

Bull Town Bulletins By Bill Ellis

TRUE TO FORM, the Iranians played the hostage situation to the hilt, and "milked" the situation for all the political slants that they possibly could.

The extra delay which was placed upon the hostage release on Monday could only have been political in nature.

Whether the Iranians decided to hold the hostages an extra day to deprive Jimmy Carter of going to greet the group in person as his final act as president, or whether they did it, as some have theorized, to bind President Ronald Reagan to the hostage release terms, is hard to say.

But to think that the extra delay was caused just because arrangements had not been made with the Bank of England, to establish the escrow account, is a little bit hard to swallow.

Some thought that an "appendix" to the banking agreement, which Iran termed "fine print," according to one commentator, might have been the cause for the stall. Others said that the Iranians were balking, haggling over the amount of interest which would be involved in the escrow account, once the money was deposited to their account.

Whatever the reason or reasons for the delay, it has been a harrowing experience and time for the families of the hostages, who have been stretched literally to the breaking point by the events of recent days.

It has been bad enough for the average American, who has been following the progress of the situation, and hoping for an early release, to see the various delays; so you can imagine what a personal disappointment the delays caused the members of the families of the hostages.

HOPEFULLY, THE NEW administration headed by Ronald Reagan will present a new "tough" front to the nations abroad, making our image overseas different to what it has been.

The new president inherits perhaps more problems than any other president, due to such things as the economy, the energy problem, foreign affairs, etc., etc.

It behooves all Americans to dig in and do all they can to support the Administration, and hopefully pull the country back to a position of strength, both fiscally and physically.

The first speeding ticket was issued in 1902 to T.H. Shevlin of Minnesota, who was the first of the hot rodders. He was fined ten dollars for going over ten mph.

Committeemen Named For Water District

Complete but unofficial returns from the High Plains Underground Water Conservation District No. 1 election held Saturday, January 17, show that Wendol Christian, Ronald Elliott and John R. Cook have been elected as County Committeemen from Parmer County.

The three men will serve four-year terms on the committee that represents Parmer County residents at water district meetings and activities.

They will join Floyd Reeve of Friona and Ralph Roming of Bovina on the five-member committee which handles approval of water well drilling permits and other related activities in Parmer County.

Also elected Saturday was A.W. "Webb" Gober of Farwell to the District Board of Directors from Director's Precinct Three which consists of Bailey, Castro and Parmer Counties.

Anti-MX Group Is Organized In County

A public meeting of area citizens last Tuesday night in Friona resulted in the formation of a group calling itself Friona MX Action.

Don Fortenberry, a local farmer, was named coordinator of the group. Fortenberry explained that the organization will function mainly to collect and dispense information regarding the proposed deployment

of the MX missile system in this area.

Speaking to the group was Bill Crawford of the Austin branch of the American Friends Service Committee, a Quaker organization. Crawford is on a week-long tour of the area, and Friona was the first of several meetings he hopes to hold between Portales and Dalhart.

Crawford pointed out that the most urgent business, for those who oppose the MX, is to write letters calling attention to the deficiencies and oversights in the Draft Environmental Impact Statement prepared by the Air Force. He stated that the 90-day period for public comment on the DEIS expires April 2.

Friona Mayor B.K. Buske told the group that he had received a copy of the multi-volume DEIS that day, and that it would be available for public perusal at his office at Tri-County Savings and Loan Association.

Crawford stated that of 36 issues considered in the DEIS, 27 favored deployment of the missile system in Texas-New Mexico, as opposed to Utah-Nevada. He said that Nevada-Utah opponents of the MX have been busy for months consolidating their defense, and that the Mormon Church is considering taking a stance against the system. For these reasons, Crawford felt that Texas and New Mexico are still very viable prospects to receive the missiles. Full deployment here would entail the relocation of 1,400 families, of which 225 would be in Parmer County.

Persons desiring to join Friona MX Action or to be on its mailing list should contact Don Fortenberry, Rt. 2, Friona.

LAURA ELLIS

Laura Ellis Crowned HEB Pageant Winner

Laura Ellis of Friona was crowned Miss Hurst-Eules-Bedford last week in a pageant at Eules, Texas.

The pageant, which provided \$4,000 in scholarships and wardrobe, also qualified the winner for the 1981 Miss Texas Pageant, to be held this summer in Fort Worth.

Laura, the daughter of Blade publisher and Mrs. Bill Ellis, performed a classical ballet dance for the talent portion of the pageant. Entrants were also judged in formal wear, swimming suits and in an interview session.

Judges scores indicated that Laura had the most points of any of the 22 contestants in the interview portion of the contest, and was second-highest in the talent competition.

Three of the top five finalists in the competition were former pageant winners with Miss Texas Pageant

experience, including the reigning Miss Fort Worth.

The new Miss H-E-B served as Friona's Maize Queen for 1978-79, and held the Miss Tri-County (Muleshoe) title in 1979-80.

In six pageant appearances, Laura has won three crowns, been second runnerup another time, and chosen in the top ten in the other two.

A graduate of Friona High School, Laura attended West Texas State University for a year. She spent a summer as a dancer in the "Texas" production at Palo Duro Canyon, and worked this past summer and fall as a dancer in the Southern Palace Show at Six Flags Over Texas.

She also appeared in "Nutcracker" and "Stars Over Palo Duro Canyon" as a member of Lone Star Ballet Troupe.

She is currently studying ballet with the Dallas Ballet Center.

TOP GROWERS....Three area farmers were recognized as the top sugar beet growers at the Texas-New Mexico Sugar Beet Growers Association Annual

Banquet in Hereford Saturday night. Right to left, D.S. Bailey was top grower with 10,032 pounds of sugar per acre; Troy Christian was second with 9,669,

and Doug Carpenter came in third with 9,199 pounds of sugar per acre.

