Judge Refuses To Dismiss Lewis Case

Hope That This Steer Will Promote Party Harmony

Mrs. R. A. Thompson of Goliad, Texas, presents a prize steer to Governor Jester for use at the Texas Democratic Barbecue at Fort Worth, April 20. Said Mrs. Thompson, "This is a Texas steer, fattened on Texas grass; I am pleased to make this donation to the Texas Democratic Barbecue, which I know will be a grand success in promoting what we all desire—party harmony in our state." Truman Will Launch Loan Drive Tonight

President Truman will speak over four major radio networks from 9:30 to 9:35 (CST) Wednesday night, April 14 to officially launch the Security Loan campaign for the sale of U. S. Savings Bonds, Nathan Adams of Dallas, chairman of the Treasury Department's advisory committee for Texas, was informed today.

Over 400 Mutual stations, including many in Texas, will follow the President's address with programs devoted to the Security Loan.

The Security Loan drive officially begins Thursday (April 15) and will continue through June 30, with the objective of establishing a sound national economy. "The drive is to urge every citizen to provide financial security for himself and his family by investing in Savings Bonds," Mr. Adams said. "If the individual citizens of America will achieve personal security for themselves, we will have economic security for the nation. These bonds are anti-inflationary because they remove money from competition for scarce goods and, by providing individuals with deferred spending power, they can delay or even prevent possible depression."

U. S. Police Deny Traffic Block Report

VIENNA, Apr. 14, (UP)—U. S. military police reported today that traffic was unimpeded on the road to the American-operated Tullin Airport, contrary to a report by Austrian police that Russian guards had begun stopping military vehicles.

The Austrian police reported by telephone that two Russian guards were checking army traffic between Vienna and the airport 14 miles to the northwest.

Army authorities said later that military police found workmen erecting signs reading "stop" in English and German at the checkpoint.

They said Austrian police were on duty but they found no signs that the Russians intended stopping military vehicles.

Officials said they would frequent patrols on the highway until they determine the reason for the check point. The station was set up yesterday.

Former Ranger Resident Dies; Funeral Pending

Mrs. Ven White received word Tuesday night of the death of her brother-in-law, O. L. (Skinny) White, of Tulsa, Oklahoma and formerly of Ranger.

Mr. White died Tuesday in a hospital in Springfield, Ill. Funeral plans had not been completed when Mrs. White left Ranger today for Tulsa. She was joined in Fort Worth by her daughter, Miss Betty White and her son, Ven White, Jr., of Houston.

During Mr. White's residence in Ranger he had been employed as a draftsman with the Lone Star Producing Company.

He is survived by his parents, Mr. and Mrs. L. A. White of 1632 East Admiral Blvd., Tulsa, Okla.

They Brought In The Fish—But How Is The Question

Another Eastland delegation composed of Sam Gamble, Geo. I. Lane, Don Hill, P. L. Crossley, Neil Day, Hood King, L. E. McGraw, Percy Harris and Guy Parker, returned a few days ago from a fishing trip to Lake Don Martin in Old Mexico.

Just who caught the large amount of fish they brought back to Eastland, we don't know and therefore will not attempt to say. But we do know they brought back the fish.

Sam Gamble as called upon Monday at the Rotary club to give his version of the trip and did so. We also have other versions but since these were given privately and Gamble's was given in public we necessarily lean towards Gamble's version, at least until we have proof to the contrary.

There are those who claimed that Gamble, when luck was running against him, would wrap a half dollar in a white handkerchief, tie it on his hook and throw it onto a certain small island where natives would take the half dollar off and in its place hang a nice fish or two.

Gamble says this is not true as he didn't have as many handkerchiefs as the number of fish caught and neither did he have that many half dollars.

Former Eastland County Resident Dies In St. Louis

Frank Dalton of St. Louis, son-in-law of A. J. Elliott of Olden, passed away Monday, April 12, in St. Louis, according to information received by relatives at Olden.

Funeral services and burial are to be in St. Louis.

