Grand Prairie To Have Daily Newspaper Soon

GRAND PRAIRIE, Tex. Sept. 15 (UP)—Grand Prairie, believed the largest city in the nation without a daily newspaper, won't hold that distinction long.
Anson Brundage, publisher of the semi-weekly Grand Prairie, has announced plans to change his publication to a daily about Jan. 1, on a five-times-a-week basis.
Brundage said the Grand Prairie, which was a sleepy, suburban town of less than 3,000 before World War II, boomed with the coming of the North American Aviation plant and now has a steady population of more than 18,000.
He said the Texas, which installed United Press leased wire service for his semi-weekly several months ago, would increase the size of its editorial and business staffs.

Election Contest To Be Appealed

BROWNWOOD, Tex. Sept. 16 (UP)—Attorneys for Frank A. Loudermilk gave notice today of an appeal to the Civil Court of Appeals at Eastland of a decision by District Judge R. B. Cross throwing out 1,727 votes from the Aug. 23 primary election in Brown County.
Cross ruled yesterday that election judges did not sign or signed improperly the ballots in six precincts of the county. At stake was a county judgeship and the decision wiped out a lead held by Loudermilk over the incumbent, A. S. Wilson.
The decision had no effect on the U. S. senatorial race between U. S. Rep. Lyndon Johnson and Former Gov. Coke R. Stevenson. If that race had been at issue, Stevenson would have lost 1,099 votes and Johnson 633.

Humble Wins Suit In Bexar County

SAN ANTONIO, Tex. Sept. 16 (UP)—Humble Oil Company held a court victory today over Bexar county in a fight over valuation of the company's holdings.
The 4th Court of Civil Appeals sustained a ruling of a district court yesterday upholding an injunction against Bexar County tax officers from collecting on the valuation.
Humble secured an injunction in district court forbidding the county to collect taxes on the basis of an increased property valuation. Involved were minor properties of the oil company, but county tax officers said, that by implication, some \$20,000,000 in potential evaluations were threatened.
The Stoner survey, an agency which determined evaluations for the county, fixed Humble's property value at \$105,720. Humble said the property was worth only \$69,300 and went to district court. Judge C. K. Quinn granted the injunction.

Dewey To Stump For GOP Senators Boston Loses, Yanks Close In

ALBANY, N. Y. Sept. 16 (UP)—Gov. Thomas E. Dewey will do plenty of whistle stop campaigning for GOP Senate candidates on his forth-coming western trip, it was learned today.
The exact times and places haven't been announced yet. But in addition to 16 major stops revealed so far the New York governor will barnstorm the Senate-contest states with as many as six additional appearances a day.
Dewey forces, confident he will win the White House, are determined to hold their present 51-45 margin in the Senate and widen it if they can.
Their concentration on the Senate contests was demonstrated by the speaking schedule announced last night after a conference of the GOP presidential nominee and his top-level campaign advisers.
Herbert Brownell, Jr., presidential campaign manager, announced that Dewey will speak in Spokane, Wash., and Missoula, Mont., Sept. 28; Helena and Great Falls, Mont., Sept. 29; Pocatello, Ida., and Salt Lake City, Utah, Sept. 30 and Cheyenne, Wyo., Oct. 1.
It had been announced previously that Dewey will open his campaign at Des Moines, Ia., Sept. 20 and speak at Denver, Colo., Albuquerque, N. Mex., Phoenix, Ariz., Los Angeles, San Francisco, Portland, Ore., Takoma, Wash., and Seattle.

In addition to the announced speeches one of Dewey's chief aides said it was "fair to assume there will be considerable reappearance."
Huble secured an injunction in district court forbidding the county to collect taxes on the basis of an increased property valuation. Involved were minor properties of the oil company, but county tax officers said, that by implication, some \$20,000,000 in potential evaluations were threatened.

TEXAS DIAMOND DOINGS

TEXAS LEAGUE

The Texas League inaugurated Playoff contestants switch bases today with the Tulsa Oilers leading the Houston Buffs two games to none and the Fort Worth Cats and Shreveport Sports knotted at one game each.

