Going Forward With Eastland

By Bob Moore

Without benefit of fanfare or what have you, the City of Eastland had an advertisement in the Friday issue of the TELEGRAM giving a statement of receipts and disbursements for the month of July. It seems the City Charter provides for the publication of such a statement each month and the City will comply with the charter provision in the future.

This is a fine thing as the citizens will be in a position to know the financial situation at all times. After all, the city business belongs to the taxpayers, and we are entitled to know what is going on. The same could be applied to the county or any other sphere of government.

The ball seems to be rolling right along for Eastland to have an Inter-Club Council. The Civic League and Garden Club is the latest organization to endorse the proposed Council. Earlier, the Rotary Club made a similar endorsement. We understand a number of ladies in other organizations favor the Council and endorsements may be expected when their various clubs meet.

Stubbornness we deprecate, but firmness we condone. The former is our neighbors' trait, the latter is our own.—Christian Observer.

Sometimes I feel like changing my first name to Hector or something like that. Never saw so many 'Bobs' in my life as there are in Eastland. In any group, when someone addresses a remark with the prefix 'Bob', at least three or four speak up. For instance, here are a few of the men that are 'Bobs': Todd, Vaughan, Vought, Blair Burdick, Womack, Morris, Caudle, Clinton, King, Nelson, Perkins. Oh well, it's a pretty good name anyway. So I'll keep mine. Imagine the others feel the same way.

A woman phoned the bank to arrange for disposal of a \$1,000 bond.

Is it for redemption or conversion? the banker asked. Said she: 'Am I talking to the County Trust Company or to the First Baptist Church?'—'Rotary Club Bulletin', Yonkers N. Y.

Here and there: Everett Plovman really 'hitting the ball' at the Corner Drug Store, while wife Mae is on vacation in Colorado. Mae wrote her spouse one day this week that the weather is greatly over-rated in Colorado as it was just as hot there as it is here.—Supt. W. G. Womack must be a mighty busy man getting ready for opening of school as efforts of this scribe for the past several days to reach him have been unsuccessful. Just wait, we'll trap him yet.—The Majestic Cafe is the midst of remodeling for their opening Sept. 1, after being closed during August for a month's vacation.—Some of the boys wanting County Tax Assessor Neil Day to get into the line for a scrimmage session at Maverick Field one day this week, but Neil gracefully declined.

Swimming Pool Closes Sunday

The city swimming pool will close for the season Sunday, Aug. 28, it was announced by City Manager I. C. Heck.

Coach Denies Team Leading Title Contender

RANGER — Coach O. C. (Stubby) Warden of the Ranger Bulldogs, in an address to the Lions Club Thursday, denied predictions that Ranger would be a contender with Hamilton for District Championship.

Coach Warden pointed out that Ranger had lost some of its most valuable players from last year and that recruits are still a little green. Coach Warden stated he had lost 12 boys last year and though there are 33 out for football this year they are not seasoned players. He said that the backfield was fairly strong but that this will not offset the weak spots.

TAMPA, Fla., Aug. 27 (UP) — A multi-million dollar hurricane that reportedly cost at least three lives and 58 injuries rumbled into the gulf today to revitalize its ebbing power for a possible new strike at the United States mainland.

After a cross-country rampage through Florida last night, the mighty storm's 150-mile an hour winds had subsided to about 70 MPH by 10 A. M. EST.

The Weather Bureau located the storm center at that hour at a point in the gulf approximately 50 miles north-northwest of Tampa. It was continuing a northwesterly course at a forward speed of around 16 miles an hour.

It was virtually impossible to get more than fragmentary reports of casualties and damage this morning as the stricken state began the overwhelming task of restoring communications lines and opening blocked and washed out highways.

Sen. Spessard Holland, D., Fla., said in Washington that he has been advised of three deaths and 58 injuries in Florida.

Huge Lake Okeechobee in South-Central Florida where 1,800 died in a 1928 hurricane registered a tilt of 10.3 feet at the height of the blow.

