Annual Spring Band Concert To Be Sunday

The annual spring concert of the Eastland High School Band will be held at 3:30 p. m. Sunday at the high school auditorium, according to Director T. R. Atwood said this week.

Fresh from winning laurels at the regional band contests at San Angelo late last week, the band will show the citizens of Eastland that it has accomplished in two years of hard work. The school had had a band for a number of years until two years ago.

The program will be dedicated to the memory of Don Hill, Jr., former trumpet player in the organization who was killed in an automobile accident near Amarillo last summer.

The concert also will mark the end of National Music Week.

In addition to the 55-piece senior band which will appear in civilian attire, the Junior Band of 45 pieces will appear on the program with several numbers, Atwood said.

A special number which will be featured will be a euphonium solo by Doug King, winner of a first division rating in last week's contest. King survived the accident that took young Hill's life.

The concert Sunday will last about an hour and 15 minutes, Atwood said.

The band placed above 16 other entries in its division to win first prize honors at San Angelo, and also was in first division in last reading.

Eastland soloists who won honors in addition to young King are George Lane Poe, Stanley Stephen, Ed Willman and Hubert Johnson.

Judges were lavish in their praise of the Eastland band.

Softball Loop Entry Deadline Monday

With four teams definitely entered in the Eastland Softball League for this season's play, and others showing strong interest, the deadline for entries is approaching rapidly this week.

Deadline will be Monday night, according to Fire Chief A. W. Hennessee. Teams which were entered at a meeting Thursday night were the Lone Star Producers, Motor Company and a team yet unopposed.

Those showing interest in league play or sponsorship are Olden, and the Texas Company.

At a meeting Thursday night last week at the fire station, the opening date of league play will be decided on and a schedule made.

Hennessee said that after the conclusion of the regular softball season a playoff will be held, with five per cent of the gate at home games during the season to be divided between the winning teams.

To make the pot more attractive, the Fire Department voted to put \$25 into it as a starter.

The firemen own the softball league, and are sponsors of all local softball play.

Gilchrist Elected Rotary Club Delegate

Bob Gilchrist, Eastland oil operator, was elected by the Eastland Rotary Club at its meeting Monday noon to represent the club at the coming International Rotary convention to be held in New York City in June.

George I. Lane, Eastland County agricultural supervisor for the farmer's Home Administration and a member of the club, spoke on the subject of "Bettering Our Community Through Higher Standards of Living on Farms."

Lane, who had charge of the program for the day, was presented by Rotary president, James Horton.

President Horton, who was a delegate from the Eastland club at the recent Rotary district convention in Mineral Wells, gave the report on the Mineral Wells meeting.

Mrs. Vernon Humphreys of Eastland was admitted to the Gorman hospital Monday with pneumonia. Mrs. James Wright, daughter of Mrs. Humphreys, reports her mother is recovering as rapidly as could be expected.

He Is Pretty Cute, Isn't He?

Billy Joe Johnson, year old son of Mr. and Mrs. Billy Johnson, was winner of honorable mention in a national baby photo contest, sponsored by an Austin studio. Winners in the contest were chosen by famous judges. Billy Joe is the grandson of Mr. and Mrs. A. D. Dunlap and Mr. and Mrs. J. U. Johnson, all of Eastland.

Milton Herring To Play Recital

Milton Herring, 14-year-old Eastland piano student who has won high honors for his musical ability, will be presented in a recital at 8 p. m. Monday in the First Methodist Church. He will be assisted by Colonel Don Brashier.

The public was invited to attend the recital.

Young Herring, a sophomore in Eastland High School, is one of only a few piano students his age in this section of the country to have a repertoire of 22 classical pieces memorized.

He will be presented in the recital by Mrs. A. F. Taylor, with whom he has been studying for four years. Before that, he had a year's study with Mrs. Anderson in Fort Worth.

He was a winner of the Sixth District Texas Federation of Music Clubs festival in 1947, and represented the Eastland Music Study Club on the district convention fine arts program in Sweetwater last October. He also has played on several sixth district junior day programs.

He plays the alto saxophone in the Eastland High School Band, and has played on the All-state band for two years. He is a member of the Beethoven Junior Music Club.

Young Brashier, a senior in Eastland High School and quarterback on last fall's Maverick football team, was a winner in the 1941 district music federation festival, represented the Beethoven Junior Music Club at the district convention on the fine art program in Abilene and Eastland, and has served two years as president of the Beethoven Club.

