Area OIL News

Following is report of activities in the Kirk Field, Gorman, for August 10:

T. A. Kirk and Mellard No. 1 Moseley drilling at 2895. Showing on this well is not too favorable as yet.

W. B. Johnson No. 1 Bob Koonce set 8 inch casing Sunday at 2052. They are drilling now at 2135.

Commercial Production No. 1 Lonnie Parks drilling at 2568. Henshaw Brothers No. 1 T. W. Pittman drilling at 2688.

W. U. Paul is respening the No. 1 Boyd South of De Leon about 8 miles east of Downing. This well was drilled somewhere back in the early Spring — about February we believe — to a depth of 2290. This drilling will be an Ellenberger test.

National Cooperative Refining Association No. 1 Krel is being acidized finally after having set WOC for 5 weeks, and then having had trouble with a break in the tubing over the week end. There are apparently two streaks of pay in this well one in sand at 28 feet and the other in the Marble Falls for a total of 42 ft. They are working on the Marble Falls first. If this does not pan out then we understand they will back up.

Leasing is going on all around Gorman, even more steadily than ever, it seems; and the area is more widespread, extending from over as far as Lingville in Erath County back west to Rising Star and from the area around Eastland and Cisco on south almost entirely through Comanche County. And of course, Brown is having quite a flurry of its own.

Plans Underway To Drill Within City Limits

This city of 7,000, already the center of revived oil activity in almost all directions, may be the scene of a townsite drilling rush.

Frank Day, veteran oil man, has announced plans to drill inside the city itself.

Though thousands of wells were drilled in Eastland County during the great boom of 1918-21, Eastland was not invaded by derricks as early in the boom, an ordinance was passed prohibiting drilling within the city limits. This ordinance, however, was recently rescinded by the City Commission.

Day, a pioneer of oil development in the county, states that he is negotiating for a drilling block in the city.

Townsites drilling was a spectacular feature of the boom of many years ago in Burk Burnett and Dedezona where derricks spouted in back yards, front yards, on vacant lots and at the rear of stores. During the East Texas boom, Kilgore witnessed the drilling of nearly a thousand wells within its city limits.

Because of the small tracts into which a town is divided, townsite operations have been the most intensive type of drilling known to the oil industry.

Mrs. Geo. Fields Elected President Legion Auxiliary

Mrs. George Fields, was elected president of the American Legion Auxiliary at the meeting Tuesday evening at the Legion Hall. Mrs. J. H. Safley was elected first vice-president; Mrs. James Fields, secretary; Mrs. W. W. Carney, second vice-president; Mrs. Anita Laurien, chaplain and Mrs. George I. Lane, Sgt.-at-Arms.

Historian and treasurer are to be elected at the next meeting which will be September 31. Installation of officers will be at that time also.

Mrs. George Fields, president-elect, was elected by the auxiliary as a delegate to the State Convention at Corpus Christi, September 12-15.

Mrs. J. H. Safley and Mrs. Geo. I. Lane plan to attend the convention.

'48 Corn Crop May Set Record, Raise Prices

WASHINGTON, Aug. 11 (UP)—Agriculture Department officials predicted today that the prospects of a record corn crop this year will send meat prices higher in the near future, but it will mean "generally lower food prices and a better supply" next year.

These officials said that if the estimated 3,506,363,000 bushel corn crop becomes a reality this fall, it will mean cheaper feed and farmers will withhold more animals from the market for fattening and breeding.

On each field, where the fertilizer is used, will be a check plot that will receive no fertilizer, for the purpose of comparison of yields.

The farmers receiving the fert-

ilizer are well scattered over the county and are as follows:

Doss Alexander, Pioneer; H.H. Lawson, Pioneer; Lawrence Davis, Nimrod; Fred Brizendine, Rising Star; Cecil Shultz, Rising Star; Howard Ingram, Scranton; T. B. Smartt, Cisco; Alvis Rodgers, Forman; Jewel Solder, Kokomo; B. S. Dudley, Jr., Ranger; Herman Hodges, Olden, Oral Davis, Okra and O. R. Buchanan of Rising Star.

