was apportioned to Mrs. Graham, and \$150 each to the minor children, Elizabeth Sue, Jimmie and Virginia.

Plaintiff alleged that her husband, Frank Louis Graham, received injuries April 24, 1934, while in the employ of the Continental at Jal, N. M., and died from injuries allegedly from poisonous gas in an oil well, on Feb. 8, 1935.

Beer proponents Thursday took into consideration two possibilities for the problematical return of 3.2 beer following the Eleventh Court of Civil Appeals' affirmation Wednesday of Ninety-First District Court's judgment of refusal to hear the application of W. H. and C. E. Mayhew for a permit to retail beer. District court denied the prayer of the Mayhews Jan. 15th.

A possible grant of a writ of error by the Supreme Court—possible since Wednesday's opinion was dissenting—and possible favorable action on a contest of the Jan. 3 county-wide election were two of the considerations.

A beer election at Cisco which resulted in a wet vote in 1933 is now void as determined by the Supreme Court, it was pointed out in the appellate court's opinion.

The mandamus proceedings were instituted Jan. 13 following declaration of results by commissioners court on the Jan. 3 election as showing majorities of the votes against legalization of 3.2.

The election was called by petition after the Supreme Court held that a wet area could not legally exist in a county that was dry prior to prohibition.

No date has been set for the beer election contest case filed in 91st district court W. H. Mayhew, co-plaintiff in the case acted on by the appeals court, charges irregularities in the election. He asks that results of the election be declared different than those pronounced by authorities or that another election be held if the "true results" are not ascertainable.

F. D. Wright of Cisco is attorney for plaintiffs in both cases.

Ranger Cagers to Invade Eastland Tonight for Game

The strong Ranger basket ball team will invade Eastland tonight at 7:30 for a game with the Eastland Mavericks.

While the Ranger team has won a higher percentage of games than the Eastland team, the Mavericks displayed a type of play different than that first shown in the season when Gorman was defeated this week, 15 to 13. Ranger beat Eastland 16 to 14 in the first engagement recently.

Ranger has been defeated twice by the county cage leaders, Carbon, and won six conference games.

One of the largest crowds of the season is expected by Eastland officials.

Relief Employes Of County Attend Confab In Abilene

Case workers for the Texas relief commission in Eastland county headquarters at the Eastland National Bank building in Eastland attended a school of instruction for this district in Abilene Wednesday.

Attending the conference at which F. A. Wells, district administrator, presided, were: Mrs. Jewell Reaves, Wortham Seale, Miss Don Moorman, Mrs. Bess Paschal and W. E. Moore.

Case Against William Lorenzen Dismissed

Ninety-first District Court Wednesday dismissed the suit of Eureka Tool Company against William Lorenzen.

An attachment lien created by the case was dissolved. The plaintiff as principal and the United States Fidelity & Guaranty Company as surety were discharged from all liability upon an attachment bond.

County Group Back From San Antonio After WPA Parley

R. O. Jacobs of Rising Star, Newt Crawley of Gorman, Arch Bint of Cisco, H. V. Davenport of Ranger and County Judge Clyde L. Garrett returned Tuesday from San Antonio, where they conferred with WPA authorities regarding the county's work program.

ON TEXAS FARMS

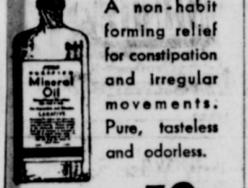

McKINNEY—Twenty-six grape vines out of a total of 32 set in February, 1935, are now in fruit and will be moved to a permanent location next month, Miss Hannah Johnson of the Union home demonstration club in Collin county has reported to Miss Helen Dunlap, home demonstration agent.

In order that they might produce large root systems during dry weather Miss Johnson sank a two-inch pipe between every two or three plants and poured large amounts of water down each pipe. The roots were thus forced to reach downward for water, and Miss Johnson says that some of the runners reach a length of three feet by actual measurement.

First Aid for Constipation

Nyal Mineral Oil

A non-habit forming relief for constipation and irregular movements. Pure, tasteless and odorless.

Full Pint **59c**
Corner Drug Store Eastland

according to Miss Lorena Yates, home demonstration agent. The cost of the party was for lumber to wall in a small porch in which to store the foods she had canned. Her only other expense was for 100 tin cans, and her pantry is valued at \$100. In addition to the 539 containers of canned food, Mrs. Sugarek has stored 115 pounds of nuts, lard and bacon.