He has won much praise for his solo and duet playing on many programs.

The program will include largely better-known classical works, beginning with Rachmaninoff's famous Prelude in C Sharp Minor. Other numbers will include Beethoven's Moonlight Sonata, a MacDowell group, a Chopin Polonaise, Debussy's Reverie, two Gershwin Preludes, the Warsaw Concerto by Adinolfi, Malaguena by LeCuna, Ritual Fire Dance by DeFalla, and a Liszt Liebestraum. The two-piano numbers will be Caprice Viennois by Kreisler, and Paderewski's Minuet.

CLEMENS NAMED COMPANY HEAD

Capt. A. D. Clemens has accepted the captaincy of the Eastland replacement company of the U. S. Army Reserve Corps, H. J. Tanner, manager of the Eastland Chamber of Commerce, was notified Thursday by Capt. Sam T. Jackson of Waco.

Captain Jackson has been in Eastland several times in the interest of forming the company here. Tanner said that he did not know Clemens.

Mr. Chapman said that two nurseries are operated during Sunday School and church services.

EX-CISCO MEN OPEN JEWELRY STORE

Tate Rumley and Leroy Gray, former Cisco men, have opened a new jewelry store located above the Eastland Drug Store. Watch and jewelry repair service is available.

Work Expected To Begin On New Homes Next Week

Barring the unexpected, work is due to get underway next week on four new homes in Hillcrest, Eastland Chamber of Commerce Manager H. J. Tanner was notified this week.

Glen L. Winn of the M. R. Carb Company, Fort Worth mortgage finance firm, wrote Tanner that troubles caused by the sudden death of a Veterans Administration appraiser soon after he had appraised the Eastland project, seemed to be overcome, and that action can be expected soon now.

The Carb company has full title to four of the 26 building sites it obtained on option from Earl Bender of Eastland, and will begin construction of four homes as the first step of a major housing development. Winn had said earlier.

The first four homes will be built for veterans under the GI 100 per cent loan housing program, and the homes already have been contracted for by Eastland veterans.

Sponsors of the project have said that later they will build homes under FHA loan provisions, to be sold to anyone.

The homes will be small, and inexpensive by today's market standards—in the \$6000-\$7000 price bracket.

Contractor will be W. O. Pender, Fort Worth home builder who initiated the moves for the building project here.

Services To Place Emphasis On Babies

Special emphasis will be placed on babies Sunday at the First Baptist Church, where Mother's Day has been designated as Cradle Roll Day. Cradle Roll ages are from birth through three years.

After Sunday School, a picture of the babies will be taken in the church auditorium. Then a brief service will be held dedicating each home represented to God, said the pastor, Rev. L. M. Chapman.

During the morning service the home will be emphasized, said Mr. Chapman, with the sermon topic to be "Three Generations of Faith." The public was invited to attend the services.

Mr. Chapman said that two nurseries are operated during Sunday School and church services.

McKEES ATTEND FUNERAL OF RELATIVE NN

Mr. and Mrs. Jesse McKee attended the funeral of Mrs. E. E. Smith, aunt of Mr. McKee, held Monday at Winters.

The deceased was the former Miss Frankie McKee. She was a native of Belton where she married the Rev. Mr. Smith, a well known early day Baptist minister of West Texas, in 1882. He, five sons and three daughters, survive.

V. F. W. Post Seeks Funds For Buying Permanent Home

Officers and members of the Karl and Boyd Tanner Post of the Veterans of Foreign Wars set out Thursday to raise \$2000 by May 15, for a down payment on the purchase of the H. L. Lewey rock home just east of Eastland on Highway 80.

President Jim Gilbreath, Jr., of the post presided at the meeting Wednesday night at which it was decided to make an all-out effort to raise the money with which to buy the home for use as post headquarters.

Purchase price of the property is to be \$6000 under an option to buy good until May 15. The property includes a six-room rock home and eight and a half acres of land, including about 1300 feet fronting on the highway.

Under the plan for raising funds adopted at the meeting, each of the post's 200-odd members will be asked to give \$60 to the project, in cash if possible, and on long-time payments if not.

In addition, merchants and individuals of Eastland will be asked to give what they will.

"We feel like we'll have the \$2000 in cash by May 15," said Gilbreath.