Army's Leaders' Schools Open To High Graduates

Young men about to graduate from high school are eligible to select training in one of the Army's new Potential Leaders' Schools before they enlist, S-Sgt. James Hendrick, of the Eastland Recruiting Station, said today.

Four schools have been established to train selected new recruits who show promise of real leadership potentialities. Some 6000 leaders will be graduated each year from courses at Ft. Jackson, South Carolina; Ft. Disc, New Jersey; Ft. Knox, Kentucky; and Ft. Ord, California.

Consideration for admission is given to all high school graduates.

Once they have started the courses, the students learn to lead by leading groups in classroom study, patrol work and athletics. Subjects studied include leadership problems, psychology of leadership, training methods, public speaking, organization of instructor groups, and how to conduct demonstration.

Graduates are promoted at once to Private First Class and are eligible for more rapid advancement than otherwise would be the case.

In addition to the leadership school opportunities, high school graduates are eligible to pick their own field of specialization in advance of enlistment. If qualified and accepted, the graduates are assigned to a school teaching this specialty following completion of basic training.

Man Wanted On Forgery Charge Now In Custody

Lester Eugene Harrison, who according to the Eastland County sheriff's office, is wanted in this County in connection with charges of check forgeries, was picked up by officers in Weatherford Tuesday.

Since the Eastland County sheriff holds warrants for Harrison, the Parker County authorities advised the Eastland officers that they had him in their custody and would turn him over to Eastland county if it was desired.

Eastland officers said Tuesday afternoon that Harrison would be returned to Eastland County.

It was understood that Harrison is wanted in connection with the forgery of a number of checks on a Wichita Falls oil company back in 1946.

Morton Valley High School Play Be Here

"The Show Must Go On" is the title of the play to be presented by the Senior Class of Morton Valley high school at the Eastland high school auditorium, Friday night at 8:00 o'clock.

The Eastland High School band, under instructor Atwood, will furnish music before the play and between acts.

Between acts of the main show there will be "stunts" by members of the Junior Class of Morton Valley and by other students.

A small admission of 35 cents for adults and 25 cents for students will be charged.

U. G. Kinard Died Tuesday At His Home

Information has been received in Eastland of the death of U. G. Kinard, 79, Tuesday at his home a few miles south of Eastland. The Kinard family are Eastland county pioneers.

No particulars were available here at press time today.

There are 8 columns to the page of most newspapers.

Miners Shun Pits Protesting Lewis' Situation

PITTSBURGH, Apr. 14, (UP)—More than half of the nation's 400,000 soft coal miners stayed away from the pits today. They hinted their 31-day-old strike would continue indefinitely if John L. Lewis was sent to jail for contempt of court.

The United Mine Workers voted in local meetings throughout the coal states to ignore the back-to-work orders of their union chief pending the outcome of today's court case in Washington against Lewis and the UMW.

In the Pittsburgh district, 10 mines, employing 4,000 men, reopened today, but the Western Pennsylvania Coal Operator's Association reported at least one mine which had been working yesterday was closed today. Only 14,000 of the district's 56,000 miners were working.

U. S. Steel reported only one of its 14 Pennsylvania mines had reopened.

Jack Crawley Does Graduate Work At San Marcos School

Jack Crawley of Eastland is among the 106 students at Southwest Texas State College now doing graduate work on their Master's degrees.

Started only 12 years ago, the Graduate school under the direction of Dr. Claude Elliott, has grown so rapidly that its enrollment this summer is expected to top 300 students. Forty-one faculty members, 21 of whom hold Ph. D. degrees, make up the teaching staff of the graduate school.

Majors are offered in seven fields: biology, business administration, chemistry, education, English, history, and Spanish.

Lucas To Open New Store On East Main St.

C. T. (Charlie) Lucas plans to open his new store on East Main street in about 30 days.

Among other lines to be stocked in this new, modern store, will be General Electric and Goodyear Rubber Company products.

The building, constructed of Lightweight Aggregate Company material, which is manufactured in Eastland, is 30x90 feet. And in addition to plenty of space in the building there is ample parking space on the outside.

The business will be operated as Lucas', the "Courteous Store."

Resin on the floor of boxing rings is to minimize the danger of slipping.

