Eleven Fourth Graders Have Poems Published

Earlier this year Mrs. Neal had her fourth grade class compose, type and submit original works of poetry to the Anthology of Poetry by Young Americans poetry contest.

This is a national poetry contest that is held every year and encourages elementary age students to pen an original piece of prose or poetry and submit it for consideration for the new anthology edition.

Eleven of Mrs. Neal's students' poems were selected for publication and can now call themselves published poets. The eleven students are Jose Castillo, Diana Gomez, Danna Guerrero, Yesenia Guevara and Karina

Jasso. Also, Anahis Marinelarena, Cinthia Munoz, Sandra Ortiz, Christian Rojas, Delfino Sanchez and Jason Sheena. Congratulations to Mrs. Neal's talented fourth grade poets. See their picture below.

DID YOU EVER THINK, in your wildest dreams, that you might have a United States president who had visited your small hometown (more than once) and in the case of Ye Editor, have an opportunity for a one-on-one visit, shake his hand, as well as his new wife Laura's?

Bull Town Bulletins
By Bill Ellis

Tuesday night's televised speech by Pres. George W. Bush finally brought all of this home to me. Back during the vote count (and re-count, etc. etc.), I had just about resigned myself to the fact that--well, we ALMOST got our guy in the White House.

We have had other presidents from Texas, of course. Lyndon Johnson was our "standard bearer," and a sometimes forgotten fact is that Dwight D. Eisenhower was born in our state. And Geo. Bush, Sr. (#41) was living in Texas when he was elected president in 1988.

But this time around, we have a young man in the oval office who grew up in West Texas (Midland), attended school there, sowed a few wild oats there, and met his wife there.

Pres. Bush made his first (and only other) bid for elective office in 1978, when he ran for retired longtime 19th District Congressman George Mahon's seat. Dimmitt's Kent Hance, a Demo, beat George W. in the general election.

The now-President Bush (#43) visited Friona and Bovina during that "other campaign" not once, but at least twice. Back in January, we published a photo of G.W. and Laura Bush, who posed with County Sheriff Rex Williams during a campaign swing when he stopped in Friona. The congressional campaign practically had to serve as a honeymoon for the newly-wed Bush couple.

At another point in the race, George W. Bush scheduled a stop in Bovina, that we had discussed before. Bush had scheduled a "coffee break" stop at the Bovina bank, at about the bank's closing time.

Recognizing a "photo op," Ye Ed took his trusty Brownie over to the bank, and had a 20-30 minute visit with Candidate Bush. The late Fred O'Hair of Bovina (who might have gotten locked into the bank) appeared, and I motioned him over to meet G.W. Bush, and thus provide my picture opportunity for the *Bovina Blade*.

No doubt that goes down as the longest one-on-one conversations Ye Editor ever had with a future president! I doubt seriously that Pres. Bush recalls his almost "non-event" visits to our towns, but I do, and that's all that matters.

During the first year of my newspaper career, in California, I had the opportunity of meeting and shaking hands with my all-time #1 sports hero, Stan Musial. Ditto for several others, including Mickey Mantle, Roger Maris, Willie Mays, Yogi Berra, etc. Having accomplished my dream, Ye Ed and wife Carol (author of "Her Turn") became homesick and returned to the land of our roots.

