Reds Again Accuse U.S. Of Imperialistic Aims

HAMILTON WRECKS MAVERICKS' TITLE HOPES WITH 33-20 WIN

By MARVIN GROSS

A crumpling Hamilton Bulldog ground offensive threw an unexpected monkey wrench into the plans of the Eastland Mavericks and thwarted the Maverick's bid for a conference crown with a 33-20 upset at Hamilton.

Steamroller fullback, 205-pound Rusty McCullum was simply too much for the Mavericks defense to handle. Bruising Rusty crossed pay dirt four times on scampers ranging from a 70 yard kick-off dash to a four yard center plunge.

And when the Maverick defense consolidated to stop the giant fullback, wingback Tommy Leeth crossed up the strategy with outside and off tackle runs. Leeth also chipped in with a 25 yard scoring pass in the opening minutes of play.

But the Maverick's Jim Smith also made a valiant bid for individual honors. The whiz kid personally took care of all the Eastland markers. Jim went across on a 50 yard second period solo jaunt, improved on that with a 75-yard run in the third period and later in the quarter took a Brasher pass for 35 yards and another score. Dan Amis turned in a standout defensive game but didn't receive the help to stem the Bulldog attack.

As it stands now the winner of the Hamilton-Dublin game, November 19 will probably represent the district. And judging from last night's performance the Hamilton boys look like the champs.

A little too tense with the title staring them in the face the Mavericks fumbled soon after the opening kick-off with a Hamilton recovery setting up the first score. Leeth tossed a 25-yard scoring heave and Hamilton led 6-0 after Wilson missed the conversion.

Re-burial Service In Abilene Today For Eldon Allen

Funeral services will be held at 3 p. m. today at the Kiker-Warren Funeral Home in Abilene for First Lt. Eldon LeRoy Allen, former Eastland resident who was killed March 24, 1945 in Germany while serving with the 17th Airborne Division.

The action was the third and decisive crossing of the Rhine, when 30,000 Allied parachute troops floated down behind enemy lines.

Lieutenant Allen was the son of Mr. and Mrs. R. V. Allen, who lived in Eastland at 419 Pershing Street while their son was in grade school and attended one year of high school. He was in the Eastland High School Class of 1931. Mr. and Mrs. Allen and a sister of Lieutenant Allen, Mrs. W. E. Jarrett, now live in Abilene.

Lieutenant Allen was with the legal division of a Tulsa, Okla. insurance firm when he entered service.

Homer Garrison To Be Feted

AUSTIN, Tex., Nov. 5 (UP)—The election of Homer Garrison, director of the Texas Department of Public Safety, as president of the International Association of Chiefs of Police will be recognized at a testimonial dinner here Nov. 10, it had been announced.

Arrangements for the dinner, expected to be attended by some 300 dignitaries, are being made by a committee headed by George Clarke, managing director of the Texas Safety Association.

Other members of the committee include Sheriff Allan Falby of El Paso, A. F. Allen and Police Chief Carl Hansson of Dallas. Brock and Allen are past presidents of the Texas Police Association. Hansson is a past president of the Texas police association. Falby is a past president of the Texas Sheriffs' Association.

The Mavericks still hadn't gotten over the acute attack of fumbles, bobbling one after the ensuing kick-off on the 40. With the unstoppable McCullum blazing the way, the Bulldogs moved almost unopposed toward touchdown land. McCullum bolted over from the five and Wilson's conversion made it 13-0 as the quarter ran out.

The Mavericks made some motions toward climbing back into the ball game. Early in the period Colonel Don Brasher sent Smith around right end and behind precision blocking Jim sped fifty yards for the opening Maverick score. Margil Wadley snaked across for the conversion leaving Eastland down 13-7.

Back came the Bulldogs, never giving up the ball, to move to their third score. McCullum aided by Leeth crashed on down to the Maverick 15 Rusty put his head down and ate up the 15 yards with a Herculean thrust. The count stayed 19-7 at the half.

Fired and aroused after the intermission the Mavericks struck quickly to again inch closer. From his own 25 Jim Smith went all the way on a quick opening play through tackle. Wadley again went over for the point and Eastland trailed 19-14.

But McCullum broke their hearts and their backs again. Taking the kick-off on the 30, Rusty hit out for the sidelines, broke clear on the Maverick 35 and that was the clincher. Wilson converted for the 26th point.

Five minutes later the Mavericks made their dying but fruitless bid when Brasher tossed a short pass in the flat to Smith and Jim zoomed 35 yards for a score.

The final quarter was an all Hamilton affair. The Bulldogs sent McCullum over again clanking another grinding march and when Wilson converted the scoring ended at 33-20.

Hamilton richly deserved the win, rolling to touchdowns every time they gained possession except once being held for downs and being forced to punt once from their two yard line. Their margin in first downs was slim 12-10 but the superiority was definite.

Inopportune fumbles just about wrecked the Mavericks but chief flaw was the inability to put up any kind of defense for the plunging McCullum. But the Mavericks still retain that one slim chance for the conference title but must whip the only Hamilton conqueror—Ranger—to stay in the running.

Mr. and Mrs. Horace Horton have returned from the National Florist association in Miami, Fla. Mr. Horton said he gave Eastland a lot of publicity while there in displaying their Ceramics at the show.

Olden Hornets Win And Lose At Basketball

The Olden Hornets played their first basketball games of the season Friday night at Huckaby. The boys' A and B strings won their games while the girls' A and B teams lost to Huckaby.

United States dairy herds now total 4 per cent fewer cows than last year.

The Champ Returns

Victorious President Truman and Vice-president-elect Alben Barkley wave at the crowds massing along Pennsylvania avenue to welcome the returning "champs". Left to right: President Truman; Senator Barkley, in the car, seated; Senator McGrath; Mrs. Truman, and Margaret, with back to camera. (NEA Telephoto).

