Bulldogs To Start 1937 Season Here Friday

JAPAN MAPS OUT PLANS FOR BIG OFFENSIVE

By United Press
TIENSIN, China, Sept. 15.—Japan's general mapped plan for major offensives in China today, while one of the largest battles of the war started on a 50-mile front along the Peiping-Hankow railway. In the Shanghai area, where fighting was reduced to sporadic artillery duels, General Iwane Matsui planned new strategy to drive the Chinese from their second line defenses where they were strongly fortified in modern, barbed wire trenches and pill boxes, built under the supervision of German military experts. A major battle began this morning about 25 miles south of Peiping, where the Chinese had been defeated repeatedly in small skirmishes but now are organized and ready to make a heroic stand. SHANGHAI, Sept. 15.—Chinese leaders aghast at President Roosevelt's restrictions on arms shipments from the United States to the far east, asserted today that its effect was a direct aid to Japan. As Chinese saw the order it stopped China's supply of munitions from the United States from whom she buys more goods than from any other nation, and permitted Japan to buy at will.

Indians and Cats Win First Games In Shaughnessy Series

The Fort Worth Cats and the Oklahoma City Indians won the first round of the Shaughnessy playoff in the Texas League Tuesday night, the Cats winning from Tulsa 4 to 1 in a closely contested game and the Oklahoma City Indians defeating the Missions in an extra-inning game by the score of 6 to 2. The Indian-Mission clash was probably the most thrilling of the two, for in the ninth inning, with the score 2 to 1 in favor of the Missions, and with two out and two strikes on the batter, pinch-hitter Delbert Friar hit for the circuit to tie the score and the Indians went on to score four more after their big break. At Tulsa Ed Selway pitched a three-hit game for the Cats and blanked the Oilers in every frame but one, the lone Tulsa score coming in the last of the third. The score was tied in the fifth and the Cats added another in the eighth and two more in the ninth to give them their first victory of the playoff.

Eastland Citizen's Funeral Conducted

Services for W. K. Jackson, 60, long-time resident in Eastland, were to be held Wednesday afternoon at the family home, with Rev. Charles W. Estes, pastor of the First Presbyterian church at Winters, officiating. Following the service the body was to be shipped by train to Chicago, Ill., for burial. Business was suspended Wednesday afternoon during the funeral by the Sinclair Prairie Oil Company in the building in which he formerly worked for the Prairie Oil and Gas Company and the States Oil Corporation. Mr. Jackson had been an Eastland resident nearly 20 years. He formerly lived in Pauls Valley, Okla., and St. Joseph, Mo. Survivors are his wife, a son and daughter, P. Wayne Jackson and Mrs. Joseph Veliquest, both of Chicago, and a sister, Mrs. Edna McLaughlin, Philadelphia, Pa. Active pall bearers were named as follows: Oscar Wilson, J. M. Mouser, Joseph M. Weaver, P. G. Russell, R. C. Kinnaird and Earl Conner, Sr., all of Eastland. Honorary included Will Martin, John Turner, C. W. Hoffmann, Joe Stephen, Allen D. Dabney, J. F. Little, James Horton, Dr. E. R. Townsend, Stewart M. Doss, Judge George L. Davenport, Art H. Johnson, L. A. Hightower, W. H. Taylor, Judge O. C. Funderburk, Sam Butler, J. L. Cottingham, C. A. Hertz, E. Hinrichs, George Brogdon and Walter Murray.

Named Leader of Boys in Blue

His insignia worn proudly, this 87-year-old Civil War veteran, Dr. Overton H. Mennet of Los Angeles, Calif., will lead the Grand Army of the Republic as commander for the next year. The convention that elected him also voted to join Confederate veterans in a Blue-Gray reunion at Gettysburg, Pa., next summer, provided the southerners left their Confederate war banners at their homes.

OIL BELT GRID SEASON OPENS HERE FRIDAY AFTERNOON

ECONOMY NOT TO BE A TOPIC FOR SESSION

By United Press
AUSTIN, Sept. 15.—Acting Governor Walter Woodul of Houston said today he will not alter Gov. James V. Allred's legislative call in the governor's absence. Allred limited the session beginning Sept. 27 to taxation. A state senate committee is reported to have sought to influence Woodul to include state economics as a topic of the session.

Former Rangerite to Be Buried Thursday

Miss Maggie Harless, who for a number of years made Ranger her home and while here an active member of the Eastern Star chapter, passed away Tuesday according to word received in Ranger today by Mrs. Fred Driehof. The services have been set for Thursday afternoon at 3 o'clock at the First Christian church with the pastor, Rev. H. B. Johnson, officiating.

Newspaper Asks Black to Resign

By United Press
PHILADELPHIA, Sept. 15.—The Philadelphia Record, a strong supporter of the Roosevelt Administration, in a front page editorial today, called for the resignation or presidential removal of United States Supreme Court Justice Hugo L. Black. The Record withheld editorial comment yesterday on the charge that Black was a life member of the Ku Klux Klan on grounds that the accusation "is so serious" that the newspaper was making its own investigation.

Gerald Mann Named As Exposition Guest

AUSTIN, Sept. 15.—Lt. Gov. Walter Woodul today appointed Gerald Mann of Dallas to represent the state at the Pan American Exposition Celebration given by other countries. Woodul and Mann are rival candidates for Attorney General.

