Area OIL News

Gorman
Report of operation in Gorman Field for May 17:
Commercial Production No. 1 J. W. Burns set surface pipe.
W. B. Johnson Drilling Co. No. 2 Arlen Watson drilling at 1765.
E. K. Burt & E. M. Burt et al, rigging up on No. 2 Westmoreland.
Commercial Production No. 1 Bell has had a delay in acidizing due to truck breakdown.
Coast Oil No. 1 J. S. Gilmore acidized Saturday using 5000 gallons. Well is now in the process of cleaning it self out and swabbing operations are in progress.
Mellard & Clemens are going ahead on an Ellenberger test on the No. 1 Townsend.
Oil Personnel:
H. L. Davis, Dallas; Cliff Shives Fort Worth; Mr. Bourland, Boerne; I. B. Dedeker, Boerne; C. L. Williams, Abilene; George E. France, Fort Worth; Mr. Gillespie Fort Worth; R. M. Simms, Mayor of Crockett is in our midst and is interested in the oil business hereabouts, but actively: Bernard Esenas, Dallas.

GASER-OILER COMPLETED

Completion as a combination producer of gas and oil has been made by Al G. Hill on his No. 5 G. P. Metcham, Eastland County well 330 feet from the north and east lines of section 469 SP survey.

On official gauge, the well flowed 20.12 barrels of 40 gravity oil in 23 hours through 3-4 inch choke with 340 pounds on casing and 210 on tubing from perforations at 3,592-3,600 feet. The gas oil ratio, was 64.815.

Seven miles southeast of Breckenridge, location for a try for new production in an old producing area has been filed by the Texas Company, as the No. 5 J. W. Parks, B. 330 feet from the north and west lines of T&L survey 3358. Permit is for 2,450 feet with rotary.

COUNTY LINE WELLS GAUGED
Official production gauges have been filed for two new wells in the Kirk pool along the Eastland-Comanche County line, while location for another new production try has been announced.

Southeast of previous production, W. J. Johnson Drilling Co., No. 1 Ireland Watson has been gauged at 107 barrels of 42 gravity oil per day through 10-64 choke on 126 perforations in casing at 2,745-58 and 2,770-78 feet. The production was with packer on casing and 590 pounds of tubing.

Location is 345 feet from the north and 330 from the west line of the Ireland Watson 105.48 acre tract in Wm. DeMoss survey.

Gauge of 51 barrels of 42 gravity oil per day has been filed for the Commercial Production Co., No. 1 Aron Mearns, 330 feet from the north and east lines of a 73 acre tract on the west edge of Wm. DeMoss survey.

It was tested on flow through 10-64 choke with packer on casing and 515 pounds on tubing from 119 perforations at 2,894-30 feet. Total depth was 2,853.

The new location is for the J. C. Man, Jr. and E. P. Griffin No. 1-A J. M. Ellison, three miles northeast of Gorman, 330 feet from the south and east lines of the north 80 acres of the J. M. Ellison 100 acre tract in Wm. DeMoss survey abstract 73. Permit is for 3,090 feet with rotary.

Formal Opening Of Rising Star Hospital Today

Completed after nearly two years planning and work, the Rising Star hospital was displayed at a formal open house today.

Major A. N. Searly proclaimed a holiday today between the hours of 10:30 a. m. and 2:00 p. m. in order that employees of the various businesses in the town might have an opportunity to attend.

The hospital, a project of the Rising Star Chamber of Commerce early in 1945, was originally intended as a co-op arrangement. This plan was abandoned and it was completed as a private hospital.

Plans for the institution were drawn by H. V. Glenn of Eastland.

Officers of the hospital were named late in 1945. They are W. E. Tyler, president; W. B. Starr, vice president; J. F. Robertson, secretary; F. W. Roberts, treasurer; and the following board of directors: Frank Madison, Jay Koonce, Earl Moore, G. G. Goss, R. F. Siekman, L. C. Case, W. B. Star and Tom Butler. O. B. Cargile and A. P. Smith were later made members of the board.

Meat Packers Turn Down Swift Company Offer

The CIO United Packinghouse Workers turned down a Swift and Company proposal for settling the meat strike but hopes still were high that the two-month-old work stoppage would end soon.

A return to work of the 100,000 striking meat strikers would cut the total number of workers idle in strikes across the nation almost in half.

The packinghouse union rejected the Swift proposal because workers discharged for illegal acts during the strike would not be re-hired automatically. However, the union did not comment on the firm's offer of a nine-cent wage boost, indicating that the union might be willing to reduce its demand for a 29 cent hike.

