

BY BILL ELLIS

THE COMMUNITY OF BOVINA is to be congratulated on its new ambulance service, which goes into service today (November 1). We were among the scores of people who inspected the new ambulance setup here last Sunday, and we were impressed.

Not only has the service been successful in getting equipment with which to work, the organization has provided training so that Bovina has probably the most qualified group of emergency care attendants of any community in Parmer County.

So far, there have been an even dozen emergency care attendants complete the course who will serve on the ambulance service.

In addition, the service has one Emergency Medical Technician in Dick Richards, one paramedic in Lowell Primrose, and one multimedia Red Cross specialist (Weldon Moody).

In addition to the 12 Emergency Care Attendants, the local service also has two ECAs serving as part-time associates. They are Scott Richards and Mike Dickson.

Next January and February, some seven or eight additional ECAs are expected to take the Emergency Medical Technician course, which would give the local service as many as ten EMTs on the program.

The service also has been organized into crews, with a chief for each crew. Each crew is to handle emergency calls for a period of a week, so there is never any question as to who or how many of the trained specialists answer an ambulance call.

The Bovina Ambulance service will be equipped to transport patients to any hospital within a 36-mile radius, which includes Friona, Muleshoe, Clovis and Hereford. In case of an all-out emergency, the patient will be taken to the nearest hospital.

The service will not transfer patients directly to Amarillo or Lubbock unless the nature of the emergency causes it to happen.

The program has been fortunate in securing the service of Dick Richards, who gave the course for the new Emergency Care Attendants.

Richards says that the community has responded with generosity, in providing equipment. Parmer County Commissioners also approved a grant of \$3,000 for equipment.

So, it would appear that residents of the Bovina area can relax by knowing it has an adequate ambulance service, certainly second to no community its size.

NEXT TUESDAY is another important election day, and we encourage everyone to plan to cast their ballot, or make provisions to vote absentee if they plan to be out of the county.

For the election, the Blade is proud to endorse the following:

For U.S. Representative: **Kent Hance**. We have always endorsed the "shop at home" theory, and it should be no different in choosing who represents you in congress. This Dimmitt native deserves a royal sendoff by his Parmer County neighbors.

For U.S. Senator: **John Tower**. Senator Tower represents the conservative thinking embraced by this area, and gives us balance with the liberal Lloyd Bentsen. When you have experience and seniority, there's no use turning the job over to a rookie.

For governor: **John Hill**. Hill's successful tenure as attorney general should stand him in good stead as the state's chief executive. He knows his way around the state capitol and is acquainted with the legislature. Here again, this should prove to be a "plus" when choosing between two candidates neither of whom is the incumbent.

Man is not the creature of circumstances; circumstances are the creations of man.

Commissioner's Race Highlights Election

The County commissioner's race for the Bovina and Rhea precinct is expected to help swell the voter turnout in Precinct 3 next Tuesday, November 7 in the General Election.

Jack Patterson and Vernon Estes, both of whom survived opponents in the party primaries earlier this year, will meet in the General Election.

Polling places will be the American Legion Hall in Bovina, and the Lutheran Church Parish Hall in Rhea. The polls will be open on election day from 7 a.m. until 7 p.m. Bovina's election judge is Jay Sherrill.

In addition to electing a commissioner to serve for the next four years, area voters will also be naming a United States senator, a U.S. representative, a governor, lieutenant governor and attorney general.

Incumbent John Tower is facing probably his stiffest opposition in a number of years from Democrat Bob Krueger in probably the most heated race on the ballot.

Kent Hance and George Bush meet in the showdown to determine the replacement for longtime congressman George Mahon who retired at the end of the session.

Hance, a native of neighboring Dimmitt, has drawn the support of the area's farm leaders and has pointed out that he was raised on a farm and understands the farmers' problems.

John Hill and Bill Clements are waging a battle to the wire for the governor's chair. Hill ousted incumbent Dolph Briscoe last spring in the Democratic primary. He also is favored, especially by leaders of the American Agriculture Movement, due to help he gave the organization last spring in the bridge incident at McAllen.

Bill Hobby and Gaylord Marshall meet in the lieutenant governor's race, one that has drawn little interest, and the same can be said of the attorney general's race between Mark White and Jim Baker. For state railroad commissioner, appointee John Poerner tries to win a full term against Republican James W. Lacy.

The Lazbuddie precinct also has a contested race, where incumbent commissioner Jimmy Briggs is opposed by Raymond McGehee.

Other county and state offices have no contested races.

County officials running unopposed include County Judge Paul Fortenberry, District Clerk Dorothy Quickel, County Clerk Bonnie

Warren, County Treasurer Benna Felts and Justice of the Peace Wayne Spears.

District Judge Pat Boone, Jr., also is unopposed, as is state representative and Speaker of the House of Representatives, Bill Clayton.

In addition to the state offices, voters will be asked to decide the fate of nine proposed constitutional amendments, including one to provide tax relief for residential homesteads, elderly persons, disabled persons and agricultural land.

