2:00 P. M.—Auxiliary Business Session. American Legion Hall. (Downstairs).
2:00 P. M.—American Legion Business Session. American Legion Hall. (Upstairs).
4:15 P. M.—Adjournment.

California Man Hurt In Accident Tuesday Morning

An accident involving only one car sent W. H. Hasson of Los Angeles, California to the Ranger General Hospital shortly after 3 o'clock this morning and two other persons in the car were uninjured.

The accident occurred on Ranger Hill and cause of the accident was undetermined. A Killingsworth ambulance answered the call to the scene of the accident. Attendants at the hospital this morning stated that extent of Mr. Hasson's injuries had not been determined.

U.S. To Confer On Armed Force In Palestine

LAKE SUCCESS—The United States, avoiding any outright commitment, agreed in the United Nations today to consult with the other great powers on possible use of armed force to keep the peace during the partition of Palestine. The head of the United Nations Palestine commission opened debate on Palestine with an appeal for a UN army to enforce Holy Land partition.

Karel Lisicky of Czechoslovakia, chairman of the commission entrusted with the Palestine partition program, warned the UN Security Council that it must provide an international army or abandon the partition program. "Only fools," the Czech said, "may boast of being able to erect a building on shifting sands." Lisicky's speech preceded a statement of foreign policy from the United States, key figure in the big Palestine debate.

GOP Leaders Cut More From 1949 Fiscal Budget

WASHINGTON—House Republican economy leaders today whittled a little more from President Truman's fiscal 1949 budget.

The House appropriations committee cut \$131,542,889 from Mr. Truman's requested \$737,601,655 for the Army's civil functions—flood control work, rivers and harbors improvement, the Panama Canal, Army cemeteries and lesser activities.

The reduction amounted to nearly 18 per cent. But it still left Republicans a long way from their goal of trimming at least \$2,500,000,000 from the President's \$39,668,000,000 budget. The Republicans pointed out, however, that the Army civil functions bill is only the second money measure of this session. They said there will be bigger cuts in future bills.

Baptist Training Union Progress At Local Church

The Eastland Baptist church training union began a training course Sunday night that will continue through Thursday night. The course is being taught by local teachers and is for local people. Classes are being held nightly from 6:45 to 8:30 in the Baptist Church annex or basement.

Eighty-two registered at the Monday night meeting which makes an average of 65 for the two nights. Registrations must be filed not later than tonight to get credit on the course.

Earthquake-Like Blast In Jerusalem

Bewildered Jews pour into the streets only minutes after an earthquake-like blast rocked Jerusalem. The blast killed 42 and wounded 67 in a new outbreak of violence in the Holy Land. (NEA Radio-Telephoto).

BRECKENRIDGE COUPLE KILLED BY AN AUTO

Willard Poteet and Wife, Parents of Seven Children, Struck By Car Driven By Cisco Man

Mr. and Mrs. Willard Price Poteet of Breckenridge, parents of seven children, were killed at about 9:15 last night in the outskirts of Breckenridge when struck by an automobile as they were walking with traffic on the street. Poteet was a laborer.

Rip Erierson, patrolman for the Texas Department of Public Safety and who made an investigation of the accident, told the Breckenridge American, that apparently the couple was walking near the center of the street. Poteet was thrown some 27 feet to the right while Mrs. Poteet was thrown a similar distance in the opposite direction. Both were killed instantly.

Erierson stated that Henry Grady Johnson, a pipeline for the Humble Pipeline Company and who resides at Cisco, was the driver of the car that struck the Breckenridge couple. Evidence indicated that Johnson was blinded by the lights of an approaching car. In the car with Johnson were some Breckenridge friends.

Telegram Route Carriers Now Are Well Insured

The ten boys who operate their own business in carrying Telegram routes in the City of Eastland and the boy who carries a motor route are now all insured, having each taken out insurance policies which are handled through the newspaper.