For the second time in a row, the Cats and Sports battled for 11 innings before reaching a decision and as on the previous night, it took a misplay to provide the winning run. Only this time it was in favor of the Cats instead of against them as they won 4-3.

The Tulsa Oilers almost blew a safe lead in the ninth as the Buffs got to southpaw Harry Perkowski for four consecutive bingles, but Jim Avera and Mike Schultz came to his rescue and the Oilers won their second straight 5-3.

At Fort Worth, the Cats counted the winning tally in the last of the eleventh with two out with pitcher Dwain Sloat scampering across as the Sports infield messed up a force play at second. Mike Williamson was charged with the loss after relieving Henry Wyse in the seventh.

The Buffs had been rather docile behind Perkowski's six-hit hurling until the ninth when they solved his offerings for three singles and a double for two runs. Avera came in to whiff two men and Schultz knocked a third down on strikes to save the day.

Bud Gyerly was expected to face Houston's Pete Mazar in the third game of the series at Houston tonight, while Eddie Chandler probably will draw Fort Worth's assignment against either Warren Hacker or Garth Mann for the Sports at Shreveport.

BIG STATE LEAGUE
The Sherman-Denison Twins picked up where they left off in the opening round of the Big State League Shaughnessy play-off today as they broke in front in the final round with Wichita Falls.

The Twins won the opening game of the series with the Spudgers by breaking up a nitchers' bottle in the seventh and eighth with a barrage of hits, coupled with Spudger errors, to chase across three runs in each inning for a 6-0 triumph.

The clubs play the second game in Sherman-Denison tonight.

LONE STAR LEAGUE
The Lone Star League play-offs went to the limit today. Both opening round series were forced into the seventh and final

game last night as the Tyler Trojans tied up their series with Longview and the Kilgore drillers knotted the count with the Henderson Oilers.

The Trojans, who dropped the first two games to the Texans, came from behind last night to blast out 12 hits off starter Okie Flowers and four relievers for a 7-5 victory.

The Drillers, who finished atop the regular season standings, pounded a pair of Oiler hurlers for 18 hits for their 9-6 victory last night.

LONGHORN LEAGUE

Midland took a one-up lead today in their final round Longhorn League playoff scramble with a 9-1 victory over the Vernon Dusters.

The Indians had advanced by defeating second-place Odessa in the opening round, while the Dusters had eliminated the first-place Big Spring broncs.

The series continues tonight at Midland.

Thompson Stars As Eagles Win

DALLAS, Tex., Sept. 16 (UP)—Tommy Thompson, former Tulsa star, passed to two touchdowns last night to lead his Philadelphia Eagles to a 21-7 victory over the Los Angeles Rams in an uninspired exhibition football game.

With some 15,000 bored fans looking on, Thompson tossed a 16-yard pass into the end zone to give the Eagles their first touchdown. The Quaker City eleven had climaxed a 66-yard-drive down the field in 11 plays without losing the ball from the opening kickoff.

Cliff Patton booted the first of three conversions. Jack Ferrante took a rifle pass from Thompson late in the third period that was good for 35 yards and a touchdown, while the third counter came in the final quarter when Pat McHugh recovered a fumble by Dick Hoerner and plunged down the sidelines to the goal line.

Successive passes by Freshman Jim Hardy to Tom Fears for 30 yards and Bob Alger for 45 gave the Rams their score in the final minutes. George Grimes converted.

The touted passing tandem of Bob Waterfield and Jim Hardy had little success against the hard-charging Eagle Line.

Texas Champion Loses In Tourney

PEBBLE BEACH, Cal., Sept. 16 (UP)—Lanky Dot Kirby, runner-up for nearly every major golf crown in the country but very seldom a winner, assumed the favorite's role for the 1948 National Women's Amateur championship today as she led a field of eight crack sharpshooters into the quarter-finals over picturesque Pebble Beach.

Miss Kirby of Atlanta, Ga., gained her place in the quarter-finals with near-perfect-golf for a 3 and 2 victory over medalist Betty Mims White, Texas champion from Dallas. The winner was three under par for the first nine and one under for the distance, leading two-up at the start of the 10th.