Tobin May Be Next Secretary Of Labor

Former Massachusetts Governor Maurice J. Tobin, left, has announced after a visit with President Truman, that he would advise the President within 48 hours whether he will accept appointment as Secretary of Labor. With Tobin at the White House are Mrs. Tobin, and Rep. Harold D. Donohue, right, of Worcester, Mass. — (NEA Telephoto).

Plans Completed For TAAF Boxing Tournament

Plans are complete for the District T.A.A. F. Boxing tournament to be held in Cisco Friday & Saturday nights August 13th & 14th, under the lights of the Cisco Soft Ball park. The meet is under the joint sponsorship of the Cisco Junior Chamber of Commerce and the Eastland Quarterback club. Noll Day of Eastland is director general.

Entries have already been received from contestants from Eastland, Stephens, Taylor, Brown, Comanche, Young, Mills and Callahan Counties. With the entry of Fighters like Tom Adams, State Golden Gloves light heavy weight champion, Jack Turner, classy flyweight and Eddie Brock, tough fighter all from Abilene, this years team bids to be even better than the team that finished third in State competition, last year.

Entries will be received up until weigh-in time Friday night and Day urges all boys who plan on entering to be in Cisco at the Soft Ball park not later than 5 p m Friday after noon August 13th. Tickets will not be on sale prior to the date of the fights but good seats for all are assured with the addition of 500 ringside seats.

John Alexanders Moving To Midland; Will Operate Gin

Mr. and Mrs. John Alexander are moving to Midland, where Mr. Alexander will be in the ginning business. Mr. and Mrs. Alexander are selling their home, 901 South Halbryan, and plan to move Monday. Mrs. Alexander has served as president of the W.M.U. of the First Baptist Church for some time.

AFL Possibly To Support Truman In Fall Election

A majority of AFL unions will support President Truman regardless of whether the AFL's national political league endorses his candidacy, labor officials said today. They said the President's firm stand against the Taft-Hartley Labor Law will assure him of the backing of most individual unions. Some AFL officials, it was said, are urging the political league to come out for Mr. Truman.

ROTARIANS GUESTS OF BOY SCOUTS

Troop No. 6 Eastland Boy Scouts, under the direction of Bill Collins, scoutmaster, assisted by Bill Jessop, scoutmaster for Scout Post No. 48, was host to the members of the Eastland Rotary club Monday evening.

A melon cutting at the Eastland City Park preceded the program, which consisted of a council meeting at which various dances and other Indian lore were demonstrated and in some of which the Rotarians had a part. The program, a very impressive one, was ably put on by the scouts of Troop 6.

Delegates Give Lions Report On Convention Trip

The Eastland Lions club Tuesday noon heard interesting accounts from the club's delegates to the recent Lions International convention in New York. The reports were by Lions Bruce Pipkin and W. Q. Verner.

John Alexanders Moving To Midland; Will Operate Gin

Mr. and Mrs. John Alexander are moving to Midland, where Mr. Alexander will be in the ginning business. Mr. and Mrs. Alexander are selling their home, 901 South Halbryan, and plan to move Monday. Mrs. Alexander has served as president of the W.M.U. of the First Baptist Church for some time.

They said the President's firm stand against the Taft-Hartley Labor Law will assure him of the backing of most individual unions. Some AFL officials, it was said, are urging the political league to come out for Mr. Truman.

Annual Melon Cutting To Be Friday Night

N. P. McCarney, president of the Men's 9:49 Bible Class of the Eastland First Methodist Church, announces that plans are being completed for the annual Melon cutting event Friday night at the Eastland City Park.

For many years this melon cutting has been one of the outstanding annual events of Eastland. It is a stag affair.