Each carrier pays 45c per month and has a policy that pays up to \$500 in case of accidental death, reimbursement for medical treatment; \$500 for loss of both hands or feet or other benefits including \$150 for loss of an eye.

Total disability pays \$5.00 per week and additional benefits of \$4.00 per day for hospital confinement, \$10.00 for operating room, \$10.00 for ambulance service. These and \$250 for death from natural causes.

The boys are fully protected at work, school, home and play. Everywhere—any time.

An all time high of 501,109 cars were ferried across the Great Lakes Strait of Mackinac in 1947. The previous peak was in 1946, when 440,325 cars were ferried.

Among the United States cities of more than 5,000 population Greenville is a common name, appearing in six different states.

Plays In All - State Band

Photo by Shultz

MILTON HERRING—son of Mr. and Mrs. I. M. Herring, who was one of the band students selected by T. R. Atwood from the Eastland High School Band to attend the Texas Music Educators Association at Waco, was given a try-out there and chosen to play in the Texas All-state Band.

Six Members Of Local Band To Waco Meeting

Six members of the Eastland High School Band attended the meeting of Texas Music Educators Association at Waco Feb. 11, 12, 13, and 14. They were G. W. McEhee, Conner Van Hoy, Milton Herring, Johnnie Collins, Paula Harvey, Betty Bumpass, and the band instructor, T. R. Atwood. Milton Herring, who plays the alto saxophone, was chosen to play in the All-state Band, while the other five students attended the Band Clinic where they received some very excellent training from prominent band clinicians.

Each year band directors all over the state select a few of their best students to attend this Band Clinic. From these are selected the best instrumentalists to form the All-state Band.

On Friday evening, Feb. 13, the All-state Band gave its Grand Concert in Waco Hall at Baylor University. There was an All-state Chorus, Orchestra, East Band, and West Band, each organization composed of approximately 100 members. All these took part in rendering the Grand Concert under the direction of L. Bruce Jones from Louisiana State University, and Clarence E. Sawhill from the University of Southern California, David Bennett, famed composer, directed while the band played his own composition, "The Spirit of Music". About 6,000 people attended the concert.

Reception For Judge and Mrs. Hickman, Mar. 12

The Eastland Committee in charge of a reception to be held at the Eastland Woman's Club on March 12 for Chief Justice Hickman and Mrs. Hickman, have issued the following statement: "This is an invitation to all friends of Judge J. E. Hickman (recently appointed as Chief Justice of the Supreme Court of Texas) and Mrs. Hickman to attend a reception given in their honor at the Woman's Club House in Eastland, Texas, on Friday, March 12th, 1948, from 3 to 6 o'clock in the afternoon and from 7:30 to 11:30 o'clock in the evening.

No invitations extended except through the newspapers of the county. Eastland committees in charge."

Wootz is a type of steel made in the East Indies from magnetic ore, valuable for edge tools.

INVESTIGATION TURNED OVER TO JUSTICE DEPARTMENT

Aboard Williamsburg in Caribbean—President Truman today ordered the justice department and other government agencies to investigate last week's increase in steel prices.

Eben Ayers, presidential press secretary, told newsmen accompanying the President on his Caribbean tour that Mr. Truman is deeply concerned about the average \$5 a ton price increase for semi-finished steel products. The price increase was revealed last week. The industry said it was an adjustment made necessary by increased costs. Some government economists believed it would add fuel to labor's demands for a third round of wage increases.

Ayers said the President radioed orders to the justice department, to the commerce department and to the President's council of economic advisers to make the investigation.

The council of economic advisers is headed by Dr. Edwin G. Nourse, who said last week he was deeply disturbed by the possible inflationary effects on the nation's economy of a price increase in such a basic industry.

In Washington, the joint congressional economic committee headed by Sen. Robert A. Taft, R., O., a GOP presidential aspirant, already is planning its own investigation.

