MISS FULMER INSTRUCTS STUDENTS OF E. H. S.

For the past two weeks Miss Fleda Fulmer has been giving lectures to the students of E. H. S. on subjects concerning Industrial and Business Extension Training. Miss Fulmer is from the Division of Extension of the University of Texas. She also has her Master's Degree.

Some of the subjects which were discussed were Proper Cash Register Procedure, Personality Analysis, Correct Manner to Apply for a Job, and Telephone Courtesy. All were interesting and educational for all. The knowledge gained by the students will be considered by the employers of Eastland when they employ their part-time Christmas workers.

THINGS WE NOTICE

Betty Gay looks happier these days. I wonder why?? Couldn't be because of Dan—or could it?? Jim Smith is losing no time with a certain cute little Freshman!!

Among the happier Freshmen girls, Betty Ferguson, Patsy Young, Bobby Shero and Veda Myrl Sneed seem to be among the happiest.

BOY and GIRL parties seem to be of common interest and Hallowe'en was a good time for it. Citizenship grades are topics of conversation. Especially Moreharte's Freshmen.

General conversation in the Freshman Class seems to be about the Freshman assembly program. It was really good.

"The curfew toils the knell—". Well, you get the general idea. The stag line at Lynn's party!! What's the matter, boys???

O, what a beautiful morning!! Especially at 6:30 a. m. The Kennys' glass door was broken. Who did it?

What a success Lynn's party was!!

What a midnight Speeders—without drivers' licenses.

Texas U. students that are at home. WELCOME. Glen Woods at Lynn's party!! Shirley's safety pins!

Nelda and Mary Kathryn's red-rimmed glasses. Signs on high school hill. HM.2A girls rolls. No butter!

All the new couples developing lately. How a few girls are looking lately.

The decorated lovers!! Need we say more? The Double Seven's Hay-Stay All the sleepy faces Thursday.

JUNIORS HEAD E. H. S. HONOR ROLL

During the first six weeks, the Juniors head the honor roll with nine. They are Ann Maddrey, Barbara Patterson, Barbara Hague, Billie Floy Hunt, Gladeene Womack, Margaret Bourland, Bettie Jo Horn, Marleece Elliott and Wayne Lambert.

Next in line were the Seniors, with eight on the select list. They are Dorothy Sue Wright, Bobbie Nell Spurlen, Marian Robertson, Lynda Hassell, Wanda Harris, Gerald Evetts, Jeanie Grissom and Lynn Walker.

The Freshmen soon became accustomed to their new surroundings and came up with a nice set of grades to put seven on the roll, to wind up in third place. Those who made the grade—or grades—

SENIOR SPOTLIGHT

Glynn Castleberry is in the spotlight of the Senior Class this week.

Glynn is a Senior Pep leader and a member of the Socialite and T. N. T. Clubs.

Among her favorites are John Hodiak, Claudette Colbert, and "A Guy Named Joe." In school, her favorite is typing. In school or out, Gene Young rates high.

Glynn loves sports of any kind, and she also loves to sing.

Glynn is sure to go far with her wonderful personality and sense of humor. Here's to a grand girl!!!!

JUNIOR SPOTLIGHT

This week the Junior spotlight shines on Dick Sparks. Dick is five feet six and a half inches tall and weighs 123 pounds. He has blonde hair and blue eyes.

John Wayne and Lana Turner head his list of favorite movie stars. Miss Johnson is his favorite teacher.

Dick comes out for football with the Maverick team, and his favorite pastime is listening to football games on the radio. Here's wishing a wonderful boy lots of luck!!!

SOPHOMORE SPOTLIGHT

This week the Sophomore spotlight focusses on a blonde-haired blue-eyed boy. He is five feet two inches tall and holds the scale at 100 pounds.

Blue is his favorite color, and he'd rather spend his time eating angelfood cake and reading than any other way. Of his school subjects, he likes algebra best. Of the movies, "Pride of the Marines" is his favorite, although he also is satisfied when seeing Abbott and Costello, or Ginger Rogers.

This popular boy is the efficient secretary-treasurer of his class. Here's wishing luck and happiness to a swell Sophomore, George Harkrider.

FRESHMAN SPOTLIGHT

Bobbie Shero, that brown-headed, blue-eyed editor for the Freshman news, is in the spotlight this week.

Her favorite song is "Till the End of Time," and blue is her favorite color. She relaxes in the picture show, and reads in her leisure time. She makes scrapbooks for a hobby, and football is her favorite sport.

