Wichitan Planning Brown County Well

N. H. Martin of Wichita Falls has filed application with the Railroad Commission to drill No. 2-B. G. W. Huffman heirs, W. H. Huffman survey, in Brown county, it was reported, Monday.

MAGNATE'S DESK PRESERVED

TOLEDO—A \$3,000 mahogany table across which the late John N. Willy's transacted business deals when he headed the Willy-Overland automobile plant here, is now in the library of the new museum at Toledo Zoo.

Latent Talent Is Found by Parents Of School Pupils

Latent abilities of South Ward ward school students, ranging in age from 6 to 11, are being uncovered in supplementary projects of work, approximately 200 students and others believed Wednesday after open house, when six weeks' work was on display for inspection.

As extra-curricular activity in high school tends to develop students, so does the supplementary unit projects at the ward school, Mrs. H. H. Durham, principal, stated.

Some of the projects, which entail painting of scenes and other work, disclose embryo artists and talent in others for description, depiction of scenes from memory on sand tables and other methods of reproduction.

Mrs. Durham took a newspaper reporter on an inspection of the displays as seen by parents at the open house:

First Grade. In Miss Sallie Bowlin's room, students have had oral lessons on farm. Wheat has been planted and work initiated in matching sentences.

Fourth, Fifth Grades. Advanced students in these two grades have taken tree study as supplementary work to their regular work. Creative art has been a part of the work with students choosing their own subjects.

Second Grade. While not particularly having an outside project, students in the second grade have given attention to travel stories. As a project in the room a library is being added.

Third Grade. Indian life has been the supplementary work of students in this grade. Free hand art paintings adorn the boards of the room.

NOTICE. Anyone having claims against estate of Ike Swallow, write Mrs. J. D. Blankenship, Rt. 2, Crockett, Texas.

INSTRUCTOR VOICE, VIOLIN AND GUITAR. Hawaiian and Spanish. Formerly teacher Simmons University. Studios—South and West Ward Schools, Wednesdays. J. BURGEOYNE ELY

Olden Hornets Win Third Conference Game by 25 to 6

The Olden Hornets won their third conference game Friday by overwhelming Caddo to the tune of 25 to 6.

The victory was by far the most impressive win of the season for the Hornets.

In the opening kick-off the Hornets allowed the ball to roll free behind the goal line and a Caddo boy fell on it for a touchdown. In the second quarter the Hornets chalked up two touch downs one by Ray Howell blocking a punt and holding onto it ran 45 yards for a counter.

The Hornets chalked another score in the third quarter featured by Rex Howell's plunging and Holt's running behind beautiful interference by Norton and Hendricks. In the fourth quarter Holt ran 40 yards for the final counter.

Defensively the Hornets, led by Ray Howell and Jiggs Fowler, played the best game of the year. Every man on the team played a good game.

This leaves only Woodson on the conference schedule for the Hornets and they realize that they must be at their best when they meet them at Olden Nov. 12.

The line-up: Ends: Fowler and Hunter. Tackles: Ray Howell and R. C. Howell. Guards: Fidler and Langston. Center: Fox. Back: Rex Howell, Holt, Hendricks and Norton.

Home Loans For September Totaled \$1,437,310 in Texas

LITTLE ROCK, (Sp.)—Home loans aggregating \$1,437,310 were made during September by the 114 insured savings and loan associations in Texas, according to figures just compiled by the Federal Home Loan Bank of Little Rock, with which the Texas associations are affiliated.

The proceeds of approximately half of the total loans, averaging about \$2,000 each, were used in the construction, repairs, and modernization of Texas homes, while 233 loans, aggregating \$452,255, were made to assist Texans in the purchase of their dwellings. Texas associations in the past three months have loaned a total of \$1,221,000 for the purchase of homes and \$2,185,000 for new construction and repairs.

New savings funds continued to flow into the insured Texas associations, amounting to \$757,464 during September, making the total new funds received during the past three months more than \$3,000,000.

