Area OIL News

EASTLAND COUNTY — Gorman
Following is the report on activities in the Gorman Field for June 17:
J. W. Baldwin No. 2 Sanders drilling at 1600 feet.
Roy Gaines a good well came in on the Erin Mears lease. Did not even have to acidize and the thing is flowing just like you had turned on a faucet, according to Mr. Gaines.
Foster Brothers are setting location on the No. 4 Ray Burns. The No. 2 location on this lease has not been drilled as yet, which may account for the reporting of this lease having seemed to be rather confusing.

Tour Of County By Dairymen Is Completed Today

Beginning this morning at 9:00 o'clock at Cisco, members of the Eastland County Dairy Association and others interested in the promotion of the dairy industry in the county, started the last leg of a tour that when completed, will have taken them to the place of most interest in the county.
The month of June has been designated as "Dairy Month" for the State of Texas and dairymen are spending much time in an effort to arouse the interest of the general public to the need for increased production in this line.
Monday night at the Eastland City Park the Eastland Chamber of Commerce was host to the County Dairy Association at a barbecue. Bryan Blalock of Marshall, an authority on dairying, spoke to a crowd of between 350 and 400.

Methodist's Vacation Bible School Continues

The vacation Bible school in progress this week at the First Methodist Church, will continue for another week.
According to reports from the school much fine work has been done the past week.
Children who have not been attending the school are invited and urged to do so. Those who attend the school as many as five days during the term will receive a certificate.
Teachers and children in attendance daily at the school number an average of 100.

Season Tickets For 1948 Games Now On Sale

Curtis Hertig announced Thursday that season tickets for reserve seats for the 1948 football season are now on sale.
They may be obtained at his office.

Wrong Prices Quoted In Ad

Through error the prices on two items appear in Oakley's Grocery and Market advertisement in the Thursday edition of this newspaper were misquoted.
Red and white potatoes were priced at 6 cents each instead of 6 cents per pound and lettuce was listed as 10 cent per pound when it should have been 10 cents each.
The Telegram regrets this error which herewith is corrected.

Distaff Side Of Armed Forces

The four chiefs of the Women's Armed Services met over a global map in Washington to discuss their new status following the recent signing of a bill by President Truman, making the Women's Services part of the regular forces of the U.S. From left to right are: Capt. Joy Bright Hancock, director of Women's Reserve, U.S. Navy; Col. Mary A. Hallaren, Director of Women's Army Corps; Col. Geraldine P. May, director of Women in the Air Forces; and Major Julia E. Hamblet, director of the Marine Corp Women's Reserve. — (NEA Telephoto).

Breckenridge Veterans Stage Air Show Sunday

Sponsored by Breckenridge World War Veterans there will be an air show at Breckenridge Sunday afternoon.
The show, which will be at the Breckenridge Airport, will open at 2:30 p. m. with the United Nations Flag parachute jump, featuring Elmo Bannister, stunt flier, in a P-38.
Among the numerous thrilling stunts to be seen at the Breckenridge show will be a man cranking his plane in mid-air. 50 feet from the ground, wing walking three feet from the ground; the batwing jump; diving to gain speed, opening of batwings at 9,000 feet, etc.
Since the Breckenridge Veterans are staging the show to raise funds with which to help pay for their Breckenridge Veterans Home a charge of \$1.00 for adults and 50c for children, (taxes include), will be made for admissions.

Changes To Be Made July 1 At Local P. O.

As a result of the Eastland post-office changing July 1 from second to first class, the collection of box rents for the September quarter will start Monday, June 21, Postmaster E. E. Layton, states.
Box rent schedules will be changed also, Layton said, and will be as follows:
Old Rates New Rates
60c 75c
75c 1.00
1.00 1.50
1.50 2.00
Another change that will be put into effect with the changing of the office from second to first class will be that the money order window will open at 9:00 a. m. and close at 5:00 p. m. instead of at 8:00 a. m. and close at 6:00 as heretofore.

