Church Leader Answers Charge

NEWARK, N. J., Nov. 24 (UP) — Methodist Bishop G. Bromley Oxnam a president of the World Council of Churches, has accused the house UnAmerican activities committee of joining Fascists religious institutions in "filibuster attempts to discredit Protestantism."

Speaking at a meeting of the Newark Methodist Conference last night, Oxnam "attacked a pamphlet dealing with Communist infiltration into church activities issued Monday by the committee. The pamphlet said the Methodist Federation for Social Action, an unofficial church unit is "trying to use the prestige of the Methodist Church to promote the line of the Communist Party."

Morton Valley P.T.A. Meets Tuesday P. M.

Morton Valley P. T. A. met Tuesday afternoon at 2:45 for their regular meeting. Mrs. Josie K. Nix, Vice President presided. The meeting opened with the School Song, "Morton Valley We Love You," after which Mrs. Prentiss Jones lead in a prayer. Mrs. Frances Cooper's first and second grade children gave a Thanksgiving playlet. Mrs. Opal Hearn's seventh and eighth grades gave a Thanksgiving playlet and sang several songs. Mrs. W. G. Wcmack brought the talk of the program, and the subject "Are They Really Drifting." After the program, there was a short business session. Fifteen were present.

Citrus research chemists say that a simple way to restore the fresh fruit flavor to canned juices is to pour chilled juice back and forth from one container to another.

A herd of cows can be milked by machine in one-third to one-half the time it will take to milk by hand.

More citrus juice was canned in the United States during the 1947-48 season than in any previous year.

Give Thanks

Day in, day out, newspaper headlines offer a depressing parade of hunger, misery, privation and strife through much of the world. Remember those headlines when you sit down to your Thanksgiving feast — and give thanks that you and your loved ones share the riches, the natural bounty and the security of these United States. — (NEA Telephoto).

Dallas Bailiff Seriously Hurt

DALLAS, Tex., Nov. 24 (UP) — Rice Wood, 73, bailiff of the 94th District Court, was in a serious condition today in Methodist Hospital from a gunshot wound in the lower abdomen.

Police said Wood was in the bathroom of his home at 5006 Bishop when a 32 caliber pistol apparently fell from a holster and accidentally discharged.

The victim was still in emergency at noon.

Chief Deputy Sheriff Jimmie Rodgers said the sheriff's office would investigate the shooting.

Questioned In Co-Ed Murder

Joe Walker, a bandage covering cuts on his head, arrives at a Boulder, Colorado, police station for questioning concerning the rape-slitting of Theresa Foster, Colorado University co-ed. Sheriff Arthur Everson, left, said evidence "definitely" linked Walker to the crime. Walker denies all. — (NEA Telephoto).

MARSHALL CONTINUES FOREIGN POLICY TALKS WITH PRESIDENT

BY DONALD J. GONZALES, United Press Staff Correspondent

WASHINGTON, Nov. 24 (UP) — President Truman and Secretary of State George C. Marshall were expected to resume their study of world problems today with emphasis on China.

Marshall also planned to meet with reporters this afternoon (3:30 P. M. EST) at his first news conference since he returned from Paris Monday and began a round of urgent foreign policy discussions.

There were no advance indications, however, that he would be ready to announce any major policy decisions.

Marshall will be asked by news men for his views on the critical Chinese situation and on new American aid to Generalissimo Chiang Kai-Shek in his fight against the Communists. Other subjects certain to come up are the Berlin blockade, U. S. participation in a North Atlantic security pact, and how long Marshall plans to remain in the cabinet.

Since his return from Paris, Marshall has met privately with the president, the cabinet, and the National Security Council. China was understood to have received important consideration in these meetings.

Meanwhile, there were these developments relating to China:

1. Diplomatic informants indicated that approximately \$115,000,000 of the \$125,000,000 authorized by Congress for military aid to China has been turned over to the Nationalist government. This marks an increase of about \$3,000,000 over a week ago.

2. Chinese officials said 95 surplus P-51 and P-47 fighter planes purchased here last July might reach the fighting fronts in China "Sometime early next year." The planes are being reconditioned at Dallas, Tex. Some 50 other fighters reportedly were turned over recently to the Chinese from Pacific Islands.

