Area. OIL News

LEAD AHREA OIL NEWS oao Tex-Harvey Oil Company, No. 1 City of Eastland, located northwest of town near Lake Eastland was set this morning at a depth of 3,000 feet. The crew was swabbing and cleaning out after the shot.

EASTLAND COUNTY — Gorman Area: Following is a report on activities in the Kirk Pool, Gorman, for September 14:

Owby Drilling Co. No. 1 Flatt South of Rucker was ready to spud in Tuesday.

J. R. Hunter No. 1 Choate drilling at 1600 ft.

Roche No. 1 Grisham (near Okra) set pipe at 2898 and are now WOC. Apparently there was a good show.

Star Oil Co. No. 1 Anderson have re-cemented and are fixing to drill the plug.

Edwards No. 1 J. C. Cook preparing to move rig from Anderson to give their well a reworking and a possible recidizing.

Coast Oil Corp. No. 1 J. S. Gilmore are performing with a Jett Gun. This is a reoperation, to be exact. This well has had acid applied twice and has only made a weak well, even though there was great promise before the first perforation and acidization.

Coast Oil Corp. is milling pipe out of No. 3 Della Graham where a joint has collapsed.

Coast Oil No. 8 Della Graham drilling at 2735.

Coast Oil No. 4 Della Graham has set pipe at 2865 and are now WOC.

Coast Oil No. 1 Brown (5 miles due south of Carbon in the Geo. D. Robinson Survey) drilling at 2450 ft.

McCurdy No. 1 H. R. Hunter competed in the Crosscut Sand at 1370, total depth. Top of sand was encountered at 1347. They shot this well with 120 quarts of nitro from 1352-1369. Shows for 10 lbs. this operation is about 5 miles due south of Cross Plains.

McCurdy has drilled another well in same tract. They found a freakish sand form 36 to 72 ft. completely saturated, just dripping oil. They decided to go on down and to make a test of the Caddo. They topped the Caddo at 2128.

W. B. Johnson No. 5 Ireland Watson drilling at 1031.

W. B. Johnson completed their No. 6 location at 2857.

Texas Drilling Co. No. 1 Stark which is 8 or 9 miles east of Comanche just out of Sidney was spudded in Sept. 1, 1948 and is now drilling at 2500 ft.

Far B. Davis No. 1 Wm. Ellison in the Samuel Bowers Survey in Comanche County is drilling at 3240 in the top of the gray lime. They believe this lime is the Mississippi. This operation is about 11 miles northeast of Comanche.

Gregg et al No. 1 Boyd perforated and treated using 5000 gallons. Tuesday of this week they are circulating to recondition the mud. They intend to squeeze perforate and to drill deeper.

Name Of Harris' Successor Not Available Now

Ben Smith of the Eastland Internal Revenue office, stated this morning that it was not known at this time who would succeed him in his position on Tuesday resigned with the office.

Smith said that the position would have to be filled from a civil service eligible list which would not be available until after an examination to be held today.

Pvt. Wadley Is Promoted In Air Force Training

Pvt. Gordon Wadley, son of Mr. and Mrs. Gordon Wadley, 1310 South Green, Eastland, in basic training in the air force at Sheppard Field, Wichita Falls, has been made Right Guide of his flight. Also he has been designated as flag bearer in the Air Force Day Parade Saturday in downtown Wichita Falls.

The best men will be two other Sylvains named Joe; the bridesmaids will be some more Pomerleaus named Marie. It all happened in Hartford, Conn.

TRUMAN-BARKLEY TICKET CERTIFIED BY TEXANS

By O. B. Lloyd, Jr.
United Press Staff Correspondent
FORT WORTH, Tex., Sept. 15 (UP)—Texas fell in line today behind the Truman-Barkley ticket as the regular Democrats rejected the States' Rights proponents and their philosophy in short order.

Loyalist Democrats, firm in the saddle during the closing hours of the State Democratic Convention, certified U. S. Rep. Lyndon B. Johnson as the winner over former Gov. Coke Stevenson in the Aug. 28 primary runoff election.

Then the Loyalists cleaned house by firing five Democratic presidential electors on grounds of disloyalty. The insurgent States Righters found the door out easily—some by invitation, others of their own free will.

Certification of Johnson, 40-year old congressman from Austin, left Stevenson out in the cold after 30 years of political life in which he had not lost an election. Johnson won the nomination—tantamount to election—by 87 votes of the 1,000,000 cast.

But Stevenson's attorneys weren't through. They said they would continue their battle for his election on grounds of vote fraud in several counties.