The figures for the State of Texas are included in those for Arkansas, Louisiana, Mississippi, and New Mexico, the five states comprising the Ninth Federal Home Loan Bank District served by the Federal Home Loan Bank of Little Rock. In the entire District there were 1773 loans made during September, aggregating \$3,487,731, of which \$1,320,000 was for new construction and \$1,257,000 for the purchase of homes. The new savings funds received in the District in Sept. were \$1,401,282.

The loans and investments of First Federal Savings and Loan Association in Ranger are included in the figures compiled by the bank.

"The steady growth of the insured associations reflected by the figures just compiled is quite gratifying," said B. H. Wooten, President of the bank. He attributed the increase largely to the fact that the shares are insured and that the associations have during the past few months increased their newspaper advertising approximately 40 per cent as a result of which he said the public is getting a better understanding of the services the associations are rendering.

Former Resident Is Made Sales Manager

Harry B. Cookston, formerly of Eastland and Ranger, has been made sales manager for W. K. M. company, Houston, oil well supply manufacturers and servicers, it was learned here Wednesday.

At Eastland nine years ago Cookston was field man for Jarecki Manufacturing Company. He has also been connected formerly with Gulf Coast Machine & Supply Co.

Cookston also formerly resided at Mexia, Noodle Creek and in East Texas.

Bobcat Roping Is Sport For Cowboy

CARLSBAD, N. M.—Walter Glover, a veteran cowhand of Carlsbad, has a hobby of roping bobcats on the range.

"They're not hard to get," he said. "When you're on any kind of a horse and get one in the open you can rope him easy."

After the bobcat is roped, Glover said he kills the animal, takes it to his camp where it is stuffed and mounted on the wall.

Pontiac '38 Model Shown In Eastland

Pontiac's model joined the parade of new car displays Saturday at Eastland in the showroom of the Muirhead Motor company.

"If you have never ridden in a 1938 Pontiac a world of pleasure awaits you, because Pontiac comfort, handling ease and performance as distinctive as Pontiac's silver streak styling," Jack Muirhead, owner of the company which is agent for Pontiacs stated.

The Pontiac is better looking, better built and a better buy, it was declared. "The smoothest, quietest ride of any low priced car" is one of the boasts of the new Pontiac. Pontiacs are available in six and eight cylinders.

Three-Year Sentence Given W. E. Weaver

Pleading guilty to theft of oil equipment of value exceeding \$50, W. E. Weaver received in 88th district court a three-year sentence which was suspended.

The property in connection with the case was owned by F. G. Yonker. August 5 was set as date of the disappearance of the equipment.

1,220 Persons Pay Game Admissions

A total of 1,220 persons paid admissions totaling \$523 at the Eastland-Breckenridge football game Friday night at Breckenridge, school officials reported Saturday at Eastland.

There were 872 adults who bought tickets, and 348 children. Eastland's share of the receipts was \$261.50.

WILL PLUG

Charles Jordan and W. A. McMillon of Carbon have filed application to plug No. 1 A. M. Smith, depleted oil well 12 miles north of Ranger in Stephens county, Railroad Commission records showed Saturday.

Employment In State Shows a Favorable Trend

AUSTIN, Tex.—Employment and payrolls in Texas continue to make favorable year-to-year comparisons, the University of Texas Bureau of Business Research has reported.

Records from about 1,900 Texas establishments showed a total of more than 95,000 employees during September, an increase of 7.2 per cent over the like month last year and an increase of 2.3 per cent over the preceding month.

Weekly payrolls for these firms totaled \$2,364,000, an increase of 19.4 per cent over September last year but a fraction of 1 per cent below the preceding month.

Cities showing gains above the State average in employment and payrolls over both a year ago and the preceding month were Amarillo, El Paso, Houston and Wichita Falls.

Industries in which the gains exceeded the State average for both comparable periods were foundries, machine shops, millwork, chemicals, cotton textile mills, women's clothing, cotton oil mills, flour mills, meat packing crude petroleum producing, and power and light.