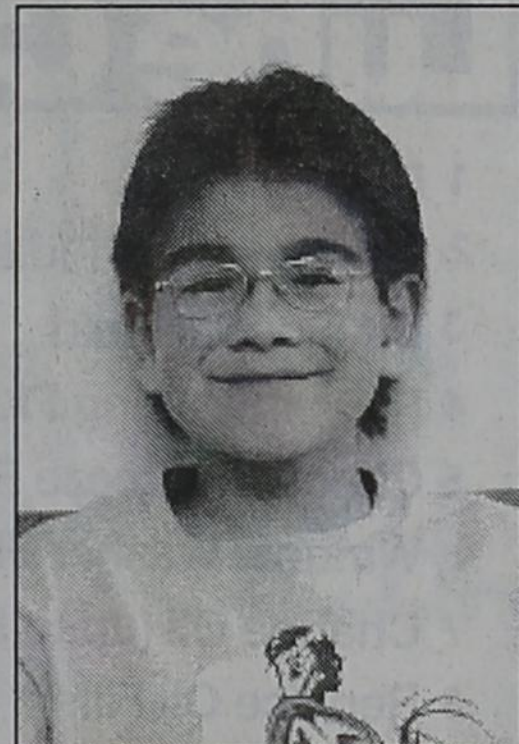

I figured that was the last time I'd ever get to meet someone with national name recognition.

On the state level, I have been privileged to know former Texas Gov. Preston Smith quite well. He's the only governor I have been privy to know on a "first name" basis.

Gov. Smith's brother, "Smitty," was a newspaper publisher downstate, and he secured Preston as speaker for various press events. He also was a guest of Harold Joe Wells and the late Herschel Johnson of Friona on the opening day of pheasant season several years.

Gov. Smith did a lot for West Texas, including landing the Texas Tech Medical School for Lubbock, and eventually, the Texas Tech Pharmaceutical College for Amarillo. Could our area "get lucky" again?

Nice speech, President Bush. Ain't life grand?!?!?!?

AARON RAMON will advance to the County Spelling Bee on March 7 in Friona. He won first place in the middle school bee.

YOU KNOW YOU WILL SOON be a senior when you get your senior ring. BHS juniors received their rings this week in a ceremony at the school. Above, l-r, Keley Scroggins and Christen Stowers are all smiles as they wear their rings for the first time. A closer view of their rings can be seen in the inset left. ron carr photos

Bovina has had lots of strange weather to report this past week. Saturday was a total dust storm-you could not do anything outside for the 68 mile an hour gusts and dirt flying everywhere. Tuesday we just **thought** it was really cold but Wednesday morning was sure icy and reports are that the wind chill was near zero. We hear that the weekend weather is supposed to be in the 60's.

I talked to former Bovinan Chris Wilson Thursday afternoon. He now lives in Seattle, Washington and is a medical resident at University of Washington Hospital. He has been there for about six months and experienced his first earthquake this week.

Chris was working in an office at a computer during the quake and he said at first it was exciting but when the computers "started flying off the desks" things were not so funning. He and his co-workers stood in the door way-as recommended in that situation and the door frame swayed.

When asked how long the quake lasted, Chris said, "It was real long, about 30 seconds."

Well, I guess that is a long time when the earth is moving!

Jack Patterson underwent a second brain surgery in three weeks last Friday in Amarillo. Doctors found another aneurysm and operated Friday morning. He is still recuperating and our thoughts are with him and Ona.

Jack and Alma Clayton's grandson, Kelly Hance, whose mom is Arlene Hance of Amarillo, just returned from working a civil service job in Antarctica for 6 months during their summer. He has done this for the last six or seven years now, working with big machinery and keeping the runways clear.

He has a daughter, 5, Devyon, of Florida, who will be staying with him in Amarillo for the next few weeks soon.

Jack is recovering from gall bladder surgery he had on February 6. Alma said he is feeling some better but it may be awhile before he's 100 percent again.

Company in town visiting Joe and Esther Steelman for a few days include her mother Patsy Mejia of Memphis; her sister and brother-in-law, Delilah and Justin Lemons of Ft. Worth, their daughter Rachel; and her brother Porfirio Mejia from Georgia.

Patsy is still in town for a while but everyone else had to return home.

Gaylon and Shelby Rhodes' grandson, Justin Heinrich from Slaton, was in Bovina for the weekend. His mom is the Rhodes' daughter, Pam Heinrich.

Former Bovina folks Dick and Pernie Free, now Bakersfield, California have had sickness recently. She was hospitalized a couple of weeks ago for about a week

with pneumonia and a strep infection. The live with their daughter and son-in-law, Cherry and Pete Mead.