Ambulance Aid Ok'd

Contract for completion of the east cell block at the county jail was awarded on Monday by the Parmer County Commissioners in their regular meeting.

Two bids were received on the project, with TAGCO Industries of Hereford the successful bidder on a bid of \$36,500.

In a companion resolution, the court re-designated \$36,500 of the county's Revenue Sharing money to be used for the new construction on the jail.

Upon a request from the City of Bovina, commissioners approved payment of \$250 per month for a period of a year, to purchase equipment for an ambulance service in that community. Bovina is to begin a local ambulance service on November 1.

HELICOPTER VISITS BOVINA....The Panhandle Emergency Medical Services air ambulance made a stop in Bovina last Saturday as part of

the activities put on by the new Bovina Ambulance Service. The crowd is shown above as they inspect the craft.

Giant Rally Set By American Ag

The local American Agriculture Movement will have a reorganizational rally next Monday evening, November 6 at the Bovina High School Auditorium. The meeting will begin at 7:30 p.m. at the high school auditorium.

Ralph Roming, local spokesman for the AAM, says "American Agriculture is a year old, and basically about ten years smarter. We have learned a lot in the past year."

Main speaker for the rally will be Gene Schroder of Springfield, Colorado, who will give what is described as a top-notch presentation dealing with economics and inflation.

Also on the program will be remarks by Gerald McCathern and Jerome Friemel, Hereford leaders in the AAM.

"This will be our kickoff effort to get our troops back together and

make plans for 1980. Our harvest is basically complete, so we need to assess the situation and plan our next course of action," Roming says.

The local agricultural leader said that there were no plans at the present time for local demonstrations. Efforts are expected to be concentrated at the "main source of the problem--Washington, D.C."

"Our main goal is to further educate people as to the problems of the farmers, and to prove to them the fact that they are involved, whether they are farmers or not," Roming continued.

Schroder was a national delegate from the American Agriculture Movement from Colorado, and was one of the organizers of the national movement. It will be the first opportunity for residents of the Bovina area to hear the dynamic speaker.

CANDIDATE VISITS....Kent Hance is shown above discussing campaign issues with Ralph Roming and Mr.

and Mrs. Herb Howell. Hance visited here last Friday.

VISITS BUSH....Fred O'Hair, right, is shown visiting with congressional candidate George Bush when he

stopped in Bovina last Friday. Bush was making his final stop prior to the general election.

THROUGH FmHA

Emergency Loans Are Now Available

Emergency loans for farmers, ranchers or aquaculture operators are available through county offices of the Farmers Home Administration (FmHA), Billy R. Boling, FmHA county supervisor, said today.

Boling asked that those who need farm credit as a result of hailstorms and drought make their needs known at the Farmers Home Administration office at Farwell, Texas.

Applications for assistance in the disaster stricken counties will be accepted by Farmers Home until July 16, 1979 for physical losses and October 19, 1979 for production losses.

FmHA loans covering actual and production losses may be used to replace installations, equipment, or buildings, (including homes) lost through disaster. Funds may be used to buy seed, feed, fertilizer, livestock, or to meet interest and depreciation payments on current real estate and chattel debts. Other loans beyond actual losses, can be made for annual operating expenses or to make major adjustments in a farming operation.

"Funds can be used for essential operating and living cost," Boling said.

Loans covering actual losses are made at the interest rate of three and five per cent and are scheduled for repayment as rapidly as feasible

consistent with the applicants reasonable ability to pay. Loans beyond actual losses have various maturities, depending upon the purpose of the loan.

The interest rate for a short-term loan for farm operating is 8 1/2 per cent. Long-term loans are being made at an interest rate of 8 1/2 per cent.

To be eligible for an emergency loan, an applicant must have suffered losses from the disaster and be unable to get credit from other sources.

Emergency loans can be used to help the farmer restore damaged farm operations and additional loans based upon the emergency designation can be used to reorganize the farm for greater efficiency and better production.

Scooter's Scoops

By Scooter Russell

Cool weather in Bovina...makes us realize winter isn't too far away...everybody is enjoying the extra hour's sleep...Bovina beat Farwell!!!...Congratulations, boys!...don't forget to vote in the coming election, November 7.

News around town... Alma and Jack Clayton had a good weekend with their children and their families: their daughter, Arlene and Rocky Hance and their children, Kelly and Kendal of Hartley, their son James and Bonnie Clayton and children, Holly and Chad of Bovina, another son Dickie and Bonnie Clayton and children, Mark, Ted, and Joanna of Bovina. James, Robbie and Holly had birthdays during recent days so they celebrated with a dinner Sunday.

Other guests in the Clayton home were Alma's parents, Mr. and Mrs. Jim Roberts of Bovina and her sister, Estalee Lide and children Beth and Eddie Don of Bovina.