Eastland Youth Stationed Near Canadian Border

Private Virgil E. Barton whose home is in Eastland, is stationed in the North Western sector of upper New York, near the Canadian border at Pine Camp, N. Y., where his organization, the 185th Engineer Combat Battalion has been assisting the 82nd Airborne Division in its Winter Maneuvers, Exercise "Snowdrop". Private Barton is a former employee of Shell Oil Company in Jackboro, Texas and has been a motor mechanic for most of the time he has served in the Army. He originally entered the Army 19 March 1942, was discharged in July 1945 and re-enlisted in February of 1947. During World War II Private Barton served in the European Theater for a period of 14 months.

Music Box High-Powered OXFORD, Mass. (UP) — Charles B. Pettes of Oxford has a Swiss music box with a spring so powerful that it will play for one hour on a single winding.

The Ohio State Museum and historic sites in the state attracted 1,349,802 visitors during 1947.

WALLACE SAYS PRESIDENCY CHANGE NEEDED

By United Press

WASHINGTON—Henry A. Wallace today called for election of a "new president" who would confer with Josef Stalin on world peace.

The third party candidate for president told the House foreign affairs committee that "a change of faces" is needed in the executive branch of the U. S. government.

He did not mention President Truman by name, but clearly called for the defeat of Mr. Truman, with whom he broke last year. Wallace denounced the proposed European Recovery Program as a "blueprint for war". He said the average European believes "American imperialism is on the march" and that the recovery plan is just another kind of "intervention."

The third party presidential candidate offered as a substitute \$50,000,000,000, 10 year "new deal" rehabilitation program to be run by the United Nations. His plan, Wallace said, was a "plan for peace."

The former vice president told the House foreign affairs committee that ERP was a "colossal hoax on the American people."

"While it is being sold to the American people as a peaceful plan for cooperation and recovery," he said in a 10,000 word prepared statement, "it will use the tax dollars of the American people for the benefit of private capitalists at home and abroad. It is a plan cloaked in decent language which is designed to suppress the democratic movements in Europe."

Raps Federal Control WASHINGTON (UP)—Sen. William F. Knowland, R., Cal., today opposed federal control of oil-rich tidelands as a "major encroachment upon the sovereignty of the states."

William A. Davis Dies; Funeral In Eastland Wed.

Funeral services for William A. Davis of North Oklawaha, Eastland will be conducted at the Church of Christ in Eastland Wednesday afternoon at 3 o'clock with Claude Smith, pastor of the church in charge of the services. Interment will be in the Eastland cemetery with Morris Funeral Home of Ranger in charge of arrangements.

Mr. Davis died at his home in Eastland Monday, Feb. 23, 1948. He was born in Tennessee July 17, 1863 and had resided in Eastland county since 1884. He had been a member of the Church of Christ for over 50 years. He is survived by two sons, Robert Davis and John Davis of Eastland and two daughters, Mrs. Sarah Lowrance and Mrs. Selma Finley, both of Eastland. Several grandchildren also survive. Pallbearers will be his grandsons.

Fellowship Banquet To Be Thursday At 7:00 o'clock P. M.

Upward of 100 tickets had been sold Monday for the County-wide Fellowship banquet to be held Thursday evening beginning at 7:00 o'clock at the Eastland Methodist church annex, according to reports given to the Eastland Telegram.

Judge Clarence Kraft, County Judge of Tarrant county, will be guest speaker and will talk on the subject: "Juvenile Delinquency Its source and Remedy."

A turkey dinner will be served at \$1.00 per plate. Mrs. Frank Castleberry and Mrs. W. F. Daventport are in charge of ticket sales.

The banquet was formerly to have been on January 29 but was postponed to February 25 on account of the extreme cold weather.

Late News Items From Gorman

The Bible Training school which began at the Methodist church in Gorman Sunday, is due to close today. Instructors at the school were: Rev. W.H. Cole of Waco, Mrs. Frank Smith of Gorman, Rev. Mr. Wooten and Mrs. Cole.

