

Bull Town Bulletins

By
Bill Ellis

THIS BEING THE last week of school for the 1985-86 school year, we'll make our annual best wishes to our area's graduating seniors. You are graduating amid somewhat tougher times than usual, but we predict that this year's graduates will make it just fine.

Recently, the Associated Press ran a story which was used by some of the larger daily newspapers, concerning the diversity of names used by Texas high schools for their team mascots. The article pointed out that there are over 1,200 public and private high schools in the state, and 167 different mascots or nicknames.

With all of the diversity, the survey revealed that more than half of the state's 1,200 schools shared nicknames which made up a list of the ten most commonly used names.

The most common list was as follows, with the number of schools in parenthesis: 1. Eagles (103); 2. Bulldogs (84); 3. Tigers (76); 4. Panthers (56); 5. Mustangs (48); 7. Lions (46); 8. Indians (36); 9. Pirates (35) and 10. Hornets (35).

When it comes to unusual names, the state's schools have their share of these, too. Some of them listed in the Associated Press article included:

The Wampus Cat, for Itasca High School, located 60 miles south of Fort Worth. Those connected with the school say the Wampus Cat is a legendary animal, like "Big Foot."

Also, there are the Masonic Home (Fort Worth) Mighty Mites, a nickname which began when the school had some pretty small players (we all could use that one from time to time).

Other unusual names include the Port Lavaca Calhoun Sandcrabs, Taylor Ducks, Brownsville Saint Joseph Bloodhounds, Floydada Whirlwinds, Hutto Hippos, Progreso Red Ants, Trent Gorillas, San Antonio Central Catholic Buttons, Van's Vandals, San Antonio Lanier Voks, the Beaumont South Park Greenies, Mason Punchers, Munday Moguls, Somerville Yeguas and the Knippa Purple Rockcrushers.

(We quickly add that we're glad we don't have to use some of these names every week in headlines. Purple Rockcrushers??)

In some cases, a school's choice of mascot is a natural, considering the name of the school or town. These include the Winters Blizzards, Frost Polar Bears, Hamlin Pied Pipers, Shamrock's Irish, Muleshoe's Mules and the Hereford Whitefaces.

(Muleshoe wasn't always known as Mules. It took a tough election to change the school nickname from Yellowjackets).

Other names in our area not mentioned by the AP include such biggies as the Jayton Jaybirds, the Roscoe Plowboys, Amarillo Sandies (or Golden Sandstorm), Palo Duro Dons, Lubbock High Westerners, Pampa Harvesters, and Levelland Lobos.

Then, there are the Dumas Demons, Perryton Rangers, Dalhart Wolves, Boys Ranch Roughriders, Brownfield Cubs, Stratford Elks, Spearman Lynx, Stinnett Rattlers, Panhandle Panthers, Memphis Cyclones, White Deer Bucks, Wellington Skyrockets, and Clarendon Bronchos.

Also, the Abernathy Antelopes, Hale Center Owls, Springlake-Earth Wolverines, Ralls Jackrabbits, Nazareth Swifts, Gruver Greyhounds, Miami Warriors, Abernathy Antelopes and Valley Patriots. Those are just the more unusual ones.

Of course, in Parmer County, we have the Mustangs (and Fillies), Chieftains (and Squaws), Steers (and Steerettes) and the Longhorns. In days gone by we had the Cowboys at Oklahoma Lane, so Dallas wasn't the first Texas team with that nickname.

TOP GRADUATES...Blake Scaff and Marie Pesch are the top two students in this year's graduating class. Scaff is the valedictorian, and Miss Pesch is salutatorian.

City Residents In "Hands" Program

The Hands Across America project has been deemed a tremendous success. The Bovina Chamber of Commerce would like to thank all from Bovina who participated.

There were fifty-one who went with the group on the bus to San Jon, New Mexico and many others from Bovina went elsewhere to stand in the line. The Chamber thanks all who participated and represented Bovina so well.

The junior high students made a long banner with these words, "Bovina, Texas Supports Hands Across America." The banner was taken to the line. This will later be mailed to President Reagan.

This banner will be displayed on Friday at the school between 9 a.m. and 2 p.m. with hopes that all in Bovina will go by and sign. On the banner each person's hand will be traced and their signature. Everyone is urged to do this.

HANDS ACROSS AMERICA....Shown are a part of the nearly five million people who joined their hands together on Sunday, swaying to the song "We Are the World." This group was in Amarillo and people came from everywhere.

BOVINA GROUP...This group of local residents rode a bus to San Jon, N.M. Sunday to participate in the "Hands" program. The giant banner read "Bovina, Texas, Supports Hands Across America."

The absentee voting for the Democratic and Republican runoffs will be held at the County Clerk's office in Farwell starting May 28 and running through June 3.

"This is a shorter voting period than for the first primary—just a week, so those planning to vote absentee need to be aware and cast their ballot," said County Clerk Bonnie Warren.

The runoff election will be held on Saturday, June 7.

Ballots can be mailed voters outside Parmer County if requested. These must be returned by election day.

BB Field Clean-Up

There will be a clean up at the baseball field Saturday at 2 p.m. and all parents, coaches, and anyone else who can, please be there.

Plans are to work on the field, bleachers and concession stand.

Spokesmen said it would not take long if enough workers show up. Your help is badly needed.

Area Gets Good Rain

The Bovina area had received 2.2 inches of rain since last Friday night, according to Maggie Moore, our weather girl.

