THE WEEKLY CHRONICLE

ESTABLISHED NOVEMBER 1887; EASTLAND COUNTY'S OLDEST NEWSPAPER

VOLUME FIFTY EIGHT

EASTLAND, TEXAS, FRIDAY, NOVEMBER 17, 1944.

NO. 3

CAPT. R. E. LOVETT

An Air Service Command Station in England—Pictured above is Capt. Raymond E. Lovett, son of Mr. and Mrs. Frank Lovett, Sr., of Eastland.

Captain Lovett Flight Surgeon At English Base

AN AIR SERVICE COMMAND STATION IN ENGLAND—Safeguarding and promoting the health of America's fighting flyers is a task that falls to a select group of highly skilled medical officers known as Flight Surgeons. It is their job in this or any other war theater of aerial operations to constantly check and re-check the physical qualities of the men who daily carry the sky war to the enemy. Long weeks of grueling training plus frequent flights with air crews provide them with the information which they need to combat the ailments peculiar to men who fight at extreme altitudes and terrific speeds. There is a first hand study of these physical difficulties as they maintain a constant surveillance through their periodic flights with the men under their care.

Captain Raymond E. Lovett, whose parents, Mr. and Mrs. Frank Lovett Sr., reside at Eastland, is the flight surgeon at this Air Service Command station in England. He entered the service in June 1942 and was assigned to duty in the Gulf Coast Training Command in February 1944 he was assigned to duty in this war theater of operations.

Capt. Lovett is a graduate of the college of medicine at Baylor University and took his internship and residency in surgery at Charity Hospital in New Orleans. He graduated from the army school of aviation medicine at Randolph Field in 1943 and was promoted from First Lieutenant to Captain in June 1944.

Captain Lovett is a member of the Phi Chi medical fraternity, the Texas State Medical Association and the American Medical Association. Since his arrival in the British Isles he has traveled through England, Scotland, Wales and northern Ireland.

Death Of Frank Gray of Gorman Is Confirmed

(By Mrs. Walter Dixon) In the tragedies of war there is always a ray of hope in the message "Missing in Action", but that ray of hope is shattered when the words "Killed in Action", blare before the eyes. Such was the case with Mr. and Mrs. Henry Capers with their foster son T-Sgt. Frank Gray, who has been stationed in India the past year. The latter part of August word was received of his missing in action over Burma while piloting an L-5 plane. He was thought to be carrying out a wounded man from behind the enemy line and was on the return trip when his plane went down. According to his description of the country over which he flew there wasn't a chance to get out a live if the plane went down in the jungles, but there are stories of boys wandering for days in the jungles and then being found or falling into hands of friendly natives. A letter from his commanding officer stated that it was possible he could show up, but a message came Monday confirming his death. No details were given.

Frank was born near Comanche, October 21, 1915. His parents, Mr. and Mrs. B. F. Gray, died while he was a young lad. He came to live with Mr. and Mrs. Capers in 1927, and endeared himself as their son. No parents could have been any more devoted to their own children than they to him. And he in return paid them for their love by being a fine, upright, honorable young man. He finished high school at Gorman and was on the football team during his high school years. After he graduated from high school he worked with Mr. and Mrs. Capers at the swimming pool, skating rink, and the picture show. He always wore a smile and with his friendly personality made a hit with the young and old alike. He entered training June 8th, 1942, and trained at Kelley Field, Randolph Field, Richey Field and the Plainview Field. He was also stationed at Abilene, Temple and Alamo. He left the states for India Nov. 7, 1943. The last time Mr. and Mrs. Capers saw him was in October just before he left. He stopped at the Ranger Field for dinner and while flying over their house he dropped a note for them to meet him there and have a dinner with him. They drove over and was with him during the noon hour.

He is survived by a sister, Mrs. Huron Polnac of Loraine, two brothers, Jim in the armed forces in England, and Don, in the engineering corps in Sardinia, his grand parents, Dr. and Mrs. A. G. Gray of Comanche, and his foster parents, Mr. and Mrs. Henry Capers.

Here And There Over The County

F. T. Johnson, 97, reported to be the last surviving Confederate veteran in Eastland county, passed away on Nov. 4, at the home of a son a few miles northwest of Rising Star where he had resided for the past 50 years. He came to this county from Tennessee.

