That Reminds Me

BY FRANK R. JONES

SUGGESTIONS FOR BENEFIT OF TOWN OR COMMUNITY WELCOME

We always welcome suggestions for the good of the town and community.

Yesterday a progressive Eastland woman, one who is interested in Eastland and is a good booster, suggested that more news and more "plugs" for the schools and what is happening in them, would serve a good purpose. This woman's suggestions were not offered in criticism but in a spirit of cooperation and helpfulness, and we appreciate it.

This same woman also suggested that the Eastland band, now in process of organization, could stand some favorable publicity. It seems that the school board is short of funds for the expenses of the band and since it is so important that we have a good band, citizens of the town may be called upon for some financial help, in the matter.

Another matter mentioned by our visitor was that of keeping up Eastland's reputation of being a clean and beautiful town. She pointed out that while many local lawns and shade trees were not as well kept as in other seasons, due to the late cold weather and the extreme dry summer, but that owners should keep them in as good condition as possible.

NEWSPAPER MEN SHOULD KNOW

"You are newspaper man you ought to know"

That's what too many people tell the reporters on small town newspapers when they go out in quest of news.

We heard it in reverse this morning, however, and it was like this: "I claim to be interested in my town and community as much as you are and I think it's my duty to tell you some news of interest."

WE CAN'T HAVE HIGHWAY SAFETY IF WE ARE LAX WITH DRUNK DRIVERS

"We can't have highway safety if we are going to be lax with drunk drivers," Governor Jester said Tuesday, announcing a policy of strict interpretation of the law governing forfeiture of driver's license. He said he was being very careful in dealing with applications for restoration of licenses if a person had been driving while his license is suspended the restoration is denied.

LEGION POST OUT FOR NEW MEMBERS

Dulin-Daniel Post No. 70 of the American Legion is looking for new members. The post is in need of a membership drive to reach 400 members. It is understood that at the present time only 75 of this number has been signed, which is not so bad, but it likes 225 reaching the goal.

The Eastland Post is also in need of new members. It has been since its organization, one of the leading Posts in this area and loyal legionnaires are anxious to successfully close the present drive as soon as possible. Your active support is solicited.

THIS IS THE NIGHT FOR MAVERICK'S FIRST GAME OF THE SEASON

Tonight at 8:00 o'clock at Maverick Field the Eastland Mavericks and the Ranger Bulldogs will meet in their first game of the present season. The Bulldogs is a AA team and the Mavericks one A. The game is therefore a non-conference game and will not count in rating the Mavericks in their district.

Cop Loses Tickets

WICHITA, Kan. (UP)—Police men at headquarters here were kept busy "fixing" traffic tickets the other day—at the direction of their superiors. After a patrolman lost a book of tickets near a ball park, dozens of motorists returned to their parked cars to find them tabbed. To the irate or just puzzled drivers who appeared at headquarters, police explained it was all a mistake, the result of a prankster, and tore up the tickets.

One Killed In Chicago Bus Crash

An unidentified woman lies beneath this double-decker bus which crashed head-on with another double-decker near the Drake Hotel in Chicago. Police believe the driver swerved to avoid hitting this woman and rammed the other bus. Two injured women can be seen where they were thrown or collapsed. One was killed and 20 injured. Note the ironical sign on the front of the bus. (NEA Telephoto).

Cripps Rejects American Aid Carrying Strings

LONDON—Sir Stafford Cripps rejected in advance today any American aid carrying political strings, announced plans to increase British exports one-third, and suggested inclosing the British economy in a great empire customs union.

"We are determined to maintain our economic independence," the board of trade president said. "We do not wish or intend to be tied by economic strings to the political policies of other countries, however friendly they may be."

Chippis warned Britons that they may have to endure even greater hardships while their country struggles for economic survival.

Britain cannot and must not count on additional American aid, although some may be forthcoming, he said, but must strain to increase her exports and strengthen trade within the commonwealth and empire.

ROAD WORK STARTS

The work of resurfacing State Highway No. 6 all of the way from Seaman street to Carbon, was due to begin today according to announcements by E. M. Pritchard, resident engineer for the State highway department.

Sailor Fatally Hurt In An Auto Accident Wednes.

BRECKENRIDGE, Sept. 12.—Funeral services for Delbert Woodward, 24, of Woodson, who died at 2:45 a.m. Wednesday in the Breckenridge Clinical hospital, were held Thursday at Woodson. Burial was in Woodson cemetery.