Neil Rose, young business man of Gorman, has announced that he will be candidate for a place on the Gorman City Commission at the coming election.

States Sales Tax Bites Into The Family Income

CHICAGO (UP)—A state-wide survey based on the average family revealed that Illinois residents would have paid a total of \$41 in state sales taxes last year on the basis of \$3,000 income to support a family of three.

The survey was drawn up by the Chicago Retail Merchants Association and was offered to the public as a guide in computing their federal income taxes. State sales taxes are deductible on federal income.

Illinois collected \$152,529,543 in sales tax last year, one of the highest years since the tax was placed into effect in 1942.

Sleuth Finds Hunting For Ring No Task

NEW YORK (UP)—Miss Lisa Buckwald reported to police she had lost her ring, valued at \$1,250 and thought she had dropped it in the snow when she got out of an automobile in front of her home. Detective Joseph Straining talked to Miss Buckwald and then went with her to the spot. The detective walked straight to the ring picked it out of the slush and handed it to the astonished Miss Buckwald. The diamond had sparkled in the sun at just the right moment.

Recurrences of rheumatic fever in children may be prevented by judiciously planned daily treatment with sulfadiazine.

Push-Button Turns Out Axels

DETROIT (UP)—Push-button warfare may be a long way off, but push-button production is here.

A machine tool producer in Detroit has developed a machine which "even a child" if he's big enough to lift a bar of steel, can make perfect rear axle for autos, mobiles as easily as a highly-trained technician.

You just put a rough-hewn axle in one end, push a button and wait. There is much churning and impressive noise, and presently a

completely finished rear axle comes out.

When the operator isn't doing anything else, he can watch a board covered with flashing lights at his elbow. They tell him where the axle is in the production process.

But there is a mass of detail beneath that smooth exterior. Seventeen electric motors develop 175 horsepower to operate 32 cutting tools simultaneously. There are 44 hydraulic cylinders and five miles of wire.

A small river of oil flows through the machine constantly. Some 10,000 gallons circulate hourly to cool and lubricate the moving parts as well as collect metal shavings.

People Hazy On Marshall Plan Survey Reveals

CHICAGO (UP)—A public opinion poll of the Chicago area shows that more than one-fourth of the people who have heard of

the Marshall Plan do not know what it is.

The poll was conducted by the Northwestern University psychology department. It showed that 87 per cent of the persons interviewed had heard of the Marshall Plan.

But 28 per cent of them—a "surprisingly large number"—did not know its aims, structure or meaning, the university said. Seventy-three per cent of the persons questioned believe that

another war is on the way. Of that group, 82 per cent believe it will come within the next 20 years.

Last year, a Northwestern poll showed that only 63 per cent anticipated war during the next two decades.

Seventy-six per cent of the persons interviewed believe that the United States should give as much aid to Europe as it can decide upon and afford. Food and non-military loans received the largest vote. Only seven per cent of those favoring aid are willing to go "all the way," the university said.

Of five suggested means to achieve lasting peace, the United Nations received the highest vote, the university found. However, 55 per cent of the group voting for the UN felt that at present it is doing a poor job.

The other four methods listed for achieving peace were a federal world government, a United States of Europe, increasing American military strength, and sharing atomic secrets with other nations.

Only one per cent approved sharing secrets of the atom bomb.

Times Change
MADISON, Wis. (UP)—Life at the University of Wisconsin has taken on a new aspect, the lost and found department of the student community center reports.

Before the war, most items turned in by the janitor were fraternity pins, rings and pens.

Today, items turned in are baby bottles, toys, bags of groceries and pressure cookers.

Salt Menace to Trees
KENT, O. (UP)—If you strew salt to melt winter ice from dangerous walks, make sure there is no seepage to roots of trees, warns D. C. Grove, chief field supervisor of the Davey Tree Expert Co. Salt may severely injure or even kill valuable shade trees.