(Photo By Julia Moody)

Acreage Factor Terminated

The number of acres planted to program crops will not be an eligibility factor under the 1981 wheat, feed grains and cotton program, and any farm may participate in the program regardless of the number of acres of program crops planted on the farm, according to Prentice Mills, County Executive Director for Parmer County ASCS.

"It was announced earlier that a participating farm would be restricted to an acreage of program crops no larger than the farm's assigned Normal Crop Acreage (NCA)," said Mills who added, "This is not true now. There is no limitation on the acreage of program crops that may be planted on a participating farm."

Mills stated that all a person is

required to do to participate in the program is to measure his acreages very carefully, report these acreages to the ASCS office and to sign an application for program benefits.

The ASCS director listed program benefits as: The Disaster Program "which is the same as it was in 1980." The loan program, "to be basically the same as it was in 1980 with the reserve program being available with interest-free loans," he said.

"Also, if the market should dip low enough, there will be a deficiency payment on applicable crops," Mills stated.

According to Mills, a farm's 1981 plantings will have no bearing on the NCA established for the farm in future years. "As far as is known at this time, there will be no voluntary set-aside acreage offered in 1981."

Target prices for 1981 were listed by Mills as feed grains, they will be at least-corn: \$2.35 bu.; grain sorghum: \$4.46 cwt.; barley: \$2.55 bu.; wheat: no less than \$3.81 bu.; cotton: somewhere between 68.5 and 75.5 cents per pound.

"Producers should encounter no problem in participating in the 1981 farm program," Mills remarked. "However," he said, "all are invited to contact their local ASCS office with any question they may have concerning the program."

BLOCKED....Lisa Shepherd's shot is blocked from behind by a Springlake-Earth player in the second district game for the

Fillies. S-E won the game, 45-44.

Commissioner's Court Adds New Dispatcher

County treasurer Benna Felts presented the quarterly report of county accounts at the regular meeting of the Parmer County Commissioners on Monday, January 12.

Mrs. Felts also suggested that \$25,000 of General Fund money be invested in a certificate of deposit to mature March 31. A motion was passed to this effect.

Sheriff Bill Morgan met with the court to explain the new organization of his office, and to request an additional dispatcher for more efficient operation. After much discussion, it was voted to amend the county budget by \$6,300 to allow for the additional dispatcher.

A motion was passed to grant right-of-way easements on county roads for a proposed City of Friona water line.

Motion was approved to adopt the salaries for county officials, which included a 15 per cent pay increase.

A motion passed to adopt the holiday schedule for 1981. This

allows county holidays for the year on New Year's Day, Good Friday, Memorial Day, Labor Day, Veterans Day, Thanksgiving and Christmas.

The 1981 terms of court were set. After discussing the county's four volunteer fire departments, a motion was passed authorizing the county to pay each of the departments \$3,500 to compensate them for calls made to the rural areas of the county.

A boarding bill for Dora Fields, county foster child, for \$186, was approved.

Judge Porter Roberts had been contacted about the possibility of having a juvenile probation officer in conjunction with Bailey County. Motion was passed to seek this cooperative officer.

Soil conservation work approved and amounts, included: Hollis Horton, \$50; R.J. Renner, Jr., \$67.50; Glendon Sudderth, \$6.25; Morris Wallace, \$87.50; Gregg Wilson, \$75; Gerald Norton, \$650; and Henry Haseloff, \$62.50.

NEW SIGN....A new blue sign was placed adjacent to the Bovina Medical Clinic this week, just off the highway, giving

passersby notice of the clinic's location. Three doctors from Parmer County Community Hospital are keeping office

hours at the clinic from 1:30-5 p.m. Mondays, Wednesdays and Fridays.

REFLECTIONS From The Blade

25 YEARS AGO--JAN. 21, 1976

A Bovina duet, Betty Hawkins and Dal Hartsell, sang their way to top honors at the Parmer County March of Dimes Talent Show Thursday night at the Friona High School auditorium. The pair had known each other less than a week when they walked off the stage as first place winners. The prize-winning song they sang was "Abba Daba Honeymoon."

In a special called meeting, the Bovina Chapter of the Future Homemakers of America elected Dickie Steelman as 1976 FHA Prince Charming. Janie Alverson presided during the meeting.

Mr. and Mrs. Tom Caldwell and Mr. and Mrs. Vic Coats of Wichita, Kansas left Bovina Saturday morning for a two-week vacation in Mexico. They will visit Mexico City and other spots of interest in that country.

Bovina High School band has received a new baritone saxophone to add to their growing instrumentation.

20 YEARS AGO--JAN. 18, 1961

By Sunday, Baptist Mexican Mission here will have a new meeting place. A building has been moved onto lots on First Street which will serve as a church for the membership, Rev. John Ferguson, pastor of First Baptist Church, announces.

Football letter jackets were awarded 19 Bovina Mustangs, including two managers, during an assembly last week at school.

Mr. and Mrs. John Dixon and family were honored with a surprise housewarming in their home Friday evening.

There is a possibility of a contracted bean and blackeyed pea growing program for this area. A vegetable shipping firm in the Rio Grande Valley is interested in acreage to be planted to pinto beans, California pink kidney beans and blackeyed peas.

15 YEARS AGO--JAN. 21, 1966

Indicating little interest, Bovina voters favored the city's \$100,000 bond election by a large majority in Saturday's balloting. Only 111 voters marked ballots in the election which

will provide funds for increased city water storage and improvements for the present system, a paving program and for refinancing of major city facilities and equipment.

Donny Anderson, Texas Tech's two-time All-American halfback, will be guest speaker at the annual Bovina Mustang football banquet. The social event, which will honor the 1965 District 1-B co-champion squad members, will be Friday, February 18.