From August 16 through September 15, fifteen establishments employing 1,684 workers, reported general wage-rate increases averaging 8.6 per cent and affecting 1,676 employees, the Bureau's analysis of the figures showed.

From January 1 through September 15 a total of 205 establishments, reporting to the University Bureau and employing 51,499 workers, granted general wage-rate increases, averaging 8.2 per cent and affecting 45,681 employees. Since January 1 only two establishments have reported general wage-rate decreases, with eleven employees affected.

Pamphlets Available To County Farmers

County Agent Elmo V. Cook reported Saturday the installation of a rack in his office for the display and distribution of extension service bulletins to farmers and ranchers.

Cook pointed out that the assortment of bulletins was selected with the most practical in view. The bulletins displayed on the rack are the most frequently called for, he stated.

Long Distance Call Tells of Local Fire

TYLER, Tex.—Fire Chief M. P. Burns has received many fire calls during the score or so of years he has served in the Tyler department, but only once has he received a local alarm from a distance of 130 miles.

Recently a Tyler housewife hurrying to get away for a weekend visit in Waco, drove away from town and left some eggs boiling on the stove in her home here.

As she rode into Waco, she remembered the eggs. She hurriedly telephoned Chief Burns, told him what she had done and where she had hidden the key to her house.

BIDS ARE INVITED

The postoffice at Eastland will accept bids until 12 p. m., Friday, Oct. 29, for the following supplies:

One gallon of oil, one gallon of fly spray, one gallon of paraffin oil and three gallons of kerosene. Bids must be in duplicate.

Ranger Church to Conduct Singing. Announcement was made this morning that a singing would be held tonight at Gospel Center Church of Ranger of which Rev. J. A. Lovell is pastor and that all singers and music lovers are given an urgent invitation to attend. The program is sponsored by Purl Hunt who is well known in Eastland and adjoining counties. The announcement states that such singers as Clyde Fisher, Judge Rust and R. C. Ribble will have part on the program. Several family quartettes will be heard along with string instruments and quartettes. The meeting will open promptly at 7 o'clock at the church. The public is invited to attend. Pinto Wildcat Is Planned by Group. Indicating increasing interest in Palo Pinto county, R. H. Gobie and L. O. Moore are to start a projected 2,400-foot wildcat a mile west of Palo Pinto in the northwest part of the county. Location is on the bank of the Brazos, 400 feet from the south and 450 feet from the east lines of the Costello 320 acres in the M. Mata survey, abstract 336. It is near the center of a 4,600-acre block. Former Resident Is Made Sales Manager. Harry B. Cookston, formerly of Eastland and Ranger, has been made sales manager for W. K. AMARILLO, Texas—Thirteen may be an unlucky number for most persons but for C. B. Parks of Amarillo, who says the number 13 dogged him all through the World War and always will be lucky for him. Parks, a member of the 13th Marines, was one of that group's 13 able-bodied men to return from the World conflict. "When I joined the Marines," Parks recalls, "13 of us were sworn in. I was assigned to Tent 13 and ate in a mess hall numbered K-13. "When I was assigned to a regular camp, I happened to draw Bunk 13 in Barracks 13 and ate in a mess hall numbered J-13." When his gun was issued to him, he said, it also was numbered 13 and when he was sent to New York for pre-war schooling, he was assigned to Room 13 in the dormitory.

Ex-Texas Ranger, John W. Robinson, Dies at Flatwood

John W. Robinson, 76, former Texas Ranger, ranchman, teaming contractor and stone mason, died at 5 a. m. Thursday at the home of a daughter, Mrs. Sam Herring, with whom he resided at Flatwood, after a stroke of paralysis suffered Tuesday night.

Funeral services will be held at 3:30 Friday afternoon at the First Methodist church in Eastland with Rev. P. W. Walker, pastor, officiating. Burial will be in Eastland cemetery.

Mr. Robinson came to Eastland during the start of the oil boom and was a teaming contractor. As a stone mason he had worked on courthouses at Albany, Seymour, Throckmorton and Coleman.