On Trial For Contempt

John Howard Lawson, right, one of ten movie writers and directors indicted for contempt because they refused to tell the House UnAmerican Activities Committee last fall whether they were members of the Communist party, arrived in Washington at Federal Court to be the first of the ten to go on trial. At left is Robert W. Kenny, chief attorney for the movie writer. (NEA Telephoto).

Stassen Takes Another Lead Over Dewey, Taft

OMAHA, Apr. 14, (UP)—Harold E. Stassen, former Minnesota governor, won the Nebraska presidential primary today by taking the farm vote.

Stassen split the city vote with Gov. Thomas E. Dewey, of New York, who came in second. Dewey was ahead in Omaha, but Stassen won in Lincoln, the state's only other sizeable city.

"The prairies are on fire for Stassen," said Sen. Fred A. Seaton, Nebraska campaign manager for the Minnesotan.

Stassen's victory added to his triumph last week in Wisconsin enhanced his chances in the GOP presidential sweepstakes. His total vote in yesterday's primary—on his 41st birthday—was almost as great as that for Dewey and Sen. Robert A. Taft combined.

Returns from 1,325 of 2,024 precincts gave Stassen 50,013, Dewey 40,456, Taft 13,636, Vandenberg 4,781, MacArthur 4,357, Warren 1,106, Martin 567.

Large Crowds Expected For Singers Meet

Plans are going forward for the convention of the West Central Texas Singing Association which will be held in Ranger Saturday night and Sunday, and it was stated today that a large crowd is expected for the convention.

The convention will be held at the Recreation building and will be formally opened at the session Saturday night. Guest singers will be welcomed by Mayor Lee Dockery and a short talk made by J. E. Meroney.

E. P. Robinson, president of the Eastland County Singing Association, who was instrumental in securing the convention for Ranger stated today all plans are moving forward satisfactorily.

Equipment At Softball Field To Be Repaired

At a meeting of the Eastland Volunteer Department last night plans were announced for the repairing of the stands. They decided also that they would completely rebuild the concession stands.

Fire Chief A. W. Hennessee requests that all volunteer firemen report for drill practice each Monday at 7:30 p.m.

Maintenance Miners Return

Maintenance men enter the shaft of Castle Shannon Mine No. 8 at Coverdale, Pennsylvania, to make ready the mine. The miners still refuse to return to work until they have held a meeting to discuss the contempt trial which John L. Lewis is now facing. (NEA Telephoto).

Says Colombia Has Not Broken With Russians

BOGOTA, Apr. 14, (UP)—Colombia has not broken diplomatic relations with Soviet Russia, yet a government source said today.

The ninth Inter-American Conference, interrupted six days ago by a revolution, resumed formal sessions at 10 a. m.

It met in the gymnasium of a secretarial school, three miles from the original downtown conference headquarters.

The decision to continue the conference in Bogota despite week end rioting that cost some 800 lives was approved formally yesterday by all top delegates meeting during the afternoon at the Honduran embassy.

Meetings will be held in the school gymnasium until conference headquarters in the capitol, wrecked by a raging mob last Friday afternoon, are restored.

Russia Denies Agents Aided Colombia Revolt

LONDON, Apr. 14, (UP)—Russia denied today that any of its agents were involved in the bloody Bogota rioting as charged by the Colombian government.

Dispatches from Moscow also quoted a diplomatic official as saying that no word of Colombia's reported diplomatic break with the Soviet Union has been received.

Radio Moscow broadcast the Soviet denial of implication in the Bogota rioting, declaring that these reports were "absurd fabrications—disseminated for purposes hostile to the Soviet Union."

Escaped Prison Farm Convict Surrenders

SWEETWATER, Tex. Apr. 14, (UP)—Harvey Lee Glass, escaped Darrington Prison Farm convict, voluntarily surrendered to Sheriff Will Sample early today after arranging a dramatic midnight rendezvous.

He had been at large for nine weeks after escaping from the Gulf Coast Penal Institution with two companions under cover of a heavy fog.

Most of the time since then, Glass had been employed as a carpenter at Brownwood, Tex.