MULESHOE—Doris and Grace Churchill of Bailey county have produced \$431.50 worth of turkeys as a result of their efforts during the past seven months, records in the hands of J. B. Waide, Jr., county agricultural agent, show.

Doris, 11, and Grace, 15, secured 95 poultlets late in May and raised 75 of the birds to be prime specimens. Total cost of poultlets, food, and improvements necessary in caring for the turkeys amounted to \$101. The confinement method was used, and the girls did all the work connected with raising the birds except grinding and mixing of food.

HEMSTEAD—As proof of the value of using fertilizer on semi-prairie land, J. V. Bush, Waller county agricultural agent, cites the case of A. F. Baethe who harvested 800 bushels of corn from 20 acres of land to which 2000 pounds of fertilizer had been added.

The corn was valued at \$400. The \$29.20 worth of fertilizer used by Baethe gave him an increased production on his 20 acres of 440 bushels of corn more than produced on 20 acres of land of similar character which was not fertilized. Baethe cultivated his corn twice more than the average for his community.

DUMAS—John and Dick Robertson, Moore county 4-H club boys who farmed 100 acres of land on the contour as partners, cut 308 bundles of feed per acre as compared to 225 cut by their father from unfertilized land, according to W. K. Cottingham, county agricultural agent. The feed was sold for two and one-half cents per bundle, making a gross return of \$7.70 per acre from the contoured land as against \$5.62 from the unfertilized land.

The land farmed by the boys sloped three ways. The slope averaged three and one-half per cent while that farmed by their father had only one and one-half to two per cent slope. There was no runoff water whatever on the contoured land there was not only runoff water but a wash was started from a heavy rain that fell in August.

I. C. U. Has Hard Football Schedule

FORT WORTH—What is probably the hardest football schedule Texas Christian University ever undertook has been announced by Athletic Director Raymond B. Wolf.

The schedule includes 12 games—six conference and six non-conference—with only one of the 12 that can by any stretch of the imagination be called a "practice" tilt.

Director Wolf also announced that a contract has been signed to play Fordham University in New York City on Oct. 23, 1937. A game with the Ohio State Buckeyes is also tentatively set for Sept. 25, 1937, in Columbus. A third major inter-sectional game may be booked for 1937 with one of the three universities at Los Angeles.

One game on the 1936 schedule is still tentative—the contest with the University of Santa Clara. The game was originally set for Dec. 5 but it was discovered that a stadium would not be available in San Francisco at that time. Wolf has requested permission of the conference to play the game on Dec. 12.

Wolf is also making an effort to have the opening game with Howard Payne moved to Fort Worth.

The 1936 schedule includes one

opponent never met before, the Mississippi State Bulldogs, to be played Oct. 24 in Dallas at the Texas Centennial.

For the first time in 12 years, the Centenary Gentlemen will come to Fort Worth to play the Frogs. The past several games have been played as a feature of the Louisiana State Fair in Shreveport.

The complete 1936 T. C. U. football schedule reads:

- Sept. 19—Howard Payne at Brownwood (night).
- Sept. 26—Texas Tech at Lubbock (night).
- Oct. 3—Arkansas at Fort Worth.
- Oct. 10—Tulsa at Tulsa.
- Oct. 17—A&M at College Station.
- Oct. 24—Mississippi State at Dallas.
- Oct. 31—Baylor at Fort Worth.
- Nov. 7—Texas at Fort Worth.
- Nov. 14—Centenary at Fort Worth.
- Nov. 21—Rice at Houston.
- Nov. 28—S. M. U. at Dallas.
- Dec. 15—Santa Clara at San Francisco (tentative)

Local-Eastland-Social Celebrates Fifth Birthday

Mrs. Earnest Halkias opened her lovely home to a group of youngsters Friday afternoon celebrating her daughter, Mary's, fifth birthday.

Games, songs and poems were the diversion, until they were called to the table, centered with a delicious birthday cake bearing five burning candles. Mrs. Lewis Crossley and the youngsters sang "Happy Birthday to Mary." Nut jello, brick ice cream, hot chocolate topped with marshmallows, and date loaf candy was served to Naomi Woods, Gloria Hart, Martha Lou McDonald, Betty Stratton, Lewis Crossley Jr., Minta Sam Merring, Gwyn Hibbert, Earline Scott, Nancy McDonald, Betty Ann Mumpass, Virginia Hibbert, John and Estes Halkias, Juanita Duffield and Mary. Each child was presented a small balloon representing the Dionne quintuplets. Mrs. Halkias was assisted by Mrs. Hart, Mrs. McDonald, Bolen, Herling, Smith, Tucker and Crossley.