Public Working Of Flatwoods Cemetery, May 28

Those having friends or relatives buried in the Flatwoods cemetery are invited to be present at a public working of the grounds Friday, May 28.

Kills Employer, Burns Body

Robert H. Hansen, left, 24-year-old radio repairman in Los Angeles, has allegedly admitted to Los Angeles police that he killed his employer and wife and after dissecting their bodies, burned their heads in an East Los Angeles incinerator. Here, a detective works over Hansen after he passed out following the alleged signing of a confession.

British Soldiers Evacuated

British soldiers, wounded in recent clashes with Arabs and Jews, board the hospital ship "El D'n" for evacuation from Haifa, Israel. The Arab-Jewish City has been the scene of bloody fighting. (NEA Telephoto)

Doctors Find Creeping Paralysis Top Problem In National Health

By PAUL F. ELLIS
United Press Science Writer

NEW YORK (U.P.)—The disease commonly known as "Creeping Paralysis" is one of the nation's top problems, and medical science hopes to do something about it.

The disease, technically called multiple sclerosis, is much more common than previously believed, recent research revealed. It also is on the increase, according to officials of the National Multiple Sclerosis Society. The organization, now raising funds to combat the ailment, has about 7,500 members.

As an example of how the society spends the contributions, Columbia University was given a grant of \$64,350 for a three-year research program. The first research clinic was opened in Boston at the Beth Israel and Boston State hospitals.

The society announced that other clinics will be opened, with the next scheduled for Albany, N. Y., where neurologists of the Albany Medical College will cooperate with the division of research and laboratories of the New York State department of health.

Officials of the society believe that the disease can be solved through systematic organization and re-research. At present, there is no cure and very little means to treat it.

Still another research project, to be undertaken in co-operation with the U. S. Public Health Service, a nation-wide statistical survey of the prevalence of multiple sclerosis throughout the country, and the influence of climate and other factors upon its distribution.

Stassen Dewey Both Claim Debate Victory

PORTLAND May 18, (UP)—Both Gov. Thomas E. Dewey of New York and former Gov. Harold E. Stassen of Minnesota claimed victory today in their radio debate on a proposal to outlaw the Communist party.

But supporters of the two candidates for the Republican presidential nomination and listeners who heard the broadcast said it was a draw.

When it was over, the debaters shook hands three times for the benefit of cameramen and photographers and agreed on at least one point.

"That was quite a discussion," Stassen said.

Second Soviet Peace Proposal To Get Flat "No"

WASHINGTON, May 18, (UP)—The Truman administration today prepared another resounding "no" to Russia's second "peace talk" proposal.

There was no immediate official comment on Soviet Premier Josef Stalin's proposal that the United States and Russia negotiate an end to the cold war by using Henry Wallace's "peace program" as a basis.

But there was reason to believe it would be rejected even more vigorously than the overture made last week by Soviet Foreign Minister V. M. Molotov.

Stalin's suggestion, based as it was on Wallace's ideas, would place President Truman in the position of negotiating on terms outlined by the man he fired from his cabinet for "interfering" with foreign policy.

After the smoke of Molotov's first proposal cleared away, high American officials told the United Press the U. S. would not be prepared to "talk peace" with Russia until the balance of power is restored in favor of the west, or until there is a very radical change in Soviet policy—changes reflected by action rather than words.

William Feazel Appointed To Senate By Long

BATON ROUGE May 18, (UP)—Gov. Earl K. Long today appointed William Feazel, a millionaire Monroe and Shreveport oil operator, to fill the U. S. Senate vacancy created by the death of John H. Overton.

Sen. Ellender, D., La., was in Long's office when he announced the appointment. Ellender returned to Louisiana for the funeral of Overton in Alexandria yesterday.

Feazel, 57, had been a friend of the Long family for years. He reportedly contributed \$300,000 to Earl Long's gubernatorial campaign last winter.

The Arctic tern has the longest migratory flight of any bird. It flies 11,000 miles every year, from the Arctic to the Antarctic.

onne Lomax, Cisco.
A. J. Whitlock, Cisco, and Martha Jean Collins, Cisco.
Harvey Harris, Ranger, and Willie Jo Baker.

TEN DIE IN BLAST AT COKE PLANT

KEARNY, N. J. May 18 (UP)—Rescue workers carried out 10 victims today from the Koppers Coke Company laboratory which was wrecked late last night by an explosion.

