Bluecats Aerial Attack Defeats Eastland, 19-0

Going Forward With Eastland

By Bob Moore

The camera this scribe got several days ago is creating a small sensation. A new type of camera, called a Land Polaroid, it not only takes a picture, but develops and prints it in one minute time. And the darn thing works too. While the prints come out brown (sepia tone) they reproduce well for making newspaper engravings.

An invention of Dr. Edwin H. Land, president and director of research of Polaroid Corporation of Cambridge, Mass., the camera contains no developing fluid, but a positive and negative roll of film. The chemicals are ingeniously stored in the film itself. When the positive and negative films join in the back of the camera they process themselves in one single step.

Now, after reading the above, you are probably thinking "horrefathers" it can't be done. But among recent callers at the office, "victimized" into letting us "shoot them" to prove the merits of the camera are: The Rev. L. M. Chapman, pastor of the First Baptist Church; L. E. McGraw, owner of McGraw Motor Company Hood King, owner of King Motor Company; Capt. Gus Clemens of the Regiment Company; County Agent J. M. Cooper and Assistant County Agent Ed Steele, Jr. So, when you see this scribe out taking pictures and he turns the back of the camera to him and looks at a stop watch, he hasn't suddenly gone crazy, but is just fixing to lift out a picture in a minute all ready to go. What an age we live in.

C. Applegate, editor of the Hamilton Herald-News, has the following bit of philosophy in his interesting "Pen Feathers" column this week: If you really want to see how important you really are in this world, stick your finger in a bucket of water and then look at the hole it leaves when you pull it out.

No one in Eastland could help but get the football fever Friday morning, if they didn't already have it.

Special Deputy Sheriff Neil Day did a yeoman's job in rounding up the stray sheep to lead into a Johnny Aaron bus and by the time it headed toward Maverick High Hill, it was loaded to the gills with fans. Chief Ray Laney provided an escort, and with sirens screaming and the big bus horn blaring, we decended upon the High School building.

What a pep rally. Lots of folks, including women and small children, went by private cars and with the school boys and girls, the auditorium was packed.

Special Deputy Day served as master of ceremonies, introducing various businessmen, ex Mavericks and other. And you can guess what most of them had to say, "Beat Coleman." While this scribe wasn't called upon to say anything, we couldn't have added much to the conversation with the exception of it was our hope to write a headline for the Sunday paper saying EASTLAND TROMPS COLEMAN.

The cheer leaders were in fine fettle and the Maverick Band, under direction of T. R. Atwood, was "tops" as usual. Coach Wendell Siebert and Assistant Coach James Alexander made brief talks and Sieb introduced the Mavs in an informal manner.

It was especially interesting to this scribe to learn the custom of the businessmen's pep rally started two years ago, just before a game with Coleman. Some of the fellows got together and paid a surprise visit to a pep rally, and the way the Maverick team of '47 appreciated it, caused businessmen to make it a regular practice.

It's a fine thing when townspeople show their home team they are really 100 per cent for them, win or lose. From working with boys in Scouting, I know it must help their morale tremendously and they appreciate it.

Ultimate development cost of all irrigation works and power facilities on Grand Coulee Dam is estimated to be about \$610,000,000.

For Good Used Cars (Trade-ins on the new Olds) Osborne Motor Company, Eastland

James A. Cotton

T. C. Forrest

FORMER EASTLAND COUNTY MAN TO OPEN ENGINEERING FIRM

James A. Cotton, a native of Eastland County, now engineer in-charge of the Fort Worth sub-office, Galveston District, Corps of Engineers, will terminate 16 years with the federal government to become associated with another prominent Texas civil engineer in a private consulting engineering firm, effective October 1.

The new engineering firm, to be known as Forrest and Cotton, will have offices in Dallas. Mr. Cotton's partner, T. C. Forrest, Jr., is a recognized expert in water supply and distribution and is known as an outstanding authority on municipal engineering. Mr. Cotton has been particularly active in the field of water conservation and flood control.

Both Mr. Forrest and Mr. Cotton concur in the belief that the surface waters must be impounded and regulated by reservoirs to supplement the underground supplies of Texas is to continue.

Mr. Cotton, 39, was educated in Abilene public schools and graduated a civil engineer from Texas A & M in 1931.

After two years' experience in road and drainage construction, Mr. Cotton joined the Corps of Engineers in Galveston. For the first five years he was engaged in navigation projects. Since 1938 he has specialized in flood control and water conservation.

For the past four years Mr. Cotton has directed engineering work in connection with the \$75 million Trinity River Watershed program, including a comprehensive study of the Trinity River in regard to navigation, flood control, water supply and use of surface waters and involving the construction of four dams and reservoirs in that area - Benbrook, Garza-Little Elm, Grapevine and Lavan.

Among assignments completed by Mr. Cotton for the Corps of Engineers have been field surveys of the Colorado, Gualadupe and Brazos Rivers.

A pioneer in flood control work in Texas, Mr. Forrest has acted as an engineering consultant on numerous levee districts throughout the state, including the major flood control program on the Trinity River in Dallas, and has been the only general manager of the Dallas County Levee District since its inception in 1945.