ATTEMPT TO CLAMP SILENCER ON SOVIET TO ISRAEL AIRLIFT

By Robert J. Manning
United Press Staff Correspondent
PARIS, Nov. 6 (UP)—A British spokesman said today that Britain has asked Dr. Ralph Bunche to refrain from presenting the United Nations Security Council with reports of a Soviet-sponsored arms airlift to Israel from Czechoslovakia.

The reports, revealed by American, British and French sources, were received in the sworn statement of a pilot who flew the airlift between Czechoslovakia and Palestine. The pilot said he quit because he couldn't collect his pay.

The spokesman said the British did not consider the statement substantial enough to lay before the Security Council for action.

He added that the reports indicated there also was illicit air traffic to Israel from other countries, reportedly including Panama and Italy.

The pilot's statement said the airlift was organized by Russia in Communist-dominated Czechoslovakia and supplied the Israeli army with the weapons of war from the big Skoda armaments plants. These supplies helped Israel win recent battles in northern and southern Palestine, it was reported.

CIVIL RIGHTS, PRICES GIVE DEMOCRATS WORRY

By John L. Steele
United Press Staff Correspondent
WASHINGTON, Nov. 6 (UP)—Sharp differences within the Democratic party on civil rights and price control became increasingly apparent today even amid the jubilation of the election triumph.

Southern congressmen talked harmony but warned ominously against any attempt by the northern wing of the party to ram through legislation outlawing the poll tax, lynching or job discrimination.

Vice President-Elect Alben W. Barkley went on record with a forecast that President Truman will ask the 81st Congress in January to fulfill the Democratic campaign platform by passing those measures without delay.

But Sen. Olin D. Johnson, D. S. C., an outspoken foe of the racial rights program, said "I'm still against it." The Senator, who was one of the first to congratulate Mr. Truman when the latter returned to Washington yesterday, suggested that Congress let the individual states handle legislation on the poll tax and lynching.

The British spokesman said if evidence of the reported illicit arms trade continues to pile up it might justify laying the matter before the Security Council.

American officials later disclosed that, since Aug. 1, they have filed with the UN mediator reports "from reliable sources" regarding the transport of war materials to Palestine. These reports covered alleged flights from several countries, an official said, and he added that it could be assumed safely that Czechoslovakia was one of them.

He said that there had been some flights from other places, including at least one from the United States. He apparently referred to the unsuccessful effort of a small crew of Pro-Israeli men to fly a bomber to Israel from the U. S. by way of Canada this summer.

Other sources asserted however that the western powers might be embarrassed if the question of the airlift was raised publicly in the Security Council.

There are several instances on record of voracious bluefish that have driven schools of menhaden on to the shore until they were piled up knee deep.

Report Of The Eleventh Court Civil Appeals

The following proceedings were had in the Court of Civil Appeals, Eleventh Supreme Judicial District, For Friday Nov. 5.

Affirmed: (Judge Long) Lamar D. Fain, et al, vs. Bailey Balken, et al, Taylor.

Motions Overruled: Alexander Trust Estate vs. Lindsey Drug Co., et al, appellant's motion for rehearing.

J. T. Williams vs. Merchants Fast Motor Lines, Inc., appellant's motion for rehearing.

Motions Dismissed: J. T. Williams vs. Merchants Fast Motor Lines, Inc., appellee's motion to strike from the record certain evidence offered by appellant.

Mrs. E. M. Grimes Recovering From Severe Burns

Mrs. E. M. Grimes, 200 South Seaman Street who was burned on the face, neck, arms and hands, Tuesday morning when the oven to her cook stove exploded and knocked her back several feet, is said to be doing fine. She was able to be up and around the house Saturday.

A doctor was summoned to treat her burns which are said to be healing and probably will leave no scars.

U. S. Denies Charge

WASHINGTON, Nov. 6 (UP)—State Department officials today denied a charge made by Poland in Paris that the United States is establishing military bases in Spain.

"There is absolutely nothing to that charge," one informant said. "There are no negotiations, and no thought of any at the present time."

However, it is known that diplomatic and military officials have indicated that the United States, Canada, and the five western European union countries would consider Spain's participation in a North Atlantic or Mediterranean security pact, if the Franco regime should adopt more liberal policies.

Informants said there is no possibility of any of the Democratic governments approaching Spain for bases or an alliance pending a change in present Spanish policies.

SOVIET SPOKESMEN ADMIT BUILDING GLOBE CIRCLING DEFENSIVE BELT

BY UNITED PRESS

Spokesmen for the Soviet bloc belabored the "imperialistic" aims of the United States today but tacitly admitted that Russia was building up a special "defense" belt reaching around the world.

A Moscow dispatch shed some light on Soviet global footholds and intentions. It reported an article in the Communist Party organ Pravda by Ilya Ehrenbourg, Russian newspaperman who found certain facets of American social life so repulsive when he visited the United States after the war.

He said Russia had a special defense belt which "extends not only along the borders of our country, but exists in France, China, Greece, Italy, Mexico, England—in all countries where our comrades live, think and struggle."

Thus Moscow gave implicit acknowledgment to the accuracy of charges made repeatedly in the United States recently that the Russians had a fifth column at work all around the world. UN spokesmen charged the Communist parties of each country were bent on undermining and toppling all anti-Communist governments.

The Soviet bloc spokesman in the UN today was Julius Katz-Suchy of Poland. Harping on the now familiar theme of American aspiration to world domination, he charged that the United States was setting up bases in Spain, Britain, North Africa and the Pacific, and had refused to get out of bases in Greenland.

"We all know that the United States is trying to build an empire reaching far beyond its borders," he said. He made a bitter attack on John Foster Dulles, Republican adviser in Paris who has been outspoken in his attacks on Communism.

Other developments: **NANKING**—The critical state of affairs in North China was reported to have persuaded Generalissimo Chiang Kai-Shek to relax his control of Chinese military affairs and give dictatorial authority to Gen. Fu Tso-Yi. With Manchuria in the hands of the Chinese Communists, the battle for North China was expected to break out at any time. Americans had been advised to get out of North China and the Nanking-Shanghai area. An official source said Secretary of State George C. Marshall had reversed his stand and now favored full and quick aid to China.

