THE NEWSPAPER THAT WORKS FOR A BIGGER, BETTER BOVINA

WEDNESDAY, JUNE 8, 1977

BOVINA, TEXAS 79009

VOLUME 21, NUMBER 48

BY BILL ELLIS

**BEEF PRODUCERS** will soon be faced with the most important decision they've had to make in a long time.

Basically, here's the question: will producers continue to take their lumps in an erratic, boom-or-bust industry like they have for the last several years, or will they take charge of the beef business and run it like a business?

Cattlemen will answer that question themselves the first week in July when they vote in the national beef referendum.

Up for consideration is the beef research and information plan—a producer program to strengthen markets here and overseas, step up research on producer problems and improve decision-making information throughout the industry.

Producers will fund the program through a deduction of 30 cents on each \$100 of cattle sales. But the program is voluntary. Any producer who doesn't want to participate can get a quick refund.

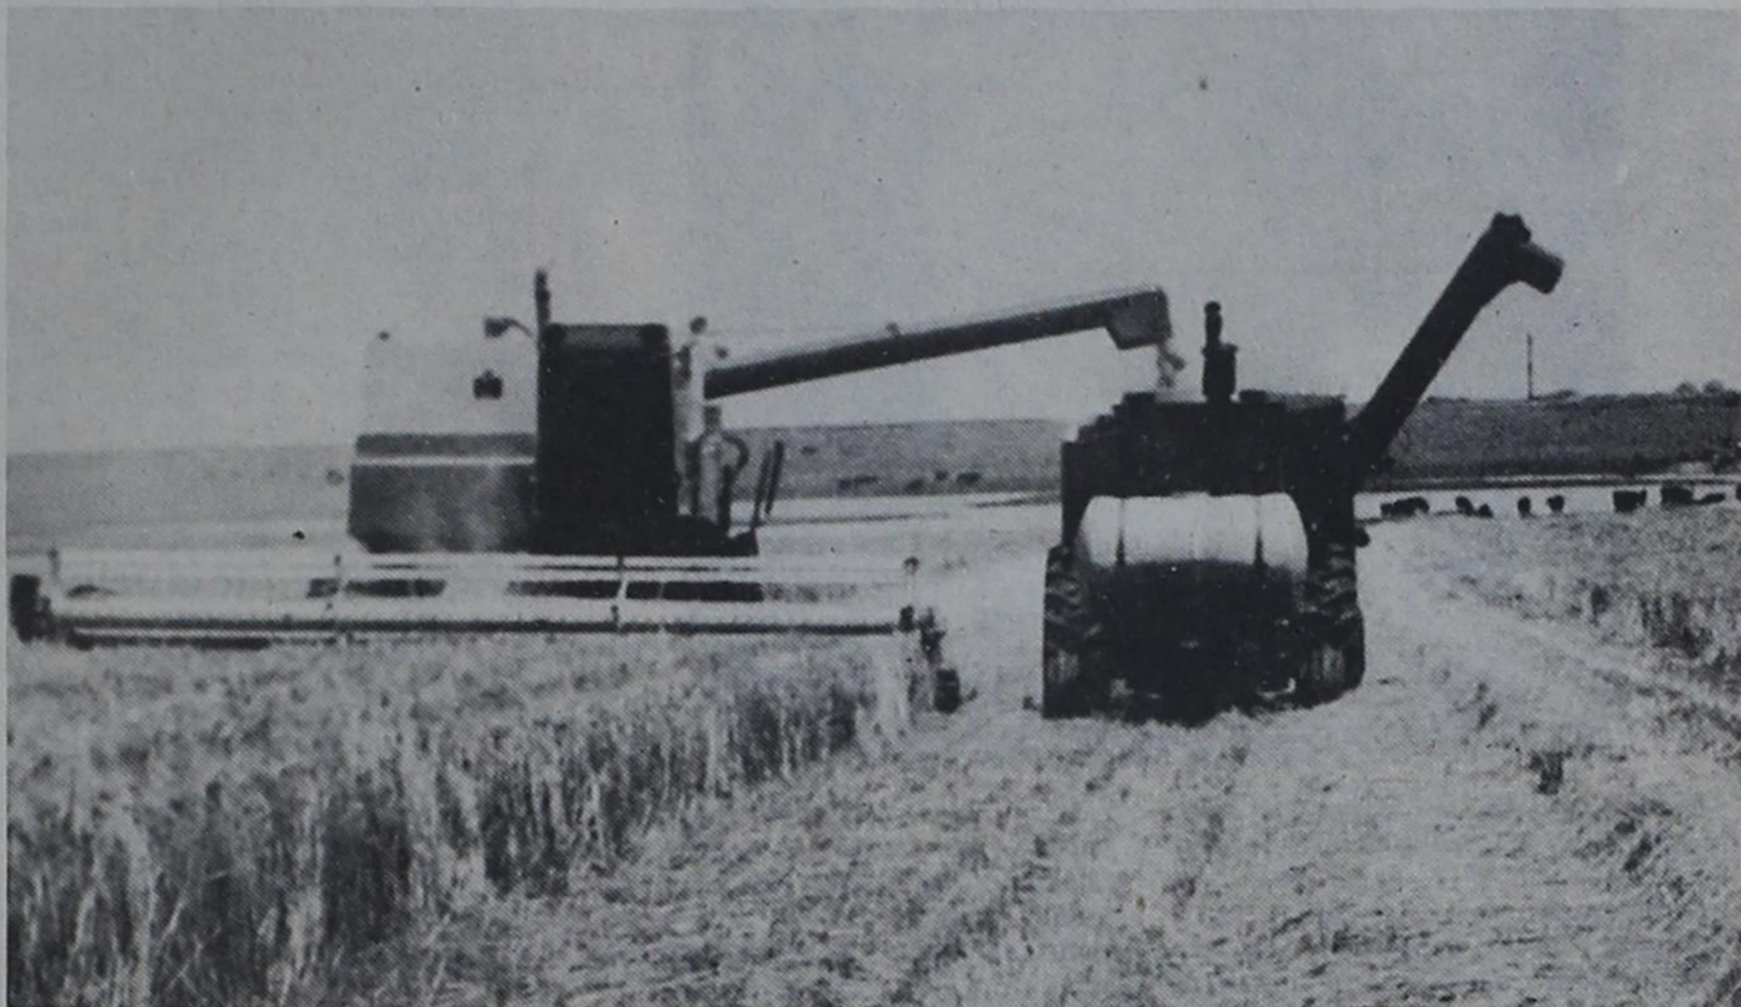

A Beef Board of 68 working cattlemen will decide how the money will be invested and will contract with appropriate organizations—like universities, or the National Live Stock and Meat Board—to do the actual work.

This isn't a program put together in some corporate boardroom. It came from farms, feedlots and ranches. It was developed by producers; producers wrote the law and worked it through Congress; and producers themselves are paying for the referendum through voluntary donations and fund-raising projects.

Most cattle producers we've talked with—including virtually all national cattle leaders—endorse the plan. At six USDA hearings held last autumn where almost every recognized cattle organization sent a representative, 150 people testified in favor of the plan, just six against.