Retained by a number of Texas municipalities, Mr. Forrest has acted as consulting engineer on numerous sewer, water supply, drainage and other municipal projects. Among his major accomplishments, Mr. Forrest lists the recently completed report for Dallas on its City Water Works System.

Jury Recesses Without Action On Moad Case

The grand jury adjourned Thursday until Tuesday without taking action in the case of Mrs. Alma Moad, 36, charged with murder.

She is accused of shooting to death her husband, Emory Moad, Cisco cafe cook.

Moad died Tuesday, two days after he was shot as he sat in a car in front of his wife's home.

Last week, Mrs. Moad, carrying her arm in a sling, tried to get a restraining order against her husband. She claimed he was beating her and displayed severe bruises.

Moad's father, the Rev. C. S. Moad, collapsed Wednesday at funeral services for his son. He was taken to his home and was reported improved Thursday.

tem, the engineering on the East Bank Interceptor Sewer for that city, chief engineer for the Texas Centennial Exposition and consultant for the Trinity Industrial District in Dallas.

During the war his energies were directed toward building army camps, including Camp Maxie at Paris and Camp Howze at Gainsville.

Mr. Forrest, a native of Ellis County, set up private practice in 1922. He attended schools in Waxahachie, Trinity University and Texas A & M. He is a veteran of the first World War.

Both Messrs. Forrest and Cotton list membership in the American Society of Civil Engineers, National Society of Professional Engineers and Texas Society of Professional Engineers. Mr. Forrest is a director of the NSPE and recently was named to membership in the American Institute of Consulting Engineers.

The new firm, Forrest and Cotton, will specialize in civil engineering work, including all types of municipal, reclamation, drainage, irrigation, water supply treatment, flood control and water conservation, as well as airport development and industrial planning.

With Mr. Forrest already maintaining a strong firm, the Forrest and Cotton partnership will have a well qualified staff, headed by ten registered engineers, all specialists in various fields.

Railroad Pickets Withdraw Lines

ST. LOUIS, Sept. 10 (UP)—Picket lines were withdrawn today from Missouri Pacific railroad tracks used by other roads, and leaders of the strike against the Missouri Pacific apologized to the Cotton Belt for tying up seven of its trains.

R. E. Davidson, spokesman for the four brotherhoods that walked off the Missouri Pacific yesterday said the stopping of Cotton Belt traffic at Dupo, Ill., and Illmo, Mo., was "a misunderstanding, and we're sorry it happened."

Davidson said "we're not going to have anything like that."

Two Cotton Belt freight trains were stopped at Dupo by Missouri Pacific pickets and four at Illmo. In addition, the Cotton Belt held a St. Louis to Dallas passenger train until the situation was clarified.

The Cotton Belt uses Missouri Pacific tracks at Dupo and Illmo under an agreement that has been in effect for 50 years. The road's northbound traffic was stopped at Illmo and southbound at Dupo by the pickets.

CHAMPAIGN, Ill. (UP)—The coin vending machine idea began in 200 B. C. In ancient Greek temples used similar vending devices of Illinois economics research department. The Greek temples used similar vending devices to distribute holy water.

Little Fishes Take Chance MARINELAND, Fla. (UP)—When certain fish yawn, observers at Marine Studios here say other small fish swim into their mouths to eat the parasites that stick to the roof of the big fishes' mouths.

Tennessee became known as the "Volunteer State" during the Mexican War when Gov. Aaron V. Brown issued a call for 2,800 men to serve and 30,000 men volunteered immediately.

Dallas Gang Leader Indicted On Burglaries

DALLAS, Tex. Sept. 10 (UP)—The alleged leader of the Dallas underworld was free on \$7,500 bond today following his indictment as a burglar and habitual criminal.

Hollis Delois (Lois) Green, 31, described by three law enforcement agencies as "King of Dallas Gangdom," was arrested yesterday after police spent nearly four months trying to prove that a \$1,000 wristwatch found near a burglarized home belonged to him.

He was indicted on charges of burglary, burglary of a residence after dark and being a habitual criminal. Conviction on the latter charges carries a maximum penalty of life imprisonment.

Green, a native of Madill, Okla., was released under bond 22 minutes after Judge Henry King set the amount.

Last May, police found the wristwatch partially buried in fertilizer on a lawn in exclusive University Park near the home of Oilman Freeman Burford which had been burglarized of a safe containing \$40,000 in jewels.

Green's arrest was his 53rd. He was served two short prison sentences, one for auto theft, another for theft over \$50. His first arrest was in 1934 on a charge of tampering with a car. Since then, he has been arrested in Oklahoma, Texas, North Carolina and New York.

He served part of a 90-day jail sentence when he was picked up in Camden, N. J., last March on a vagrancy charge.

Limits Changed On Some Meters

Time limits and fees on parking meters located two blocks from the Eastland County Courthouse and on cross streets are being changed, City Manager I. C. Heck announced.

The time is being doubled with 1 cent for 24 minutes and 5 cents for two hours. The additional time limits were made to facilitate patrons in consulting physicians and other offices, who might be away from their vehicles longer than expected.