Texas Rangers disclosed that they wanted to question Glass in connection with a Feb. 9 holdup and shooting.

Society Women Organize Junk Furniture Racket

CLEVELAND (UP)—Police are cracking down on a second-hand furniture racket in swank suburban Shaker Heights.

Some women in the suburb, police reported, have been buying used furniture at junk shops and auction sales, advertising later that they were leaving town and selling their furnishings. Prospective buyers, impressed by the lavishness of the homes, would buy the junk furniture at more than three times the original price.

The Shaker Heights women put "sold" tags on their own high-priced furniture to prevent its purchase by bargain hunters, police said.

Some 25 wealthy matrons reportedly have been engaged in the racket. Police say that in some cases the husbands of the enterprising women knew of their activities and were "highly embarrassed."

Move Indicates Reds Consider Election Lost

ROME, Apr. 14, (UP)—Responsible Italian newspapers agreed today that the Russian refusal to return Trieste to Italy signifies that the Soviets have given up hope of a Communist election victory in Italy.

Rome's two biggest independent newspapers, Il Tempo and Il Messaggero, agreed that Russian announcement of the Soviet decision during the last week of the turbulent election campaign indicated that Moscow considered the election lost.

Premier Alcide De Gasperi met for an hour with Foreign Minister Count Carlo Sforza to consider officially the Russian attitude. It was believed they planned full exploitation of the strange Russian letdown of the Italian Communists.

Open Sinclair Filling Station On West Main St.

Marvin Stinnett has recently opened the Sinclair filling station on West Main street and just across the street south of the postoffice.

Mr. Stinnett states that he will handle a full line of Sinclair products as well as other items usually carried in the better filling stations throughout the country.

Would Restrain Taft Faction

SAN ANTONIO, Tex. Apr. 14, (UP)—An injunction to restrain the Taft Republican faction in Texas from appointing GOP county chairmen was issued in 37th District Court today.

District Judge Robert W. W. Terrell rendered the decision two minutes after court reconvened at 9:30 A. M., saying "I see no reason to hear further evidence."

CLAIMS NINE DAY DELAY IN ORDER IS CONTEMPT

WASHINGTON, Apr. 14, (UP)—Trial of John L. Lewis on contempt charges began today with Judge T. Allen Goldsborough overruling a motion for dismissal of the charges.

The government contends that Lewis ignored on April 3 court order directing him to call off the soft coal strike "forthwith." Lewis called off the strike Monday nine days after the order was issued.

The government took the position that Lewis' action came too late and that he thus was in contempt.

Lewis, accompanied by his lawyers strode to a seat in almost the same spot he occupied 17 months ago. His face was drawn and pale.

The courtroom, with a capacity of less than 150 persons, already was filled when Lewis arrived. About 75 persons were lined up outside waiting for a chance to get in.

Assistant U. S. Attorney General H. Graham Morrison and his assistants were in the court room before Lewis arrived.

Except for an occasional aside to an aide, Lewis sat impassively as their trial proceeded—without a jury.

Factor Test Can Disprove Paternity

CINCINNATI, O. (UP)—Paternity cannot be proved by blood tests, but in some cases it can be disproved positively, reports Dr. George M. Guest, professor of research in pediatrics in the University of Cincinnati college of medicine.

"A child cannot inherit a blood factor unless it is present in the blood of one or the other of its parents," Dr. Guest explains. "If a child inherits a blood type not present in the mother, it must be present in the father. If the factor is not present in the blood of the father, some other man must be the father."

False Alarms Costly

CHICAGO, (UP)—False fire alarms cost Chicagoans nearly \$500,000 last year, according to Fire Commissioner Michael J. Corrigan. Corrigan reported that "mischiefmakers" and drunks probably were responsible for most of the 3,014 false alarms.

Eastland County Towns & Communities

(Editor's Note—The following is taken from the forthcoming book, "History of Eastland County," by Ed T. Cox.)

CISCO CONTINUED

Lodge No 556 lost its charter and most of its records in a fire which destroyed its Lodge building.