Ona and Jack Patterson celebrated Thanksgiving a little early this year with their daughters and their families over the weekend: Cynthia and James McDaniel and children, Kara and Russell of Abilene, Sandy and Carl Blackstein

Hill, Sorley Vows To Be Exchanged

Terri Hill, daughter of Mr. and Mrs. Patrick G. Hill of Clovis, and Ken Sorley, son of Mr. and Mrs. Grady Sorley of Bovina, will be united in marriage Sunday, November 5.

The wedding will be at the Central Christian Church in Clovis at 3 p.m. Everyone is invited to attend.

and sons Sean, Mark and Donnie of Amarillo.

The family went to church together Sunday and Jack says they filled their pew in church with 11 members of their family.

Recently Jo and Reagan Looney of Bovina, their daughter June Gay and her husband Bob McMeans of Amarillo had dinner with Peggy Sue Pronto at Pampa and visited with Dr. Harold Gene Star of Longview, Washington. They are niece and nephew of Jo's and attended school in Bovina years ago. After the family moved Dr. Star lived with the Looneys until he graduated from high school.

Henry and Nelline Spicer enjoyed a few days vacationing in the Santa Fe and Red River area. Nelline said there was snow at Red River and the roads were icy, but the scenery was beautiful.

Virginia and Tom Rhodes' sons, Alan and Kevin were here over the weekend. The men were campaigning for Kent Hance and Saturday had lunch and visited with the Rhodeses.

Artie Faye and Fred O'Hair recently returned from a trip that took them through 13 states and they were able to visit with all four of their children. They visited Mike and his family in DeWitt, Iowa, and a daughter, Claudia and her family and O'Hair's son, Freddie Mack, both of Longview and their daughter Sonja and her husband in Garland.

Artie Faye said they crossed the Mississippi River 16 times. On the way home they came through a Bovina, Mississippi.

She said they had a wonderful time during the two weeks away and only had one close call, and that was in Louisiana when she got her directions confused and walked into

the wrong motel room. She can tell you the rest of that one.

Lou Nuttall went to the Arthritis Clinic in Ardmore, Oklahoma last week. While there she visited with Betty Jean Cornelius, a high school friend from Amherst. Then she spent the weekend with her son, Ron and his wife, Sabrina in Ft. Worth and visited with her aunt and uncle, Janet and Bud Lilly, in Abilene before returning home.

The Venables had company last Wednesday: Wayne "Jiggs" Womack and his wife from Amarillo. "Jiggs" attended school in Bovina some years ago.

Robert and Imogene Calaway of Bovina and Imogene's aunt and uncle, Mr. and Mrs. Arthur Wichard of Clovis spent ten days at Truth or Consequences, New Mexico. The couples enjoyed the hot baths and had fun trying their luck at fishing but said they weren't too successful.

I talked with Obereta Sudderth this morning in the University Hospital in Lubbock. Billy had surgery last week and she said his condition had been a little unstable for three or four days but it was beginning to look like everything was going to be just fine.

We're glad to hear that. He had heart surgery at the University Hospital but is now in Methodist Hospital, Room 722.

In recent days the Jerry Rockwells had guests in their home: Marilyn's parents, Mr. and Mrs. Clifford Davenport of Pampa.

A few days ago Jessie Woltman

had a house full of company: Jessie's brother and his wife, Mr. and Mrs. Fred Hodgkin of Rule, another brother and his wife, Mr. and Mrs. Chester Hodgkin of Haskell, Jessie's sister, Minnie Pearl and her husband Elvin Kinney of Rule.

Jessie's children and their families were also dinner guests in her home: Tommy and Kay Williams and daughter, Leslie and Kathy of Bovina, a daughter, Avis and her husband Cotton Bradshaw and their son Darrell of Lubbock. Also visiting was another daughter, Eileen and her husband Carrol Burnam and their sons, Randy and Dennis of Dimmitt. Said they all had a good time together.

R.D. Looney had a good visit with his parents over the weekend, Mary and Jerry Peckinpaugh of Roswell. He said he took them some Bovina vegetables and they gave him some good apples they had gotten in the Hondo Valley...said they had a good time together.

Mr. and Mrs. H.H. Kelso, Sid Loyd, Laverne Stevenson, Mr. and Mrs. J.T. Jones and Mr. and Mrs. Owen Patton of Bovina recently returned from a trip to Huntsville to see the prison rodeo.

On the way down they visited Mr. and Mrs. Elmer Langford, former Bovinians, who are now living in Gustine.

On the way back they visited with Howard's brother, W.S. Kelso at Haskell.

The couples also visited Mr. and Mrs. Clarence Gaunt, former Bovinians of Rochester.

On their return trip, Tessie and J.T. Jones visited with their daughter, Dorothy and her family of Lubbock.

Owen and June visited friends in Chillicothe and June's sister, Matie of Childress.

Mrs. Kelso said the weather was nice and they really enjoyed the rodeo.