If the tract is purchased by the post, it is planned to build a large auditorium on the land later, and negotiations for financing such a structure already have begun.

Free Oil Is Bailed At Brashear Well

Free oil was appearing in the bailer Thursday at the No. 1 J. L. Brashear shallow well about two miles northeast of Eastland, drilled into the pay nearly two weeks ago by Bob Gilchrist, Eastland operator.

The well had been shut down until this week because muddy roads made it impossible to take in a cable tool rig for completing the well.

The well had showed 100 feet of free oil in a drillstem test with the rotary which was used for the original operation, but it was theorized that the drilling mud had sealed off the oil sand during the long wait. The pay zone was jetted Wednesday, and swabbing was begun as a clean-out measure.

The well, if it comes through, will open a new pool quite close to Eastland.

Jack Chamberlain said he expects to begin drilling operations next week on his No. 1 Guy Quinn test, located about 1000 feet southwest of the Brashear well. Pits had been dug this week. Chamberlain said 20 cases of dynamite were used to blast out the pits in solid rock.

Gilchrist meanwhile had moved his rotary rig back to Morton Valley and started operations on his No. 2 H. H. Durham. The first well drilled by Gilchrist on the Durham place was making 35 to 40 barrels of oil a day on pump this week.

A. B. Cross Funeral Rites Held Thursday

A Christian Science service for Arlys Baines Cross, 41, who died Tuesday in El Paso, was read at Hamner Funeral Chapel Thursday morning. Burial was in the Eastland Cemetery.

A native of Eastland County, Mr. Cross was born Oct. 12, 1907, the son of Mrs. Neta Baines Cross of Olden and the late Stuart Cross.

Survivors include his widow, Mrs. Opal Cross; mother, Mrs. Neta Cross, both of Olden; one son, Arthur Allen Cross; one sister, Mrs. Kermit Dyche of Alvin; two brothers, Dalton Cross of San Antonio and Jim Cross of Waco, and his maternal grandmother, Mrs. C. A. Baines of Eastland.

PULLMAN AND BASHAM ATTEND HOTPOINT SCHOOL

Henry Pullman of the Pullman Store and Harvey Basham were in Fort Worth Thursday attending a school and demonstration on the new Hotpoint automatic clothes washer.

Pullman announced that Basham has been appointed maintenance man for Hotpoint appliances in Eastland.

Wave Of Burglaries And Robberies Hits In County

A wave of burglaries and robberies in Eastland County the past week brought the arrest of one man by Eastland police, but it appeared unlikely to officers that the crimes in Carbon, Eastland and Cisco were done by the same person or persons.

Complaints charging theft over \$50 and for burglary were filed in Justice of the Peace E. E. Wood's court against Clyde Blair of Cisco in connection with the burglary Monday night of the A. & P. Store in Eastland.

A cash box in the store was robbed of \$168 in cash after the glass in the front door of the store was kicked in for entrance.

Blair, arrested by city police officers near the Coca-Cola plant about three hours after the burglary, readily admitted the job, but had only about \$50 on his person. He told the officers he had lost the rest gambling.

He was held in jail Thursday in lieu of \$2500 bond.

The Carbon burglary jobs took place Friday night of last week and resulted in \$400 to \$500 being taken from the safe of the Carbon Post Office and \$600 from the safe of the Carbon Trading Company.

The knob was knocked off the post office safe, while an explosive was used the blow in the knob of the trading firm safe.

Sheriff J. B. Williams said the jobs apparently were done by professionals with plenty of experience.

Two other stores in Carbon were broken into the same night, but apparently nothing was taken from either of them. The stores are the Carbon Drug and Ben Stephenson's Grocery.

Sheriff Williams sent what evidence he could gather at the scene to Austin for analysis.

No fingerprints were found. The burglaries in Cisco last week were minor affairs, and officers theorized they were the work of amateurs.

Horned Frog Derby For July 4 Planned

Success of last year's first Eastland Horned Frog Derby virtually assures repetition of the event this year on a larger scale, Eastland Chamber of Commerce Manager H. J. Tanner said Thursday.

Tanner said he was considering recommending to the chamber's board of directors at their next meeting that the second horned frog races be set for the Fourth of July. No July 4th celebrations of any kind have been held in Eastland in a number of years.