In previous years he had been foreman of the J. Wright Moore ranch in Scurry county, later leaving for Lea county, New Mexico, where he was one of the early settlers. From 1911 to 1918 he lived in Lea county and then came to Eastland.

He was born in Gonzales county. He had also formerly lived at Brownwood. Mrs. Robinson died in 1918. Mr. Robinson had lived in Eastland recently until he moved to Flatwood where he resided at the home of his daughter.

Children surviving are Guy Robinson of Eastland, Sam Robinson of Flatwood, Mrs. Sam Herring of Flatwood and Mrs. Claude Littleton of San Angelo. Brothers are Sam Robinson of Eastland, Will Robinson of Crystal City and Mrs. Margie Owens of DeLeon.

Funeral plans were made by Hamner Undertaking company, Eastland.

Result of Vote On Removal W. T. C. C. Headquarters to Be Known Nov. 3 After Canvass of Votes in Eastland

The view of 176 local directors of the West Texas Chamber of Commerce upon the approval or disapproval of the action of the executive committee accepting the Abilene proposition for removal of general headquarters to Abilene from Stamford will be made known for the first time Wednesday, Nov. 3, at Eastland.

Milburn McCarty, president of the WTCC, has appointed a committee to canvass the votes, advising them to meet at 9:30 a. m. Nov. 3, in the Connelley hotel to go over the ballots.

Members of the committee appointed are B. L. Russell of Baird,

W. P. Hallmark of Dublin and J. E. Meroney of Ranger.

October 15, Abilene offered the WTCC the old federal building rent free for five years and \$5000 cash for renovation if headquarters were moved. The proposition was accepted but blocked by litigation of Stamford.

The referendum being conducted by the 12 district directors will close Saturday. Reports of districts are to be in the hands of McCarty on or before Nov. 2.

Also eligible to vote on the removal proposition are 10 past presidents of the WTCC who are ex-officio local directors.

Theodore France Funeral Held at Moran Thursday

Last rites for Theodore France, 67, who lived south of Eastland and died Wednesday night at a Ranger hospital, were conducted Thursday afternoon at Moran.

France was a former resident of Cisco.

Only survivors were listed as two nieces, Mrs. Ed Chism of Moran and Mrs. Fanny Stephens of Cisco.

Hamner Undertaking company, Eastland, was in charge of funeral plans.

District Governor Of Lions Clubs to Visit Ranger Club

No noon meeting of the Ranger Lions club will be held next Thursday, it was announced at the meeting today, but an evening session will be held, with District Governor Tom Dillus, principal of district 2-E, as the principal speaker of the evening.

Five clubs will be represented at the meeting, with Ranger, Eastland, Cisco, Breckenridge and Graham each having a part on the program.

Lester Crossley had charge of the program of the Ranger club today and presented C. E. May, who gave a talk on "Things to Think About."

21 of Eastland At Mason Meeting

Eastland was well represented at the homecoming of the Wayland Masonic lodge at Caddo Tuesday night, reports showed Thursday.

Drago, Leroy Patterson, C. E. Owens, J. W. Harris, G. C. Kimbrell, Rev. J. I. Cartledge, H. P. Pentecost, E. C. Satterwhite, John White, John Hart, Al Mayfield, C. Bigby, Leo P. Stambaugh, C. McBe, Hugh Swindell.

Mav Pass Receiver Among Grid High

Pass receiver Cook of the Eastland Mavericks is among the "big ten" of Oil Belt football scorers. John Hogan, Breckenridge player, has 84 points to lead the others. Following are James Beam of Abilene and Fuller of San Angelo, each with 55 points.

Others are McHorse, Brownwood, 54; Dorton, Abilene, 42; Moser, Stephenville, 42; Wood, Stephenville, 33; Cook, 31; Ramsey, Breckenridge, 30.