Earnestine and Henry Minter attended the funeral services for Vince Motl of Temple, Texas. Mr. Motl, 91, was Earnestine's grandfather and is survived by his wife,

four daughters and one son.

The Senior Citizens met Wednesday, October 25, at the Spot for their luncheon with 55 attending.

The Spot was decorated with a Halloween theme. Guests from Amarillo were at the luncheon and gave an explanation of Medicare and its meaning. They were: Patti Rutherford, Haddy Kent Fowler, both of Amarillo. The Rev. Dick Richards informed the group about the new ambulance service.

Those attending the meeting were: Mr. and Mrs. Willie Gipson, Mr. and Mrs. L.M. Grissom, Lola Grissom, Mr. and Mrs. French Crook, Nettie Charles, Leona Steelman, Bethel Wilcox, Hattie Burnett, Patti Rutherford, Haddy Kent Fowler, J.J. The women have completed a quilt and it is now on display at the Brownsabout.

Every Saturday night is game night at the Spot and everyone is welcome to come. November 29 will be their next meeting.

The R.A.s of the Baptist Church visited Prairie Acres recently and presented the residents with flower holders, each with a scripture verse, that the boys had made.

The adults who accompanied the boys were: Bonnie and Sandra Clayton and Brother Jerry Rockwell.

The boys who made the visit: Chris Rosenow, Frank Wilson, Chad Clayton, Bud Venable, Kendall Webb, Gene Walker Jenkins, Doug

Johnson, Ted Clayton, Tommy Hutto, Jimmie Heard, Alan Griffin, Kevin Smith, David Horn, Clay Carrell, Jerrett Turner, Randy Stone, Clay Dutton and Scottie Riley.

Two good men are running for Congress from this district.

So... Why should we vote for **George Bush?**

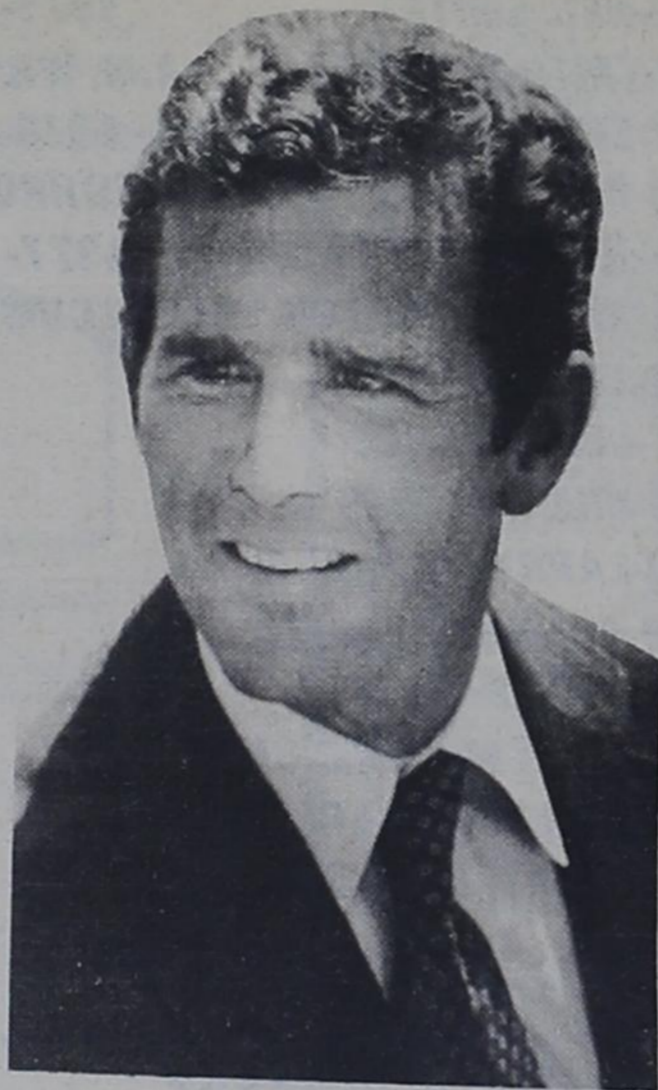

Four Important reasons

1 GEORGE BUSH WON'T HAVE TO COMPROMISE HIS PRINCIPLES. Most of us in this district are conservative. George Bush is a conservative, and he'll be free to represent this philosophy in Washington. His opponent, however, would have to "go along to get along" with the party's leadership, which doesn't always agree with our position.

2 THE ELECTION OF GEORGE BUSH WOULD BE A CLEAR SIGNAL TO WASHINGTON OF HOW WE FEEL. If we want to send a message to Washington that we don't agree with the domestic policies of the current administration, George Bush is the man to carry it. The election of a Democrat, on the other hand, would be seen as an endorsement of present policies—policies which have caused wasteful spending, big government, and overregulation of our lives.

3 GEORGE BUSH IS A BUSINESSMAN. He is a hard-working, tax-paying private citizen. He understands our problems because they are his problems, too. He'll take a businesslike approach to government and will work to make it more efficient.