T. E. Richardson, prominent Eastland druggist and registered a director for Eastland of the West Texas Chamber of Commerce at a meeting of that organization Wednesday of last week. Other directors for affiliated cities in this area were P. R. Warmick, Cisco; David D. Pickrell, Ranger; W. J. (Bill) Herrington, Rising Star; and J. J. Encke, Strawn.

The following item is from the Gorman Progress of Nov. 9: "A medium sized stalk of cotton was brought into this office this week with 23 open bolls. It was grown on the E. L. Driver farm and he states that he will get a bale to the acre, proving that there is still good cotton land in Eastland county. His land is not fertilized, but reports over the County state that farmers who fertilized their cotton land are getting fine results."

Dr. and Mrs. W. D. McGraw are spending this week-end in East Texas with relatives. Dr. McGraw's oldest brother and wife, who reside in East Texas, are celebrating their Golden Wedding anniversary this week.

PT Boats Pick Up Jap Survivors

PT boats were active not only in spotting and attacking Jap naval forces attempting to force Surigao Strait, during the second battle of the Philippine Sea, but also in picking up survivors. Here Jap survivors, encircled, from naval craft in Surigao Strait, clinging to debris, approach a Navy PT boat for rescue. (Navy Photo by NEA Telephoto.)

Mavericks Play Hamilton There Tonight 8:15

(By Ray Treadwell) The Eastland Mavericks will leave the gym this afternoon at 2:30 to go to Hamilton where they will play the Hamilton High Bulldogs at 8:15 tonight. This game will mark the final conference game of the season for the Mavericks. The Mavericks are undefeated and untied in conference play. If they win this game, they will be winners of District 10-A, which will be the first time in Eastland's football history that the Mavericks have won a district championship. Eastland's coach, Chief Warden has not selected his starting line up for tonight's game because he says, "I have two good teams that are in very good shape. I can substitute for any man at any time." Eastland is expected to be strong in both, offense and defense.

Hamilton also has a strong team that is expected to give trouble through out the game, they have lost only one game. That one to tough De Leon team. Hamilton has two very fast and hard driving backs who will spark the Hamilton team.

The Mavericks have had very good following and support this season toward the coach and the team. Some of the boys will be playing their last conference game tonight and they will be playing for keeps. The team promises that those who like a good hard fought football game, will see just that, if they come to Hamilton tonight.

The following is a list of the Maverick players and their positions and weight.

Backs: Billy Brasher 115, Lewis Crossley 146, Billy Cooper 115, Bill Eddleman 135, Corky Harkrider 136, Johnny Hicks 132, James Ed Gann 163, Jack Johnson 135, James Matthews 135, Glenn Miller 146, and Gene Young 150. Tackles: Edgar Alford 165, Joe Bob Davenport 210, Charles Jones 210, and Charles Layton 165. Guards: Grady Allison 145, Jack Norton 140, Eddie Hart 135, Walker Hart 148, Otis Knox 125, Wayne Lambert 128, and Pete McFarland 125. Center: Pat Crawford 140, Bill Daffern 145, Charles Lucas 135, and Steen Herring 155. Ends: Bill Richardson 160, Herbert Baker 178, Gordon Cooper 155, Joe Neil Poe 140, and Doyle Tow 144.

New Freedom Gas Kitchen Winner In Name Contest

"The New Freedom Gas Kitchen," is the name selected for the postwar co-ordinated kitchen to be promoted by the gas industry to make the American housewife's cooking responsibilities easier and more economical. The name was the winning entry among 5,134 turned in by gas industry employees throughout the United States and Canada in a contest conducted by the American Gas Association. The winner was Everett A. Taylor of the Providence (Rhode Island) Gas Company, who was awarded \$500 in War Bonds. "The New Freedom Gas Kitchen" will be used extensively in the advertising of the gas industry.

R. M. Schofield of Dallas, chief meter and regulator inspector for Lone Star Gas Company, received a \$100 War Bond as one of the regional winners. His entry was "The Matchless Gas Kitchen." Gas company executives generally have indicated their intent to show and advertise the most modern gas kitchens available and new freedom will be the keynote.