PARIS—UN quarters hummed with reports of an aerial supply line from Czechoslovakia to Israel, but the matter did not appear likely to reach the Security Council for official consideration. The British asked the acting UN mediator for Palestine, who had received reports on the affair, not to take it up with the council. A British spokesman said the reports indicated illicit air traffic to Israel from other countries. A Prague dispatch said the shipping of arms to Israel had been a matter of common talk there for some time.

PRAGUE—The Czech Communist party, having consolidated the grip clamped on Czechoslovakia in the coup last February, was reported preparing to co-opt itself into a sort of elite guard with membership strictly limited, as it is in Russia. The conversion was expected to reach deep into the national structure, with indications that the cabinet and possibly the premiership would be reshuffled.

VIENNA—Mrs. Margaret Ottlinger, key figure in the European Recovery Program in Austria, was reported in Russian hands. Soviet troops stopped her and a companion at the American Russian zonal border and detained her on charges that her papers were not in order.

FRIDAY MORNING Mr. and Mrs. W. E. Colburn came home with the information that she was feeling better.

Mrs. Mary Colburn Suffers A Stroke; Is Resting Well

Mrs. Mary Colburn suffered a stroke Thursday at the Brownwood home of her son, Jim Colburn. Her children were notified and soon were at her bedside.

Friday morning Mr. and Mrs. W. E. Colburn came home with the information that she was feeling better.

Jury Unable To Reach Verdict In Damage Suit

The 91st district court jury in the case of Betty Nance et al vs Wesley Isenhower et al, were discharged Thursday P. M. after failing to reach a verdict. They had been out some 12 hours.

The case was a suit for damages for personal injuries alleged to have been sustained by Betty Nance in an automobile accident.

Dallas Butchers Strike For Raises

DALLAS, Tex., Nov. 6 (UP)—Approximately 450 butchers in the Dallas area failed to report for work at 8 A. M. today, leaving the meat counters in about 7 retail stores unmanned.

Stores affected belong to Safeway, A & P, and Wyatt's food stores.

Negotiations between representatives of the stores and the union failed yesterday. Federal conciliators also were in on the conference.

The union is the Amalgamated meat cutters and Butcher Workers of North America, AFL.

The dispute was over wages and hours. The union asked a 45-hour work week, with weekly raises of \$7.50 to the head butchers and \$5 to journeyman butchers. The work week desired was five days of nine hours each.

About half of North Dakota is drained by the Missouri River.

Claim Alliance Between Tito United States

ROME, Nov. 6 (UP)—The Rightist and sometime sensation-seeking weekly magazine L'Europeo said today in an article that Marshal Tito and the United States have reached a secret military agreement which would place Yugoslavia's 35 army divisions on the side of the Western Powers in any war involving Russia.

The article was unsigned. Reliable sources said that the magazine received its information from persons arriving in Rome about 10 days ago from Istria. These persons were said to have seen Premier Alcide De Gasperi and to have called also at the Italian foreign office.

The magazine article said that

the secret agreement between the Yugoslav dictator and the United States was reached at a meeting of Yugoslav and American envoys late in September on Brioni Island, about six miles west of Pola in the Adriatic sea.

Fires Don't Know When To Stop—

... and no one knows when they are going to start. Consider the words of wisdom from the man about town who is defending himself for not being insured: "I am careful. I never had a fire in my life," and the implication is that he never will. The answer to this kind of reasoning is in every daily newspaper, on radio programs and all other places where we get out news. The most careful and most fire-conscious some time have fires — not because they are careful but in spite of it.

Week's tops: slaughter lambs 25.00, shorn lambs 23.50, aged ewes, 9.50. Week's bulks: Medium and good slaughter lambs 21.00-24.00, cull and common 15.00-20.00, cull, common and medium yearlings 14.00-18.00, cull, common and medium aged ewes 8.75-9.25, some culs 8.50 and less. Inferior to medium stocker lambs 14.00-18.50, few fleshy feeders 20.00.

PIGS — Compared last Friday: butchers and sows low, feeder pigs steady. Week's tops: butchers 28.00, sows 24.00, feeder pigs 23.00. Late bulks: good and choice 190-280 lbs 25.00, 140-180 lbs 23.00-24.75. Sows 22.00-23.00. Feeder pigs 20.00-23.00.

Murder Solution Breaks Records In New York

NEW YORK, Nov. 6 (UP) — A discarded match book cover and a casual boast that he "drank a quart at the Waldorf" put Ralph Edward Barrows in jail on a homicide charge today.

Barrows, 19, a tall good-looking youth from East Grand Rapids, Mich., confessed, police said, that he killed Colin Cameron MacKellar, 56, a \$20,000-a-year Canadian textile executive he had met in a bar. MacKellar's body was found in his suite at the swank Canadian Club in the Waldorf-Astoria hotel yesterday morning.

Police said his skull had been fractured but death resulted from an abdominal hemorrhage caused by "somebody punching, kicking or jumping on him." Barrows admitted, police said, that he hit MacKellar once during a drunken argument and left him lying unconscious on the floor of his suit.

Police said the arrest of Barrows at 5:15 P. M. yesterday set a record for a homicide in New York City. Twenty detectives had been assigned to the case which was solved less than 10 hours after MacKellar's body was found by a maid at 7:45 A.

Police had been led to the case by a book of matches found on the floor of the Waldorf Hotel suite beside the body of MacKellar.

Ducks To Get Dry Cleaning

BY MICHAEL O'MALLEY and RALPH LANE

THE STORY: Hillary Shensone, British secret agent, while lying wounded in the Indian desert beside a crashed plane after completing a dangerous mission. He remembers feeling a desperate need to return to England and Nuns Farthing, his family's country home. (He doesn't know that the house has been let and that dreamy, 17-year-old Sabrina, whom he has never met, has adopted his old room and eagerly awaits his return.) Next thing Hillary is aware of, he is back in London dropping in at his club. But no one seems conscious of his presence. Hillary learns that his brother, George, has been cutting in with Alice, Hillary's fiancée. He thinks it's all a dream until he overhears a report of his own death. Shocked at first, Hillary later decides to enjoy the situation. Next day he visits his mother's town house, learns about Nuns Farthing, saved from a love scene between George and Alice, watches the arrival of a telegram announcing his death.