Young Woodward was fatally injured about 7:30 p.m. Monday when the automobile which he was driving failed to negotiate a sharp curve 14 miles north of here on the Throckmorton highway, investigating Patrolman M. T. Kierston reported.

He suffered head injuries. John Carroll Brockman, 21, and Billy D. Cogburn, 20, both of Woodson, were injured in the accident. Cogburn received minor cuts and bruises and was released from the hospital Monday night.

Prockman is still in the hospital for treatment of a back injury, cuts and bruises.

Woodward was home on leave from the San Francisco Naval base.

Dry Ice Test On Hurricane To Be Delayed

SCHENECTADY, N. Y.—General Electric scientists said today preparations were not yet complete for dry ice "bombardment" of a hurricane now moving toward the Florida coastline and that the experiment will be postponed until a later storm.

They said that there still is "plenty of work" to be done on a B-17 plane here with which it is hoped to break up hurricanes.

Plans call for flying a "seed-er" plane above a storm to drop dry ice into the clouds, causing a heavy rain or snowfall and thus scattering the swirling mass of air in a hurricane.

"Since arrangements for the hurricane seed-er test are not yet complete, the B-17 plane here will not be able to get into operation during the life of the current storm," Naval Commander Daniel Rex said at the General Electric laboratories.

Cisco Jr. College Defeats Clifton By 13-2 Score

CISCO, Sept. 12.—Cisco Junior College defeated Clifton Junior College, 13-2, in the first college football game of the 1947 season to be played in Texas.

Cisco scored in the first quarter on a twenty yard pass to Van Coladins from Milford Johnson. Garner kicked the extra point. They scored again in the second quarter on a nine yard run through the middle of the line by Joe Gann.

A driving rain in the second half slowed down play and made the ball difficult to handle. Clifton got a safety when Mosley fumbled for Cisco and was nailed behind the goal line scrimmage for a safety.

Almost a One-Cow Dairy

OCOMOWOC, Wis. (UP)—One of the highest milk production records ever set in Wisconsin is held by a Holstein cow on the Pabst farms here. Milked three times a day, the cow gave 22,870 pounds containing 918 pounds of butterfat in 365 days, four times the milk or fat produced by the average cow in this country.

IMPORTANT

There is a great need for living accommodations in Eastland; many people desire to live in our County-seat town, but the shortage of living accommodations hinders their doing so.

If you have a house, an apartment or sleeping room available, please phone the Eastland Chamber of Commerce at once. . . . The phone number is 192. . . . Please cooperate in making living quarters possible for the many people who need them at once.

Buyer Resistance Shows Some Effect On Prices

PRESIDENT WATCHES AS SHIPS FUELED

Aboard Battleship Missouri—President Truman was up bright and early today to do a little ka-bitzing.

The president stood on the open bridge of the Missouri, and with an occasional question, watched crew members of the battleship refuel the destroyers Small and Dyess which are escorting the floating White House on its trip from Rio De Janeiro to Norfolk, Va.

One at a time the destroyers pulled alongside the mighty Mo. After they had cut her speed somewhat, a fuel line was thrown from battleship to destroyer and the fuel was pumped.

Since the Missouri crossed the equator yesterday, the presidential party has noticed a considerable change in the weather. The cool sea breezes which marked the first five days of the voyage virtually disappeared. Instead the party experienced oppressive humidity and many of Mr. Truman's aides put on lighter clothing.

Next week the president will have a chance to see the Missouri's guns in action. Capt. Robert L. Dennison, commanding officer of the battleship, announced that extensive target practice will be held.

The Missouri's position this morning was about 600 miles northeast of the mouth of the Amazon river. It is due in Norfolk next Friday, and Mr. Truman will make the trip from there to Washington in the presidential yacht Williamsburg.

Local Legion Post In Midst Of Drive For New Members

"Buddie," have you paid your 1948 membership dues to Dulin-Daniel Post? If not you should do so at once and then go out and get another eligible to sign as a new member.

Dulin-Daniel Post No. 70 a few days ago initiated a drive to round out a membership of 400. To date 175 of this goal has been signed.

Four teams were organized and placed in the field as follows:

- Team No. 1, Henry Pullman, captain.
- Team No. 2, Neil Day, captain.
- Team No. 3, Bill Collings.
- Team No. 4, Earl Francis, captain.

