PHONE COMPANY NAMES **NEW MANAGER FOR AREA**

William H. McAnally, communi-cations engineer for the Southwest ern Bell Telephone Company at Midland, has been promoted to manager for Eastland and seven other exchanges in this vicinity, with headquarters at Cisco, according to C. A. Deuschle, district manager of the company here. e appointment is effective imdiately. Mr. McAnally will take the post

left vacant by Mr. Deuschle, who was manager here for more than a year, and who recently was promoted to district manager for Eastland and vicinity.

Mr. McAnally's telephone career began in '41 in the telephon co's directory department at Nashville, Tennessee. The following year he enlisted in the U.S. Army Air Force and was assigned to ground duty at Anchorage, Alaska, where he assisted in servicing the bomber and fighter plane groups based there until the end of the war.

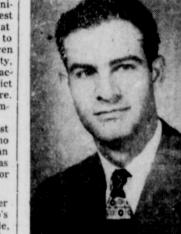

In October, 1945, he was discharged with the rank of corporal and returned to telephone work at Nashville. He later was transferred to Jacksonville, Fla., and in 1947 was appointed communications representative there. In March of last year, he went to Midland as communications engineer,

"I'll never love her again. She was very bad to me. She starved me and everything. She was never nice to me. Only mean." Neighbors of Mrs. Sullivan were amazed to learn the boy had been kept a prisoner. They said she always had appeared to be kind to children. Police said she had been receiving welfare aid from city plus allotments from her two sons in the Marines.
