That Reminds Me

We met Weems Dykes, minister of the local First Christian Church walking down the street recently with a flashlight in his hand. Why the flashlight in daytime? We asked, "I am looking for a righteous man," he replied without halting or looking back.

A small Eastland boy accompanied his father on a visit to Bob Vaughan's Western Auto Store. As the pair was leaving the building the youth cast a glance at the display windows on either side of the door where merchandise of various kinds had been arranged and said: "Daddy, Mr. Vaughan will have a nice store if he ever gets it straightened up, won't he?"

James Horton, following a talk by his daughter-in-law—Mrs. r s. Horace Horton—before the Eastland Rotary club Monday on pottery manufacture, said: "I was walking along the street once 'feeling my age' when I met Dr. T. E. Payne. Is there anything in old age to compensate one for the loss of youth, I asked him? He answered with a curt, NO. Since hearing this talk I am convinced that Dr. Payne was wrong. Having a daughter-in-law like this is adequate compensation for growing old," he said. And his fellow Rotarians, who had listened to the young and talented Mrs. Horton's talk, evidently agreed with him, judging from the rounds of enthusiastic applause.

If you don't think it is wonderful to be a father—especially the father of a bouncing baby boy—just ask GI Gene Rhodes who became one Wednesday when Mrs. Rhodes, the former Miss Vennetta Mahaffey, presented him with their first born. Gene burst into the Chronicle office Wednesday afternoon grinning from ear to ear, when asked what he wanted, said: "I just want to tell the world that I am the father of the finest boy ever born."

As I was walking to town one morning, the late Chief Justice W. P. Leslie of the Eastland Court of Civil Appeals, pulled up in his car and invited me to ride. As we drove along he took notice of some visible evidence of juvenile delinquency and made this comment: "I go to church regularly, but I declare that I have not heard a sermon against sin in so long that I am wondering if it has been proclaimed and made decent."

A woman describing her husband in her petition for a divorce as being "disagreeable, irritable, cool, jealous, heckling bitter, piousish, loathsome, insulting (bruzen, miserly, in-attentive, uncivil and in-considerate." The petition, however, failed to state why it was she desired a divorce from him.

Chief of Police Ed Sparr says that local citizens owning chickens must not allow them to run-at-large, warning that if they do they will be prosecuted under a City Ordinance prohibiting fowls from running-at-large. Is it possible that feathers will fly some day?

SOME THINGS TO THINK ABOUT:

Eastland Airport development, The Highway Beautification program local women are sponsoring.

Some plan to relieve parking congestion on Eastland streets. Farm-To-Market roads as they affect Eastland and community. The proposed Leon River soil and water conservation program.

MRS. HORACE HORTON GUEST SPEAKER AT LOCAL ROTARY CLUB

Mrs. Horace Horton was guest speaker for the Eastland Rotary Club Monday at noon and gave a very interesting talk on the manufacture of pottery and glazed pottery in particular. She began with the raw clay and traced it through the various phases of manufacturer to the finished product. She gave some illustrations. Mrs. Horton, who with her husband, have a plant in Eastland where they make high class glazed pottery, was introduced by her father-in-law, James Horton, long-time member of the Eastland Rotary Club and in charge of the program for the day.

Arthur Ernest was called upon by Vice-President Arthur Murrell, who presided over the meeting in the absence of President W. D. Maddrey, to make some announcements regarding the March of Dimes campaign now in progress in Eastland and throughout the nation.

Zeta Pi announced that the local Zeta Pi Chapter of the Beta Sigma Phi Sorority was sponsoring the March of Dimes campaign for Eastland and would appreciate the cooperation of the citizens of the town and surrounding communities. They are sponsoring a dance to be given Thursday night, January 30, at the American Legion, Hall, the proceeds from which will go to the local March of Dimes fund.

On motion of James Horton the Rotarians voted to donate \$10.00 to the local March of Dimes fund. Among the visitors at the Monday meeting of the club were: Benney Butler, Judge Callaway and Charles Graham, Rotarians of Cisco; H. A. York of Sault Ste Marie, Michigan, a Rotarian; C. E. May and Dr. Boswell, members of the Ranger Rotary Club, and a nd Clarence Greenway of New Mexico.

Next Monday's program for the club will be in charge of Fred Maxey.

NOTED ATHLETE IS EASTLAND VISITOR OF V. T. MOSER

Byron Nelson of Denton, noted professional golfer, was a visitor in Eastland at the home of Mr. and Mrs. V. T. Moser, Friday of last week. Nelson was enroute to Abilene where he was to deliver an address at Abilene Christian College.

Nelson, according to Eastland sport fans, visited Eastland and played golf here when he was a caddy and living in Ft. Worth.

Otis Miller, above, former 1944 District Attorney, Jones County farmer, 1940 candidate for congress from this district and former weekly newspaper publisher at Anson, his home, will join the staff of Texas A&M College as assistant professor of journalism Feb. 1. Miller will teach technical journalism and magazine reporting of agriculture and other fields.

E. C. BRATCHER, 74, DIED FRIDAY, JAN. 17; RITES HELD SATURDAY

Funeral services were conducted Saturday afternoon at Hamner Funeral Home, Eastland, for E. C. Bratcher, 74, who died at his home, 114 East Hill St., Eastland, Jan. 17. Rev. Seba Kirkpatrick, Rev. E. R. Gordon and Fred H. Porter conducted the service. Interment was in the Eastland cemetery.

Survivors are two daughters, Mrs. A. S. McCord, where he made his home, a daughter at Corpus Christi and two sons, one a Methodist preacher at Pampa, and one at San Antonio, and seven grandchildren.

The deceased was born March 17, 1873, in Tennessee. He was a member of the Methodist Church.