The best battle yesterday was the Peggy Kirk victory over fighting Betty Mackinnon of Texarkana, Ark., one-up. Miss Mackinnon was only one-up while shooting a three-under-par 36 for the first nine to Miss Kirk's 37. The match was squared on the 10th when the winner got a birdie. They halved the next six holes in a row, before the Ohio girl broke through to gain the edge with a par three on the 17th. They halved the 18th to end the match.

Yesterday's Star—Taft Wright of the Chicago White Sox, who drove in five of the 10 runs scored by his team in one inning, one on a fore-out and four on a grand-slam home run.

Lubbock Team Whips Toronto; Goes Into Finals

OKLAHOMA CITY, Sept. 16—(UP)—The Lubbock Tex., Bluebonnets had to go 15 innings last night, but they finally nipped Toronto, Canada, 4-2, to go into the winners' bracket finals of the World Soft Ball Tournament here.

The Bluebonnets meet the Taft, Cal. Merchants tonight in a clash of the only two unbeaten teams in the meet. Taft did not play last night.

The Lubbock team had a 2-0 lead over the Levy Auto Parts from Toronto as they went into the last of the seventh, the final inning in regulation play. But three straight

hits and an error by left fielder Roy Butler allowed the Canadians to tie the score. It was Butler who led off the 15th with a long triple to left. Catcher Willis James scored him with a single, and Ray Butler, his brother, pounded another triple to plate James.

Snow Suits Unwanted
ST. LOUIS (UP)—Three men robbed a parked automobile, belonging to a salesman, James Lane, of a suitcase. When police finally caught the men, they still had the suitcase but its contents, 11 snow suits had been scattered

under the blistering sun in a vacant lot.

What's the best buy on this table?
You're right! It's that glass of milk. And it's the best buy for several reasons. All food prices have gone up. Every woman knows that only too well. But the price of milk has increased far less than most foods and much less than the average for all foods.
What's more, milk is the best buy on the table because it is the most nearly perfect food. It supplies nearly one-half of all the food values your family needs... and does it for less money than any other food. And there's never any waste. Any way you figure it, penny for penny, milk is always your best food buy!

KEYED TO BETTER LIVING—
Better Lighting
Now that students are starting another school term, it is vitally important that they have enough of the right kind of light for easy seeing.
All lamps used by children for home study should have at least a 100-watt bulb—150 watts in many cases—to provide good light to make their homework easier and to prevent undue eyestrain. Lamp shades, too, are important—they should be wide enough to spread the light evenly and keep glaring, unshaded light from striking the eyes.

\$500 Worth?

This second sailfish of the season to be recorded in southeastern North Carolina's rodeo looks like a \$500 prize gatherer to E. M. Herndon, right, of Durham. Although its 52 pounds is far from last year's 72-pound winner, sails are judged by length, and this hungry feller, taking a feather lure intended for bonito and eco, measures eight feet two inches. Herndon was aboard Capt. Hulian Watt's Idle On, out of Southport, in the waters between Frying Pan lightship and shoals.

TEXAS ITINERARY FOR TRUMAN ANNOUNCED

WASHINGTON, Sept. 16 (UP)—President Truman will spend more than two days in Texas on his two-week campaign trip which starts Friday, the White House announced today.

Press Secretary Charles G. Ross said Mr. Truman expects to see Former Vice President John Nance Garner at his home in Uvalde, Tex. The President will spend the night of Monday, Sept. 20, in Bonham, Tex., as the guest of House Democratic Leader Sam Rayburn, Ross said.

Announcing a complete itinerary for the campaign swing, Ross said it will include major speeches at Dexter, Ia., Denver, Colo., Salt Lake City, Utah, and San Francisco and Los Angeles, Cal. He said there will be "a number of fairly important speeches" on the trip back to Washington.

In this classification, he listed "one of the Texas speeches, and addresser at Oklahoma City, Okla. Louisville, Kl., and Charles'own, W. Va."