Criminal Cases In Court Are Slated

Five cases alleging criminal offenses have been set for trial in 91st district for the week beginning Monday. The defendants and alleged offenses are: May King, driving intoxicated; Buster Deckert, theft over \$50; W. C. Shelton, driving intoxicated and V. W. Williamson, theft over \$50 and swindling. Also set for the same week is a hearing upon application of the state to make permanent an injunction restraining selling of beer by Fred Zellner near Rising Star.

EXHIBITS TO BE SEEN IN LUMBER YARD

The "everything ready" sign was up Wednesday for the eleventh and what promises to be one of the biggest Eastland County Fairs, beginning Thursday at Eastland. All exhibits are expected to be in place for the opening of the fair the initial date, it was stated. Exhibits, livestock and agricultural, will be placed at the former Pickering Lumber Company yard on North Seaman street. Easily accessible for convenience to the fairgoers are the carnival located east of the lumber yard and the Fire Department softball field which will be the scene of community programs and other entertainment. The opening day has been designated "Fort Worth and Cisco Day" as each city will bring an outstanding program and a large delegation to attend the event. Cisco's entertainment will include a concert by the Cisco high school band. The program, beginning at about 7:30, also will include entertainment by performers accompanying a Fort Worth delegation due that evening for the fair.

Killingsworth, Cox And Elks Play in Game Here Tonight

The fourth game of the Ranger softball Shaughnessy series for the championship of the city, will be played tonight when the Elks and Killingsworth Cox meet. Tee'vee is leading the series at present with two wins and no defeats, while Lone Star has won one and lost one and the Elks and Killingsworth Cox have each lost one game. The team which loses tonight will be eliminated from the series, as two defeats for any one team ends its participation.

Jewish Stores Are Closed for Holiday

Stores in Ranger operated by Jewish proprietors were closed today in celebration of Yom Kippur, the Jewish Day of Atonement. The religious holiday began at sundown Tuesday afternoon and continues until sundown today. The day is a fast day for those of Jewish belief and is one of the holy days for those of that faith.

Rotarians Told of Anaesthesia and of Present Day Uses

Dr. P. M. Kuykendall had charge of the Rotary club program today and introduced J. A. Helt, technician of the West Texas clinic and hospital, who gave an interesting talk on anaesthesia. He said that most men did not fear pain, but dreaded it and mentioned that the first means of counteracting pain in operations was to hit the patient over the head and knock him out. Later, he said, they sat on the patient's chest to cut off the breath and reduce pain. It was in the 13th century that alcohol was introduced as an anaesthetic, but it was found to be too dangerous, as many patients died. The first successful anaesthetic was laughing gas, the discoverer of which laughed himself to death after he took too much of it. Ether is now the most widely used anaesthetic, he said, since its discovery by a Dr. Long of Georgia in 1842. It is also the safest and surest. He described the types of anaesthesia, from the minor to the deep sleep and demonstrated the old types of machines for administering ether as compared with the new. The Cisco Rotary club has challenged the Ranger club to a membership campaign, with the loser to entertain the winner in the home town of the winner. The challenge was accepted. Visitors at the meeting were Lee Hertzell and E. N. Cluck of Cisco and Jim Beal of Sweetwater. T. H. Pace was taken into the club as a new member.

High-Yield Oats Appeals to Six

New Nortex oats obtained from the agricultural experiment station at Denton through the county agent's department will be planted in the county this fall by Wayne Thurman, T. L. Owen, T. E. Castleberry, A. C. Cooper, Homer E. White and H. A. Lovell, it was announced Wednesday. The new Nortex oats in a 10-year test at Denton have out-yielded Nortex oats and another leading variety several bushels per acre, reports show. They are red rust-proof oats and have all the desirable characteristics of other leading varieties. The allotment of seed from the experiment station is registered and the grower may sell their increase as state certified seed if they desire.

Granddaughter of Ranger Woman Dies

Mrs. Frances Arnett returned Wednesday morning to her home in Ranger from Austin, where she was called on account of the death of her granddaughter, Shirley Ann Warren, who died at the Brackensridge hospital Thursday afternoon at 4 o'clock. Survivors include her parents, Mr. and Mrs. Lewis Warren, two sisters, Frances Ollene and Barbara Mae, her grandparents, Mrs. E. A. Warren of Austin, Ike Arnett of Baxter Springs, Kansas, and Mrs. Frances Arnett of Ranger. Funeral services were conducted by Rev. E. A. Henry at the Nazarene church. Interment was in the Elkville cemetery, near Austin. The public is cordially invited.

ITALY MIGHT BOYCOTT THE LEAGUE GROUP

By United Press
ROME, Sept. 15.—Italy may boycott the International Committee on Non-Intervention in the Spanish Civil War unless the Mediterranean pirate control is altered to suit her, it was understood today. The action of the conference powers in signing their agreement to patrol the Mediterranean without even awaiting Italy's reply to an invitation to participate, caused surprise and disappointment.

Church Unification Urged by Laymen

By United Press
INDIANAPOLIS, Ind., Sept. 15.—Dr. Froyne Hutchinson, Tulsa, Oklahoma churchman and orator, urged unification of the North and South divisions of the Methodist Episcopal Church in an address last night before the 10th annual session of the Indiana Conference. INDIANAPOLIS, Ind., Sept. 15.—Dr. Froyne Hutchinson, Tulsa, Oklahoma churchman and orator, urged unification of the North and South divisions of the Methodist Episcopal Church in an address last night before the 10th annual session of the Indiana Conference.