These teams, under the above captains, are at work to secure the desired number of members, either by the renewing of old members or the gaining of new members. In the furtherance of this campaign you, as a member of the local post, have been placed on one of the four teams listed above.

New members will be initiated at the next regular meeting of the post after the payment of 1948 dues.

FORT WORTH LIVESTOCK

Cattle 700. Steady. Mature steers absent. Common and medium heifers in small lots 13.00-22.00, a few good light yearlings to 23.00. Calves 400. Steady. Good and choice fat calves 19.00-23.00. Hogs 250. Generally steady with Thursday's average. Top 28.75 for good and choice 180-270 lbs. Sheep 800. Fully steady. Medium and good slaughter spring lambs 20.00-23.00.

U. S. Protests WASHINGTON (UP)—The United States has protested "vigorously" to Yugoslavia against "unwarranted detention and maltreatment" of British and American military personnel, the state department announced today.

Lease Applicants To Get First Shot At Lands

WASHINGTON—Secretary of Interior J. A. Krug said today that 1,000 pre-war applicants for oil and gas leases on public lands which were used for military purposes during the war will be given first choice as the lands are reopened for private development.

Krug's announcement also applied to applications for development of coal, oil shale, phosphate pot ash, sodium and sulphur.

Applicants who have been rejected will be allowed a period of 153 days in which to file new applications for land withdrawn from general use and 60 days for lands granted to another government agency during the war.

The department said that in many instances prospective applicants had spent "considerable money" in surveying the land.

Classification School Closed September 3rd

The Classification School at Keesler, which had been in operation since March 1946, closed September 3. The last class of enlisted men commenced instructions July 23 with an enrollment of 54 students, consisting of both ACU personnel and men on detached service.

The school was under the direction of 1st Lt. Dgn C. Frost and his assistant, 1st Lt. Frank R. Perry.

During its existence the school had graduated approximately 1,700 graduates, both officers and enlisted men.

1st Lt. Frost is the son of Mr. and Mrs. D. C. Frost of Eastland route No. 2.

Ku Klux Klan Un-American

Garbed in full Ku Klux Klan regalia, Stetson Kennedy, of Atlanta, Georgia, leaves the Capitol after being evicted from the House Un-American Activities Committee room. In a prepared statement which he planned to present to the committee, Kennedy said he was a former organizer for the Klan and is now prepared to submit evidence exposing the Klan's Un-American activities. (NEA Telephoto).

BOWLES URGES PEOPLE TO REBEL AGAINST COSTS

Hogs, wheat and corn dropped slightly today from their record price levels at Chicago as scattered buyer resistance developed across the nation.

Grains continued yesterday's downward trend at the opening of trading on the Chicago Board of Trade, but after the first hour they started moving upward again.

Some of the early decline was attributed to increased margin requirements announced by the board yesterday.

Hogs, which set an all time high of \$30.50 per hundred pounds at Chicago's huge Union Stockyards yesterday, opened 25 to 50 cents lower today.

At Essex, Conn., Chester Bowles, former head of OPA, predicted that public resentment would force high prices into line, as it did after World War I.

"It is high time that the current average American family which has suffered so drastically from inflationary prices in the last 15 months rose up on its hind legs and said 'we've had enough' Bowles said.

At Perry, N. Y., village trustee Paul Neff, proprietor of the village meat market, advertised in the local newspaper that he would accept new radios, refrigerators, automobiles or pianos "as down payment on one pound of meat." He said so far he was offered an old gramophone as part payment on a pork chop.

Housewives, alarmed at the steady rise in prices, determined to quit talking about high prices and do something about them. Labor unions in many parts of the country got behind the housewives. The idea of forcing prices down caught on rapidly.

The buyer resistance developed along two lines—one old, the other new.

The first was an old method—tighten the belt and refuse to buy anymore than absolutely necessary. Individual housewives boomed this method with chain phone calls, urging neighbors to tie up their purse strings.

The second method was new. It was the formation of cooperatives—by buyers, usually sponsored by unions. Their plan aimed at eliminating middleman profits. They bought in bulk, and sold food at cost.

One way or the other, the average man appeared determined to halt runaway prices that spiraled up, up, and up.

Report of 11th Court of Civil Appeals

The following proceedings were had in the Court of Civil Appeals, Eleventh Supreme Judicial District.