Nine died in the building wreckage and another died in a hospital a short time after he was pulled from the ruins.

The blast was heard 20 miles away. James Thistlewaite, plant superintendent, said a tank of tar in the 100-foot long building exploded.

The tenth fatality, Wladyslaw Hesterowski died in West Hudson hospital of burns. Three other workmen were injured slightly.

Police said the other dead were tentatively identified as James Chisholm, plant supervisor, Maciej Mazurczyk, Melton Pawley, Joseph Richardson, Hans Seelman, Sidney Fisher, Roosevelt Murray, Joseph Jetter and Joseph Freeman.

Funeral For Sgt. Tucker To Be In Dublin Saturday

The body of Sgt. Joseph W. Tucker, son of Mr. and Mrs. Joseph L. Tucker of Ranger, will arrive in Dublin on Friday and funeral services will be held Saturday afternoon at 2 o'clock at the First Christian Church in Dublin.

Sgt. Tucker was killed in action in World War II on Guam, July 21, 1944. He enlisted in the Marines in 1936 and at the time of his death had served a little more than eight years. He had spent most of his service time overseas.

Survivors are his parents and ters, John Tucker of Ranger, the following brothers and sisters: Archie Tucker of Ranger, Mrs. Marzie Peninger of Fort Worth, Hazel Tucker of Dublin, Raymond Tucker of Torrance, Calif., Mrs. Mignon Peninger of Dallas, Mrs. Ida McMillan of O'Donnell, Mrs. Sylvia Locke of Gorman and Mrs. Nancy McCormack of Korea.

The Blinded Veterans' Association is recognized as an authorized agency to handle member claims for Veterans Administration benefits.

Civil Contempt Convictions Are Set Aside

WASHINGTON, May 18 (UP)—The civil contempt conviction against John L. Lewis and the United Mine Workers was set aside today by Federal Judge T. Alan Goldsborough at the government's request.

But Goldsborough balked at a second government request—to dismiss the no-strike injunction which is in effect against Lewis and the UMW. He took that request under advisement and asked attorneys to submit briefs after giving Assistant Attorney General H. Graham Morrison a dressing down.

"You have got to give me a good reason for that," Goldsborough said.

Morrison argued that the miners were back at work and that there is evidence the union would not strike regardless of the outcome of litigation over the miners pension plan.

"The court doesn't think there is any force in your statement at all," Goldsborough said.

He also said he did not "think for a moment that the pension dispute is dissolved."

The government's surprise move had no effect on the fines of \$1,420,000 imposed on the union and \$20,000 on Lewis for criminal contempt for failing to obey a sooner court order to call off the recent soft coal strike "forthwith."

The government made its dismissal requests at the very moment that Lewis opened negotiations with soft coal operators for a new contract to replace the one expiring June 30. The timing apparently was intentional, the government seemingly thought the negotiations might proceed better if Lewis were out from under the injunction.

Goldsborough had issued the Taft-Hartley law injunction April 21 to guarantee against any further work stoppage by the miners before July 1.

MIAMI, Fla. (U.P.)—The roll call of barnyard passengers on Pan American World Airways cargo clippers is growing.

Six Missouri mules have been flown from Miami to Havana.

Cattle by the clipper load, scores of horses, a family of pigs and millions of baby chicks have traveled by PAA all over the hemisphere. But until now no "jugheads" had been aboard one of Pan American's "flying barns."

ARAB SIEGE OF JERUSALEM PUTS JEWS IN TIGHT SPOT

TEL AVIV, May 18 (UP)—Israel's army captured the ancient walled city of Acre today, but reports indicated that the plight of 100,000 Jews in Jerusalem was becoming desperate as Arab forces besieged the Holy City.

In the fourth day of fighting since the British mandate in Palestine ended and the new Jewish state of Israel was proclaimed, Arab Legion troops occupied Bethlehem, birthplace of Christ. Egyptian planes raided Tel Aviv, Israel's capital, for the 13th time.

Forces of six Arab nations—Egypt, Syria, Lebanon, Trans-Jordan, Iraq, and Saudi Arabia—were reported fighting in the Holy Land.

But Jews struck back strongly, and their capture of Acre, where 4,000 Arabs penned in the old walled city surrendered, was militarily the most important victory reported today. The Arabs, hit by typhoid fever and short of ammunition, could not hold the moated fortress which a century and a half ago stopped Napoleon.

Jewish forces also made some progress according to official reports here in their attack on Ramleh, Arab strong-point on the vital highway from Tel Aviv to Jerusalem.