Gold Confiscated By Secret Agent

By United Press
SAN ANTONIO, Sept. 15.—Edward Tyrrell, secret service operative for the United States Treasury, revealed today the confiscation of \$800 in gold from Mrs. Bertha S. Avory, of Taylor, on September 4.

Infantile Paralysis Shows an Increase

WASHINGTON, Sept. 15.—The U. S. Public Health Service today reported new cases of infantile paralysis for the past week increased more than 200 over the previous week, thereby establishing a high for the year.

Farm Leaders Are Pleased With Plan For Crop Control

By United Press
WASHINGTON, Sept. 15.—State Farm leaders expressed satisfaction today with the new soil conservation program for 1938, proposed by Sec. of Agriculture Henry A. Wallace, suggesting a 15 to 25 million acre reduction in major farm crops next year. WASHINGTON, Sept. 15.—The agriculture department crop bulletin for the week ended Sept. 13, reported today that the cessation of almost continual rain in Southern States had a beneficial effect on cotton.

Name Wichita Man Medico Meet Head

Dr. O. T. Kimbrough of Wichita Falls was chosen president of the Northwest Texas District Medical Association at its fall conference Tuesday at Cisco. Dr. Kimbrough succeeds Dr. M. L. Stubblefield of Gorman. Vernon was chosen for the spring meeting the second Tuesday in March next year. Other officers named at the session were Dr. William L. Howell of Fort Worth, vice president, and Dr. T. P. Fritzell of Knox City, secretary-treasurer. Eastland representatives at the meeting included Dr. J. H. Caton, secretary-treasurer of the Eastland-Callahan Medical Society and former president of the convening association; Dr. F. T. Isbell, the county health officer, and Dr. L. C. Brown, city health officer.

Mail Being Watched To Trap Kidnapers

By United Press
NEW YORK, Sept. 15.—Department of Justice Agents watched William H. Parsons' mail today hoping he would get a letter of instructions for finding the body of Mrs. Parsons, who disappeared July 9. A series of letters already had been intercepted and one written by a woman who said she had been forced to help her brother kidnap the socially prominent matron, asserted that Mrs. Parsons died of pneumonia, July 9.

Father Fails to Save Child and Is Injured

By United Press
HOUSTON, Sept. 15.—Iraullo Sanchez, 33, was under observation in a hospital today for injuries suffered when he tried, unsuccessfully, to smother his three-year-old daughter, Amelia, from under the wheels of a passing street car. Amelia was decapitated and died instantly.

Man Charged With Death of His Wife

By United Press
WHARTON, Sept. 15.—W. D. Knigler, 35, was under a murder charge today in connection with the death of his wife after Knigler told officers that she leaped from his automobile Sunday.

OFFICER TRANSFERRED

By United Press
WASHINGTON, Sept. 15.—Army orders today included Capt. Harry E. Fischer, Corps of Engineers, Miners' Wells, ordered to Fort Logan, Colo.

STRAWN TO BE OPPONENT FOR FIRST CONTEST

Bulldogs Primed To Avenge 1936 Defeat at Hands of Strong Class B Team. The Ranger Bulldogs will open their 1937 football campaign at Bulldog Stadium Friday afternoon when they meet the Strawn Greyhounds in a non-conference game, the only non-conference game the team will play this season, since the interscholastic League rules allow only ten games a season, and there are nine conference games on the Oil Belt schedule. Last year the Bulldogs played at Strawn in the opening game of the season, and were defeated by a score of 13 to 6. The team at that time was entirely inexperienced, practically all of the players being on a football field for their first time in a real game. Many of the players in the lineup against Strawn last season will face the Greyhounds again Friday afternoon when the second meeting of the two teams will be played. And the Bulldogs of 1937, looking much better than they did at this time last year, will be out to avenge that defeat at the hands of the Class B team from the Palo Pinto county city. Coaches Baker, Wright and H. G. Jennings have not, as yet, announced the starting lineup, which will take the field Friday, but there are at least two men for every position on the team, which will mean that practically every man on the squad will have a chance to see what he can do before the game is over and the starters will not necessarily be the first team and the others merely reserves. Coach Wright, who coaches the line, states that his starting line will likely average about 164 to 165 pounds, while, with substitutions from time to time, the weight might go even higher at times, although that figure will be the general average. Backfield Coach Jennings says that his backfield will be somewhat lighter than the line, though big Hubert Anderson, who tips the scales at 192 pounds, is the heaviest man on the team and will add much weight to the backfield when he goes into action. Ends on the traveling squad at present are Dewey Brawner, LeRoy Bishop, Ralph Byers and Charles Lawson; tackles are Harold Ames, W. D. Haley, Bob Palmer and Raymond Smoot; guards Charles Hargrave, Kendall Houston, Junior Graves, Jack Hall, Bill Reese and Ben Young; centers, Travis Bryan, Franklin Frazier and Junior Gray; backs, Buford Jordan, Bill Houghton, Harold Briley, Charles Whitefield, J. H. McKelvin, Charley Martin, Elton Bonney, Wayne Adkins and Hubert Anderson.

By United Press
WASHINGTON, Sept. 15.—W. D. Knigler, 35, was under a murder charge today in connection with the death of his wife after Knigler told officers that she leaped from his automobile Sunday.