The questions of future American policy toward China has developed several schools of thought, according to reliable informants. These range from the completely pessimistic view that nothing can be done to save China, to the view that it can be done with large-scale military and economic assistance for at least five years.

Olden And Putnam Basketball Teams Play At Olden

Olden boys girls and outsiders played Putnam in Basketball Monday night, November 23. The boys' and outsiders' teams won their game but the Olden girls lost.

The score for the boys' game was 33-21 for Olden; the score for the girls' game was 13-23 for Putnam. The outsiders won by a 30 point margin.

Olden will have an invitation basketball tournament on December 9, 10, and 11. There will be three games on Thursday, Friday and Saturday. Also there will be three games on the evenings of Friday and Saturday.

The tiny village of Penitas, 14 miles southwest of McAllen, is reportedly the oldest in Texas. It was founded between 1525 and 1530.

Predict Pleasant Holiday Weather

By United Press

A mild outbreak of cool air which spread over Texas since early yesterday had forestalled warmer temperatures expected today, the U. S. weather bureau reported.

At the same time, a cool front, centered over northern Colorado yesterday, which had been expected to bring a cool Thanksgiving to Texas was dwindling away.

The weather man changed his forecast for Thanksgiving, calling for clear to partly cloudy skies and reasonably mild temperatures instead of cold weather.

Fair skies were reported over the entire state today, with only two points reporting measurable amounts of precipitation. They were Palestine, with .07 and Bryan with .21.

Overnight minimum temperatures ranged from 23 at Lubbock to 48 at Galveston. Abilene reported 32, Amarillo 25, Austin 45, Big Spring 39, Brownsville 44, Dallas 39, El Paso 27, Houston 41 and San Antonio 38.

Continued fair weather was expected for the state today and tonight, with West Texas to continue fair through Thursday.

Phone Employees Call Strike Vote

HOUSTON, Tex., Nov. 24 (UP) — A strike vote by some 3500 Houston telephone workers was to begin this week, under orders by officials of the Communications Workers of America, an independent union.

Mrs. Mattie Lou Mays, state representative of the CWA, said the union had demanded that negotiations be completed. Joining the Houston workers in the vote will be more than 1800 workers in Southeast Texas, as well as 45,000 over the Southwest.

Result of the voting will be made known to St. Louis headquarters by Dec. 6, Mrs. Mays said.

Eastland Observes Thanksgiving Day; Businesses Close

Thursday is Thanksgiving Day and Eastland business institutions, or at least the greater percent of them, will not open for business. Among those places that will remain closed are the Post-office, City Hall, Bank and County court house.

There will be Thanksgiving Services at the First Church of Christ Scientist but so far as we have been able to learn other churches have held their Thanksgiving service and will have none Thursday.

This paper will not publish tomorrow (Thursday) but will publish Friday as usual.

There'll be no more walking like this for King George VI for a while. He began an indefinite rest as a result of a painful circulatory ailment of the legs. NO PAPER THURSDAY

The staff of this newspaper will be given a Thanksgiving holiday Thursday and no edition of the paper will appear on that day.

Publication of the paper will be resumed on schedule Friday. The holiday is being observed by the paper in keeping with the national custom.

Sinclair Boosts Oil Price To \$3

TULSA, Okla., Nov. 24, (UP) — W. L. Connelly, chairman of the political committee this morning with the Ukraine echoing Russia's attack on the United States and Britain by charging that the two powers actually are closely united on Palestine.

Ukrainian delegate Andrei J. Galagan said the Anglo-American policy was aimed to protecting and extending the West's oil monopolies and military advantages in the Middle East.

Other foreign news included: Generalissimo Chiang Kai-Shek predicted today that his nationalist government would survive the Communist threat and insisted that the future looks bright for China.

Chiang appeared in his most optimistic mood in a speech before Chinese teachers and industrialists in Shanghai despite the mounting Communist threat to his capital of Nanking and to the big North China base of Peiping. Nationalist rescue troops reported they have driven through the Red encirclement east of Suchow to reach the trapped seventh army group of Gen. Huang Po-Tao. But the Nationalists admitted Huang's forces had been badly cut up by the Communists during the two weeks they were encircled near Nieneuchang.

Some 40 miles south of Suchow, other Nationalist troops drove into the suburbs of Suhsien, on the railway linking Suchow with Nanking. Nationalists reports yesterday that the government forces already have re-captured Suhsien proved premature.