Only a few 'no' votes were sounded during Johnson's certification by voice vote. Some mild boos were heard also.

Johnson pledged that as senator "I shall support Truman and Barkley."

President Truman's followers recommended that the National Democratic Executive Committee replace Wright Morrow of Houston, present Texas national committeeman, with Bryon Skelton of Temple, who masterminded the Loyalist convention fight.

Morrow had been elected at the state convention in May which took cracks at the President but since then had declared himself as loyal to the regular party's candidates.

John C. Calhoun of Corsicana was named to succeed R. W. Calvert as chairman of the state executive committee. Calvert had declined the nomination for reelection.

Insurgents from Harris, Dallas and Tarrant counties—the state's most populous—lost their fight to have the name of Gov. J. St. C. Thurmond of South Carolina substituted on the ballot for Mr. Truman's.

Harris county's delegation from the Houston area was forced out of the convention. Dallas and Tarrant county (Fort Worth) followed. Also he has been designated as flag bearer in the Air Force Day Parade Saturday in downtown Wichita Falls.

As the States' Righters left the Will Rogers Auditorium, their seats were filled by pro-Truman Democrats. The insurgents hiked out flying Thurmond campaign banners.

R. W. Milner Jr., leader of the insurgents, said their rejection proved that the state convention was "just a repetition" of the national party's meeting at Philadelphia.

FOR WORTH, Tex., Sept. 15 (UP)—Here are the electors named last night by the State Democratic Convention.

Paul S. Wilson, Congressional District 2, Geneva; Roy G. Baker, District 4, Sherman; Mr. M. Wade, District 5, Dallas; Dudley Farris, District 6, Ennis; W. C. Richards, District 7, Athens; W. E. Cureton, District 11, Waco; Frank N. Ikard, District 13, Wichita Falls; Sam E. Wilson, Jr., District 14, Corpus Christi; William Prescott Allen, District 15, Laredo; Thomas J. Pitts, District 16, Odessa; Bates Cox, District 17, Mingo; James E. King, District 18, Memphis; Maury Maverick, District 20, San Antonio; Leonard B. Brown, District 21, Kerrville; O. T. Bowles, elector-at-large, Breckenridge; J. M. Paterston, Cr., elector-at-large, Austin.

New electors replacing those ousted by the convention are: H. M. Russell, Dist. 1, New Boston; Jake Shoaf, Dist. 3, Quitman; Robert F. Peden, Dis. 8, Houston; Bob S. Owen, Dist. 9, Alvin; Free Blundell, Dist. 10, Lockhart; J. L. Thomas, Dist. 12, Fort Worth; V. Z. Rogers, Dist. 19, Lamesa.

Lamb Motor Co. Buys Anderson Motor Company

Anderson Motor Company, owned and operated here by E. M. (Everett) Anderson for the past several years, has been purchased by Lamb Motor Company of Eastland.

Joe Anderson, son of E. M. Anderson and who has been working as a mechanic for his father for a number of years, will go to Lamb Motor Company and would appreciate the friends of himself and those who have been doing business with Anderson Motor Company, to give his new employer consideration when they have work in his line to be done.

Funeral services for Rev. Sam William, colored, who died last Friday, will be held at the A.M.E. Methodist Church at 3:00 o'clock Thursday.

Federal Injunction Issued To Restrain Johnson Certification

British Deny Laxity Toward Demonstrators

BERLIN, Sept. 15 (UP)—A British official spokesman denounced as a lie today a charge by the Russian commandant here that British officials stood idly by while German demonstrators defiled the Soviet flag at an anti-Communist rally last week.

The Russian commandant, Maj. Gen. Alexander G. Kotikov, demanded that British authorities punish the "fascistic bandits" who were involved at the rally of 300,000 Germans.

Kotikov, in a letter to Maj. Gen. E. O. Herbert, his British counterpart here, blamed the British for the disorders. He held them responsible for the desecration of the flag and of a Soviet war memorial at the scene of the demonstration.

A British spokesman said the charges "bear little relation to the facts." Instead of complaining of British inactivity, he said, Kotikov "should have been supremely grateful to them for protecting his troops."

"The title and style of Kotikov's letter is a piece of calculated self-inflation," the spokesman said.

He noted that Kotikov styled himself "commandant of Berlin" but addressed the British commander as "garrison commander."

WASHINGTON, Sept. 15 (UP)—The Air Force announced today that about 40 more C-54 transport planes were being added to the Berlin airlift.

It said the four-engine craft are being drawn from various parts of the far east and will pass through the United States enroute to Europe.

More than 100 C-54's now are engaged in flying supplies to blockaded Berlin.