COMING THURSDAY

A Representative of the Abilene Social Security Administration will be at the Texas Unemployment Service Office in Eastland on Thursday, January 30, at 1:00 p.m.

THIEVES HIT SIX EASTLAND CO. PLACES

Burglars struck in Eastland county Saturday night, breaking into six places and netting a total of \$150 along with some tires and tubes, a radio and flashlight. In two of the places it was stated that the burglars apparently failed to complete their entrance.

Sheriff Williams received his first call about 12:00 o'clock Saturday night when it was reported from Cisco that The Spot, a cafe on highway 80 east, had been broken into and about \$90 taken.

Then about 3:00 o'clock a call came from Carbon where the Carbon Trading Company, Ben's Grocery, C. A. Driver's Service Station and the Medford Service Station were entered. At Driver's it was stated that the burglars took two tires and two tubes.

About 5:00 o'clock another call came to Sheriff Williams and this time it was from Gorman where the M. T. McCormick Service Station was robbed of a radio and flashlight.

Sheriff Williams stated that indications were that the burglaries at Gorman and Carbon were by the same robbers, and possible that at Cisco, also, but he was not certain. Sheriff Williams and his deputies are studying the evidence found at the places and working on the cases.

CARELESSNESS AND IGNORANCE CAUSES DISEASE SPREADING

AUSTIN, Texas, Jan. 20 — "Carelessness and ignorance represent two of the most powerful factors in spreading communicable diseases from man to man. No more emphatic example of this fact exists than the continued ravages of tuberculosis. In spite of the knowledge of its cause and spread, and of curative methods, tuberculosis is still a very serious problem not only in Texas, but throughout the United States," States Dr. Geo. W. Cox, State Health Officer.

"It is true that tuberculosis no longer is first on the list of killing diseases, as it was formerly," Dr. Cox said, "but despite having been reduced to fifth place in Texas, it still is responsible for more deaths between the ages of fifteen and forty-five than any other disease. And this fact exists even though the majority of tuberculosis patients could have their condition arrested if it were recognized early and proper treatment applied."

"Treatment of the early recognized case is essential. It is of equal importance, from a public health viewpoint, that the spread of this devastating infection be prevented. A more intelligent appreciation of this fact would result in the saving of thousands of lives."

"When a diagnosis of active tuberculosis has been made, examination of all of the other members of the immediate family should follow as a matter of course. Tuberculosis runs in families, not because of any special susceptibility to the disease, but because it is communicable, being usually transmitted through close and prolonged contact with the active case."

To reduce the number of deaths caused by tuberculosis, Dr. Cox suggests periodic examination of all adults, a check-up by physicians of the known active cases and contacts, regular examination of high school children, isolation or hospitalization of the active tuberculosis case, and a more intelligent application of hygienic living principles.

EASTLAND RITES FOR MARIA RICE HELD IN EASTLAND, JAN. 15

Funeral services were conducted at the Eastland Catholic Church Saturday afternoon for Maria Rice, who died in a Ranger hospital January 15. Interment was in the Eastland cemetery with Hamner's in charge.

Survivors are a son, Antonio Espita. The deceased was born at Brownsville, Dec. 9, 1871. Father J. B. Duseman of Ranger, conducted the service.

ON THE HILL

By Jan Spalding

Eastland High School has settled down again since the mid-term exams and some are looking forward to getting their report cards, but others rather dread it.

School is over for about nine EHS students as graduation exercises were held for these students at 1:00 o'clock Thursday afternoon. Those who graduated were: Bill Brashier, Bill Eddleman, Catherine Alsop, Eddie Hart, Dan Collie, Jack Roper, Herbert Barker, Milton Hunt, and Jimmie Doss. Dan Collie enrolled in Texas University for the Spring Semester. Bill Eddleman and Bill Brashier entered North Texas State Teachers' College in Denton for the Spring Semester. Eddie Hart will enter A&M next fall. Herbert Barker and Milton Hunt are going to Hardin-Simmons, and Jimmie Doss has plans to attend J.T.A.C. in the spring.

The boys' basketball team won second place in the tournament when Woodson defeated them in a close game by one point. They have played three conference games, but have lost one to Hamilton. They have defeated Gorman and DeLeon. The girls' team has played only one game, but they have been practicing and are planning on winning most of their games this year. Four of the team graduated at mid-term, but the younger boys seem to be playing very well and are improving quite a bit.

Davy Mitchell, who has been out of school for three weeks with rheumatic fever, was able to begin classes Monday morning. Everyone was very glad to see him up and around again.

Nancy Harkider had a Taffy Pull for a group of her friends Saturday night. Everyone had a very good time pulling and eating candy.

Nancy Pryor resumed her studies as a senior this week. We are all very glad to have Nancy back in EHS.

We also have two new students. They are Larry Falls from Corpus Christi, who is a Freshman and Bob Haney from Petrolia, who is a Junior. They are very nice boys and everyone welcomes them to Eastland.

The Beethoven Club had a farewell party for Bill Brashier and Bill Eddleman last Monday evening. Mrs. Taylor gave them presents. The members of the Club were presented in a program at John Tarleton College. Those on the program were: Bill Brashier, Bill Eddleman, Milton Herring, Dorothy Sims, Marleece Elliott, Billy Floyd Hunt, Jan Spalding, and Wanda Williams. Mrs. Taylor, Mrs. Brashier, Mrs. Williams, Mrs. Herring, Mrs. Hunt and Marilyn Wittrup accompanied the group to Stephenville.

Tryouts for the Junior play, "A Case of Springtime" were held this week and the cast will be announced next week.

The play will be presented the last of February.

That's all the news from the Hill this week but I'll be seeing you.