Cases Submitted September 12: Robert Pierce, et ux, vs. City of Stephenville. Erath.

William H. Lewallen, et ux, vs. W. L. Sample, Sheriff. Nolan

Sohio Petroleum Co., et al, vs. Loyd Gutner, et al. Jones.

Donna M. Nichols vs. Texas Electric Service Co. Nolan.

Cases to be Submitted September 19:

O. J. Urban, et ux, vs. Price Crawley, et al. Eastland.

W. H. Littlefield, et al, vs. E. A. Ungren, et al. Jones.

W. H. Harrison, et al, vs. Southwest Coaches, Inc. Jones.

The Travelers Ins. Co. vs. S. W. McCown. Shackelford.

Swiggs Ancient Guns DOYLSETOWN, Pa. (UP)—

Somebody "inspected" the Bucks County Historical Society's museum and walked off with a lot of antique revolvers and firearms. Police were however, that the incident led to no "shooting" in town. The weapons were recovered, according to news.

NEWS FROM RISING STAR

Eva Richardson, Cor.

PHONE 45

RISING STAR, Sept. 10 — The Rising Star schools opened for the season Monday and everyone seems to be happy.

Mr. and Mrs. Clark Crownover visited relatives in Abilene Sunday afternoon.

Mack & Gibson made a business trip to Goldthwaite this week.

Box Elliot visited his brother, who is ill in a Gorman hospital, Monday.

Mrs. Cholett Gibson has gone to Corpus Christi where she will teach in the schools.

Mr. and Mrs. D. D. Milner returned home Saturday after spending several days with relatives at Forger.

Mrs. Thorp of Ballinger is visiting her daughters, Mrs. Jack Bibby and Mrs. Olen Lee.

Mrs. Fred Roberts and daughter, Miss Pauline; Mrs. Lee Clark and Mrs. Woody Hall attended the Baptist rally in Alpine Wednesday of last week.

Mr. and Mrs. Leon Tompkins of Fort Worth spent the past week-end here with her parents, Mr. and Mrs. Luther Forbes.

Miss Drucilla Eberhart left Saturday for Coleman where she will again teach in the schools.

Austin Carver and Dean Breighton, have been attending Texas Tech, are visiting relatives here while awaiting the opening of the fall term of school, September 15.

Mr. and Mrs. G. B. Milner and daughter, Mary Jo, visited their daughter and sister, Mrs. Stanley Collins and husband at Alpine, Wednesday.

Mrs. Sam Woodruff spent last week-end with her daughter and family, Mrs. J. M. McMahan, in San Angelo.

daughter of Cross Plains visited her sister, Mrs. Bob Elliott, and family, Sunday.

Mrs. F. J. Maynard is again in the hospital at Brownwood and is reported as not doing so well.

Mrs. C. H. Stevens gave a party honoring her little grandson, Luke DeForest, on his third birthday. Those present were: Mike Fisher, Paul Leonard, Judy McSpadden, Jack Smith, Kennie Dall, Jacky Clay, Bobbie Butler, Sue Busbee, Gary Jones, Rex Hill. Pictures were made of those present. Refreshments of ice cream and cake were served.

Mrs. W. C. Eakin and children spent last week with relatives in Odessa.

Mr. and Mrs. Arthur Forkner of Snyder spent the week-end with his sister, Mrs. Charlie Lee and husband.

Mrs. G. W. Foster of California is visiting her sister-in-law, Mrs. Will Cauley.

Mrs. C. L. Parker of Abilene spent last week-end with her parents, Mr. and Mrs. G. C. Grace.

Mr. and Mrs. Joe Seay and little or, release of vendor's lien.

PROBATE
I. J. Davis, deceased, application for probate of will.

Orders and Judgments
The following orders and judgments were rendered from the 91st District Court last week:
The State of Texas v. W. B. Collier, judgment.
W. J. Rutledge v. Kelsie Rutledge Watts, judgment.
Frances L. Jones v. George W. Jones, order of dismissal.
Marvin E. Mason v. Louise Mason, judgment.
Pearl A. Stedum v. Samuel A. Stedum, judgment.

Inflation Picture

This Shanghai miss holds in her hands an example of the tremendous monetary inflation in China, where it takes a basket of banknotes to buy a basket of groceries. Bundle of money at left (about \$440,000 Chinese) equals \$10 in U. S. currency.

