Local Bicycle Operators To Be Licensed

Eastland Chief of Police Ray Laney states that he will begin soon, possibly Monday, licensing bicycle operators. Riding of unlighted bicycles on the streets and the non-observance of "Safety Bicycling Rules" are to hazardous both rider and the public not to be regulated, Chief Laney said, adding that the only way to do this is to license each operator and register the license.

Following are 12 rules and a pledge which Chief Laney asks that each person operating bicycles on Eastland streets observe:

1. Pledge to obey these 12 rules for safe bicycling.
2. Observe all traffic regulations—red and green lights, one-way streets, stop signs.
3. Keep to the right and ride in a straight line. Always ride in single file.
4. Have white light in front and danger signal on rear for night riding.
5. Have satisfactory signaling device to warn of approach.
6. Give pedestrians the right of way. Avoid sidewalks—otherwise use extra care.
7. Look out for cars pulling out into traffic. Keep sharp look-out for sudden opening of auto doors.
8. Never hitch on other vehicles, "stunt" or race in traffic.
9. Never carry other riders—carry no packages that obstruct vision or prevent proper control of cycle.
10. Be sure your brakes are operating efficiently and keep your bicycle in perfect running condition.
11. Slow down at all street intersections and look right and left before crossing.
12. Always use proper hand signals for turning and stopping.
13. Don't weave in our out of traffic or swerve from side to side. Always ride carefully.

Mrs. Marshall Greet Mme Chiang

Mme Chiang Kai-Shek is greeted at the airport in Washington by Mrs. George Marshall, wife of the Secretary of State. Mme Chiang has come to this country to make a dramatic appeal for greater American support of Nationalist China's struggle against Communism. The first lady of China will be a guest at the Leesburg, Va., home of the Marshalls. — (NEA Telephoto).

No Immediate Action Expected By U. S. On China Help Request

OFFICIALS HINT GOV'T TO POSTPONE ANY ACTION FOR INDEFINITE PERIOD

BY DONALD J. GONZALES

United Press Staff Correspondent

WASHINGTON, Dec. 2 (UP)—Nationalist China's hopes for an immediate pledge of more American aid suffered another setback today.

Government officials said the administration is nowhere near a decision on a new Chinese assistance program. And they said there's a chance it won't even be ready by the time Congress convenes Jan. 3.

The administration's go-slow attitude made it clear that Mme. Chiang Kai-Shek faced an uphill fight here in trying to win quick and large-scale aid for her husband's Communist-threatened Nationalist government.

There was some belief that Mme. Chiang, who arrived here yesterday by plane, would try to influence the administration by rallying American public opinion to her cause.

Her dramatic arrival made China an uppermost subject for President Truman's news conference this afternoon (4 P. M., EST), his first since he returned from a vacation at Key West, Fla.

Mr. Truman was certain to be bombarded with questions on the China crisis, on whether he plans to invite Mme. Chiang to the White House and on details of his reply to Generalissimo Chiang's recent personal appeal for help.

Mme. Chiang declined to make any statement upon arriving here. She went directly to the Leesburg, Va., estate of secretary of state and Mrs. George C. Marshall for a rest before beginning her campaign for help.

Officials wrestling with the China problem said they hoped to have their final recommendations ready for Mr. Truman by time Congress convenes. But the outlook is uncertain. Chinese experts, they said, are finding it difficult to measure Chiang's needs because of the "fluid nature" of the fighting.

In any event, no final recommendations on China were on the President's desk last Monday—his deadline for government agencies to submit drafts of their legislative requests.

The outlook for determining the extent of new economic aid for China was just as uncertain as it was in case of military aid. Officials said that would have to wait until Economic Cooperation Administrator Paul G. Hoffman returns around Dec. 20 from a survey trip to China and Europe. While in Nanking:

Communist troops driving on Nanking have been caught in the jaws of a government pincer and forced to fall back across the Huai River north of Pengpu, private and government reports indicated today.

Telephoned reports from Pengpu, 105 miles north of Nanking, said three nationalist army groups smashing down from the north hit the Communist flank at Suhsien today and forced an abrupt halt to the drive on Nanking.

The Nationalist force, under the overall command of Gen. Tu Yü-ming, were part of the troops the government ordered to leave besieged Suchow and come to the rescue of Nanking. Suchow is 100 miles northwest of Suhsien.

The threat to their rear forced the Communists to abandon their attack on Pengpu and fall back across the river, the private reports said.

Government military spokesman Lt. Gen. Tang Wen-yi confirmed that the Communists had abandoned their attack on Pengpu and retreated across the river. Government troops are in hot pursuit, he said.

MEETS TONIGHT

Dulin-Daniel Post No. 70 of the American Legion will meet for regular meeting tonight at the Legion Hall. All members are requested to be present.

Mrs. Perkins To Address Houston Meeting Dec. 5

Mrs. Joseph M. Perkins of Eastland will address delegates to the American Cancer Society, Texas Division, third annual meeting in Houston Dec. 5 and 6.

Commander of the cancer society's Field Army in Texas, Mrs. Perkins will address a general session that Sunday afternoon on "Texas Women are Meeting the Challenge" of cancer control, according to Frank C. Smith of Houston, president of the division.

The prominent Eastland clubwoman is at present traveling throughout the state organizing the volunteer workers of the Field Army. Her report on the efforts Texas volunteers in a program of Texas volunteers in a program search will be one of the highlights of the two-day annual meeting.

About 100 persons from all parts of Texas are expected to attend the sessions, which will include scientific papers, reports on new advances in medical procedure, survey of the society's work in Texas, and an open public meeting.

Representatives of the American Cancer Society, Inc., and prominent medical specialists will form the bulk of a large group of out-of-state speakers participating in the gathering.

New Methods of cancer detection and treatment will be demonstrated for doctors attending. Patients will be presented by the staff of M. D. Anderson Hospital for Cancer Research, under conditions similar to those of a regular clinic.

Representatives of 10 Texas cancer clinics receiving support from the Texas Division will act as the medical staff for this demonstration, and all Texas physicians, dentists and nurses have been invited to witness this professional session.

Santa Claus To Visit Eastland Dec. 11, 18, 22

According to information received from Santa Claus headquarters, the "genial old gent" will pay visits to Eastland on December 11, 16, and 22. As has been his custom in the past he will ride downtown on a fire truck, circle the Public Square two or three times, distributing candy to the children that have assembled along the route.

Children are cautioned not to forget the above dates and to make arrangements to be downtown when Santa Claus arrives. Watch the Telegram for announcement of the exact time Santa Claus will arrive in Eastland.