JOHNNIE AARON IS BUILDING NEW SHOP AND HEADQUARTERS

Johnnie Aaron of the West Texas Transportation Company started work this week preparing grounds for the foundation of a new building the company is to erect on grounds recently acquired from Jean Downtain and located on the east half of the north half of the block directly south of the bottling company plant.

The new Quonset building will house the repair shops, offices and general headquarters of the West Texas Transportation company, which operates a string of buses out of Eastland and which recently extended its operations by the acquisition of additional charters and permits in Texas and New Mexico.

Manufacturing industries in Minnesota employ 199,000 individuals, 81 per cent more than in 1940.

Almost half the women working outside the home in 1914 earned less than \$6 per week.

Production of creamery butter in North Dakota totalled 51,041,000 pounds in 1945.

James Pease, above, American Baritone, will give a concert at 8:00 p.m. February 3, at the Eastland High School Auditorium. The concert is one of the series of Community Concerts being sponsored by citizens of Cisco, Ranger and Eastland.

James Brown Talks To Lion Club Members

Lion James Brown, with the Eastland Veterans' Contact office, was the speaker at the Eastland Lion's club meeting Tuesday at noon. He was introduced by Lion E. E. Wood, who had charge of the program for the day.

Lion Brown made an interesting and very instructive talk, first outlining the organization of the Veterans' Administration and followed by a discussion of the Veteran's benefits to be received under the G.I. Bill of Rights.

Mrs. Arthur Ernest and Mrs. Mattie Doyle, members of the local Beta Phi Chapter of Beta Sigma Phi Sorority which is sponsoring the March of Dimes Campaign in Eastland, were present in the interest of the drive and Mrs. Ernest brought the matter before the Lions in a short talk. The club voted to donate \$25.00 to the drive.

Visitors at Tuesday's meeting Smith of Mineral Wells, who included Lion Father John C. Smith of Mineral Wells, who was making up his attendance; Mr. Weems, a guest of Lion N. P. McCarmey; Dr. Boswell of Ranger, guest of Lion Homer Smith.

Lion Hollis Bennett will have charge of next week's program and the following program will be in charge of Lion Bill Brashier.

T. P. Completes Producer On J. W. Davis Lease

Officials of the Texas Pacific Coal & Oil Company Monday day that their No. 10 well on the J. W. Davis lease nine miles northwest of Ranger has been completed for a producer with a total of 65 barrels recorded in the first 12 hours flow.

The well was brought in Thursday and equipment has already been moved to another location which will be the Number 11. The Number 10 is producing from 1974 feet from a section identified as the Strawn sand.

There are better than 200 acres in the lease which is in the T. J. Earnest pool in the Strawn sand.

March Of Dimes Drive Dragging Sponsors Say

The March of Dimes Drive sponsored by the Zeta Pi Chapter of Beta Sigma Phi with Mrs. Jack Gouley and Mrs. Arthur Ernest as chairman, felt some discouragement in the amount of funds being contributed this week.

Members of the sorority are working hard to make the drive a success. They are deserving of a lot of credit for the wonderful work they are doing. The chapter is to have a benefit dance January 30 and a basketball game Feb. 3, at the School Gym. All proceeds will go for the drive as every thing has been furnished for the dance and ball game.

Taylor Studio Students Heard At Stephenville

The John Tarleton College Fine Arts Club of Stephenville presented, in a formal recital, students from the Taylor Studios of Eastland in Little Auditorium at Stephenville, Tuesday, January 21, 7:30 p.m.

Among the students having parts on the program were: Milton Herring, Dorothy Sims, Jan Spalding, Wanda Williams, Marleece Elliott, Billie Floy Hunt, Bill Eddleman, Billy Brashier, Veda Sneed, Col Don Brashier and Marilyn Wittrup.

Miss Marjorie Hatcher of Eastland is attending John Tarleton College and sings in the Accademia Choir, which Donald Morton, head of the College Music department, presented in two numbers in connection with the Taylor studio program.

One hundred fifty guests attended the recital. Among those present from Eastland other than students were: Mr. and Mrs. H. E. Williams, Mr. and Mrs. Ocie Hunt, Mr. and Mrs. J. M. Herring, Mrs. H. B. Brannan, Mrs. D. B. Cox, Mrs. A. F. Taylor and Mrs. W. E. Brashier.

Father Of Two Eastland Women Buried Saturday

Funeral services were conducted Saturday afternoon in Abilene for James David Hilton, father of Mrs. C. W. Hoffman and Mrs. C. W. Young of Eastland. Mr. Hilton died at his home in Abilene early Friday.

Dr. Millard A. Jenkins, pastor of the First Baptist church of which Mr. Hilton was a member, officiated at services assisted by Dr. J. H. Hamblen, Evangelical Methodist church pastor.

Pallbearers were James Young and Billy Hoffman, both of Eastland, and Lester Nichols of Ranger, grandsons; Henry and Tom Hilton, both of Lubbock, nephews; and Clyde Mansley of Abilene.

Mr. Hilton had served as Taylor county clerk from 1914 to 1918. Born Sept. 15, 1864 at Clear Creek Falls, Ala., Mr. Hilton went to Abilene in 1904.

A member of the Baptist church since 1900, he also belonged to the Masonic lodge.

Survivors are the widow; three daughters, Mrs. C. W. Young and Mrs. C. W. Hoffman, both of Eastland, and Helen Hilton of Tyler; and one son, J. B. Hilton of Coleman.

Stewards Will Sponsor Special Church Service

Special services will be held at the Methodist Church Sunday morning with the Stewards sponsoring the attendance. Every member of the Church is asked to put forth a sincere effort to attend this special service which begins at 10:55 a.m. Sunday and to bring a friend and especially an unsaved friend.