Civil Service Favors Those With Military Service

A recent report on employment in the Federal service reveals that in March 1948 for the eighth consecutive month, about 41 out of every 100 Federal employees had seen military service or were entitled to veteran preference, according to Thomas W. Saling, Regional Representative, Fourteenth U.S. Civil Service Region, Dallas, Texas. Other interesting facts included in this report are:
Veterans and persons entitled to preference numbered 789,243 out of 1,794,106 Federal employees in the continental United States. A year ago, in March 1947, persons with veteran status accounted for 42 out of every 100 Federal employees; in March 1946, 31 out of every 100 employees had veteran status. The number of persons in the Federal service with veteran preference increased to 836,485 in July 1946 then decreased in the following year to 770,028 in September 1947. Recent months have shown increases, raising the number of veterans to 789,243 in March '48.
Most of the employees with veteran status in Federal employment are men (95 per cent). Among the 37,798 women with veteran preference in March 1948 22,331 or 59 per cent, were formerly members of the WAVES, WAC, and other women's military service organizations during World War II, while 15,467 were wives of disabled veterans or widows of veterans.
Among the Federal men employees, more than half (55 per cent) in March 1948, had had military experience where as only 9 per cent of the women in Federal agencies had veteran preference. Except for one small agency in which all the men had veteran status, the Veterans Administration outranked any other agency in the proportion of men veterans on its pay roll (88 per cent). This agency also showed the highest proportion of women entitled to preference (17 per cent) among the larger agencies as well as the largest number (12,932).
Ex-service persons with disability preference continue to increase in number each month. They reached the total of 99,123 in March 1948, or 1.1 per cent of Federal employees with veteran preference.
While total Federal employment has declined substantially since VJ-Day, Mr. Saling said, the number and proportion of veterans in the Federal service has rapidly increased and will continue to do so under the provisions of the Veterans' Preference Act of 1944, which requires that veterans be given preferential consideration for employment in the Federal service.
There will be less fats and oils for foods this year than last.

Olden Baptist Vacation Bible School Closes

Commencement exercises for Daily Vacation Bible School were held Wednesday night at 8 o'clock at the Olden Baptist Church, with about 55 children graduating.
After an interesting program was presented, the parents viewed the work of the children which were displayed in the Sunday School rooms.
The intermediate group with Rev. and Mrs. Clifford Nelson and her mother, Mrs. Dennis of Brownwood, Miss Nannie Allmon and Mrs. G. D. Riley then enjoyed refreshments in the home of Miss Barbara Dick.
Promises To Make Good
READING, P. (UP)—A thief with a conscience has promised Mrs. Ida Hoyer that eventually he will return all of the \$35 he stole from her home. Methodist To Have Father's Day Service

Rev. J. M. Bond, pastor of the Eastland First Methodist Church announces that a "Father's Day" service will be conducted Sunday morning and that the subject of his sermon for that hour will be "Sons of God."
The choir will render special music for the Father's Day service.
Also the choir will rehearse on Friday night, which is the regular time, due to the fact that the Mother-Daughter banquet will be held at that time. Robert Clinton, the new choir director, will be in charge.
The morning service Sunday will be at 10:50 and the evening service at 8:00 o'clock.
Sunday school will be at the usual hour of 9:49.
Everybody is cordially invited to all of these services.

Additional Safeguards For VA Homebuyers

Lending institutions and appraisers in North Texas have been advised by the Veterans Administration that a new ruling, throwing additional safeguards around veterans who buy completed homes with the help of GI loans, will become effective July 1.
The appraiser's report showing reasonable value of property sought by the veteran, based on a site inspection, formerly went to the lender. Under the new ruling, the appraiser will report directly to VA, instead of to the lender. A certificate of reasonable value on the house to be financed under a GI loan will be sent to the lending institution with a copy to the veteran-purchaser. The veteran will also be furnished with a letter from the appraiser calling attention to deficiencies or conditions—if any—which may affect the cost of the up-keep of the property.
The new rules, said Scott B. Harrington, Manager of VA's Dallas Regional Office, apply only to completed or so-called "old houses" financed under GI loans. Veterans who buy uncompleted homes under VA or FHA inspection systems will continue to be protected by the required periodic inspections during the period of construction.

TRUMAN HOME; MAY TANGLE WITH CONGRESS

WASHINGTON, June 18 (UP)—President Truman returned to Washington today from his 9,000-mile coast-to-coast speech making tour just in time for possible new tangles with the Republican-controlled Congress.
The President's special train rolled into Union Station here from Baltimore, last stop on his 15-day trip across the nation. The trip started out non-political but didn't stay that way long.
Mr. Truman went directly to the White House for conferences with cabinet members and others on issues that have come up during his absence.
For the next few days, he will spend most of his time examining legislation passed by Congress in its rush toward adjournment.
Although Congress recently overrode three of his four vetoes in four days, Mr. Truman promised to keep the vetoes coming.
"I think I am vetoing in the public interest," he told a back-packet audience in Richmond, Ind., yesterday.
In the past 15 days since he left the White House on June 2, Mr. Truman has told audiences from Maryland to Oregon what he thinks of the Republican Congress—which isn't much—and has outlined basic issues on which he will wage his election campaign.