Most State Money Is In School Fund

By United Press

AUSTIN—Texas' biggest fund is the \$47,980,997 of the state permanent school fund. Next in size is the \$21,983,537 of the university permanent fund. The figures are from a compilation by state Comptroller George Sheppard.

Neither the \$47,980,997 nor the \$21,983,537 can be found in actual cash in the state treasury. The school fund had only \$2,641,066 in cash when Comptroller Sheppard's table was prepared at the end of the fiscal year. The cash in the university was only \$42,887. The difference is made up by investments in bonds, notes, warrants

and other securities. The permanent funds may not be spent. They must be invested. Income from the investments is currently available.

Smallest state fund at the end of the fiscal year was \$91.58 cash in the National Guard fund.

State money is kept in 38 distinct piles or funds. The treasurer cannot draw from one to pay obligations of the other, without an act of the legislature. Some of the funds can be disturbed only by constitutional amendment. Among these are the large permanent school and permanent university funds.

The 38 state funds had a year-end total of \$106,694,949. Of that, \$71,352,094 was in securities and \$35,342,854 in cash, with \$13,845,776 outstanding claims represented by unpaid warrants.

Even the remaining \$21,497,077 cash was not in the state treasury. It is farmed out to banks both for security and to earn interest. Recently banks have shown little disposition to hire the state funds.

PIPKIN BROTHERS

Jeanette MacDonald and Nelson Eddy Co-Starred In 'Rose Marie' at Connellee

Jeanette MacDonald and Nelson Eddy Triumph Anew in Picture Replete with Haunting Music, a Tender Love Story and Magnificent Scenic Backgrounds

No matter how much you liked "Naughty Marietta," that musical sensation of 1935, you're sure to like "Rose Marie" even more. Again co-starring Jeanette MacDonald and Nelson Eddy, this Metro-Goldwyn-Mayer production screening at the Connellee Theatre Sunday.

Like its forerunner, "Rose Marie" was directed by W. S. Van Dyke and produced by Hunt Stromberg, who again combined their talents to give this picture one of the finest productions to come out of Hollywood in a long time.

Replete with haunting music, a tender love story, magnificent photography and backgrounds, it is truly the film sensation of the year.

Miss MacDonald plays the name role, an opera star who travels disguised into the wilds in search

of her dissolute brother, a criminal from justice.

Nelson Eddy portrays Sergeant Bruce, as fine a "Mountie" as ever rode a horse. Assigned to bring the criminal to justice, there is the thrust of personal duty when these two meet and fall in love.

With all its outdoor scenes made against natural backgrounds of surpassing beauty in the mountain lake country of the Sierra Nevada, "Rose Marie" is a pictorial work of art.

The musical numbers are brilliantly staged and brilliantly sung. One of them, the Totem Pole sequence, is neopied by more than a thousand dancers. Spectacular in its giant effects it will go on record as one of the most thrilling scenes ever brought to the screen.

A strong supporting cast includes James Stewart, Reginald Owen, Allan Jones, George Regas, Robert Greig, Una O'Connor and Lucien Littlefield.

FULL OF RUMBA RHYTHM

Frank McHugh (left), Patricia Ellis, George E. Stone (center) and Warren Hull (right), give a college course in riotous high-de-ho in Warner Bros. comedy with music, "Freshman Love," which opens at the Connellee Theatre on Tuesday.

LYRIC SUNDAY FUNNIER THAN EVER

Patsy Kelly, one of the foremost screen comedienne who appears with Al Jolson and Ruby Keeler in the new Warner Bros. musical triumph, "Go Into Your Dance." This picture marks the joint screen appearance of Mr. and Mrs. (Ruby Keeler) Al Jolson. In support of these stars, are Helen Morgan, Glenda Farrell and a host of other film favorites, such as Barton MacLane, Sharon Lynne, Gordon Westcott and Benny Rubin.

SUNDAY ONLY

AT LAST - THEY'RE TOGETHER!