The gas industry is developing a packaged kitchen which will contain a gas range, gas refrigerator, sink, and cabinets and will be so ventilated that it will be cool in summer and warm in winter, and also will remove cooking odors. The contest was held to get a name for this modern kitchen, which will be ready after the war. Already providing the cooking fuel for 19,500,000 families in the United States, the gas industry believes that cooperation with manufacturers will make it possible to simplify production of modern gas kitchens for millions of homemakers.

M-Sgt. S. J. Laney, Liberator Boss In England

An Eighth Air Force Liberator Station, England—As maintenance crew chief at a B-24 Liberator station, Master Sergeant S. J. Laney, son of Mr. and Mrs. George W. Laney, 105 N. Ammerman street, Eastland is boss of a Liberator bomber while it is on the ground. He supervises and is directly responsible for every mechanical aspect and performance of the plane, from tightening of nuts and bolts to the delicate operation of precision instruments.

In his capacity as crew chief, Sergeant Laney is the "foreman" of all work done on the plane assigned to his supervision; and if at any time he feels that his plane is not mechanically fit to take off on a combat mission over enemy territory, the plane is grounded until his critical eye is satisfied.

BRITISH GAINING IN HOLLAND; FRENCH PUSH ON IN VOSGES AS RUSSIANS SWEEP ON BUDAPEST

Large Forces of Heavy Bombers Hit Continent Today To Follow Up Night Raids By RAF Mosquitos

American Third Army troops closed in rapidly on besieged Metz from the north today but were slowed up on the south and west by enemy counter attacks which retook Peltre and Fort Hubert.

Despite temporary setbacks, the Americans were still little more than a mile from Metz on the south, and the German retreat corridor to the east was reduced to six miles in width. British forces in Holland and the French in the Vosges, at either end of a front stretching 300 miles north and south of Metz, gained as much as five miles in their offensives towards the Reich.

On the eastern front, Soviet armored columns swept toward Budapest across the open plain after capturing Japsberney, enemy stronghold 31 miles east of the Hungarian capital, which was already blanketed on its southern outskirts. Other important advances were made in northeastern Hungary, where Russian forces were within nine miles of the industrial center of Miskolc.

The British Eighth Army in Italy, driving towards Bologna along the highway from Forli, advanced to within less than five miles of the communications hub of Faenza.

In the renewed air offensive against Germany, large forces of heavy bombers and fighters crossed to the Continent today after a night attack on Berlin by RAF Mosquito bombers with two ton blockbusters.

American invasion troops have landed on the Mapis Islands, 115 miles above the northwest coast of New Guinea to knock out an enemy warning station on the American bombing route to the Philippines, it was announced today.

The new landing was revealed by Gen. Douglas MacArthur as his troops on Leyte, 900 miles to the northwest, sprang a trap on perhaps 3,000 Japanese near Limon, probably completing their encirclement in a double envelopment drive.

Maude Davis was born in Eastland county on Nov. 24, 1880, the daughter of John S. Davis and Nancy Quarles Davis, Eastland County pioneer. She grew to young womanhood in Eastland county and was married to Joseph Lawson Fields on Oct. 18, 1899. To this union eight children were born. Mr. Davis died October 10, 1936.

Mrs. Leta Elliott, of Eastland, has been appointed to the position of Field Worker with the State Department of Public Welfare in Eastland. Mrs. Elliott took the Merit System Council examination for this position on July 8, 1944, and was selected from the Merit System Council register for Field Workers.

WASHINGTON COLUMN

BY PETER EDSON
NEA Staff Correspondent

FOR perhaps the first time in diplomatic history an important international economic conference is going to be held in a goldfish bowl. It is the International Civil Aviation Conference convening at the Stevens Hotel in Chicago on Nov. 1 and continuing for possibly three weeks or more.

Edson

All sessions are to be wide open to people who have any business there. Sessions of the full conference will be held in the grand ballroom, with committee meetings in the smaller ballrooms where Republican and Democratic national convention committees held forth last summer.

Some of the sub-committees on technical questions may be closed so that the committee members can get their work done, but otherwise this will be a noble experiment of openly arriving at an open covenant, with the press sitting in on all sessions to report what goes on.

Delegations from 55 nations will be there. Some of the smaller countries may have only one or two representatives, but the American delegates and advisers will number 35, the British 24, Canadian 17, and so on.

In addition, there will be a lot of airline executives, bankers, lawyers, manufacturers, shipping men, travel agents, importers, exporters, journalists, lobbyists, pleaders for special privileges.