Final Rites For Harve Dick Held Wednesday

Funeral services for Harve Dick, 71, 405 Travis, Fort Worth, died Tuesday morning at his home, was conducted Wednesday afternoon at Haveson-Cole Funeral Chapel in Ft. Worth. Interment was in Ft. Worth.

The deceased was brother of Jess Dick of Olden and an uncle of O. H. Dick of the Eastland Telegram. He was also a brother-in-law of Mrs. T. H. Payne of Eastland.

Attending the service from Eastland were Mrs. Payne, Mrs. O. H. Dick, Mrs. Jess Dick, and Mr. and Mrs. W. R. Burns of Olden. Mr. Jess Dick was unable to attend because of recent illness.

Dairymen Heard Forceful Talk Monday Night

Those attending the dairymen's meeting Monday night at the Eastland county courthouse and heard the talk by Emmett Brown, dairy specialist of Cleburne, state that he made a very forceful and interesting talk. He told those attending the meeting of the plans for promoting dairymen used in Johnson county.

The businessmen of Cleburne, according to Brown, purchased 15 heifers through a committee set up for that purpose. These heifers were bred with the understanding that the first calf went to the committee to be sold or given to another dairyman. After the first calf the cow became the property of the first purchaser. This practice is being continued.

One point stressed by Brown was that the original committee set up by the dairymen and businessmen, continued to handle the distribution of the calves and no cow was bred without approval of this committee.

The matter of artificial insemination was discussed at the Eastland meeting and it was stated that a technician to direct this work will likely be employed in the very near future.

It was also brought out at the Eastland meeting that approximately 500 cows have been signed for the pool, the dairy association has been working to create.

The next meeting of the association will be held in the county courtroom of the Eastland county courthouse in Eastland on Monday night, December 27.

Shivers Still In Favor Of Special Session

PORT ARTHUR, Tex., Dec. 2 (UP)—Lieut. Gov. Allen Shivers said at his home here today he still favored a special legislative session to consider a report by the Gilmer-Alkin committee on education.

The lieutenant governor further indicated he might call the lawmakers to Austin this month if state administrative reins are placed in his hands. (It has been rumored that Gov. Beauford H. Jester may be out of the state around Dec. 12.)

"I still feel that the committee report offering the possibility of giving Texas school children a better system of education and giving school teachers better pay and better security merits a special session of the legislature," Shivers said.

Lieut. Gov. Shivers added that a special session to follow the regular session would serve the purpose, "if the governor does not see fit to call one now, and if the regular session does not allow time in which to give this matter its proper consideration."

Gov. Jester has already rejected a proposal to hold a special session on the state's educational system.

THE WEATHER

EAST TEXAS—Partly cloudy this afternoon and tonight, showers in extreme east portion this afternoon, Friday, fair and cool. Gentle variable winds on coast becoming moderate to fresh northwesterly Friday.

WEST TEXAS—Fair and cold this afternoon and tonight, Friday, fair, warmer in afternoon.

ECONOMIC EXPERT SEES PRICE SITUATION IMPROVING SLOWLY

WASHINGTON, Dec. 2 (UP)—Dr. Edwin G. Nourse, chairman of the Council of Economic Advisors, told President Truman today that the price situation is "improving." But he warned also that increased military foreign aid spending will tip the economic scale back toward inflation.

Nourse arrived at the White House with a load of charts and graphs. He told reporters he showed the President that the general trend in prices now is "encouraging."

He said he detected a "flattening out" in some prices and a "down turn" in food prices. But he said he has detected a creeping advance in rents.

Nourse will meet at the White House this afternoon with the cabinet coordinating committee to discuss the administration anti-inflation program. Mr. Truman will not attend.

Nourse said Mr. Truman was "very much gratified" over the improved price situation. But Nourse reiterated his belief

expressed earlier this week, that another "critical period" in the battle against inflation will develop if there are "substantial" advances in military and foreign relief spending next year.

He said the proposed \$15,000,000,000 (B) defense budget and \$4,500,000,000 (B) European Recovery Program are "within the balance area."

By "balance area," he said he meant the general area in which the present economic situation will not deteriorate and in which the drop in prices can continue.

Nourse said the current price situation, in addition to showing signs of "flattening out," presented another encouraging factor—"prices don't seem to be jumping through the ceiling now."

City Commission Meeting Tonight Been Postponed

City Manager Earl O'Brien stated this morning that the Eastland City Commission would not meet tonight. He stated that some of the members of the commission were out of town and would not be back in time for the meeting and for this reason the meeting would not be held.

Tonight's meeting was a regular meeting. O'Brien said that a meeting would doubtless be called sometime soon.

Proves Her Point SALEM, N. H. (UP)—The town's one-man police force should be expanded, Mrs. Anne M. Noyes argued at a board of trade meeting. The next day, Mrs. Noyes who operates a meat market had evidence to support her argument. Her butcher shop had been broken into and looted of cash and food.

Rural Letter Carrier's Association Meets In Eastland Friday 7:30 P. M.

Congressman Omar Bureson of Anson will be guest speaker at the annual meeting of the 17th district Rural Letter Carrier's Association to be held here in Eastland, Friday (tomorrow). Miss Brummett of Gorman will be featured in violin numbers.

Seventy-eight of the 125 members of the association attended the meeting held in Eastland last year in November and it is expected Friday's meeting which will be held in the basement annex of the First Methodist Church, opening at 7:30 p. m. with a turkey dinner.

Increase Granted To U.P. Employees

NEW YORK, Dec. 2 (UP)—Labor arbitrator William E. Simkin today awarded a general wage increase of \$6.50 per week to United Press Telegraph printer operators and maintenance men.

Simkin, appointed by the United States mediation and conciliation service, also granted other benefits, including seniority and other classification changes. He testified the average per man total increase to be \$10.25 per week.

A pension plan demand by the employees, who were represented by division No. 47 of the Commercial Telegraphers' Union, was denied by the arbitrator.

Also denied were demands for four weeks' vacation after fifteen years of employment, holiday premium pay, Sunday premium pay and other so-called "fringe" proposals.

Truman Promotes

WASHINGTON, Dec. 2 (UP)—President Truman has approved the promotion of 24 naval officers to the rank of rear admiral.

The promotions must be approved by the Senate when Congress convenes in January.

The officers include: Capt. Lorenzo Sherwood Sabin, Jr., Dallas, Tex., now on duty at the naval gun factory, Washington, D. C.

NOTICE TO CHILDREN

As has been our custom in the past, the Telegram, will again this year publish "Letters To Santa Claus," written by children in Eastland County and brought or mailed to the paper.