Stephenville Game Date Is Changed

Word was received here today from J. E. Burnett, superintendent of schools at Stephenville, that the date for the Big Spring-Stephenville game had been changed from Friday night, Oct. 29, to Saturday night, Oct. 30.

The announcement, which was received here Thursday morning, did not state why the date of the game had been changed.

Morton Valley to Have Hallowe'en Carnival Friday

Committees for a Hallowe'en carnival Friday night were appointed Tuesday by Mrs. Josie K. Nix, finance chairman, at a meeting of the Morton Valley Parent-Teacher association at the schoolhouse.

The carnival, it was decided, is to be in the gymnasium on the school ground.

Program for the association was composed mainly of questioning of members by Mrs. W. E. Hensley on their manual of rules and by-laws.

Mrs. W. C. Wheat, publication chairman, reported 10 subscriptions registered for the national P-T. A. publication.

Mrs. Nix was chosen delegate to the state convention and Mrs. N. E. Jensen alternate.

Miss Inez Pickett's room registered the greatest number of student mothers present for the October meetings of the association, it was stated.

Mrs. Cecile Eubanks, president, opened the meeting with songs, led by Mrs. George Robinson. Another feature was a safety program by students of Mrs. Florence Davis' second grade.

Minutes approved were read by Mrs. T. L. Wheat, secretary, and the treasurer's report delivered by Mrs. O. N. Ramsower.

Attending were Miss Inez Pickett, Mrs. Davis, Mrs. D. M. King, Miss Opal Hearn, Miss Melba Gamble, Mrs. Robinson, Miss Ruth Carter and Mmes. Luella Stoker, Nix, Eubanks, Wheat, J. B. Harbin, H. Tankersley, Ramsower, W. C. Wheat, T. C. Harbin, Hensley, O. D. Dabbs, Victorine Harbin, J. B. Rayfield, W. B. Peoples, Roy Harbin, Sim Dabbs, Lester Trout, Langlitz, O. Mouser Honored at Meeting of Scouts

ABILENE, Oct. 28.—Regular check meeting of district oil scouts was held yesterday afternoon at the Wooten hotel.

Tribute was paid John Mouser, long-time Eastland land man for the Sinclair-Prairie Oil company, who will take up duties Monday with Turman Oil company in Tulsa.

Mouser came to Texas with the Prairie company from Kansas.

Olden Girl Joins ACC Music Club

ABILENE, Texas—Betty Grey Nix, daughter of Mr. and Mrs. C. Nix of Olden, was received into membership in the Coterie, musical organization of Abilene Christian college at a social of the club held on the campus of the Texas school Tuesday evening of last week.

Members of Coterie are selected from among outstanding harmony and applied music groups of the campus. The organization sponsors the visit of a noted artist to Abilene each year as a club project.

Descendant From Texas Patriot to Attend Interment

Rev. Philip W. Walker, pastor of the First Methodist church at Eastland, will attend Sunday ceremony at Austin, which calls for the burial of his great-grandfather, Philip Walker, in the state cemetery.

The body of the senior Philip Walker has been in a Johnson county cemetery and is being reburied to honor him for his work as a soldier in the Texas War for Independence.

He arrived at San Jacinto among the reinforcements the day following the battle. He was born in 1815 in South Carolina and later moved to Texas and resided in Johnson county near Grandview until his death in 1897. The pioneer was a member of the Cumberland Presbyterian church.

His only surviving son, J. H. Walker of Austin, general land commissioner who retired last year, is assisting in the removal of his father's remains to Austin.

The present Philip Walker, pastor of the Eastland Methodist church, represents the fifth generation to bear the name for more than 150 years, or since the time of his great-grandfather, a name "Philip." Apparently with a break of one generation only, this name goes back two generations prior to this beginning again, which would take it back to the early part of the century 1700 and thereafter.

ARE DUE MEDALS

James Dean and L. C. Love, Alameda 4-H club boys are due gold medals for winning first prize in the recent dairy demonstration and dairy cattle judging contest at College Station, according to Assistant County Agent Hugh F. Barnhart, who stated Monday that the honors will be given at county 4-H club achievement day, December 4, in Eastland.