Larry Mitchell, Bovina FFA member, showed his lightweight barrow to the championship of the Poland China class at the National Western Livestock Show in Denver last weekend. He also had barrows to place second and fourth in the lightweight class. Alan Carson showed his Shorthorn heifer to third place in summer yearling class. Danny Kent's heavyweight crossbred barrow placed third. Danny Stanberry's lightweight Southdown lamb, shown by Raymond Drager, placed sixth. More than 18,000 animals from 35 states were entered in the show.

A total of 1010 cars of sugar beets, with approximately 55 tons to the car, were shipped from Bovina to Holly Sugar Mill at Hereford during the recently completed harvest. This compares with 696 car loads in 1964.

10 YEARS AGO--JAN. 20, 1971

Some 21 incidents of petty theft and breaking and entering in Bovina were cleared up last week with the arrest of three juveniles and one adult.

An official Texas Historical Marker for Patrolman Hill will be erected Friday, Hugh Moseley, chairman of the Parmer County Historical Survey committee, announced.

Foundations for eight additional houses in Bovina's Eastview Addition have been poured. The houses are to be moved here from Midland with the first two of the additional eight scheduled to arrive this week. These houses will make a total of 34 in the new addition.

Curtis Monk was interviewed by a film crew from Dallas last week.

Crews were filming average Americans giving their opinions on the American way of life which will be used in the ABC-TV program, National Polling Day--What Americans Think." Another resident of Bovina, Roy Dodson, was also interviewed.

Bovina faculty teams defeated teams from KGNC-TV Saturday night in Williford Gymnasium.

5 YEARS AGO--JAN. 21, 1976

Bovina's Young Homemakers was one of two area chapters to be honored at the 14th annual Convention of Young Homemakers--Young Farmers this past weekend at the Marriott Motor Hotel in Houston.

The Oklahoma Lane United Methodist Church will observe its 50th anniversary Sunday with a special program and luncheon on the schedule.

REC Names Nominees For Board

The Nominating Committee of Deaf Smith Electric Cooperative met January 6 in the REC Headquarters Building in Hereford and selected two members to run for two places on the Cooperative's Board of Directors.

Selected to represent Deaf Smith County are incumbent Eldred Brown and Jerome Friemel of the Hereford area. Also selected were incumbent Raymond Annen and Edd Rameker from the Nazareth area to represent Castro County.

The Committee also encourages nominations from the floor at the 1981 Annual Membership Meeting, March 7, 1981 in the Hereford Bull Barn. Comprising this year's Committee are D.L. Carmichael, Friona; Argen Draper, Hereford; Clint Homfeld, Vega; Rex Lust, Dimmitt; Clarence Martin, Friona; Dickie Mason, Hereford; and Elmer Schulte, Nazareth.

NOMINATED....Nominations for director positions for Deaf Smith REC's board were made this week by the nominating committee: (standing) Rex

Lust, Dimmitt; Clarence Martin, Friona; Dickie Mason, Hereford and Elmer Schulte, Nazareth; and (seated) Clint

Hereford and D.L. Carmichael, Friona. The REC's annual meeting will be held on March 7.

Clayton Wins 4th Term As Speaker

State representative Bill Clayton, in a miraculous recovery from last year's "Brilab" charges, won an unprecedented fourth term this week as speaker of the Texas House of Representatives.

Clayton's re-election was the highlight of the opening day of the 67th Legislature. Rep. John Bryant, who had challenged Clayton, withdrew his name from the race after nomination.

Despite the withdrawal, the House voted on the speaker's race, and 120 of the members favored Clayton, 21 voted "no," and five cast a "present" vote.

"I have stood three times before you in this spot, but the honor you bestow on me today is truly gratifying. Miraculous as it appears, let me assure you it carries with it a

humbling effect, for only by God's grace could I be a participant in this special occasion," Clayton said in his remarks.

The Springlake legislator has served in the house since 1962, and has maintained a strong interest in water resources, vital to his region.

Clayton suffered a heart attack in 1968 at age 39, but recovered to become one of the most respected House Speakers in the state's history. His friends and colleagues refused to believe he was guilty of the 1980 bribery charges.

His friends around Springlake also rallied to his defense. "His word is good as gold. If Billy Clayton says tomorrow is Easter, then you better start looking for the Easter bunny," stated one of his neighbors.

Letter To Editor

Dear Bill:

After two years of holding hearings in Nevada and Utah, and meeting with resistance from the populace, the Air Force is apparently trying, with a few weeks of subterfuge, to place the M-X Missile system in the middle of one of the most productive agricultural areas in the world. And this at a time of

increasing food shortages.

This is the height of folly from three standpoints: (1) It side-tracks our defense spending from building a credible defense during the next two crucial years. It is 1981 and 1982 that present the greatest threat of a Russian attack, both on the mid-East, and a pre-emptive strike on us. Placing the M-X on submarines, as has been suggested by knowledgeable people, is obviously the way to improve our defense, and in time. (2) It will help destroy our economy at a time we desperately need the balance of payments provided by agriculture, thus further weakening our defense posture and our productive capacity at the same time. (3) It is environmental rape at its worst.

What do the citizens of this area, Eastern New Mexico and West Texas intend to do about it? All of the community groups, and thousands of other citizens are going to fight it at every level of our court system and in every conceivable legal manner. So long as this is a free nation, and it is becoming quite apparent that we cannot take this for granted, we do not, under any circumstances, intend to allow the placement of this system in our area. Please convey this, loud and clear, to all those in authority. It will save one of the bloodiest domestic battles in the history of this nation, with the accompanying waste of time and energy on all sides.

Reagan stated in his campaign that he wanted to take government off the backs of the people. This farce, fraud and boondoggle is hardly in line with that promise.