Pegging the Cotton Price at 12 Cents

Tumbling prices in face of the bumper crop, and the President's agreement to place a 12-cent-a-pound foundation under each bale raised in the United States, apparently has reopened a straight road for the crop control of cotton.

Three reasons are usually given for the present plight of the cotton farmer.

First there is the world race for selfsufficiency which has led almost every nation on the globe to planting cotton, either in its homeland or in territorial possessions.

Second is the entrance of other countries, notably in South America, into the world cotton market. Price pegging in the United States on one hand, and cheaper production basis in foreign countries on the other hand, have placed U. S. cotton under an almost fatal handicap.

Third is the U. S. tariff barrier which has been raised against importation of goods from other countries through which they once offset a balance in trade with tremendous purchases of cotton.

There is still another fact sometimes pointed—that much of the Old South has so depleted its soil with constant cotton crops that the product is not the excellent long staple of half a century ago.

The President's bargain with Congress, whereby he agreed to the 12-cent peg in return for a promise that crop control would be restored at the next session, was pretty expensive.

The loans to be made, probably at nine cents a pound, will not necessarily cost the government anything. They will be made to all farmers agreeing to sign up for cotton control the following year, but cotton is not expected to drop below nine cents a pound.

Subsidy payments to bring the price up to 12 cents a pound will, however, cost the government an estimated 150 million dollars, even if the payments are made on only 65 per cent of this year's output.

To become eligible for this subsidy, the farmer must prove to the satisfaction of the AAA that he is complying with the government's crop control program.

Big sums in government expenditure don't mean much any more, they come so frequently, but \$150,000,000 is still a lot of money to pay out as a palliative.

PEEPING THRU The KNOTHOLE

WITH BILL MAYES

A big crowd of fans was present at the football party at Municipal Field last night, every seat being taken when the show began.

Lynn H. Tullock's band played, both before and during the show, and made quite a hit with the fans with their music and their natty uniforms.

W. T. Walton opened the show promptly at 8 o'clock, after the band concert, which is something. Usually those things get off to a late start. Not only that, but the show didn't drag for a minute.

First the band director and the two coaches were introduced. As promised, they didn't make any speeches. The future Bulldogs, the squads from the three ward schools were introduced, en masse and en toto, whatever that means, as they trotted around the field. They got a swell ovation.

Then the 1937 Bulldogs were introduced and they were given a big hand as they came trotting out on the field. It was quite a sight and a reminder that only a day or two remains before the 1937 grid season opens.

The players were introduced, by positions and numbers, then a typical short punt, single wing back, double wing back, long punt and box formation plays were demonstrated, first slowly and then at regular speed. They demonstrated clearly how blocking assignments are carried out to make a play click, as the coaches stopped the play just as the blocks were being made to point out what each man was supposed to do.

All of us learned something, no doubt, and were able to see more clearly than in a game just why football clicks, or doesn't.

The different formations for defense, from the five to the seven man line, was shown and then the various penalties were demonstrated. This was interesting to most, from the comments in the stands, because many did not know just what clipping or pass interference was. In other words it was a demonstration of what not to do.

The whole show was quite a success, and one that any football fan could have enjoyed. Of course no Bulldog tricks were given away, nor were any efforts made to show what the team had. It was more of an illustration of what they should do, when they go on the field. But when the plays are run off on a football field you will have to watch a lot closer than you did last night to see it all, because they won't stop to let you see what they are doing.

With only two more practice sessions possible before the practice game here, Friday afternoon the coaches are confident that their charges are in good condition for the game and the boys are just waiting for a chance to get at those Greyhounds. We hope they go places and do things.

MAVERICKS WILL BEGIN 1937 GRID SEASON WITH BROWNWOOD ON FRIDAY

A total of 1,715 pounds will be represented in the starting lineup of the Eastland Mavericks against Brownwood Lions on Welch field Friday afternoon at 3:30, in Eastland.

Coach E. B. Grady, Jr., the Mavericks' new mentor, a former resident of Brownwood, is especially anxious to take the game against the Lions.

After five weeks of practice the weights Wednesday showed that the average of players for the starting line-up will be 156 pounds. The line will average 160 pounds and the backfield 149.

Seven lettermen are listed in the starting lineup. They are R. Taylor, 160-pound center; Daniels, 160-pound fullback; Cook, 170-pound end; O'Neil, 175-pound tackle; Perine, 170-pound tackle; Samuels, 130-pound quarterback; and Jim Taylor, 160 pounds, halfback.

Other probable starters are to be on the football field.

The new rule about kickoffs was explained by Baker Wright. He said that the receiving team had the choice of putting a kickoff in play at the point it went out of bounds, or on the 35-yard line provided the kick carried out of bounds or over the end zone.

Last on the program was the introduction of the starting lineup of 1937, composed of present members of the squad, all of whom are expected to see service this year. That indicated that the coaches are looking to the future and hope to build up district winning teams as soon as possible.

The whole show was quite a success, and one that any football fan could have enjoyed. Of course no Bulldog tricks were given away, nor were any efforts made to show what the team had. It was more of an illustration of what they should do, when they go on the field. But when the plays are run off on a football field you will have to watch a lot closer than you did last night to see it all, because they won't stop to let you see what they are doing.

With only two more practice sessions possible before the practice game here, Friday afternoon the coaches are confident that their charges are in good condition for the game and the boys are just waiting for a chance to get at those Greyhounds. We hope they go places and do things.