The first Texas stop is scheduled at noon, CST, Saturday, Sept. 25, at El Paso, where he will speak. That afternoon he will go through the Texas towns of Sierra Blanca, Valantine, Marfa, Alpine, and Sanderson.

Mr. Truman is scheduled to arrive at Uvalde, Tex., Garner's home town, at 6 A. M. Sunday.

"It is to be expected that the President will naturally see his friend Mr. Garner at Uvalde," Ross said.

The President's campaign train is scheduled to arrive at San Antonio at 10:45 A. M., CST. Mr. Truman will stay there overnight but will make no speeches or appearances. Ross said he hoped it would be a day of rest. The Presidential train will stop at the Ft. Sam Houston reservation for the lay-over.

Leaving San Antonio early on Monday, Sept. 27, the chief executive will go through Austin, Temple and Waco, Tex., arriving at Ft. Worth at 2 P. M., CST. He is to

New Synthetic Glycerin Plant Being Opened

HOUSTON, Tex., Sept. 16 (UP)—The United States will have ample glycerin on hand in the event of war, Shell Chemical Corporation President Jan Oostermeyer said today before beginning a tour of the firm's new plant.

The installation, to be dedicated today, will turn out 15 percent of the nation's supply of synthetic glycerin. Oostermeyer predicted the new plant, the world's first, would do much to stabilize

the price structure of glycerin, and would make the United States independent of the imported product should hostilities break out.

Oostermeyer and other leading industrialists from the nation's manufacturing centers are here to attend a three-day celebration opening the \$3,000,000 plant, part of the Shell Corporation's \$59,000,000 construction program at Deer Park, near here.

Farm Birth Rate Rises Along With Incomes

TOPEKA, Kan. (UP)—A survey discloses that the nation's biggest farm income in history is being accompanied by a higher birth rate on farms.

Capper's former research department reported that 750,000 babies were born in rural households last year—one baby for every eight farm families. The 1947 new arrivals exceeded deaths by nearly 500,000 and were 18 per cent greater than rural births before the war.

By United Press
RGUND ROCK, Tex. Sept. 16—(UP)—A Eastbound International and Gr. Northern freight train jumped the track last night, derailed 17 cars and tearing up a mile and a half of track near here last night.
 Wrecking crews were expected to clear the track today. No one was injured.

LONGVIEW, Tex. Sept. 16 (UP)—Funeral services were pending today for Betty Sue Reid, 4, victim of her father's loaded pistol.
 The child climbed up on a chest of drawers yesterday and picked up the weapon that the father, I. F. Reid, carried on his job as a night watchman.
 The slug struck her in the temple.

HOUSTON, Tex. Sept. 16 (UP)—International air parcel post will be inaugurated from Houston Saturday. Postmaster Granville Elder announced today.
 Packages weighing up to 50 pounds may be sent by the new service to China, Fiji Islands, New Zealand, Phillipine Islands, Siam, Belgium and Luxembourg.
 Elder said a five-pound package could be mailed to points in China for \$21.95 and to Belgium and Luxembourg for \$9.15.

HOUSTON, Tex. Sept. 16 (UP)—Dr. Esther Lucille Brown, director of studies at Russale Sage

Foundation, New York, will address a meeting here today of district No. 9, Texas Graduate Nurses Association.
 Dr. Brown will review main points of an extensive study she has just completed on nursing and nursing education.

HOUSTON, Tex. Sept. 16 (UP)—A Progressive Party rally here tonight gained approval of the city council, with an announcement that the council had made a city park available to the Wallace followers.
 The principal address will be made in Emancipation Park by Charles P. Howard, Negro attorney and publisher from Iowa.
 Howard's speech will be preceded by remarks from Herman Wright, Houston attorney and candidate for governor of Texas on the third party ticket.