HILARY found himself again in the sunny street, drifting aimlessly. So Alice would marry George and be happy—happier than his mother had been. Well, Alice was not his job. There was something else... something waiting... somewhere... Paddington Station was just ahead of him. At sight of it, confusion vanished. Nuns Farthing. They had let it, with his room just as he had walked out of it that day two years ago. Of course they must have left the door locked. If they hadn't he would see that they heard about it. If anyone had been allowed to go mucking about with his things... That was it! Strangers were in possession down there. He had to get back. I suppose an old hand at this game would know how to get there without the railway, he thought, entering the booking-hall. Perhaps in a hundred years' time I'll learn how to transport myself through space on my own. But until I get the hang of it—

ONCE more he was confronted with the problem of a closed door, for the evening was cool.

There must be a way to pass through a door without opening it, he told himself, but I'm hanged if I see my way to try it now.

He walked round the house to the back, noticing with approval that the garden was well-kept and flourishing. A mounting excitement had begun to possess him, as though some tremendous experience was drawing nearer with every step he took.

It's coming, he thought, trying not to hurry foolishly, for surely there was no need for him to hurry ever again? Whatever it is, it's going to happen now. I was wasting time in Town—not that time matters after all. But this is it. This is what I've been headed for. I might have known it was here, all along. It's coming now—whatever it is...

Through the open kitchen window he could see Mrs. Pilton, sitting as she used to do, with her knitting. For a moment he paused to contemplate the dark, brooding face bent above her knitting, while a grateful feeling of companionship crept through his loneliness and his driving anxiety. This strange, uncommunicative woman, a native of the grim countryside, was part of his childhood. Undemonstrative, inarticulate, indestructible, their strange friendship stretched back the whole length of his memory, and never once had she let him down.

Hardly knowing what he expected, he went to the kitchen door and tried the handle. It was locked for the night. He knocked on the panels softly—and heard her moving to let him in, watched the door open before him into the lighted room. She stood there, tall and calm and unfrightened, while he crossed the threshold into the kitchen.

"So you've come back at last," she said quietly.

(To Be Continued)

It took David De Lones, of Miami, Fla., just one minute and 25 seconds to devour a two-layer, one-pound cake and win a cake-eating contest sponsored by a local super-market. The icing on Dave's face indicates the zeal with which he attacked his job.

Dallas Butchers Strike For Raises

DALLAS, Tex., Nov. 6 (UP)—Approximately 450 butchers in the Dallas area failed to report for work at 8 A. M. today, leaving the meat counters in about 7 retail stores unmanned.

Stores affected belong to Safeway, A & P, and Wyatt's food stores.

Negotiations between representatives of the stores and the union failed yesterday. Federal conciliators also were in on the conference.

The union is the Amalgamated meat cutters and Butcher Workmen of North America, AFL. The dispute was over wages and hours. The union asked a 45-hour work week with weekly raises of \$7.50 to the head butchers and \$5 to journeyman butchers. The work week desired was five days of nine hours each.

About half of North Dakota is drained by the Missouri River.

Claim Alliance Between Tito United States

ROME, Nov. 6 (UP)—The Rightist and sometime sensation-seeking weekly magazine L'Europeo said today in an article that Marshal Tito and the United States have reached a secret military agreement which would place Yugoslavia's 35 army divisions on the side of the Western Powers in any war involving Russia.

The article was unsigned. Reliable sources said that the magazine received its information from persons arriving in Rome about 10 days ago from Istria. These persons were said to have seen Premier Alcide De Gasperi and to have called also at the Italian foreign office. The magazine article said that

the secret agreement between the Yugoslav dictator and the United States was reached at a meeting of Yugoslav and American envoys late in September on Brioni Island, about six miles west of Pola in the Adriatic sea.

Fires Don't Know When To Stop—
 ... and no one knows when they are going to start. Consider the words of wisdom from the man about town who is defending himself for not being insured: "I am careful. I never had a fire in my life," and the implication is that he never will. The answer to this kind of reasoning is in every daily newspaper, on radio programs and all other places where we get our news. The most careful and most fire-conscious some time have fires — not because they are careful but in spite of it.

CRIPPLED RANGERS NEED WIN TO KEEP PACE IN CONFERENCE

Anxious not only to add to their conference mark but also to send the Homecoming exes away with a view of a superfine Junior College eleven, the Rangers will shoot the works in their tussle with Weatherford tonight at 8:15.

It's a "must" game for the once beaten Rangers — a victory is in order, to keep pace with Hillsboro also undefeated in conference play. And even with the injury epidemic in full bloom, the Rangers, get the nod from the selectors' corner.

In two previous conference affairs the Rangers topped a speedy Cisco team, 20-6 and then whitewash Clifton, 28-0. Currently the

Rangers are riding a four game winning skein, being unbeaten since an opening game loss to powerful Kilgore, 34-14.

The Weatherford Coyotes where Coach Boone Yarbrough formerly displayed his collegiate wares, haven't caused too much of a stir in junior college ranks this year. Coach Ted Eate's Coyotes run from a single wing attack which hasn't as yet clicked too successfully.

Each week has seen the Ranger hospital list grow to alarming proportions. Captain Ben Blitch has been sidelined since the Cisco game but make his way back into action tonight. Starting guard Bob Herrington fanged up a knee in his Navarre thriller and will take an enclotter's role. The same holds true for Quack Ivy, another Navarre casualty.

Two long time sufferers, Claude Neeley and Edwin Crum may get into action if Yarbrough sees the need. Lee Ligon and Bill Spivy also are slightly less than in peak condition.

Thus Yarbrough has been forced to make a few switches in his starting array. Offensively the Rangers will use Bill Goodwin in Herrington's spot — Goodwin also has been used as a reserve center. Bobby Gene Williams, kicking specialist probably will start at halfback in Frankie Ford's place.