Mitchell, 140 pounds, and Barham, 150 pounds, guards; Sikes, 150 pounds, end, and Sparks, 145 pounds, halfback.

Little has been heard from Brownwood upon their strength this year. Thomason, backfield standout, however, will be missing this season from the Brownwood lineup.

To observers the Mavericks have been showing up well in practice. Lack of reserves will be one of the greatest handicaps for the Mavericks.

R. Taylor, center, has filled that position capably for several years. Samuels, perhaps the lightest quarterback in the district, gained prominence last season for the Mavericks with his bullet-like and accurate passing. While not heavy the quarterback in practice showed up well in runs. He is particularly adept at side-stepping.

Jim Taylor, one of the twins, is without his brother this year. Harry Taylor is stockily built, and strong, and seems destined to fill the assignment of a halfback capably.

Officials for the game will be Ray McCollough, referee, (TCU); Stroud, umpire, (Texas), and Eck Curtis, Breckenridge high school coach, head linesman.

The complete roster of Eastland players is as follows:

Table listing player names, positions, and weights. Includes: No. Name-Pos. Wt. 20-Van Geem, guard 140, 21-Daniels, fullback 160, 22-Sparks, halfback 145, 23-Bobbie Furse, halfback 130, 24-Fuzzy Furse, guard 145, 25-Barham, guard 150, 26-Pryor, end 150, 27-O'Neil, tackle 175, 28-Mitchell, guard 140, 29-Bagley, halfback 145, 30-Ingle, tackle 141, 31-Bryant, end 140, 32-Elkins, center 140, 33-J. Taylor, halfback 160, 34-Brock, halfback 135, 35-Mahaffey, tackle 155, 36-Sparr, center 130, 37-McFarland, tackle 135, 38-Awalt, quarterback 135, 39-Moore, end 135, 40-Beggs, halfback 135, 41-Perine, tackle 170, 42-Cook, end 170, 43-Sikes, end 150, 44-T. Samuels, quarterback 130, 45-R. Taylor, center 165.

RULES UNDER PROGRAM HURT MANY, CLAIM

Resolutions petitioning State Administrator H. F. Drought for return of more liberal regulations in the sponsorship of Works Progress Administration projects were approved Monday afternoon at an Eastland conference attended by 90 political subdivision officials from over West Texas.

At the conference were the sponsors of projects, city and county commissioners, school board members, other officials district and state officers of the WPA and Congressman Clyde L. Garrett.

Congressman Garrett, who arranged the meeting after describing to Administrator Drought the unemployment and apparent trend for decrease because of stringent regulations recently promulgated which handicaps political subdivisions in sponsoring jobs because of added financial responsibility and near-depleted treasuries.

Congressman Garrett, who presided at the session in 88th district courtroom, described the situation as alarming.

Testimony heard at the meeting, the state and district WPA officials stated, will be presented the state administrator for study.

"I feel like something will be accomplished," declared Major Karl Wallace, district 7 WPA director from Fort Worth.

Declaring that his statement was not official, Major Wallace asked if the public wasn't getting in a habit of looking too much toward Washington (for assistance). He admitted that the "shape" of Eastland county was undoubtedly the worst of all described as to the unemployment of workers.

Alton Bell of Crowell, personal representative of Drought, stated "right" regulations were undoubtedly brought about by a lower amount of money for the program and the necessity to curtail and appropriate available funds.

Also speaking was R. W. Colglaiser of San Antonio, assistant state director of the division of operation of the WPA.

Believed by many as the most concise talk in description of the condition of counties, schools and cities because of the newer WPA rules and other assorted difficulties was that of E. O. Francisco, Taylor county judge.

The engineer asserted his county commissioners and officials believe in curtailing unnecessary expense and that roads already constructed through the WPA in his county have been of a high standard. He recited an instance in which Taylor county spent several thousand dollars on a project originally contracted to the WPA.

Criticized was that officials have arranged for out-of-county truck contention on jobs in Taylor county.

"Why don't you let your field men exercise good judgment?" he demanded to what he described as the agency's demand for "unnecessary" technical data.

At the same time the WPA was praised for its many benefits.

Copy of the resolutions arranged by a committee headed by Homer T. Bouldin, Shackelford county judge, is as follows:

"Honorable H. P. Drought, State Director, WPA, San Antonio, Texas.

"We, County, City, and School Officials of WPA District No. 7, joined by Representatives in the 17th Congressional District of Texas and neighboring counties and cities of said Congressional District No. 17, assembled in session at Eastland, Texas, on the 13th day of September, 1937, do hereby respectfully request and petition the Works Progress Administration for regulations and the enactment of rules whereby it will be possible for political subdivisions of the State of Texas to operate its projects as it has heretofore done; We respectfully represent that under the present rules and regulations it is impossible to operate relief projects for the following reasons:

"That under the present rules and regulations, the Works Progress Administration, it is impossible for the sponsors to continue the WPA projects or to begin new projects. In order for the sponsors to continue the WPA projects, we recommend that the following rules and regulations be invoked by the Works Progress Administration:

A. That the sponsors total contribution required for any WPA project be reduced to a maximum of 25 per cent of the total cost of the project. And that the truck drivers be paid from the labor account of the WPA and that only the truck rental be charged against equipment rental.

B. And that no WPA employee be removed, and particularly those above 40 years of age, or physically handicapped be removed from WPA payrolls for those reasons unless it has been ascertained by the local investigator that said employee has some means of support.