LONDON — The Daily Mail suggested that King George VI is suffering from Buerger's disease rather than a blood clot. Buerger's disease causes inflammation affecting the deep arteries of one or more legs and gradually blocks the blood channels to them.

Some of Africa's forests are so thick that most animals cannot live in them, and only reptiles, monkeys and birds exist there, the World Book Encyclopedia notes.

Governor Urges Thanksgiving

AUSTIN, Tex., Nov. 24 (UP) — Gov. Beauford Jester today issued an official proclamation calling upon the people of Texas to observe tomorrow as a "Day of Thanksgiving."

The day was proclaimed, he said, in response to the desire of a "grateful people . . . to express thanks to God for our blessings of plenty and peace" and to "make public acknowledgement of our thanks and dependence upon divine favor."

THE WEATHER

EAST TEXAS — Fair this afternoon and tonight. Partly cloudy Thursday. Not much change in temperatures. Gentle to moderate variable winds on the coast becoming moderate to fresh southerly Thursday.

WEST TEXAS — Fair this afternoon, tonight and Thursday. A little cooler in the Panhandle and South Plains Thursday.

RANGERS READY FOR CONFERENCE PAY-OFF BATTLE WITH HILLSBORO

BY MARVIN GROSS

Tomorrow at Hillsboro the Rangers will either close the book on their most successful season in history or turn the page toward new glory and a couple of post-season play-offs.

It's the one that counts. The Rangers, undefeated in conference action clash with the Hillsboro Indians owning a similar mark in circuit play. For the past month the Rangers have sensed the impending clash with Hillsboro — each week has seen the two clubs hurdle every obstacle. And when the Indians knocked off Cisco with a desperate last half assault the stage was set.

Two months ago Coach Yarbrough was miles from thoughts of conference titles or lengthy win streaks. He knew his Rangers were a good club — far from a great one. And in every game they have performed like a good club — gobbling up each break and making few mistakes of commission.

A comparatively underweight line has performed close to perfection throughout the year. Touchdowns through the Downward wall have been tougher than a rhinoceros hide. The only appreciable opposition scoring has been made through the air. And in none of the games if the streak of seven has the first string team been intact. First Captain Ben Blitch and Jack Townzen took a hospital trip —

then it was Claude Neeley, Bill Spivy, Charley Sullivan and Bob Herrington. Finally Quack Ivy and now Bobby Gene Williams have joined the injury list.

The playing status of Williams in the Hillsboro clash is still undecided. If the painful hip injury does sideline the kicking specialist the Rangers will be weakened considerably. Williams has been a big toe man in each game — adding sterling defensive play with equal ability.

The kicking duties will probably be shifted to either Junior Arterburn or Ben Blitch. Both are capable booters but neither can match Williams in accuracy or distance.

The Indians have been powered along during the year chiefly on a ground assault. And a rock-like defensive wall is right there to add strength to the running game. Three conference opponents — Weatherford, Decatur and Clifton were blanked while the Rangers ran up big counts. The Rangers performed similar jobs on the open clubs.

In the line the Indians boast two hefty, fast moving tackles, Patna Arthur weighs 295 pounds while his running mate Bill Clure tips in at a monstrous 225. Patna's guards Cecil Couch and Billy Powell weigh 192 and 170 pounds, respectively.

In last minute practice sessions the Indians running attack as used by the reserves has been good for considerable yardage. But under the minute instruction of Coach Rush the Rangers have been successfully polishing off the few remaining rough spots.

With Williams almost definitely removed from the starting lineup and possibly from the game, Frankie Ford will resume his halfback spot. Ford, a rabbit-like runner and able pass receiver started three-fourths of the games this year.

Per usual the backfield will line up with Junior Arterburn at his signal calling post, Jimmy Crawley at the other halfback spot and

Four Injured In Dallas Blast

DALLAS, Nov. 24 (UP)—Four persons were injured today when an explosion of undetermined origin rocked an office building of the Buell Lumber Co.

Firemen set a series of pneumatic tubes running through the building carried the force of the blast throughout. There was no fire.

Some 15 or 20 workers were on the first floor of the building when the explosion occurred shortly after 9 P.M.

None of the four who were removed to St. Paul's hospital was

believed to be seriously injured.