4 GEORGE BUSH HAS GREAT POTENTIAL FOR LEADERSHIP. Knowledgeable, articulate and well-versed on national issues, George Bush would be listened to in Congress. He would be highly effective in speaking up for and working on behalf of the people and the economy of West Texas.

ON NOVEMBER 7, VOTE FOR WEST TEXAS. VOTE FOR GEORGE BUSH FOR CONGRESS.

Joe I. O'Neill, III Treas. P.O. Box 3429 Midland, Texas 79702

A TAXPAYER'S BILL OF RIGHTS IS PAST DUE

Bill Clements believes we still have a chance to preserve our future by establishing constitutional protection against excessive taxation and runaway government spending.

Bill Clements believes the people of Texas should have the power necessary to ratify or reject tax policies made by legislators.

To establish this power (of the people), Bill Clements will introduce an amendment to the Texas Constitution that would give the people of Texas this right.

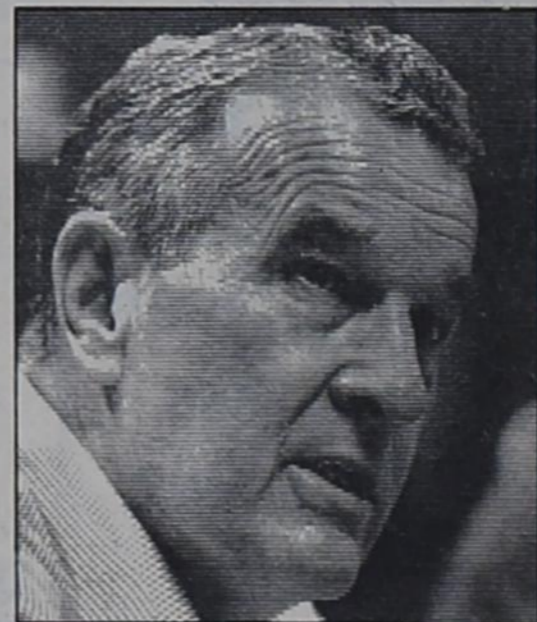

Bill Clements' "Taxpayers' Bill of Rights" would:

- Give Texans the right of initiative and referendum, a phrase that means we, the people, have a right to vote on the taxes to be levied on us.
- Place a ban on corporate or personal income tax in Texas.
- Require a two-thirds record vote of both houses of the legislature to pass a tax bill.
- Allow local taxpayers to call an election to ratify or reject a tax increase created by a local governmental unit.

Bill Clements believes in Texas and the people of Texas. Bill Clements thinks that elected officials must work for the people and represent them properly.

As governor of Texas, Bill Clements will work for and with the people of Texas.

It's about time someone recalled that our form of government was conceived to be a servant of the

people and provide the means to insure that principle endures.

BILL CLEMENTS, A GREAT GOVERNOR FOR TEXAS.

Rhodes Named To TPF Board

Gaylon D. Rhodes of Bovina was named to the Board of Directors of the Texas Plant Food Institute at its recent annual convention in San Antonio. The announcement followed his September 14 election at the District 1 meeting in Amarillo.

TPFI is a statewide trade association whose 600-plus members are engaged in the manufacture, distribution or application of commercial fertilizer.

The Institute is now recognized as the official voice of the fertilizer industry in Texas, which is one of the largest agribusinesses in the state responsible for efficient crop production.

Association members receive the latest available information in fertilizer blending techniques, modern and efficient methods of application and safer means of handling and applying pesticides. Through TPF's continuing education program, members may offer sound and professional recommendations based on the most current data and thereby provide the farmer-customer back home with opportunities for optimum production capabilities.

Rhodes and his wife, Shelby, reside in Bovina. He is the manager of Agri-Sprayers, Inc. of Bovina.

Church Chuckles by CARTWRIGHT

"I think our Building Fund Chairman is trying to tell us something!"

God Planned The Church For You

When you surrender to Christ is completed in baptism; God will add you to His church (Acts 2:41, 47). Conditions of church membership are identical with conditions of salvation (1 Corinthians 12:13; Galatians 3:26, 27). The church thus contains all saved people (Ephesians 5:23). You should consider the church as supremely important because it fulfills God's eternal purpose for you (Ephesians 3:19, 11, 21). Having purposed the church in the beginning, God promised it in the Patriarchal Age (Genesis 12:1-3; Galatians 3:7-9, 14, 26-29), prophesied it in the Jewish Age (Daniel 2:1-45; Isaiah 2:1-3), prepared it in the days of Christ (Mark 1:5; Matthew 10:7), and presented

it as an established fact in the Christian Age (Acts 2:1-47; Colossians 1:13). The crowning symbol of its worth is that Jesus purchased it with His own precious blood (Acts 20:28). God's reasons for establishing the church also makes it of supreme importance. God called the church out of the sinful world to be the body of the saved (Ephesians 5:23), a kingdom of service (1 Thessalonians 2:12), a temple of worship (1 Peter 2:5, 9), a nation of holiness (1 Peter 1:15; 2:9) and a family of fellowship (1 Corinthians 1:9). No other institution can challenge you with a high or nobler calling.