The Weather

By United Press
EAST TEXAS — Partly Cloudy with scattered showers in the south portion this afternoon, near the coast tonight, and in the east portion Sunday. Warmer in the north portion. Moderate to fresh easterly winds on the coast.

WEST TEXAS — Considerable cloudiness with scattered thunder-showers this afternoon and tonight. Sunday partly cloudy and warmer.

Marshal Tito Enjoys Vacation

In the Northern Adriatic Sea, on the island of Brioni, Marshal Tito of Yugoslavia inspects a high powered rifle during a visit of champion marksmen to the retreat. While Tito vacationed, Russia turned political sights on Yugoslavia, stepping up the cold war — forcing Tito to return to Belgrade in face of new Soviet moves. (NEA Telephoto)

FUMBLES, BAD PUNTS PLAGUE SPUNKY ELEVEN

Striking from the air with the deadly accuracy of a fighter plane, the Coleman Bluecats subdued a scrappy Eastland Maverick team, 19-0, in a non-conference game played Friday night at Maverick Field before 3,500 fans.

The Bluecats initial score came on the first play of the second quarter with Fullback Jimmy Hagler, 155 pounder, plunging over the right side from the one yard marker.

The scoring play was set up in the last of the first period on a 12 yard pass from the educated arm of Quarterback Bill Baker, 159 pounder, to Left End Mack Hambright, 136 pounds.

Diminutive Junior Carr, 130 pound left halfback, the Maverick triple threat star, bucked the line four times before Hagler found a hole and went to paydirt. In holding Carr on these plunges, the Maverick line looked better than it did all night. Kick for the point was no good.

Later in the second period, Carr connected to Right End Johnny West in the right flats on a 50 yard touchdown pass play. The kick was wide.

Coleman's third and final tally was in the third quarter with Baker shooting a pass to Bill Griffin, a reserve right end, for a 25 yard gain. Eugene Hurst booted the extra point, making the score Coleman 19, Eastland 0.

The Mavericks muffed several scoring chances on fumbles, which plagued them all evening. Several bad punts also accounted for the Blue Cats getting deep in Eastland territory.

Outstanding in the line for Eastland was the work of Eddie Haines, defensive left end, who made a number of nice tackles. Other workhorses in the line were: Larry Falls, Glenn Hogan, Richard Bumpass, Bob Womack, Lenard Quarles, Kenneth Williamson, and Bill Sikes.

James Haiding, left half, did some all-around hustling in the backfield. Quarterback Edwin Aaron looked good on a couple of quarterback sneaks. Right Half Glenn Garrett made some good runs and was especial adept in breaking up Coleman passes.

Fullback Roy Lee Smith was capable in that slot and in the line on defense.

The most serious scoring threat made by Eastland was in the third quarter when a Bluecat fumbled was recovered on their 35 and Garrett romped around left to the 26. A fumble resulted in the ball going over.

Eastland opened a pass attack of their own in the fourth period, but it failed to connect.

While the teams were fairly matched in weight and experience, the expert ball handling in the Bluecat backfield spelled the difference. Baker and Carr may earn the title of Touchdown Twins before the season is over, if their work Friday night was indicative of what they can do each game.

Hambright was outstanding in the Bluecat line as well as Johnny West, Jerry Moseley and Lee Roy Elkin.

As may be expected, the statistics were mainly in favor of Coleman. The Bluecats racked up 13 first downs as compared with 4 for Eastland.

Coleman made 136 yard rushing, while Eastland made only 56. The Bluecats completed four out of seven passes for a total yardage of 92, with Eastland completing one out of six for 18 yards. Eastland punted four times for an average of 36 1/2 yards and Coleman punted three times for a 30 yard average. Only Coleman penalties were for off sides or backfield in motion infractions with Coleman penalized 35 yards and Eastland 5.

A fastly-played game, there were no injuries and few substitutions, with good sportmanship being displayed by both teams.

Rites Held For Mrs. Tuggle

Funeral services for Mrs. Jessie Tuggle of Comanche, sister of Clyde Horner were held Saturday at 4:30 P. M. in Comanche.

Mrs. Tuggle died Friday in a Stephenville Hospital, where she had been critically ill for the past two weeks.

Other than Mr. Horner she is survived by three sisters and her parents.

Attending the services from Eastland were: Mr. and Mrs. H. E. Denny, Mr. and Mrs. Clarence Penn, Hershell Penn, John Armstrong, Albert Rains, Mr. and Mrs. Lenn Wells, and Mr. and Mrs. James Ward.

La Porte Constable Raids Houston Again

Dale Richardson, the crusading constable from La Porte, Texas, upper right in white western hat, pushes through huge crowd in Houston as he began his rounds of cafes to round up the pin ball machines. (NEA Telephoto)

DRILLS AT WORK AGAIN AS PARKING METERS INSTALLED AROUND COUNTY COURTHOUSE

The familiar noise of electric drills pounding into concrete was heard again by Eastland citizens as representatives of the Magee-Hale Park-O-Meter Company began installation of parking meters around the Eastland County Courthouse. The installation was to be completed Saturday afternoon, and become effective Monday morning.