The pastor will bring the sermon on the topic "What Christ Thinks of the Lost." At 7:00 p.m. service, the men's chorus will sing a special number and the pastor will bring the sermon on the topic, "What is the Unpardonable Sin."

TAYLOR STUDIOS TO PRESENT PUPILS IN PIANO RECITALS

Mrs. A. F. Taylor will present the pupils of her studio in a piano recital Friday, January 24 (tonight) at 7:30 at the Eastland High School Auditorium, and again Monday night, at 7:30 at the same place.

Fifty students will appear on these programs in solos and duets, using four pianos at a time.

Eastland's new \$150,000 Majestic Theatre will be opened on February 14, according to announcement made today by B. E. Garner, Eastland and Ranger representative of the Interstate Circuit, Inc., which has built the magnificent theatre. The Razor's Edge, a picture based on Somerset Maugham's book of the same title, will be shown at the opening.

Located on the site of the old Connellee, the new theatre will have no superior in Texas and is more modern than houses in Fort Worth and Dallas, Garner stated.

It will have a seating capacity of 864 and for the opening no reserve seats will be sold but an advance sale of tickets will be limited to the capacity of the house. One unusual feature of the big theatre is the fact that it will have ten restrooms.

Already installed and ready for operation are an ultra modern cooling system, Simplex projectors and RCA sound system. A western motif is used in the murals that extend the entire length of both walls. The stage of the old theatre has been maintained and Garner stated that units and stage shows will be brought to the theatre from time to time. The most modern type of seats have been installed.

Aubrey Van Hoy, Interstate manager in Eastland will be manager of the new theatre. Van Hoy has been with the company for about ten years and is a veteran theatre man.

The show of the opening night will begin promptly at 8:00 o'clock.

Among other prominent people who will be in Eastland for the opening of the theatre will be George O'Rourke of Houston and Dallas who was construction contractor for the theatre.

Mrs. V. H. Cowan Dies At Home In Baird, Texas

Mrs. V. H. Cowan, 79, sister of James A. Beard of Eastland and Aunt of Mrs. Guy Parker of Eastland, died in her sleep at her Baird home Monday night. Funeral services were held at Baird Baptist Church Wednesday. Burial was in the Ross cemetery.

Born in Fannan County, Georgia, Oct. 29, 1867, Mrs. Cowan had resided in Baird 42 years. During the life time of her husband the couple lived at Eastland where he was employed by the Texas & Pacific railroad. He was transferred by the company to Baird and died there.

All-Day Meeting To Be Held At Merriman Sat.

It was announced today that an all-day meeting will be held at the Merriman Baptist church on Saturday, January 25 and the public is invited to attend.

Ministers from Ft. Worth and other places are expected to attend, according to an announcement made by the pastor, Fred Noll. Lunch will be served at noon.

CHAIRMEN OILBELT SAFETY CONFERENCE CALLED TO MEET

H. J. Tanner, County Chairman of the Oilbelt Safety Council, announces a call for the City Chairmen of this section, to meet at the Eastland Chamber of Commerce office at 7:30 Monday night.

The purpose of the meeting, Tanner stated, is to discuss plans for and possibly fix the date for the coming spring meeting of the Conference.

Among the city chairmen expected to be present are: E. Jackson of Cisco; George Campbell of Ranger; Arthur Merrill of Eastland; W. W. Rogers of Breckenridge; Les Taylor of the Lone Star Gas Company.

The only President of the United States who was bald was the sixth President, John Quincy Adams.

Since the intellectual, spiritual, and physical growth of all members of the family is fostered in the home, it behooves us to inculcate therein the fundamentals of good taste.

Everyone will agree that the individual who understands and enjoys art quality lives a richer fuller life than his less sensitive neighbor, yet very few of us can recognize or appreciate a painting by Van Gogh, a strain from a Wagnerian opera, or a chair designed by Chippendale.

Appreciation and understanding of art quality should be an integral part of the formative years as natural as walking and learning the alphabet. Many parents have said to me, "We can't do any re-furnishing or re-decorating until our children are grown," yet these same parents demand the best in educational opportunities for their children. Couple Observe Golden Wedding

Mr. and Mrs. John Bishop of Olden Sunday celebrated their golden wedding anniversary which was featured by a repetition of the wedding ceremonies at the First Baptist church of Ranger with Rev. Dauid C. Ham officiating.

Following the ceremony an open house was held at the home in Olden Sunday afternoon from 2:00 to 4:00 o'clock.

Mrs. Otis Lee and Mrs. J. E. Ray, daughters of Mr. and Mrs. Bishop received the guests in the living room which was decorated with baskets of yellow and white gladioluses, roses and jonquils and gold and white carnations.

Mrs. O. C. Bishop, a daughter-in-law, ushered the guests to the dining room where the table was laid with a lace cloth. The centerpiece was an arrangement of gold jonquils and fern in a white china bowl embossed in gold. Tall gold and white candles lighted the table.

At one end of the table was the three tiered gold and white cake, the first slice of which was cut by Mr. and Mrs. Bishop. Mrs. Nelda Sullivan, granddaughter, then presided at the cake and Mrs. Othella Hoster, another granddaughter, presided at the punch bowl.

Another granddaughter, Mrs. Lillian Beaman, Mrs. Elsie Middleton and Mrs. Jake Bishop, sister-in-law, assisted in the dining room. One hundred and twenty-five friends called during the afternoon and registered in the guest book.

Members of the family present were: sons and daughters; Mr. Lee Bishop of Ranger; Mrs. Otis Lee and Mr. Lee of Lamesa, Texas; and Mrs. J. E. Ray and Mr. Ray of Lamesa.