Dick is Bovinan, Thelma Barron's brother.

Roy V. Miller suffered what doctors think was a mild stroke Monday morning in his home and was transported to Parmer County Community Hospital. Roy's wife Eva, the organist at First Baptist Church, said Tuesday that doctors were still running tests and he was doing better.

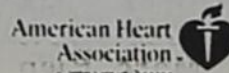

Erma Stowers wrote a note this week to the *Blade*. She said she will be having a birthday March 13-her 78th and she feels pretty good. She also reported that during the year 2000, her family had many losses. Her sister in Amarillo died in June. Her cousin, Ray Hale of Clovis also passed away. Then her brother, Don Rury also passed away.

Erma flew to Austin to be with her oldest brother, Orland then Jimmy Rury flew out from California so they could spend a few days together.

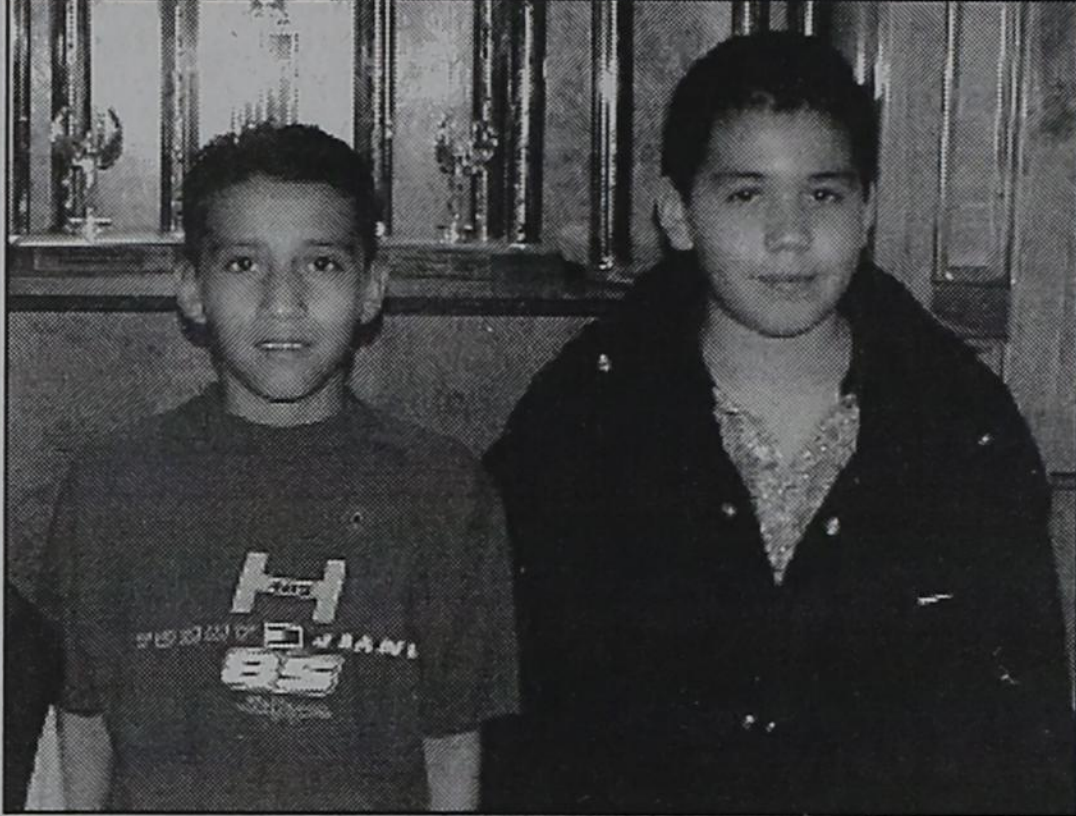

Here's an update on Artie Faye O'Hair's grandson, Faron Reed, who was electrocuted last month while on the job.