The Black Hills area of South Dakota is said to be the oldest mountain area on the North American continent.

LIGHT UP FOR BETTER LIVING!

These are days when every member of the family needs more and better light. Children need a lot of the right kind of light as they study their homework. Mother needs good kitchen lighting at least twice a day—while she cooks breakfast and while she prepares dinner. Dad needs good light when he reads the evening paper.

All this adds up to Better Light for Better Sight for the whole family. Check your lighting facilities now—make sure that there are no empty sockets and that the bulbs you are using are of the proper size. It also pays to keep spare bulbs on hand to replace those which may burn out just when you need them most.

Use RIGHT SIZE BULBS
Use the right size bulb for the lighting job to be done to make sure you have the best light possible for work, study or recreation.

Fill EMPTY SOCKETS
Fill all empty sockets and replace burned out lamp bulbs. Do away with blacked-out walls, closets, and corners for bright, cheerful living.

Buy SPARE BULBS
For your convenience, buy lamp bulbs by the half-dozen or dozen. Keep an assortment of spares on hand.

Most stores sell lamp-bulbs — put them on your shopping list today.

Texas Cowboy Boots Develop New Look

FORT WORTH, Tex. (UP)—Another new look has invaded the West.

Cowboy boots are changing shape. There is a trend away from the old Texas trademark of high heeled boots. Lately, cowmen have been taking to "low" heels of about one and one-quarter inch high.
Used to be that cowboys teetered around on heels up to three inches high.
Reason given for the lower heels is efficiency. While high heels may look sporty, they are impractical when it comes to bulldozing or doing fast-jumping chores.
Trade Winds are those blowing continually towards the thermal equator and deflected westward by the rotation of the earth.

On the Mend

Relaxed after a few days in Miami Beach's tropical sun, Babe Ruth puffs a cigar on the lawn of his Florida cottage.

Your Insurance and Your Future—
... are all bound up together. The person who keeps adequately insured is not only wise but thrifty since insurance provides protection for the thrifty dollar. If loss occurs in the household of the uninsured his life's saving are wiped out, but not so with the insured man. To be both thrifty and wise, be insured. And the less we have the more it is a part of wisdom to guard against financial destruction.

"Mother Mary and Her Life" Was Circle Subject

"Mother Mary and Her Life", was the interesting subject given by Mrs. Frank Crowell at the Circle meeting of the W. S. C. S. of the Methodist church, which met in the home of Mrs. John D. McRae, South Dixie Street Monday afternoon. Co-hostesses were Mrs. Frank Castleberry, Mrs. C. B. Frost, Sr., and Mrs. Little.

Mrs. John Little Circle leader, who is leaving soon for Graham, appointed a nominating committee to elect a leader for the Circle, and Mrs. Billy Walters was elected.

During the business session an announcement of the rummage sale was announced and Mrs. Charles Harris was elected as secretary of the Circle.

Refreshments of cherry pie, topped with whipped cream, cheese hatches coffee and tea was served. Mrs. Little and Mrs. Walters, circle leaders, poured tea and coffee at the silver services seated at each end of the table, which was centered with a red azelia, matching the cherry pie and carrying out the George Washington birthday theme.

Present at the meeting were: Mmes. Billy Walters, B. O. Harrell, Charles Harris, N. P. McCartney, C. D. Wade, Earl Bender, Jack White, M. B. Murdock, E. R. Townsend, Tonsie Johnson, W. H. Mullings, R. C. Ferguson, Mallory Crowell, George Davenport, George Cross, F. A. Jones, Charles Harris, Hostesses Mmes. McRae, Castleberry, and Little.

Has Appendectomy

Nathan Wright, employe of the Muirhead Motor Company of Eastland, underwent an appendectomy Sunday evening at the Eastland Hospital. At latest reports he was doing nicely.