Large Group Begins Fifth Grade Band

Thirty-five fifth grade students, the largest number in the history of the Bovina Schools band program, recently began band instrument instruction.

The students were invited to participate in band following a six week general music course which was presented at the beginning of the school year to all fifth grade students.

Those students who elected to take instrument instruction are now eligible to follow a program of band courses which continue through the senior year of high school. According to Jim Little, Director of Bands for the Bovina Independent School District, the following students are now members of the 1978-79 fifth grade band:

Tobi Bandy, Michael Bentley, Holli Clayton, Ana Contreras, Salvador Cruz, Rey Duran, Toby Dutton, Tony Englant, Armando Espinoza, Becky Esquivel, Suzanne Floyd, Mary Lou Fuentes, Donell Garner, Terry Glasscock, Carmen

Gomez, Allan Griffin, Chet Hawkins and Rhonda Henson.

Also, Lokeene Hughes, Bernard Koelzer, Elisar Lara, Georgia Mancini, Alfredo Marquez, Kim McClaran, David McKillip, Nancy Mendoza, Terry Moore, Mike Morris, Cap Naegle, Belinda Ortiz, Noemi Ortiz, Marie Pesch, Gracie Robledo, Teresa Telles and Connie Winegeart.

School Sets In-Service

The Bovina I.S.D. teachers will be attending an In-Service Meeting in Amarillo this Friday, November 3. The meeting is being conducted by the Texas State Teachers Association.

Students will not attend school on this day.

OUTSTANDING PLAYERS....The Bovina coaches selected the whole team to receive the Outstanding

Player Award for their play against the Farwell Steers.

Mustangs Corral Farwell By 10-0

Friday night turned out to be one of the most exciting and rewarding nights for Mustangs fans and players. The Mustangs, helped by an outstanding turnout of fans, beat the Farwell Steers, 10-0.

This marked the first time that Bovina had beat Farwell in Farwell and also the first time the Steers had been shut out by a Bovina football team.

The Bovina fans are to be thanked and congratulated for their great turnout and support. It was apparent to all that attended that the Bovina fans outnumbered the Farwell fans even though the game was played in Farwell.

Most of the game was of the defensive nature as both teams went scoreless until the last quarter. With 7:29 left in the game, Ronnie Cary kicked a 40 yard field goal to put the Mustangs on top 3-0.

Bovina scored again with 1:15 left in the game on a 7 yard scamper by Ruben Salazar. The score now stood at 10-0 and that is the way the game ended.

Coach Monte Barnes was especially pleased with the defensive

effort of the Mustangs. The defense rose to the occasion on Farwell's first possession when the Steers drove down to the Ponies one yard line. The Mustangs threw the Steers back on three successive plays, and on fourth down, the Steers tried a field goal that was wide of the mark.

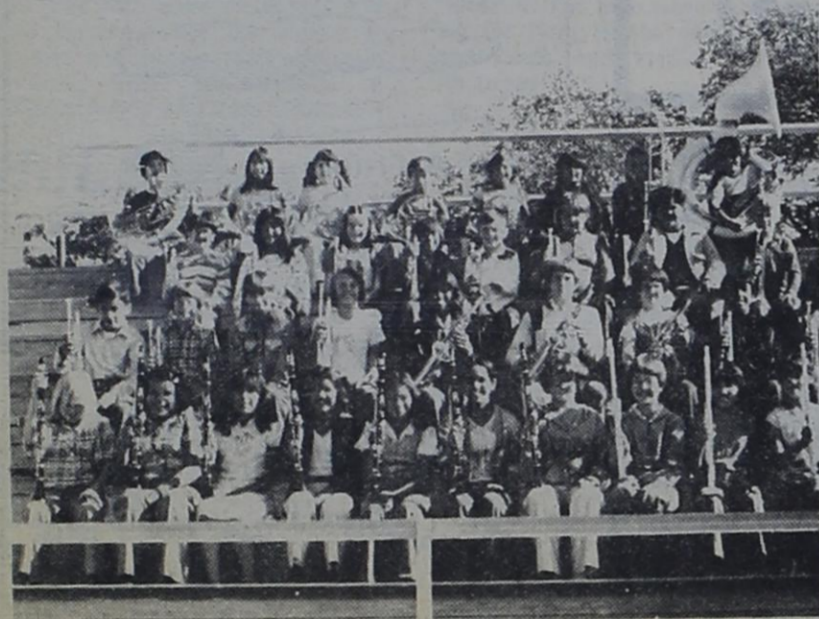

The Mustangs now sport a 3-3-1 record for the season, but more important, they are tied with Vega for the lead in District play. Both teams have 2-0 records.