Grandchildren: Mr. Don Bishop, Byers, Colorado; Mr. and Mrs. Elton Beaman, Goldsburg, N. Carolina; and Mr. and Mrs. W. C. Hoster, Los Angeles, California; Mr. and Mrs. Charles Sullivan, Ranger; Mr. Trice Lee, Lamesa, Texas; Mr. Dale Bishop, Ranger; Mr. John Bob Lee, Lamesa, Texas; Mrs. Lillian Beaman, Mrs. Elsie Middleton, Mr. and Mrs. Jake Bishop of Big Spring; Mr. and Mrs. O. CHRISTIAN SCIENCE SERVICE
"Truth" is the subject of the Lesson-Sermon which will be read in all Churches of Christ, Scientist on Sunday, January 26.
The Golden Text is: "It is the Spirit that beareth witness, because the Spirit is Truth" (1 John 5:6).
Among the citations which comprise the Lesson-Sermon is the following from the Bible: "Teach me thy way, O Lord; I will walk in thy truth" (Psalms 86:11).
The Lesson - Sermon also includes the following passage from the Christian Science textbook, "Science and Health with Key to the Scriptures" by Mary Baker Eddy: "If God, the All-in-all, be the creator of the spiritual universe, including man, then everything entitled to a classification as truth, or Science, must be comprised in a knowledge or understanding of God, for there can be nothing beyond illimitable divinity" (page 127).

County Sheriff J. B. Williams stated late Wednesday that there were no new developments in the series of burglaries at Carbon, Gorman and Cisco Saturday night and early Sunday morning. He intimated, however, that they had some promising clues.

We didn't get this from the Sheriff's Department, but learned from reliable sources that Sheriff Williams and his men, while working in the vicinity of Gorman early Sunday morning on the Saturday night burglaries, stumbled onto a large group of men in an isolated spot in a pasture. They decided to investigate which resulted in one person coming to Eastland Monday morning and paying a fine for operating—or rather for maintaining a Cock Pit for the purpose of conducting chicken fights. The fine was \$10.00 and cost, making the total approximately \$37.00.

Peace officers of the County have been receiving many calls from citizens complaining that "Peeping Toms" have been annoying women. Some officers, it is understood, have received as many as six calls in one night. The calls have come from most of the towns in the County.

Approximately 3,000 poll tax receipts had been issued from the County Tax Assessor-Collector's office at mid-week. This did not include any receipts issued at Cisco, Ranger, Rising Star, where they are also being written.

Dr. P. T. Isbell of Eastland, on his application, has been re-appointed County Health Officer by the County Commissioners' Court.

His appointment runs for two years and began, January 1, 1947. His compensation was set at \$65 per month.

In addition to drawing a list of petit jurors for the February term of the 91st district court, the jury commission recently appointed by Judge Geo. L. Davenport, drew a grand jury to serve during the February term, which opens February 3rd.

The County Commissioners' Court has entered into a contract with Horace Walker, who had a contract to collect Eastland county delinquent taxes, to again collect delinquent taxes for the County for a term beginning January 1, 1947, and continuing until December 31, 1948. The contract provides for the payment to Walker of fifteen per cent on taxes, penalty and interest. The contract is subject to the approval of the State Comptroller.

When the County Commissioners' Court directed County Attorney Everett Grisham to get ready to collect delinquent taxes for the County, he, like his predecessor Earl Conner, declined and so stated in an affidavit. His reason for the action was that he did not have the time for it and that the fee provided was inadequate.

By Order No. 20 of January 10, 1939, the Eastland County Commissioners' Court requested former County Clerk T. M. Collie to pay over to his successor in office trust funds in the amount of \$177.50. This order was annulled by another order dated January 6, 1947, because of the fact that the funds had been turned over by Collie.

Haywood Cabaness of Cisco was recently re-appointed by the Eastland County Commissioners' Court, to be County Service Officer. He was appointed to a two year term, that began on January 1, 1947. Compensation was set at \$200.00 per month.

County Judge P. L. Crossley stated this week that his docket carried no cases for trial either this week or next, but that a number of civil cases would doubtless be set down for hearing within a short time.

Robert Burkett, charged with aggravated assault in connection with a fist fight with a Cisco man in Eastland on last Democratic primary election night, paid a fine for simple assault to the County Court sometime last December thereby clearing the docket of the charge against him. His father, Omar Burkett, who had

W. A. Record, late of Mertzon, is the new minister at the Church of Christ in Rising Star. Elder Record has a wife, son and daughter. The family came to Texas a few years ago from Kentucky.

Kenneth Gray, a senior in Rising Star High School suffered 3 fractured ribs recently when the car in which he was riding collided with a horse on the highway near Rising Star.

J. K. Pringle, 69, of Beaumont and formerly of Rising Star, where he resided for 40 years, died recently at Beaumont. The body was brought to Rising Star where funeral services were held followed by interment in the Rising Star cemetery.

The First Baptist Church of Gorman announces the dates for its spring revival meeting will be March 23 to 30 and that of its summer revival as August 17 to 24.

J. R. Watson, official of the State Fish and Wildlife Service, Tuesday night of last week, trapped a coyote wolf on the Low Wallace ranch in the Tudor community in Eastland county, that had killed 57 sheep during the past two or three months. The coyote, an old one, had been caught in a trap before, examination showed.

Last Rites Held For J. P. Morris At Necessity

Last rites for John Porter Morris of Route 3, Ranger in the Frankell community were conducted Tuesday afternoon at 2:00 o'clock at the Necessity Tabernacle and interment was in the Necessity cemetery. Rev. Jessie Fambrough, pastor of the Necessity Baptist church assisted by Rev. A. J. Morgan, pastor of the Breckenridge Baptist church, officiated

and arrangements were by Killingsworth's Funeral Home. Mr. Morris died at his home Monday, January 20, 1947. He was born in Mississippi on June 3, 1880 and had resided in Frankell for 53 years. He was a member of the Necessity Baptist church.