Bovina has been very lucky so far, in that we have not had any damaging hail as other towns have had. It was reported that Saturday night, Farwell received golf ball sized hail. Hopefully, our good luck will hold out.

Car Wash Is Set May 31

A car wash, sponsored by the YFC group will be held Saturday, May 31 at the First United Methodist Church beginning at 9 a.m. and will last until all cars are washed.

Scooter's Scoops

By Scooter Russell

Tragedies have a way of bringing us closer and again this week our lives have been touched as we lost some of our people in death.

Buck and Freda Lloyd's son, Paul, had a fatal heart attack. Arlin Hartzog passed away and Tom Beauchamp's sister died after a lengthy illness. Our deepest sympathies to these people.

In recent months as several places have closed their doors of business we tend to think that Bovina is drying up. When we stop to think about what's happening, we realize that we still have each other. We can still laugh and share our good times. When our people are in sorrow, we too, cry, comfort, care, hurt and feel one another's pain.

That's so much more than people in larger towns have...and that's about as good as it gets.

I hope that many of you were able to join Hands Across America on Sunday. It was

wonderful looking in both directions without seeing the ends of the lines and knowing that we live in a country where people care so much. Jim and I and my mother went to Amarillo and stood in the lines with our daughter Tracy and her family. It was great, and I know if you were involved, you are glad that you took the time to go.

We congratulate our Bovina High School seniors and especially congratulations to our honor students, Blake Scaff, Marie Pesch, Irma Garcia, Maria Gonzales, Terry Moore, Georgia Mancini, Allan Griffin and Donell Garner. Graduation will be held Friday night, May 30, and Junior High graduation will be held Thursday, May 29, at 8 p.m.

Glendon Sudderth was in the office Monday and said their son Del Ray has been transferred from Culver City, California to Austin and they are all thrilled that he will be in Texas and he is glad to be in

Texas too. He has been in training for the last one and one-half years. He is working for Electronic Distributing Company Hamilton Avnet. He came to Bovina to visit last Saturday and stayed until Monday evening.

Steve and Trish Sherrill and children, Scott and Traci, drove to Fort Worth last Friday to spend the weekend with their daughter, Melissa, who is going to school there. Trish said they had been to Prairie Acres and was driving back to Fort Worth, when the storm struck the southern part of the city. She said they did get in the traffic jams, however, and there were people stalled in their vehicles in the deep water under the underpasses, causing lots of confusion. The electricity was off for a time.

She said in spite of the storm, they enjoyed the weekend and returned home on Monday.

Our sympathies to Von Bowen, whose brother Everett of

Plainview passed away on Tuesday of last week. He was survived by his wife, two daughters, a son and grandchildren. Services were held last Thursday.

We express our sympathies to Joe and Leon Schilling, whose sister, Rita Schwertner, 66, of Slaton, passed away and services were held on Tuesday. She was survived by her husband, two sons, three daughters, seven brothers and four sisters.

Dorothy Stowers and daughter Robbie made a fast trip Friday night to Oklahoma, near Clinton, where Dorothy's mother is hospitalized. Dorothy said her condition was serious. They returned home Sunday.

Julia Ann Olona of Santa Fe was in Bovina Saturday night and visited with her mother, Sid Lloyd. Julia returned home Sunday morning.

Bill and Irma Bradshaw are back home in Bovina and we welcome them home. They have been in Zapata for several months.

Sesquicentennial Notes

By NORMA WHITTEN
A Member Of The Bovina Sesquicentennial Committee

The history of the First Baptist Church of Bovina as taken from *Prairie Progress*:

The First Baptist Church of Bovina was organized in 1903 with four charter members; Mr. and Mrs. A.J. Oliver, Mrs. Jim Martin, and Mrs. E.L. Hecox. The first services were held in the school building. The first church building was built in 1905 for the cost of \$1,500.00. By 1910 there were fifteen members of the church and the Sunday School enrollment was thirty-seven.

The years between 1910 and 1920 were hard slow years. The first W.M.U. report was given in 1915. By 1920 the membership had grown to twenty.

The first B.Y.P.U. was organized in 1921. There was a membership of fifty by 1925. In 1930 church membership was one hundred fifty-seven with Sunday School enrollment of one hundred ninety-nine.

During the years of 1930 through 1940 the first parsonage was completed at the cost of \$1,250.00. By 1937 the membership was two hundred twenty-two. There were some hard times through these years.

The years of 1940 through 1950 saw the church with a new auditorium valued at \$10,000.00. Also, the parsonage next to the church was built valued at \$6,500.00. Presently, this is serving as a mission parsonage.

In 1950 the membership had grown to three hundred thirteen. An educational building was built at the cost of \$15,000.00 and the membership grew to three hundred thirty two members in 1958. A Mexican mission was begun and some work done with the Blacks during this time. Total membership was three hundred eighty-eight.

During the years between 1960 and 1970, our present plant was constructed at a cost of \$104,687.00. A building and new auditorium was erected for the Mexican mission for \$4,800.00. Our church membership was seven hundred eighty-two by the end of this decade.

Our present parsonage was built in 1973 at the cost of \$37,500.00. The latest improvements to the church was the remodeling of the kitchen, fellowship hall, and the educational facilities in 1976.

To God be the glory for all souls that have been saved this seventy-five years. Beginning with four members and growing to eight hundred.
