Donald R. Ellis, Pic. son of Mrs. Martha Ellis of 1008 W. Patterson, Eastland, and who attended Eastland High School, is to participate in amphibious training exercises to be held in Southern California in early October. He is a member of Marine Aircraft Group 12 of the First Marine Aircraft Wing of Guadalcanal fame. About 19,000 Navy and Marine Corps personnel, 56 ships, and 320 planes will be engaged in various phases of the exercises. The exercises will include amphibious landings at San Clemente Island and Camp Pendleton near Oceanside, California. Mr. Boaz states that the store will handle such well known brands as Velvet Step shoes for women, City Club and Claston for men, Weather Byrd weatherized juvenile shoes and Peter's Diamond Brand workshoes for men.

All of the above brands are manufactured by the International Shoe Company.

Funeral plans were incomplete pending arrival of relatives from West Virginia.

Mr. McLaughlin was a retired Magnolia official and had visited in this section many times while transacting business here and visiting his brother and family.

CENTER OF HURRICANE DUE AT KEY WEST EARLY THIS AFTERNOON

MIAMI, Fla., Sept. 21 (UP) — A hurricane, slammed into the island city of Key West today.

Winds roaring in from the Florida Straits 95 miles per hour and up hit the sprawling U. S. Naval Air and Sea Base where President Truman has his "Little White House."

An 8:30 A. M. EDS advisory said the center of the hurricane, where the winds were whirling counter-clockwise at 100 miles per hour, was 45 miles due south of Key West and bearing steadily northward on the city at eighty miles per hour.

Winds in the city of 17,000 population, sitting on the westernmost of the long chain of Florida Keys, were blowing steady at 75 miles per hour with gusts passing 95.

The weather bureau said the center of the storm should pass over

DRAFT BOARD ROUNDING UP FINAL REPORT

By United Press — Texas' draft boards worked into the night Monday trying to round up their final reports on the state's post-war registration, which ended Saturday.

Pending final reports from all the boards, Texas Selective Service Director Gen. K. L. Berry estimated 540,000 young men signed up.

Early estimates—before the registration started—were that about 560,000 Texans would put their names on the list.

Of that number, only a relatively small percentage will be eligible for drafting under present regulations. Married men and World War II veterans are automatically exempt.

Harris County (Houston) signed up approximately 70,000. Administrative Chairman J. S. Griffith estimated.

The Dallas County registration was estimated at between 30,000 and 40,000.

Bexar county (San Antonio) draft boards registered 30,000.

Other reports, most of them unofficial, from leading cities and counties showed the following:

Travis county (Austin) "well about" 9,000; Galveston County, 8,340; Jefferson County, approximately 13,000; Gregg County, 4,200.

At Orange, where the draft board serves Orange, Jasper and Newton counties, more than 4,000 men registered.

El Paso's total was more than 10,000. McLennan county signed up 7,585, and board number 37 at Odessa — serving Ector and Andrews counties — registered 3,090.

GOP Candidate For Governor To Broadcast Tonite

DALLAS, Tex., Sept. 21, (UP) — Alvin H. Lane, Dallas attorney and the Republican candidate for Gov. Beauford Jester's post of governor, put the final touches today on his "active campaign" that he will launch tonight.

Lane planned a statewide radio broadcast over a 13-station network tonight at 7 p. m.

"I believe the people of Texas should be given an opportunity to cast their votes for someone else besides the present governor, who has proved by his actions of the past few months that he has not kept faith with the people who elected him," the attorney said.

"I am going to make a determined effort to help bring about a two-party government in our state — the answer to most of our political ills."

Granddaughter Of Local Couple Ill In Dallas

Miss Nancy Price, daughter of Lyle Price, Minister of the Church of Christ at Wills Point is quite ill in the Parkland hospital in Dallas with polio. She is a granddaughter of S. E. Price of Eastland, and was getting ready to enter North Texas State College at Denton when she was stricken.

Ballplayers to Hunt

HURON, S. D. (UP) — Major and minor league baseball players again will combine baseball and pheasant hunting when they converge on Huron Oct. 17 for the fifth annual "baseball pheasantival." The stars of the major and minor circuits will meet in a benefit baseball game on that day. They will stay around for a week of hunting.

Near-hurricane force winds blew across Miami at dawn today, bending the stately palm trees lining its boulevards with gusts up to 60 miles per hour.