U. S. interests are in the hands of a delegation headed by Assistant Secretary of State Adolf A. Berle, Jr.

The agenda was drawn up by the State Department, and it looks formidable, with work for four principal committees, each of which will have two or three main questions and numerous subsidiary issues for sub-committees of experts to decide upon.

The first committee will have to set up a temporary pattern of air bus routes for the next few years in which it is hoped to determine where the commercial business is going to be, how often the buses should run, where they will stop, where they can pick up passengers and what the fares should be.

The second committee, on technical standards, will draw up the traffic rules—stoplights, maps, customs regulations, and so on.

The third will attempt to write principles for or perhaps actually draft an agreement to set up an organization that will regulate this business. This agreement will of course have to be ratified by Congress before it can apply to the U. S.

The fourth committee would work on an agreement for a temporary "I. C. A." to administer the work of the first and the second committees until the work of the third committee can be made effective.

Win 4-H State Honors

SUPERIOR records of achievement in 4-H activities have won 1944 State championship honors for three Texas club members. The winners, and brief outlines of their records, follow:

John Koczymanski (at right), 15 of Anderson, Grimes county, is named State entrant to be considered for sectional-national honors in the Sears-Roback Foundation 4-H Victory Garden Activity, which includes a trip to the National 4-H Congress in Chicago, Dec. 3-6, and a \$100 War Bond. Seven State co-winners who also each receive a \$25 War Bond are: Eugene Ashley, Post; Billy Bacon, Jr., Cisco; Payne Boye, Ranger; Carlton Wille, Wilson; Joe Milburn, Clyde; Billy Smith, Floydada; and Donald Archer, Nazareth. The State winner has been named a Victory garden each year since 1942. The yield of his 1944 plot of 100x125 feet thus far in 43 1/2 hours and 1,415 pounds of vegetables. Practically all his family's food since 1942 has come from his garden.

Alfred Neumann (at right), 17 of Bigfoot, has been chosen to represent the State in the Pirestone 4-H Soil Conservation Activity for consideration in the selection of sectional and national winners. His soil conservation achievements include mapping 170-acre farm and his brother manager (father is dead). He drew 3 maps, one showing soil types, top soil depth, slope and erosion, and second showing crops planted for last 3 years, and fields in which he put fertilizer. A third map shows where fields should be terraced and pastures cleared of timber and protected until good seed is established. Alfred has run contour lines himself, terracing one field. Will terrace whole farm and enlarge present dam near windmill. Five State co-winners who also each receive a \$50 War Bond are: Jeral Miller, Abilene; Clarence Lamensky, Rosenberg; Billy Moseley, D'Anger; Durward Fuchs, Carmine; and Curtis Pardue, Dallas.

Jackie G. Brock (at right), 15 of Floydada, Floyd county, is the State entrant for sectional-national honors in the William G. Mennen 4-H Farm Safety Activity. The boy's achievements in safety work include painting top and bottom cellar steps white and gasoline barrel red; picking up loose nails and broken glass, nailing down loose boards, removing poisons, drugs and matches out of children's reach; taping exposed wires, mending ladder rung, pointing out accident and fire hazards to others, and effecting numerous other safety measures. Three State co-winners who also each receive a \$25 War Bond are: Laddie Sloan, of Estelline; Clarence Hamler, of Needville; and Allon Fonville, of Weatherford.

Also State representative in International Harvester 4-H Food for Victory Activity.

EDITOR—As a wartime conservation measure, news announcements of State winners in 1944 4-H activities are being combined in single items wherever possible.

Texas quota for the Sixth War Bond Drive was the subject of discussion at a recent meeting of Treasury Secretary Henry Morgenthau, Jr., center, with Fred M. Mayer, left, Vice-Chairman of the Texas War Finance Committee who represented State Chairman Nathan Adams, and Judson S. James, right, Executive Manager of the State Committee.

**The Baptist Herald
First Baptist Church**

H. J. Starnes, Pastor

There are several matters in
the way of announcements that
we want to convey to our people.
First, there is the Thanksgiving
service arranged by the churches
of the town and to be held at the
Baptist church on Wednesday
night, November 29th at 7:00.
The Rev. Mr. Fike, pastor of the
Nazarene church, will bring the
message for the occasion. Special
music will be furnished by talent
from all the churches. The public
is cordially invited.