President McCarney said that the full program was not ready for announcement at this time, but would be in a day or so. The melons, he stated, had been secured and were on ice and that every thing points to a good program and a genuine good time Friday night.

The program opens at 7:30 p. m.

Special invitations are extended Scoutmasters Bill Jessop, Bill Collins and J. F. Collins and the members of their troops and to Coach Wendell Seibert and members of the Maverick football squad.

Jackpot Goat Roping Contest Plans Complete

It was announced today that plans are being completed for the jackpot roping contest which will be staged in Ranger the first night of the West Cross Timbers Sheep and Goat Raisers Association show and sale on August 20-21.

Entry fees will be \$5.00 and the association will add \$50 to the entry fees, the money will be split 40, 30, 20 and 10 per cent among the winners.

Those who wish to enter the goat roping contest are asked to register at the C. P. Cloud wool and mohair storage house in Ranger.

LeRay Area To Furnish Huge Quantity Of Gas

Next winter, approximately 75,000,000 cubic feet of natural gas will be taken daily from the vicinity of LeRay, the vanished boom town on the Eastland-Stephens County line. This figures out \$4,500 a day or approximately \$1,500 a month an impressive revenue from a sector which was considered for 25 years as "played out" but which has recently witnessed a revival of drilling.

BAD WEATHER WILL NOT STOP AIR OPERATION

BERLIN, Aug. 11 (UP)— U. S. Air Secretary W. Stuart Symington said today that the Western air fleets can keep on supplying Berlin as long as they are required to, "even through the winter weather."

Symington, who came to Germany to inspect the aerial ferry to Berlin, spoke of the possibility of operating it in winter weather as if the city might still be blockaded by the Soviets at that time.

He said bad weather would slow the operation, but the winter "would not keep us from doing the job." The air forces can "keep it up as much as desired, even through winter weather," he said.

Symington and his chief of staff Gen. Hoyt S. Vandenberg, came to a Berlin depressed by a wave of pessimism over the prospects for an end of the crisis. The first flush of hope over East-West talks in Moscow had faded, the situation deteriorated even further last week end and the cold war was in full swing.

New charges of violating air safety rules were flying thick and fast, and the Soviet propagandists boasted enough Russian foods to supply all of Berlin for 40 days was on hand here.

American airmen flying the corridors to the west reported Soviet planes darting about the area engaged in some sort of maneuvers. They "believed," but were able to say for sure, that Soviet ground batteries were firing at a sleeve target towed by a Russian fighter.

Rockettes Whip Breck. Team By 12 To 4 Score

The Willy-Willys Rockettes added another victory to their long string here Tuesday night, defeating the Breckenridge eBles 12 to 4.

Holding the opposition to scattered runs in the second, third and fifth innings, the Rockettes exploded for five runs in the first inning, which would have been enough for the win, and five more in the second. After adding one more marker in the third, they coasted the remainder of the game, with Berry's four-bagger in the sixth accounting for the other run.

In the second frame Breckenridge could get only one run from a triple, double, single, and a Rockette's error. In the third, Berry's home run with one on got two runs. A two-base hit, an error, and a base-on-balls made the Belles' last run in the fifth.

The line score: Breckenridge 0 1 2 0 1 0 0-4 H. 8, E. 4.

Willy-Willys: 5 5 1 0 0 1 4-12 H. 11, E. 4.

Batteries: Tipton and Brazil V. Maynard and W. Maynard.

SOONERS TO GROW BEARDS IN MUSKOGEE

MUSKOGEE, Okla. (UP)—Men who don't want to cultivate their whiskers until the Indian celebration here Oct. 14-15 may buy shaving permits for \$2.

That's the only way they can shave and escape "horrible" consequences at the celebration. Males of one-eighth Indian blood or more and those under five years old are exempt from the rule.

A "Sooner Beard" club has been formed with scores of members. Some merchants have wired razor blade manufacturers to hold up shipments until Oct. 16.