We have the right, as American citizens, to require the Air Force to spend two years in hearings here, just as they did in Nevada and Utah, and the coalition of national wheat, corn and grain sorghum growers will be hiring the best attorneys we can find to see that they do. We are not to be taken lightly, or considered as of no importance so long as we have any rights as citizens of the United States.

ANGELA REYES

Vocational Classes Set

Hereford Independent School District will be offering several adult vocational classes beginning January 19-24. Classes will be held at the High School and will be scheduled for Tuesday nights.

Classes include: bookkeeping, conversational Spanish, intermediate typing and a beginning typing class.

An income tax class is scheduled between the hours of 8 a.m. and noon, beginning January 24 and will continue each Saturday until completed.

A minimum of twelve people will need to register in order for a class to continue to be offered. There will be a fee for each class to cover the cost of instructional materials. Registration will be held at the first class meeting.

For more information or to register contact Kenneth Helms, 364-5112 in Hereford.

Layette Shower Set Jan. 31

Lisa Spears and daughter Sarah Ellen will be feted with a layette shower, Saturday, January 31, from 3-5 p.m. in the home of Kathy Boozer, 700 Dimmitt Road.

Hostesses are Kathy Boozer, Tammy Willard, Donna Grissom, Toni Barrett, Darlene Caldwell, Nancy Rundell, April Gober and Kay Venable.

Also, Gay Horn, Jean Morgan, Trish Sherrill, Sheila Carson, Reba Bonds, Lou Nuttall and Martha Stewart.

Bovina FFA News

By BRET WHITTEN
Reporter

Angela Reyes is fourteen years old and is the daughter of Sandy Reyes. Mamie Pounds is her great-grandmother. Angela was born in Glendale, California and just moved to Bovina last July from Phoenix, Arizona. She said Bovina is certainly different from the big city, but she likes to live here.

This is Angela's first year in FFA. She really enjoys being around animals. She won the Creed Contest this year. Her hobbies are riding horses and roller skating.

Angela is shown in the picture laughing as "Boss Hog" scratches.

The Amarillo Stock Show will be held this week. Those taking lambs to this show are: Tim and Doyle Garner, Kenny Carrell, Mark Clayton, Mark Teague, Eloy Flores, Charles Falkenberg and Bret Whitten. Bret will also enter his Chiangus heifer in the show.

For those interested, the schedule for Bovina FFA members is:

Tuesday, January 20
8:00 a.m. to 6 p.m.-Arrival of steers, lambs and barrows.

Wednesday, January 21
8:30 a.m.-Weigh and classify lambs.

Thursday, January 22
8:00 a.m.-lamb judging.
12:00 noon-Deadline for arrival of heifers.

Saturday, January 24
9:00 a.m.-Heifer judging.
1:00 p.m.-4-H and FFA Livestock Auction Sale.

Check Cottonseed For Fatty Acid

Cotton farmers who are planning on saving seed from their 1980 crop should be sure it is high in germination and low in free fatty acid.

"Most farmers check germination closely but may not be aware of the importance of the free fatty acid content," Dr. James Supak, area cotton agronomist for the Texas Agricultural Extension Service, said.

"Free fatty acid is a by-product of seed deterioration so its content in seed should not be more than one per cent," Supak cautioned. Seed exposed to long periods of wet weather prior to harvesting or subjected to poor storage after harvesting will generally have a high acid content, indicating considerable seed deterioration, the Extension Service specialist noted.

The acid content of cottonseed may be especially important on the portion of the crop that was drought stressed and was still in the fields or in modules during the snow and rain this fall, explained Supak.

Cottonseed delinting plants commonly use the one-per cent level of free fatty acid as the breaking point in saving or rejecting seed for planting purposes, he said.

"Seed with a high acid content often shows a high germination test, initially, but these seed will deteriorate rapidly in storage and

germination will drop," explained the cotton specialist. "Of course, a low acid content does not insure top quality seed. Immature seed may be low in free fatty acid content."

Supak advised producers against saving cottonseed for planting that has 1.5 per cent or more free fatty acid. Seed delinting companies can assist producers in obtaining an acid test on their planting seed, he noted. Numerous laboratories in the state also are equipped to check the acid content of cottonseed, the specialist said.

"Have your seed tested and if the free fatty acid is not a serious problem, store in a dry location," Supak recommended. "The use of high quality planting seed is very important in getting a crop up to a good, vigorously growing stand."

Food For Thought

By GERALD McCATHERN

As I contemplated the year past and thought on the year to come, I could not help but reflect on the many blessings enjoyed by those of us fortunate enough to live in this "land of the free and home of the brave."

Comfortable homes, automobiles, schools and school teachers; laughing children, Coca Cola, churches and preachers; friendly police, television, books and newspapers; electricity, trains, shopping malls and neighbors.

But most of all I thought about how fortunate we are to have food, and such an abundant supply. As we shopped for our Christmas turkey and other trimmings in a grocery store so large it covered an entire city block, I marveled at the quantity and quality of the food under that one roof! And in the middle of winter!

There were fresh tomatoes, egg plant and oranges from Florida; lettuce, strawberries and lemons from California; cucumbers, carrots and grapefruit from the Rio Grande Valley of Texas; Arizona onions, Idaho potatoes, and Washington apples.

The meat counters were overflowing with every kind of beef: hamburger, steaks, ribs, and roasts. There was bacon, sausage and hams galore. Chickens and turkeys, boned and boneless; milk, eggs, cheese, breads, cereals, beans, corn, cakes, pies and pizzas. Anything your heart (or stomach) could desire was available in apparently unending quantities.

You could buy it cooked, uncooked, or semi-cooked; individually wrapped, sliced, frozen

Scooter's Scoops

By Scooter Russell

Bovina residents awoke Sunday morning to see the ground covered with snow. Not much moisture but a reminder that winter is only half over.