Elbert Bennett of Kokomo and Buster Wheat are to receive silver medals for winning second in the same contest.

Aids Disfigured Franco Soldiers

Repairing the shattered faces of thousands of Spanish Fascist soldiers is the distressing task undertaken by Dr. J. Eastman Sheehan, above, professor of plastic surgery at the Polytechnic Medical School in New York. He toured insurgent hospitals to aid General Franco's troops, disfigured in the savage hand-to-hand fighting by slashing knives and bayonets.

Final Rites For Mrs. J. D. Barton Held at Eastland

Rev. P. W. Walker, pastor, officiated Wednesday afternoon at the First Methodist church, Eastland, at the funeral of Mrs. Salie Adline Barton, 63, wife of J. D. Barton, former county jailer and sheriff. Burial was at the Gorman cemetery.

Mrs. Barton, who died Tuesday, was born Feb. 3, 1874, in Arkansas, and came to Texas with her parents when she was nine months of age. The family settled at DeLeon.

Mrs. Barton had been a member of the Methodist church since childhood. Mr. and Mrs. Barton were married over 44 years.

Survivors are three sons, Terrance Barton of Eastland, Johnnie Barton of Breckenridge and Lee Barton of Kilgore. Three grandchildren, one who was born the day of her funeral, to Mr. and Mrs. Terrance Barton, also survive.

Nieces and nephews who attended the services were Willie Edmondson of Carbon, Ira Edmondson of Eastland, Dr. E. W. Jones of Wellington, Mrs. Lee C. O'Neill of Paducah and Mrs. W. F. Clark of Gorman.

Pallbearers were P. L. Crossley, Loss Woods, John White, Carl Johnson, T. J. Haley and C. S. Eldridge.

Hamner Undertaking company, Eastland, planned arrangements.

MAVS SMOTHER UNDER VOLLEY OF BUCKAROOS

Breckenridge amassed probably what is an all-time record in its years of competition against the Mavericks by smothering the Eastland football team 74 to 13 Friday night on the Buckaroo field.

The Breckenridge players advanced toward goal after goal, meeting little resistance in the Eastland line.

The game was all Breckenridge's except for two brilliant passing drives of the Mavericks. Eastland's first score came in the early part of the quarter in a campaign beginning in air at the Breckenridge 46-yard stripe. From the 11-yard line Samuels passed to Cook for the first of the Mavericks' two touchdowns. The try for extra point was unsuccessful.

While the Maverick defense was weak and offense by ground ineffective, the brilliant passing of Samuels raised the admiration of both Breckenridge and Eastland fans.

A one-time sports editor of one of the South's largest metropolitan newspapers, in the press box, exclaimed of Samuels: "That's the best passer in the Oil Belt."

Samuels was injured in the second quarter and Bobby Furse took over the passing of the Mavericks. In the fourth quarter a drive materialized with Cook receiving the ball for the second touchdown. Cook also made the extra point in a receive of the ball from Furse.

Touchdown makers for the Buckaroos were Ramsey, Hogan, and Kribbs. Extra point kicker was Ramsey.

Starting line-ups: Breckenridge—Rominger, Knox, ends; Bagwell, Combs, tackles; Mahan, Collins, guards; Harris, center; Ramsey, Kribbs, Hogan and West, backfield.

Eastland—Pryor, T. Cook, ends; Perine, Ingle, tackles; J. Taylor, Barham, guards; O'Neill, center; Samuels, Sikes, Awalt and Daniels, backs.

First downs were 28 for Breckenridge and 11 for Eastland.

School Officials to Convene at Abilene

Superintendents and principals of this city have been advised of a meeting of the Oil Belt Teachers Association Nov. 9 at Abilene. The meeting will consist of an afternoon session at Abilene high school and a banquet in the evening.