Faron spent eight days in intensive care at Parkland Hospital in Dallas, then was moved to a regular room for a day and now is back in his home in Longview recovering.

Artie Faye's daughter, Sonia, who lives with her in Bovina, said Faron will not be able to work for a couple of more months due to the concussion he sustained and the damage from the shock, but his family is very happy to have him home again.

FOURTH GRADER Danna Guerrero, left, won first place in the elementary school spelling bee. Aaron Ramon, center, won second place in the elementary bee and first place in the middle school bee. James Lara, right, won third place in the elementary bee.

SEVENTH GRADER Michael Ortiz, left, and sixth grader David Rojas were the second and third place winners in the Bovina Middle School spelling bee.

THANK YOU

Thanks to each of you who prayed, sent food or visited us during my back surgery. Continue to pray for us.

Sincerely,
Carolyn & Jack Rains

4 Arrested Sunday In Bovina

It would be advisable for people who are in Parmer County illegally, not to be found intoxicated, outdoors, playing loud music on a quiet Sunday morning in Bovina.

Would you like to know how to delay or totally prevent Macular Degeneration?

There is new research that brings to light a rather good regimen for prevention or delay of Macular Degeneration. It is the leading cause of blindness for Americans over the age of 65.

We have prepared a paper on the subject, which you may have whenever you come in for any family eyecare.

We think you will find it very worthwhile, and very simple to comply with.

We do not sell anything in connection with this program, we just want you to benefit from this new research.

"I Don't Know. I Just Don't Remember. Sorry!"

I don't know. Sorry, I don't have any recollection of that. Yes, I attended the meeting but I swear I can't remember anything that was said.

If I had known about this, we wouldn't be standing here today. I don't know any more than that. You'll have to ask him, I just don't know.

King Billy Jeff and Queen Hill Rod are a mess aren't they? Now we have tubby brother Hugh Rod. Did you see him trying to explain his role in the latest Clinton family scam? Didn't you think

that from the back he looked like a Volkswagen Beetle?

I'll tell you what, there were animals at the Houston Livestock Show that are not as big as Hugh Rod. Not that there is anything wrong with that. The government has not made obesity against the law yet.

All of a sudden, thanks to Billy Jeff, we have a whole new cast of characters to talk about. I have to admit, I don't remember ever hearing of Marc Rich until now.

Hadn't heard of Denise Rich and Beth Dozoretz either. Or Carlos Vignali, the cocaine dealer who bought a pardon from the Billy Jeff Nickle & Dime Store. How 'bout that Braswell fellow who was under criminal investigation for ripping off people with miracle cures when Billy Jeff pardoned him.

Braswell sent Hugh Rod a \$200,000 "success fee" after his pardon to add to the \$200,000 he gave him before. Hill Rod told little bubba Hugh Rod he couldn't keep that money. She said he gave it back, but that is a lie too.

Supposedly he gave back half of it but nobody really knows for sure. I'll tell you, if I made \$400,000 legitimately and my sister or brother-in-law told me to give it back, I would tell them to kiss old spot.

Especially if sis and bubba-in-law had just bought their second million dollar mansion. If I had earned the money legally, there would be no reason to give it back would there, Hmmm?

What puzzles me the most in all this latest Clinton trash pile is the relationship between Marc Rich and his EX-WIFE Denise. I have a couple of ex-wives (make that

three), and I can't see them doing for me what Denise is doing for an ex-husband.

Of course if I was a billionaire, I'm sure I could convince at least one of my exes to try and bail me out. But I don't see what is in it for Denise Rich to help out an ex-husband. Ex-spouses just don't act like that.

How did Denise get Billy Jeff's attention? That's not hard to figure out. She had a few million dollars and a 42-inch chest, both of which she brought with her when she visited the White House at least a dozen times when Billy Jeff was there and Hill Rod was not. Draw your own conclusions.