But not even a complete Jewish victory at Ramleh would open the supply route to Jerusalem for Jewish reinforcements and arms.

The situation in the Holy City was not entirely clear, but the lineup of Arab and Jewish forces appeared comparable to a series of concentric circles.

In this confused situation, a United Nations commission made up of the consuls of France, Belgium, and the United States, still sought a truce, and the International Red Cross also continued cease-fire efforts.

4-H'ers Carry Out 1948 Theme By Landscaping Homes

"Creating better homes today for more responsible citizenship tomorrow" the 1948 theme of 75 thousand 4-H Clubs throughout America—is being carried out by boys and girls beautifying their farmsteads.

Among their landscaping activities are planting flower gardens, trees and shrubs; improving lawns, relocating drives, building outdoor furniture and fireplaces, repairing fences and removing old unsightly outbuildings on their farms.

As incentives for superior records of achievements, awards are again provided in the 1948 National 4-H Home Grounds Beautification program by Mrs. Charles R. Walgreen for the eleventh consecutive year. Awards comprise medals of honor for county winners and gold watches for state champions. Eight national winners will receive education trips to the Chicago 4-H Club Congress next November.

Last year's state winner in Texas was Bruce G. Gibson of Turkey. There were 22 county medal winners in Texas last year. Complete information regarding this activity will be supplied by county extension agents.

Russian Woman Exploits American Sgt.

Mrs. Galina Dunaeva Bisconish, left, is the Soviet agent who the United States State Department says lured Sgt. James M. MuMillin, 21, of Boulder, Colorado, from his post at the U.S. Embassy at Moscow. She is the wife of T-Sgt. John Bisconish, right, Binghamton, N. Y., who married her in 1945 when he was serving at the embassy. Bisconish is now serving at Fort Riley, Kansas. Mrs. Bisconish is 22-years-old. (NEA Telephoto)

Glenna Faye, seven year old daughter of Mr. and Mrs. H. S. Adams of 1479 Hill street, Eastland, underwent an operation for the removal of an infected appendix Monday morning.

Has Operation For The Removal Of Appendix

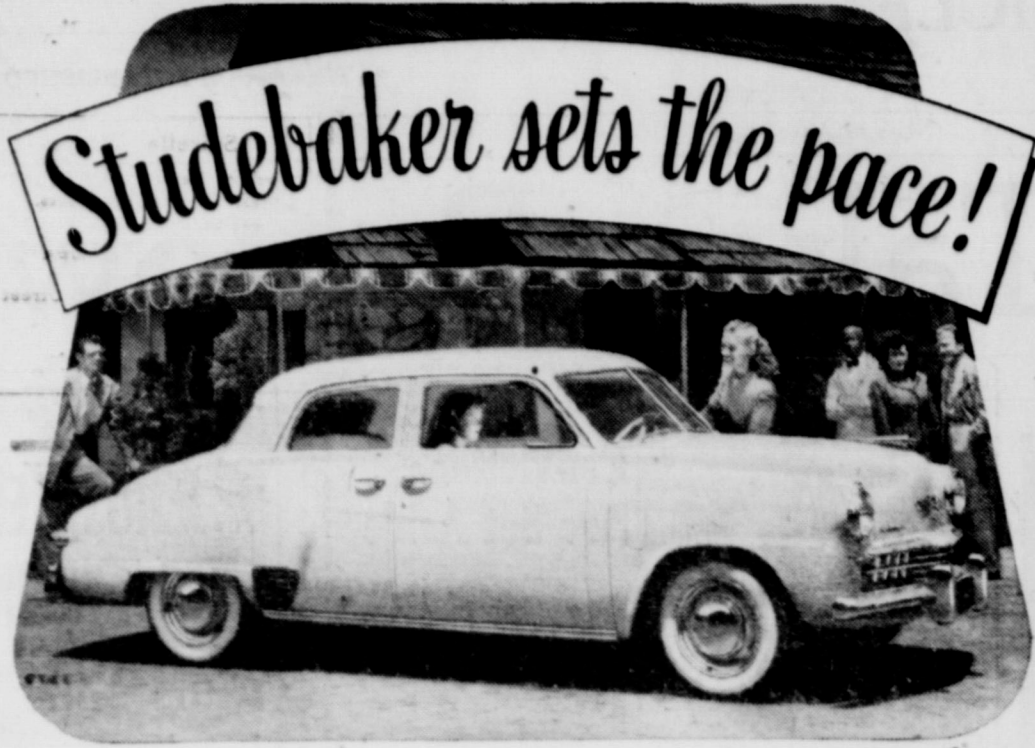

The operation was performed by surgeons at the West Texas Hospital in Ranger. The patient is reported as doing nicely.