While meters had been installed several weeks ago by the City of Eastland on the far side of the street around the Courthouse, meters has not been erected around the Courthouse proper.

The County of Eastland secured a temporary restraining order to prevent the City from installing the meters. At a hearing held before District Judge George L. Davenport in 91st District Court by the parties concerned, Judge Davenport dismissed the suit and did not grant a permanent injunction to the county.

Moore Named To Salvation Army Committee

Appointment of Bob Moore, editor of the Eastland Daily Telegram, to serve as a member of the Eastland Salvation Army Service Unit Committee has been announced by Major Carl E. Cone of Dallas, State Service Unit Director.

Moore's appointment fills a vacancy created by Frank A. Jones moving from the city. He is publicity chairman of the Eastland Lions Club and Eastland Annual Old Rip Toad Derby, charter member of the Eastland Golf Course, member of the Eastland County Dairy Association, Chamber of Commerce, and Assistant Scoutmaster of Boy Scout Troop 6.

Chairman of the committee is County Judge P. L. Crossley. Guy Parker is treasurer and other members are: Theo Lamb, L. E. McGraw and Arthur Murrell.

Ranger Man Gets 2 Year Term In Pen

Marvin Rose of Ranger pleaded guilty in 91st District Court Saturday morning to a Grand Jury indictment of burglary and was sentenced two years in the State penitentiary by Judge George L. Davenport.

Rose was charged with taking a fan from a room in the Grand Hotel at Ranger, with the fan being property of Eulon I. Huckaby.

36th Infantry Having Reunion

WACO, Tex. Sept. 10 (UP)—Hundreds of 36th Infantry Division veterans assembled here today for their annual reunion—and a mammoth parade.

Troops from Camp Hood, Conally Air Force Base and the National Guard were to parade before Maj. Gen. H. Miller Ainsworth, division commander.

Meetings today were to be highlighted by an address by Joe Spurlock, Fort Worth, State American Legion commander.

The reunion will end tomorrow at a memorial service.

Miss Davenport Breaks Limb

Mrs. Annie Martin of Olden has received word that Winnie Davenport of San Antonio fell and broke an arm on Sept. 7.

Miss Davenport is a daughter of Mrs. E. P. Davenport, 329 West Park Avenue, and would be glad to hear from friends in this area.

"Was a nervous wreck from agonizing pain until I found Pazo!"
says Mrs. A. W., San Antonio, Texas
Speed amazing relief from miseries of simple piles, with soothing Pazo! Acts to relieve pain, itching instantly—soothes inflamed tissues—lubricates dry, hardened parts—helps prevent cracking, soreness—reduces swelling. You get real comforting help. Don't suffer needless torture from simple piles. Get Pazo for fast, wonderful relief. Ask your doctor about it. Supplementary form—also tubes with perforated pile pipe for easy application.
*Pazo Ointment and Suppositories

11 Missing As Cruiser Sinks

NANTUCKET, Mass., Sept 10 (UP)—Eleven persons including several children were plunged into mountainous seas when a cabin cruiser sank 10 miles off this island in a violent storm, it was reported today by one of the party who reached the beach here. The man was Russell C. Palmer, 24, of Falmouth, skipper of the 38-foot Excursion Cruiser Constance.

Palmer said all members of the party were alive and in the water when he last saw them. He said each one had two life preservers.

Palmer had two preservers strapped around him when he paddled and floated the 10 miles to shore during the night.

The Constance sank 55 minutes after she had left Nantucket for Falmouth late yesterday.

Coast Guard craft were dispatched to the area where the Constance sank, somewhere near Cape Poge. A score of private planes, dozens of small craft and crews from six coast guard stations had been searching throughout the night for the cruiser and its party.

Those aboard were Palmer, Rev. and Mrs. Hubert A. Allenby of Falmouth, their sons Leighton and Alfred, their daughter and son-in-law Mr. and Mrs. Robert Naim of Rochester, N. Y., Emily Foster of Falmouth, and three other persons whose names were not immediately known.

Reports from the coast guard stations at Chatham, Brant Point, Woods Hole, New Bedford, Gay Head and Cuttyhunk indicated that none of their searchers had sighted the Constance.

They said the sea still was rough after last night's blow. The Coast Guard Cutter Legare was ordered to the scene and planes were ordered to take off from the coast guard's Salem Airbase to join in the search.

WALLA WALLA, Wash. (UP)—When McNary Dam on the Columbia river is completed, water backed up from it will cover graves of dead in Indian cemeteries. Army engineers said the decision not to move the graves came after a meeting with a general council of tribes in the region, descendants of the buried warriors.

No Smoke, No Fire
Lincoln, Neb. (UP)—During a rain, a resident near the Nebraska capital telephoned the fire department to report smoke coming from the state house tower. A general alarm was sounded. Firemen discovered the "smoke" was rain, illuminated by the building's floodlights.

Tourists traveling about the country may be curious about white bags, sometimes red ones, attached to tree tops. They are used in connection with spraying operations from airplanes.