What's that. You don't think Billy Jeff would have an affair with Denise and take her money and pardon her ex-husband? You just really can't believe he would abuse the power of the presidency for his own personal interests? Ha, ha, ha, ha, ha, ha, ha, ha, ha!

They have no interest in you poor people. You can't see that? They say things that sound nice with no intentions of helping heal your pain. They want the money. They want the power. You can take a hike.

Billy Jeff lies to the black community and they still think he cares about them. During his terms in office, more black youngsters were sent to prison than in any other decade.

Blacks are not happy these days but didn't Billy Jeff have eight years to fix their problems and they say their problems are worse today than they have been in a long time. I don't think they are, but if they are whose fault is that.

Billy Jeff's Democratic

friends are bailing out like cockroaches in the daylight. His wife doesn't have anything to do with him. She's working. He's not.

The Democrats are trying to survive in a Republican political world. They have no leaders except Daschle and Gephardt who seem unable to appear in public without each other.

By the way, Daschle, the Senator from South Dakota who said that rich people would be able to buy a Lexus but poor people would only be able to buy a muffler (remember that?). Well, he was politically safe because there is not a Lexus dealer anywhere in the state of South Dakota.

That's enough of all that. The Clinton bunch, all of them, are crooks: self-centered, self-serving, greedy, insensitive, abusive, and dysfunctional.

So long for now. Just remember, if they ask you anything, you don't know nothin'!

Wintertime Returns With Blast

The area had another taste of winter this week, as an arctic front dropped temps to 18 degrees Thursday morning.

Freezing drizzle fell during the night on Wednesday, turning roads and streets to ice. Moisture from the drizzle amounted to .11 inch.

Temps: Feb. 24: 56-40; Feb. 25: 56-33; Feb. 26: 61-40; Feb. 27: 61-31; Feb. 28: 52-18; March 1: 52-30.

February moisture came to .83 inches. The year's total is now 2.49, and 6.91 inches have fallen since last October.

Facts About The **BIBLE** BY JOHN LEHTI

MEAT AND MILK NOT TO BE EATEN AT THE SAME MEAL!

THREE TIMES THE BIBLE SPECIFICALLY STATES "THOU SHALT NOT SEETHE (BOIL) A KID IN HIS MOTHER'S MILK." (EXODUS 23:19, EXODUS 34:26, DEUT. 14:21). THIS WAS GOD'S LAW LAID DOWN TO ISRAEL BY MOSES AND, TO THIS DAY, THE ORTHODOX HAVE NO MEAT AND MILK AT THE SAME MEAL. MANY PEOPLE THINK THIS WAS A DIETARY LAW—THAT MILK AND MEAT TOGETHER WOULDN'T DIGEST WELL, ESPECIALLY IN THE HOT DESERT CLIMATE—WHICH IS NONSENSE! MILK AND MEAT, BOTH HIGH PROTEIN FOODS, DIGEST AS EASILY TOGETHER AS THEY DO APART—HOT WEATHER OR COLD... BUT THERE WAS A GOOD REASON, IN MOSES' EYES, FOR THIS LAW—VERY UNDERSTANDABLE WHEN WE EXAMINE A CUSTOM OF THE IDOL WORSHIPPERS WITH WHOM THE ISRAELITES CAME INTO CONTACT IN THEIR DAILY LIVING....