EMBASSY OFFICIALS TESTIFIED AGAINST

WASHINGTON, Aug. 11, (UP) — Elizabeth T. Bentley said today that Anatol Gromov, first secretary of the Soviet Embassy, gave her \$2,000 and told her she had been awarded the Red Star for her services as a spy on the American government.

Miss Bentley told the House unAmerican Activities committee that the pay-off took place on the New York waterfront on Oct. 17, 1945, while she was under surveillance by FBI agents.

At that time, she said, she knew Gromov only as "Al." Miss Bentley has been the No. 1 witness in a Congressional investigation of alleged Red

Many New Wells To Be Drilled In This Area

The National Co-operative Refinery Association, with headquarters in Houston, will drill in the Kirk Pool, in southeastern Eastland County, location having been announced for the No. 1, EE, C. Watson, a north offset to production.

The Dekalb Agricultural Association Inc., with headquarters in Lubbock, announces location for the No. 5 Ima Higgins in the Chaney field in Stephens County. The Stekolli Pipe & Supply Company of Okmulgee, Okla., is drilling the No. 1 Gage, six miles northeast of Cross Plains, the test being in Eastland County.

Just inside the northern line of Eastland County, C. B. Grace and Wesley Stephens will try for Caddo production with their No. 1 Etha Billman, 330 feet from the north and 730 from the west line, Sec. 238, SP Survey.

Alsabrook, Noted Football Player, To Drill In Area

Back in the middle 1920's football crowds of the Oil Belt district were cheering for "Pinkie" Alsabrook, star wingman and fullback of the great Cisco Lobo elevens of those days and afterwards a stellar performer as end and halfback at Texas A & M.

Now the Oil Belt is "pulling for" Alsabrook again. The firm of Alsabrook and Kemp of Dallas has acquired 8.6 acres from L. H. McCrea et al and are starting a well on the small tract. The location, in the Kleiner pool, is 1,700 ft N of the Lone Star Producing Company's Kleiner No. 1-A, which encountered 340 ft of the Mississippi lime and thereby touched off the "play" in that area.

The Killingsworth well on the Fee, half a mile to the east of the Kleiner, has widened the scope of activities as it is conservatively rated at 50 barrels a day after having been perforated in the lower section and may be increased if the upper section is perforated. The Lone Star is setting pipe on the Kleiner No. 2 preliminary to testing and is moving in for a well on the G. W. Daniels. The Skelly on the Thomas is testing in the lower part of the Mississippi and the Hickok well, also in the Kleiner area, is re-acidizing. This is a well though the amount is yet definite.

Word was received last night that Mrs. Mozelle Cherry of Austin, formerly of Ranger, is in critical condition following an operation the latter part of last week.

Mrs. Cherry underwent an emergency operation at St. David's hospital and if her condition will permit, will undergo another operation this week. It was reported last night that she had taken a turn for the worse and considerable concern was felt as to her recovery.

Mrs. Cherry is the mother of Blair Cherry, head coach at the University of Texas and Alton Cherry of Dallas.

Kindergarten School To Be Opened Sept. 7

Miss Charlene Baker announces the opening of the Kindergarten school on September seventh, at South Ward School. This will be Miss Baker's fourth year in the kindergarten school here.

HAS TONSILECTOMY Nancy Gann, daughter of Mr. and Mrs. D. E. Gann, South Connelie, is home from the Gorman Hospital where she had a tonsilectomy. Nancy is doing fine.

16 Farmers Will Demonstrate Value Of Using Fertilizers

A total of 50,000 pounds of sixty-one percent calcium metaphosphate TVA fertilizer was recently distributed to 16 Eastland county farmers, according to J.M. Cooper, Eastland County Agricultural agent, who requisitioned it for demonstration purposes.