The nation's turkey growers hope to increase production 25 per cent in 1949 over the 1948 level.

NAVY PLANE COMBINES JETS AND PROPS—This is the Navy's new patrol plane, the Martin P4M-1 Mercator, first shown to the public at the Cleveland Air Races. The aircraft has four engines but looks like a twin-engine model. Two standard gasoline engines are used for normal flight and the two jet engines, housed in the same nacelles, are used for extra bursts of speed. The Mercator is capable of speeds over 300 miles per hour and carries a load of 80,000 pounds.

BELLHOPS FOR ARIZONA LASS TO WIN CONTEST

By HARMAN W. NICHOLE
United Press Staff Correspondent

ATLANTA City, N. J. Sept. 10 (UP) Insiders at the America contest — Bellhops, that is — said today that Jacque Mercer, street address Bar X Ranch, Litchfield Arizona, is a surefire winner.

Miss Arizona won the talent contest in the preliminaries in that division last night with a dramatic sketch from Romeo and Juliet. It was Juliet's "potion scene" and the pretty little 5 foot 4 inch brunette brought applause which shook the rafters.

That give the little gal something on an edge. Although actually all of the 52 contestants start over again when all of the pick-up points are earned.

Jacque in earlier competitions split honors with June Ann Federsen, Miss California, in another preliminary — the swim suit business. The judges have good memories.

The kids themselves, who get chummy in the backstage dressing rooms over cokes, had a sort of a cutie callup roll of their own. Fifteen of them were tagged by one of the leaders and picked

Miss Arizona, too.

All of the talent arot this hucy place does not show at the auditorium. One of the Lavelles, Miss Texas — Ysleta Laverne Leissner of Dennis is writing a regular column for the Fort Worth Press. After her session on the ramp each night she goes to her hotel room and dictates a dandy piece to Western Union — night press collect.

There's going to be a big hoot and a loud holler from one section of the hall tonight when Miss New Jersey, Betty Jane Kathleen Crowley, hits the platform.

Her home town is South River Road, which is a village with only a few houses. But Betty went to school in Egg Harbor, N. J. which has all of 2,000 people.

They love the gal — most of the town folks. And most of 'em will be here in the cheering section tonight.

Lenora Slaughter, pageant director, said she had sold \$1,200 worth of tickets to folks from that area. That ought to give most of 'em a seat and leave Egg Harbor a ghost town.

Chemicals and textiles, with their allied products, make up the two leading major industrial groups represented in Tennessee.

Little Abner And Daisey Mae Affair Planned By Do-Si-Do Club

The Do Si Do Square Dance Club will meet Wednesday at 7:30 P. M. in the American Legion Hall for the first dance of the season, which will be a "Little Abner" and "Daisey Mae" costume dance.

All members were urged to wear costumes.

Recognition Of College Group At Baptist Church

A special program recognizing the college group of the Young People's Department has been arranged for the Sunday morning meeting at the First Baptist Church and will begin at 9:45.

A. J. Blevins, Jr., will present the devotional and Charles Lucas will sing. Mrs. I. C. Inzer said and invited all the young people to be in their places as this will be the last Sunday for most of the college group.

Slumber Party In Pullman Home Following Game

Mozelle Pullman entertained a group of friends Friday night following the football game, when they met in the home of her parents, Mr. and Mrs. Henry Pullman, 102 North Ammerman Street.

The program included midnight feast and a talk fest, followed by a slumber party with the group retiring to bed about 4:30 A. M.

Breakfast was served Saturday morning before the group retired to their homes.

Present were Pat Brown, Catherine Cooper, Bille Farr, Bettye Grimes, Shirley Hightower, Nita Massengale, Margie Poe, Guyrene Robinson, Monette Scott, Fern Shafer, Charlotte Van Hoy Janie Day, Jane Hart, Jeannine Howard, Beth Hurt, Maxine Lambert, Janelle Patterson, Cava Williams, Gwyn Lee Jackson of Dallas.

Friendship Club Meets Friday In Mayo Home

The members of the Friendship sewing club met Friday afternoon in the home of Mrs. C. W. Mayo, Martin Lease, South of Eastland.

Following an afternoon spent visiting and sewing, the hostess served homemade ice cream and angle food cake to Mesdames Clara Wingate, Winnie Wynn, Florence Burkhead, Bill Jenson, Clyde McBe, C. A. Timmons, W. A. Stiles, and E. L. Daffern.

Truck crops, we call our vegetables, but not because they are hauled to market in trucks. The word truck is from the French word troque — to batere or exchange.

Monkey Business By Sorrowful - Makes Sorrowful, Sorry

Sorrowful, a five-month-old monkey at Lincoln Park in Chicago, prepares for x-ray examination after falling from top of his cage. The little fellow, up to "monkey business", broke two legs and one arm. Park nurse Agnes McGuire helps him secure the x-ray. (NEA Telephoto)

Mrs. Broussard Honored At Party And Shower In Liles Home

Mrs. Artie Liles, Mrs. Jack Jernigan and Mrs. Sidney Seale honored Mrs. W. J. Broussard when they entertained with a cake party Thursday afternoon at Mrs. Liles home, 1303 South Bassett Street.