Along the narrow islands at the southern tip of Florida the flailing hurricane winds were getting in their first blows. High tides piled up on the beaches from Key West to Key Largo.

Four Navy housing projects on Key West were ordered evacuated as water reached the first house 50 feet back on the beach at midnight. The Red Cross set up shelters on Key West and 125 persons spent the night there.

But the storm-wise residents of the islands were holed up and ready for the buffeting and the Florida highway patrol reported "all apparently well" so far.

BAND BOOSTER CLUB HOLDS FIRST MEET

NEW OFFICERS NAMED FOR THE YEAR

The Band Booster Club had its first meeting of the new school term Monday night. Officers elected for the year were: Aubrey Van Hoy, president; Hood King, vice-president; Mrs. George Lane recording secretary; Mrs. Ed R. Wilman, treasurer; Mrs. I. M. Herring and Mrs. J. C. Whatley, reporters.

Mr. King, as out-going president thanked club members for their cooperation and presented the new president, Mr. Van Hoy, who outlined the work to be done this year.

T. R. Atwood, the band director, told of the achievements of the Band Booster Club last year when \$800 was spent on new music and repair of instruments and \$2400 went into the purchase of new instruments. The band now owns instruments valued at over \$5000.

New instruments added in the past year include the following: B flat bass horn, \$450; Bass clarinet \$450; Bass violin \$270; Baritone \$365; Bass trombone \$220; Bassoon \$500; set of tympanic drums \$250.

Funds for the purchase of instruments have been solicited by the Band Booster Club and to date the following contributions have been made:

Don C. Hill \$100; Bob Vaught \$100; Lake Temple \$200; Carl Angstadt \$5; Perry Brothers \$25; W. L. Holder \$10; Cogdell Auto Supply \$25; Premier Oil Refining Co. \$100; Higgingham-Bartlett Co. \$25; Mrs. Baird's Bread Co. \$25; Joseph M. Perkins \$5; C. W. Hoffman \$100; L. K. Pearson \$5; Crown Lumber Co. \$25; Eastland Iron & Metal \$25; Osborne Motor Co. \$25; Jim Horton Tire Service \$50; Mr. and Mrs. H. L. King \$100; Muirhead Motor Co. Employees \$100; V. W. Chambers \$25; Grimes Brothers \$25; Lewis E. Starr \$5; Texas Electric Service Co. \$100; Lamb Motor Co. Employees \$100; J. C. Penney Co. \$25; McGraw Motor Co. \$100. Total \$1425.00.

There is still an indebtedness of \$900 on instruments purchased recently. Instruments purchased are heavy and expensive, and are not practical for individual ownership. To enter competition as a Class A band, these pieces are necessary to the band.

Band members have recently purchased new red coveralls and black over-seas caps, individual members purchasing their own uniforms. These are to be the uniforms for the band this year, but the Booster Club plans to purchase new uniforms for next year. A new band uniform at present costs about \$80.

A membership drive will be started soon by the Band Booster Club. Memberships will sell for \$3.00 per family. This membership plan gives every Eastland family a chance to cooperate in helping finance the band.

Eastland citizens are proud of their band and of the splendid progress made by Mr. Atwood, the director. The Maverick Band compares favorably at football games with those of rival towns.

BRAMUGLIA, TEMPORARY CHAIRMAN, MAKES FORCEFUL APPEAL FOR PEACE

Fred Brown Tells Rotarians About Hi-Way 80 Assn.

For two weeks in succession the Eastland Rotary club has enjoyed 100 per cent attendance of its members at meetings. Taken over a long period of weeks this is not really unusual, but for several weeks during the summer months when so many members were on vacation the average attendance ran rather low despite the efforts of Rotarian Earl Bender to contact the absent members and induce them to make up attendance where ever and when ever possible.

Vice-president Pat Miller, acting in the absence of President Maburn Harris, presided at Monday's meeting. Ben Hamner had charge of the program for the day and called upon Fred Brown, President of Highway 80 Association, to talk to the club about plans and purposes of the Highway 80 Association which Brown did in his usual good style.