KARL & BOYD TANNER Post No. 4136 Veterans of Foreign Wars

Evan Mitchell, Pub. Chm.

Unity for prosperity—The headlines in the newspapers through-out the United States in the past few days should remind us the meaning of this phrase, Unity For Prosperity, more than ever. The conflict over the Governor of Georgia not only stands out as laughing stock to the American public, but it is viewed and publicized with great interest in our enemy countries. There are also another aspect of our industrial disturbances which must be considered. In this turbulent world today are those who seek to show that the American system of free enterprises cannot survive in competition with Communist ideology. In some countries only our strikes, race riots, lynchings and other abuses of our system are publicized. Our achievements—and all the favorable aspects of American life—are minimized, while our faults are greatly magnified.

We have good reason to believe that some of our industrial strife has been indirectly engineered by agents of a foreign power. Labor and management must keep a close check on these agitators. It is their objective to prevent friendly settlement of issues through collective bargaining and peaceful, democratic means. Without our leadership, international chaos appears

and arrangements were by Killingsworth's Funeral Home.

Survivors are his wife, Mrs. John P. Morris; one son, John W. Morris of Frankell; two daughters, Mrs. J. W. Crawford of Palestine and Mrs. A. J. Collins of Breckenridge; brothers and sisters Miss Kate Morris of Frankell, Mrs. Suzie Pace of Frankell; Mrs. Eva Bussell of Lamesa and George P. Morris of Rule. Eleven grandchildren also survive.

Pallbearers were W. D. Taylor, Dave Morgan, Major Langford Hemp Langford, Dave McGowan and Dick Havens.

To the veteran, war is a grim spectre of the past—horrible nightmare of the future. To the veteran war is a stark and ghastly reality. And he is concerned—desperately concerned—over the vital necessity for maintaining peace, the gravity of this even overshadows that of inflation—the preservation of the peace he won at so great a cost.

Are you an overseas veteran? Would you like to help work for the cause of veterans' welfare and the welfare of the nation and have assurance your widow and orphans would be cared for in the event of your death? If any of this sounds interesting to you, come up to the VFW hall and talk it over and see about becoming a member of America's oldest and fastest growing Gold Stripe Organization, the VAW.

Feeling the Soil Tells When to Start Garden

When You Can Make a Mudpie From Your Garden Soil, It Is Too Wet to Spade.

When Slightly Moist Soil Crumbles Easily in Your Hand, It Is Time to Spade.

Experienced gardeners learn much from feeling the soil. Most important of all the conditions that can be tested by getting your hands in the dirt, is the moisture content. For spading, cultivating, and seed sowing, soil which is neither too wet nor too dry is best. Wet soil should never be worked, and heavy soil when dry can be as hard as a brick; while the same soil with the right degree of moisture may be as easy to work as a sandy loam.

If wet soil is spaded, it usually forms hard clods which may hold together all season to do harm in many ways. Seed should not be sown, or plants set out, in wet soil. You should not even walk on it, until it dries out sufficiently.

How to tell when this point is reached?

The most reliable test is a simple one—call it the mud-pie test. Pick up a handful of soil and pat it between your palms as you used to do in childhood; if it holds together and makes a nice mud-pie, then it is too wet.

There is a point between the two extremes of too wet, and too dry when a handful of soil, patted between the palms, will crumble. It is not dry, but slightly moist, yet not wet enough to hold together in a mud-pie. At this point, even clay can be spaded easily, and will break up without forming clods. When the test indicates that this favorable condition prevails, do not delay, otherwise the soil may dry out unduly, and compel you to wait for heavy rains to restore the right degree of moisture.

SURVIVORS OF DISCHARGED VETS MAY CLAIM LEAVE PAY

WASHINGTON, D. C. —Widows, children or parents of former soldiers who died after honorable discharge from the Army, who had not claimed their pay prior to death are entitled to collect these payments, the War Department has announced. An estimated 40 million dollars in due eligible survivors of Army personnel in this category.

Due to the small number of claims of this type received by the Army so far, Major General William H. Kasten, Chief of Finance, U. S. Army, urged survivors of deceased former soldiers of World War II who had unused furlough time payable under the Armed Forces Leave Act of 1946 at the time of their separation from the Army, to write immediately to the Finance Officer, U. S. Army, Army Finance Center, Building 204, St. Louis 20, Missouri, for an application.

Up to this time the Finance Officer, U. S. Army, at St. Louis, has received 4800 claims from survivors for terminal leave pay due former soldiers who have died since leaving the Army. General Kasten pointed out that the St. Louis office is the only Army finance office handling survivors' claims for unused leave and all inquiries must be addressed to that office only.

Survivors who may be eligible are defined as a wife who was lawfully wedded to the deceased former serviceman on the date of his death, or child or children in equal shares. In the event there is no wife or children, settlement will be made to the parents of the deceased former soldier. The term "parent" includes father and mother, grandfather and grandmother, stepfather and stepmother, father and mother through adoption, and persons who, for a period of not less than one year prior to the death of the former soldier, stood in place of parents to such former enlisted man. This applies equally to deceased women of the Women's Army Corps.

Payment of claims filed by such survivors will be made by U. S. Treasury check and not in savings bonds as in the case of settlements made to living veterans.

who make their own claim under the Armed Forces Leave Act.