Bobby Spear of Carbon.

Personals

Mrs. George Fields returned to her home here Friday from Galveston, where she had gone for a medical check up.

Mr. and Mrs. F. J. Zbiral, Jr. of San Diego Calif. visited Mrs. Zbiral's aunts, Mrs. Roy Justice, and Mrs. Minnie Foster and families and her uncle, E. E. Woods and Mrs. Woods.

Mrs. Zbiral is the former Bul-lah Wood, daughter of Mr. and Mrs. L. E. Wood of Oklahoma City. She is supervisor of the Western Union Telegram Company, in San Diego.

Her last visit in Eastland was 29 years ago, and she reports that the city had made quite a progress during that time.

Mr. and Mrs. R. C. Howell of Wichita Falls visited here Thursday in the home of Mr. and Mrs. James Ward.

Mr. and Mrs. John Jackson Jr. and John III and daughter, Quinine Lee of Dallas are visiting with friends here and at Olden. They left Saturday morning for Lubbock, where John will enter Texas Tech, for his senior year.

Mr. and Mrs. Prices of East Valley Street left Saturday morning for Corsicana, where they will make their home. Mr. Price has been employed here with the Magnolia Pipe line.

Holy Year Edict Issued By Pope

VATICAN CITY, Sept. 10 — (UP)—Pope Pius today suspended all indulgences for Catholics and all extraordinary powers for confessors during the 1950 Holy Year except for the faithful who come to Rome.

"The reason is obvious," a Vatican authority said. "Celebration of the sacred jubilee in Rome would be almost useless if the faithful were able to obtain partial and plenary indulgences while remaining comfortably in their own country or if they could, in their own country be served by the extraordinary powers of the confessors."

The Pope issued his sweeping order in three acts of the apostolic constitution, published in Latin today.

THE MAVERICK'S CORRAL

By The Wrangler

THE WRANGLER BRANDS 'EM

Ranger 20, Bowie 12.
Rising Star 33, DeLeon 6.
Dublin 12, Masonic Home 12.
Comanche 26, Santa Anna 7.
Hamilton 13, Brady 12.

It appears at this writing, the Wrangler came out pretty good with his predictions last week, slipping only in saying Eastland would defeat Coleman. Others came through as predicted: Hamilton over Goldthwaite; Ranger over Olney; and Dublin over Hico. A report on the outcome of the Comanche-Rising Star was not available as this was written. If Comanche won, chalk up a four out of five percentage for the Wrangler, and if they lost, three out of five average.

Perhaps we were a little prejudiced in predicting the Mavericks to take Coleman, 7 to 6, but our crystal ball failed to show the lack of fumblistas that hit Eastland. Well, no post mortems. The Coleman game is behind us and doesn't affect the District 8-A conference standing. Time to start thinking about the little affair coming up Friday week with Albany there. Experience the

Mavericks got in the game with Coleman should come in handy and they ought to improve through the season.

Some of the fellows in the Press Box Friday night were quite "put out" because no seats were available and they had to stand up throughout the game. And did you see that assistant coach from Albany scouting the game?

IS JIMMIE HARKRIDER THE WRANGLER?

MAVERICK NOTES: The next two weeks will be work and more work. Coach Siebert had several things he didn't want to hear any the game with Coleman. For one thing, he didn't want to hear any complaining (I won't use the word the coach said as it wouldn't look nice in print, but was appropriate) on who's fault it was etc., we lost the game. He just wanted them to realize the mistakes they made with Coleman, and to get ready to take Albany on. The Mavs curfew was lifted to 12 o'clock Friday night and no practice was scheduled for Saturday.

Didn't our band look snappy

De Leon Bearcats Due To Make Better Showing This Season

(EDITOR'S NOTE: This is fifth in a series of articles regarding teams the Eastland High School Mavericks will play this season.)

While not expected to be a top contender for District 8A laurels this year, the 1949 edition of De Leon Bearcats are expected to make a much better showing than the 1948 team.

Coach Tom Bishop and Assistant Coach Jack Huffman has 35 men to report for practice Aug. 15 as compared with only 17 last year. Seven lettermen are returning.

In a scrimmage with Kileen recently, the Bearcats showed great promise and plenty of pep and spirit against the larger team.

De Leon plays their first game Sept. 16 in Rising Star. The Bearcats play Eastland in De Leon Sept. 30 in an 8-A conference game.

Lettermen returning are: Johnny Hodges, guard; Lee Roy Solley, tackle; Jerry Bush, center; Eliza

out on the field, wearing their pretty new uniforms for the first time at a game. Our chest just swelled with pride at the unusual and nicely performed Little Red Schoolhouse stunt they performed. A tip of the hat to T. R. Atwood, who continues to amaze everyone with the strides he is making with the band.

Maybe the attractive cheer leaders in their short skirts should be moved off the field and inside the fence. Seems their ladylike charms distract the attention of the reserves and they probably could do a better job of leading the yells, if they were closer to the crowd. It's an idea anyway, but like most ideas they never get anywhere with the powers that be.