They were identified as Mrs. R. R. Steward, 26, a possible broken ankle; Miss Nancy Sugart, 35, possible broken arm; William Lawrence, 59, possible broken knee and injured right hip; Jenkin Bracken, 41, deep cuts on the scalp on the right hand.

Hospital attendants said Bracken was the most seriously injured of the four.

There has been developed a chemically-treated cloth that is said to eliminate fogging of automobile windshields as well as steaming of bathroom mirrors and kitchen windows.

Kansas Blizzard Takes Heavy Toll Of Cattle, Sheep
TOPEKA, Kan., Nov. 24, (UP)—Stock losses in the blizzard which slashed western Kansas rangelands last week were expected to be "very heavy" the Kansas Livestock Association said today.

Herb Barr, Leoti, association president, urged careful inspection of livestock before ranchers ship stock to market to determine ownership.
The association said reports indicated thousands of cattle and sheep were lost in the blizzard.
Barr said many head of stock had scattered over the prairie countryside during the storm, and feared losses would mount unless stock could be rounded up and fed.

Farmers were getting 53 cents of the consumer's food dollar in July, 1948. Wholesaler, retailers, transportation companies and others shared the remaining 47 cents.

EASTLAND TELEGRAM BY SPECIAL SPORTS WRITER

FROGS IN SPOILER ROLE AGAINST SMU SATURDAY

By Ed Fite
United Press Sports Writer
DALLAS, Tex., Nov. 24 (UP)—Texas Christian's oft-beaten football crew doesn't have a chance for even a small piece of the Southwest Conference championship, but it will be out to live up to its title of "champion spoiler" when it meets Cotton Bowl-bound Southern Methodist Saturday.

The hex TCU teams have on conference champions has worked well in the 25 years since it joined the conference.

In the years in which TCU has not been the champion itself, Horned Frog teams have marred the record of 40 per cent of the title holder, keeping the champions from finishing the season unbeaten and untied.

And, Southern Methodist will be well aware of those "giant-killing" qualities for Saturday's season final.

So far the fans in the parts, for a sell-out throng of more than 67,000 seemed assured for the game scheduled in the Cotton Bowl stadium.

Back in 1931, SMU went into its game with a perfect record only to come out with a scoreless tie that tarnished the record book.

But, it's last year's workings of the hex that the present crop of Mustangs remember best.

SMU went into that one with one of the wild story-book finishes in conference history to scramble in with a 1919 tie.

Eight times previous conference titleholders have been denied perfect records because of TCU's ability to rise to the height for certain games. That's better than half of the blemished championship records in the years when TCU did not win.

A new record was established by air express in the United States in the first nine months of 1948 when 2,969,411 shipments were flown, a gain of 10.4 per cent over the corresponding period of last year, Railway Express reports.

Class A Playoffs Start Tomorrow

By United Press
The state first class A school football championship playoff in the history of the Texas Inter-scholastic League gets underway tomorrow with New Braunfels and Mount Vernon shakily established as favorites to meet in the finals around Christmas Day.

There was little on which to base such pre-playoff predictions in that the clubs involved for the most part have not played mutual opponents and there was no way to shape up comparisons.

On the basis of season records, the southern bracket seemed to have the bulk of the top clubs.

Here's the playoff schedule:
Upper Bracket:
Phillips (1-A) vs. Lefors (2-A) at Pampa, Friday.

Lockney (3-A) vs. Post (4-A) at Lubbock, Thursday.
Monahans (5-A) vs. Rotan (6-A) at Sweetwater, Friday.

Ballingier (7-A) vs. Dubling (8-A) at Dublin, Friday.
Holliday (9-A) vs. Bowie (10-A) at Wichita Falls, Thursday.

Handley (11-A) vs. Irving (12-A) at Fort Worth, Friday.
Farmersville (13-A) vs. DeKalb (14-A) at New Boston, Thursday.
Mt. Vernon (15-A) vs. New London (16-A) at Gladewater, Friday.

Living costs for the average Nebraska farm family rose \$487 last year over the 1946 level to reach \$3,790, a survey showed.

Fires Don't Know When To Stop

and no one knows when they are going to start. Consider the words of wisdom from the man about town who is defending himself for not being insured: "I am careful. I never had a fire in my life," and the implication is that he never will. The answer to this kind of reasoning is in every daily newspaper, on radio programs and all other places where you get out news.

The most careful and most fire-conscious some time have fires — not because they are careful but in spite of it.

