MAVERICK SPOTLIGHT—HERBERT BARKER

This week handsome Herbert Barker comes to the top in the spotlight on the Hill. He is really tall, dark, and handsome hero that we all dream about, in addition to being one of the best line-men that Eastland ever had. He stands 6 feet 1 inch in height and weighs 175 pounds.

Herbert spends half his life wondering what position coach will have him play next and the other half wondering who a certain notorious friend of his will go with. Barker has played tackle, end, center, and this week he was put back on tackle again.

In track he throws the discus and in baseball he makes a great first baseman. He has been first boy all four years of high school and plays center on the basketball team. He was Sophomore king and has been in the Royal party every year since he's been in EHS. He stayed over this year just to play football and after that he will enter "some college." Here's

luck to one of the best guys that EHS has.

YEA SENIORS!

SENIOR SPOTLIGHT
This week's spotlight shines upon Anna Anderson. (Bones!) She is tall with green eyes and pretty brown hair.

Her favorites in movie stars are Dana Andrews (Hubba Hubba) and Rita Hayworth. Her favorite food is grapes and chile. Football is tops in sports with her. She is fond of swimming and above all hates to walk. It takes about 24 hours sleep a day for her to be able to put in a hard day's work. In other words she is very lazy and "kinda good for nothing" except for a good time and a laugh.

THINGS WE NOTICE

OUR FOREIGN CORRESPONDANCE

Pupils of the Spanish II class are corresponding with girls and boys of many foreign countries. At the present Donald Lively is writing to a French girl, Annick Le Cann in Marlaix. She is telling him of her school and her country. His correspondence with her is very interesting.

Also we find Alton Laundry writing to a French boy, Pirre Thetot in Lyon. He lives in the Prefecture de Phone where his father works.

Charles Merrill is writing a girl in Cuba, Herma Arber of Matanzas. She is fifteen years old and her subjects are interesting.

Miss Morehart has taken part in our correspondance and is writing a girl in Holland in the city of Zeist. Her name is Diddy Graoifland. This girl had a tough time in the war. She had only one dress and one shirt. Miss Morehart is sending her six boxes of clothes. The girl is very grateful in what she is receiving.

CRIPPLES

If you've noticed how quite the halls have been this week during fifth and sixth period you know why because our own two wounded Mavericks haven't shown up. Lambert and Hicks have both been out

of commission this week but have gone to Mineral Wells every evening with Jeff Harbin to a doctor down there to see what can be done about it. We certainly appreciate Mr. Harbin's taking them down there because we are all very anxious to get Lambert and Hicks back on the field and at their best again.

JUNIOR SPOTLIGHT

This week the mighty Junior spotlight focuses on Lewis Crossley. Lewis has been elected president of his class for his entire three years in EHS, so you see he is very popular. He has brown hair and blue eyes, and is five feet ten and a half inches tall and weighs 156 pounds. Among his favorites are blue, football, Ronald Reagan, Gloria De Haven, Ester Williams, Texas A. & M., Geometry, eating, fried chicken, airplanes, and "Surrender." Lewis has a letter for each of his previous two years with the mighty Mavericks, and his present position on the team is right end. Here's wishing success and happiness to a swell boy.

WHO IS IT?

The person in this weeks "Who Is It?" is a gruesome senior who is tall, 5 feet and 10 inches to be exact. She has light brown hair,

pretty brown eyes, and an olive complexion. Most anytime of day or night she can be found in the Corner Drug drinkin' cherry cokes. She is very active in sports and loves to swim. If you can't imagine who she is just think of "line it up and shut your Big Mouth."

FRESHMAN SPOTLIGHT

The freshman spotlight for this week is a girl five feet and one inch tall. Her favorite sport is swimming and she loves to hear "Frankie" sing "Oh What It Seems To Be." She tips the scales at 99 pounds. Her favorite movie stars are Van Johnson and Lana Turner. You have guessed it by now, it is Consuello De Las Santos.

SOPHOMORE CLASS SPOTLIGHT

This week the mighty sophomore class turns its spotlight to shine on one of our cutest, most popular girls. She is Veda Sneed. Veda is five feet and four and one-half inches in height, has blond hair, and brown eyes.

comes to sports football tops the list with her. Some of her other favorites are the color red, the song, "Someday," and as for movie stars, June Allyson and Peter Lawford are tops.

Mrs. Pryor wore a royal blue wool jersey dress, with brown hat, shoes and bag. She wore white gloves and carried her mother's wedding handkerchief for something old.

Mrs. Pryor attended school in Sweetwater, where she was a sub-deb soloist for a mixed chorus, a member of a girls' octette, the Troubadors, a member of the dramatic club, and active in all school activities. In Eastland she is a member of the Senior Class in high school, and of the Double Seven Club.

Mr. Pryor attended school in Eastland and served three years in the Army in the Southwest Pacific. He received his discharge in March. He is employed by the American Railway Express Company. Several persons were hosts to parties at the luncheon Wednesday, the largest party being made up by members of the Thursday afternoon Club, who were guests of Mrs. W. S. Poe. All available space was filled and reservations turned down for the luncheon Wednesday, which led the club house board to believe that the luncheons are to be a huge success this season.

Double Seven Club Honors Football Boys

Eastland High School's Double Seven Club, made up of girl students, Saturday night sponsored one of the largest high school social affairs in years when it gave a hay ride honoring Maverick football players.

Miss Frankie Parson, bride elect of Willys Smith, was the honoree Saturday afternoon when a group of friends entertained in her honor with a miscellaneous shower and tea in the home of Mrs. A. F. Taylor, 702 South Seaman Street.

Guests were greeted at the door by Mrs. Don Parker, and just inside were received by Mrs. Taylor, the honoree, Miss Parson, her mother, Mrs. Frank Parson of Blauket, Mrs. W. E. Brasher, and Miss Jean Jones of Ranger.

Mrs. Johnnie Kilgore ushered guests into the dining room, where the refreshment table was laid with a lace cloth and centered by a lovely arrangement of pink dahlias, with tall white candles in crystal holders placed on either side.

The date of the wedding was revealed by the dainty white napkins, which also bore the names of the bride and groom.

Guests were registered in the white leather bound bride's book by Miss Mildred Balch of Ranger.

Hostesses for the party included Mesdames Taylor, Jones, Parker, and Wingate.