Truman To Make Stop In Texas

WASHINGTON, Sept. 15 (UP)—President Truman will stop in Texas on his campaign trip which starts Friday.

White House Press Secretary Charles G. Ross said he could not say yet when and where President Truman will stop in Texas.

But he said he hoped to announce a "fairly complete" itinerary later today.

Ross said President Truman will not hold his usual weekly news conferences here tomorrow but will hold one Saturday afternoon at Des Moines or Dexter, Ia.

President Truman will make his first major speech of the trip—"a farm speech obviously"—at Dexter at 2:05 ED Saturday.

Ross said that he could give "no confirmation" to a report that President Truman will speak in Raleigh, N. S., on Oct. 15.

Denton Teacher Eastland Visitor

V. L. Armstrong, wife and baby of Denton were in Eastland Tuesday visiting his aunt, Miss Beulah Speer. The family and Miss Speer had just returned from Rochester where they had visited Mr. Armstrong's mother and Miss Speer's sister, Mrs. Ada Armstrong.

Mr. Armstrong is a member of the teaching staff at Texas State Teachers' College at Denton.

"Firebirds" Start One
LYNN, Mass. (UP)—"Firebirds" were blamed for causing a small blaze in the caves of a porch here. Fire officials theorized that the birds either carried a live cigarette butt to their nest or a match which became ignited when it was dropped.

ENVOY CONFER AFTER TALKS AT KREMLIN

MOSCOW, Sept. 15 (UP)—U. S. Ambassador Walter Bedell Smith conferred with British Envoy Frank Roberts and Anglo-American advisers at the American embassy today to review developments in yesterday's meeting at the Kremlin with Soviet Foreign Minister V. M. Molotov.

Both envoys will confer later with French Ambassador Yves Chataigneau.

The talks still are cloaked in secrecy, but it is understood that the end is near. Roberts was reported making preparations to leave Moscow shortly to attend United Nations General Assembly in Paris.

Contrasting to previous Kremlin meetings, there was a minimum of conferences when the three western envoys returned from the Kremlin after their 90-minute meeting with Molotov last night.

They conferred together at the British embassy for less than an hour. Then all returned to their own residences, dined and retired early.

Paris Strikers, Police Clash

PARIS, Sept. 15 (UP)—Some 2,000 strikers from a nationalized aircraft factory and 500 mobile guards and police clashed in midtown Paris today. And more than 25 persons were injured.

It said the four-engine craft are being drawn from various parts of the far east and will pass through the United States enroute to Europe.

More than 100 C-54's now are engaged in flying supplies to blockaded Berlin.

Strikers from the Snea Aircraft Plant in the "Red Belt" suburbs demonstrated before the company's headquarters on the Boulevard Haussman. The skirmishing was the most violent in the recent furries of labor trouble.

Two hundred police sent to break up the crowd of demonstrators were met by a hail of asphalt paving blocks. They charged the demonstrators with batons and cleared the crowd from the boulevard.

A delegation of workers then was received at the company headquarters. It presented undisclosed demands, then refused to leave the building. Another fight broke out when police cleared the delegation from the building.

The strikers reformed at the intersection of the Boulevard Haussman and Messine Avenue. Police reinforcements and 200 helmeted mobile guards swinging rifle butts moved in under a barrage of paving blocks to break up the crowd.

The strikers threw missiles they had on hand, then moved down the boulevard, followed by police. The mobile guards barricaded the approaches to the aircraft factory headquarters.

McCraw Heads Texas Legion

CORPUS CHRISTI, Tex., Sept. 15 (UP)—William M. McCraw of Dallas, former state attorney general and veteran of both World Wars, yesterday was named commander of the Texas Department of the American Legion.

His election to succeed George Berry of Lubbock concluded the four-day department convention here.

McCraw was in the run-off with Joe Spurlock of Fort Worth. Miller Ainsworth of Luling was elected national committeeman.

Other officers named were V. F. Taylor of Smithville, judge advocate; Manley H. Williams, Jr. of Victoria, sergeant at arms; Carrie Wilcox of Houston, historian; W. F. Speigel of Austin, treasurer, and Rev. Sam B. Hill of Victoria, chaplain.

Mrs. O. E. Duesy of Graham was elected president of the Texas Department Auxiliary.

The Legionnaires spent most of the final day discussing the next convention city and a proposed 25-cent yearly increase in dues to be used for a rehabilitation program.

Galveston was decided upon as the next convention city. The increase proposal was rejected.

Many Important Wildcat Tests Are Being Made

Wildcatting goes on apace in the territory of which Eastland is the hub, with no less than seven important tests announced during the past week.