Little Paula Lynn Lovelace Honored On Her Birthday

Little Miss Paula Lynn Lovelace was honored on her first birthday with a party given by her mother, Lynn Lovelace and her grandmother, Mrs. C. C. Cornelius Sunday afternoon in the home of Mrs. Cornelius.

The guests arrived at 3 p.m. to be greeted and ushered into the beautifully decorated dining room. The buffet was centered with an arrangement of blue and pink carnations with pink candles on either side. The gifts were placed around this centerpiece. The large banquet table displayed individual place mats with party favors of one tiny candle on each. An exquisite tier cake baked by Mrs. W. E. Cooper centered the table.

Group pictures were taken while the guest were seated. Many lovely gifts were received and shown.

Guests included: Mrs. Vernon Humphreys and grandson, Jimmy Raye Wright; Marion Middleton and sons, Bill and Lee; Mrs. Howard Wright and son, Mike; Mr. and Mrs. A. B. Cornelius and children, Katharine and Albert; Mr. and Mrs. Victor Cornelius; Mrs. John Collins; Mr. and Mrs. Irvin Reeves; Mr. Duke Morton; Mr. Paul Lovelace; Mrs. C. C. Cornelius.

Mrs. McCarney, Marquardt Entertain

Mrs. W. G. Marquardt and Mrs. N. P. McCarney entertained with a come-as-you-are breakfast Tuesday morning at the Marquardt home on South Seaman Street.

Coffee and sweet rolls were served from the table laid in a lace cloth and with a centerpiece of bronze mums.

Attending were Mesdames, W. H. Cole, W. J. Broussard, Henry Van Geem, Charles Harris, E. J. Turner, Bill Walters, J. M. Cooper, P. J. Cullen, Frank Crowell, Miss Eunice Nall and hostesses.

Personals

R. E. Sikes who suffered a heart attack Saturday at 1:00 p.m. is showing much improvement. Their children, Mrs. Clyde Hall of Brady and Bob Sikes, who were called to his bedside, have returned home.

R. Lester Foster of Fort Worth is visiting his mother Mrs. Ida B. Foster South Walnut Street.

Earl J. Adams of the U. S. Army stationed in Washington, D. C., returned to his post first of the week after a visit with his parents Mr. and Mrs. E. J. Adams, Sr., south of the City.

Paula Lynn Lovelace

Little Paula Lynn Lovelace, above, was honored at a party given on her birthday, Sunday, November 21.

An all rusher made of diamonds represented Texas at the first nation-wide diamond exhibition, called Diamonds U.S.A., held in the Ritz-Carlton Hotel in New York. Shown here by SMU coed Jo Neel, the four-inch jeweled oil derrick was designed by Arthur A. Everts of Dallas, and contains 254 diamonds, representing all the counties of Texas. It is mounted on a map of the state, made of platinum and adorned with a diamond steer head symbolizing Texas' great industry, cattle. The sprays of rushing oil are of various colored diamonds.

The 55,000 colonies of honeybees in Utah during 1947 produced an estimated \$343,000 worth of marketable honey and beeswax.

Mrs. Walter Colburn and Mr. Bob Lester accompanied their sister and daughter, Mrs. Joe Smith to Ft. Worth Sunday afternoon.

I GIVE YOU TEXAS

By Boyce House

Short name: Max Itz. He runs a tobacco shop in San Antonio.

San Antonio really abounds in the picturesque. Its sidewalk "characters" are colorful. One has long, thick hair like Buffalo Bill; he even has a mustache and grate. He plays a fiddle but, instead of using a bow, picks it as though it were a guitar.

And there is a pencil vendor who looks like an Old Testament prophet; his beard is long and flowing, and his hair reaches six inches below his shoulders.

Desdemona had a home coming a while back. When that Eastland County town was in the midst of a

rich oil field, things were exciting, even baseball games.

One day, an umpire made a decision that aroused a group who had bet on the game, so out on the field they came in such a threatening way that he reversed his ruling.

The next game, the same umpire made the group sore again and out they came once more. The umpire yanked a six-shooter from his hip pocket, marched them back to the sideline, dusted off the home plate and yelled, "Play ball."

There was no more trouble.

Incidentally, Desdemona, after years of inactivity, is being well drilled in every direction, seeking deeper sands than the one which produced during the boom of 1919-21. Maybe the old town will see a comeback.