What it all boils down to is this: an opportunity—maybe the last for a long time—to take charge of the beef industry and build a profitable future.

The beef research and information plan is a serious and down-to-earth approach to everyday problems that face cattle producers. It deserves serious consideration. And it deserves a "yes" vote.

**HARVEST BEGUN....**Kim Rundell cuts barley on the Euell Hart farm north of Bovina. If fair weather holds, area elevators should be

swarmed with trucks in the next few weeks as farmers continue to harvest the barley. (Blade Photo)

## REGISTER NOW

# Area Cattlemen Are Urged To Vote On Beef Referendum

All eligible livestock producers in Parmer County are reminded that they will need to register June 6-17 if they are to vote in the forthcoming producer referendum on the Beef Research and Information program.

The Agricultural Stabilization and Conservation Service (ASCS) in

Farwell will conduct the registration and referendum.

The law requires that beef producers register at least two weeks before the referendum in order to vote.

Producers eligible to register and vote are those who owned cattle

during the past 12 months, prior to the referendum, including 4-H and FFA members, men and women.

If the vote is favorable, a Beef Board will be appointed. This board is to consist of not more than 68 members, selected from the beef producer ranks by the Secretary of Agriculture as nominated by their producer organizations. Representation on the board would be proportional to cattle production in each state or geographic area.

If the program becomes operational, the Agricultural Marketing Service of the USDA would monitor it, or serve in effect as a referee, to assure that it stays within the legislative authority, and accomplishes the goals of the program as voted on by producers in the referendum.