HOUSE INSPECTED

Andy Taylor, Eastland, reported for members of the Eastland County Project House group at Texas A. & M. College, has written County Agent Elmo V. Cook the house was given approval in an inspection by the military commandant of the school.

Firemen Invited to Meeting at Cisco

Firemen have been invited to attend a meeting Wednesday night, Nov. 3, at Cisco, when Frank Williams, drillmaster of the Agricultural and Mechanical College firemen's short course will offer instruction to firemen of this district.

The meeting, to be held at the Cisco Fire Hall, will feature showing of films designed to show late practices in firemanship.

Williams is one of the most widely known speakers on the subject of fire in the state. For several years he was fire chief at Winters and during that period served as president of the state firemen's association.

When the state drill school was established at A. & M., it was through the efforts of Williams that the state sponsored the organization of the short course. Since its organization he has been the field representative and visits each department in the state at least once a year.

Williams' famous red car has been in more towns than any in the state, it is said. Last year, the car carried the speaker to appointments in 400 Texas towns, where he conducted lectures, drills and fire-fighting clinics.

IS IT THE INDIVIDUAL OR HIS ENVIRONMENT?

Some writers take the position that success depends entirely on the individual; others say it's his environment that puts him ahead, while still others combine the two, and say both are necessary.

We are neutral and profess no superior knowledge on the subject, but we see all about us every day many folks who are working away at their tasks—some farmers, some business men, some at the business of making homes—all achieving success.

Whatever may be your ambition, or your work, do not neglect the business of home ownership. When it comes, let SUCCESS find you in your own home!

Retiring From Business After Fifty-Three Years

J. J. Mickle, Sr.

Mrs. J. J. Mickle, Sr.

Fifty-three years of active business is something that any man can be proud of. Those years represented prosperity, depression, again prosperity and on through the cycles of the law of averages.

Joe J. Mickle Sr., started the action back in 1884, setting up his first business venture. He "hoofed" it alone until the little girl of his heart moved from his home town in Fort Smith, Ark., to California, a separation he just couldn't stand, so he hopped over to California, and on Christmas day 1888, married the girl and brought her back home. They immediately became partners in life and in business.

In 1891, Mr. and Mrs. Mickle came to Texas. They continued their General Hardware and Mercantile business and have weathered the years in health and prosperity.

During these years five children blessed their happy union, of which four of them survive.

Omar Mickle has been connected with the business since he left his school and University days. Omar attended the Southwestern University at Georgetown, and incidentally was one of the greatest baseball pitchers in the entire state in University circles during those days as well as an outstanding football player. Mr. and Mrs. Omar Mickle have one son and daughter attending the Eastland High school.

Joe J. Mickle Jr., has been a Missionary in Japan for the past 16 years. They have two daughters.

Mrs. W. A. Russell, daughter of the Mickles, whose husband is connected with one of the leading banks, live in Amarillo. They have one son.

Mrs. John W. McKee, another daughter, also resides in Amarillo. Mr. McKee is connected with a large lumber firm there. They have one son.

Back to the "old alcaidie" who is now in his 75th year, and his most pleasing and graceful companion (whose age we dare not print) they came to Eastland in March 1928 and continued their general hardware and mercantile business here, in the building on West Main street.

Mr. and Mrs. Mickle came here with great faith in the future of Eastland, and to their ultimate credit have continued their faith ever in the face of the declining oil interests of the community and the fearful depression years.

The spirit of the Mickles has never faltered. They have been active in the church, business and social life of the community wherever they have resided and impressed their past years training in their present local community life.

Today the Mickles announce their retirement from the active commercial field of business in offering their entire stock at sacrifice prices in a quit business sale, which opens Friday, October 29.

As stated by Mr. Mickle, this does not mean that they are pulling out over night and leaving Eastland.

Mr. Mickle states, "We have been in active business life for fifty-three years. We have enjoyed every minute of it. It has now come a time when we feel that our ranch and farm interests need most of our attention and we intend to remain here and conduct those interests in the future."