Last year's races were held to select an entrant for the Coalinga, Calif., Horned Frog Derby, but a number of interested parties in Eastland have gone on record at club meetings and other places as favoring continuation this year on a larger scale.

Hundreds of the spiked toads ran last year after being gathered in great quantities by children all over Eastland, and a big crowd gathered to see the running of the race.

Eastland will have an entry again this year in the Coalinga event, Tanner said, but it will be chosen just as all the entrants were prior to last year's special derby trial—it will be found somewhere, dubbed Old Rip VI, and air expressed to Coalinga.

The race there will be May 21.

CARBON CLUB TO MEET MONDAY

Members of the Carbon Farmers and Business Men's Club will meet Monday at 8 p. m. in the cafeteria of Carbon High School.

Emmett Powell of Eastland, county manager for the Production and Marketing Administration, will be the principal speaker, on "Price Parity and Peanut Acreage."

2 Outstanding Students Named For High Honors

By HENRY G. VERMILLION

We at The Record are usually quite proud of the printing job we do on the paper, and we do the best we can every week.

So this week when Mrs. Henry Pullman said that numbers of persons had asked her if the picture of a mother in the Pullman Store Mother's Day ad last week was a picture of her, I went and took another look at the picture.

I still thought the printing was first class, but I couldn't see too much resemblance between the lady in the picture and Mrs. Pullman.

And Henry Pullman, who chose the picture from our mat files, didn't say nothin', as Uncle Remus would say. Whether Henry had picked the picture, consciously or unconsciously, because of a slight resemblance to his wife, was unanswered.

The roses are blooming more profusely and more beautifully this spring in Eastland than I have ever seen them. Apparently the combination of a cold winter and an end of the drouth has been just right for the rose bushes in this area.

And for the grass. From one end of Eastland to the other, you can hear the clacking of lawn mowers. And still the grass grows high, and the weeds take over.

This writer, a member of the Eastland Lions Club for nearly four years, was impressed with the discussion at the Club luncheon Tuesday in which a group of the members let down their hair and expressed their thoughts on what the club could do to improve itself.

The whole thing was started off by W. Q. Verner, who told of the club's finances and how they had dwindled in recent years.

Then several put in their oars, and the general idea seemed to be that the club needs more projects and more work by its members.

Such self-appraisal can be good for an organization if it is followed up by action. We'll see.

Pea Aphid Threat To Vetch Crop

The vetch crop in Eastland County, consisting of between 15,000 and 20,000 acres, is threatened with destruction by insects, county Agricultural Agent, J. M. Cooper said this week. Conditions at present are not alarming, but could easily become so, Cooper said. Two years ago the crop was almost ruined by insects.

The bug that is doing the damage, according to Cooper, is the pea aphid. It operates by sucking the sap from the plant and in addition to working on vetch, attacks any kind of peas displaying a special liking for English peas.

A survey has been made by Cooper to determine the extent of the pea aphid infestation, and so far farmers contacted, that found any of the insects at all in their vetch, have found only small quantities of them and these appeared to be doing but small damage. Since the survey started, however, a number of vetch growers have reported that they have found the insects are working but that they had not discovered them before.

Vetch is grown in Eastland county as a cover crop and for grazing and seed. According to Cooper, there are two insecticides that are used to kill the pea aphid. These are parathion and benzene hexa-chloride, neither of which is available in Eastland county, with more or less success in other Texas remedies have been used portions of the country. They are used as sprays and by dusting from the air with planes.

Defendant Wins \$100,000 Lawsuit

The 91st District Court jury in the \$100,000 personal damage suit of Patsy Nance et al vs. Wesley Isehower et al returned a verdict Wednesday afternoon in favor of Isehower.

Judge George L. Davenport discharged the jury after it answered all questions in favor of the defendant. However, Judge Davenport said Thursday that no motion had been made yet for a judgment in the case and he had not rendered one.

The case, which attracted much interest, especially in Cisco where both parties live and where the auto accident which resulted in injuries to Miss Nance happened, went to trial April 25. A former trial of the case before Judge Davenport had resulted in a mistrial when the jury was unable to agree.

The entire teaching staff of the Eastland Independent school system was re-elected for another year at a meeting of the school board Monday night with the exception of Miss Lillie Moon, who is retiring.

Principals, coaches and bandmaster had been elected at a previous meeting.

All members of the school board with School Superintendent W. G. Womack, were present at Monday night's meeting.