Children sending Santa Claus letter through the Telegram should be sure that they are written plainly so there will be no errors made in listing the items you want Santa to bring you. Letters should be addressed to Eastland Telegram, P. O. Box 29, care Santa Claus Editor.

Publication of letters to Santa Claus will possible begin Friday, December 3, and all letters received to and including Dec. 22, will be published. —THE PUBLISHERS.

Communist Threaten Nanking

Communist armies from Manchuria (1) were reported marching through Shantung Province (2) to aid Red troops assuaging Suchow and Pengpu (3). Chiang reportedly ordered 140,000 defenders of Suchow to march south to aid the defense of Nanking (4). A major battle raged just north of Pengpu, which city the Reds might bypass for a direct thrust at Nanking. Another threat to Nanking and Shanghai came from the east (5), where Communist forces probed the Yangtze river for possible crossings. Shading indicates Communist-held areas. — (NEA Telephoto).

Name Texas Top Ranking 4-H'ers

TRIPS to the 27th National 4-H Club Congress in Chicago were given four Lone Star State club members as rewards for their outstanding records in the 1948 National 4-H Farm Safety, Field Crops, Poultry and Tractor Maintenance programs. The state winners and brief outlines of their records follow:

An outstanding youthful farmer, Edward Hill, 17, of Garland, has won State honors in the National 4-H Field Crops awards program. This year Edward planted and tended five acres of corn, eight acres of barley, 48 acres of clover, 28 acres of cotton, 5 1/2 acres of row cane, 40 acres of wheat, and 30 acres of maize, and thus learned much about seed bed preparation, use of fertilizers and approved cultivating and harvesting methods. During seven years in 4-H he has completed 27 projects, including four in field crops, and has served both his local and county 4-H clubs as president. In recognition of his achievements, International Harvest Co. provided Edward with a National 4-H Club Congress all-expense trip award.

What he has learned about poultry raising and marketing has helped John Humphrey, 16, of Brownwood, to win State honors in the 1948 National 4-H Poultry Achievement program. During six years in 4-H John has raised 1,875 Barred Plymouth Rock chickens and has given six poultry demonstrations. He has completed nine 4-H projects, including six in poultry, and has served both his local and county 4-H clubs as president. He has given 42 talks at club, community and school meetings and over the radio, and has written 59 new stories on 4-H tours, camps and special events. As a recognition of his many achievements, Dearborn Motors Corporation provided John an educational trip to the National 4-H Club Congress, Chicago.

Gainesville, reaps double benefits from his participation in the 1948 National 4-H Tractor Maintenance program in which he learned how to better care for and operate a farm tractor, thus making him a more efficient young farmer. As a result he has been named State winner in the 4-H program. Herman kept a service record for nearly 1,500 hours on the operation of three tractors on his father's 991 acre farm. He also applied daily and periodic tractor maintenance of the air cleaner, lubrication, carburetion, cooling system, as well as care in safe operation. Herman says, "A well running tractor on our farm has saved time and money and increased production". To recognize his many achievements, Stanolind Oil and Gas Company has provided Herman an educational trip to the National 4-H Club Congress, Chicago.

By eliminating accident and fire hazards around his farm, home and community, Bennie West, 16, of Memphis, has won top State honors in the National 4-H Farm Safety program. Among the hazards corrected were: dirty chimneys, loose porch boards, firearms within reach of children, gasoline cans poorly labeled, inadequate fire-fighting equipment, matches kept in wooden box, bad lights in the barn, poorly constructed bull pen. In addition to safety work, Bennie has completed four other club projects during his four years in 4-H and has served his local club as president, secretary, and treasurer. In recognition of these achievements, General Motors property provided Bennie with an all-expense trip to the National 4-H Club Congress, Chicago.

All of these activities are conducted under the direction of the Extension Service of the State Agriculture College and USDA cooperation.

URGE COOPERATION WITH DAIRY PROMOTION SET-UP

If farmers and local business men respond to a proposal by the Texas and Pacific Railway Company, it won't be long before before farm boys in the territory served by the railway own registered Jersey heifers. Success of a dairy promotion program recently inaugurated by the railroad depends largely on the co-operation of business and agricultural leaders within the country, according to J. J. Finegan, assistant to the president of T&P Dallas.

Some 4-H or Future Farmer boys, provided local leaders will raise the funds to secure nine others. The program, a long range one covering a period of years, is designed to upgrade dairy stock. The heifers will be awarded with the understanding that their first calf is to be "ploughed back into" the program — given to some other boy who will, in turn do the same thing.

First takers of the T & P offer are the agricultural and business leaders of Wood County. Under the leadership of the Mincola Farm market there, plans have already been made for placements of the heifers and fun raising to procure the other nine animals is underway. Mr. E. A. Spacek, Wood county Agent, and vocational agriculture teachers will supervise placement of the cattle.

Mr. Finegan voiced the company's viewpoint — "Dairying is a growing industry in the Texas and Pacific Southwest. Emphasis must be placed now on pasture building and quality milk-producing cattle. T & P considers this program the nucleus of what may well become the basis for general upgrading of dairy cattle throughout the Southwest. It should become a permanent program, with young farmers cooperating."

Bears Meet NYU In Court Opener

By Unfiled Press
The Baylor University Bears, minus their stellar all-conference performer Jackie Robinson, open their basketball campaign tonight in Madison Square Garden against New York University.

It is the only game scheduled among Southwest Conference five tonight.

The Arkansas Razorbacks broke it's the win column last night, barely edging Oklahoma City University 31-29 with Lanky Bob Ambler, six foot, seven-inch center, setting the pace with 15 points for Fayetteville.

It gave the Razorbacks an even break in their two starts after losing their opener to the Phillips Oilers.

Gets Brush-Off
PEABODY, Mass. (UP) — A brush with a broom hospitalized Joseph Wodanoe, 64. Wodanoe stepped from a bus past as a street cleaner gave his broom a push and actually was swept off his feet.

Mme. Chiang Kai-shek, wife of China's president, is expected to visit this country soon to make a personal appeal for immediate and greater aid for the hard-pressed Nationalist government.

Beside the charred ruins of their home in Decatur, N. Y., Howard Woodbeck and his son Carlton, 7, stand in stunned silence. The family's entire belongings were wiped out in the blaze which completely destroyed their farm home.

Mrs. E. R. Yarbrough visited relatives in Weatherford over the past week-end.

Mr. and Mrs. Gene White of Winters, and daughter, Barbara, of Abilene, visited their cousins, Mr. and Mrs. Bill Edmondson, last week.

Draft Cutback Frees 100,000

WASHINGTON, Dec. 2 (UP)—The cutback in draft calls will mean a reprieve for more than 10,000 men originally slated for induction by next July.