General Kasten emphasized that the former soldier on whose behalf eligible survivors make claims, must have been honorably discharged from the service. No benefits under this law are due the survivors of those soldiers who died while in active service or who were killed in action, he said, since the usual death benefits in these cases have already been paid to eligible survivors and no further benefits are due them under the terms of the Armed Forces Leave Act of 1946.

Payments made by the St. Louis Finance Officer to date have ranged from \$20 to \$975 for a single claim, depending on the amount of unused furlough time which was due the deceased soldier at the time of his discharge and the rank held when discharged. Application blanks and complete instructions necessary for making survivor's claims for unused furlough leave time may be obtained by written request from the Finance Officer, U. S. Army, Army Finance Center, Building 204, St. Louis 20, Missouri.

At the same time General Kasten pointed out that up to this time many living veterans have not filed their claims for their unused leave time. He urged those who have not already done so, to file their claims immediately, since Army Paying officers are geared for prompt payment at this time.

I'M ENDING MY KITCHEN WORK, I'M GETTING AN AUTOMATIC DISH WASHER

So you're buying an automatic dishwasher? Remember, it adds to the demand for

MORE WATER

Water Heater Capacity Most Important

Automatic dish-washers are big users of hot water. In doing the complete job they use three fillings: clean-off with lukewarm, actual washing with extra hot, and rinsing—all of which must be instantly on tap!

Then there are dozens of other household cleaning tasks, baths, showers, shaves, and cooking needs requiring hot water. So it is easy to see why it is most important to make sure the new gas automatic heater you buy is large enough to care for all your modern needs.

A modern gas automatic water heater of the proper size will provide you with all the hot water you need at a cost figured in pennies.

FFB. 1 DEADLINE FOR VET INSURANCE REINSTATEMENT

Under existing regulations veterans who have allowed their National Service Life Insurance to lapse or become inactive have only until Feb. 1, 1947 to reinstate their policies without physical examinations.

Alexander D. Modisett, Veterans Administration contact representative, said reinstatement can be made in most instances by a veteran's signed statement that his health is as good now as it was when the policy lapsed.

Reinstatement forms are available at any VA office or may be obtained from the American Red Cross, county service officers or veterans organizations. The veteran may renew all or part of his policy by two monthly premium payments, the VA contact representative said. These payments are for the same amount

NSLI protection cost him while in uniform.

On or after Feb. 1 term policies lapsed more than six months or permanent policies lapsed more than three months will require a physical examination.

The contact representative said NSLI policies issued for wartime service can be converted to any of the permanent types of insurance during the term period. Insurance issued prior to Jan. 1, 1946, may be carried for eight years from the date of issue. Policies issued since Jan. 1, 1946, may be carried for five years or converted to a permanent plan of insurance.

Lump sum payments of the proceeds of the policies may now

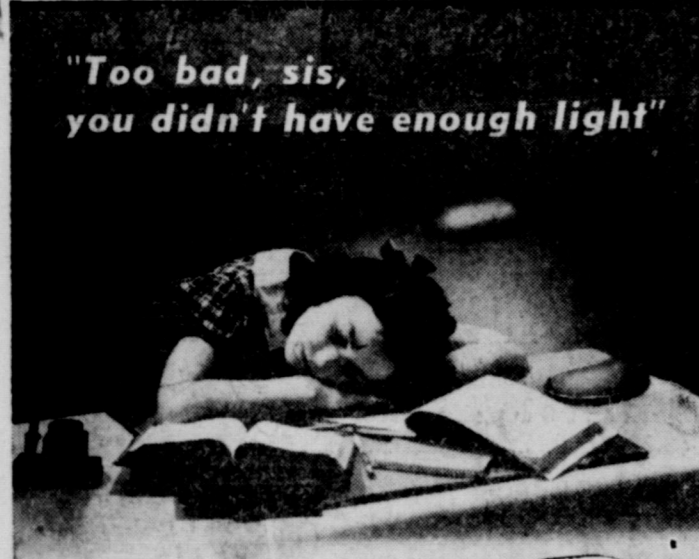

be designated. The veteran may name any person, persons, a corporation or his estate as beneficiary.

By payment of an extra premium, a veteran is able to add an income disability rider to a policy already in force. This provision pays \$5 a month for each \$1,000 of insurance and does not affect the face value of the policy. A medical examination is necessary to add this feature to a policy.

Veterans desiring to reinstate or convert their insurance are urged to see Mr. Modisett when he comes to Ranger each Saturday morning from 9:00 a. m. until 12:00 noon in the Post Office, on Itinerant Service.

EYESIGHT IS PRICELESS LIGHT IS CHEAP!

School studies are hard enough without making the job more difficult by a lack of proper light. Headaches, drowsiness and inability to concentrate are often caused by poor light, which may be the real reason for poor work at school.

- Look for these points when buying lamps for EASIER READING
1. Wide shade to spread the light over a large area.
 2. Diffusing bowl to prevent glare.
 3. At least a 150-watt bulb or a 100-200-300 watt triflite bulb.

Check the lighting your child uses for reading or studying. Be sure to provide a good light that will make seeing easier and safeguard precious eyesight.

MORE RURAL TELEPHONES in 1947

Last year we made a record by installing 16 thousand new telephones on farms! Over four times our best previous year's record! And that does not include nearly 10,000 other telephones installed in rural areas. Shortages of material kept us from doing more.

In 1947 we look forward to an even better record. We are going to try to make it possible, eventually, for every farmer in every one of the Southwestern Bell's 700 exchanges to have a telephone if he wants one. This year, again, we'll work as hard as we can toward that goal.

First IN CAR PRODUCTION... First IN TRUCK PRODUCTION
First IN COMBINED CAR AND TRUCK PRODUCTION!