A temporary meeting place was secured for a few months during which time the Lodge purchased a "Sky" deed and erected a hall over the Maxwell property at Ave. D, an Fifth Street, the individual members again giving their notes to finance its construction. This hall was later sold and the present Masonic Building erected in 1906.

This property is fully paid for a ndis owned jointly by the Blue Lodge, Royal Arch Chapter, and Knights Templar. A conservative value of the property being around \$15,000.

The Lodge has always been foremost in the character of its degree work, never having been reprimanded for infraction of Masonic law, held regular election and installations of officers, and has conferred a total of 1314 degrees. During the fifty years of its existence it has had thirty three different Masters, John F. Patterson being its first.

Following is a list of those who have served Cisco Lodge as worshipful master:

J. J. Winston, John F. Patterson, O. T. Maxwell, John T. Yeargin, J. Alexander, R. A. St. John, Evner L. Mayhew, A. E. Kean.

W. P. Lee, G. D. Ward, William Reagan, G. W. Lisenbee, J. A. Russell, Guy Dabney, J. M. Williamson, W. R. Cabanes, Sydney Martin, John W. Ridgeway, W. L. Foy, Fred T. Grist, L. D. Wilson, J. M. Whitten, Haywood Cabanes, Fred A. Steffy, G. R. Kilpatrick, George D. Boyd, Tony P. Patonis, Frank P. Yager, Frank R. Leach, C. Cecil Germany, W. D. Chandler, W. L. Eagleton, B. L. Pate, Robert L. Bettis.

Past Masters who have answered the last roll call; W. D. Chandler, J. T. Yeargin, G. D. Ward, W. L. Eagleton, B. L. Pate, Jake Alexander, John J. Winston, John F. Patterson, O. T. Maxwell, R. A. St. John, and Robert L. Bettis.

Its charter members were; John F. Patterson, John S. Bedford, B. P. Chapman, E. S. Pate, L. R. Jordan, M. V. Mitchell, John A. Brumley, N. J. Whitfield, W. H. Johnson, W. D. Chandler, W. C. Pulley, W. A. Stephens, L. W. Walker, N. P. Spillers, W. S. A. Anderson, A. J. Carpenter, S. S. Ramsey.

The Cisco Chapter of Royal Arch Masons was organized December 9, 1881. A. S. Bunting was its first Most Excellent High Priest. Other officers were B. W.

Rose, Excellent King and J. H. Calhoun, Excellent Scribe.

Cisco Chapter No. 461, Order of the Eastern Star was organized October 26, 1921. Its principal officers were Grace D. Bettis, Worthy Patron and Ava Green, Associate Patron.

Soon after the cessation of hostilities in the first World War, the John William Butts post of the American Legion was organized at Cisco, it was so named in honor of John William Butts, son of the late John J. and Burnie Butts, long time residents of Cisco, who was killed in line of duty in an air plane accident while carrying the mail.

The Veterans of Foreign Wars, whose membership is made up of those who have seen service in the armed forces of the United States outside the limits of its home territory, have a camp at Cisco. This organization, and others of like nature, do much to keep the fire of patriotism burning and the spirit of national service alive in our citizenship.

Wife Watches As Husband Embroiders

SYRACUSE, N.Y. (UP)—An oft-repeated scene during the past 20 years in the parlor of the Elmer J. Hartin home finds Hartin huddled over an embroidery frame as his wife watches.

The so-called "strictly women's" art is Hartin's favorite hobby.

A compressor operator by trade, the husky Elmer returns home from his night-shift job to spend several hours embroidering. Most of his stitching is bought by friends.

From Files of This Newspaper of April 14, 1929:
The Stamps All - Star quartet and Victor Recording artists of Chattanooga, Tennessee, will be on the program to be presented on the Eastland Rotary club program Monday, reports J. B. Johnson, chairman of the program committee. The quartet, composed of Andrews J. Hughes, tenor; Frank

H. Stamps, basso; W. Coy Holdridge, tenor; Travis R. Wagstaff, baritone with Dwight M. Brock, pianist, is one of the most noted male quartets of the United States. Other numbers on the Rotary club program will be a reading by Bobby Speer, declamation by Ruth Hearn, reading by Mary Sue Rumph and musical numbers by Mrs. F. O. Hunter.