Statistics for the game are as follows:

Bovina		Farwell
10	First Downs	11
138	Yards Rushing	128
2	Yards Passing	75
140	Total Yardage	203
3-35	Penalties, Yards	1-5

This Friday the Mustangs will host the Springlake-Earth Wolverines.

The Wolverines are coming off a 63-6 loss to Vega last Friday. Springlake-Earth has plenty of size and a couple of speedy runners. Bovina will have their hands full when the Wolverines visit this Friday. Game time will be at 7:30 p.m. Let's get out and support the Mustangs.

BEGINNING BAND....Thirty-five students from the fifth grade make up the Beginning Band at Bovina. This is a record number of students for the band.

Most newspapers pick Hill over Clements

"John Hill may be the best candidate for governor in decades. Judging from his record, he should win easily over his Republican opponent, whose chief qualification is money. Unlike his opponent, Hill is not given to outrageous promises, intemperate personal attack or underhanded tactics. He will work hard for the best interests of the state and its people."

— Austin American Statesman

"The more Mr. Clements has explained his blunt viewpoints — even those views we could agree with — the more he has raised doubt as to how effective a bulldozer could be in Texas government. Conversely, John Hill has grown in our evaluation as a man who not only is the best state attorney general in recent history, but also is a man with the intelligence, savvy and ability to serve Texas well as governor."

— Abilene Reporter-News

"We believe Hill will bring vitality and leadership to state government. Hill is not an advocate of big government. Nor is he a free spender. He has pledged that no new taxes will be levied if he is elected. His anti-inflation program is the kind of fiscal conservatism Texans can accept gleefully."

— Corpus Christi Caller

Gin Trash Tested As Feed Supplement

Cattle feeders could, in some cases, spend as much as \$48 a ton for cotton gin trash to use as feedlot roughage and still make a profit.

This is one finding in a study on economics of using gin trash as a cattle feedlot roughage, conducted by Dr. Kenneth B. Young of the agricultural economics faculty at Texas Tech University.

"Using gin trash as a roughage could help solve at least two problems," Young said. "It could reduce the feeders' dependency on more conventional roughages, such as alfalfa, corn silage and cottonseed hulls—often in short supply and expensive—and it would reduce or eliminate waste disposal problems for ginners."

Young conducted the research in the Texas High Plains area, including some tests at Friona, but he said the results could probably be extended to other feedlots.

Most common roughages used in High Plains feedlots are alfalfa, corn silage and cottonseed hulls, which frequently have to be shipped into the feedlot area.

Gin trash is available at the rate of about 859,000 tons per year, or nearly 400 pounds per head for all feedlot cattle in the High Plains, assuming feedlots operate at 50 per cent average capacity and 200 per cent turnover per year, Young said.

In addition to availability, gin trash has been found comparable nutritionally to more common roughages. One laboratory analysis conducted by Hi-Pro Feeds at Friona found ground gin trash had a similar energy content to alfalfa hay, although digestible nutrient content was lower. Digestible protein in gin trash was nearly half that of milo or corn, both high energy feed grains. Protein level was considerably higher than cottonseed hulls.

In his experiment Young used four different energy requirement levels for feed rations, based on cattle's increasing energy requirements from starting to finishing stages of feeding. Levels were 36, 40, 44 and 48 megacalories of net energy for gain for each one hundred pounds of ration.

In one comparison the ration without gin trash contained 18 to 0 per cent cottonseed hulls, the numbers representing starting to

finishing percentages; 0 to 5 per cent commercial supplement; no molasses and 7 to 21 per cent alfalfa.

In the gin trash ration 40 per cent ground gin trash and 11 to 16 per cent molasses were substituted for hulls and alfalfa. Grain sorghum content without gin trash was 58 to 85 per cent, but with gin trash was 18 to 39 per cent. Meal and fat contents were 0 to 3 and 0 to 1 per cent, respectively, without gin trash, and 5 to 9 and 0 to 14 per cent, respectively, with gin trash. The additional meal and fat were required for the finishing rations which had higher energy level requirements.

Prices per hundredweight for ingredients in this ration were \$1.60 for cottonseed hulls, \$4 for molasses, \$5.62 for supplement, \$8 for cottonseed meal, \$4 for grain sorghum, \$9.20 for fat and \$3 for alfalfa. Gin trash was priced at \$2.24 or less per hundredweight.