In Eastland County, Thomas W. Doswell of Dallas will drill the No. 1 J. P. Mitcham estate, Mississippi wildcat, 15 miles southwest of Eastland, 330 feet from south and west lines of the north-west quarter, Sec. 77, Block 8, T.&T.C. survey, 3,900 feet, rotary.

Also in Eastland County, Star Oil Company of Dallas will test the Ellenburger in the western portion of the county, a mile southeast of Dothan, 2,173 from south and east lines, BBB&C survey, A-1148, 4,200 feet, rotary.

Two Ellenburger tests will be drilled north of Eastland in the southern part of Stephens County by Fred M. Manning Inc., of Fort Worth; No. 1 Henry Conpton D., 330 from west and 1,000 from south line, Sec. 34, Block 7, T & P Survey, 4,200 feet, rotary; and No. 1 Louisville Trust Company, 1,825 from west and 1,800 from north line, TE&L survey 2253, 4200 feet, rotary.

A pair of wildcats will be drilled in Comanche County. One is six miles south of Gorman — J. W. Sorrells of Fort Worth, No. 1 J. B. Hedges, 73 from south and 741 from west line of northwest quarter, Section 39, Block 2, H&TC survey, 3100 ft. cable; and Haynes B. Ownby Drilling Company of Dallas, No. 1 W. F. Flatt, five miles north of De Leon, 330 from south and 990 from west line, Section 39, Block 2, H&TC Survey, 3200 ft. rotary.

In an effort to extend the new Marble Falls production which has been found near May, Brown County, Mul-Berry Oil Company of Wichita Falls will drill No. 1 M. G. Carter, three miles northeast of May, 330 from south and west lines of 154 acre tract, Section 3, Jesse Dickinson, 3100, rotary.

More than 500 officers and delegates of the 19 posts in the 15 Central-West Texas counties of the district are expected to attend the convention in Abilene.

With 4,345 paid-up members for 1948, District No. 8 is by far the largest in the state, and the convention's host post, No. 2012 Abilene, with more than 1500 members is the states' largest.

Commander Coody has announced that S. A. Childress, Waco, state VFW commander, and Norman L. Summers, Austin, state adjutant, will represent the Department of Texas at the District No. 8 convention. Commander Childress and his adjutant will arrive in Abilene the night of Sept. 17th and will remain throughout the two-day convention.

Commander Childress will be the convention's principal speaker, and Adjutant Summers will conduct a school for adjutants and quartermasters.

Auxiliaries of the district also will hold their semi-annual convention at the same time with Mrs. Erma Kirby, Abilene, district president, in charge of the women's part of the convention.

Opening day of the convention will be devoted to registration of delegates during the afternoon, this to be followed by a dance at "Three Acres," home of the Clayton M. Leach Post 2012. Business sessions of both the VFW and auxiliary will feature the second day's program.

Counties in the 8th district are Haskell, Throckmorton, Young, Jones, Scurry, Fisher, Shackelford, Stephens, Mitchell, Naion, Taylor, Callahan, Eastland, Brown and Comanche.

Maburn Harris To Be Employed By A Dallas Firm

Maburn Harris, who Tuesday resigned from his position with the Internal Revenue office in Eastland, has accepted a position as Director of Public Relations with Thomas Y. Pickett & Company of Dallas, valuation and accounting engineers.

Harris stated that he would be located on the sixth floor of the Kirby building in Dallas where he would be pleased to have his friends call upon him.

WRIT GRANTED BY JUDGE T. W. DAVIDSON TODAY

FORT WORTH, Tex., Sept. 15, (UP) — Coke Stevenson announced today he had obtained a federal injunction restraining certification of Lyndon Johnson to the secretary of state as the Democratic senatorial nominee. He said the order was granted at 6:20 A. M. by Federal Judge T. W. Davidson.

Stevenson said he had been informed the writ was granted at 6:20 o'clock this morning at either Jefferson or Longview — "We do not know which," he said.

He said that the writ was obtained by C. C. Renfro, Dallas attorney.

The former governor said the action sought to restrain denial of civil rights under a recently "revived civil statute."

He added that Secretary of State Paul Brown; Vann M. Kennedy, secretary of yesterday's State Democratic Convention; and Tom Tyson of Corsicana, chairman of the convention, were named in the action.

It was understood that Stevenson's attorneys were attempting a two-fold action that would: (1) attempt to halt certification by Kennedy and Tyson to the secretary of state if that action had not already been taken and (2) restrain Brown from placing Johnson's name on the November ballot as the Democratic senatorial nominee.