Mrs. Harbin, Mrs. Justice Present Play At Club Meet

Mrs. Jeff Harbin and Mrs. Glenn Justice presented F.H.D.A. Roundley, a one act play by Mrs. Bill Tucker for the Flatwoods Home Demonstration Club meeting Thursday, Feb. 19, at the home of Mrs. Jeff Harbin.

Mrs. J. S. Turner demonstrated "An Ideal Tray for the Sick." A "White Elephant" was auctioned and was won by Mrs. Bob Noland. Mrs. Cyrus Justice presided over the business session. Mrs. J. B. Caudle called the roll which was answered by "Fashion Notes", after which the minutes were read. Council report was given by Mrs. J. S. Turner.

Refreshments of ice cream and cookies were served to Mmes. Herman Jordan, Charlie Webb, Hoover Pittman, Cyrus Justice, Turner, Glenn Justice, Wiley Harbin, Lon Palmer, J. V. Harbin, Wendell Siebert, Marcus Greiger, Caudle, and the visitors, Mrs. Hershel Harbin and Mrs. Bob Noland, and Mrs. Jeff Harbin, hostess.

Wedding Of Miss Fitzgerald, Mr. Burkett, Told

Mr. and Mrs. A. D. Fitzgerald of Dallas announce the marriage of their daughter, Susan, to Charles V. Burkett, son of Mr. and Mrs. C. H. Burkett of Eastland. Claud C. Smith, Minister of the Church of Christ, performed the ceremony in his home on South Daugherty Street at 5:00 p.m. Saturday, February 21.

After a short trip the couple will be at home in Cisco, where Charles is attending Cisco Junior College.

Mrs. Jack Ammer Hostess W.S.C.S. Circle Monday

TELEGRAM SOC MRS JACK 14 Mrs. Jack Ammer was hostess to her Circle of the W.S.C.S. of the Methodist Church Monday afternoon at her Leon plant home. Mrs. Mattie Cole gave the opening prayer and Mrs. Ed Willman gave the devotional.

Mrs. Ammer conducted a short business session at which the Circle meetings socially and sew for the Bazaar to be held in the fall.

Mrs. Ammer served refreshments of tuna fish sandwiches, white cake and coffee. Those attending were: Mmes. Frank Day, who became a new member, visitor J. C. Looney, W. S. Barber, J. L. Cottingham, J. A. Doyle, Ina Bean Milburn S. Long, W. P. Leslie, W. H. Cole, aceo; M. J. Gaines, Margaret Welch, T. L. Fagg, E. R. Gordon, W. F. Davenport, R. E. Sikes, H. L. Hassell nad Ed Willman and hostess Mrs. Ammer.

Alpha Delphians To Meet Thursday; Combined Program

Alpha Delphian Study Club will meet Thursday at 3:00 p.m. at the Woman's clubhouse for a combined program. The program for February 12, on Gardening and Gardens was postponed, and this program and the program of the 26th are combined according to the president, Mrs. Ethel Rosenquest.

Mrs. M. O. Chapman, Mrs. Geo. Cross and Mrs. Robert Vaughan are to be on the Gardening program and Mrs. N. P. McCartney is to give a book review.

Olden Boners Club Held Meeting On Monday, Feb. 23rd.

Members of the Olden Boners Club met Monday, February 23 for a business and social session. Plans for the club members to sell subscriptions to the Eastland Daily Telegram were discussed. Also plans to continue the bake sale were discussed. The matter of giving a play in March was discussed.

Those attending the Monday meeting were: Barbara Dick, Peggy Matlock, Marjorie Hendricks, Mrs. Geo. Riley, George Neal and Larry Gene Crossan.

Taffy was made and served as refreshments.

INTERVALS

In those spaces of time . . . that come to us all . . . when the frantic race to survive slows up a little . . . we have time to slacken the pace and rest yet a little while. And in those moments . . . at the end of the day . . . or at any of those times when we take a moment or two to let up . . .