Studebaker Announces 49er Line Of Trucks

A new 1949 line of trucks, id-

entified as the '49ers, was announced by the Studebaker Corporation today as full production was attained in the company's big new assembly plant acquired recently from the government.

The building, one of the most modern in the country, contains approximately one million square feet of floor space. It includes such special wartime features as windowless construction and air-

Studebaker sets the pace!

First in style... first in vision... first by far with a postwar car!

THEY'RE glamor cars that everyone admires, these low-slung new Studebaker pace-setters! All eyes are on them everywhere they go. They've introduced America's best known new look in cars. And they're just as far-advanced in riding comfort,

handling ease and wide-range vision as they are in smart design. Come in and take a close-up look at these fabulously fine new Studebaker dream cars. See for yourself how far ahead they are—in quality and value as well as in distinctive style!

WARREN MOTOR COMPANY

Studebaker Sales And Service
Eastland, Texas Phone 9506

LOOKING AHEAD — Raymond R. Schiff, nuclear physicist of the Westinghouse Research Laboratories, explains and demonstrates how atomic energy may run powerhouses of the future. This atomic motor is one of the devices to be operated during the "Theatre of Atoms" at the Texas Electric Show of '48. Schiff will present the atomic energy demonstration at 7:30 and 9:30 Tuesday, Wednesday and Thursday evenings, in Breckenridge High School auditorium.

conditioning. Concentration of truck assembly operations under one roof is expected to result in a new peak for productive efficiency.

The '49er trucks, covering a wide range of models and capacities, take in 12 different wheelbases. To the heavy-duty model series has been added a two-ton vehicle. New to the one and one half ton list is a 171-inch wheelbase model designed to take either a 14 or 15 foot body. In the lighter field, a new intermediate

model is introduced, a three-quarter ton truck. Besides these there are models in the half-ton and one-ton classifications.

In announcing the new truck series, K. B. Elliott, vice president in charge of sales, pointed out that Studebaker engineers devoted special attention to improved mechanical accessibility and driver comfort with many pleasing innovations.

Engine accessories and other elements are placed for convenience and ease in servicing and replacement. All electrical wiring

and instrument gauges, for instance, are accessible from beneath the hood, Elliott explained. Contributing to increased comfort in the roomier cab is an ingenious ventilating system. Standard equipment is unusually complete, including such items as hood ornament, dual windshield wipers and sunvisors, arm rests, ash tray and reading and entrance light which operates automatically as the door is opened.

Mrs. Perkins Is Speaker Before Local WSCS Group

United Nations Session at San Francisco and Lake Geneva, N. Y.; was the subject brought by Mrs. Joseph M. Perkins at the Wo-

man's Society of Christian Service Monday afternoon at the Methodist Church which climaxed the Mission Study, "We The People," with Mrs. N. P. McCa-

During the business session, conducted by the president, Mrs. R. C. Ferguson, the society discussed the Bazaar to be held in the fall for one day. Committees were appointed to serve at that time. Mrs. Tansie Johnson gave the opening prayer.

Present were Mesdames Ina Bean, Johnson, E. R. Townsend, J. D. McRae, M. S. Long, E. J. Turner, Fred Davenport Ida B. Foster, J. M. Perkins, N. P. McCa-

CARD OF THANKS

We greatly appreciate the care and attention given us by our neighbors in the long illness of J. K. Smith. Also thanks for the lovely dinner and beautiful flowers of all who had a part in trying to comfort and soothe our grief in the hour of our loved one's passing.

Mrs. J. K. Smith
Sons and daughters and grandchildren.

Miss Julia Elizabeth Brown's Betrothal To Henry Thomas Ayres Announced At Tea Saturday

Engagement and approaching marriage of Miss Julia Elizabeth Brown, daughter of Dr. and Mrs. L. C. Brown, 501 Foch, to Mr. Henry Thomas Ayres, son of Mr. and Mrs. H. T. Ayres of Bowie, was announced at a tea given Saturday from 3:00 to 5:00 p. m. at the Woman's club house, by Mmes. James Horton, F. T. Isabell, Williamson, Fred Maxey, and Robert Vaught.