It will also mean 30 to 60 days more of civilian life for many registrants who were scheduled to be called up in January and February.

These estimates were made today by some of the state selective service officials now holding their semi-annual conference at national headquarters here.

The army originally had planned to take 20,000 men in January, 25,000 in February and presumably the same in the succeeding months. That would have provided 170,000 new soldiers via the draft route by July 1.

But the army announced earlier this week that for lack of funds, it will take only 10,000 in January and 5,000 in February. If it sticks to the 5,000-man quota in the succeeding months, it will enter July with only 60,000 draftees in uniform. An Army source said "there is no prospect for an increase in the quota."

Antidote For Radioactive Poison Predicted

CHICAGO, Dec. 2 (UP)—A scientist predicted today that within this generation science will produce a pill, a vaccine or some other antidote for radioactive poisoning, the dread after-effects of an atomic bombing.

Dr. Robert D. Boche of the University of Chicago's Institute of Radiobiology and Geophysics, made the prediction on the sixth anniversary of the dawn of the atomic age.

It was six years ago today that a little group of scientists working in strict secrecy in a room beneath the University of Chicago football stands produced the world's first sustained nuclear chain reaction.

Since then, scientists have been hard at work to counteract the atom's unleashed fury. Boche said discoveries within the past few weeks point the way toward immunization from atomic radiation.

Boche said experiments at the University of Chicago indicate that body fluids exposed to radiation are partly responsible for death. Boche said he has subjected billions of primitive, single-celled organisms to radiation.

Many survived, he said. But when these "healthy" cells were dipped into a fluid which had been subjected to radiation, they died.

Distinctive Ma

Rosemary De Camp, veteran screen mother, was named "America's Mother of Distinction" by Dr. Paul Popenoe, director of the American Institute of Family Relations. In private life she is the wife of Hollywood Municipal Judge John Schilder. They have three children.

This indicates, he said, that something which kills is produced in the body fluids by exposure to radiation. The problem now is to determine the substance and find an antidote.

More citrus juice was canned in the United States during the 1947 season than in any previous year.

Red Men Red Faced DURANT, Okla. (UP)—The faces of 25 Indians were really red here after they got lost in the woods they are traditionally supposed to know. Even their excuse was pale—they got lost after they relied on a white man to lead them back from a tribal council weiner roast.

Survives by a Nose FORT WAYNE, Ind. (UP)—Joseph Neal, 48, was buried 20 minutes in a collapse of a seven-foot sewer trench but survived. A fellow worker tore away some of the dirt to expose the tip of Neal's nose. Later, fireman and police dug the rest of him out.

Ladies of the W. M. S. met in a Fifth Monday meeting at the church Monday and had a testimonial and prayer meeting.

Miss Pebble Nix entertained a group of young folks with a winter roast Friday night at the John Nix home.

Onions should be held under water while peeling to avoid shedding of tears.

Monopoly Case Against Theatre Being Pushed

OKLAHOMA CITY, Dec. 1 (UP) — The government today pressed its attempt to break up the Griffith Theater chain by offering testimony that major film distributors refused to sell to an independent in Enid, Oklahoma.

John Gray, former operator of Gray's Theater and the Rivoli Theater at Enid, told U. S. District Judge Edgar S. Vaughn about his troubles in 1936 and 1937.

Vaughn is hearing new evidence in the nine-year-old anti-trust case in which the U. S. Supreme Court found the Griffith Amusement Co., and the affiliated firms guilty of Sherman Act violations.

Gray said he went to the major distributors trying to line up pictures for the 1936-37 season, but none gave him a chance to negotiate. Each informed him, he said, that its products were already sold.

Vaughn pointed out that Gray tried to sign up the films in the middle of the season, after most contracts were already made.

Gray, who now operates theaters in Tulsa, Chickasha and Sand Springs, Okla., followed Dennis Scaling, Texas operator, to the stand.

Scaling testified briefly today, supporting his statement yesterday that he was forced to sell the Fair Theater in Plainview, Tex., because all the major companies

College To Put Emphasis On Charm

DEVON, Dec. 1 (UP) — The emphasis will be on charm next week at North Texas State College. The college, which boasts among its former students such a beauty as Ann Sherwood, had sold their firms to his Griffith competitor.

id and Joan Borzell, will call it "vanity fair week." Believing that coeds can be even more charming than they are, the college has invited Norine of San Antonio, one of its former students, who has become noted as a fashion co-ordinator and personality consultant, to conduct classes on the campus.

Mrs. M. B. Murdock Leads Music Study Club Program

Russian Influence on Music, was the theme of the Music Study Club program Wednesday afternoon at the Women's Clubhouse, which was led by Mrs. M. B. Murdock.

The program was opened with a recording of Russian music, and roll call responses were on Russian music.

Mrs. R. L. Carpenter gave an interesting article on Stravinsky, Schoenberg and Ramifications. Mrs. Frank A. Jones gave an interesting article on Music as affected by the war in Germany, Russia, Italy and other European countries.

Mrs. R. L. Clinton at the piano, played Gavotte by Prokofieff, which was beautifully rendered. Mrs. H. J. Walter in charge of the Junior High School Operetta, "Irish Kids Crash Party," announced Eileen Vaughan would make an announcement regarding the operetta for Dec. 10, which she did gracefully. A skit and a song number was presented by Joy Lynn Robinson, Wayne Cummins and La Quita Joy Fields, which was well presented.

During the business meeting presided over by the president, Mrs. T. E. Richardson an announcement regarding the Christmas party was made.

Mrs. Art Johnson chairman of the hostesses for the Christmas

party announced the members are urged to attend the party in party dresses if possible and the club voted to pay on each plate, the sum not to exceed \$1.50, and under if possible, Mrs. Johnson stated. Members are to have husbands as guests or friends.

At the close of the meeting, Mrs. Johnson directed a chorus of a Christmas carol.

Present at the program were mesdames: W. E. Brashier, R. L. Carpenter, R. L. Clinton, A. D. Dabney, A. H. Gleason, Frank A. Jones, J. C. Koen, D. L. Kinnaird, M. B. Murdock, Don Parker, T. E. Richardson, A. F. Taylor, and H. J. Walter.

Visitors were Mrs. R. D. Vaughan and Mrs. Joe Stehli.

Sunday School Class To Have Christmas Party

Members of the Martha Dorcas Class of the Methodist Church will have their Christmas party, December 8, in the home of Mrs. W. H. Homsley, 507 South Mulberry Street. Co-hostesses are to be Mesdames, J. L. Cottingham, W. B. Harris, George I. Lane, B. O. Harrell, and O. M. White.