Stevenson said he did not know when the writ is returnable or when the hearing would be held.

However, a spokesman for the former governor expressed the opinion that the suit probably probably would be returnable at Fort Worth. Brown, it was understood, was notified of the action by wire.

Former State Senator Clint Small, chief of Stevenson's legal staff, said the action "will be taken in precinct 13 of Jim Wells county were added by election judges long after the polls had closed on Saturday night (election Day, Aug. 28)."

Stevenson said he thought it was his duty to the people of Texas "to determine if all the votes allegedly cast were honestly cast."

In addition to Renfro, it was understood that Josh Groce, San Antonio attorney, also represented Stevenson in the action.

It was explained that since certification of the party nominee to the secretary of state is done by the convention secretary and convention chairman, Stevenson's attorneys did not initiate the suit until after naming of Tyson as chairman of the convention at 9 P. M. here yesterday.

Renfro, it was reported, had Judge Davidson out of bed at approximately 5 A. M. today. Small was asked if Renfro flew to the town where the injunction was granted.

He smiled, "I think he flew rather low," he said.

Although there were numerous leaks on the court action, Stevenson attorneys insistently denied last night that any court action was contemplated so far as they knew.

Stevenson appeared jovial at the hastily-summoned press conference this morning at his Blackstone Hotel headquarters here.

Ila Gene Griffin Was Sub-Deb Club Hostess, Saturday

Saturday afternoon in the home of Mr. and Mrs. M. B. Griffin, Ila Gene Griffin was hostess to the Sub-Deb Club.

TEXAS DIAMOND DOINGS

TEXAS LEAGUE
Airtight pitching stole the show as the Texas League's Shaughnessy playoff rounds opened with favored Tulsa and underdog Shreveport getting away in front.

The Oilers, who finished second over the full season a game and a half behind Fort Worth, won their first post-war Shaughnessy playoff game behind Bud Lively's eight-hit pitching as they downed the third place Houston Buffs 3 to 2.

The Sports, who closed with a rush at the far end of the campaign to nose out San Antonio for the fourth spot playoff berth, got a masterful three-hit mound job out of Howard Auman as they nipped the cats 1-0 in 11 innings.

It was an unearned run, however, that enabled Lively to best Cloyd Boyer at Tulsa as the Buffs kept him in trouble. First baseman Don Bollweg dropped a throw on Al Usher's bouncer to third in the sixth and, after two Oilers went out, Billy Capps tripped him home.

Boyer, the league strikeout king, whiffed seven Oilers and homered in one run.

Johnny Lane doubled in one Oiler run and singled in another as he continued the hitting streak that went to 26 straight before the season closed Sunday.

Auman bested the Cit's Willard Rumsdell, who allowed only six hits, and scored the only run of the game after singling in the 11th. An error on a "sure" double play bouncer sent him to third and he scored after shortstop Jack Lindsey's catch of a foul ball off Jack Richards' bat. The throw-in apparently was in plenty of time, but first baseman Dee Fondy cut it off to allow the run to score.
A record crowd of 6,640 saw

the Tulsa-Buff game while 8,145 were on hand at Fort Worth.

The clubs play the second games of the series in Tulsa and Fort Worth tonight, then switch to Houston and Shreveport for three games starting tomorrow night.

Tulsa's Harry Perkowski, the loop's 22-game winner, will face Jack Creel of the Buffs, while Dwin Sloat has been nominated to hurl against Henry Wyse of the sports.

LEAGUE
For the final playoff series in the West Texas - New Mexico League: Pampa versus Amarillo. The two teams earned the right to participate in the last round of the fight for the league championship by whipping their opponents last night in heavy-hitting contests.

Amarillo scored five runs in the last of the ninth in a garrison finish to nose out Lubbock, 11 to 10, and take the semifinals series, 4 games to 2. Lubbock ran the score to 10 counters by amassing six runs in the seventh inning, but the Gold Sox were able to grab the necessary tying and winning runs in the final frame for the victory. Each team registered 15 bingles.

Pampa put the heat on Albuquerque, No. 1 team during the regular season, to win by a 11-to-9 count and take the series at 4 games to 2. Pampa hit safely 19 times, to 12 bingles.

BIG STATE LEAGUE PLAYOFFS
Wichita Falls, winner in its semifinals playoff series with Waco in four games, moves into the camp of the Sherman-Denison Twins tonight for the first game in the final series in the Big State League.

The Twins entered the finals by taking the measure of Austin in five games, winning the series 4 games to 1.

The league crown will go to the winner of the best-of-seven games. During the regular season, Sherman-Denison was the No. 1 team.