The fertilizer is from the TVA plant at Sheffield, Alabama, and is said to have the highest phosphate analysis of any ever brought into Eastland County. It is to be used under soil building crops and

## NEWS FROM CARBON

CARBON, Aug. 10—Mr. and Mrs. J. S. Wilson had a family reunion Sunday. Those present for lunch were: Mr. and Mrs. Gardner Harris and daughter, Willie Fay, of Houston; Mr. and Mrs. Foster Murray and family of Eastland;

Mr. and Mrs. J. T. Wilson and family, and Mrs. Lizzie Wilson of DeLeon.

Miss Christine Rhyne became the bride of Cecil Self Saturday night at eight o'clock. They were married in Eastland. Mrs. Self is the daughter of Mr. and Mrs. Clayton Rhyne and Mr. Self is the son of Mrs. Bill Self of Gorman. All their friends wish the young couple much happiness in life.

Miss Bettie Hastings spent her vacation in Odessa.

Miss Maude Brooks of Ft. Worth visited her sister, Mrs. Allie Gilbert last week.

Mrs. Earl Tonn and son, Wayne left Saturday for Ft. Worth to join her husband. They will make their home there where he has employment.

Mr. and Mrs. Paul Bullock of McCombs visited Mr. and Mrs. J. S. Wilson last week. Mrs. Bullock's sister, Miss Joyce Lenell Murray, and brother Leo Murray of Eastland, returned home with her for a visit.

Mrs. Henry Collins visited her son, D. M. Collins and family of Brownwood last week.

Mrs. Curtis of San Antonio is visiting her sister, Mrs. Hallie Seastrunk.

Mr. and Mrs. Bob Collins and family, Mr. and Mrs. Joe Collins

and family of Eastland visited their parents, Mr. and Mrs. Henry Collins, Sunday.

Mr. and Mrs. Henry Maness have returned home after an extended visit with relatives and friends in Mississippi. Her brother from Memphis, Tennessee returned home with them for a visit.

Mrs. Alice Speer visited her daughter, Mr. and Mrs. Lorance Owen and family of Eastland last week.

Mrs. Bill Vincil and son, Naylor of Jayton, visited her parents, Mr. and Mrs. W. S. Maxwell over the week-end.

Miss Margie Hines visited Mr. and Mrs. D. L. Adair and family of Temple over the week-end.

Mrs. D. L. Pogue of Oklahoma visited her son, Mr. and Mrs. Pogue last week.

Mrs. Boyd Bledsoe and children of San Antonio visited her parents Mr. and Mrs. W. O. Hamilton, over the week-end.

Mrs. E. R. Yarbrough is visiting her brother, L. L. Bruce of Ranger. They are visiting their mother Mrs. Bruce in Weatherford.

Mr. and Mrs. H. L. Thompson and children of Cisco visited her mother, Mrs. Fannie O'Brien over the week-end.

Mr. and Mrs. George Rhyne and family visited her brother, Mr. and Mrs. J. M. Rhyne and family of San Antonio last week.

Mr. and Mrs. P. H. Bowen and son Bill of Rogers and W. A. Moore of Bartlett visited his sister, Mrs. W. J. Hines and Henry Hines and family and Mr. and Mrs. Plummer of Eastland.

Mrs. S. L. Craighead and son, S. L. Jr., are visiting in Ft. Worth.

Mr. and Mrs. Bill Cavander and family of Ranger, Mr. and Mrs. Luna Jackson of Eastland, Frank Jackson of San Francisco, and Henry Jackson of Texas City all visited in the Elbert Jackson home last Sunday.

Mr. and Mrs. Ray Hardin of Stephenville visited his aunt, Mr. and Mrs. T. L. Black and family last Sunday.

Mrs. Oscar Foust visited relatives in Neward last week.

Mrs. J. S. Davis is visiting her son V. K. Davis and family of Bay Town.

During World War II, transports of the U. S. Air Force flew more than 4,000 supply missions to Tito's forces in Yugoslavia.