Each member is to bring a gift for exchange not to exceed 50 cents. All members are urged to attend the party.

Personals

Mrs. Frank Castleberry and granddaughter Karen Castleberry were recent visitors in Dallas.

Mrs. G. W. Stowe of the Long Branch community was an Eastland visitor Thursday morning.

A recent guest in the home of Mr. and Mrs. C. M. Oakley was Mrs. Hugh Haley of Carpinteria, California. Mrs. Haley was also a guest in the home of Mrs. Mary Bargsley, South Seaman street.

Head Pointer

Maj.-Gen. Bryant E. Moore, of Ellsworth, Me., chief of the Army's public information division, will head the U. S. Military Academy at West Point beginning Feb. 1. In World War II he served in the Pacific and European theaters and later commanded U. S. occupation troops at Trieste.

Invest in a Vest

If you think your best beau would like you in one—catch up with him in this cotton-padded, quilted wool vest, worn with a tailored blouse and wool skirt. Appearing in the current issue of Good Housekeeping magazine—it's new and cosy.

Jones Cautions Foreign Spending

HOUSTON, Tex., Dec. 2 (UP)—Jesse Jones was back at home today after spending the summer and fall in New York state, where he and Mrs. Jones vacationed on the Thousand Islands in the St. Lawrence River.

He had a few words to say on the international situation, and mainly expressed the hope that the people of Europe, getting voluminous aid from this country, would not lose their initiative to help themselves.

"... I am firm in my belief," Jones stated, "that we will not and must not go beyond our depth in our efforts to help people of other countries who are not willing to work to help themselves."

New Mexico is the "cradle of Christianity" in the United States. The earliest Franciscan monks visited New Mexico with Coronado in 1540, or 50 years before the landing of the Pilgrims.

Recent guests in the home of Mrs. Mary Bargsley were her children, Mr. and Mrs. W. H. Coffman of Lueders and Mr. and Mrs. Guy Johnson of Jewett.

TEXAS NEWS BRIEFS

BY UNITED PRESS
AUSTIN, Tex., Dec. 2 (UP)—Maj. Gen. Kenneth F. Cramer, chief of the National Guard Bureau, will arrive here from Washington Sunday to begin two days of conferences. Maj. Gen. K. L. Berry, adjutant general of Texas, announced today.

Cramer will attend a 36th infantry division staff conference at Camp Mabry. He is also scheduled to discuss with Berry's organization, now in process, of the 36th division, and the 49th armored division.

HOUSTON, Tex., Dec. 2 (UP)—Rites were planned Saturday for Ensign Lynn J. Peters, 22, who was killed Tuesday in the crash of his Navy plane on the east coast.

Peters died when the dive bomber he piloted plunged into Naragansett Bay near the Quonset R. I. Naval base. He was a graduate of San Jacinto High School and attended Rice Institute before joining the Navy in 1944.

Survivors include his parents, Mr. and Mrs. J. Emmett Peters of Houston.

HOUSTON, Dec. 2 (UP)—

Fires Don't Know When To Stop...

... and no one knows when they are going to start. Consider the words of wisdom from the man about town who is defending himself for not being insured: "I am careful. I never had a fire in my life," and the implication is that he never will. The answer to this kind of reasoning is in every daily newspaper, on radio programs and all other places where we get our news. The most careful and most fire-conscious some time have fires—not because they are careful but in spite of it.

Bureau Dispute Snags Truman

WASHINGTON, Dec. 2 (UP)—President Truman appeared caught in the middle today of a bureaucratic dispute over preparation of standby plans for war mobilization.

Informed sources said the squabble had already set back work on this vital project.

The dispute centers around the national security resources board, a top-level planning agency headed by Arthur M. Hill and including representatives of the state, defense, labor and four other government departments.

Hill was understood to favor a controversial plan to make the agency a sort of peacetime "war production board." Under the plan, it would have sweeping power to direct other agencies how to map plans for such things as rationing, allocation of materials and mobilization of man power.

Several of the cabinet representatives, however, objected strongly to giving the board such administrative or refereeing powers contending it should remain only a central advisory and planning agency.

White House sources indicated Mr. Truman would settle the argument by ruling against Hill. The President may have something to say on the subject at his news conference this afternoon (4 P. M. EST.)

and treasurer.

AUSTIN, Dec. 2 (UP)—O. B. Ellis, manager of the Texas prison system, was to address members of the Texas State Council of Methodist Women at their 12 annual meeting in Dallas, which opened today and will close Friday.

The president of the organization, Mrs. Charles E. Culbertson of Waxahachie, said one of the objectives of the group has been "cooperation with the prison board" in its efforts to improve the prison system.

Bookmaking In Nevada Gets Jolt

CARSON CITY, Nev., Dec. 2 (UP)—The Nevada tax commission cracked down on legal bookmaking today because of a dispute that "threatens to result in physical attacks upon persons and property."

The commission revoked the state bookmaking licenses of three large Las Vegas gambling casinos—the Golden Nugget Club, the Frontier Club, and the Boulder Club. The order becomes effective Dec. 30.

Seven other casinos in Las Vegas were told they must clean

house by Jan. 1 or their licenses would not be renewed. These clubs were the Eldorado, Las Vegas, Monte Carlo, Nevada Turf Club, Santa Anita Turf Club, Zanzibar and Savoy Club.

The dispute centered about the refusal of Continental Press, a nationwide race wire service, to sell its facilities to the Santa Anita Turf Club of Las Vegas.

Its operators, Ed Margolis and Newt and Dave Stearns, have filed suit in federal court charging Continental with being a monopoly in violation of the Sherman Anti-Trust Act.

In the bee family, the worker has 3,000 to 4,000 lenses in its eyes, the drone 7,000 to 8,000, a queen about 5,000.

You Can't Monkey with Texans!

Joe Stalin can tell the Russians what to think. But if anybody tried that in Texas they'd ship the body back home.

These Texans get their facts from their newspapers. They do their own deciding. And, they'll pull a shootin' iron to protect the other fellow's right to disagree.

Quijano Retains Light-Heavy Title

EL PASO, Dec. 2 (UP)—Adolfo Quijano, Texas heavy-weight and light-heavyweight champion, still held his crown today after outjabbing George Millich of San Francisco before some 3,000 fans here last night to win a unanimous decision.

Quijano, an El Paso boy, weighed in at 176½ as compared with Millich's 181. The titleholder won seven of the 10 rounds and split the other three with his opponent, a clever boxer who made the Texas champion look none too good in victory.

