## Horned Frogs Up For Baylor Tilt

FORT WORTH, Tex. Oct. 28, (UP) — A generally optimistic frame of mind seemed to pervade the Texas Christian football squad and coaching staff today as they neared for the Horned Frogs' crucial game with Baylor.

Success of Frog defenses in stopping Baylor plays run by the Freshmen in last night's scrimmage brought most of the optimism, but a lack of injuries and a revival of team spirit also contributed to the hope that Baylor's unbeaten record would be snapped Saturday night.

## Horses Stay Home; Citation Runs Solo

T&T SPORTS—HORSES 14 . . . BALTIMORE, Md. Oct. 28 (UP) — Citation could drop dead on the track tomorrow and still win the \$10,000 Pimlico Special, a spokesman for the Maryland Jockey Club said today.

The spokesman explained that under Maryland racing rules, any horse in a walkover contest merely has to put in an appearance on the track to be declared the winner.

"And it definitely will be a walkover," the spokesman said, "no other horse is entered and none will be qualified."

## RANGERS HAMPERED BY INJURIES BUT RATE EVEN CHANCE FOR WIN

BY MARVIN GROSS

In a battle that won't affect their conference standing but could give them the impetus to sweep through to the zonal crown, the Rangers will tee off with the Navarro Junior College Bulldogs tonight at 8 P. M. at Bulldog Stadium.

For the Rangers it will be the fifth outing of a season that has seen Coach Boone Yarbrough's team capture three out of four decisions. Only Kilgore, the number one junior college team in the nation, has beaten the Rangers — by a 34-14 count. The locals have successively beaten Texas Military College, Cisco and Clifton.

Navarro has a similar record, dropping their first game to Corpus Christi and then roaring to take five straight over a variety of opposition — both good and bad.

Yarbrough will field a team minus a half dozen first string performers. Starting guard Jack Townzen is sidelined with a knee injury. They face Weatherford next Saturday in the junior college championship celebration and then make the long trip to Decatur to play the Baptists.

But boasting an able gang of reserves Yarbrough and the Rangers should be set for the prime effort of the year. The Ranger offense that powered through Kilgore for two early touchdowns is a smooth, heady unit that hasn't been stymied thus far.

To lead that attack the Rangers have one of the best in the conference. Quarterback Junior Arterburn has pitched to with a steady if not spectacular air arm and right below Junior is Jackie Wright who can sling in any style.

No individual star highlights the Ranger running game. Jimmy Crawley and Frankie Ford carry the most on most of the outings. They play with the hard-hitting full-back Bailey Woods relegated to powerhouse plays.

The forward wall, an alternating of offensive and defensive unit has clamped the gate on scoring since the Kilgore defeat. Only Cisco has scored on Ranger — and that came on a disputed pass play. Season mainstays of that airtight line have been defensive end Charley Sullivan, a 210-pound rock that can be moved only when he trots off the field for halftime, Bob Herrington a small but beefy tackle, Johnny McClendon, the chattering spark-plug center and Billy Townzen.

Navarro's offense, a T-formation all the way, centers on two fleet backs who must be stopped if the Bulldogs are to be stopped. Chief cog is the undersized signal caller, Reed who weighs in at 134 pounds but who can spray his rifle shots all over the chalk marks. The other half of the one-two punch is halfback Davis — an 156-pounder who runs with speed and most of the time in a forward direction.

Although not too high in the pounds department the Bulldog line will hold a weight advantage. The starting guards, Prestige and Bradley weigh 193 pounds apiece while tackles Carrington and Phillips move the scales to 170 and a chunky 208 pounds respectively.

Following the Navarro contest the Rangers bounce back into re-

## Kansas City New Hockey Leader

BY UNITED PRESS

The Kansas City Pla-Mors climbed out in front in the United States Hockey League standing today.

The hustling Pla-Mors won their fourth straight without a defeat last night as they checked the St. Paul Saints 3-1 on their home ice to pull two points ahead of the Saints.

The winners cashed in on a first-period break that found the Saints crowding the penalty box and slashed two goals into the net to take a lead they never relinquished.

Minneapolis, northern division cellar team, kept the Dallas Texans in the southern division cellar by spoiling the latter's home debut with a 6-4 victory.