We have an opportunity to refill the reservoirs within us . . . to forget . . . to believe again . . . to regather courage . . . to reflect and to better prepare to put on the harness again.

For the harnesses of life fit snugly about every shoulder from the day of birth until we die . . . and we are in harnesses of duty, obligation, necessity and we have a right . . . when we can . . . to slip out of our harnesses . . . rub our aching shoulders . . . and rest a bit.

How we take advantage of our free intervals . . . depends on our individual makeup.

Some of us rest . . . with someone else . . . over a cup of coffee . . . or we take a second look down at Spring's first yellow jonquil's . . . some of us sit with the sick . . . minister to someone in need . . . some of us read . . . or hear immortal music . . . some of us rest when someone we love smiles at us . . . when a child says . . . "Mother" . . . when we feel the steering wheel of a car beneath our hands . . . some of rest better in the weaving of a dream . . . or when we are utterly alone with our thoughts.

How we do it . . . matters not. The important things is to . . . relax . . . as often as possible . . . in the intervals of life.

And the harnesses of life will not be so galling after we have rested.

Yellow jonquils always bloom again . . . each new Spring.

It costs \$250 to equip a hockey goaltender, according to the American Hockey League. A defense man has \$210 worth of equipment and a forward \$200.

Constant brown or black discoloration of the skin about the ankles is characteristic of an insufficiency of venous circulation.

Fifty six men signed the Declaration of Independence.

Colds Last Longer This Years, Says Medical Adviser

DES MOINES, Ia. (UP)—When you have sniffles, don't plan on getting over them for at least a week.

That's the advice of Dr. H. E. Ransom, director of the city health department.

"Instead of just lasting three days as colds do in the average year, the 1948 cold is lasting at least a week," he said. Dr. Robert I. Parker medical director of the board of education, agreed.

Dr. Ransom said the difference in this year's cold crop is that victims have been suffering from severe sore throats, aches and pains of the body, and in some cases, fever.

The cold is hanging on longer this year because of the "severity" of the virus infection, he explained.

Dr. Ransom described the virus as an "influenza virus" and added that the only difference between the common cold and influenza is the question of virulence.

He said there are two methods of attack of the present colds:

1. In the respiratory system.
 2. In the gastro-intestinal system, which includes the gall bladder and other intestinal organs.
- Dr. Ransom and Parker listed five things for a person to do when he starts getting the sniffles:
1. Go into isolation immediately and stay there until all evidence of the infection has disappeared.
 2. Be quiet and rest in bed.
 3. Don't allow any outsiders into the home.
 4. Drink plenty of fruit juices and eat only light foods.
 5. Be sure and call the family physician if a fever develops and continues for more than 24 hours.
- By letting a cold continue without taking care of it, a person is taking a chance of developing pneumonia, abscessed ears, kidney involvements, pleurisy and other complications, the doctors said.

Hungry, Not Greedy
TRENTON, Neb. (UP)—A cafe owner upon arriving at work found he was the victim of a hungry larcenist. His shop had been burglarized. Missing were three buns and some lunch meat.

The mangel is considered a descendant of the chard, which was used as a vegetable by the Greeks in 300 B. C.

Italy's Emblem

Here is the new national emblem of the Italian Republic. Selected from 900 designs submitted by Italian artists, it will replace the royal emblem of the House of Savoy. The olive branch side of the wreath represents peace; the oak leaf side, strength; the industrial wheel, work; and the big star, rebirth of the republic.

Studebaker trucks cut costs!

They use less gas—need fewer repairs—stay on the job more dependably!

TALK to truck operators who use new Studebakers—you'll hear some sensational operating economy figures!

That's why Studebaker is setting a terrific sales pace. Over 8 times as many new half-ton, one-ton, and larger capacity Studebakers were sold last year compared with the best pre-war year.

Come in and get the facts on Studebaker truck savings. We'll gladly try to do something about your new-truck requirements.