Then we need to remember
that the 29th is the regular time
for teachers and officers meet-
ing. Let every worker be present
by 6:30 sharp so we can finish in
time for the special service.

Grady Allison is to preach
from the local pulpit Sunday
night. Grady is one of our young

ministerial students and willing
to serve wherever needed. Your
presence will encourage this one
of our boys as he begins his work
in the ministry.

Monday night, November 20, is
time for regular Brotherhood
meeting. Let every man of the
church be present at 7:30. Plans
are in the making for a bigger
and better Brotherhood. Come
Monday night and enjoy the pro-
gram and the fellowship, and help
to launch a year of successful
work for our men.

A really grand social event is
being planned for the young peo-
ple for Saturday night, November
25th. Under the leadership of Op-
al Terrill, plans are being made
that will insure all who attend
a big time of fun and fellowship.
Reserve the date, Nov. 25, and
bring a friend. Watch for fur-
ther announcements.

Judge B. W. Patterson is to
teach the Hi-Way, Bi-Way Sunday
school class next Sunday. Judge
Patterson is an able teacher and
is fitted in a special way by train-
ing and experience to teach the
lesson subject for Sunday. Every
man of the town is welcome.

**Eastland County
Woman Institute
Of Letters Head**

DALLAS, NOV. 13.—Lexie Dean
Robertson, Rising Star, author of
several books of poetry, and a
former Poet Laureate of Texas,
Friday night was elected president
of the Texas Institute of Letters at
the annual meeting of that organiza-
tion here.

Mrs. Robertson, who succeeds
Hilton R. Greer, Dallas as presi-
dent of the organization, is the
third woman to be given the honor
in the history of the institute. Karl
William Baker of the Stephen F.
Austin Teachers College, Nacog-
doches, and Rebecca Smith, for-
merly of Texas Christian Univer-
sity, Fort Worth, are now a WA-
VES officer, and the other, Miss
Smith headed the organization in
1940.

Other officers named at the
meeting were: Dr. J. M. Dawson,
Waco, vice-president; William H.
Vann, Belton, secretary-treasurer;
and Tom McNeal, Commerce; John
Stovall, Denton, and Siddle Joe
Johnson, Dallas, counselors.
The sixth annual award of the
institute for the best book of the
year by a Texas writer was given
to "The Magic of Limping John,"
by Frank Goodwyn.
It is a story of the people of the
village of Los Puenes, down in the
brush country of southwest Texas,
where the author grew up. He is
now an instructor in the English
department of the University of
Texas.

Witness my hand, this 9th day
of November, A. D. 1944.

**RECEPTION FOR MISS
DRAGOO**
On next Monday evening, Novem-
ber 20, from eight to ten, a
church-wide reception will be held
at the church honoring Miss Wilda
Dragoo. This occasion, prefaced
by long standing and the best of
organization, will be one of the
finest social events sponsored by
the church this year.

Miss Dragoo has been the di-
rector of music in our church for
some time and has brought
through her consistent and effec-
tive service an area wide reputa-
tion in church music to our city.
This reception will be an expres-
sion of appreciation on the part
of the church to her for her super-
ior work and generous gifts of
her time for which she has become
famous.

Invitations to the church mem-
bership are being mailed this week
and by this time you should have
had yours. Your request to be
present is very sincere and we are
hoping that none will miss the
chance to be in the reception.
A very fine, interesting pro-
gram will be given and the entire
two hours will be filled with de-
light.

M. Y. F. TO HAVE PARTY
The youth of our church are
planning a social evening on Wed-
nesday, the 22nd. This is a month-
ly feature of their many activities
planned and promoted through the
Methodist Fellowship (MYF).

Along with their Sunday school
these youth in the Senior Depart-
ment have an evening meeting
each Sunday at 6:30. Already
more than 20 are enrolled and in-
vitations are extended to all youth
interested in participating in this
interesting work. Remember the
party.