TEXANS HONORED FOR PUBLIC SERVICE: Governor Beauford Jester, right, and County Judge Earl Sharp of Longview, left, were among the ten winners in the nation selected by the U. S. Junior Chamber of Commerce to receive Good Government Awards for 1948. Governor Jester, whose award was presented by John Ben Shepperd of Gladewater, past president of the U. S. Junior Chamber, was cited for his administrative ability and his leadership in the tidelands fight. Judge Sharp, who received his award from Melvin Evans of Wichita Falls, president of the Texas Jaycees, was honored for combating juvenile delinquency and for his public service to Gregg County.

You'll Need the Benefits
of a Sun Lamp

When the dark, dreary days of winter cut sunshine-hours to a minimum, every member of the family will benefit from the practical use of an electric sun lamp.

Sun lamps tan like midsummer-sunshine and supply beneficial ultraviolet Vitamin D. They are complete with built-in transformers and reflectors and fit any ordinary lamp socket. For use where lamp sockets are not available, flexible stands and holders may be used.

ELECTRIC SUN LAMPS ARE KEYS TO BETTER LIVING!

Children can absorb healthy ultraviolet rays while playing.

A short rest, a summer tan and beneficial Vitamin D for mother.

There's no better way for dad to start his day than by shaking under a sun lamp.

Appliance stores, department stores and furniture stores have electric sun lamps available now.

Shirt manufacturers and laundries have found a new use for sun lamps. They bleach out scorch.

Weed tree stumps do not respond to poisoning as they lack a complete circulatory system to spread the poison.

Fire-safe ceramic tile floor and walls around the stove reduce kitchen fire hazards, according to fire safety experts.

Onions should be held under water while peeling to avoid shedding of tears.

How World Depends on U. S. Supplies

This chart, based on data in Secretary of Agriculture Sawyer's quarterly report on exports under decontrol, shows how hungry the world's broad trade areas are for U. S. goods. Before the war, the U. S. supplied about 15 per cent of the value of goods imported by other nations. Total U. S. exports in 1947 hit an all-time high of about \$15,200,000,000, and goods went out in the first half of 1948 at the rate of \$13,000,000,000. Prewar average was less than \$3,000,000,000.

In the bee family, the worker has 3,000 to 4,000 lenses in its eyes, the drone 7,000 to 8,000, a queen about 5,000.

THANKSGIVING COSTS FOR 1948 WELL ABOVE PREVIOUS SEASONS

By Leo Turner
United Press Staff Correspondent
NEW YORK, Nov. 24 (UP)—

Americans will sit down tomorrow to one of the most expensive Thanksgiving feasts on record. It is a far-cry from the original American Thanksgiving in more ways than one.

It's changed from the preceding generation when the cooking started the first part of the week and kitchens were filled with the smell of sage, mince-meat and pumpkin pies set to cool beside red apples from the cellar. Now a turkey may be bought ready for the oven except for a final thawing, and a cranberry sauce can be purchased in a can.

An average Thanksgiving dinner for a family of five this year will range from \$18 estimated by Boston grocers to \$8.95 complete with a 10-pound turkey in Dallas, Tex. The bill was estimated at \$12.95 in New York.

Turkeys sold for 67 cents a pound in New York and Chicago, compared with 49 cents a year ago. But it wasn't the highest turkey price on record. The New York price in 1929, the year the stock market crashed was 68 cents a pound.

In 20 years, breeders brought the price down, produced more white meat, and developed an "apartment size" turkey of seven to 10 pounds.

Even cranberries have been changed. The lowly red berry of

the bogs have felt the impact of strange people and ideas, and emerged in everything from cranberry borsch to cranberry sherbet.

It's a long way from that first Thanksgiving which cost nothing but hard work. William Bradford, second governor of Plymouth Colony, proclaimed the first festival in 1621, calling for a day of Thanksgiving for "God's merciful dealings with us in the wilderness"

It was a sumptuous meal. As recalled by Governor Bradford, "beside fowle, there was a great store of wild turkies... beside venison". George W. Willison in his book, "Saints and Strangers" (Reynal & Hitchcock) lists a more elaborate menu of venison, roast duck, roast goose, clams and other shellfish, eels, white bread, corn bread, leeks, water cress and other herbs, wild plums and dried berries for dessert, washed down "with red and white wild grape wine."