The appointment of a school secretary and tax assessor-collector, to succeed the late Curtis Hertig, had not been made Wednesday but it was understood that a meeting of the school board would possibly be called later in the week for that purpose.

Miss Sneed and Miss Allen both have been prominent in club work and other school activities, and both have been given many honors by their classmates.

"They're both excellent all-around students as well as honor students," Jones said.

Miss Sneed is a member of the Co-Ed Club, Commercial Club, Beethoven Junior Music Club, Rip and Sip Club, was elected football sweetheart for two years, was high school queen this year, and won the award of the Charles Crawford Chapter of the D. A. R. as an American history student.

She also attended the Girls State in Austin, and has been Lions Club Sweetheart for some while.

Miss Allen is a member of the Co-Ed, Commercial and Rip and Sip Clubs, of the Harmony Girls, and of a number of girls' athletic teams at the high school.

Both girls have been the recipients of many other honors in their high school careers.

Miss Sneed's four-year grade average was 96.59, and Miss Allen's was 95.61.

The honors were announced by High School Principal Prentiss Jones.

Body Of O. C. Barnhill Coming From Italy

Mr. and Mrs. S. O. Barnhill of Cisco route 2, have been advised that the remains of their son, Sgt. O. C. Barnhill, killed in Italy on April 5, 1944, while serving with the 15th Air Force in World War II, is enroute to the United States for re-burial.

Sgt. Barnhill was born in Cisco in August 1918, was graduated from Cisco High School with the class of 1935, later attending Randolph College. He enlisted in the Air Corps in 1938, being given a medic discharge soon after. He returned home and re-entered Randolph College, from which he graduated in 1939. In November 1941, he married Miss Dan Whisenant of Olden.

At the beginning of World War II Barnhill rejoined the Air Corps in August 1942. He was a gunner on a B-24 and was killed while on a bombing mission. He was 24 at the time of his death.

Survivors include his parents, three brothers: N. W. Barnhill of Fort Worth; J. C. Barnhill of Pensacola, Fla.; and W. L. Barnhill of Corpus Christi; and a sister, Mrs. R. F. Dolgener of Cisco.

Reburial services, at a date to be determined after the arrival of the remains, will be held at the First Methodist Church in Cisco with burial in Oakwood Cemetery, Cisco.

Mickle Says Grain Prospects Excellent

O. O. (Omar) Mickle, who owns farm and ranch land in the Amarillo and Lubbock areas, much of which is always planted in grain, says it has been a number of years since he has seen as promising prospects for a good general grain yield as at present.

Mickle, who owns resident property in Eastland where he was in the mercantile business for a number of years, now lives on a farm just west of Eastland on highway 80.

Painting Is Feature Of W. M. S. Tea

Featured attraction of the "Mother's Day Silver Tea," honoring the Baptist hospitals and given by the Woman's Missionary Society of the First Baptist Church was a symbolic painting by Mrs. L. M. Chapman.

Comparing the ray from a light-house with the light given the sick by the hospitals, Mrs. Chapman demonstrated her theme with a spray painting as Mrs. Jimmy Young played "Send The Light."

Mrs. Jennie Self was program chairman and presented Mrs. H. F. Vermillion, who gave the devotional. Prayer was offered by Mrs. J. F. Goldson.

Mrs. Roberta Grisham sang "None But My Heavenly Father," by Mrs. A. B. Cornelius, accompanied by the composer. Mrs. Cornelius also played two other of her compositions during the program.

The fellowship room was decorated throughout with roses and iris. Tiny rosebuds marked each plate and refreshments were served from the table laid with Dutch lace and centered with an arrangement of red roses.

Mrs. D. J. Danels presided at the refreshment table and Mrs. John Dorsett registered the guests.

FINISHED BY THE EASTLAND COUNTY RECORD ON BEHALF OF THE STUDENTS OF EASTLAND HIGH SCHOOL, WITH NEWS SUPPLIED BY A STUDENT STAFF.

HOME MAKERS STATE MEETING
Over 2000 Future Homemakers of America, Texas Association, are expected to their state meeting in Dallas, May 5, 6 and 7. Representatives from 688 chapters will take part in the three day rally of homemaking students from junior and senior high schools in Texas. The Eastland Chapter will have four people at the meeting.