C. We further recommend that the obligation of the WPA in entering into a contract with the

"It Must've Been Two Other Guys"

Unable to restrain his amusement, John Roosevelt, youngest son of the President, laughs heartily on return to New York from abroad over questions about the champagne of the Mayor of Cannes, for which he was reported to have been responsible.

"Some one doused the mayor but it wasn't I," he insists although admitting he had been imbibing champagne.

sponsor be carried out according to the original agreement without subsequent changes of rules and regulations which places a greater burden upon the sponsor than the agreement provided.

"I further recommend that the red tape of the WPA projects be eliminated by placing the responsibility of securing the proper projects and their execution, including the engineering work, be entrusted to the sponsor with the assistance of the project manager and the WPA area engineer and that they be allowed to select from local men and local trucks those most suitable for any particular project.

"We express to Congressman Garrett our sincere appreciation for his interest in WPA matters and for arranging for this meeting. We express, also, our appreciation to Mr. Drought for sending his personal representatives to Eastland to confer with County City, and School officials relative to improving the rules and regulations of the WPA."

The list of persons attending, most of whom spoke, included: Alton Bell of Crowell, personal representative of Drought; R. W. Colglaiser of San Antonio, assistant state director of division of operation; Major Karl Wallace, director of district 7 of the WPA; Congressman Clyde L. Garrett; Milburn McCarty, president of the West Texas Chamber of Commerce; Wallace Scott, Erath county judge; John H. Smith of Dublin; G. E. Hamie, Stephenville; C. C. Beicher, Stephenville.

Ben Earp, Mineral Wells; G. W. Kelly, Breckenridge; H. W. Sayle, Breckenridge; Mayor C. W. Hoffmann, Eastland; L. J. Lambert, Eastland; C. T. Lucas, Eastland; city commissioners; M. H. Kelly, Eastland, city secretary; G. A. Murphy, Ranger; D. C. Harper, Cleo; M. O. Kennedy, Breckenridge.

Mrs. J. H. Arthur, Comanche; K. V. Northington, Ballinger, city secretary; W. B. Price, Ft. Worth, supervisor of the district division of employment for the WPA; Maybeth Bedford of Fort Worth, assistant to Price; M. O. Cook of Gordon, county commissioner; Mayor J. M. Tucker of Strawn.

Estes M. Synn, Ballinger mayor; J. J. Kelly, Ranger city commissioner; Pat Corrigan, Palo Pinto county judge; Jack Vaughan, Palo Pinto county commissioner; W. S. Fire, Palo Pinto county commissioner; Joe Neal, representative of the R. B. George Machinery company; Will M. Wood, Allamore; F. R. Davidson, Abilene; Tip Ross, Gorman, floral representative.

Calvin Brown, Ranger city commissioner; Edwin George, Jr., Ranger; Waurine Young, Ranger; J. E. Meroney, secretary Ranger Chamber of Commerce and member of school board; L. B. Lewis, Callahan county judge from Baird; B. H. Freedland, Cross Plains, county commissioner; A. E. Nabors of Brownwood, Brown county judge; H. I. Stapp, Brown county commissioner; Charles Butler of Bangs, Brown county commissioner; J. E. Robinson, Anson, city secretary.

D. W. Gray, Anson marshal; W. H. Thompson, Brownwood mayor; J. B. Leach, Brownwood alderman; Ranch Pottitt, Brownwood fire chief; John C. Miller, Mineral Wells mayor; Oscar Bish, Mineral Wells; Vernon Durham, Mineral Wells city engineer; L. R. York, Taylor county judge; H. C. Knight, Moran; O. H. Fincher, Fort Griffin; J. L. Irvin Sanders, Jones county commissioner; Grover Clark, Callahan county commissioner; B. O. Breace, Callahan county commissioner; T. H. Hart, Brownwood alderman; J. W. Hicks of Gordon and Lawrence Santi, Mingus.

Their "Murder" Was Exaggerated

The confession of Philip Krahl, 27, that he had murdered Helen Whebley, 6, and her brother, Frank, 3, in an attempted attack, proved to be a happy exaggeration when they were found near their home in Philadelphia. Above the father, Frank Whebley, clutches his children lovingly in happy conclusion to the tragedy.

Mr. and Mrs. Bruce Guests of Company at Houston Meeting

Mr. and Mrs. L. L. Bruce of Ranger, Texas, left yesterday for Houston, Texas, as the guests of the Great Southern Life Insurance Company at the annual meeting of the Great Southern Club, for which Mr. Bruce qualified.

Membership in this honor organization is based not only on the production of new business, but upon the renewal of the business written the previous year.

Approximately 250 Great Southern members and their wives will be in attendance at the meeting.

Convention headquarters will be divided between the Home Office and the Rice Hotel, Monday afternoon the Club Members will be taken down the famous Houston Ship Channel to San Jacinto Inn for a sea food dinner.

Tuesday, at the conclusion of the business sessions, the President's Banquet will be held in the ballroom of the Rice Hotel. Featured speakers will include Honorable Walter Woodall, Lieutenant Governor of the State of Texas, and other prominent local business men.

Wednesday the party will be taken by special train to Galveston, where deep-sea fishing, swimming and boating will be featured divisions.

BARGAIN PRICE ON DOLLAR BILL NO ATTRACTION

FORT WORTH.—Harold Eppes, local theatre manager, has discovered that strangers still won't buy good United States currency at cut rates.