Guests were greeted by Mmes. Horton, Williamson and Isabell, and presented to Mrs. Brown, the honoree, Miss Brown, Mrs. Ayres mother of the groom-to-be, and Mrs. Parker Brown, who is a sister-in-law of the honoree, and daughter of Mrs. Ayres.

Other members of the house party were: Mmes. A. F. Taylor, E. R. Townsend, Jack Carothers, Horace Horton, Frank Sparks, M. S. Long, Ray Pryor and G. I. n Boyd.

Mrs. Pryor, with Mrs. Garothers, laddled frosted punch the first hour and Mrs. Glen Boyd and Miss Catherine Cornelius, the second hour.

A white china plate decorated with a gold band and gold wedding bells bore the announcement, "Julia and Thomas, June 5," which was placed on the table laid in a white hand embroidered cut-work linen. The table was centered with an arrangement of pale pink carnations, with a deeper pink delphinium larkspur and Queen Ann's lace flower, pink and green mints, and white cake squares decorated with pink rosebuds with green was served from the table. Pink and green napkins were used.

Mrs. A. F. Taylor presided at the bride's book. Mrs. Frank Sparks and Mrs. Fred Maxey, at the exit door, bid guests au revoir.

The honoree was attired in a formal turquoise blue dress trimmed in gold sequins and beads. The entire house party wore formal dresses.

The wedding will be in the Brown home at 8:00 p. m. with Rev. Mr. E. R. Gordon reading the ceremony. Miss Emily Long, dau-

ghter of Judge and Mrs. M. S. Long, will be bridesmaid and Covey Ham of Bowie will be best man. Miss Brown received her B. A. degree in Home Economics in clothing, January 29 this year. Mr. Ayres will receive his B. B. A. degree, June 2, from N. T. S. T. C. They plan to live in Bowie.

Recording music was played throughout the calling hours to 160 guests.

The club room was decorated in pink gladiolus.

Notes On Current Social Events

Members of the Music Study Club assemble Wednesday at 12 noon at the Woman's clubhouse for a covered dish luncheon, and installation of officers for the ensuing year. New members will have charge of the program.

Methodist Young People Meet At Cross Plains

The Methodist Young People's Fellowship Group met in regular monthly meeting at Cross Plains Monday night, with approximately 200 in attendance—169 young people and 31 adults. Eleven churches were represented at the meeting. Seven from Eastland attended: the pastor, Rev. E. R. Gordon; Superintendent of the Young People's Dept., Mrs. Joseph M. Perkins; Misses Shirley Frazer; Jessie Elizabeth Whaley; Patsy Young; and Messrs. Stanley Stephen, and Joe Hague.

The meeting is a monthly affair where the young people eat, play, and worship together.

This group pledged nearly \$600.00 a year to Missions which does not include work done in their local communities.

In the group last night, there were six young men who were studying for the ministry, one of whom brought the devotional.

Their next meeting will be June 21 in Wesley Church at Cisco.

Little Red School House Burns

FARGO, N. D. (UP)—What was believed to be North Dakota's oldest rural school has been destroyed by fire. The one-room brick building, popularly known as "The Little Red Schoolhouse," was built just outside Fargo in 1877 when this area still was a part of Dakota.

Personals

Mrs. J. E. (Pauline) Harkrider is confined to her bed because of illness. Mrs. Harkrider is bookkeeper for the Eastland County Vocational School.

Mr. and Mrs. Earnest Jones of Weatherford were Eastland visitors the past week end, and visited their daughter, Mrs. Say Pryor and Mr. Pryor.

Mr. and Mrs. Joseph J. Riehl announce the birth of a daughter, Carol Ann, born in the Ranger General Hospital May 16. Weight at birth was seven and one fourth pounds. Mrs. Edna Hatcher is the maternal grandmother.

Dr. and Mrs. A. M. Allen are visiting their daughter, Mrs. Edwin L. Snglietary, in Wichita Falls.

Workers' Council Meet Wednesday At 8:00 P. M.

The Mid-Week Prayer Service and Workers' Council of the First Methodist Church will meet at 8:00 Wednesday evening.

The pastor, Rev. E. R. Gordon, will bring the devotional to the entire group, and Mr. W. R. Cole, chairman of the Workers' Council will preside over a business session of that body at the close of the prayer and praise service.

The topic to be discussed at the prayer meeting is "Shall Our Country Have Universal Military Training?" The pastor will conduct a round table discussion in which those in attendance will have an opportunity to express their views.

The general public is invited to this informal Mid-Week Service at the First Methodist Church.