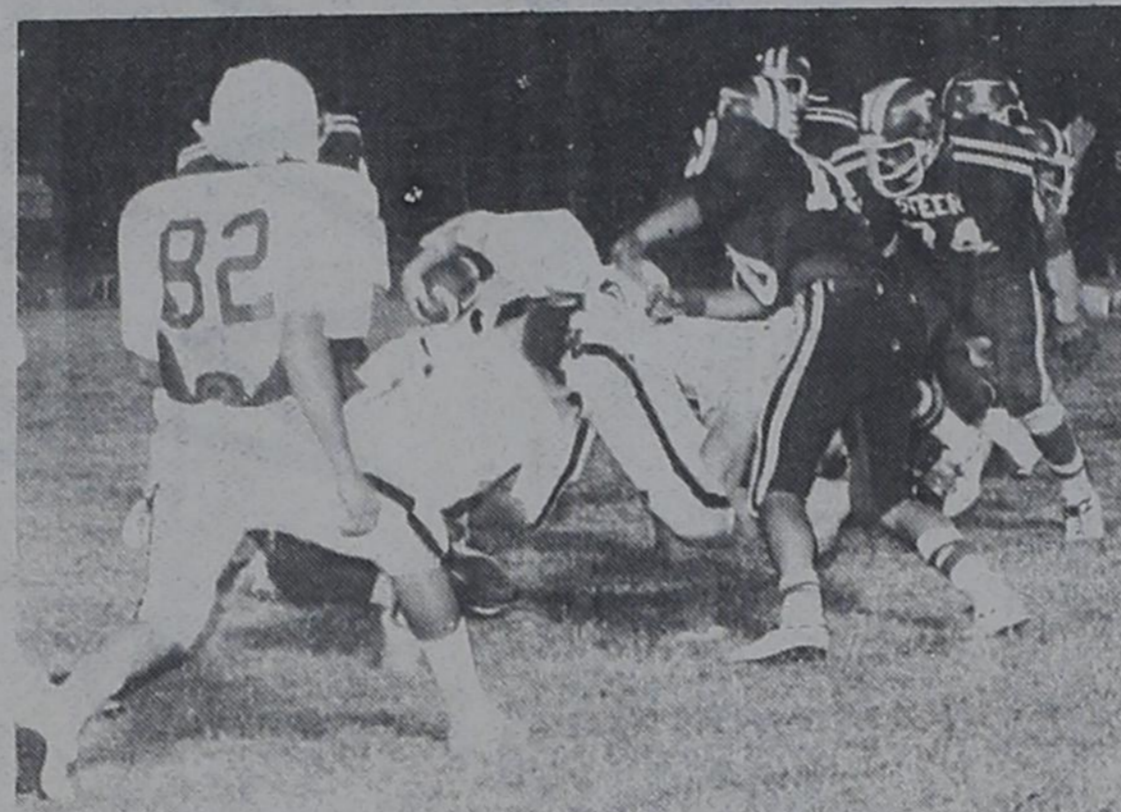

At these price levels Young found that producers could afford to pay up to \$44.80 per ton for gin trash before it became too expensive.

With varying price levels the results indicated that gin trash value was highly sensitive to prices of cottonseed hulls and alfalfa, which gin trash replaced as a roughage. Estimated values of ground gin trash in the study ranged from \$14.80 to \$48.80 per ton.

Young concluded from his study that replacing more expensive roughages with gin trash in Texas High Plains cattle feedlots would be economically feasible, but further feeding trials are needed to add support to these findings.

Fillies Win District Volleyball Championship

The Bovina High School Fillies have added another title to their growing list. The Fillies won the District 3A volleyball title Monday, October 30.

The Fillies beat the Farwell Steerettes two games straight to earn the District Championship. The scores were 15-0 and 15-3. Two other

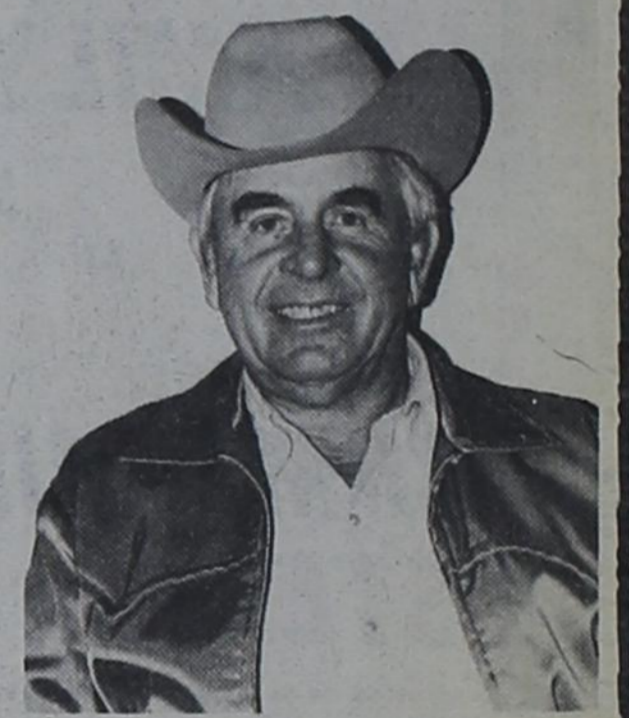

games were also played, but had no bearing on the title race as the Fillies had already clinched the championship.

The Fillies won three out of four games October 16 in Farwell and swept all four games in the series here Monday night.

Congratulations to the Fillies and Coach Ann Lee on their victory.