Visitors at Monday's meeting included a goodly number of Cisco Rotarians, who, with any and all other visiting Rotarians, are always welcome. Included among the visitors were: J. E. Steel, Ringling, Oklahoma; Bert Low, Rotarian of Brownwood; former District Governor, Frank Roberts of Breckenridge; and Rotarians Dr. Graham, Jim Laimer, Pete Nance, W. P. Guinn, Bill Hogue and J. J. Callaway of Cisco.

Rotarian Jack Frost will have charge of the program for next Monday's meeting of the club, while Rotarian Lloyd Chapman will be in charge for the week of October 4.

PARIS, Sept. 21, (UP) — Australian Foreign Minister Herbert V. Evatt was elected president of the United Nations General Assembly today in a runoff ballot with Foreign Minister Juan Bramuglia of Argentina.

The final vote was 31 to 20 with one abstention and six invalid ballots. The voting was secret, but obviously the Russian block of six countries refused to vote for either of the candidates who went into the runoff.

On the first ballot Evatt received 25 votes, Bramuglia 22, Zygmunt Modzelewski of Poland, 6, and Josef Bech of Luxembourg 2, with one abstention and one invalid vote.

Bramuglia, who was temporary president, had to announce his own defeat. Evatt took over the gavel immediately.

The United States, faced with a complete breakdown between the east and the west over Germany, opened its third General Assembly today on the grim keynote of fear of war.

The temporary assembly president, Juan Bramuglia of Argentina, opened the assembly in the theater of the ultra-modern, flag bedecked Palais De Chaillot overlooking the Seine.

Before the leaders of both sides of a cold war which appeared to have reached the showdown stage, Bramuglia said:

"We are confronted with a threat of new and dreadful human conflict."

Even as he spoke, the foreign ministers of the western powers, meeting without Russia represented, were weighing the Berlin crisis and apparently preparing to turn it over to the UN.

Bramuglia appealed to all nations to shun force and to abandon all thoughts of resorting to war, even in the cause of re-estabishing peace. Obviously with the Berlin crisis in mind, he said:

"War as the final point in a phase of disagreement cannot be either the goal of hope or the goal of despair. Influence must be directed in all countries away from the stimulation of warlike energies."

"They must, on the contrary, be persuaded that humanity should accept peace as a solution and hard work as a means of achieving progress."

"Humanity needs to work in peace. That is what all the peoples of the world want, even those who might seem most dangerously warlike. However many may be striving toward war, there may yet exist a world of peace."

And then he concluded solemnly:

"I call upon you to reflect. I call you to peace."

Bramuglia spoke of the hope that it still might be possible to reach an understanding "between those groups who are now classified as antagonistic, and which many countries are hastening daily to take sides."

His expression of fear of war reflected the sentiment of many UN delegates and apparently of most of the inhabitants of unstable Paris.

Bramuglia even called upon President Juan D. Peron of Argentina to support his thesis that the world must strive for peace and pass up all thoughts of war. In a special message to the UN, read by Bramuglia, Peron said:

"Banish hatred, set your minds at rest, and fortify your spirit. We are against no one and against nothing."

Bramuglia made no direct but many indirect references to Russia and Communism — guarded references to nations which use force to impose their will on people, and political control of the elite.

TEXAS DIAMOND DOINGS

By United Press
BIG STATE LEAGUE PLAYOFF
The Sherman-Denison Twins move back to their home grounds tonight to try again for the game which will give them the Big State League championship.

Wichita Falls stayed in the running by beating the twins, 5 to 0, last night. The Spudder victory brought the series to three games for Sherman-Denison, two for Wichita Falls. Two games remain in the best-of-seven series. The Spudders scored their first two runs in the third inning, then added single runs again in the fourth, sixth and eighth frames to swing to the easy victory.

TEXAS LEAGUE
The Tulsa Oilers tangle with the Houston Buffaloes tonight in Tulsa in the first of possibly two games remaining in their semi-final series in the Texas League Shaughnessy playoffs.

The Oilers, leading the Buffs in the series by 3 games to 2, need only one more victory to take the best-of-seven series. The winner of the playoff will meet Fort Worth for the league championship.

The Cats, No. 1 team in the circuit during the regular season, moved into the final series by defeating Shreveport in the semifinals. Tulsa won the first two games of the Houston series, in play in the Sooner city, and then dropped the first two games played in Houston. Harry Perkowski put the Oilers back in the lead with a three-hit shut out in Houston Sunday.