Frankly, time brings wonderful changes, and among them such things that bring a cloud of regret in the hearts of those who have grown to consider certain businesses and individuals a fixed set-up in the daily realm of life.

The Mickles have so impressed their personalities to the community, West Main street was synonymous with the big sign, "Mickle Hardware and Furniture Company." And with the slogan "Ask your neighbor, they know." And above all the smiling robust personality of Joe J. Mickle Sr. The pleasing contacts with Omar and above all the radiant charm of Mrs. Joe J. Mickle.

When the doors of business close, and the last customer of this popular firm walks out with the last purchase, it can truly be felt that one of Eastland's most valuable assets has been dismantled to give way for a successor to carry on, if possible, in the large and spacious building occupied by the firm.

We are glad that the Mickles have stated that they will remain in Eastland, and make their future home here as long as is practicable and consistent, and hope that they will always find it so. The many friends of the Mickles

will read with sincere regret that they have decided to retire from active mercantile and commercial fields of this community.

Those who have served well and best, with honorable intentions and the golden rule to their fellow man can have only the rewards for such service, happiness and the good will of mankind. Such rewards are bound to be in store for the Mickles during the future years to come.

Announce Wedding Of Ava C. Ewing To H. B. Brogdon

Mrs. O. W. Ewing of 2450 S. 3rd St., Abilene, announce the marriage of their daughter, Miss Ava Claire Ewing, to Mr. Harry William Brogdon of Eastland on August 28.

Mrs. Brogdon is a graduate of the Eastland High school and has been connected with the Eastland National Bank of Eastland as assistant bookkeeper since March, 1935.

The bridegroom was born and reared in Eastland and is enrolled in the University of Texas, and also employed in special work at the General Land Office at Austin.

Mrs. Brogdon will continue her employment at the Eastland National Bank according to present announced plans, while the bridegroom will remain at Austin to complete his studies and work at Austin.

Opening Set For Friday of WPA Nursery School

Opening of a free WPA nursery school for children from two to five years of age at the Pickering Lumber company Friday, Oct. 29, was announced Thursday by Eastland city officials.

Parents, it was advised, may register their children any time during the day.

The school is being opened through the WPA emergency education program in cooperation with city officials. It is regarded by R. Lee Clark, senior field supervisor for the education program, as one of the most valuable WPA projects.

Proper supervision and training by efficient instructors will be a feature of the school, it was stated. Plans are underway to furnish transportation of children to and from the schools, whose hours are 8:30 a. m. to 3:30 p. m.

The building has been redecorated and equipped through efforts of commissioners C. T. Lucas, L. J. Lambert, H. O. Satterwhite and C. B. Wellman, and city secretary M. H. Kelly.

All furniture, including tables, chairs, beds and screens, was made by members of the fire department.

Open house will be held soon, it was also announced.

College Prexy to Preach at Church

Dr. T. W. Brabham, president of McMurry College, Abilene, will occupy the pulpit at the Eastland Methodist church Sunday morning at 11 o'clock.

Evening service will be at 7:15. Last Sunday evening a men's chorus of 32 voices supplied the special feature of the evening.

The church is busy rounding out its budget for the conference year which closes Sunday week and the Central Texas Annual Conference meets in Fort Worth Nov. 10, it was also stated.

Garrett Speaker at Club In Sweetwater

Congressman Clyde L. Garrett of Eastland was scheduled to be principal speaker Thursday at the noon luncheon of the Sweetwater Club, in Sweetwater.

MUSIC! "Can I Forget You?" "Folks Who Live On The Hill" and four other hit songs — the loveliest score ever created by Jerome Kern and Oscar Hammerstein II!
DIRECTION! Another brilliant achievement by Director Rouben Mamoulian, 1936 Critics' Award Winner!
ROMANCE! An unforgettable love story flaming with the faith and courage of two great hearts!
ACTION! Thrilling, spectacular scenes as steel-muscled men move mountains in their quest for riches!
COMEDY! Hilarious antics by two of the screen's funniest men, William Frawley and Bea Blue!