IS NEIL DAY THE WRANGLER?

Perry, end; Tommy Weaver, Rodney Irby and Virgil Evans, half-backs.

Humble Set To Air Big Games For 16th Year

Texas' top football announcers are warming up in preparation this week as Humble Oil & Refining Company readies its crews for the kick-off of the 1949 football broadcast season. This will make the sixteenth consecutive year that the Humble Company has broadcast Southwest Conference games to Texas fans.

At the same time the Humble Company announced plans for televising many of the Conference games. Response to the reception of Conference games which were telecast last season was so great that the Company expects to add new stations and greatly expand its schedule this year.

The broadcast season will be initiated on September 17 with three broadcasts when Conference teams play two inter-sectional games and one inter-conference match.

Humble's broadcasting crew this year will feature the familiar voices of regular sportscasters Kern Tips, Ves Box, Charlie Jordan, Bill Michaels, Jerry Doggett, Fred Kincaid, Alec Chessier, Eddie Barker, and Bill Newkirk, plus several additions to the announcers' corps.

Upsets Mark Opener In Texas League Games

Some of the Texas Interscholastic League's so-called "powers" found out they weren't hitting on all cylinders in the opening games of the season Friday night.

Upsets of the form chart were plentifully scattered throughout the schedule of 40 games played in Class AA and City Conference circles.

Among the more heralded pre-season favorites to encounter trouble were Abilene, San Angelo, Denton, Gainesville, Nacogoches, Beaumont, South Park and San Antonio Brackenridge.

Abilene was held to a 7-7 tie by Breckenridge, San Angelo was upset by Denison 20-12, Denton had to scramble to get a 7-7 tie with Graham, Gainesville was booted around by Grand Prairie 26-7, Nacogoches looked impotent in being blanked 21-0 by Dallas Jesuit, Beaumont South Park lost to Texas City 7-0, and San Antonio Brackenridge fell before Kerrville 6-0.

Four games today and tonight will wind up the week end schedule with tonight's Port Arthur-Odessa clash spotlighting the card.

Dallas Woodrow Wilson meets Mexico City Poly in an afternoon tilt in the Mexican Capital, San Antonio Tech engages Texas Military Institute and Lanier and

Ranger Defeats Olney 18 to 6

Ranger 18, Olney 6.
RANGER — Quarterback Buddy Hamrick guided Ranger to an 18-6 victory over Olney in the football opener here Friday night. Hamrick went 15 yards on a quarterback sneak in the second quarter for Ranger's first touchdown. In the same period, Hamrick pitched out to Right Halfback Kenneth Williams, who galloped 10 yards for the second touchdown. Cletus Alexander, Olney left guard, returned an intercepted pass 34 yards in the second period to make it 12-6 at the half. Ranger fullback Bill Simpson rambled 15 yards in the fourth quarter for the final touchdown.

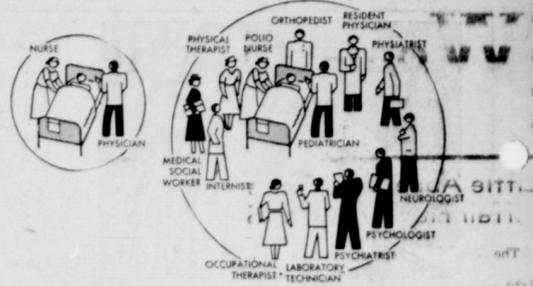

Cisco 0, Nocona 0
CISCO — In the first game of the season, the underrated Cisco Lobos held Nocona to a 0-0 deadlock.

During the game the Nocona Indians drove within one to ten yards of a touchdown on 4 separate occasions. The ball was lost on three fumbles and one change of downs.

The Lobos take on Big Spring at Cisco next Friday night.

Hamilton 36, Goldthwaite 0.
GOLDTHWAITE — Rusty Mc-

GROWTH OF POLIO CARE TEAM

1938 1949
Medical care for polio patients is costing the National Foundation for Infantile Paralysis more money than ever before—because better treatment is available today than formerly, as the accompanying chart reveals. Until 1938 when the National Foundation was formed, a physician and a nurse usually comprised the best available care. Today, modern polio treatment may include 13 specialized services, provided by an entire TEAM of professional workers. This expanded care has cost National Foundation Chapters millions in March of Dimes funds. More money is needed immediately to continue these services. Support the POLIO EPIDEMIC EMERGENCY DRIVE to help care for today's polio patients. Send your contribution now to POLIO, care of your local Post Office.

Cullum, 190-pound Hamilton fullback scored 24 points at the Hamilton Bulldogs, contenders for the District 8-A championship this year, pounded out a 36-0 victory over the Goldthwaite Eagles of District 22-A here Friday night.

Jame McKie, 156-pound halfback scored the other two Hamilton touchdowns in the fourth quarter. It was the first game of the year for both teams.

City School Safety Zones To Be Enforced

Safety markers and signs have been located around Eastland Public Schools, City Manager I. C. Heck announced.

The markers require a speed limit of 20 miles an hour and school are cooperating in the safety program by having zones policed by students. Strands will take license numbers of any vehicle refusing to stop at their signal, and owners will be contacted by City Police.