Dallas invades Houston tonight in the only league game scheduled. Saturday night will find Tulsa at Minneapolis and Omaha at Dallas.

## Longhorns Ready For Crucial Game

AUSTIN, Tex., Oct. 28 (UP)

Contact work was over for the week today in the University of Texas grid camp as football fever built up to a high pitch for Saturday's big game with Southern Methodist.

Coach Blair Cherry concentrated yesterday's drills on a revised Texas passing offensive with Paul Campbell in the tossing role and also worked on defenses against SMU aerials.

Taking no chances on possible rain, a cover has been spread over Memorial Stadium turf.

The nation's 1948 cranberry crop is expected to be the second largest in history.

against Texas Christian's vacuous offensive formations.

Tackle Buddy Tinsely and ends G. B. Nevill and J. R. Class got into yesterday's tough scrimmage sessions for the first time this week and appeared in shape to play Saturday night at Fort Worth.

## Card Boss Seeks Player Strength

ST. LOUIS, Oct. 28 (UP) — Robert E. Hannegan, president of the St. Louis Cardinals, said today that although he has discussed player trades with officials of four other clubs, no deals are probable until December.

Hannegan said he conferred with representatives of the Giants, Dodgers, Pirates and Cubs during a trip to New York, and "they all want pitchers."

The New York Giants offered to give up Johnny Mize and Walker Coener, Hannegan said.

"However, we're interested only in young players," he said. He said the Cards are interested in the Cubs' first baseman, Eddie Waitkus, but added that "a definite deal had been arranged."

"It looks like most of the clubs will wait until the December meetings before making any deals," Hannegan said.

## Crane Brakeman Wins Sweepstakes

SAN FRANCISCO, Oct. 28 (UP) — Thomas B. Williams, 53-year-old crane brakeman, set 'em up for his friends today after learning he won a \$40,000 prize in the Irish Sweepstakes.

Removing a 50-cent cigar from his mouth, Williams said he held a \$2.50 ticket on Royal Tara, the horse that ran second in the Cambridge Stakes at Newmarket, England, yesterday. He said he bought the ticket from a friend in a tavern two months ago.

A widower with a son, 21, and a daughter, Betty, 17, Williams said he would use most of the money to send his daughter to school.

He says he'll use some of the money to buy a new car and maybe a house. Then he'll have to call on Uncle Sam with \$15,000 for taxes. After that, he'll continue his job at the Hunters Point Naval shipyard where he earns \$75 a week.

An electrical robot has been created to warn loading dock crane operators of loads that might cause the crane to tip over.

## Ben Hogan High Prize Winner In Pro Golf Circles

CHICAGO, Oct. 28 (UP) — Ben Hogan, tiny fairway warrior from Texas, was nearly certain today to win too money in the 1948 professional golf championship.

With only one tournament left to play, the Miami Open Dec. 9-12, Hogan had won \$22,112 in official tabulations compared to \$30,874.59 for second place Lloyd Mangrum.

The Miami winner will pocket \$2,000, but Hogan was expected to play in the meet and seemed certain to finish high enough to prevent Mangrum from passing him in the season total. Mangrum was the only player with a chance to beat the Texan.

**Big Inch, Little Big Inch Pay Off**

SHREVEPORT La. (UP)—The Big Inch and Little Big Inch pipelines to the east paid a total net income of \$3,669,176 for the first nine months of 1948, the Texas Eastern Transmission Corp., has reported.

For the first three quarters of 1948, gross revenue was \$22,544,289, while the net profit amounted to 80 cents a share. In the third quarters of this year, the two pipelines earned a net income of

## Gas Line From Texas To New York Planned

WASHINGTON, Oct. 28 (UP)—A natural gas pipeline from Texas to New York is planned by the Transcontinental Gas Pipe Line Corp., Dallas, the Securities & Exchange Commission has been notified.

The line, to be completed early in 1951, will cost \$190,000,000.

The company offered yesterday for registration 265,000 shares of cumulative preferred and 265,000 shares of common stock. The underwriters of the offering will be White Weld & Co., and Stone & Webster Securities Corp., both of New York. The stock will be offered in units of one share on preferred and one share of common.