LONE STAR LEAGUE PLAYOFFS
The semi-final playoff series in the Lone Star League were nearing an end today, with Henderson holding the whip hand on Kilgore and Longview leading Tyler.

Henderson scored all its runs in the first round innings last night in beating Kilgore, 8 to 7, and took a lead of 3 games to 1 in the series. Henderson now needs but one more game to take the series. The game was a free-hitting affair, with Henderson registering 15 safeties and Kilgore getting 10 bingles.

Longview scored a run in the first of the tenth inning to nose out Tyler, 3 to 2, and take the lead in the series, 3 games to 2. Longview hit safely 10 times, to 3 hits for Tyler.

Tonight's schedule: Kilgore at Henderson, Longview at Tyler.

LONGHORN LEAGUE PLAYOFFS
Vernon invades the wigam of the Midland Indians tonight for the first game in the final series of the Longhorn League playoffs.

The team winning four of the even games will take the league crown.

Vernon entered the finals by knocking off Spring, the league leader during the regular season, 1 game to 2. Midland made the top bracket by beating Odessa, 1 game to 2.

India On Full War Footing

NEW DELHI, Sept. 15 (UP)—India was placed on a full war footing today with a public safety ordinance giving the government power to requisition and mobilize resources for the invasion of Hyderabad.

The new ordinance reactivates the defense of India regulations which lapsed at the end of World War II. It was believed the stringent measures were taken to cope with any emergency, including an invasion of India by Hyderabad troops.

An Indian Army spokesman said Indian troops have captured Rajasur, 85 miles west of Hyderabad city, and are advancing along the main road toward the capital against slight opposition.

The spokesman also said that Aurangabad, second city of the princely state and home of some 2,000,000 Moslems, surrendered "intact and without loss of life" to Indian troops. Aurangabad is in the northwest corner of Hyderabad.

Black Improves, Has 50-50 Chance

Cleveland, O., Sept. 15 (UP)—The Count was even on pitcher Don Black today as he battled for his life in Charity Hospital. Doctors said the Cleveland Indians' hurler stood a 50-50 chance of surviving the brain hemorrhage which struck him down during a ball game on Monday. They noted a "slight improvement" in his condition, but added that he was still critical.

Late last night, brain specialist Dr. Spencer Braden said, "I think he looks better." A hospital report this morning said Black "spent a fairly good night and seems a little brighter." Black, the "alcoholic anonymous" pitcher who tossed a no-hitter last year, suffered the hemorrhage when he swung and missed at a pitch in the game against St. Louis. He lapsed into unconsciousness soon after and was in that condition for many hours.

NEW JOBS OPEN IN CIVIL AVIATION

Dallas Aviation School at Love Field, Dallas announces that in the past sixty days they have received requests for trained mechanics and technicians beyond their ability to place trained men on these jobs, most of them high paying. This demand for trained personnel results from the recent authorization of a seventy group air force, and manufacturers are accelerating production of all classes of military planes. Airlines too have increased their demand since they are expanding and have added much new equipment besides replacing the equipment that carried them through the war years.

In order to meet the demand Dallas Aviation School, among other qualified training and technical school, is going all out to recruit and develop more qualified men who are placed on the job as quickly as training is completed.

W. L. Ross, director of the school, indicates the greatest demand is for licensed aircraft and engine mechanics, aircraft electrical specialists, hydraulic specialists, and aircraft instrument technicians. He pointed out further that the demand is expected to increase during the next twelve months. All training in these specialized courses is available under the GI Bill of Rights and is not subject to the rigors of enrollment procedures that prospective flight trainees are put through. For those desiring careers in the field of aviation and high paying jobs, times could not be better nor have their been more opportunities in peace-time aviation.

Among the large companies asking for trained personnel were Boeing Aircraft of Seattle, Washington and Consolidated of both Fort Worth and San Diego, California. High school graduates and ex-GIs alike are urged to contact the training schools for further information about the training and the kind of career future they may expect.

Flight school operators were given new hopes on the flight student enrollment situation recently. W. B. Trigg, airport operator of Stephenville returned from Washington, D. C. with a written report of action taken to force VA officials to loosen up with enrollment approvals. Since July 1st VA has made a near perfect score — on disapprovals for flight training. No reason the veterans could supply, apparently satisfied VA that the GIs weren't taking flight training for any other reason but the fun of it; not even affiliates of promised employment as a pilot did the trick according to reports received from other operators over the country. During the month of July three veterans in the entire state of Connecticut were approved for flight training. Congressional action supposedly saved veteran flight schools for another year, but from all indications VA interpreted the legislation as a legitimate means to squeeze flight school operators out of business

and accordingly began turning down all applications for approval. According to the report brought back by Mr. Trigg from Washington VA was to change its views by September 1st. Up to this moment nothing more has been heard either favorable or unfavorable from the Regional Office at Dallas.