VOTE IS 283 FOR, 130 AGAINST; INDUCTIONS START NEXT YEAR

Congress Gives Money Bills Last Minute Attention

WASHINGTON, June 18 (UP)—The Senate passed and sent to the House today a resolution authorizing a \$65,000,000 loan to the United Nations for construction of its permanent headquarters in midtown New York.
Senate-House conferees have agreed on a 45-million-dollar a year program of federal highways for the next two years, while another group of conferees battled over how much money to spend on foreign aid.
House members were trying to make a two-million-dollar cut in funds stick.
Time is on the side of the House. For its members can sit tight as the clock ticks off the hours toward hoped-for adjournment tomorrow night.

Vandenberg To Remain Neutral In GOP Contest

By United Press
Senate President Arthur H. Vandenberg was reported today to have assured Sen. Robert A. Taft that he would be neutral in the contest for the Republican Presidential nomination.
The report came from Philadelphia where the Republicans open their nominating convention Monday. It followed published reports that Vandenberg would go along willingly with the nomination of Gov. Thomas E. Dewey of New York if John Foster of Dulles were named Secretary of State.

Mother-Daughter Banquet Thursday Night, Successful

The annual Mother and Daughter banquet sponsored by the Susanna Wesley Sunday School Class of the Methodist Church Thursday evening was a big success, judged by the large number attending and the excellent program given.
Corsages were given to Mrs. Milton Day for being the mother with the most daughters present, Mrs. Bill Pryor for being the youngest mother present, and Mrs. Annie Day for being the oldest mother there. She had four generations represented at the banquet.
Mrs. W. G. Marquardt was in charge of the program.
The University of Oklahoma opened in September, 1892, in a rented store building in Norman, with a faculty of four teachers.

WASHINGTON — The House today passed a delayed-action peacetime draft, providing for one-year inductions to begin next year.
The roll call vote for passage was 283 to 130.
Thirty Democrats, 98 Republicans and the two American-Labor Party members voted against the bill. Voting for it were 145 Democrats and 138 Republicans.
The House bill provides for induction of men 19-through 25 years of age. But it was considerably milder than the

Republicans Sure Of Passage Of Housing Bill

WASHINGTON June 18, (UP)—Republican leaders were confident they could push their watered-down housing bill through the house today, despite President Truman's outspoken objections.
Speaker Joseph W. Martin, Jr., predicted the measure would win the two-thirds majority necessary for passage under a suspension of the rules procedure. The GOP leadership resorted to this parliamentary tactic to block Democratic attempts to amend the legislation on the House floor.
There is strong sentiment among Democrats and among some Republicans for the public housing, slum clearance and rural housing provisions of the Senate-long-range housing bill. These are not included in the modified House version which provides instead for a series of financial aids to private builders.
Sen. Glen H. Taylor, D., Ida, has threatened to "talk at length" against whatever measure is reported by the conference committee.
Wherry said congress was determined to quit tomorrow whether or not there is a filibuster.
"If there is a filibuster, we will have to break it," he added.
Except by a cloture vote, which requires a two-thirds majority vote to limit debate, filibusters can be broken only by keeping the Senate in continuous session until the filibusters stop talking.
The proposal probably will be made a few days before the present truce expires July 9, it was said.

Proposal Made To Extend Truce Another Month

LAKE SUCCESS, June 18 (UP)—The United States and Great Britain, and some other nations, are planning to propose to the United Nations Security Council that the 28-day truce in Palestine be extended another month, it was reported today.
The proposal probably will be made a few days before the present truce expires July 9, it was said.

Envoy Turns To Peace Solution

TEL AVIV, June 18 (UP)—Count Folke Bernadotte turned to the task of finding a suitable formula for permanent peace in Palestine today after hearing both Arab and Jewish terms.
Abdul Rahman Azzam Pash, secretary general of the Arab League said in Cairo that Bernadotte had agreed to submit his peace proposals before the four-week Palestine truce expires three weeks from now.

Colored Choir To Sing At Baptist Church Sunday

The Colored Choir of Eastland is to be the guests at the Baptist Church Sunday morning at 9:45 where they will give a fifteen minute program.
They were invited by the Men's Adult Class of which J. L. Waller is superintendent, to sing for the public.
Everyone who does not attend Sunday school at some other church has been cordially invited.

Ching-Lewis Talks Get No Results

WASHINGTON, June 18 (UP)—Federal Labor Mediator Director Cyrus Ching today made a "final appeal" to John L. Lewis to back down from his stand and resume soft coal contract talks at once. He talked to Lewis privately, but there's no indication he got anywhere.