**MISS BLANCHARD TO HELP
IN OFFICE**

Miss Evelyn Blanchard will
serve as part time office secre-
tary at the church for this coming
year. She has already begun work
and will be a definite contribution
to the church's effectiveness.
Her schedule at the church is in
cooperation with her school work
for she is attending the Junior
College in Cisco. Evelyn will be at
the church during the afternoons
with the exception of Thursdays
and Fridays. She will work on
Thursday mornings and through-
out the day on Saturday. She will
serve as assistant secretary to the
Church School on Sunday as well.
One of the main responsibilities
that Miss Blanchard will have will
be that of keeping the financial
record for the treasurer, Mr. Earl
Pender. This service will relieve
Mr. Pender's office of this work
which has previously been carried
by him.

If Miss Blanchard can serve you
in any way, please feel free to
call upon her. She is employed on-
ly part time but will do what she
can outside her routine work in
keeping our activities in coopera-
tive relations.

**CHURCH-O-GRAMS MAILED
THIS WEEK**

Over 250 CHURCH-O-GRAMS
are mailed out to family heads in
our church this week. Attentive
reading of these brief newsletters
will keep you informed as to the
church's program.
Primarily, the emphasis is plac-
ed upon the new financial year
which is now in progress. It began
November 1. A statement of the
past year's record is printed and
you will do well to go over it care-
fully. We are soliciting the same.

IS This A Good Time to Sell?

We have had property owners ask us this question many
times this past year. On the other hand, the tenant who has
always rented now faced with the problem of high rents and
moving every 60 days, is also asking the question, Is This
a God Time to buy? Whatever the answers are, we have buy-
ers for God residential properties and solicit listings.

Have a "Coke" = ¡Adelante con la musica!
(GET IN THE GROOVE!)

...or getting along in Guatemala
Music makes friends among our Latin-American neighbors, just as it does
here at home. There's another custom that helps make friends even faster.
It's the pause that refreshes with ice-cold Coca-Cola. Have a "Coke" is an invita-
tion of welcome as quickly understood in Guatemala as in Georgia. In many
lands around the globe, Coca-Cola has become the same symbol of friendliness
that it is in your own living room.

This tribute, the day after his death, was paid to the former Governor by Judge J. W. Strode of Conroe. "I do not for one moment think it was necessary but if I am mistaken in this and if it was a part of the divine plan that he should ask for mercy at 2:45 p. m. yesterday when he knocked at the gates of the far beyond, I know he did so clear-eyed and with confidence, because he had extended mercy abundantly.

"Governor Ferguson was very, very human. Possibly, and without personal gain, he went too far for his friends. Possibly, at times, he was too uncompromising toward his enemies—but whatever you may think of any mistake made in his long and serviceable career, I feel and know that in the court where his conscience shall sit as judge, he will stand acquitted, pure as light, as stainless as a star."

By Boyce House James E. Ferguson was a stump speaker unsurpassed. His oratory ranged from resounding phraseology: "Fearless as any man who ever flashed a falchion in the face of a foe" to "I spit on the chip and double-dog dare him to knock it off."

Of a pompous opponent, Ferguson declared, "He has only two methods; blubber or bluster." Crowds shrieked with joy as he described a scene wherein (according to Ferguson) an adversary

made a frantic plea for a loan to avert disaster and "they tell me he actually got down and wallered on the floor like a cow with the cramp colic."

Frenzied supporters yelled, "Pour it on" and Farmer Jim obliged by relating that the episode took place in a skyscraper and a conferee, noting the absence of a certain rich man, hurried to the phone and urged, "Get over here quick! So-and-so is on the seventh floor of this building, threatening to jump out the window if he doesn't get the money." Back over the phone (Ferguson narrated) came the reply, "Open the window and let the darn fool jump."

Master of ridicule and denunciation, he uttered the biography of a political foe in a sentence. The man had made a fortune through the discovery of oil and then he had seen it swept away. Ferguson said of him, "Rich by accident, poor by ignorance."

But Jim Ferguson could reach dramatic heights—as when, in Houston during one campaign, a large part of the crowd tried to howl him down. He walked to the edge of the platform and, in measured tones, declared:

"Let the historian write it down that on this night came James E. Ferguson to the city of Houston, named for the liberator of Texas, and almost within sight of the bat-

Keep at it... till the Shootin' Stops!

The enemy is reeling and staggering from the magnificent action of our men on all the battle fronts. Here on the home front we must not let up—we must keep at it, till the shootin' stops.

Keep on buying War Bonds—giving blood to the Red Cross—taking active part in salvage campaigns—staying at our war job—in fact, doing our utmost at every activity that will aid our war effort, until final victory is achieved.