N. P. McCartney, chairman of the Board of Stewards will preside.

For the Sunday evening services, W. L. Milner of Ranger, young ministerial student will do the preaching, and Wendell Siebert, coach of Eastland High School Mavericks will have charge of the music.

there are no bad dogs . . . there

THE MAVERICK'S CORRAL

By The Wrangler

There's nothin' like going out on a limb, especially when you have your own saw, so after deep concentration into our crystal ball, here's how The Wrangler picks 'em for the outcome in the 1949 Southwest Conference Race.

(1) S. M. U. (2) T. C. U. (3) Texas (4) Rice (5) Baylor (6) Texas A&M (7) Arkansas.

Well, let's see how several of the District teams and others the Mavericks will play during the coming season, have been making out during the past week.

Rated to be one of the powerhouses, if not THE powerhouse, the Bullpuppers of Ranger had a little tussle with Mineral Wells Friday night in a pre-season scrimmage. Quite a few Eastland glimpes were out to get a firsthand action. All we can say is that Ranger hasn't got any business being in Class A football anyway. Jack Everett's Class AA Cisco Lobeos had an inter-city scrimmage with the Rising Star Class B Wildcats, with the Cats making 5 TDs to the Lobeos' 2. Cisco will open their season against the Nacoma Indians.

SPARKS FROM THE BRAND ING IRON: Coach Blair Cherry's Longhorns will come out of the chutes for practice on Sept. 1 without the "finger of doom" pointing to them as the Conference favorite. The inexperienced Longhorns will open a 10-game schedule Sept. 17 against the Texas Tech Red Raiders. What a powerhouse the Abilene Hardin Simmons University football team is going to have. Coach Warren Woodson has nearly all of the '48 veterans coming back, including 19 lettermen, five of which made All-Border Conference teams. The season opener is with North Texas State in Abilene, Sept. 17. Woodson expects 20 members of Coach Al Milch's undefeated and untied '48 freshmen team to be ready for varsity action. Word comes from Abilene that a lad by the name of Bobby

Blair from Eastland is expected to challenge Ray Troutman, three year letterman, at the fullback slot. Bob, has been working out with the Mavericks, and will be ready to go when Simmons opens practice.

MAVERICK TRAINING NOTES: It's been "offensive" and "defensive" for the Mavericks during the past week, as the squad have been daily scrimmage workouts. The offense includes the probable starters, with a few variations, while the defense is made largely of reserves. A practice scrimmage under game conditions is planned during the coming week by Coach Wendell S. Herr.

Here's how the offense, or varsity group looked Thursday afternoon. Edwin Aaron, 145-pound Sophomore, and Marvin Thompson, 131-pound Senior alternating in the fullback slot.

slot most of the time. Herman Hassell, Jr., 100-pound Sophomore, relieves him. Bob Burdick, 180-pound Soph, is at righthalf. Burdick has been working out hard and should make the traveling squad. Morris Lee Riggan and Dickie Evatt, two other promising Sophs, alternate at left half. Cotton Reed, the Morton Valley boy who was declared ineligible because of being over age, plays in a linebacker position. What a ball player he would have made for Eastland, if he was eligible. Derrell Black, 180-pound Soph, is another eligible player because of a transfer ruling. Black was turning in a performance in the defense line Thursday that was enough to break the heart of any coach or sports writer, in view of the fact that he is ineligible. Lowell Herring, 125-pound Sophomore lineman for the defense, is a hustler and has the spirit that is

Mainstays in the offensive line are: Glenn Hogan, guard; Bill Sikes and Richard Bumpass, tackles; Larry Falls, end. The other guard and end positions are, more or less, open to the field of candidates with different ones being tried out. Eddie Haines seems to have the inside track for the end slot, while Don Anderson and Bobby Womack has been seeing a lot of action on the offense.

Over on the defense, or reserve, team Rodney Stephen, the 85-pound flash that would be on the starting eleven if he had the weight, holds down the fullback

really going to pay off. Carroll Massengale, 135-pound Junior, has been dubbed "cheer leader". Lack of gas for hot water in the showers may result in the boys having to suit out at the gym and then going down to the field for practice.

What's this we hear about a lady calling the Womack residence Friday afternoon? Seems Bob answered the phone and the lady wanted to know what district Eastland plays in, and he couldn't tell her. Hey, Coach, how about telling the boys what district they are playing in.