20 YEARS AGO TODAY JUNE 18, 1928

J. M. Perkins, member of the executive committee of the Eastland County Boy Scouts Council; Guy Quirl, scout executive, and Tom Foley of Cisco, spent Saturday digging out and walling a spring on the site of the summer camp of the Boy Scouts. They dug it about eight feet deep and obtained a flow of about one thousand gallons of pure, clear cool water every 24 hours. It will be ample for camp purpose with plenty to spare.

Reopening today with seven new students enrolled, the Eastland Business College appears to be on the edge of a busy summer session. Professor Roof, head of the school, said that as many more students would be enrolled within the week.

Mr. and Mrs. Ben F. Elliott have returned to their home in Birmingham, Ala., after a delightful visit to the family of A. J. Elliott. Miss Julia Elliott accompanied them and will be their guest for several weeks.

Meeting today for the first time in their new quarters in the Connelley Hotel, on the roof garden, the Eastland Rotary Club enjoyed a splendid program, which included a number of violin solos by Miss Wilda Drago, accompanied at the piano by Miss Gresham; talks by Judge Cyrus B. Frost, Dr. J. A. Caton and Mr. Brown, superintendent of the construction of the hotel. President Joseph M. Weaver presided at the meeting. Earle Johnson was chairman of the program committee. Among the visitors introduced at today's meeting were: LeRoy Pearson, Ranger; Cyrus B. Frost, Eastland; Mr. Brown,

Eastland; J. E. Spencer, Cisco; Nick Nicholas, Cisco; Dr. Graham, Cisco.

Two men are in a dying condition in the West Texas Clinic at Ranger as the result of a collision of automobiles about five miles east of Ranger on the Bankhead Highway. Frank Frazer of the Texas and Pacific, was near death shortly after noon today, and J. H. Anderson, of Baird, mechanic for the Texas and Pacific is in the hospital suffering from cuts and bruises and internal injuries. His recovery is doubtful. W. F. Williams, Pipe foreman at Baird for the Texas and Pacific, was slightly hurt.

These three men were driving from Strawn to Baird, They met and collided with a car driven by Harvey Thurman, route 3, Cisco, who was accompanied by a boy and girl. None of these were hurt.

15 YEARS AGO TODAY JUNE 18, 1933

According to Eastland Chamber of Commerce Officials plans for the big swimming pool proposed as one of the Eastland projects to be built with federal funds under a self-liquidating plan, have been completed and sent to the proper authorities and it is expected that developments toward completion of negotiations for the money will be rapid and work started in the very near future. The site for the swimming pool is in the City Park in the Southwestern Part of the city.

Seeing Eye Dogs Color Blind

CHICAGO (UP)—Seeing eye dogs are smart but they can't observe traffic signal lights because they are color blind.

To settle an argument, two Chicagoans got an authoritative answer from Morris Frank, vice president and co-founder of Seeing Eye Foundation.

Frank wrote from his headquarters at Morristown, N. J.: "To the best of our knowledge, the dogs are color blind. This information was derived from scientists who have studied the subject."

He went on to point out that "from a guiding point of view" it does not make much difference.

"Most streets do not have traffic lights," he said. "When there are traffic lights, motorists can make right and left turns—and some motorists disregard the lights."

Frank said the dogs are taught

Proposes Formula For Labor Peace

ITHACA, N. Y. (UP)—Failure to recognize human dignity in labor relations is the cause of much of the trouble between labor and management, according to Gen. Robert Wood Johnson, chairman of the board of directors of Johnson & Johnson.

The New Brunswick, N. J., in-

dustry, writing for the Industrial and Labor Relations Review, published at Cornell University, said future progress depends on both management and labor accepting four major premises. He listed these as:

1. The root of labor-management trouble is destruction of human dignity; management must restore and develop dignity in both the individual worker and his associations or unions.
2. Management must take the lead in providing constructive, creative leadership.
3. Labor will welcome such leadership and collaborate with it.
4. Restoration of dignity to employment will be profitable in industry, to workers themselves and to the general public.

Melba Ruth Reed S. E. Carter, Jr. To Marry June 27

Mr. and Mrs. Henry E. Reed announce the approaching marriage of their daughter, Miss Melba Ruth Reed, a recent graduate of the Cisco High School, to S. E. Carter, Jr. son of Mr. and Mrs. S. E. Carter of near Cisco.

The simple rites will be spoken by their pastor, Rev. Windle Lee at 9:00 o'clock on the morning of June 27, at the Long Branch Baptist Church, just preceding the Sunday School hour.

Miss Juanece Reed of Carbon is to be the bride's maid and Robert Jones of Cisco will serve as the best man.

Special music on the violin and piano is to be furnished by Misses Pearle and Pearlene Farley from Cisco.

The many friends of this young couple are invited to attend this marriage ceremony. Mr. and Mrs. Reed stated.