ITALIAN COLONY PROBLEM GOES TO UN SECURITY COUNCIL

PARIS, Sept. 15 (UP)—The disposition of Italy's pre-war African colonies—Lybia, Somaliland and Eritrea—was put in the hands of the United Nations today.

The question automatically became a Security Council problem at noon Paris time (7 a. m. EDT) when representatives of the Big Four, meeting in Paris, failed to reach agreement on what should be done with the colonies.

The Italian peace treaty specified the council of foreign ministers had one year to settle the issue before turning it over to the world organization. But all four-power meetings on the colonies, including the current one in Paris, did not result in a settlement.

Even as the problem was given into the hands of the UN, representatives of the Big Four met here to formulate the text of notification letter to the UN.

A futile two-day debate on disposition of the colonies ended early this morning in complete disagreement over even unimportant procedural matters. Weary delegates left the Quai D'Orsay shortly after 3 A. M., following three separate meetings of almost 13 hours during the past 24.

Their efforts brought only complete disagreement over the future of Italian colonies, complete agreement over the text of their notification to the UN, complete disagreement on the text of the communique for the press, and complete disagreement over preparation of the minutes of their four meetings here this week.

Andrei Vishinsky, deputy Soviet foreign minister, wanted the letter to go to the UN without any reference to the fact that the four powers had disagreed on disposition of the colonies. He proposed that the four powers merely ask UN Secretary General Trygve Lie to put the issue on the Security Council agenda.

French Representative Maurice groups and individuals who, up to now, have had little opportunity to learn to fly.

Commission To Step Up Vaccine Production

MEXICO CITY, Sept. 14 (UP)—Recent addition of two new units to production equipment of the Joint Mexican-American Anti-Africa Commission should permit the complete eradication of the disease from Mexico within 18 months, commission officials said today.

It is expected that with new units in operation on the northern boundary of the present quarantine zone, now 328 miles from the Texas border at its nearest point to the U. S., will be moved further south.

The two new units are an annex to the big laboratory at San Jacinto and a new slaughter house at Ixtapalapa.

Commission scientists say they can boost vaccine production up

Drunk, Or Maybe Wise

OMAHA, Neb. (UP)—Harry B. Sare was sitting calmly in an armchair when police arrived at his home.

"Here I am," he said, "Who called us?" asked an officer.

"I did," Sare replied. "I was about to have an argument with my wife and I wasn't in the mood."

He was charged with drunkenness.

Hobbyist

This is "Miss Wyoming," nee Carol Held of Lusk, Wyo., who, in addition to having what it takes to compete for the "Miss America" beauty crown, has hobbies. They are piano playing, which won her a free trip to New York to take a Barizon modeling course, baking cakes and pies and horseback riding. About swimming—we dunno.

I GIVE YOU TEXAS

By Boyce House

More memories of a columnist's sojourn in California for a few months, nine year ago:
 Of amusements, there is no dearth in Hollywood—(Isn't that sentence a dilly, by the way?) At least, there was plenty to see when I was out there—a Pacific Conference football game each Saturday afternoon, a "pro" grid game Sunday afternoon, two athletic clubs, each of which presented one card of boxing and another of wrestling each week, and two theaters that showed a combination of top-notch motion pictures and flesh-and-blood performers. Think of seeing a feature picture and also seeing, in person, Frances Langford, Kenny Baker and Ken Murray, all for only 50 cents!

They were always introducing notables at the ringside at the fights—such as Rochester, who was managing a heavyweight, and the old-time Olympic champion, the Indian, Jim Thorpe.
 Then there were big road shows, such as "The Man Who Came To Dinner." The principal character was supposed to have been based on Alex Woolcott and the famous critic and writer played the role himself. But the night I went, he was sick and had to make a substitution. Some of the people didn't stay but got their money back at the box office. I remained

however and the substitute was wonderful. He made a better Woolcott than Woolcott did. I didn't know until I read the paper next morning who I had seen. He was Kaufman, the man who wrote the show.

Life has embarrassing moments. Here is one I encountered:

Back in the early 1920's, a reunion of Texas Rangers was held in Ranger. They were men who had served on the frontier, 10 years after the Civil War. I was the rather young editor of the Times and I invited half dozen of them to go into the drug store and have something to drink. After the soads had been served, I handed the young lady attendant a dollar bill but she pushed it back with the remark, as she looked right at me:

"We're not charging you old Confederates anything."