MOSES CONSTANTLY ADMONISHED HIS PEOPLE TO STAY PURE IN GOD'S EYES—TO HAVE NOTHING TO DO WITH HEATHEN IDOLATERS. THE YOUNG MEN WERE FORBIDDEN TO GO WITH THE DAUGHTERS OF BAAL, WHICH MANY OF THEM DID! MOSES COULD FORSEE THE DANGER OF HIS YOUNG NATION DISAPPEARING FROM EARTH, NOT BY WAR, BUT BY THE SIMPLE PROCESS OF INTER-MARRIAGE—SO HE ORDERED ISRAEL TO AVOID ALL CUSTOMS OF THEIR HEATHEN NEIGHBORS TO FORESTALL ANY OF THEIR WAYS CREEPING INTO THE LIVES OF HIS PEOPLE. JUST AS ISRAELITES BROUGHT SACRIFICES TO GOD'S ALTAR, SO DID THE HEATHEN TO THEIR IDOLS—A POPULAR OFFERING WAS A TASTY DISH OF BOILED YOUNG KID OR LAMB IN ITS MOTHER'S MILK (OR ANY MILK FOR THAT MATTER). THE MEAT JUICE AND THE MILK BOILED INTO A SAVORY SAUCE SO DELICIOUS THAT THE PRIESTS AND TEMPLE PROSTITUTES COULD HARDLY WAIT TO GRAB AND EAT IT BEFORE THE DONOR, WHO HAD BROUGHT IT, LEFT THE TEMPLE!

NEVER A DAY WENT BY THAT SOME HEATHEN FAMILY DIDN'T TURN UP AT THE TEMPLE WITH THIS DELECTABLE DISH, CONVINCED THEIR GODS WOULD ENJOY IT AND SO SMILE DOWN ON THEM WITH FAVOR! IS IT ANY WONDER, THEN, THAT MOSES ORDERED HIS PEOPLE TO HAVE NOTHING TO DO WITH THIS DISH AT ANY TIME—EVER! THE IDEA THAT SOME ISRAELITE MIGHT OFFER TO GOD THE SAME THING THAT WAS GIVEN TO A STONE IDOL WAS UNTHINKABLE! YE SHALL NOT DO AS THE HEATHEN DO, WAS THE ORDER OF THE DAY SO THAT ISRAEL MIGHT CONTINUE... "A PECULIAR (SPECIAL) PEOPLE... ABOVE ALL THE NATIONS THAT ARE UPON THE EARTH" (DEUT. 14:2)

EARL GRAHAM

Former Resident Is Buried In Amarillo

Funeral services for Earl Graham, 86, of Amarillo, were held Wednesday, February 28, at Blackburn-Shaw's Memorial Chapel in Amarillo, with Dr. Stan Coffey, pastor of San Jacinto Baptist Church, and Chester O'Brien, retired Baptist minister officiating. Burial was in Llano Cemetery.

EARL GRAHAM

Graham passed away Friday, February 23, 2001, in Amarillo.

He was born in 1914 at Crowell (Foard County). He married Audrey Sanders on June 29, 1955, in Fort Sumner, N.M. She died on January 25, 1995.

Graham served in the U.S. Army during World War II. Following the war, he operated a restaurant in McLean, and later was the chef at the Sagebrush Inn, across from the Veterans Hospital in Amarillo.

He later worked at Meadows Cafe in Tucumcari, N.M., and met his wife while there. Graham was a member of San Jacinto Baptist Church.

In 1961, the Grahams purchased Smiley's Cafe on Highway 60 just off Main Street in Friona, and ran it as Earl's Cafe until later buying the Parmer House Restaurant, which the Grahams operated until 1976, when they sold the restaurant to Carl McInroe.

Two of Graham's brothers, Mutt and Pete Graham, also operated restaurants in

Parmer County. Mutt Graham operated a restaurant in Bovina for a number of years.

He was preceded in death by two brothers, Norman Graham in 1936 and Billy Graham in 2000.

Survivors include two daughters, Laquita Koppenhafer of Klamath Falls, Oregon and Earlene Busby of Amarillo; two sisters, Nella May Hix of Grand Junction, Colorado, and Mary Henley of McLean; and two brothers, B. L. (Mutt) Graham of Clarendon and Pete Graham of Tucumcari, N.M.

Six grandchildren and three great-grandchildren also survive.

Donations may be made to the family to help with expenses, and may be sent to 315 East Fifth Street, Amarillo, Texas, 79101.