Another change will find Joe Neel starting as offensive center but Johnny McClendon will take care of all defensive assignments. The remainder of the line will find Ernest Cunningham and Billy Townzen at the guards and Wayne Royce teaming with Goodwin at the tackle spots.

Offensive terminals will be Dale Jones and Howard Frazier with Charley Sullivan rushed in when the Coyotes gain possession. Aside from Williams the backfield remains the same — Jimmy Crawley at right half Bailey Woods at

Missouri Valley Wins 39 In Row

By United Press
NEW YORK, Nov. 6 (UP) — So you don't think the tiny Missouri Valley football team should be mentioned in the same breath with the mighty University of Washington?

Well, impossible as it may sound, that was the case today after little but powerful Missouri Valley tied Washington's national collegiate record for consecutive victories by smothering the Huskies, 87 to 0, for its 39th straight last night.

The Vikings didn't look like Gil Dobie's great Huskie eleven that set the previous mark at the turn of the century, but they were mighty formidable as they massed 20 points in the first quarter and just coasted the rest of the way.

Volney Ashford was the coach of the Vikings when they started their victory string with a triumph over the Rockhurst in 1941. He was still the head man last night when they tied the record. Now Ashford is pointing his boys towards Washington's important record—60 games without a defeat, but counting ties.

Citation Moves Into California

SAN BRUNO, Cal., Nov. 6 (UP) — It was "California, here I come" for Calumet Farm's Citation today.

The great thoroughbred will race in the \$50,000 added Tanforan Handicap, Dec. 11, the \$100,000 Santa Anita Maturity, Jan. 29 and possibly the \$100,000 Santa Anita Handicap.

Announcement that Citation would come to the West Coast was made last night by Tanforan president Eugene Mori following a telephone conversation with Citation's trainer, Jimmy Jones, in Baltimore.

On the west coast, citation will meet Shannon II, the Australian importation. On Trust and the West's top thoroughbreds.

full and tossin' Junior Arterburn at the signal calling slot.

Starting time will be moved forward 15 minutes in order to allow the local merchants to make kick-off time. In cooperation with Homecoming festivities all stores will close at 7:30 for the game.

The two elevens will be almost even in the weight division. The beefier Coyote line has two tackles who weigh in at 190 and 200 pounds respectively while the guards are listed at 175 and 185. In the Ranger forward wall tackles Royce and Goodwin will weigh 180 and 185 somewhat under the Coyotes. And the Coyotes hold another slight advantage when comparing the guards.

Two more conference games dot the Ranger schedule — with Decatur and the big one with Hillsboro.

Lots of Football Player

Pacific northwest college coaches eye Don Johnson, a 17-year-old center, and don't have any trouble seeing him. The youngster stands six feet two, weighs 335 pounds. When he isn't playing football with Gresham, Ore., High's undefeated team, he's tossing 190-pound sacks of grain around in his father's feed store.

Sweetwater Falls From Undefeated

Fall of Sweetwater's undefeated, untied Mustangs highlighted the weekend schoolboy football picture today as most games ran true to form.

Odessa's powerful Broncs practically clinched their fourth straight District 3-AA title by walloping Sweetwater 28-12 and narrowing the list of unbeaten teams to nine in class AA and city conference ranks.

Amarillo, Henderson and Port Arthur stayed among the undefeated, united, while Baytown, and Alice maintained their unbeaten, but tied marks. Waco, the other undefeated, united team, was idle, as were Fort Worth Arlington Heights and Houston Lamar among the tied teams.

Amarillo bowled over Borger 26-6, Henderson buried Kilgore 46-0 and Port Arthur blanked Beaumont South Park 24-0. Baytown downed Galena Park 35-0 and Alice whipped Robstown 14-0.

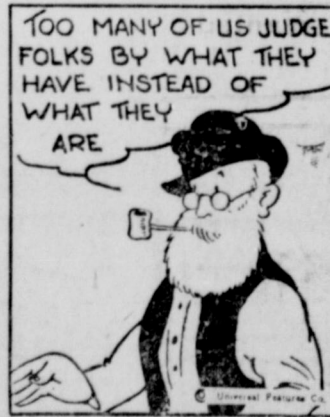

Bulla Leads Field In Hawaiian Golf

HONOLULU, T.H., Nov. 6 (UP) — Husky Johnny Bulla of Phoenix Ariz., held the lead in the \$10,000 Hawaiian open golf tournament by shooting a six-under-par 66 after the first round leader, Lawson Little of Monterey, Cal., withdrew because of illness.

Bulla had a 36-hole total of 136, two strokes better than Lloyd Mangrum of Chicago, who shot his second straight 69 for a 138 total.

Oil and Gas News

Area OIL News

EASTLAND COUNTY — German Area.

November 5
Gregg et al No. 1 Paine is being finished off. They have set pipe and are now WOC. They encountered the Marble Falls at 2782 and bottomed at 2820 with a nice strip of pay.

Gregg et al No. 3 Phillips location is made and they have moved in and set surface pipe. This is one of the leases which Mr. Gregg purchased from Cecil Burton.

National Cooperative Refinery Association No. 1 Krell still fishing. They are jarring now according to Tom Hamilton who is here from Houston and Kansas to supervise the finishing off of this operation.

D. D. Feldman No. 1 Cooper Grocery drilling at 850 feet.
St. John No. 2 Calloway setting pipe at 2812.

St. John and Griffin No. 2A Griffin drilling at 2770 feet.

Newton Drilling Co. No. 1 Watkins drilling at 2682 in the top of the lime, they are in complete saturation at the present. This offsets the 1100 acres on the Old Moorman Tract which is now held by McCulloch, Patton and Schwab of Houston.

Commercial Production No. 2 J. C. Burns drilling at 2800 feet.

ations and to make recommendations at the fall meeting.

T. W. Doswell Soon To Start Two New Wells

Two wells will be started in this territory soon by Thomas W. Doswell of Dallas, well known oil man whose operations have ranged from California and Wyoming to Oklahoma and Texas.