The beef industry's present research and information effort is inadequate, according to the Beef Development Taskforce, which is promoting the referendum.

"We spend a small fraction of what many other, smaller commodity groups spend," a taskforce member said concerning cotton, citrus, dairy and soybeans. "The referendum will generate the \$30 to \$40 million a year needed to solve our problems and strengthen our markets."

The investment needed for the program is to be provided by a collection of 30 cents on each \$100 of cattle sales. This is based on a "value added" system that guarantees each person pays his fair share.

The program is voluntary. The collection is automatic. But if anyone, for any reason, doesn't want to participate, he can ask for a refund and get it promptly, with no red tape. That's the law.

Cattlemen will register to vote June 6 through June 17, and vote for or against the referendum anytime between July 5 through July 15. Voting place will be the County

## Local Jaycees Slate Clean-Up Campaign

This Saturday, June 11, is the beginning of Jaycees' "Clean-Up Campaign." This project is being sponsored by the Bovina Jaycees in cooperation with the City of Bovina, and will run through June 18.

The purpose of the project is to give all city residents the opportunity to clean-up their property and have the refuse picked up at no charge. This project will not, however, affect the regular trash pick-up by city employees. The primary object is to pick up large or bulky items that would otherwise probably be left as is.

Pick-up will begin Saturday morning at eight o'clock. Unless special arrangements have been made, all items must be placed in the alley to be picked up. Also, in order to insure that all items are picked up, the Jaycees are asking that anyone who has such items to

call City Hall to make arrangements. You may call Larry Gilley at 238-1116.

All items that are scheduled will be picked up. The Jaycees will also tow away junked vehicles, so this is an excellent opportunity to clean-up that yard or lot you've been putting off.

## McCormick Indicted For Murder

Robert McCormick of Bovina, accused of fatally shooting his ex-wife, Betty, in Clovis on May 26, was indicted by the Curry County Grand Jury Friday afternoon on charges of first degree murder and aggravated battery with a deadly weapon.

Betty McCormick, 42, died less than two hours after she was shot in the head and chest at the Levi Strauss plant where she was employed. The shooting occurred as Mrs. McCormick and a friend, Judy Page, 39, also of Bovina, were preparing to leave the plant after completing their shift.

Ms. Page sustained a minor gunshot wound in a shoulder a few minutes before Mrs. McCormick was shot.

McCormick, 46, was arrested by Clovis police on the parking lot of the Levi plant. A .22 caliber handgun was recovered by police.

McCormick is being held in the Curry County Jail.

## IN MISSOURI

# Group Leaves For Youth Conference

Departing this past Monday from the property of Bovina Wheat Growers, Inc., Steve Cockerham, Lezli Williams, Shannon Taylor and Glen Schueler will attend the Co-Op Youth Leadership Conference on the campus of William Jewell College, Liberty, Mo., for the week of June 6-11.

They are among 1,000 youths from 15 states who will attend one of four

week-long sessions.

Parents of the delegates are Mr. and Mrs. Jimmie L. Cockerham and Mr. and Mrs. Tommy Williams, Bovina; Mr. and Mrs. Herbert Schueler and Mr. and Mrs. Norman Taylor, Friona.

The four are sponsored by Bovina Wheat Growers, Inc.

During the conference, the youths will participate in group discussion workshops, cooperative training sessions, leadership development programs, and recreational activities.

In order that the delegates learn firsthand about the operation of a local cooperative, a Co-op Mart will be established and they will learn the responsibilities of being a manager, director, employee and member.

The conference is sponsored each year by Farmland Industries, Inc., Kansas City, Mo. Farmland, a farm supply manufacturing and wholesaling cooperative, provides petroleum, fertilizer, agricultural chemicals, feed and farm supplies to 2,231 local cooperative associations in 15 midwest and southwest states.

## Methodist Church Sets Vacation Church School

The First United Methodist Church will conduct its annual Vacation Church School June 13 through 17 at 400 Avenue C, Bovina. The sessions will begin at 9 a.m. each morning and conclude at 11:30 o'clock. Classes will be held for children three years old to children completing the sixth grade this year.

Karen Kirkpatrick will direct the church school, with Jewell Putnam assisting.

The Kindergarten Study will be "God Cares" and Pam Bell, Kim Ware and Karen Grissom will be the leaders of the group.