Snappy Clean-Up

Japanese laundry in Tokyo advertises all-out service to attract G.I.s, and would probably even give you your bundle without a laundry ticket.

Girl Scouts Proud To Have Ship

PACIFIC GROVE, Cal (UP) — Pacific Grove Girl Scout mariners bragged today that they were the first "ship" in the country to own their own training craft—a surplus Navy LCPR (Landing craft personnel ramp)

The 13 members of the group acquired their 36-foot motor vessel under a federal ruling granting surplus goods to Boy Scouts after Rep. E. K. Bramblett (R., Cal.) succeeded in getting the law changed to include sea-going Girl Scouts.
The girls have named the LCPR "The Pegasus" and their fathers are designing a cabin for it. Then they will get instruction from the Monterey Coast Guard and put to sea—at least 7 out into Monterey Bay.

LIGHT THE WAY TO BETTER GRADES

Now that students are starting another school term, it is vitally important that they have enough of the right kind of light for easy seeing.

All lamps used by children for home study should have at least a 100-watt bulb—150-watts in many cases—to provide good light to make their homework easier and to prevent undue eyestrain. Lamp shades, too, are important—they should be wide enough to spread the light evenly and keep glaring, unshaded light from striking the eyes.

Lamps and Lamp Bulbs are Available Now—See Your Electrical Dealer

Skyscraper May Change Rome

ROME (UP) — Modern skyscrapers may soon grace the seven hills of ancient Rome. Umberto Tupini, minister of public works, has created a special commission to draw up plans for reconstructing and enlarging several existing hotels, and some may have several stories added. Tupini said most of the hotels were located in the modern quarter of the city, and the new skyline would not damage the setting of ancient monuments.

QUININE PIONEER KNOWN BEST BY SCHOOL FUND

MARSHALL, Mo. (UP) — Thanks to a pioneer country doctor who made an unwanted fortune in proving a medical point, 12,613 Saline County boys and girls have received financial help toward educations in the last 90 years.

Dr. John Sappington was one of the outstanding physicians of his day. It was he who proved that quinine was the specific for malaria and whose pills helped open the West.

The old doctor was not seeking a fortune when he began compounding his quinine pills at his home at Arrow Rock, Mo., more than a century ago. He merely wanted to prove his point. Other doctors called him a quack.

Despite a book which he wrote describing how he made his pills, Dr. Sappington still made money. At his death in 1856, he left \$40,000, half of which was set aside by will as a fund to be used in assisting worthy boys and girls of Saline County to obtain educations.

Each August the trustees of the fund meet to bring the totals up to date. The latest compilation shows that Dr. Sappington's \$20,000 has grown to \$84,700, of which \$82,300 is invested in interest bearing securities and \$2,400 is in cash.

Tuitions totaling \$217,187.05 have been paid for 12,613 boys and girls.

Dr. Sappington not only was a leading doctor, surgeon and medical writer of his time but he also was a leading figure in Missouri life. Arrow Rock in his time was a citadel of culture on the frontier. He was related to the Marmadukes, a father and son of which family served as governors of Missouri.

While his proving of quinine as the specific for malaria was his great contribution, the \$20,000 he left as a school fund has perpetuated his memory in his home county.

Michigan Bonds On Sale Sept. 9

LANSING, Mich. (UP)—The State of Michigan will offer a \$30,000,000 bond issue Sept. 9 to provide additional funds for payment of bonuses to World War II veterans.

Special for a Specialist

Buff Donelli shows Everet Dorr a specially-built shoe designed and used by Boston University's coach for kicking points after touchdown. It is almost like a soccer shoe. His ball-carrying days ended by wounds suffered in the invasion of Iwo Jima, Dorr became a place-kicking specialist, converted 19 times in 26 chances last fall.

A Lot For Not Much—

Most people do not realize until it happens to them that they have more coverages under what is commonly spoken of as "The Hail Policy" than just hail and wind. In addition, gas explosion is included as well as Smoke without fire, Falling Aircraft, Vehicle Destruction, Riots, Civil Commotion, Pillage and Looting. The Extended Coverage Endorsement is one of your best buys. Ask your Agent for Extended Coverage when he writes your fire policy.

bonds at public sale, according to state treasurer D. Ha'e Brake. Michigan last March marketed a \$299,000,000 bond issue to provide initial funds for the bonus payments. The issue was one of the largest ever offered by a governmental unit at public sale. It was handled by a far-flung financial syndicate headed by the Bankers Trust organization of New York City. The syndicate offered an interest rate of 1.473 per cent on the issue.