In addition, Transcontinental will offer to present holders 2,250,000 shares of common stock at \$10 each. Present holders will be allowed to purchase three new shares for each one share now held.

Further, the corporation will offer \$143,000,000 of 3-3/8 per cent two-year first mortgage pipeline bonds next June 15, to institutional investors.

**READ THE CLASSIFIEDS**

Of unprecedented size and length, the pipelines were laid during the war to move gasoline and fuel oil to the east coast. Texas Eastern Transmission, who bought the lines since the war, uses them to deliver gas to the east.

The president of the company, R. H. Hargrove, said he believes the pipes will have a delivery capacity of 500,000,000 cubic feet a day by Jan. 1, 1949, including tie-in lines now under construction.

## NEWS FROM GORMAN

GORMAN, Oct. 26 —Guests in the home of Mr. and Mrs. Brooks Ross over the week-end included Mr. and Mrs. Nash Miller and children of Tulsa, Oklahoma, and Mrs. R. L. Miller of Abilene; also Mr. and Mrs. J. H. Ables and Virginia of Plainview and another daughter Barbara of Abilene.

Joe Brandon was home over the week-end with his parents, Dr. and Mrs. J. B. Brandon from his studies in Abilene.

Miss Della Pullig is spending the week in San Antonio with her sisters, Mrs. Loma McKnight and Mrs. Fannie Burkett.

P. S. Pullig returned Sunday from a two weeks stay in Arkansas. While there he celebrated his 92nd birthday with a dinner in his honor given by relatives and friends.

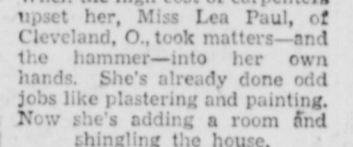

Mr. and Mrs. Gene Ellison and children and Mr. and Mrs. Duane Hite of Austin visited their parents Mr. and Mrs. Jimmie Ellison this past week-end.

Mrs. J. H. Barbee and Ozella Pulley spent the week-end in Waco.

Mr. and Mrs. Cody Love, Bob and Mary Ann; Mr. and Mrs. Oda Moore and Floyd Rider attended the Fair and football game in Dallas Saturday.

When the high cost of carpentry upset her, Miss Lea Paul, of Cleveland, O., took matters—and the hammer—into her own hands. She's already done odd jobs like plastering and painting. Now she's adding a room and shingling the house.

Handy Lady

W. L. Dunne of Dunne Brothers Drilling Company and his partner, Oscar Norwood of Tucumcari, New Mexico, have located in Eastland. They have rented the Major McGrath home just east of town and will be active in the oil business here. Mr. Dunne is drilling and has a number of producing wells at Stinnett, Texas.

### SHACKLEFORD COUNTY—Albany Area

The Dick Schwab No. 1 Nail, 15 miles northwest of Albany in the NE 1/4 of SW 1/4 of section 12, opened up a new shallow Cook Sand pool at 1,796 feet, showing a drill stem test, in eight minutes an estimate of barrels per hour of 38 gravity oil. Dan Kralis, Eastland geologist, worked up this project and took an active interest in the block with Mr. Schwab, Houston operator. Senwab was Kralis' first client after Kralis resigned from the Lone Star Geological Department to enter business for himself as a consultant geologist. The operators are drilling ahead to fill contract obligations for a 5,300 foot Ellenburger test.

### EASTLAND COUNTY Eastland Area

The Homer Glover well on the Kurkin, just west of Eastland, just wouldn't produce from the Marble Falls, so Glover moved in a cable tool outfit and started for the Ranger. Then when the bailer was run, it came up full of oil from the Marble Falls. Drilling is continuing and with each running of the bailer more oil is brought to the surface. If the Ranger fails to produce, Glover is confident that he can go back to the Marble Falls and "make a well."

An Invitation To **OUR FRIENDS and CUSTOMERS**  
We want to thank each and every one of our customers for the patronage you have given us during our second year of business. We invite you to be our guest at open house Saturday, October 30, to help us celebrate our second anniversary.  
Our policy has been to serve our customers rather than to take advantage of them during our second year, and this will remain our policy for it is not only today's but tomorrow's business we are striving for.  
If you have not bought from us, give us a trial order and see for yourself. You will like our Jewers and services: As good as the best and better than the rest.