In tonight's game, Cloyd Boyer is expected to start for Houston on the mound, with Bud Lively the likely pitcher for Tulsa.

LONGHORN LEAGUE PLAY OFF

Vernon will have the advantage of playing on its home field tonight as it tries for the winning game in the final series for the Longhorn League championship. The Dusters moved ahead in the series standings, 3 games to 2, by beating the Midland Indians, 7 to 5, last night.

By winning tonight, Vernon would end the best-of-seven series at six games. If Midland ties the series count, the final game will be played Wednesday night in Vernon.

WEST TEXAS—NEW MEXICO

LEAGUE PLAY OFF

Amarillo can win the championship of the West Texas-New Mexico League tonight in the fifth game of the final playoff, scheduled at Pampa. The Gold Sox won last night, 12 to 6, to stretch their lead to 3 games to 1 in the series. It was a free-hitting affair, with Amarillo banging out 16 blows to 11 for Pampa. Pampa helped the Gold Sox along by committing 5 errors afield.

LONE STAR LEAGUE

Kilgore was two games out in front today in the final playoff series with Longview for the Lone Star League championship.

The Drillers made it two in a row by swamping the Texans, 11 to 0. Kilgore, No. 1 team in the League during the regular season, scored in every inning played, except the seventh and did not bat in the last of the ninth. The Texans were held to six hits.

The teams move to Longview for the third game of the series tonight.

Injuries Plague Mustang Reserves

DALLAS, Tex., Sept. 21 (UP)—Three reserves were on the injured list today as the Southern Methodist Mustangs prepped for their Saturday renewal of inter-sectional rivalry with the University of Pittsburgh.

Most serious injury was that of guard Herbie Wales, former Highland Park guard whose back ailment may keep him out of uniform for several weeks. A bad knee handicapped blocking back James Marion and a pulled ligament bothered guard Bob Welch. Coaches were stressing a defense for the reputed strong running game they will face in Pittsburgh.

Fifty per cent of all patients entering hospitals in the United States are admitted because of injury by violence.

Top Three Teams Post Victories

It was still the Red Sox by a game today as the three front-running teams all hung up victories in the American League.

Southpaw Mickey Harris, an in-and-outter all season was yesterday as he tossed a four-hitter to beat the Tigers, 4-2. And the Yanks had a few headaches with the Browns but the peerless one, Joe DiMaggio singled in two deciding runs in the eighth to give the Yanks an 8-7 victory. The Jolter also clouted his 39th home run.

The Indians clung to second place by downing the Athletics 6-3. Gene Bearden earned his 16th triumph but needed help from Russ Christopher in the seventh.

The Dodgers took over second place by downing the Cubs 4-2. As the Braves-Reds game was washed out, the Boston lead was shaved to five-and-a-half games. The Phils made it four straight over the Pirates with a two-light doubleheader victory, 5-2 and 7-4. Robin Roberts twirled a six hitter to win the opener.

Title Bout Postponed

HOUSTON, Tex., Sept. 21 (UP)—Illness of defending titlist Dolph Quijano of El Paso forced postponement today of tonight's scheduled Texas Light-heavyweight championship battle. Promoter Jimmie Guest said he received notice from Quijano's brother and manager that the champion had been stricken with potniaine poisoning.

The new date, agreed upon by Quijano and challenger Eddie Amarr of Oklahoma City, was Sept. 28.

No Key, No Band
JAFFREY, N. H. (UP)—This mountain town had to hold its 175th anniversary parade without the Conant High School band. The instruments were locked in a school room and on the day of the parade no one could find the key.

Sweet and Fiery
ALLIANCE, Neb. (UP)—Bill Towne, 40, who lives on Sweetwater Avenue, was convicted of selling firewater to Indiana.

Texas Priming For Tarheel Game

AUSTIN, Tex., Sept. 21. (UP)—The rough and ready Longhorns from Texas University, in for a possible revenge scrap from the Tar Heels of North Carolina, embarked on the first of a two-day rough workout today in preparation for their trip to the coast

state. Texas meets North Carolina at Chapel Hill Saturday. The Longhorns dropped the Atlantic Coast lads last year, 34-0.

Yesterday's workouts were composed principally of light physical workout, review of tactical errors and a realignment of the offensive attack for the Saturday game. Coach Blair Cherry also went over his defense set-up, which he hopes will stop the Tar Hill's Charley Justice.