American women are reading a wide variety of British periodicals according to a list of 1,000 publications prepared by British Publications in New York, their chief interest being housekeeping, gardening, fashions, society news and motion pictures.

All records have been broken by the advanced bookings, both cabin and tourist class, for the Atlantic and Mediterranean next season, according to the Gyndia America Line.

You just *know*
 it's a Packard!

There's a story of exclusive values behind these exclusive lines. Come in—see for yourself!

When you point to this proud, glistening grille, any schoolboy can tell you it's a Packard... the car that still looks like itself!

That's because the Packard radiator grille, for nearly 50 years, has been a trademark of precision-built character.

Packard, for example, has always meant precision-built engines. And Packard today is winning new fame with the amazing economy of its new "free-breathing" straight eights!

Packard has always meant masterful roadability. And Packard leads again today—with a "self-controlling" suspension system.

Packard has always meant precision workmanship. And today's Packards are the finest-built Packards ever to bear the name!

It all adds up to a story we'd like to tell you in full... and soon!

THREE ESKIMOS ON WAY TO FT. WORTH ON A BET

PORTLAND, Ore. Sept. 15 (UP)—Three Eskimo girls were on their way to Texas by air today to help a Fort Worth millionaire win a \$25,000 bet.

They left here early today in a plane piloted by Lew Leach, Jr., of Dallas. At 9:15 A. M., CST they landed at Boise, Ida., and 15 minutes later they took off again.

They flew to Portland from the Arctic Circle in Leach's plane. Leach is pilot and general handy man for L. L. Horne. Fort Worth oil man who bet his friends he could get three Eskimos and deliver them in Texas before midnight tonight.

The girls are Lona B. Welch, 22 of Kivlenka, Alaska; Molly Blatchford, 26, Golovin, Alaska; and Alice Walker, 26, White Mountain. Their chaperone is Lorena Gray, 39, Kotzebue, Alaska.

They wore spike pumps, nylon stockings, wool coats, white gloves and glasses.

The Eskimo maidens, Leach said were signed up for the trip to non Arctic Texas with the aid of newsmen.

The enterprise began when Horne went to KallsPELL, Mont., a few days ago for a brief vacation. While he was there Horne phoned friends in Dallas and Fort Worth and asked what souvenirs of his trip they wanted.

The Texans asked for Eskimos, set the deadline and made the bet. Leach got his flying orders and went to work.

Leach first flew to Alaska but found the Eskimos there were wards of the federal government and couldn't be ferried over the countryside for betting purposes, even with chaperones. Then Leach was advised to try Portland, which

was represented as full of Eskimos. But the Portland Eskimos turned out to be Indians.

After Portland, Leach tried Seattle and signed up the Eskimos there. They will be paid \$100 a day and expenses.

DALLAS, Tex. Sept. 15 (UP)—L. L. Horne, the Texas oilman who is having three Eskimo women flown to Texas to win a bet, said today "I didn't know what I was letting myself in for when I started this thing."

"I'm getting too much publicity," Horne said today as he prepared to leave for Fort Worth where this afternoon he will welcome three Eskimo women and their chaperone to Texas and check at least a portion of bets that will total "more than \$20,000."

"Why, I've had more than 100 telephone calls this morning," Horne said. "This thing may drive me crazy before it's through."

Horne said he planned to up the guarantee of \$100 each for the three Alaskan women and the chaperone to \$200, but "they don't know it yet." He said they agreed to make the junket for \$100 each.

Pressed for names of the men with whom he had placed the bets that he couldn't have three Eskimo women in Texas by tomorrow, Horne closed up. "Just say they are Texas oil men, like myself," he said.

of them in the way of food, clothing, etc., throughout their swing through Texas," Horne said. He added that stops would be made at Fort Worth, Dallas, Houston, Taylor, Mission, San Antonio and

Brownwood Suits May Change Senate Race

BROWNWOOD, Tex. Sept. 15 (UP)—Election contest suits over the county judge's race in Brown County, set for hearing today may have a possible effect on the final outcome of the race for the Democratic nomination for U. S. Senator, observers said today.

County Judge A. E. Wilson, who initiated one suit, is asking that the Brooksmith ballot box be thrown out because of failure of the election judge to sign ballots.

His opponent, Frank A. Loudermilk, is asking in a separate suit that, if the Brooksmith box be discarded, others be thrown out also.

If the votes in the county judge's race are disqualified, the votes for Senate Candidates Lyndon Johnson and Coke Stevenson also will be.