"We don't want a child killed on city streets" and traffic is particularly heavy on State Highway 6 (Seaman Street) and Commerce Street, City Manager Heck said.

Dublin Changes Game Time

DUBLIN — The Dublin Lions-Masonic Home football game originally scheduled for Friday night, Sept. 16, has been moved up to Thursday night, Sept. 15, it was announced by Elgin L. Maikell, sports editor of the Dublin Progress.

The change was made to enable more fans to see the game, which will not conflict with other Friday night games.

Edison get together in an all-San Antonio party tonight.

You ought to be driving a '49 PONTIAC

Distinguished by a Beauty All Its Own!

There's an unmistakable stamp of distinction about the new Pontiac. It's a beauty from the front and from the rear! Wherever you see its "Silver Streak" styling—in city traffic, on the highway, or silhouetted at the curb—you know immediately that it's a Pontiac and something very special among automobiles.

Pontiac's performance is equally unmistakable—thanks to Pontiac's great power plants, the straight eight or six, and to the amazing convenience of GM Hydra-Matic Drive.* And remember, Pontiac is still the lowest priced straight eight in America!

Why not come in soon and get the whole Pontiac story?

Methodists To Recognize Its College Youths

Youths who are to attend college this year, will be recognized Sunday morning at the First Methodist Church at the 10:50 worship service.
Rev. J. Morris Bailey, pastor, will preach on "Growth Which Blesses." Tommy Horton will sing "Holy City" by Adams as an offertory solo. The choir under the direction of Robert L. Clinton, Jr. will sing the anthem "Christ of the Upward Way" by Muller. Miss Mart's June Morehart will play the organ.

Sunday evening at 7:30 Frank T. Crowell and the Men's Choir will lead the congregational singing and the pastor will preach on "The Christ Who Saves." Mrs. T. J. Haley will play the piano.
The Sunday School will meet by departments at 9:45 and the evening meetings of the MYF and MIF will be at usual time.
An increase in attendance is expected for all services. The Board of Stewards will meet Monday evening at 7:30.

Baptists Set Conference At Moran Tuesday

A large group of persons from the First Baptist Church of Eastland is expected to attend the

But God hath revealed them unto us by his Spirit" (1 Corinthians 2:9,10).
Among the citations which comprise the Lesson-Sermon is the following from the Bible: "Every good gift and every perfect gift is from above, and cometh down from the Father of lights, with whom is no variable-ness, neither shadow of turning" (James 1:17).
The Lesson-Sermon also includes the following passage from the Christian Science textbook, "Science and Health with Key to the Scriptures" by Mary Baker Eddy: "God's thoughts are perfect and eternal, are substance and life. Material and temporal thoughts are human, involving error, and since God, Spirit, is the only cause, they lack a divine cause" (page 286).

"Everlasting Life" Topic At Baptist Church

"Everlasting Life" will be the sermon subject Sunday morning of the Rev. L. M. Chapman, pastor, at the First Baptist Church of Eastland.
The Training Union will meet at 7 P. M. and preaching service at 8.
The Rev. Chapman reports at tendance for the evening services have been unusually good the past several weeks, with approximately 150 attending last Sunday night.

annual Cisco Baptist Association meeting at Moran Tuesday.
The meeting will begin at 8:30 A. M. and continue throughout the day.
The Rev. L. M. Chapman, local pastor, will be moderator. The Eastland Church contributed more than \$21,500 to all causes during the past year, which shows considerable growth.

The Brotherhood meeting will be held Monday night at 7:30 o'clock. Men are asked to bring their sons with them, which will be the practice at all future meetings. A covered dish luncheon will be served.

Whimpy Heads the Bell
MEMPHIS, Tenn. (UP)—The ringing of a bell means, it's ice cream time to Whimpy, a pup. It started when Mrs. W. E. Hammock's young nephew brought a popsicle from a street vendor with a bell and shared it with the pup. Now even when the telephone rings Whimpy whines for that cold stuff.

Patsy Doing All Right
KOTZEBUE, Alaska (UP)—Patsy Chamberlain is only 16 years old but she operates her own club for big game hunters here inside the Arctic Circle. Patsy, a high school sophomore at Scarbrough, N. Y., is owner and operator of the Arctic Adventure.

Are you dressing UP-to-Date ...or OUT-of-Date?

* **"BOTANY" BRAND 500** tailored by **DAROFF** \$60

A suit styled in today's tempo should be a fluent masterpiece of flattering lines—truly a symphony in fabric. To avoid making you look like "yesterday's man," the shoulders should not give you the squeeze play—the trousers should not be too short—nor should your hips jut out!

The "Botany" Brand 500 suit is "fashioneered" to make you look like a man of today! Shoulder, armholes, lapels, waist, and trousers...every vital detail is styled and stitched for "today's look"...modern seamwork to the last stitch. Combined with Botany's famous soul-of-the-suit fabric, this up-to-the-minute "fashioneering" gives you a value unsurpassed at the price. Come in and see the difference.

the fabric is the soul of the suit
