Railroad Scorns Town's Protest On New Schedule Annual Muster

ELECTRA, Tex., April 21 (UP) - The Fort Worth and Denver Railroad today made clear that a town's "pleasure" is secondary to making a paying business out of trains.

Faced with legal threats by Electra civic officials following announcement of a new schedule which would convert the town into a "conditional stop" on the route of the crack Zephyr streamliner, Robert L. Hoyt of the rail- ter was started some 46 years ag road company said:

"We don't want a fight with "We don't want a fight with since that day, April 21, 1903, A Electra or anybody else. But if & M. men have banded together it comes to making a choice of keeping the railroad going or pleasing this city, I'm afraid we have no other choice."

City attorney John McKelvey reiterated that Electra refuses to become a "whistle stop" and told Hoyt, "we'll meet you in court." was no escape and agreed to fight to the finish for what they believ-

road first planned its "conditional stop" here, city officials threatened to invoke city laws forcing trains to halt at all grade crossings in town and at the station for an inspection of restroom facilities. The railroad took no further action until this week.

the revised schedule, set to start May 1 and designed to speed up service for transcontinental passengers, would be Decatur, Henrietta, Bowie, Chillicothe, Clarendon and Claude.

Sheriff Gets Suspect Before Theft Reported

Eastland County deputy Sher-iff Cotton Graham had the experience this week of getting "the cart before the horse," when an Eastland man was arrested on two Police identified the driver of felony theft charges and it was found he had in possession 1,700 pounds of wire, which he could not account for and had not been | death. reported stolen.

The suspect was lodged in the iff's office started sleuthing for the owner of the wire, which had been recovered.

Graham stated this morning Regional Scout that the wire belonged to Southwestern Bell Telephone Company and had been taken from the Ranger warehouse about March 11. Filing of charges was pending postive identification by Southwestern Bell Telephone offi-

Wichita Falls Jury Asks More Hospital Funds

WICHITA FALLS, April 21 (UP)-Wichita Falls grand jury today urged the state legislature to appropriate funds immediately to improve conditions at the Wichita Falls State Hospital.

The grand jury reported yester-day the findings of a two-day investigation it had conducted at the

hospital.

The report cited inadequate medical attention because of lack of doctors and an incompetent nursing staff.

It also charged that abuse and brutal mistreatment of patients by attendants "either was or should have been known by the hospital authorities.'

The report, which was returned to 30th District Judge Frank Ikard, called to the attention of the governor, the State Eleemosynary Board of Control and legislator from this district conditions re portedly existing at the hospita An investigation was ordered

after two former attendants a Alton Carlos Kennedy of (2909 the hospital were indicted for 19th St.,) Port Arthur, Tex., who the slaying of Thomas Houston was released from a prison here at Gibbons of Sulphur Springs short-

In the murder indictment, the

The sailor, who holds an assistant engineer's certificate, arrived in Odessa aboard and American freighter in 1946. While on shore leave, he got involved in a drunken brawl and was sentenced to the three-year term by an Odess:

Electric Room Coolers

• The good old summertime has a lot of things in its favor—and some disagreeable points as well. Hot days and breezeless, stifling nights are among the things that make summer uncomfortable for everyone, unless steps are taken to beat the heat.

Electric room coolers, drawing fresh outside air through watersoaked filters, keep a constant flow of cool, refreshing air circulating throughout your house or apartment. Both days and nights are more comfortable, more enjoyable when electric room coolers are on the job.

The arrows above show how an electric room cooler, placed with an eye to best circulation of the porch-cool, fresh air it draws from outside, keeps gentle, refreshing air currents moving throughout your house or apartment. Easy to install and economical to operate, electric room coolers readily adapt themselves to any type of home const

Electric room coolers to fit your cooling needs are available in many styles, shapes and sizes. Visit your favorite electrical cooling-equipment dealer now for the room cooler of your choice.