Men fight over what they do not know — misunderstanding — and never over what they do know. So says Dr. Willis R. Whitney in an American Magazine article in which he recommends that every child and adult keep an honest dairy as a record of truth.

Ohio has 318 airports and landing fields and 11 seaplane bases, giving airline and private plane connections with all parts of the world.

A spokeless steering wheel has been invented by a Wisconsin man. The steering column is near the front of the wheel instead of its center, in conventional types.

Morton Valley News Items

MORTON VALLEY, Nov. 23—Sunday night before Thanksgiving, a community Thanksgiving program was held at the Harmony Baptist Church, with pupils and teachers from the school taking part on the program.

Mr. Harris, the school superintendent, brought us the "History of Previous Thanksgivings."

Mrs. Frances Cooper's room presented "The First Thanksgiving." Glenda Perri read an original poem "Thanksgiving."

The senior class brought two very appropriate songs, beautiful-

ly rendered, with Mrs. Prentiss Jones as accompanist.

The Junior and Intermediate Training Union departments presented a Thanksgiving playlet. The congregation sang a number of songs, and brother M. B. James brought the message "What Great Love God Has For Us."

A large crowd attended the service and felt at the close that each of us had many things to thank God for.

Mrs. Lewis Baggett of this community suffered a broken left ankle and right arm and numerous bruises when their pick-up overturned between Langer and Morton Valley last Friday evening about 2:00 o'clock. Mr. Baggett was driving but was uninjured. A pass-

ing truck crowded them off the pavement into loose dirt causing the pick-up to overturn.

Visitors in the Lewis Baggett home Saturday and Sunday were their children, Mrs. M. Greenfield and daughters of Sweetwater, Mrs. Paul Langford of Acker, Mr. and Mrs. Joe Baggett and children of Acker, and Mr. and Mrs. Dow Baggett and children of the Colony community. A number of friends called to wish Mrs. Baggett a speedy recovery.

Some moving has been going on in our community. Mr. and Mrs. H. Fankersley and family have moved to the Fisher place. Mrs. L. O. Langlitz and family have to the Gibson place. The I. J. Tyrone family has moved down below Carbon.

Visitors in the J. W. Harrison Home Saturday were Mr. and Mrs. William Dwiggin of Breckenridge.

Mrs. H. O. Hearn has returned from a lovely visit with her daughter, Mary, in Kansas. Although Mrs. Hearn was happy to see her daughter and son-in-law, she did not appreciate the blizzard that greeted her while there.

Those attending the workers conference Thursday and having a most enjoyable time at the First Baptist Church at Eastland were: Mrs. Burton Tankersley and Kathy and Joe Sherrel.

Mr. and Mrs. Sim Dabbs of Eastland and Mr. and Mrs. Jim Wyatt of Abilene visited in the J. B. Harbin home Sunday evening.

Miss Opal Hearn and Miss Dorothy Wheat of Harmony Church brought the devotional for the Intermediate department at the First Baptist Church in Eastland Sunday night. Miss Hearn did an interpretation of a picture. Miss Wheat rendered special music in song.

Dinner guests in the J. W. Harrison home Sunday were Mr. and Mrs. Cecil Cummins and Mr. and Mrs. W. E. Barrow all of Wichita Falls.

Nubbins Enters School

Remember Forrest "Nubbins" Hoffman? Four years ago he celebrated an early Christmas, because doctors feared he wouldn't live to see December 25. Now 7, Nubbins has entered school in Cheyenne, Wyo., and is coming in contact with other children, like Patsy Seely, for the first time in his life.

Cpl. G. W. Tankersley of Camp Hood spent from Thursday through Sunday with his wife and sons at the J. L. Williamson home.

Mr. and Mrs. Leroy McCollough and children of Lubbock are visiting her parents, Mr. and Mrs. L. B. Reed of this community and his parents, Mr. and Mrs. Robert McCollough formerly of this community, has been removed from the Abilene Hospital to his home in Breckenridge. He was injured some two months or so ago.

Mr. and Mrs. J. F. Trott of this community and S. H. Peels of Eastland motored to Lubbock to spend Thanksgiving with their sister, Mrs. Jessie Reik.

A number of families in our community have sickness. We hope they will soon be well again.