It's a busy week in the Washington D.C. area with the inauguration of our fortieth president.

Hopefully by the time you get your paper the hostages will be free. It's been an anxious week all over the world. Let's remember to continue our prayers for these people and their families.

NEWS AROUND TOWN....

We received a letter this week from Russell Rice of New Buffalo, Michigan. Many of you remember he and his wife Marguerite, who were

or unfrozen.

There were no waiting lines, no ration coupons, or no limits on quantity. I noticed that the less fortunate, by the use of food stamps, were able to purchase the same cuts of meat, milk, fruit and vegetables as the affluent could purchase with cash.

I could not help but think about the food lines now prevalent in Poland and the hungry children in Cambodia; the rice diet eaten by much of Asia and the starving masses in Ethiopia. And I said, "Thank you Lord."

I remembered gasoline lines at service stations and I prayed, "Lord, help us if we ever have food lines."

Then I remembered angry farmers in Washington the past three years, tractors on streets instead of in the fields. And wondered if this "horn of plenty" was in jeopardy. I remembered seeing a gray-haired farmer on television and hearing him say, "If the American people do not come to their senses and help the farmers receive a fair price for their products, this nation will surely see a shortage of food!"

And so once again I prayed, "Thank you Lord, not only for our bountiful blessings, but thank you for farmers who have fed us so well. Thank you for their ability to feed this nation and half the world. Please keep us from being so selfish that we would deny them a fair profit in return for this great service to us. God, please bless this nation and may all its people enjoy a happy and prosperous New Year."

here last January. He said it was their last trip to the Southwest that he and his wife spent together. She passed away August 15. He spoke of how he and his wife loved Bovina people and he sends his love and best wishes for a wonderful happy new year for all of us.

The Senior Citizens will be meeting Wednesday, January 28 at 11:30 a.m. at the center for their regular luncheon. You are invited to come and bring a friend.

Visiting last Wednesday night in the home of Pearl Moore of Clovis and formerly of Bovina, were Doris and Ruby Wilson and Julia Leake. Pearl said the ladies enjoyed talking over old times and a good visit together.

Wayne Spears entered the West Plains Hospital in Muleshoe last week for tests and Tuesday of this week he was transferred to a Lubbock hospital for more tests.

C.E. and Joy Trimble and son Charlie spent the weekend with their children, Ben and Christie McCain of Oklahoma City.

Charlie Eubanks enjoyed a weekend with her children in Crossroads, New Mexico. She visited with her son and daughter-in-law and children, Ben, Owassa, Edward, Charles and also with her granddaughter Deanna and her husband and daughter Christina who were home on leave and are stationed at Ft. Hood. Charlie drove to Crossroads last Friday and came back Monday. She said they received four inches of snow while she was there.

Belle Willard and grandson Carl spent Christmas in Bakersfield, California visiting Belle's son David, her daughter-in-law Caroline and

their sons Michael and Jeffrey. She said they had a wonderful time and the weather was nice all the time they were there.

Carl's parents, Vernon and Frances Willard, spent Christmas vacationing for a few days in Hawaii and we understand they had a great time there.

Ernestine Minter had lots of company over the weekend: her mother, Mrs. E.E. Sell of Littlefield, her daughter Sandi and her fiancé Ken Schlaut of San Angelo, his mother, Janelle and sister Valerie, also of San Angelo.

We understand John Kelley, son of Kay and Glenn Kelley of Pleasant Hill, was one of the lucky ones to attend the presidential inauguration this week in Washington, D.C. Several youngsters from this area went to Albuquerque, New Mexico, and from there flew to Washington, D.C.

We will have something in next week's Scoops about their trip.

Julia Moody's cousin Marilyn Neighbors of Childress was a guest in her home over the weekend. While here the ladies attended a banquet sponsored by the Texas-New Mexico Sugar Beet Association Saturday night and was held at the Bull Barn in Hereford.

Keli, daughter of Larry and Donna Mitchell, entered the hospital in Muleshoe last Sunday and was released Monday. Donna said her eye was fine after the surgery she underwent a couple of weeks ago.

Esther and Joe Steelman have been enjoying a visit with Esther's sister Delilah Mejia of San Antonio. She came Monday and will be with the Steelmans all week before returning home.

We understand this is a good one and would like to share it with you....It is a recipe for Arkansas biscuits: Mix one package dry yeast, one cup warm water and add: 1 teaspoon salt, ¼ teaspoon soda, ¼ cup sugar, 4 teaspoons baking powder, ¾ cup oil, 2 cups buttermilk and beat in 6 cups flour.

To bake: Pinch or spoon off amount about size of egg. Put in oiled pan or muffin tin. Put in 200 degree oven for 15 minutes to rise. Increase oven heat to 400 degrees and bake 15 minutes or until browned. When mix is first made let set overnight. It will be sticky, but DO NOT add more flour. Dough will keep two weeks in refrigerator.

Have a great week and thank you for helping with the Scoops....Scooter.

Three Listed On Honor Rolls

A total of 377 students from South Plains College have been named to the combined President and Dean's Honor Lists for the 1980 fall semester.

To be eligible for the Dean's List, students must maintain a minimum 3.25 grade point average (out of a possible 4.0).

A total of 157 persons were named to the President's Honor List for maintaining a perfect 4.0 GPA. A minimum of 12 semester hours is required for both lists, according to SPC academic dean Nathan Tubbs.

Honor students represent SPC's three campuses--Levelland, Lubbock, Plainview and at Reese Air Force Base, where classes are offered through SPC's Continuing Education Division.

Honor students from Bovina are Susan Smith, 4.0; Geneva Johnston, 4.0; and Arlene Smith.