Offer of the additional \$30,000,000 bond issue is expected to provide sufficient funds to complete bonus payments, although voters in November, 1946, approved issuance of \$270,000,000 in bonds.

Payment of the veteran's bonus is now more than half completed. An estimated 600,000 ex-service men are eligible, although only about 400,000 have filed claims thus far. The state is paying veterans at the rate of \$10 for each month of domestic service and \$15 for each month of overseas service, with a \$500 maximum for any one veteran. Relatives of veterans who died in service or of service-connected disabilities receive a flat \$500 death benefit.

Tech Students Earn \$19,709.77

LUBBOCK, Tex., (UP)—Men students doing part time work at Texas Technological College earned \$19,709.77 during the summer term just closed, James G. Allen, dean of men, has disclosed. Service as policemen baseball umpires and an armored car driver were among the 114 kinds of duties performed, Allen said.

Another Fool Trick Is DRIVING AN OLD CAR WITHOUT A SAFETY CHECK-UP

Court records prove that it's foolish and dangerous to drive today's cars without discovering and correcting un-balanced wheels, misaligned frames, bent axles... because those conditions cause parts failure, blow-outs, loss of control AND ACCIDENTS. Let us correct your car NOW with our scientific BEAR Equipment.

ONE LAXATIVE IS ENOUGH

SOME POLKS keep many kinds of laxatives on hand. They include weak, mild, strong and harsh types for different members of the family. Actually, all you need is a single bottle of new, improved ADLERIKA, the FAMILY LAXATIVE. It's a scientifically compounded Tone-Up laxative originated by a doctor... works quickly, but gently, to move waste through the digestive tract. Stimulates sluggish intestinal muscles equally well for youngsters or older people. Try it and you will learn why over 20,000,000 bottles have been sold. *Caution:* use only as directed.

100-Year-Old Timbers Build A New House

ROGERSVILLE, Wis. (UP) — Albert Pucker is building a new house, free from prevalent worries about how to get new lumber. He is using 100-year-old boards he salvaged from a mill razed near Waupun, Wis. The mill, a Wisconsin landmark, was built in 1846, two years before Wisconsin became a state. Pucker said the lumber, mostly hardwood timbers was in perfect condition despite its age.

the rambler

by Jack E. Brady

The Eastland Mavericks and the Ranger Bulldogs will meet tonight at the Maverick Stadium, in the opening game of the 1947 football season. A capacity crowd is expected to witness the annual meeting of these two rival teams. Coaches Johnny Little and Wendell Siebert of the Eastland squad have had hard luck before the opening game, this year. Number 22, Hilton Kuykendall, was stricken with appendicitis during the month of August, and Bill Cooper, Number 23, suffered a broken ankle on Tuesday evening, September 9th, during scrimmage at Maverick Stadium; this is the fourth year Bill Cooper had "come out" for football, and as Bill was about to realize that "chance-of-a-life-time", by being in the starting line-up for tonight's game, he suffered an injury that has him confined to the hospital. If his condition permits, he will get to see the Eastland-Ranger game, from a wheel chair.

The Eastland Maverick squad is as follows:

- No. 10—Bobby Blair.
- No. 11—Mack Harris.
- No. 12—Dwain Lusk.
- No. 13—Bill Hardeman.
- No. 14—J. C. Burke.
- No. 15—Don Hart.
- No. 16—Wayne Lambert.
- No. 17—Jimmy Mathews.
- No. 18—Allen Hunt.
- No. 19—Roy Lane.
- No. 20—Jim Smith.
- No. 21—Jack Ernst.
- No. 22—Hilton Kuykendall.
- No. 23—Billy Cooper.
- No. 24—Dan Amis.
- No. 25—Jack Kelley.
- No. 26—Jack Chamberlain.
- No. 27—Dick Sparks.
- No. 28—Lewis Crossley.
- No. 29—Kenneth Benham.
- No. 30—Winford Ward.
- No. 31—Pat Crawford.
- No. 32—Johnny Hicks.
- No. 33—Pete McFarland.
- No. 34—Leonard Quarles.
- No. 35—Murray Herring.
- No. 36—Murray Mitchell.
- No. 37—Johnny Collins.
- No. 38—Rodney Heath.
- No. 39—Margie Wadley.
- No. 40—Rodney Heath.
- No. 41—Margie Wadley.