### Expert Advice on "Battle of Bulges"

WALTER THORNTON, famous New York beauty judge, selects Louise Hyde as a perfect bathing beauty type from a bevy of mermaids at Suncliff, beauty haven in the hills of Tarrytown, New York. Here, Thornton is shown measuring Miss Hyde's slim hips as she reveals the secret of her trim figure—under her bathing suit of black faille she wears a new panty girdle invention made of tree-grown latex (not rubber) which fits like her own skin and pats dry with a towel in a jiffy.

"An attractive figure is more important than a pretty face on the beach," said Thornton. A new plastic that can be molded and cut into exact models of industrial tools or machine parts and then tested under stress has been developed.

## SAN DIEGO PLANNING SUPER SPORTS ARENA IN ARCTIC STYLE

SAN DIEGO (UP)—You have to stretch your imagination to visualize the gigantic sports plant planned by a group of enthusiastic local men.

First you take a plant big enough to house ice shows, basketball games, tennis matches and indoor circus performances. Then you throw in a couple of bowling alleys, a large restaurant, a boxing arena, a huge convention hall, frozen food lockers, an ice plant and shops and concessions.

That gives you the "Arctic Circle" auditorium, which the sponsors say will put New York's Madison Square Garden in the shade.

To conceive such a big undertaking, as did Bill Scroggs, local business man and civic leader, and J. C. McDonald, sports promoter, one either must first build it or find an existing structure large enough to house it.

Then it takes about four years of planning, and throwing thousands of dollars into it; selling the stock; adding another \$1,500,000 into the rearranging and construction of plant facilities and you are ready to open up for the paying customers.

By the end of the year, Scroggs and McDonald (both with a good reputation as business men,) say Arctic Circle will be a solid reality.

They are paying \$100 a day on an option for one of the former ten-acre airplane manufacturing buildings which were used during the war by Consolidated Vultee Aircraft Corporation to build the B-24 Liberator bombers, PBV Catalinas, etc.

C. W. Carlstrom, a San Diego property investor, bought the plans from the War Assets Administration as war surplus with the idea of developing the

buildings for light manufacturing, warehousing and general commercial and industrial use.

Scroggs and company have been paying on the option since April 1, so local observers conclude that they are actually serious about the business.

They have offered free of charge one auditorium of approximately 50,000 square feet to San Diego Convention Bureau, which will enable San Diego to compete with Chicago and Atlantic City as the convention capital of America.

A study of the fancy architectural drawing shows that Arctic Circle will be available for an ice show on one night and de-iced and ready for a tennis match by next morning.

Since they will need an ice plant to freeze up the ice for the arena, the sponsors decided they might as well pick up a few dollars by setting aside one area for cold storage and frozen food lockers, which are at a premium in San Diego.

## Bathroom As Beehive Found Not So Good

LANCASTER, Wis. (UP)—Bees in the great outdoors are all right but bees in the bathroom at ; not so good.

Dr. H. W. Carey, city health officer, discovered that when he tried to evict a swarm that had set up housekeeping between the studding and an outside wall of the bathroom. Sections of the roof and wall had to be opened.

The Carey family decided the bees had to go during a recent heat wave, when honey began to drip down the door and window frames and to run across the floor.

It took two carpenters and an old-time beekeeper to remove the bees. But the Careys could point to more than 200 pounds of honey to balance the expenses.

H. J. R. No. 13  
**HOUSE JOINT RESOLUTION** amending Section 15 of Article XVI of the Constitution of the State of Texas, by adding thereto a provision that the husband and wife from time to time may in writing partition between themselves in severally or into undivided interests all or any part of their community property, whereupon without prejudice to the right of existing creditors the portion or interest set aside to each spouse shall be and constitute a part of the separate property of such spouse; further providing that such Constitutional Amendment if adopted shall be self-operative and self-executing; providing for the submission of this Amendment to the voters of this State; prescribing the form of ballot; providing for the proclamation and publication thereof.