LAND & EQUIPMENT SALE

SAT., JANUARY 24, 1981 - 10:00 A.M. CST

LOCATED: In Friona, Texas On Highway 60 East
ADAMS DRILLING COMPANY 247-2731

DRILLING RIG

1952 Diamond truck w/73' mast, 2534 Ford power units, double drum draw works, 5' x 6' mission mud pump, 12" Brewster table, 420' of 6.5" drill stem, 1" 8"x30" drill collar, 1.6 5/8"x30" drill collar, 1.6"x42" Square Kelley w/king swivel (This rig is in good condition and ready to use.)

BAILING RIG

1959 IHC truck w/450 motor, 43' mast, 534 Ford power unit, Dodge air clutch on bailing line

PUMP TRUCKS

- 1968 Chev. C 60 truck on butane w/30" A-frame mast, 292 Chev. power unit, double drum draw works.
- 1967 Ford F-600 truck w/30" A-frame mast, 292 Chev. power unit, double drum draw works.
- 1974 Chev. 1 ton truck with hydraulic mast for pulling light pumps.

TRUCKS-TRAILERS-PICKUPS

- 1959 Ford 600 tractor w/534 V-8, 5 sp & 2 sp. air, PS, 10.00x20 rubber.
- 1959 IHC tractor w/401 GMC motor, 11.00x20 rubber, 4500 gal tandem axle water trailer, transfer pump.
- 1968 Chev. C-65 tractor w/366 V-8, 5 sp & 2 sp. air.
- 1959 Ford F-600 tractor on LP w/292 V-8, 4 sp & 2 sp, tag axle, 9.00x20 rubber.
- 1962 L190 IHC tractor w/401 GMC motor, 5 sp w/3 sp brown lite (for salvage).
- 1969 Ford F600 w/391 V-8, 5 sp & 2 sp, tandem axle, American 24' metal bed.
- 1963 Chev. 60 truck w/4 sp & 2 sp, 8.24x20 rubber.
- 1961 Chev. 60 truck w/4 sp & 2 sp, 8.25x20 rubber, 16" Hobbs bed.
- 1977 Ford F350 truck w/400 V-8, 4 sp, PS, PB, American 9' flat bed, rolling chain hoist frame, on butane.
- 1975 Chev. 30 Custom deluxe truck w/350 V-8, 4 sp, PS, PB, American 9' flat bed, rolling chain hoist frame.
- 1971 Ford F350 truck w/352 V-8, 4 sp, American 9' flat bed, rolling chain hoist frame, (on LP).
- 1970 Ford F250 pickup w/360 V-8, 4 sp, rolling chain hoist frame.
- 1978 Ford F150 Explorer pickup w/400 V-8, automatic, PS, PB, AC, comb gas and butane system, new rubber.
- 1977 Ford F150 w/460 V-8, automatic, PS, PB, AC, on butane.

SHOP EQUIPMENT & TOOLS

- 1964 Colchester Clausing lathe w/17" swing, 8' bed, 1.3 jaw chuck, 1.4 jaw chuck, tailstock, 2 steady rests, 1 follow rest.
- South Bend Precision Lathe w/24" swing, 10' bed, 1.3 jaw chuck, 1.4 jaw chuck, tailstock, 2 steady rests, 1 follow rest.
- Brown & Sharp milling machine w/40" table.
- Johnson Model J band saw.
- 60 Ton hyd. press w/ Enerpac electric hyd. pump.
- Powermatic variable speed model 1150 drill press w/1/2 HP motor, tapered spindle.
- Heinrich drill press vice.
- Dayton double arbor grinder on stand w/1/2 HP motor.
- 1/2 HP double arbor grinder on stand.
- Famco 4R Arbor press.
- Hobart 250 amp portable welders, on 2 wheel trailers with leads.
- 5" Vice w/pipe jaws.
- Speedaire portable air compressor w/gas motor.
- Victor Actylene rig complete (like new).
- Linde CM 75 Cadet automatic perforator.
- SM gear head overhaul stands on metal base.
- SM pipe vice.
- Metal wash vat.
- Draw down gauge w/ 500' of wire.
- Tubing & shafting tare down rack.
- Sears 1750 watt 115 volt portable power plant.
- 1/2" Air Impact wrenches.
- Natural gas shop heater.
- Cyclone 5 ton chain hoist.
- 1 1/2 ton chain hoists.
- C & M 1/2 ton chain hoist.
- Pickup cross the bed tool boxes.
- Lost precision machinist tools.
- Lot new & used lathe bits.
- Lot drill bits.
- Lost tools for pulling & drilling wells & pumps.
- Lot pipe wrenches.
- Lot hammers.
- Lot metal shelves.
- Lot shop tables.
- Lot elevators 1" to 10"

2-WAY RADIOS

- 1 96' SM self supporting tower.
- Motorola Maxar 80 mobile units. Radio frequency is 152.9.

OFFICE EQUIPMENT

- Simplex time punch clock.
- 4 Drawer filing cabinets.
- Metal office desks.
- Lot desk chairs & office chairs.

MISCELLANEOUS

- Small lot, various make, new & used 2 B gear heads (We will have all information on gear heads sale day).
- Lot new bearings for gear head repairs.
- Lot new gears for various gear heads (Gear ratios & gear sizes will be available sale day).
- Lot gear head parts.
- 500 Gal. 200 PSI L.P. tank on 4 wheel trailer.
- 50 pound cans of drill joint compound.
- Allis Chambers 125 Cubic inch 4 cylinder motor on LP (Good condition).
- Parma #3 tailwater pumps.
- Parma #4 tailwater pump.
- Green 8" pump base.
- Green 6" pump base.
- Small Lot 6", 7", 8" Collum pipe.
- Small lot 12" bowls.
- Lot shafting & tubing.
- 5" Foot valve.
- Lot bolts & washers.
- Lot barrels & pumps.
- Lot gear head flanges.
- Lot shaft couplers.
- Lot column pipe colars.
- Large lot used submersible pumps (Most need repairs).