- No. 13—Charlie Campbell.
- No. 15—Billy Bonney.
- No. 16—Jerry Gray.
- No. 17—J. G. Wright.
- No. 18—O. G. Lanier.
- No. 19—J. M. Bush.
- No. 22—Kenneth Williams.
- No. 24—Jimmy Ice.
- No. 25—Buddy Hamrick.
- No. 26—Ralph Gay.
- No. 27—Bo Deaton.
- No. 28—Pat Patterson.
- No. 29—Alton Stiles.
- No. 30—Bobby Williams.
- No. 31—Robert Imholz.
- No. 32—Alvin Langley.
- No. 33—Billy Townzen.
- No. 34—Merideth Sides.
- No. 35—Marvin Wilson.
- No. 36—Bob Balch, (Captain).
- No. 39—Jim Heinlin.
- No. 55—Keith Mummerlyn.

Come out to the game tonight. Give these boys your moral support.

Eastland's School Superintendent, W. G. Womack, has announced that the fifth grades of the South Ward and West Ward schools, were combined today; they are attending the West Ward school. Since the Fifth grade classes of both schools were small, the combining two classes will be advantageous to everybody concerned.

The Eastland Public School cafeterias are operating under the Federal School Lunch Program. The noon-time lunches are 25c for all school children. A well-balanced meal is provided, consisting of meat, several vegetables, a dessert and milk. You will find it economical for

your children to have their lunch at the school's cafeteria at a cost of 25c.

The First grade enrollment of the South and West Ward schools are increased in comparison with the First grade enrollment of last year, according to W. G. Womack the enrollment of the other grade is about the same as it was last year.

Through the efforts of past-principal Carl Elliott, and present principal W. C. Robinson, the Junior High school has a football team that is completely outfitted in football uniforms. . . this action is very commendable, and it does so much for the morale of these Junior Hi youngsters.

The High School classes were organized, yesterday. . . Officers of the various classes are as follows: SENIORS—Lewis Crossley, President, Jimmy Mathews, Vice-President, Jan Spalding, Secretary-Treasurer, Shirley Frazier, and Leona Wood, Pep Leaders, Verna Fay Johnson, Sponsor. . . JUNIORS—J. C. Burke, President, Max Lasater, Vice-President, Richard Bourland, Secretary-Treasurer, Nancy Harkrider, Pep Leader, Mrs. J. C. Whatley, Sponsor. . . SOPHOMORES—Joe Hague, President, Glenn Garrett, Vice-President, Janell Day, Secretary, Jane Hart, Treasurer, Maxine Lambert, Pep Leader, Martha June Morehart, Sponsor. . . FRESHMEN—Douglas King, President, Charlotte Van H o y, Vice-President, Betty Grimes, Secretary-Treasurer, Nora Fay Massengale, Pep Leader, Mrs. H. J. Walter, Sponsor.

In addition of classes in Physical Education and Safety Education, and a high school band, are of great importance. The Eastland Public School system is ever trying to give our students every educational advantage. The High School Cafeteria has been completely remodeled and redecorated.

BLESSED EVENTS
Mr. and Mrs. Joe Collins are the proud parents of a baby girl, born during the wee moments of Thursday, September 11th. . . The young lady weighed seven pounds and eleven ounces. . . The new arrival is their first child. Mother and baby are doing nicely. It is thought the father will survive. . . Our best wishes, to the three of you.

Mr. and Mrs. Kenneth Butler have them a new baby girl. . . Weight, six pounds and three ounces. . . Congratulations, Mr. and Mrs. Butler.

Buster Graham, age 12, son of Mr. and Mrs. F. W. Graham is a surgery patient at Hendricks Hospital, Abilene. . . Buster underwent a hernia operation, last Monday. . . We hope you will be "as good as new" in a very short

Heartsease

by Elsie Glenn

Can You Take It?
Have you ever been called up on the carpet? Reprimanded? How did you feel? How did you take it? Can you take it? How much grace have you got, intestinal fortitude, understanding, willingness to back down and admit you're wrong?

How do you feel toward the person who reprimands you? I can tell you how you ought to feel. . . you ought to be grateful, if the person who reprimands you has the right to do so, and does it honestly, with a feeling of your personal welfare, and you ought to be big enough to reach out and shake his hand.