Dick Harris, who suffered a wrenched knee in Texas' 33-0 victory over Louisiana State University last Saturday, was limping today and it was problematical whether he would see service against the Tar Heels.

The New Mexico game department spends about \$365,000 annually in its program of restoration, fish hatcheries and law enforcement.

Convict Amazed At Working Of Texas Rangers

HOUSTON, Tex., Sept. 21 (UP)—A cool, North Carolina convict pondered the workings of the Texas Rangers today, amazed at the series of swift moves that put him behind bars again.

Sandy-haired Doyle William Duckett, 39-year-old killer, was picked up early today. Rangers roused him from his bunk on a farm near Pasadena, Tex., where he worked two weeks.

"How they got me," said Duckett, "I'll never know. I figured I was free as the breeze."

He had been at liberty three weeks after an escape (his third in six years) from a North Carolina prison. Duckett was serving a 30-year sentence for second degree murder and robbery.

The man signed extradition papers and told police he was sure "they'll put me in solitary when I get back."
 "The Rangers just told me they 'had information,'" he mused.
 Ranger Captain Hardy Purvis had nothing to add.

Miss Tye, Mr. Gary Exchange Vows In Cisco Ceremony

In a candlelight church wedding, Miss Billye Jean Tye, daughter of Mr. and Mrs. F. C. Tye of Eastland became the bride of Burtis L. Gary, son of Mrs. Mary Gary of Cisco.

The impressive ring ceremony was read at 8 o'clock Saturday evening, September 17 in the First Baptist church of Eastland by Rev. L. M. Chapman, church pastor. White and pink asters decorated the church and palms and lighted tapers formed beautiful background for the exchange of vows. White satin ribbons marked the aisles.

The bride, given in marriage by her father, wore a gown of white satin, fashioned with high, round neckline lace yoke basque bodice fastened down the back with tiny covered buttons; puffed sleeves and bouffant floor-length skirt. Her head dress

was a tiara of white carnations from which her shoulder length veil of bridal illusion fell. She wore a long mitte and carried a bouquet of white stephanotis and roses attached to white and pink satin streamers.

Maid of honor was Miss Mack Quarles of Spring Hill, La., a cousin of the bride and bridesmaids were Mrs. Don Howe, Mrs. J. C. Tyra and Mrs. A. E. Bachtel, sisters of the bridegroom. All wore gowns of blue or pink taffeta and net with fitted bodice and full skirts and head dress of pink and white carnations. They carried Colonial bouquets of pink and white asters. The bride's mother wore a blue dinner dress with blue accessories and pink carnation corsage; and the bridegroom's mother wore a plum colored dinner dress, dark orchid hat with gray plume and white carnation corsage.

Floyd Calloway of Cisco served the bridegroom as best man; attendants were D. M. Hows, J. C. Tyra and A. E. Bachtel, brothers-in-law of the groom; ushers were Mack Rumley and Charles Wood of Cisco.

Organ music was furnished by Mrs. Young, who played "I Love You Truly" as Miss Dema Lou Quarles, cousin of the bride and Leland Gary, the groom's brother entered and lighted the candles. She wore a formal gown of yellow crepe and her attendant's suit was of brown; Mrs. Young

also played traditional wedding music. A reception on roof-garden of the Connelie hotel was held immediately after the wedding.

Guests were greeted by Mr. and Mrs. F. C. Tye, Mrs. Mary Gary, the bridal couple and members of the wedding party.

The bride's table held the beautiful pink and white five-tier wedding cake, decorated with fancy arch work at each tier and topped with miniature bride and groom. Mrs. L. P. Quarles served the cake to the guests after the first slice was cut by the bridal couple. Mrs. E. L. Coer and Mrs. Wm. D. Scarlett ladeled the delicious punch to the large group of friends in attendance.

Mrs. Gary was reared in Eastland and graduated from Eastland high school; Mr. Gary graduated from Gladewater high school, served a year with the U. S. Navy after which he attended school at Cisco Junior College.

Mrs. Gary was wearing a two piece gray gabardine suit with navy accessories and pink carnation corsage when the couple left on a honeymoon trip to Carlsbad Cavern and places of interest in New Mexico. Upon their return they will make their home in Cisco where he is associated with relatives in the Cisco Pastry Shop.