BE IT RESOLVED BY THE LEGISLATURE OF THE STATE OF TEXAS:

Section 1. That Section 15 of Article XVI of the Constitution of the State of Texas be amended so as to read as follows:

"Section 15. All property, both real and personal, of the wife, owned or claimed by her before marriage, and that acquired afterward by gift, devise or descent, shall be the separate property of the wife; and laws shall be passed more clearly defining the rights of the wife, in relation as well to her separate property as that held in common with her husband; provided that husband and wife, without prejudice to pre-existing creditors, may from time to time by written instrument as if the wife were a feme sole partition between themselves in severally or into equal undivided interests all or part of their existing community property, or exchange between themselves the community interest of one spouse in any property for the community interest of the other spouse in other community property, whereupon the portion or interest set aside to each spouse shall be and constitute a part of the separate property of such spouse.

This Amendment is self-operative, but laws may be passed prescribing requirements as to the form and manner of execution of such instruments, and providing for their recordation, and for such other reasonable requirements not inconsistent herewith as the Legislature may from time to time consider proper with relation to the subject of this

Amendment. Should the Legislature pass an Act dealing with the subject of this Amendment and prescribing requirements as to the form and manner of the execution of such instruments and providing for their recordation and other reasonable requirements not inconsistent herewith and anticipatory hereto, such Act shall not inconsistent herewith its anticipatory character and shall take effect just as though was in effect when the Act was passed."

Sec. 2. The foregoing Constitutional Amendment shall be submitted to a vote of the qualified electors of the State of Texas at an election to be held throughout the State on the second day of November, 1948, at which election all voters favoring said proposed Amendment shall write or have printed on their ballots the words:

"FOR the Amendment to the Constitution of the State of Texas providing that husband and wife from time to time may in writing partition between themselves in severally or into undivided interests community property existing at the time of partition so as to convert same into separate property of the respective spouses without prejudice to the rights of pre-existing creditors."

Those opposing said proposed Amendment shall write or have printed on their ballots the words:

"AGAINST the Amendment to the Constitution of the State of Texas providing that husband and wife from time to time may in writing partition between themselves in severally or into undivided interests community property existing at the time of partition so as to convert same into separate property of the respective spouses without prejudice to the rights of pre-existing creditors."

Sec. 3. The Governor of the State of Texas is hereby directed to issue the necessary proclamation for said election and have same published as required by the Constitution for amendments thereto.

H. J. R. No. 39  
**HOUSE JOINT RESOLUTION** proposing an Amendment to Article 5 of the Constitution of the State of Texas by adding a new Section 1-a, authorizing the Legislature to provide for the retirement and compensation of Judges and Commissioners of the Appellate Courts and Judges of the District and Criminal District Courts on account of length of service, age or disability, and for their reassignment to active duty where and when needed; providing for the submission of the Amendment to voters of this State; and providing for the necessary proclamation and publication.

BE IT RESOLVED BY THE LEGISLATURE OF THE STATE OF TEXAS:

Section 1. That Article 5 of the Constitution of the State of Texas be amended by adding thereto a new Section to be known as "Section 1-a," which shall read as follows:

"Section 1-a. The Legislature shall provide for the retirement and compensation of Judges and Commissioners of the Appellate Courts and Judges of the District and Criminal District Courts on account of length of service, age or disability, and for their reassignment to active duty where and when needed."

Sec. 2. The foregoing Constitutional Amendment shall be submitted to the qualified voters of the State of Texas at an election to be held on the second day of November, 1948, at which election all voters favoring such proposed Amendment shall write

or have printed on their ballots the words:

"FOR the Amendment to the Constitution of the State of Texas authorizing the Legislature to provide for the retirement and compensation of Judges and Commissioners of the Appellate Court and Judges of the District and Criminal District Courts of this State on account of length of service, age or disability and for their reassignment to active duty where and when needed."