He operated at Desdemona during the big boom of almost 30 years ago and one of the wells he will start soon is near Desdemona. The other will be to the southwest of Eastland.

Locations will be announced when geological studies are completed.

Doswell has been in the oil industry since he was 15, starting as a worker on the derrick floor, then contractor and then operator. He has been highly successful, it being understood that he produced \$7,000,000 worth of oil in Gray County in the space of 18 months before selling out holdings for a large figure.

In spite of recent scientific advances, one laby in fourteen in the United States is lost at or soon after birth.

Pennsylvania leads the nation in 50 major industries, yet has a billions-dollar farm industry.

Commercial Production No. 3 J. C. Burns drilling at 2465 feet. Luling Oil and Gas No. 1 Halle are still coring.

Luling Oil and Gas No. 1 Blackwell drilling at 3030 in the base of Marble Falls.

W. B. Johnson No. 4 Sanders drilling at 1200 feet with Wampler Brothers as contractors.

Gas Company To Withdraw Hike

WASHINGTON, Nov. 6. (UP) —The Interstate Natural Gas Co. Inc., Monroe, La., has received permission from the Federal Power Commission to withdraw its proposal for a more than 10 per cent rate increase to three companies.

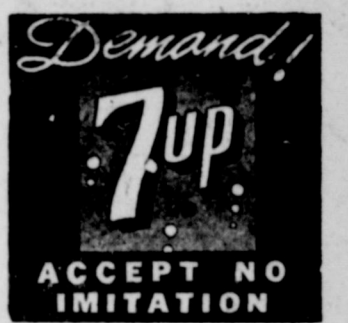

The consumer companies are the Texas Gas Transmission Corp., Owensboro, Ky. and Memphis, Tenn.; The Mississippi River Fuel Corp., St. Louis, and the Southern Natural Gas Co. Birmingham, Ala.

Tardition Carried On

SAN DIEGO, Calif. (UP)—Midshipman Stephen Decatur VIII, a great-grand nephew of Commodore Stephen Decatur, hero of the war against the Barbary States in 1804, was a guest at Camp Decatur, reserve headquarters at the naval training center 2,000 naval R. O. T. C. midshipmen here. Young Decatur was one of brought here for amphibious warfare training.

Farm fires exact a death toll of 3,500 annually and destroy more than \$90,000,000 worth of property.

Eastland Rites Unite Josie Faye Tankersley And Lowell Coggins

Saturday morning at 10:00 a. m. in the Church of Christ in Eastland, Miss Josie Faye Tankersley, daughter of Mr. and Mrs. C. H. Tankersley of Morton Valley, and Lowell E. Coggins, son of Mr. and Mrs. Coggins of Muskogee, Okla., were married in a double ring ceremony read by Claud C. Smith, Minister of the Church of Christ.

The couple were attended by the bride's twin sister and brother Miss Wanda Jean Tankersley and Weidon Dean Tankersley of Morton Valley.

The bride wore a gray gabardine suit, gray hat and black accessories and a shoulder corsage of white carnations. Miss Wanda Jean, maid of honor, wore a two piece dress of black and white with black accessories and a shoul-

der corsage of white carnations. Mr. and Mrs. Tankersley, parents of the bride, were present at the wedding. Mrs. Tankersley was attired in a black dress and wore a shoulder corsage of white carnations.

Mrs. Coggins, a graduate of Morton Valley High School, is employed by the Bell Telephone Co. in Eastland. Mr. Coggins is a graduate of the Woodward, Oklahoma schools, and is also employed by the Telephone Company in Eastland.

Mr. and Mrs. Tankersley entertained with a noon dinner for the bridal party at Morton Valley Saturday.

The nation's 1948 cranberry crop is expected to be the second largest in history.

Discovery of oil in Puerto Rico would really be a boon to the economically hard-pressed U. S. territory. The Industrial Development Company is hopeful. When this geyser shot up during test drills near San Juan, it was exciting for a minute—until it was seen that the spray was just mud and water.

Mr. and Mrs. Jones Entertain Friends

Mr. and Mrs. Roy C. Jones entertained friends of the family with a get-together Thursday evening at their home on Burkett Blvd., honoring their daughter and husband, Mr. and Mrs. Leon White and baby, of Monahans.

A dinner was served and games enjoyed by the group. Those present were: Mr. and Mrs. O. M. White, Mr. and Mrs. Jack Carothers, and Carothers mother Mrs. George R. Carothers of Topeka, Kansas; and Mr. and Mrs. Leon White, Lloyd White of Fort Worth, and Mr. and Mrs. Jones, host.

Christian Science Services

"Adam and Fallen Man" is the subject of the Lesson-Sermon which will be read in all Churches of Christ, Scientist, on Sunday, November 7.

The Golden Text is: "There went up a mist from the earth, and watered the whole face of the ground. And the Lord God formed man of the dust of the ground, and breathed into his nostrils the breath of life, and man became a living soul" (Genesis 2:6,7).

Among the citations which comprise the Lesson-Sermon is the following from the Bible: "Cease ye from man whose breath is in his nostrils: for wherein is he to be accounted of?" (Isaiah 2:22).

The Lesson-Sermon also includes the following passage from the Christian Science textbook, "Science and Health with Key to the Scriptures" by Mary Baker Eddy: "We should look away from the opposite supposition that man is created materially and turn our gaze to the spiritual record of creation to that which should be engraved on the understanding and heart 'with the point of a diamond' and the pen of an angel" (page 521.)

Fire losses in October 1947, were 37 per cent higher than in the preceding month. Itiated 38 new members. The list of new members includes: Charles Robert Leslie, Virgil Theodore Seaberry, Jr., of Eastland.

Coming Church, Social Events

Woman's Society of Christian Service of the Methodist Church will meet Monday afternoon at the church for a continuation of the Mission Study. Mrs. Bill Walters will be leaders of the last chapter on Poerta Rico.

Mrs. J. H. Hart, president of the W. M. U. of the First Baptist Church, announces the Society will meet Monday in circles. Lot-tie Moon Circle meets in the home of Mrs. Frank Lovett. Mrs. Jennie Self is chairman.