Mrs. Joe Pollard of Breckenridge visited Mrs. Lewis Baggett Monday morning.

Mr. and Mrs. Sam Jones and children of Rising Star visited the J. W. Harrison family Sunday evening.

Mrs. T. L. Wheat at this writing remains at Dallas with her daughter.

ter, Doris Fulfer, Doris underwent an operation recently, but was returned to her home Saturday.

Miss Delores Williamson suffered a hemorrhage Thursday night and was returned to the Gorman hospital where she had a tonsilectomy on the 13th. She was brought to the home of her parents, Mr. and Mrs. D. F. Williamson Saturday evening.

Mrs. A. C. Thompson of Oakley visited Mrs. J. L. Baggett Monday evening.

Ladies of the harmony Baptist Church met Monday evening for the purpose of electing a mission chairman. Mrs. Raymond Beck was chosen to fill this position. A number of boxes of canned goods and clothing was packed to be sent to the orphans home.

Mrs. J. C. Koen of Strawn brought his boys basket ball team up for a scrimmage and visit with the Morton Valley boys Monday evening. Mr. Koen taught in the Morton Valley school last year.

Mr. and Mrs. Lowell Coggins have returned from a two weeks honeymoon. Mrs. Coggins is the former Miss Jessie Faye Tankersley.

Mr. and Mrs. Paul Joe Sterns of

Back Home

Bill Dickey, famous catcher returning to the New York Yankees as a coach.

Breckenridge visited their parents, the W. E. Tankersleys and W. J. Grahams.

Mr. and Mrs. M. B. James and Linda were visitors in the J. R. Tankersley home Sunday for the noon and evening meal.

Mr. and Mrs. Earl Troutt and son of Oil Center, New Mexico, visited the H. O. Hearn family.

Mr. and Mrs. Willie Dee Rankin of Eastland visited Mr. and Mrs. Dee Rankin Sunday.

Mr. and Mrs. W. J. Matthews visited their son, Gerald, and other relatives in Abilene Sunday. Gerald is a student at Hardin-Simmons University.

THANKSGIVING 1948

We Of America Should Be Thankful The Year 'Round

Thankful for our freedom to worship God—to read and write what we please, to say what we will, to live our lives according to our own codes. With these thoughts in mind we join our friends in saying thank you.

**King Faces Life
Of Extreme Care**

LONDON, Nov. 24 (UP)—The ailment which has impeded circulation in King George VI's legs will force him to take great care not to over exert himself for the rest of his life, Buckingham Palace sources said today.

These sources said that the King might be able to make a short visit to Australia after a year's time. Even if the ailment clears up, however, he will not be able to make a long six months visit such as previously planned.

Papaya, a tropical fruit, and peacans both hold promise of becoming big crops for the Lower Rio Grande Valley area of Texas.

**TOJO, SIX OTHER JAPS
TO BE HANGED IN SECRET**

TOKYO, Nov. 24 (UP)—Former Premier Hideki Tojo and six other condemned Japanese war lords will be hanged in secret without delay, a subordinate said today after Gen. Douglas MacArthur approved all sentences passed by the Far East Military Tribunal.

MacArthur upheld the seven death sentences, 16 life terms and two other terms of 20 and seven years imposed on the 25 Japanese war leaders brought to trial for launching the Pacific War. The supreme commander ordered Lt. Gen. Walton H. Walker, U. S. 8th Army Commander, to carry out the sentences. Walker said the executions of Tojo and his six fellow war lords would be secret, with no one but official Army witnesses present.

Presumably the seven condemned men will be hanged at Sugamo Prison in Tokyo, customary 8th Army execution site. Walker said the date of the hangings would not be disclosed in advance.

Those to hang, in addition to Tojo, are Gen. Kenji Doihara, former commander of Japanese troops in Manchuria; Former Premier Koki Hirota; Gen. Eeishiro Itagaki, former war minister; Gen. Heitaro Kimura, chief of staff of the Kwantung Army; Gen. Iwane Matsui, commander of troops at Shanghai;

and Lt. Gen. Akira Muto, infamous leader of Japanese troops in the Philippines.

Sixteen others were given life sentences and two escaped with lesser terms. Former Foreign Minister Shigenori Togo was sentenced to 20 years and Former Foreign Minister Mamoru Shigemitsu, who signed the surrender on the battleship Missouri, was given seven years.