Those voters opposing said Amendment shall write or have printed on their ballots the words:

"AGAINST the Amendment to the Constitution of the State of Texas authorizing the Legislature to provide for the retirement and compensation of Judges and Commissioners of the Appellate Courts and Judges of the District and Criminal District Courts of this State on account of length of service, age or disability and for their reassignment to active duty where and when needed."

Here's visual proof that you can lead a horse to water, but you can't make him drink. Little Janie Irvine, of Pass-a-Grille, Fla., led her horse to the water, but he just wouldn't drink. Probably because the horse knew it was salt water, and no self-respecting horse would drink salt water.

some improvement this morning. He is undergoing another blood transfusion early this morning.

**M. M. Martin's Celebrate 50th Anniversary**

Mr. and Mrs. Martin celebrated their golden wedding anniversary Sunday August 8, at their home 413 South Walnut Street, Eastland. Picnic style lunch was served on the lawn of the home and open house was held from 2:00 to 6:00 p. m. for friends.

Mr. and Mrs. Martin were married at Pioneer by a Baptist minister. They secured their license in Eastland. Mrs. Martin lived at Pioneer and Mr. Martin lived at Long Branch when they were married.

The couple have six children as follows: Mrs. T. L. Willis, Eastland, 411 S. Walnut St.; H. W. Martin, Long Branch; Mrs. Dora Harris, Lubbock; Mrs. Mandy Hallmark, Mrs. Frankie Almire, Eastland; J. W. Martin, Lubbock.

Other relatives present were: Roy Tankersley, Knox City; Lee Paul, Mrs. Annie Vernon, Martin Weatherman, Mr. and Mrs. Ellis Weatherman, Mrs. Bonnie Rickey, all of Brownwood; Mrs. L. A. Russell and sons, Melvin, Glen, and daughter, Myriene of Wichita Falls; Jack Bishop, Mr. and Mrs. Buck Maples of Long Branch.

Eastland friends attending were Mrs. Gerald Wingate, Mr. and Mrs. John Sledge, Mr. and Mrs. Artie Liles, Mrs. W. B. White, Mrs. Leon Bourland, Mrs. Frank Martin, Mrs. Christine Beskow, B. W. Patterson, Mrs. W. W. Lin-

**Saves Business--By Close Shave**

When one of Haifa's barbers went off to join the Israeli army, it looked as if the shop would have to close up. But his wife refused to throw in the towel. Instead, she learned to daub lather, scrape whiskers and cut hair and, as seen here, saved the family business.

**Baseball's Babe Ruth In Serious Condition Today**

NEW YORK, Aug. 11 (UP)—Babe Ruth was reported in critical condition today at Memorial Hospital.

The hospital issued the following bulletin on baseball's former home run king— "Babe Ruth's temperature has risen. There are pulmonary complications. Condition critical." Ruth has been in Memorial Hospital since June 24 when he was admitted for what his doctors termed "a checkup."

He has left the hospital several times since then—once to go to Baltimore for a benefit baseball game and another time to attend the premiere of a motion picture of his life story.

However, after each outing he returned to the hospital, rather than to his New York apartment.

**Houston Police Are To Protect Dixiecrat Meet**

HOUSTON, Aug. 11 (UP)—Dixiecrats kick off their southward fight for "states rights" against northern Democrats in Sam Houston coliseum tonight under the protection of 175 policemen.

Police Chief W. R. Haley ordered the large detachment to be on duty after Texas members of the Progressive Party (Wallace) party, in their state convention at Dallas yesterday, voted to picket the Dixiecrat jamboree.

"We are not going to tolerate any unnecessary heckling," said Haley. "If anyone causes trouble, my men have instructions to get them out."

The normal detachment of police for such a meeting is less than 100 men.

Gov. J. Strom Thurmond of South Carolina will formally accept the Dixiecrat nomination as Presidential candidate at tonight's meeting, which was expected to attract a crowd of 15,000 or more.

Thurmond arrived yesterday. He was joined this morning by Gov. Fielding Wright of Mississippi, his running mate, who arriv-