Maybelle Taylor Circle of which Mrs. J. L. Waller is chairman, meets Monday at 9:56 a. m. in the home of Mrs. Charles Butler.

Blanche Grove Circle of which Mrs. Winston Boles is chairman meets in the home of Mrs. Jess Seibert. The Business Women's Circle meets at 7:30 p. m. in the home of Miss Samie Bisbee.

"It's All In The Family," by Margaret Millar, will be presented the Alpha Delephian Study Club meeting Wednesday at 7:30 P. M. by Mrs. J. P. Kilgore. The program will be guests day and each member is to invite guests. Mrs. L. C. Brown and Mrs. Frank A. Jones are to be hostesses. The program was to have been on Thursday afternoon but was changed.

White House To Undergo Repairs

WASHINGTON, Nov. 6 (UP)—The White House will be closed "immediately" to all sight-seeing and social events for extensive repairs to the 150-year-old historic structure, it was announced today. It was assumed, but not certain, that President and Mrs. Truman and their daughter, Margaret, also would move from the White House.

Mrs. James Helm, White House social secretary, made the announcement.

She said she could not elaborate on what "immediately" meant, but indicated it meant after today.

The formal statement she issued to a news conference said merely that the executive mansion would be closed to all sightseeing and social events "until further notice."

It has been speculated that the presidential family would move across Pennsylvania Avenue to the Blair House, which has been used to house visiting dignitaries.

Long condemned as a fire trap, the White House recently underwent a thorough survey of its structural weaknesses by engineers and architects.

Mrs. Helm said that it is the "considered opinion of these architects and engineers that extensive repairs must be made to assure the safety of the building."

W. E. Reynolds, public building commissioner, testified before the last Congress that the White House was "the greatest fire trap in the nation." He said the building is a matter of fact, was standing up by habit only.

DeLeon Farmer Crash Victim

DE LEON, Tex. Nov. 6 (UP)—Ed Thornton, 65, a retired farmer of De Leon, was still hospitalized today in Gorman from injuries suffered when his car was struck yesterday by a Katy freight train at a grade crossing. The impact threw his car against the protecting posts of the DeLeon depot. Thornton suffered a scalp laceration, a cut over his eye, and a broken rib. His car was demolished.

EAST MAIN ST. EASTLAND

PROCLAMATION BY THE MAYOR OF THE CITY OF EASTLAND, TEXAS

TO ALL TO WHOM THESE PRESENTS SHALL COME:

WHEREAS, on November 10, 1775, a Corps of Marines was created by a resolution of the Continental Congress, and on November 10, 1948, the United States Marine Corps will observe the 173rd Anniversary of its founding; and,

WHEREAS, thousands of sons from our State have served their country and their Corps with high honor and distinction, and thousands still serve to maintain the peace; and,

WHEREAS, the record of the Marine Corps is one which will bear comparison with that of the most famous military organizations in world's history, and whose name and traditions have come to signify all that is highest in military efficiency and soldierly virtue; and,

WHEREAS, it is appropriate that our citizens commemorate this occasion by a special expression of our appreciation of the contributions of this valiant Corps whose traditions are deeply entrenched in the soil of America, and pay honor and tribute to the valiant men of this City, State and Nation who so heroically served their country, and those who still serve;

NOW, THEREFORE, I, Dan Childress, Mayor of the City of Eastland, Texas, proclaim the week of November 7-13, 1948, as

MARINE CORPS WEEK

in Eastland, and urge that the people of Eastland observe this anniversary in public recognition of the sacrifices and of the meritorious services rendered to our country by an organization as old as the Nation, the United States Marine Corps. It is further urged that in recognition of this anniversary, the Flag of the United States be prominently displayed on November 10.

IN TESTIMONY WHEREOF, I have hereunto signed my name at Eastland, Texas, this the 7th day of October, A.D., 1948.

Dan Childress
Mayor of Eastland, Texas

NEWS FROM CARBON

CARBON, Nov. 4—W. M. U. Ladies of the Baptist church gathered at the home of Mrs. O. C. Payne Monday, to quilt a couple of quilts for Buckner's Orphans Home. Each woman carried a covered dish for luncheon which was enjoyed by all. Those present were: Ames, Stone, Bourland, Dink, Archie and Albert Jackson, Lindlin, Payne, Mitchell, Hare, Mary Thompson, Couch, Ford, Bell, Carter, Pitman, Reese and Beem.

Mr. and Mrs. Luther Reese visited their daughters, Mr. and Mrs. Don Bennett of Austin and Mrs. Dean Turner of Gatesville, over the past week-end.

Monte Walker of San Antonio visited his parents, Mr. and Mrs. Elmer Walker, over the week-end.

D. O. Sandlin and family visited relatives at Springtown over the past week-end.

Mrs. A. M. Montgomery is visiting her parents, Mr. and Mrs. W. J. Creer.

Kenneth Powell has gone to San Diego where he will enter the services of the U. S. Navy.

Mr. and Mrs. Sexton Martin of Cisco visited his parents, Mr. and

Mrs. Jim Martin, Sunday. They all visited Otto Adams and wife of near Okra.

Miss Jaunita Turner of Gorman spent Sunday night with Betty Collins.

Wade White purchased the Dixie drug store from Ray Wyatt.

Mr. and Mrs. V. E. Vessels and family of Eastland visited her mother, Mrs. R. K. Justice, Monday.

Mr. and Mrs. L. Underwood spent the past week-end with their daughter, Mr. and Mrs. Jack Stubblefield of Bartlesville, Oklahoma.

Larry McAfee of Hardin-Simmons University spent the past week-end with his parents, Mr. and Mrs. S. W. McAfee.

Mr. and Mrs. Elzie Powell of Littlefield visited their parents, Mr. and Mrs. J. N. Lovell and Mr. and Mrs. J. F. Hays, over the week-end.

Buddie Gann and family of Colorado City visited his sister, Mrs. Allie Campbell, last week.