Main speaker for the morning will be Senor Roberto De La Rosa, Cultural Agent for the Mexican Government. His subject is "International Good Will." Senor De La Rosa is one of 12 "Good Will Ambassadors" touring this country in an effort to promote better understanding between us and our southern neighbor.

They are Gail Parrack, president, Gene Griffin, Gale Greer, and Miss Loretta Morris, sponsor.

A program of recreation and general get-acquainted will start the three day session off on Thursday night. Under the direction of Dr. Anne Schley Duggan, students of the department of Health, Physical Education and Recreation, Texas State College for Women, Denton, will lead Future Homemakers all through a fun-fest.

Perhaps if you saw the pictures you did not recognize the birds (this from ignorance we hope) and perhaps if some biology student can enlighten you. Anyway it's nice to see someone put out some effort and these bird-lovers certainly have.

The band, due to a mistake of the band's identity, was notified last Friday after their concert performance that they had placed 2nd division. Monday morning an article was found in the San Angelo newspaper. It stated the East-

land Maverick Band placed first division in sight reading and concert playing. What an uproar! The band members were all excited, especially after having thought they had placed only second! They are proud and we are proud of them.

The parents and boys who went along and helped all agreed the band was unusually good in sight reading. Those hearing the concert were also complimentary. Anyway, it was a happy ending to a bad mistake.

The Sophomore Double Seven Club met Wednesday in the home of Charlotte Van Hoy. The business meeting was held and new officers were elected. Margie June Poe, Charlotte Van Hoy, Pat Brown, Catherine Cooper, and Monetta Scott were elected respectively as president, vice-president, secretary, treasurer,

and reporter. The meeting was adjourned and refreshments of frosted Cokes and cake were served. The next meeting will be at Pat Brown's home.

May 13 Chosen As Date Of Farm Tour

At a meeting of the Farm Unit Demonstrators in Eastland on April seven it was agreed that a one-day tour of inspection of a number of farms in the county would be held and a committee was selected to work out the route for the tour and set a date.

The committee is composed of Doss Alexander, Pioneer; H. H. Lawson, Fred Brazendine, and Cecil Shultz, Rising Star; L. E. Davis, Nimrod; Oral Davis, Okra; Howard Ingram, Nimrod; Alvis Rogers and Jewel Snyder, Gorman; D. F. Rodgers and Melva Love, Alameda; Charles Hodge, Olden; B. S. Dudley, Jr., Ranger; Herman Jordan, Flatwoods; Tom Smartt, Reich and Olney Buchanan, Rising Star.

The date for the tour has been set for May 13.

Those desiring to go on the tour will assemble at the J. E. Spencer peach stand, five or six blocks west of the traffic light at Cisco on highway 80. The tour will begin at 9:00 a.m.

Farms that are to be visited on the tour are:

- (1) Mr. and Mrs. Tom Smartt in Reich community (Registered Hereford cattle, pastures, terraces and pecan trees in process of being changed from native to pears shell nuts).
- (2) Mr. and Mrs. L. E. Davis,

Nimrod community. (New addition to sheep house, sheep, improved pasture and vetch and rye cover crops).

(3) Mr. and Mrs. Cecil Shultz of Rising Star community. (Legume demonstration and pastures).

(4) Mr. and Mrs. Fred Brazendine, Rising Star community. (New home, Hogs, vetch and rye crops)

(5) Mr. and Mrs. Oral Davis, Okra community. (Bermuda grass, clover pasture and vetch and rye).

Women as well as men are invited to go on this tour. Also those going on tour are asked to invite all former Farm Unit Demonstrators (TVA) families and any others interested.

Those making the tour are requested to bring basket lunches and these will be spread at noon at some convenient spot on the tour.

Mr. and Mrs. J. C. Butler and children of Eastland visited her parents, Mr. and Mrs. L. F. Trout one evening last week.

Price Crawley Takes Post As Ranger Mayor

Price Crawley was sworn in as Mayor of Ranger Monday morning, succeeding Lee Dockery, who administered the oath. Other newly elected officers of Ranger to take office Monday were N. M. McColm as street commissioner, Addie Williams as street and sanitation commissioner. Herschell Angus, re-elected fire and police commissioner, will take the oath of office later.

Retiring commissioners were V. V. Cooper, Jr. and A. L. Stiles.

Lester Crossley was named by the new Ranger City administration as City Secretary and Walden Kribbs was named City Clerk. The entire police force was re-appointed.