STEERS WIN THREE POSITIONS ON ALL-CONFERENCE ELEVEN

By Ed Fite
United Press Sports Writer
DALLAS, Tex. Dec. 2 (UP)—Rummerup University of Texas, not champion Southern Methodist, placed the most men on the 1948 United Press all-Southwest Conference team.

SMU, the two-time Cotton Bowl host team, placed only one man on the mythical eleven chosen by the United Press sports writers with the aid of coaches and scouts. Texas placed three, Baylor and Texas Christian two each and Arkansas, Texas A. & M. and Rice one each.

There was little question about four positions on the team, but the voting was close on all the others with the conference boasting a host of men of almost equal ability at most positions.

Unanimous choices were SMU's Doak Walker, Arkansas' Clyde Scott and TCU's Lindy Berry in the backfield and Texas' Dick Harris center.

Harris won his fourth straight all-conference position, Scott and Walker their third time. Walker placed on the 1945 team, but was out of school in 1946.

The team was a veteran outfit of seniors from tackle to tackle, with juniors at all other spots except Scott in the backfield.

Texas' Ray Borneman rounded out the first team backfield, getting the nod over Dick McKissack of SMU, Pete Stout and Bobby Lantrip of Rice on his ground gaining ability. In conference games only, Borneman was far away the top rushing star and he ranked second to Berry over the full season.

Flanking Harris was pint-sized Bently Jones of Baylor at one guard and the bruising Odell Stautzenberger of Texas A. & M. at the other. Jones, at 175 pounds, was the lightest man on the team next to Walker, who weighs 168 pounds.

The two heaviest men were at the tackle spots—George Petrovich of Texas at 216 and Buddy Tinsley of Baylor at 225 pounds. The ends were James Williams of Rice and Morris Bailey of TCU.

Musical Selected As Most Valuable

NEW YORK, Dec. 2 (UP)—Slugging Stan Musial of the St. Louis Cardinals, who walked off with virtually ever batting distinction in his circuit the past season, today was voted the National League's most valuable player for the third time in his seven-year career.

The 28-year-old Cardinal outfielder from Donora, Pa., who won the batting championship with a percentage of .376, previously was voted the National League's most valuable player in 1946 and 1943. It marked the first time in history that any player has won the National League award three times. Joe Di Maggio and Jimmy Foxx were three-time winners in the American League.

Musial, a left-handed power hitter who paced his loop with 131 runs batted in, gathered 18 first-place votes from the 24 baseball writers who cast ballots. His 303 point total was 80 higher than the 223 points polled by runner up Johnny Sain, 24-game winner for the Boston Braves.

Some of Africa's forests are so thick that most animals cannot live in them, and only reptiles, monkeys and birds exist there, the World Book Encyclopedia notes.

27 YEARS IN CISCO

NEWS FROM LONG BRANCH

LONG BRANCH, Nov. 30 — Among those who have enjoyed hunting about Long Branch recently were J. W. Cooper, Jack O'Neal, A. L. Wood, James Hoffman and David Allern from Eastland.

B. B. Poe killed a nice fat grey fox, while his nephew, Robert Shaw out from Cisco, has fell three of the sly rascals in a couple of days.

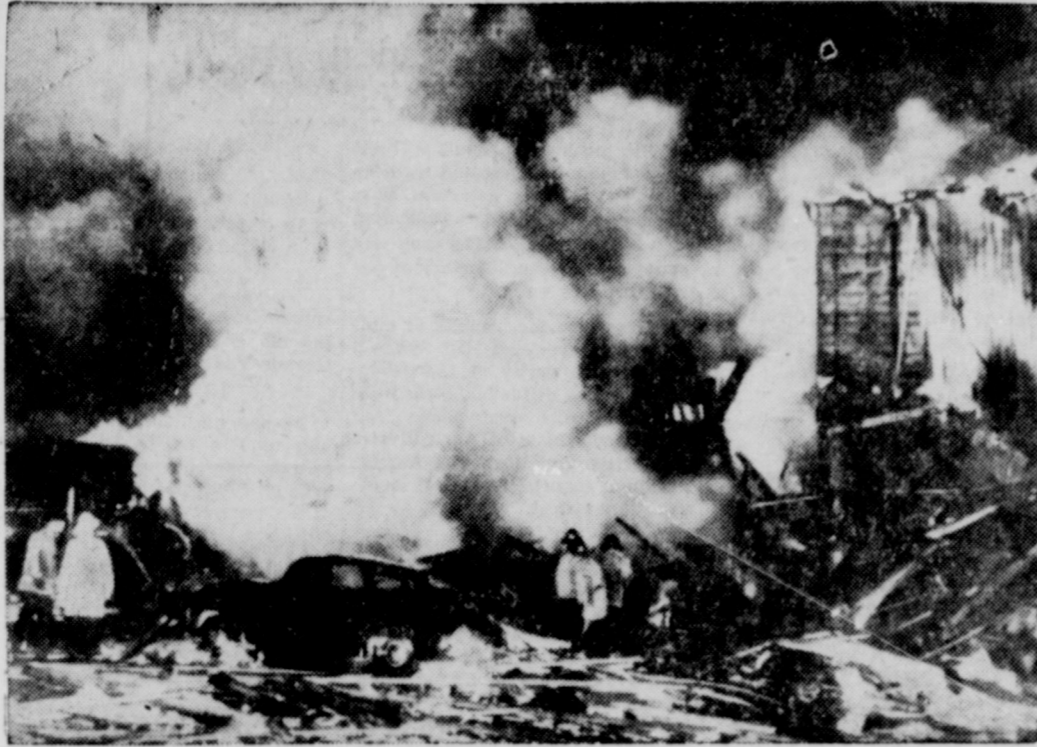

A box for Buckners' Orphan's Home at Dallas was prepared and sent from Long Branch last week. Canned goods and other groceries amounting to \$50.40 in value were sent as was \$17 in money.

Rev. H. D. Blair, Associational Missionary, preached at Long Branch Sunday evening to an attentive and appreciative audience.

Glendell Gilbert, who has been suffering from flu, is able to be up again. She is the oldest daughter of Rev. and Mrs. W. L. Gilbert at Mountain Top and is a Cisco student.

Mr. and Mrs. Fred Wilson and child drove to Pleasant Hill Sunday afternoon and visited at the home of Mr. and Mrs. Earl Harris where the Long Branchans visited were: Rev. and Mrs. Lee Fields, Mrs. H. L. Harris from Scranton; Mr. and Mrs. John Harris and baby and Mr. Roy Tucker.