Mr. and Mrs. Joe Lee Petree, visited her mother, Mrs. May Ivy, last Friday.

Miss Jaunice Reed of Breck-

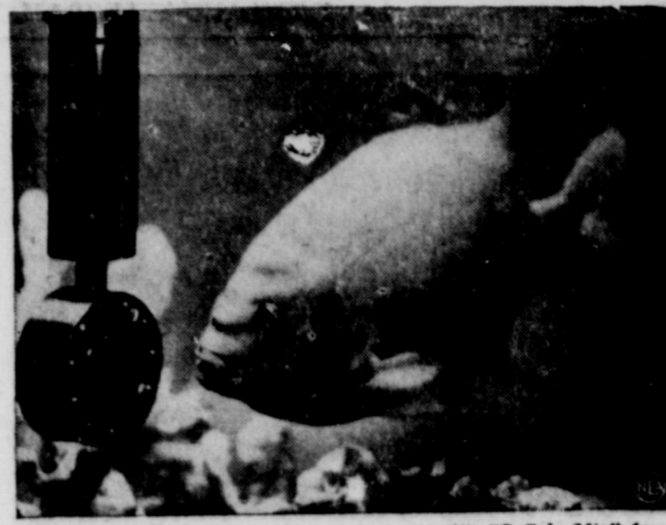

Collision Kills Six, Injures 50

TORONTO, Nov. 6 (UP)—Six persons were killed and 50 others were injured today when a bus collided head-on with a streetcar. Three persons were killed instantly and three others died en route to the hospital. The injured were taken to St. Joseph's Hospital in Toronto.

The accident occurred on the outskirts of the city when the Hamilton-bound bus swerved to avoid a pedestrian. The pedestrian was listed as one of the victims.

Tom Clerk, motorman of the streetcar, was among the injured. He said many of those injured on the streetcar suffered broken legs. The bus was loaded with members of the Argyll and Southland Highlanders and their wives. They

were en route back to Hamilton after attending a reunion in Toronto.

This hep-catfish tuna-crooner, giving out with "O Sole Mio" from Porgie and Bass, is having his voice recorded in Chicago. A movie, "Voice of the Deep," will feature underwater sounds. But, even though he's whaling on porpoise, he won't be able to hear himself—he's hard of herring.

No Wedding For Her Says Rita

MEXICO CITY, Nov. 6 (UP)—Close friends of film star Rita Hayworth said today she definitely would not marry Aly Khan, wealthy Indian prince who accompanied her here earlier this week on a vacation.

"I'm not divorced yet," was all Miss Hayworth would say when asked about it at a press conference yesterday. Her divorce from Orson Welles becomes final next week.

The actress met Aly on the French Riviera last summer. He is the son of Aga Khan, reputedly the richest man in the world. He reportedly is separated from his wife in India.

The Prince's whereabouts have been unknown since he arrived with Miss Hayworth from Los Angeles. A few people claim to have seen him at the Reforma Hotel, where the actress is staying, but his name does not appear on the register.

Asked where he was, Miss Hay-

MAJESTIC AN INTERSTATE THEATRE Sunday and Monday Jane Wyman, Lew Ayres "JOHNNY BELINDA" LYRIC AN INTERSTATE THEATRE Sunday Only "HIGH SEAS" Glenn Ford, Evelyn Keyes

worth replied: "I really don't know—at the moment."

The 30-year-old star said she expects to be in Mexico another week or more before returning to Los Angeles for her next picture.

Alligator Out of Place

GEDDES, S. D. (UP)—Carl Ahrens, farmer, thinks maybe an alligator took the "southern" in South Dakota too literally. Ahrens found a two-foot alligator in a water pool near his stock tank. He can't explain where it came from.

Expensive Pins

Brunette Kippeez Valez, 22, who dances the intricate Spanish jota atop a three-foot wibe bar for her role in "El Paso," has received an insurance policy from Lloyds of London insuring her legs for \$100,000. A well known Philadelphia dancer and stage producer, Miss Valez took out the insurance personally. (NEA Telephoto).

New records every month!

1. Close control of every process has enabled Baytown refinery to make its substantial contribution to your need for petroleum products. This is the control panel in one of Baytown's two catalytic cracking units, called "cat crackers." They enable Baytown to get more finished petroleum products from crude oil processed at the refinery.

Month after month since 1941, Humble's Baytown refinery has established new records for the volume of crude oil it has processed. Now, to cap the record, the refinery is processing an average of about 250,000 barrels of oil a day.

It's Baytown's answer to your increasing demand for oil; to your increasing need for oil.

Looking backward, Baytown was a rice field in 1920. Five years later, the refinery handled 42,000 barrels of crude oil daily; in 1935, 101,000 barrels; as late as 1945, crude runs were 185,000 barrels daily.

Baytown's record-breaking story is the story of your increasing need for oil, your increasing need for petroleum products of greater variety and higher quality. It is also the story of an earnest effort to supply your need, a story of the scientific development of new methods, the building of new equipment, the training of a small army of workmen in the complex duties of refinery operation. And it is a tribute to the men and women of the refinery who work in shifts around the clock to put every possible barrel of oil through each unit

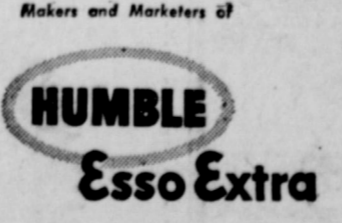

But the climax to the story hasn't yet been reached. Your growing need for petroleum products is urging Baytown's scientists to devise new methods to get more of the products you use from every barrel of crude oil; to extend present facilities and to develop new ones; to supply you with finished products of higher quality and greater efficiency.

2. Oils from Baytown reach northern furnaces by tanker. During the cold winter of 1947-48, Baytown shifted its production schedule to supply more heating oils than gasoline.

3. The laboratories are the brain of Baytown refinery. In the research laboratory experiments are conducted which may result in new and more efficient refinery equipment, or a petroleum product of higher quality for your use. A new and even more complete research laboratory is now under construction. Other laboratories check and control every step of the refining process.