Her dislike is of girls that have too many boy friends at the same time. She wants to become a reporter on some city paper. Looks like we have another Brenda Starr!

Here's wishing all the luck in the world to a marvelous girl.

SOCIALITES MEET

Tuesday, Oct. 30, the Mighty Socialites met in the home of Wanda Harris.

Paula Duncan called the meeting to order, and after important club business was discussed, a decision on important pending matters was deferred until the next meeting next week in the home of Lynda Hassell.

Refreshments of sandwiches, grapefruit juice, potato chips, cookies and candy were served to Lynda, Wanda, Marge, Jeanne, Glynn; Marian, Dorothy Sue and "Bob."

T. N. T. MEETS

The T. N. T. Club met in the home of the Horn twins last Wednesday at 4:15 p. m.

Members of the club politely hinted that they wished someone would have a slumber party Hallowe'en night, and when Rose Ann gave a very cordial invitation to stay at her house, the invitation was accepted, of course.

Refreshments of chocolate cake, cokes, potato chips and cheezits were served to Pat Smith, Jeanie Grissom, Paula Duncan, Juarice Jones, Rose Ann Richter, Margaret Trigg, Glynn Castleberry and Mary Jane Wilson.

SUB-DEBS MEET

The mighty Sub-Debs met Oct. 31 at the home of Shirley Frazer. The new president is Bettie Mae, vice-president is Jan, secretary is Patsy, and historian is Marilyn. The program chairman and reporter have not yet been appointed by the president. A new sponsor was chosen for the club.

Cokes, sandwiches and potato chips were served. All the Sub-Debs were there, including Shirley's little sister, Alice.

DOUBLE SEVEN CLUB HAS HALLOWE'EN PARTY

Each year as Hallowe'en rolls around, people look forward to a night of "spookin'," writing on windows with soap, and many other mischievous things. However, the Double Seven Club, just to be different, decided to go to a nice, quiet midnight show and then to go to Gladeene Womack's house for a nice long sleep.

After the show, there was a very small snack of a quart or two of

olives, two dozen doughnuts, two cases of cokes, potato chips, cookies, coffee, piles of sandwiches, and three dozen cookies. Then the would-be slumberers went immediately to bed.

However, a few DIDN'T wish to sleep: therefore the entire party stayed up until about 5 a. m., eating and telling ghost stories. After disturbing everyone in the immediate vicinity, the members took time out for an hour and 40 minutes of sleep, after which the party ended with breakfast.

GIRLS' CLOTHES

(Dedicated to the girls of E. H. S. by me, Don Kinnaird.) The girls today are bad to boys. They really, really cramp our joys.

They come to school in cotton sacks.

Look bad in front as well as back.

These girls they think these clothes are charming. But the girls, they need reforming.

The girls wear these clothes in jest. But they really look a mess.

The girls think they are original and fine. But they really are far behind.

The girls are really behind it appears. Boys have worn shirts and pants for years.

MEN'S MANNERS

(Dedicated to the men of E. H. S. by me, "Reece" Jones.) Oh! you boys are so alarming.

• You buy shoes that fit your feet; clothes that fit your figure. Why not be sure that lamp bulbs fit the lighting needs in your home?

Look at the end of the next lamp you buy. Note the "60 watt", "100 watt" or other wattage figures which indicate the size of the bulb. Then buy bulbs of large enough wattage to provide the amount of light you need for easier seeing, to safeguard the eyesight of those who read or study.

FOR FARM LINES. TELEPHONE WIRE THAT'S TOUGH. High-strength steel wire—so strong that one strand will lift over half a ton without breaking—is one way farm telephone service will be made better and easier to get. Telephone engineers began using this tough telephone wire on rural lines even before the war. Distances between poles, due to its greater strength, jumped from 250 feet or less to as much as 450. The resulting fewer poles meant lower construction costs. Sleet storms—perennial enemy of farm telephone lines—did far less damage, and maintenance expenses dwindled. Better construction is only one of the plans telephone engineers have for better farm telephone service. Talking over electric power lines, a new development now undergoing actual field tests, is another; radiotelephone for remote places, a third. The Bell Telephone System is making every effort to bring you the best rural telephone service possible. SOUTHWESTERN BELL TELEPHONE COMPANY

NOV. 21, 1945

AN IMPORTANT DATE FOR THOUSANDS OF ARMY VETERANS NOW IN CIVILIAN LIFE

Between now and November 21, thousands of Army veterans will reenlist in Uncle Sam's new volunteer peacetime Army. Because—men who have been discharged between May 12 and November 1 of this year and reenlist on or before November 21 will be able to return to the Army with the same grade as they held when discharged.