"Auctioneers Note" Some of the tubing & shafting has been in a fire and will not be good for pump use. Some of the bowls were near the fire but don't appear to be hurt. All of the shop equipment has been checked by Tempco of Lubbock and is in A-1 condition.

TERMS OF SALE: 10 per cent of purchasing price in Escrow day of sale, remaining 90 per cent to be paid upon closing. Closing should be within 60 days.

LAND AUCTION

7 Friona City lots to be sold at Auction immediately after the equipment auction

LAND DESCRIPTION: Lots 1, 2, 3

of Block 3 Original Town of Friona Vol. 5 page 421; and Lots 9, 10, 11, 12 of Block 2 Original Town of Friona Vol. 5 page 421.

Sarpalius Gets Good Committees

Freshman Senator Bill Sarpalius has won the praise of Lieutenant Governor Bill Hobby and some choice committee assignments on his first day of the job. "It is unusual for a senator serving his first term to receive such choice committee jobs," Hobby said.

Sarpalius will serve on the Committees on Economic Development, Natural Resources, and Human Resources. In addition, the Panhandle senator will be the chairman of the important Agriculture Subcommittee.

"I'm very excited about the session. Agriculture is important to the people in my district, and the people of my district come first with me," Sarpalius said.

Hobby shared Sarpalius' enthusiasm. "I have given Sarpalius a lot of hard work with these committees, but Bill Sarpalius is a senator the people of the Panhandle can be proud of. I know he'll do a

BILL SARPALIUS

★ ★ ★
good job for them," Hobby said.

Sarpalius also was pleased with the appointments. He said he felt many Panhandle residents thought Austin had forgotten about them, but that he would try to change that. "The key to power in the Senate, or the House of Representatives for that matter, is the committees. Every bill goes through a committee before it becomes law. If the Panhandle is to be heard from down here, we who represent the Panhandle will have to control the right committees," Sarpalius said.

Agriculture, both men agreed, was one of those committees vital to the Panhandle.

Rhea LWML Has Organizational Meet

The Immanuel Rhea LWML met Wednesday evening, January 7 at the home of Kathy Terry. Kathy, the new president, called the meeting to order. Cecelia Schueler opened with prayer. The roll call and minutes were given by Donna Schueler, in the absence of the secretary, Paula Drager. Donna then gave the treasurer's report.

Old business discussed was the Prairie Acres Shampoo Chair Fund which the group started several years ago. It was decided to use some of the account to pay for the new shampoo bowl and the plumbing for it at Prairie Acres. It was also decided to keep the account at the Friona State Bank open but to change the name of the account to Prairie Acres Beauty Shop Fund. Donations from everyone can be given to the account as memorials or remembrances. The group felt another portable hairdryer would be the next greatest need at Prairie Acres.

Projects for 1981 were discussed. Large print devotion books called "Portal Of Prayer" will be furnished

for Prairie Acres. The Neighborhood House in Lubbock will again be sponsored for 1981. The ladies are serving meals at local farm sales to earn money for their Parish Hall kitchen remodeling project. They also furnish baptismal napkins for babies baptized at the church, and do the cleaning of churches and Parish Hall.

The Braille Workshop with the ladies from Immanuel, Hereford will be Monday, January 19 at Lariat, Texas. Workday at Prairie Acres with the Methodist Ladies, Friona, will be January 27.

The group then planned their part of the High Plains Zone LWML. Winter Retreat called "Recreated in Christ's Image" to be held at Methodist Camp, Ceta Glen, Texas on January 16 and 17. The Rhea ladies will present the first part of the program "Know Yourself."

Kathy Terry served hot tea, Cokes and cookies to the following: Martha, Donna and Cecelia Schueler and Ruth Drager.

"Stop the presses! My wife just had twins!"

Meaning Of "Putting On Christ"

Read Colossians 3:12-15
Put ye on the Lord Jesus Christ. --Romans 13:14

THERE is a very common idea in our New Testament that we need to put on the righteousness, mercy, goodness, and love of Christ. This fact really says something about how we are as human beings.

The apostle Paul never asked people to produce their own mercy, goodness, and humbleness. We are incapable of doing so because our nature is degenerated by sin. We cannot make ourselves good and full of love.

On the contrary, Paul said to put on Christ. We can receive Him who can forgive and create in us such virtues as righteousness, goodness, love, and patience. His liberating us and giving us these virtues call for our gratitude.

These virtues are important to our fellows, too. If Christ lives in our hearts, we are able to love one another and forgive one another as the Lord forgives and loves us. We all need to put on Christ and His love.

PRAYER: O Lord, You know my weakness and my selfishness. Come into my heart through faith and shape me after Your will. Let Your will be done in my heart in such a way that I can love my fellowmen as You love them. Amen.

THOUGHT FOR THE DAY
Christ's love is a transforming power.

Two Teams Win Trophies In Meet

Bovina's Junior High girls basketballers did themselves proud in the tournament held locally at the Willford Gym last Thursday through Saturday, the eighth grade winning the consolation title and the seventh grade taking the championship.

The seventh grade had to beat Farwell, Springlake-Earth and Friona eighth grade teams to take the championship.

The first game with Farwell eighth, the seventh graders won by five points, leading at the beginning of the final quarter by one point. The second game with Springlake-Earth was a close one also, winning 22-19.

The championship game was even more thrilling as the girls won by one point in the final seconds on a 1-1 free shot by Terisa Shepherd. She hit the first shot, but missed the second to put her team ahead by one point, taking the championship from Friona eighth graders, 17-16.

The eighth grade girls drew a bye and played two games, losing the first to Friona eighth, 20-30. For the trophy, the eighth graders won over Farwell, 28-16.