AGAIN at the close of 1946—when America's need for new motor cars and trucks is most urgent—the Chevrolet Motor Division of General Motors leads all other manufacturers in automotive production. This means that Chevrolet is first in passenger car production—first in truck production—first in combined passenger car and truck production... despite the fact that all Chevrolet plants were closed completely during the first three months of 1946! Naturally, Chevrolet hopes to be able to build more and more of these fine products which

America is buying so eagerly—the only motor car giving BIG-CAR QUALITY AT LOWEST COST—the only truck giving BIG-TRUCK QUALITY AT LOWEST COST—the complete Chevrolet line which stands out as the lowest-priced line in its field! One word of caution about deliveries: There still aren't enough new Chevrolets to go around, but obviously you'll get quicker delivery by purchasing the product of America's largest builder of cars and trucks, and you'll get higher quality by purchasing the product America likes best—Chevrolet!

Remember... LARGEST PRODUCTION means QUICKEST DELIVERY of your new car. Place and keep your order with us for a new Chevrolet and get biggest value as well as earliest possible delivery!

NEW REHABILITATION PROGRAM IS ANNOUNCED

Seven thousand severely disabled North Texas veterans will be aided by a special rehabilitation program initiated Jan. 20 by the Veterans Administration in its Dallas Regional Office.

A rehabilitation board, composed initially of five members, will attempt to match the physical conditions, skills and interests of handicapped veterans with job training opportunities. The program calls for advisement and training of blind and deafened veterans, men and who have lost their limbs or who have suffered paralysis, and veterans with disabilities from heart conditions, tuberculosis or nervous disorders.

The board's appointment was announced by Robert C. Rice, regional manager. Rice said vocational advisors, training officers, physicians and other specialists in the handicapped field would attempt first to stimulate the veteran to consider his future. Then steps will be taken to help him solve his particular problem.

Any severely handicapped veteran in the 51 counties in the Dallas Region who applies for advisement and training will be brought to the Dallas Regional Office at government expense. Consultants, said the manager, will work with the veteran, determine his capabilities and present the types of training most suited. Applications from veterans in Ranger will be taken by Mr. A. D. Modisett, Contact Rep. when he comes to Ranger each Saturday from 9:00 until 12:00 on Itinerant Service.

"When we have found a field in which we believe the veteran can be rehabilitated," Rice explained, "training officers dealing with the placement problem will stress this man's abilities rather than his disabilities. If our board has matched the veteran's ability and attitude with the job requirements, the veteran will not be handicapped. His chances for success are very good."

In cases where the medical consultant finds training should not immediately be attempted, the board will recommend such physical, mental or social therapy as it feels the particular veteran needs.

When a man has been selected for training, VA will be especially careful not to place him in an environment which would aggravate his disability or tax his physical or mental condition.

Ranger Boy Has Entry In Fat Stock Show

FORT WORTH, Jan. 20 — Bob McMinn of Ranger has entered a baby beef in the boy's livestock division of the Southwestern Exposition and Fat Stock Show, Edgar Deen, general manager, announced today.

These youthful exhibitors are not handicapped by their age in competing against their elders in the Fort Worth show. Last year the coveted grand champion steer award was won by a 15 year-old 4-H Club youth of Hymen, Texas, Stuart Henderson.

The World Championship Rodeo managed and directed by Everett Colborn of Dublin, will open the exposition Wednesday night March 5 and sifting and judging of cattle will begin the following day.

In the Will Rogers Memorial Auditorium a New York variety show, Broadway Revels, will run for the duration of the Fat Stock Show, March 5-16.

Dependents Of Deceased Vets May Draw Pay

February 10, 1947 is a date that should not be overlooked by the families of World War II veterans who have died after receiving their discharges.

The 1946 amendments to the Social Security Act provide that payments may be made to the survivors of certain World War II veterans.

In any case where a World War II veteran died after receiving his discharge, and the family has not contacted the Social Security Administration since October 1, 1946, an inquiry should be made as soon as possible. If monthly benefits are due these payments can be made retroactive to the date of the veteran's death, if applications are filed by February 10, 1947. Payments may be made on applications filed after February 10, 1947 but can be retroactive for not more than 3 months. For more detailed information about the veteran's amendment, interested parties should visit or write the nearest Social Security Administration Field Office. The Abilene office is located at 205 Alexander Building, Abilene, Texas.

Paratrooper From Ranger In Sapporo, Japan

WITH THE EIGHTH ARMY IN SAPPORO, Japan (Delayed) — Pfc. Leon Goswick, 19 year old paratrooper from Ranger, Texas has recently joined H. Company, 187th G.I. Inf. Regt. 11th Airborne Division, which is located in Sapporo, Hokkaido, Japan.

Pfc. Goswick entered the Army at Ft. Sam Houston, Texas on Nov. 27, 1945 and took his basic training at Camp Robinson, Arkansas. Upon the completion of his basic training Leon undertook paratrooper training at Ft. Benning, Ga. and graduated from there in July 1946. Arriving in Japan on the 11th of September, he was assigned to his present organization and is now undertaking his duties in the occupation of Japan.

Leon is the son of Mrs. Fred Goswick, who resides at Route 3 in Ranger, Texas. Upon the completion of his duties in Japan, Goswick plans to return to Almedo, Westbrook High School.

Sulfa Not Sub For Surgery, He Says

CLEVELAND (UP)—War experience "completely unseated the dangerous teachings that wounds could be salted down with sulfa drugs as an alternate to prompt surgical treatment," according to Dr. Edward D. Churchill, professor of surgery at Harvard University.

Dr. Churchill made his statement at a meeting here of the American College of Surgeons. The doctor, however, said penicillin and at times sulphadiazene were administered systematically to control feared or established infection.

During 1946, approximately 11-486,000 persons were employed as farmers in the United States.