Men with six months of satisfactory service discharged as privates will, on reenlistment before November 21, be given the grade of private first class. Men now in the Army who apply for discharge after NOVEMBER 1 for the purpose of reenlisting in the Regular Army will also retain their present grades, if they enlist within 20 days after discharge and before FEBRUARY 1, 1946.

"BEST JOB IN THE WORLD" These special privileges are typical of the new law recently passed by Congress. Few opportunities for a lifetime career offer as many attractive advantages.

Can you think of any other job that would give you good pay, your food, clothing, quarters, free medical and dental care, world-wide travel, 30 days' furlough every year, education and training in any of nearly 200 skills or trades, and enable you to retire with a life income anytime after 20 years' service?

There isn't any! That's why a job in the Regular Army has been called "The Best Job in the World."

HIGHLIGHTS OF THE NEW ENLISTMENT PROGRAM

- 1. Enlistments for 1 1/2, 2 or 3 years. (1-year enlistments permitted for men with 6 months' service.)
2. Men reenlisting retain their present grades, if they reenlist within 20 days after discharge and before Feb. 1, 1946. The same applies to men discharged between May 12 and Nov. 1, 1945, who reenlist before Nov. 21, 1945.
3. An increase in the reenlistment bonus to \$50 for each year of active service since the bonus was last paid, or since last entry into service.
4. 20% extra pay when overseas.
5. Paid furlough, up to 90 days, depending on length of service, with furlough travel paid to home and return, for men now in the Army who enlist.
6. Mustering-out pay (based upon length of service) to all men who are discharged to reenlist.
7. Option to retire at half pay for the rest of your life after 20 years' service—or three-quarters pay after 30 years. (Retirement income in grade of Master or First Sergeant up to \$155.25 per month for life.) All previous active federal military service counts toward retirement.
8. Benefits of GI Bill of Rights.
9. Family allowances for the term of enlistment for dependents of men who enlist or reenlist before July 1, 1946.
10. Choice of branch of service and overseas theater in Air, Ground or Service Forces on 3-year enlistments.

Table with columns: PAY PER MONTH—ENLISTED MEN, MONTHLY RETIREMENT INCOME AFTER: 20 Years' 30 Years' Service. Rows include Master Sergeant, Technical Sergeant, Staff Sergeant, Sergeant, Corporal, Private First Class, Private.

Mrs. James Horton, Mrs. Frank Hightower, Mrs. J. F. Collins and Mrs. Jack Carothers honored Miss Florence Perkins, bride-elect of Lt. James Kirk of Gorman, with a morning coffee last Friday morning in the home of Mrs. James Horton, South Halbryan St.

Guests were met by Mrs. Horton and presented to the honoree and to Mrs. R. Lee Kirk of Gorman, mother of Lieutenant Kirk, Mrs. R. L. Perkins and Mrs. Ellen Oldham of Gorman.

The bride's table was laid with a Madeira linen cloth centered by a crystal reflector outlined with pink rosebuds, on which stood a miniature bride in pink satin, presided over by Mesdames Victor Ginn and Frank Sparks.

Others in the house party included Mesdames James Birmingham, Ardis Taylor, Ann Perry, James Pipkin, J. F. Collins, Jack Carothers and Frank Hightower.

Nearly 100 guests registered in the white satin bride's book, presided over by Miss Shirley Patterson.

Mrs. Harriett Smith, Conard Reaves Wed In Ceremony Saturday

Mrs. Harriett Smith, daughter of Mr. and Mrs. George Hall of Big Spring, was married to Conard Reaves last Saturday at 9 p. m. in the First Methodist Church.

The double ring ceremony was read by Rev. Durwood Fleming before an improvised altar, with decorations of palms, baskets of white chrysanthemums, and candles. Home Meek, Jr., was at the organ.

The bride wore a black velvet dress, with black accessories and a shoulder corsage of orchids.

Following the ceremony, a reception was held in the basement of the church. The bride's table was laid with white lace cloth, centered with a wedding cake, and crystal candle holders with tall white candles.

Mrs. Reaves was employed in Big Spring as service representative of the Southwestern Bell Telephone Co. for the past several years, and the groom has recently resumed his job as manager of the Men's Shop here after receiving his discharge from the Army.

Miss Hazel Harrel, who has been an employee of the Eastland National Bank, has accepted a position here with the State Welfare Board.