Both junior high boys teams were defeated in their first two games.

The seventh grade boys lost to Farwell eighth, 28-8 and in their second game lost to Springlake-Earth, 35-17.

The eighth grade boys lost to Friona 36-21, then lost a 33-31 squeaker to Springlake-Earth, in their second loss.

SHOOTS TWO.....Richard Springlake-Earth Friday night. Shepherd shoots two of his 15 points in the game with 70. The Mustangs won the game 93-70.

In the first two district 3-AA games last week, the Fillies lost two heart-breakers. Despite heroic efforts by Lisa Shepherd with 19 points and Lynnette Bentley's and Karen Schilling's 10 points apiece, the Fillies lost, 45-48.

The Kangaroos led throughout the game until midway of the third quarter and Lisa Shepherd's jump shot tied the score 30-30. With 5:25 left in the final period Kress had pulled away as much as six points. With several turnovers the Fillies managed to get within one point, but with two free shots given the Kangaroos, they came out on top by three points at the final buzzer.

The Fillies had another tough game at home against Springlake-Earth on Friday night, losing dramatically, 44-45. The Fillies had two chances to either tie or go ahead with 1-1 free shots, but failed to make the shots.

The Fillies district record after two games is 0-2.

Mustang varsity, playing against Kress Tuesday night and Springlake-Earth Friday night were triumphant in both games.

Neither opponent proved to be a contest for the powerful Ponies as they outscored Kress 92-68 and S-E 93-70.

In the Kress game the Ponies had five players in double figures, led by Harvey Shepherd's 31 points, and had four players in double figures in the S-E game, again led by Shepherd's 34 points. Shepherd also led in rebounds in the S-E game with 12, Ed Chisom had 10 and Lynn Read nine.

The Mustangs now stood at 2-0 in district play prior to Tuesday's game at Hart.

Both varsities and junior varsities travel to Farwell Friday night and meet Vega here Tuesday night.

JV Boys Win Second Place

Bovina's junior varsity teams competed in a junior varsity tournament at Springlake-Earth with the Bovina boys coming away with the second place trophy.

The boys crushed Amherst 64-46 in

Area Civic Leader Rites Conducted

Funeral services for W.L. "Preach" Edelman, 74, prominent farmer and civic leader in Friona and Parmer County, were conducted Thursday at Sixth Street Church of Christ.

Edelman was killed on Tuesday, January 13, when the pickup-truck he was driving collided with a Shur-Gro liquid feed truck-tractor four miles east and one mile south of Friona on Farm Road 3140.

The accident occurred where the farm to market road, which leads south from Mike Chaney Fertilizer past Friona Feed Yard, intersects with a county (dirt) road. Edelman was eastbound, and the truck was northbound.

Vernon Redwine of Brownfield, driver of the truck, was not injured.

Edelman was pronounced dead at the scene by Frances Euler, justice of the peace. The accident occurred at 10:40 a.m., according to the Texas Department of Safety.

Edelman was born at Lometa, Texas, on May 2, 1906. He came to Friona in 1937 from Springlake.

He was a 1929 graduate of Texas Tech University. He worked as an instructor in parliamentary law at Texas Tech in 1929, and later taught in public schools.

He served as superintendent of schools at Springlake before moving to Friona, where he held a similar capacity from 1937-41.

He was a charter member and first

president of the Friona Lions Club in 1941, served as Lions District Governor in 1966-67, and in 1975 was named to the Texas Lions Clubs Hall of Fame.

He was very interested in Girlstown, USA, which is a Lions' project, and served as a director for that organization for ten years.

In 1967, Edelman was honored as Friona's "Man of the Year" by the Chamber of Commerce.

He served as mayor of Friona from 1966-70, and during his tenure was instrumental in seeing the Highway 214 overpass project become a reality.

Edelman was also a past president of the Friona Chamber of Commerce & Agriculture.

Edelman was extremely active in farm organizations. He served four years as chairman of the Parmer County Soil Conservation District's board, and for 12 years was a trustee of the High Plains Research Foundation.

He also served 12 years as county director for Plains Cotton Growers, and has been a promoter of cotton

W.L. EDELMON

growing virtually as long as he has farmed. He also had been a director on the Texas Corn Growers Assn.

Edelman married Ruth Officer in 1929 at Lubbock. Survivors include his wife of the home; a son, Von of Friona; a daughter, Jan Edelman of McLean, Va.; a sister, Mrs. Mildred Williams of Mesa, Arizona; two brothers, Grady Edelman of Muleshoe and Claude Edelman of Dumas; and four grandchildren.

Officiating at the memorial service on Thursday were H.D. Simmons and D.L. Harguess. Burial followed at Friona Cemetery, under the direction of Parsons-Ellis Funeral Home.

Pallbearers were Marshall Cooper, Elmore Rains, Charles Allen, Dean Blackburn and Fred Barker.

HOW TO GET THE MOST FOR YOUR HOME HEATING DOLLAR.

- Change or clean your furnace filters regularly
- Follow manufacturer's lubrication instructions
- Check fan belts periodically
- Have your furnace cleaned and the burner checked regularly
- Set your thermostat lower
- Close off and turn off heat in unused rooms
- Keep doors and windows closed
- Close fireplace damper when not in use
- Add attic insulation
- Weather strip or caulk around windows and doors
- Install storm doors and windows

And use a new natural gas heating system. In every way . . . initial cost, cost of operation, energy efficiency, maintenance, dependability and satisfaction . . . no other heating system can even come close. Not even the electric heat pump.

To get the most from your home heating system, make sure your home and heating equipment are in good shape . . . To get the most for your home heating dollar . . . turn to natural gas! For more information about new, energy efficient gas heating systems, call us, or your local heating contractor. You'll be glad you did.