SPEEDY ACTION KEYNOTE OF DRAMA AT CONNELLEE

Hair-breadth escapes, thrills of running automobile battles and airplane pursuits, the amazing cleverness of a dog, and comradeship between three of the most oddly-assorted characters ever thrown together, to be found in "Tough Guy," Metro-Goldwyn-Mayer's new drama of the government Secret Service, which comes today to the Connellee Theatre.

Jackie Cooper, Joseph Calleia and Rin Tin Tin, Jr., play the master boy and dog who, thrown together in hiding, become friends and comrades. The story is an original by Florence Ryerson and Edgar Allan Woolf, directed by Chester Franklin of "Sensation" fame and produced by Harry Rapf.

The story deals with a boy who runs away from home to save his dog, who blunders into a criminal gang, and among them finds the best friend of his life. The methods of the Secret Service in ferreting out criminals are shown in detail. Thrilling battles, a gripping denouement on an old tug that is the gang's hiding place, and many deft human touches embellish the story.

COLLEGE COMEDY "FRESHMAN LOVE" AT CONNELLEE TODAY

Warner Bros. rollicking college comedy, "Freshman Love," based on a story idea by George Ade, comes to the Connellee Theatre Friday.

Besides its hilarious situations and laughable episodes, the picture is said to carry a glowing romance of campus life and many thrills in connection with an exciting crew race. A musical background adds to the lively entertainment.

There is an all star comedy cast including Frank McHugh as the college coach; Patricia Ellis as the

president's daughter; Warren Hull, stroke oar, who has the romantic lead with Miss Ellis; Joe Cawthorne as Hull's father, George E. Stone as an eccentric and musically inclined coxswain; Mary Treen and Alma Lloyd as co-eds and fellow conspirators of the president's flirtatious daughter, and Henry O'Neill as the president.

Four rousing college songs are sung in the picture, two by Hull alone, one by Miss Ellis and the fourth by Hull and Miss Ellis. In addition to the singing, one of the numbers introduces a most novel dance step. The lyrics were specially written for the production by Jack Scholl and Joan Jasmyn,

while the music is by M. K. Jerome.

The picture was directed by William McGann from the screen play by George Bricker and Earl Felton.

BISHOP TURNS SHERLOCK HOLMES AND FUN BEGINS

A London bishop on a rampage of mystery—a young couple who try to be amateur criminals—and a hilarious plot in which the bishop, who reads detective stories, turns Sherlock Holmes and outwits Holmes any detective ever heard of before — these are among the

diverting details of "The Bishop Misbehaves," Metro-Goldwyn-Mayer's merry comedy-mystery showing at the Connellee Theatre Thursday.

Maureen O'Sullivan and Norman Foster play the romantic leads as the young people who delve into amateur crime in a madcap revenge scheme, and Edmund Gwenn, distinguished British character actor, plays the bishop who trips them up in their nefarious plan, who baffles crooks with a snuffbox, who finds the missing loot, uncovers a swindler, and otherwise sets all things right amid a hilariously funny sequence of situations.

E. A. Dupont, famous European director of "Variety" and other

hits, directed the whimsical new story, based on the successful Broadway stage play by Fred Jackson. The cast includes Lucile Watson as the bishop's thrill-loving sister, Reginald Owen, hilarious comedian of "Escapade," Dudley Digges, Ivan Simpson, Lilian Bond, Arthur Treacher and Charles MacNaughton.

Elaborate settings add spectacle to several sequences in the whimsical story of London life.

Patricia Ellis, who plays the part of a co-ed in the Warner Bros. comedy with music, "Freshman Love," which comes to the Connellee Theatre on Tuesday, has no trouble tuning in her favorite

radio programs now. A Toledo, Ohio, fan has sent her a miniature receiving set which fits in the palm of her hand. It can be played while she is walking.

Landon is dubbed the Kansas Coolidge. Still, from his tardiness in revealing where he stands, his slogan seems to be, "I do not run to choose."

Committee Speeds Processing Repeal

WASHINGTON, Feb. 4.—The senate agriculture committee speeded President Roosevelt's request for quick repeal of the cotton, tobacco and potato control acts.

The committee authorized drafting a resolution repealing the three acts now regarded as invalid in view of the supreme court decision outlawing the AAA.

The committee also decided to ask the senate to delay debate on the administration's substitute farm program, providing for soil conservation and crop control until the companion measure brought out by the house agriculture committee can be studied.

FRANKELL

By Mrs. C. D. Stagner quite a few from our community have been attending the Pen-petal meeting at Rocky Point.