To War On Wreckers After Two Brushes

SAN ANTONIO, Tex., Sept. 16 (UP)—Police Chief Fred Palmer declared war today on speeding wrecker drivers.
 The chief mounted his campaign after two wreckers, traveling at 60 miles an hour, narrowly missed sidwiping his car.
 After the wreckers dusted off his car, the chief joined the race. He flagged them after one mile of pursuit.
 Palmer said investigation showed the wreckers were hurrying to the scene of an accident—a minor one, at that—to which they had not been summoned.
 The population of the Navajo Indian reservation which straddles New Mexico and Arizona is estimated at 60,000.

THREE HERDS ELEPHANTS COMING WITH COLE BROS.

The more the elephants, the bigger the circus,—has long since been the rule by which the size of a circus was judged. In the old days, the days when circuses moved by wagon train,—one or two elephants were considered a lot. Today, a herd of five or six is nothing more than a beginning.
 With the huge Cole Brothers Circus coming to Eastland Sunday afternoon only for performances at 2:15, three great herds of performing elephants will be seen in what is conceded to be the most thrilling and spectacular elephant display in America. They are an outstanding feature and they serve to introduce three of spangleland's most beautiful and talented "celebrity girls", Mae Bickett, Patricia Scott and Bobbie Donovan who present the powerful beasts in the rings.
 Everything about this new circus of 1948 is of gigantic proportions. Hundreds of stars and performers take part, and among them many of spangleland's greatest attractions. By far the most powerful circus program presented by Cole Brothers in years.
 Heading the features are the Cristini Family of bare back riding champions, with Luico, greatest of all riding comedians; the Great Davissos, the most daring act of the kind on earth; Hubert Castle, the world's most noted tight-wire star; the Flying Thrillers, breath-taking performers on the high trapeze; the Aussies, an all woman acrobatic troupe from England, and many others of equal note, not forgetting of course, the scores of horse and animal displays, the half a hundred famous clowns, and the countless ring and track numbers. Altogether, 350 spangleland stars and performers go to make up this year's mighty program.
 Performances are scheduled for 2:15.

ESKIMOS AND CHAPERON ON TRIP OF TEXAS

FORT WORTH, Tex. Sept. 16 (UP)—Three young Eskimo women, brought here on a bet made by a Texas oil man, embarked today on a tour of the Lone Star State that will pay them at least \$100 a day.
 The misses two-big-front-teeth, Unguchi and Nootekoon were traveling under their American names, Lona B. Welch, 22, Molly Blatchford, 26, and Alice Walker, 26.
 They stepped from a plane last night to be met by L. L. Horne, Dallas oil man. Horne had bet several cronies that he could produce three Eskimos in his home state. The deadline was today.
 Horne said he had won "in the neighborhood of \$20,000 on the bet," but he said he wouldn't have exact figures until he counted.
 Lew Leach, Jr., Horne's private pilot, located the women in Seattle. Details were lacking on how they were transported there from Alaska.
 When the women stepped out of the plane they were whisked to a hotel in a refrigerated truck. A chaperone for the women, Mrs. Lorena Gray of Alaska, said the warm Texas air was just a little too much for her.
 "My greatest ambition right now is to get to a hotel and into a tub of cold water," Mrs. Gray said as she left the plane.
 Horne treated his guests to a fried chicken dinner last night. His wards left their hotel room only once, to pose for publicity photographs.
 Then the millionaire and the three women bargained over their fee for touring the state. They settled on \$100 a day, but Horne said he probably would pay them more. Mrs. Gray was to get \$200 a day.
 Dallas was the first stop on the tour today, with a flight to Houston on the schedule.
 The oilman seemed at a loss, however, for a plan to entertain his northern guests while they are visiting Texas.
 He seemed just a little sorry he made the bet.
 "Why, this thing may drive me crazy," he said.

Livestock Parasite Cost At \$125,000,000
URBANA, Ill. (UP)—Internal parasites will cost the country's livestock industry \$125,000,000 this year, according to a University of Illinois veterinary expert.
 Dr. E. A. Woelffer said that if the parasites are not controlled, they will lower the market value of animals and poultry, even though they may not kill them. The diseased animals will eat more grain and feeds than healthy ones.
 Good sanitation methods are the best preventative, according to Dr. Woelffer, though some chemical solutions are available which will kill the parasites.