Explosion Rocks Portland Waterfront

Firemen battle flames in the wreckage of the Portland Dock Commission Building at Portland, Oregon, after leaking gas blew up the structure. Only one person, an engineer who turned on a light switch that set off the blast, was injured.—(NEA Telephoto)

Mrs. Ross Laird drove over from Abilene and was guest Sunday night at the home of Mr. and Mrs. Henry Reed.

Mrs. Eddie Hastings and Linnie

Grace, spent Monday in the home of the former's sister, Mrs. Omar Hogan at Carbon.

W. L. Gilbert of Mountain Top and Rev. W. M. McCluskey of Brownwood.

Palbearers were Glendale Gregg, Claud and Neal and Harvey Johnson, Omar Hogan and Gordon Reed all nephews except Gregg whose wife was a niece of Mr. T. F. Johnson.

A new record was established by air express in the United States in the first nine months of 1948 when 2,909,411 shipments were flown, a gain of 10.4 per cent over the corresponding period of last year, Railway Express reports.

Mr. and Mrs. Vivian Johnson, Mr. and Mrs. John Taylor, Mr. and Mrs. H. A. Lenz and daughters, Joy Neil and Mona Sue; S. N. Poe, Mr. and Mrs. Norman Pierce and Buddie, and Mrs. Eston Yvonne Anderson, Mr. and Mrs. Guy Gage and Patricia Gage, Mr. and Mrs. J. T. Gardener; Mrs. Olga Schaffer, Mrs. Annie Schuler, and J. E. Blackwell; Mr. and Mrs. Charles Gage; Rev. Jack Gage, Mr. and Mrs. L. W. Anderson, Mr. & Mrs. Lora Ford, Mr. and Mrs. Andrew McFall, Mr. and Mrs. Sidney White Mr. and Mrs. A. M. Stroebel and Mr. and Mrs. John Marvin from Cisco attended the funeral of T. F. Johnson at Mountain Top Sunday afternoon. The deceased met with a sudden passing from heart failure while attending a service at the Mission Church of Cisco Thursday. His pastor from the church, Rev. Leeman Anderson, conducted the last rites assisted by Rev.

Shirt manufacturers and laundries have found a new use for sun lamps. They bleach out scorch.

A herd of cows can be milked by machine in one-third to one-half the time it will take to milk by hand.

Fire each year kills 2,000 children under five — ten times as many children as die from infantile paralysis.

Pennsylvania, now one of the greatest game and fish states in the nation, was practically a "shot out" state in 1895.

Address: Hamner Appliance Store, 205 SOUTH LAMAR STREET, EASTLAND, TEXAS. Phone 623.

Oil and Gas News

Sam Roosth, Oil Operator, Looks This Field Over

A man who arrived in the United States and began work as a baker today is one of the most successful independent oil operators of Texas.

He is Sam Roosth of Tyler, who has been in Eastland to observe the revival of oil activities in this and with the idea of getting into the play.

Medium height and stocky in build, Roosth has heavy grey hair which sweeps back and he has a thin mustache and carries a cane. He is friendly and courteous and he gives an impression of alertness at all times.

Roosth was born in Russia. He came to the United States in 1907 and went to work in a bakery at Marshall. Two years later, he had saved enough from his wages to open a small bakery in Gilmer.

where he did all the baking himself, with one assistant. After several years, Roosth sold out and established a bakery in Tyler.

The Tyler bakery has grown until it represents an outlay of perhaps \$125,000.

The way that he got into the oil business was that some operators had a 50-acre lease in East Texas with a drilling contract. They were going to have to start a well right away or lose the lease so they offered Roosth 10 acres out of the 50, if he would drill. He had three days in which to start a well in order to hold the lease. The well was started within the time limit but there was considerable trouble and delay, so it took 63 days to drill the well. (Since then, he has frequently drilled wells in the East Texas field in 11 days.

But at last the well was completed, an excellent producer. And immediately Roosth was sued by some parties he had never even heard of.

He and his partner A. S. Geneov of Tyler have 48 gas wells in the Monroe, La., field and about 80

oil wells in East Texas of which about 50 are at Kilgore. Because they didn't have room for a boiler, they once cleared out an office and put the boiler there while they were drilling a well.

Roosth bought an office building, cut off enough of the back end to leave room to drill a well. The purchase price of the building is understood to have been \$12,000 and the cost of putting down the well was \$11,000. The well has produced for years and is probably worth \$60,000 today—not a bad deal, was it?

The partners also own office buildings and apartment houses in Dallas and other property in various places.

Roosth has seven sons. One is superintendent of the company another is in the office; three are doctors; one operates the bakery in Tyler and the seventh one is attending college.

Sam Roosth's career is just one more proof that the United States—and especially Texas—is the land of opportunity for all.

Gilchrist After "Strawn" North Of Eastland

Drilling is in progress on a test of the Strawn sand, a mile and a half north of Eastland.

Bib Gilchrist of Eastland & Wichita Falls is the operator and the well is on the Tom Johnson farm. Mr. Johnson was very active in lease and royalty dealings during the big boom of 30 years ago.

The test is to go to an approximate depth of 1,750 feet and is in the vicinity of where Frank Day drilled three gasers some 20 years ago.

Homer Glover, former Texas Ranger, has started his well on the Aaron, about three miles southwest of Eastland. This lease is part of a farm on which a well encountered excellent showings several months ago but ran into difficulties which prevented completion.

Area OIL News

EASTLAND COUNTY—Gorman Area

December 1st
Commercial Production Co. No. 1 E. L. Park are running tubing Wednesday.

Commercial Production Co. No. 1 J. C. Burns acidized Wednesday morning using 2630 gallons. The response was good. The well is capable of at least 50 BBLS. per hour according to Mr. St. Clair who has been with Commercial for about 12 years.

Kirk and Haynes No. 1 Glover drilling at 2900 feet. They are going on to the Ellenberger even though there was a good show, apparently, in the Marble Falls formation, since this called for an Ellenberger test.

Luling Oil and Gas No. 1 Moates are installing tanks Wednesday. The well has practically cleaned itself out, but may need some extra swabbing before everything is clear. It was flowing pure oil Wednesday morning.

D. D. Feldman No. 1 Cooper are installing the tank battery. Creag and Glass No. 4 Phillips drilling at 2000 feet.

Grege and Glass No. 5 Phillips are rigging up with Glass's rig doing the drilling.

Kadane and Sons No. 1 Whitesides have drilled to 2830 and are now waiting on orders before taking any action on what the Schimberg showed. They took the picture Tuesday night.

Coast Oil No. A4 Griffin are up to the present.

Glover owns extensive royalty interests in this territory and recently a well west of Eastland.

rigging up with St. John as contractor on the job.