Eppes got into an argument with a friend over the gullible American buying public. The friend held that The Man in the Street would buy anything, however worthless, if the opportunity were just presented in the right circumstances.

"but I'll bet they won't buy dollar bills for 75 cents," said Eppes.

The two started out on a sales campaign, with a reporter as witness.

The first man lengthened his face and ordered the money sellers to "be on your way." Two women were tried next and Eppes used the "gangster approach."

"Say, sister," he spoke from the corner of his mouth, "I'll let you have this dollar bill for 75 cents."

"Do we look crazy?" one of the women replied as she walked away hastily.

Several prospects looked at the bill in the light, wet it and handed it back with the remark: "A phoney."

Two hours later, the money-sellers quit work. They had tried hard, but still had two of ten \$1 bills they started with. Eight of 100 persons they talked to knew a bargain when they saw it.

Negro's Name is Not A Gag, It's a Name

DALLAS, Texas.—They brought Edward Jaybird Ellison, 22, negro, to jail for investigation.

"What was that middle name now?" asked jailer Mac Patterson.

"Jaybird," the prisoner said.

"That's not a middle name, it's a gag," the jailer challenged.

The prisoner insisted his name was Jaybird.

"Take him away," ordered Patterson, "and change that jacket to read 'Jaybird' instead. I'm tired of people trying to put things over on me."

CORN CROP WILL BE READY FOR HUSKERS

MARSHALL, Mo.—The annual corn husking championship, that rural chore which recently has become a national show with radio hookups, publicity, hot dog stands, and thousands of spectators, will be held here Nov. 3 and 4.

There also will be a "corn queen" to reign over the two-day show and make the rotogravure pages, but the central interest will remain the 200 acre farm that the husking champions of the corn states will tear apart when they shoot for the title held by Carl Carlson of Audubon, Iowa.

Big Stand Ready

J. C. Patterson, secretary of the Marshall Chamber of Commerce, said the pickers will have 80 bushel corn to work on.

"We've had some lean corn crops in Missouri the last few drought years, but it is different now," he said. "We have selected 10 farms as possible theatres for the big show. Later we will pick the one with the best stand. We need 200 acres, 40 of which will be used by the contestants."

There will be 18 entries from the nine corn states. Each will be the champion and runner-up of his state.

Brothers Winners

Elmer Carlson, brother of the present champion, holds the record for most corn picked in the 80 minutes allotted for the work.

He scored 41 52-100 bushels when he won the title two years ago. He did not defend it last year.

Patterson and Mayor James W. Sparks said they expected 100,000 persons would attend the two-day show.

"We look for 25,000 to 35,000 automobiles," Mayor Sparks said. "State police already are working on traffic plans and traffic officers from the cities probably will be called in to help. There will be 50 pop and food stands on the farm. The contest, itself, is free, however."

State Governorship Campaign Warming

AUSTIN.—The state governorship campaign warmed up considerably during the week-end.

Rep. C. L. Steeks, Gainesville, appeared ready to "take the ball" in a campaign for the governorship based on a plea for tax freedom of homesteads.

He will have ample opportunity to air that issue at the special tax session of the legislature.

Rep. Clarence Farmer of Fort Worth, also has been mentioned as likely to take the plunge. He strengthened the belief when he sent a bannered automobile to Dallas Labor Day labelled with his compliments and espousal of the working man's cause.

Karl Crowley, Fort Worth, also apparently was near the announcement stage. Timely personality sketches of the solicitor for the Post Office Department were broadcast as a feeler.

Mayor C. K. Quin of San Antonio said he was "considering."

WED AT EASTLAND

Chester C. Mathis and Miss Wynelle Satter, both of DeLeon, were married Saturday afternoon in the study of Rev. P. W. Walker, pastor of the First Methodist church at Eastland.

Texas Democrats On Political Spot

AUSTIN.—Launching of a new "Garner-for-President" boom has put Texas politicians on the spot.

Whether to endorse the native son and run the risk of offending the President or to endorse Mr. Roosevelt for a third term, which he may not seek, has presented a difficult problem to straddle.

Gov. James V. Alfred did it skillfully. He already had announced that he was "for Roosevelt" when the possibility of a third term was broached. When the Garner boom began, Alfred declined comment, saying he thought newspaper discussion would not help the Democratic situation.

Former Gov. Dan Moody was asked if he thought Mr. Roosevelt or Mr. Garner should be the nominee.

"I haven't thought," was his reply.

"I'm for Garner anytime, anywhere," said State Democratic Chairman Myron Blalock of Marshall, but he did not say that he was not for Mr. Roosevelt.

Steve Pinckney, Houston, originated the 1932 Garner-for-President movement, according to Bill Kittrell, Dallas, who usually man-

Deliver New Bus For Schools Here

The Eastland Independent School District Monday had received a new Chevrolet 40-passenger bus for the transportation of students to local schools from surrounding rural communities.

The bus, one and a half ton machine with an all steel Union City body, was delivered by O. E. Harvey of the Harvey Chevrolet company and accepted by C. A. Hertzig, school business manager, and K. B. Tanner, president of the school board.

It is mounted on a special chassis for school buses. All glass in the bus is of the safety type. Color is taxi yellow. It is identified by "Eastland" letters on each side.

ages to keep the record straight. Kittrell said Steve was first with the suggestion, which later was taken up vociferously by Silliman Evans and grew into a boom at the national convention that made "Cactus Jack" the Vice Presidential nominee.