Greyhound, too, has a job to keep at, till the shootin' stops...the very important job of helping to keep vital transportation on the move quickly and efficiently. After Victory, Greyhound will work to set brand-new standards of highway travel...until then, let's all keep at it till the shootin' stops.

TAKING IT EASY MANY FATHOMS DOWN

When you finish your watch on a sub, about the roomiest place you can go—and keep out of the way—is your bunk. There you can lounge in your underwear—the most worn outfit aboard. Navy specifications are mighty particular about the comfort and wearing qualities of this underwear.

You fill your own high specifications for comfort and styling when you buy underwear with the well-known Hanes label. During the past 43 years, Hanes has made a specialty of knitting and tailoring fine underwear for moderate prices. Each garment has those extra refinements we've found give extra satisfaction. You just can't buy better underwear for the money.

If sometimes your dealer's stock is low, he should have more soon. Our mills are very busy making underwear for battlefronts as well as homefronts. P. H. Hanes Knitting Co., Winston-Salem, North Carolina.

It Seems To Me

By Alta Starnes

ARE YOU AFRAID OF RESPONSIBILITY?

If you are afraid of responsibility your chances of achievement are practically nil. The reason is that those who serve others must do so by accepting responsibility, and even those who would advance themselves are compelled to smooth the paths of others in some way.

There is a reason for every attitude that you hold, and hurtful ones may often be driven away by calmly appraising them.

Sometimes people shun responsibility because they are lazy. They may not admit it even to themselves, but the very fact that one must be on the alert and willing to spend himself for the good of the cause he has become accountable for proves it.

Some who are afraid of involvement are really suffering from a feeling of inferiority. Tormented by doubts and the possibility of what may happen he shies away from any obligation whatever.

Then there are others who are plainly selfish. They see no reason for pulling the chestnuts of others from the fire. They forget that the day will doubtless come when they too will be in need of help in some undertaking.

Unwillingness to be depended upon in the affairs of groups sponsoring worthwhile endeavors is a pernicious state of mind. It not only retards the achievement of the group but is devastating to the personality of those who refuse to assume a fair share of the common burdens of mankind.

There is a reason for every attitude that you hold, and hurtful ones may often be driven away by calmly appraising them.

Sometimes people shun responsibility because they are lazy. They may not admit it even to themselves, but the very fact that one must be on the alert and willing to spend himself for the good of the cause he has become accountable for proves it.

CHRISTIAN SCIENCE SERVICES

"Mortals and Immortals" is the subject of the Lesson-Sermon which will be given in Churches of Christ, Scientist, Sunday November 12.

The Golden Text is: "As is the earthy, such are they also that are earthy" (1 Corinthians 15:48.)

Among the citations which comprise the Lesson-Sermon is the following from the Bible: "For he that soweth to his flesh shall of the flesh reap corruption; but he that soweth to the Spirit shall of the Spirit reap life everlasting" (Galatians 6:8.)

The Lesson-Sermon also includes the following passage from the Christian Science textbook "Science and Health with Key to the Scriptures" by Mary Baker Eddy: "As mortals begin to understand Spirit, they give up the belief that there is any true existence apart from God" (page 283.)

MRS. AARON REPORTS ON ANNUAL CONVENTION CONGRESS OF PARENTS AND TEACHERS

Mrs. Johnnie Aaron, president of South Ward Parent-Teacher Association, has returned from Ft. Worth, where she attended the 36th Annual Convention of the Texas Congress of Parents and Teachers to plan together a definite share of the responsibilities and to gather toward a common objective. "The building of healthy bodies, trained minds, and brave souls in the children of today."

What is important now is to take care of our children today. Have regular physical examinations of our children especially teeth, and have been a great neglect of parents in the past. When our boys were inducted into the Army, a great per cent was turned down from this defect. Also many could not read or write. Emphasizing the role of the parents now, in educating their children. If the world is to look forward to a lasting peace we must build a citizenry that will respect the dignity of every human being, despite differences in cultural backgrounds, race, or creed. The only possible tool for this is education.

"Teach our children about God. Go to church and take the children with us. The average soldier of today when asked about what they think of the Church, just does not think at all—Then when they are in combat duty they learn how to pray the hard way."