The quartet, which was enroute from Chattanooga to Scranton to attend a semi-annual meeting of the Eastland county singing convention, stopped here to visit Judge R. L. Rust and other Eastland friends.

Miss Virginia Paul returned a few days ago from San Angelo where she visited friends and has resumed her visit with her aunt, Mrs. Joseph M. Weaver.

Miss Josephine Martin and Miss Virginia Norton, both of Eastland, won the district interscholastic tennis tournament at Stephenville, Saturday.

Judge Sam Russell of Stephenville and Judge Elzo Been of the 88th district court of Eastland will exchange benches Monday and possibly all the week.

There Never Was A Time -
... when fire losses, motor vehicle accidents and fatalities of all sorts continue to mount toward all time highs. And there never was a time when the average citizen was more in need of adequate insurance coverage than now. Certainly the public has brought home to it every day, with increasing force, the growing need for protection against all kinds of insurable losses. Insurance is still the cheapest commodity on the market today.

From Files of This Newspaper of April 14, 1933:
Word has been received from J. E. Spencer of Cisco, chairman of the relief work in Eastland county, stating that another car of Red Cross flour had been received, at Cisco and that Eastland's portion would be 500 sacks. Mr. Spencer advises that St. Louis offices have sent the information that this is the last car of flour to be sent this County and suggests that the less needy be dropped from the lists as quickly as possible and that the supply be conserved for the use of the older people, sick folks and the widowed families.

Jason Bryan Richardson, a pioneer of this section and a resident of Ranger for the past 50 years, passed away Wednesday, April 12, after an illness of only a week.

Katherine Perryman, 14, of Eastland, died in a Ranger hospital Thursday night. Funeral services are to be conducted this afternoon at Hamner Funeral Parlors with W. E. Moore, minister of the Church of Christ, officiating.

I GIVE YOU TEXAS
By Boyce House

Somebody has said that knowledge is a wonderful thing. Why, if it wasn't for knowledge, we wouldn't know a thing.

Similarly—folks are great; we couldn't get along without 'em. Recently your columnist was to speak at the annual dinner of the Chamber of Commerce in Falfurrias and had journeyed by bus as far as San Antonio when I ran into Bill Furey, Hillsboro publisher, in the Gunter lobby and he was on his way to Edinburg and so I caught a ride to Falfurrias

Coming back, I'd gotten as far as Austin by bus, stopped over for a few hours, ran into Carl Bruner, a friend from Cowntown. He and his son, Paul, veteran and graduate student at the University of Texas, insisted—they didn't have to insist very strong—that I ride back to Fort Worth with them.

Not only that but I'd stopped in San Antonio (on the return trip) to see Col. Ray Leeman, executive vice president of the South Texas Chamber of Commerce, and tell him what a good job Ray Jr., is doing as Falfurrias C of C manager but it was noon so I thought I'd have lunch, then phone the Colonel. So I went into the Manhattan Cafe, had my favorite dinner (the seafood platter) and, just as I finished, the man next to me at the counter got up and, one seat over, sat the man I'd stopped in San Antonio to see—Col. Leeman.

And I was so clumsy that he picked up my luncheon check. Folks are great. I don't see how a fellow could get along without 'em

American history has been marked by the passing of the Indian, the passing of the buffalo and the passing of the buck.

Something should be done about people that are late to shows and programs. And Alfred Lunt, the famous actor, does. Several years ago, I was attending a Shakespearean play and the first act had been going on for 10 minutes when a couple entered. Of course, their seats were right in the middle of a row so everybody in that row had to stand to let them get by.

Lunt was speaking. He stopped, waited till the late arrivals were seated and then said, "So nice of you to come."

Technicians in Demand
MORGANTOWN, W. Va. (UP)—Graduates in technical fields will find their services in great demand, Harry E. Stone, director of placements at West Virginia University, has advised seniors. Non-technical trained graduates are in lesser demand, but most seniors should have no trouble in finding a job unless an unforeseen business drop occurs before June Stone added.