Vann M. Kennedy, Austin, secretary of the State Democratic Executive Committee, appears to be in the Garner "van" this time—if a pun may be excused.

\$2,000 Compromise Okehed by Tribunal

Ninety-first district court has approved a compromise agreement by which Mrs. Marguerite Welch will obtain \$2,000 from the Texas Fire and Casualty Underwriters.

The case was an appeal from a ruling of the Industrial Accident Board of Texas June 24.

Ben Welch, husband of the defendant, died from an automobile injury early this year at Eastland. He was an employe of W. J. Murray and others whose insurance carrier was the Texas Fire and Casualty Underwriters.

One-third of the \$2,000 goes to her attorney.

Female of the Specie As Thieving as Male

HOUSTON, Texas.—A Livingston, Texas, man headed for home \$70 poorer, and with the knowledge that women hitch-hikers are not to be trusted sometimes.

The man asked police to look for a woman with a boyish bob, who, he said, took \$70 from his pocket while he slept in a car on a Houston street while his male traveling companion was inside a cafe. They had given the woman a ride to Houston.

Search For Talent Will Be Held By Times and The M-G-M Studios

Beating the bushes never has been recognized as one of the more productive methods of turning new talent toward Hollywood. Executives of major studios frequently speak expansively of the need for new faces, sometimes with optimistic references to their ivory hunters, or talent scouts. The rarity with which acceptable material is delivered by these excursions, however, fails to convince as to their importance.

In spite of all the talk about sports wear, then the dress shoe for special occasions. While talking about these men, words come faster than we can keep up with them even on a typewriter. Get a rare treat and visit the department.

On your way out of the store stop and enjoy these lovely novel flowers fashioned in all sorts of bouquets to grace any room in your home. Many newcomers in the trend of fashion are noted at Joseph's.

These points serve to emphasize what may be regarded as the importance of Metro-Goldwyn-Mayer's "search for talent," which is being conducted throughout Texas by arrangement with the Interstate Circuit, and in Ranger is sponsored by the Interstate Arcadia theatre.

Mr. and Mrs. A. L. Gunn are returning to their home in Paris, Texas, today after having visited since Monday in the home of Rev. and Mrs. Charles Tally, Jr. They are members of a church of which the Rev. Tally was formerly pastor.

Mr. and Mrs. A. L. Gunn are returning to their home in Paris, Texas, today after having visited since Monday in the home of Rev. and Mrs. Charles Tally, Jr. They are members of a church of which the Rev. Tally was formerly pastor.

This "search for talent" is not a contest, aside from the competitive angles which naturally arise when a large number of people go after a limited number of opportunities. M-G-M will conduct a series of authentic screen tests, the object of which will be to uncover talent best adapted to movie requirements. The motive is neither a sales campaign nor a popularity contest.

M-G-M's quest is in the nature of an experiment. If the studio finds definite possibilities in the four aspirants who will be selected after a statewide search, other sections no doubt will be combed on a similar scale. The studio is initiating a bona fide survey for new material with a scope never before attempted. Its results will determine future activities.

Applications for the tests must be made to B. E. Garner, manager of the Arcadia theatre here, on the blank printed from time to time in The Ranger Times and with a photograph attached. From these applications and photographs, a limited number will be selected for auditions and tests on the stage at the Arcadia.

The Ranger area includes Eastland, Cisco, Breckenridge and the surrounding communities. Auditions will be conducted at the Arcadia Oct. 6th and 7th, with one applicant to be selected for tests to be held in Fort Worth. After the tests, two will be chosen to go to Dallas for the final statewide tests. After the final judging, four will be selected to go to Hollywood, with all traveling and living expenses paid while there for further tests and appraisals at the M-G-M studios.

Trained studio technicians will conduct all tests with Director C. Edward Carrier of M-G-M supervising. Local committees will aid in the judging but final selections will rest with Carrier and his assistants.

There is no entry fee for these auditions and tests, and no other requirements except that applicants must be between the ages of 16 and 28. The selections will not be left to a vote of the people or decided on a ticket-selling basis, studio experts making the final choices entirely on the basis of screen possibilities.

It may be that M-G-M will equip itself with something pretty nice in this Texas jaunt. In that case a precedent will be set that

Interesting Plans Going Forward For Biscuit Party
Saturday afternoon from 1 until 4 o'clock should prove a very entertaining as well as pleasant hour for those who plan on attending the biscuit and coffee hour to be staged on second floor at Montgomery Ward's under the supervision of Mrs. Frank Fox.

The new gas ranges now on display will be more domestically featured when Marie Lewis, one of Ranger's best colored cooks, prepares biscuits made from Gold Chain flour and served with that delicious 8 o'clock Coffee furnished by A&P Tea company.

These general donations are given by A. J. Batliff and Ralph Carnes, Ranger merchants.

F. L. Ambler and Ward personnel invite you to attend.

In addition to the above commitment the management is calling attention to the Ward's Challenge Sale which opens Thursday. It is worth while and comes as one of the paramount sale attractions during the month of September.

Thursday Night Meeting
Thursday night at 8 o'clock members of the Ladies Auxiliary of the American Legion are to meet at the home of the president Mrs. R. W. Gordon, Commerce street, for installation of officers. The presence of all members is necessary.