But how many of us do? It's pretty hard to take. . . admitting we're wrong. . . sometimes we get our fur up the wrong way and start spitting like scalded cats! Claws scratching, red in front of the eye.

We've got to be big enough to take criticism. . . when we've done things we knew we shouldn't have done, anyway. I was called on the carpet by a friend of mine not long ago. A friend whose opinion I thoroughly respect and it hurt my friend to hurt me. I'm sure a surgeon doesn't enjoy hurting his patient, if he has to.

My friend faced me honestly and told me the truth. There was a time when I was much more foolish than I am now when every justified criticism made me angry. I've learned the hard way to take justified criticism and like it.

My friend is dearer to me than ever; I respect him even more than I did. . . his stock went up with me 100 per cent and it was already quite high, when he looked me in the eye and reprimanded me.

time, Buster. Read your County-wide, County seat DAILY Newspaper. . . The Eastland DAILY Telegram. . . "A Public Service Institution to all of Eastland County."

Attend the football games in your "home-town". . . Let the boys know you are backing them. Let's be progressive and constructive. . . Make Eastland's Population 10,000 by 1950. Eastland citizens are still asking "what's happened to the trash containers and the names on the streets undertaking of the Junior Chamber of Commerce."

Don't forget the Eastland Mavericks — Ranger Bulldogs football game at Maverick Stadium, tonight at eight o'clock.

He's a good guy, my friend. Do you have any like that? If you have, go out and shake his hand. For some silly reason, I forgot to shake hands with my friend. I wanted to cry, instead, because he was my friend and. . . he's a swell guy. How do you take it? Being reprimanded when you're wrong? If you're fortunate enough to have a friend to reprimand you because you need it, have the grace to thank him. Come on, chum! Take it on the chin!

SOCIETY
ROBERT COLBURN AND MISS EMMA KLUSSMAN MARRY AT ARLINGTON
Mr. Robert Colburn and Miss Emma Klussman, were married in Arlington Saturday, August 30, by Rev. G. T. Adams at the Missionary Baptist church.

The bride is the daughter of Mr. and Mrs. Klussman of Breham. The groom is the son of Mr. and Mrs. Bud Colburn of Arlington. They formerly lived in Olden. The bride wore a pink suit with brown and white accessories. Her corsage was made up of white carnations. Miss Dorothy Colburn maid of honor, wore an aqua blue dress with black accessories and wore a corsage of white carnations. Mr. Bill Turner of Coleman was best man. The couple will live in South-east Texas after a trip to Breham.

I GIVE YOU TEXAS
By Boyce House

In Navasota, there is the Tumble Inn. And the Meyer Hotel of Comfort urges, "Rest in Comfort." And, speaking of signs, one of the oddest I ever saw was over a country store and it read, "Why go elsewhere to be robbed?" In San Angelo, the B&H Grill has a sign, "Capacity 1,000—14 at a time." Also in San Angelo, there is this sign, "We will tan your hide." It is a leather shop, of course.

Coming into Seguin from Cuero, I couldn't see a highway sign telling how to get to New Braunfels, so I stopped, got the information and ate breakfast. I guess the State Highway Department figured I'd be hungry, anyhow. And as I stopped in Fredericksburg, there was no sign telling how to get to Mason. So I stopped again and got the information at a bakery shop and bought some coffee cake. They bake mighty good coffee cake in Fredericksburg.

This column has been appearing for over nine years. Countless individuals and towns have been mentioned favorably—yet the "thank you" letters could be counted on the fingers of your two hands. What prompts this comment is that the proprietor of El Sombrero, the quaint-looking roadside cafe at Bangs, wrote a letter after the place was mentioned in this space and invited your columnist to drop by and have a bowl of chili.

How to succeed as a writer: Just keep alive long enough and observe as you go along; remember what you observe—and then write it.

Chicago Conventions Attract 750,000
CHICAGO (UP) — Chicago will play host to more than 750,000 convention guests during 1947 according to the city's convention bureau. The city attracted only 522,000

convention guests last year. The bureau based its estimates on 3 super-conventions and several hundred smaller conventions scheduled for the last four months of the year. A super-convention is one that attracts more than 1,000 out-of-town visitors. Largest of the super-conventions is the National Machine Tool Builders' convention, Sept. 16-26. The bureau estimates that more than 50,000 will attend.