National Cooperative Refinery Association No. 1 well have reworked the peat and pipe which was dropped into the well two days ago. Now they plan to go to the bottom of the hole and to treat the show which was at the very bottom of the picture of the second hole. If nothing comes of that treatment they will go back up and treat the show they have in the sand. They have already treated the Marble Falls formation with no results.

Monierief No. 1 Johnson drilling at 2000 feet.

R. H. Patterson No. 1 Davis drilling at 2000 feet.

Oil Personnel Noted In And Around The Gorman Hotel Lobby

F. T. Fullwood, Corsicana; S. J. Miles, Corsicana; Harry S. Wood, Dallas; L. O. Gandy, Tyler; Arnold Shaw, Dallas; E. P. Griffin, Wichita Falls; J. C. Man, Jr. Wichita Falls; C. C. Tedford, Jr. San Antonio; Garland Mellard, San Antonio; W. L. Humphrey, Kilgore; W. D. Irvine, Dallas; Swan Leves, Eastland; Jesse Park, Sudan; W. J. Heard, Fort Worth; C. A. McCown, Rusk; Leland Cooper, Fort Worth; Waldon H. Zell, Alvin; J. J. Moates, Houston; Charles D. Winfrey, Electric; W. T. Hammond, Coleman; O. T. Clark, Prescott Arkansas; Arnold Kirk, Fort Worth; Roy Gaines, Sinton.

National marketing quota for 1949 was set at 850,000 tons in the November 30 announcement. No marketing quota is in effect on the 1948 crop. The 1949 acreage allotment of 2,611,367 acres represents a reduction of 22 per cent from this year's crop and 20 per cent from the average acreage of the past five years. Allotments and quotas by states and counties will be worked out later this winter.

Peanut harvesting neared completion in the southwest, but rains further delayed picking in the more eastern states. Shelled goods remained in slow demand at 16 1/4 to 16 1/2 cents a pound for No. 1 Spanish in commercial sales. Most current shellings went to the Commodity Credit Corporation at

15 3/4 cents for No. 2 Spanish and 15 3/8 for runners. Peanut meal held about steady, while peanut oil weakened slightly in company with cottonseed oil.

Papaya, a tropical fruit, and pecans both hold promise of becoming big crops for the Lower Rio Grande Valley area of Texas. As many as 20 steel balls are now used in artificial limb joints to gain smoother articulation and greater comfort for the wearer.

Ponca City, Okla., is observing the 20th anniversary of the location of the first white settlement in what is now Oklahoma. It was established 200 years ago by French fur traders.

Peanut Marketing Quota Announced As Prices Drop Below Parity

With southwest peanuts still selling at support levels and well below parity prices, a peanut acreage allotment and marketing quota program for the 1949 crop was announced by the Secretary of Agriculture this week.

Farm price for peanuts at mid-November averaged 10.6 cents a pound, with parity at 11.9 cents. These prices differ but little from a month earlier or a year ago, the U. S. Department of Agriculture's Production and Marketing Administration reports from its southwest area office.

National marketing quota for 1949 was set at 850,000 tons in the November 30 announcement. No marketing quota is in effect on the 1948 crop. The 1949 acreage allotment of 2,611,367 acres represents a reduction of 22 per cent from this year's crop and 20 per cent from the average acreage of the past five years. Allotments and quotas by states and counties will be worked out later this winter.

Peanut harvesting neared completion in the southwest, but rains further delayed picking in the more eastern states. Shelled goods remained in slow demand at 16 1/4 to 16 1/2 cents a pound for No. 1 Spanish in commercial sales. Most current shellings went to the Commodity Credit Corporation at

15 3/4 cents for No. 2 Spanish and 15 3/8 for runners.

Peanut meal held about steady, while peanut oil weakened slightly in company with cottonseed oil.

Papaya, a tropical fruit, and pecans both hold promise of becoming big crops for the Lower Rio Grande Valley area of Texas.

As many as 20 steel balls are now used in artificial limb joints to gain smoother articulation and greater comfort for the wearer.

Ponca City, Okla., is observing the 20th anniversary of the location of the first white settlement in what is now Oklahoma. It was established 200 years ago by French fur traders.

"My White Cross Plan

pays up to \$8 for 100 PER DAY DAYS

plus \$5 to \$150 For My Surgeon"

41,516 persons are being rushed to hospitals today. This year 1 out of 9 persons in the U.S. will be hospitalized. That means 1 person out of your family or your neighbor's due to become a hospital case within the next year. And 60% of those cases will require surgery. More than 25,000,000 smart persons have already taken out some form of hospital plan.

No Rate Raises

Rate you start with is one you keep. No raises or assessments on any policy. Even if you start at the 75c children's rate, it does not increase when you become an adult, as long as you stay on your original policy. You are still entitled to your 100 days a year, Surgical Fees, Operating Room, Anesthetic and other "extras".

We Pay Your Hospital, Your Doctor or YOU!

It's "your money" and subject to your orders. You just tell us where to send your check.

COMPARE!

See how nearly 70 years' experience serving almost 1,000,000 persons enables Bankers to offer such liberal benefits as these:

\$ Pays hospital room and meals up to \$8 per day, up to 100 hospital days per year, per person.

\$ Pays Surgeon's Fees from \$5.00 to \$150.00 for operations in home, hospital or doctor's office.

\$ Pays for X-Rays, medicines, treatments (as specified) given in hospital, even though not bed patient.

\$ Pick any Surgeon and any Hospital.

Also "Income Insurance"

You can have, for a few cents more per day, up to \$200.00 per month... if you're laid up by accident or sickness, at home or anywhere.

AMERICA'S MOST FAMOUS TABLECLOTHS

QUAKER LACE CLOTHS look like luxury but wear with thrift.

Authentic designs in various textures to grace every table from a formal dinner to the simplest breakfast. They are as exquisite as hand-made lace, yet so practical and inexpensive you can afford to make every meal an occasion.

Spots just sponge off... and laundering is easy.

Wonderful For a Christmas Gift for 'Mom' and as gifts for other occasions.

Pictured above is style no. 4030. size 63x81.....\$5.95 size 72x90.....\$7.95

Pictured at left is style no. 5120 size 54x72.....\$7.95 size 63x83.....\$8.95

There are many designs and sizes to choose from... priced from \$5.95 to \$23.50

QUAKER LACE CLOTHS are authentic copies of laces made by masters of the art of many, many years ago in foreign lands.

Rest assured that your Quaker Cloth will be in some way related to old lace. It may be an exact duplicate of a rare old cloth—it may have its main motif taken from an altar cloth—or a founce of lace—but it is authentic.

These tablecloths are unsurpassed in Quality.