The Younger Elementary unit is

"When Persons Live By Love" and will be led by Sue Fowler, Clara Gober and Nancy Suddeth.

Brenda Wilson, Darlene Caldwell and Carolyn Reeves will be leading in the Middle Elementary unit, "Sing to the Lord a New Song."

The Older Elementary group will study "Discovering the Bible," with Norma Whitten, Shirley Ware and Denise Jones leading. Carol Ware and Annette Stevenson will be assisting in the Kindergarten group.

All children of the community are invited to attend.

**TOO HOT TO PLAY ...**Jose thinks laying in the grass is a lot better than running around as temperatures reached 90 plus last week.

## Industrial Accident Kills Clovis Man

A freak accident in the refrigeration division at the MBPXL plant west of Friona Sunday claimed the life of James E. Duran, 43, of Clovis.

Mr. Duran, a refrigeration maintenance man, was attempting to repair one of the ammonia circuits in the plant refrigeration system.

Mr. Duran and his co-worker followed the precautionary step of evacuating the circuit after a meal break, the pair donned masks. Mr. Duran then began to remove the cover of a valve in a pressurized system rather than the one evacuated.

He was overcome by the rush of the liquid ammonia. He was then taken to the Parmer County Community Hospital. Duran had been an employee of MBPXL since

October of 1976.

The other employee jumped free of the fumes, receiving only minor burns on his legs.

He was a tenant farmer in the Bovina-Friona area for nine years, then was employed by Sears for thirteen years before going to work for Missouri Beef.

Surviving are the widow, Cleo; seven daughters, Mrs. Lucy Bonney and Mrs. Ruby Chavez, both of Clovis, Mrs. Jenny Darella of Midland, Miss Diana Duran of the U.S. Army, and Loretta, Mary and Sara, all of the home; four sons, Andrew, James, Jr., John and Francis, all of the home; one brother, Thomas of Clovis and seven grandchildren.

He was buried Wednesday in Lawn Haven Gardens in Clovis.

**YOUTH CONFERENCE....**Four local youths left Monday to attend a week-long Co-Op Leadership Conference at Liberty, Missouri. They were sponsored by Bovina Wheat

Growers. Shown, left to right, are Steve Cockerham, Lezli Williams, Shannon Taylor and Glen Schueler. (Blade Photo)

# Reflections

From *The Blade*

## 20 YEARS AGO—JUNE 5, 1957

Miss Harriette Lou Charles was elected Worthy Advisor at the regular meeting of the Bovina Chapter of Rainbow for Girls. The meeting was Monday evening in the Masonic Hall.

Wet grounds forced postponement of Sunday afternoon's scheduled Central Plains League baseball game between Bovina and Umbarger. The game was to have been played in Umbarger. However, both fields, here and there, were too wet.

Farrell Motor Co., located on Highway 60, will observe its first anniversary Wednesday and Thursday of next week. A two-day open house will be held to observe the anniversary.

Parmer County farmers are reminded this week of the 1958 wheat referendum on Thursday, June 20. Any person who will have an interest in more than 15 acres of wheat next year will be eligible to vote.

A training meeting is to be held Thursday evening, June 6, at the Hub community center for home demonstration club leaders and other interested HD Club members.

15 YEARS AGO—JUNE 6, 1962  
M.H. Carson, who farms four miles north of town, brought first load of 1962 wheat to Bovina Monday afternoon. The grain was delivered to Bovina Wheat Growers, Inc. Carson received a \$25 premium for having the first load.

A week-long planning session is in progress by executive council of Bovina FHA. Officers are working on programs, business meetings and activities for local chapter work for coming year.

Bovina voters favored three losers and a pair of winners in Saturday's Democratic primary run-off.

People here expressed a definite

preference for gubernational candidate Don Yarborough over his successful state-wide opponent, John Connally.

Attending Lions Club Convention at Amarillo over weekend were Mr. and Mrs. Tom Bonds, Mr. and Mrs. Tom Caldwell and Mr. and Mrs. H.J. Charles.

10 YEARS AGO—JUNE 7, 1967  
Rains last week and this have soaked the ground in Parmer County, while hail damaged crops in some areas. Three inches of rain was measured in Bovina Thursday and Sunday, while hail battered the area both days.

C.E. Trimble will serve as general chairman of Bovina's Bull Town Days celebration for 1967 for the second consecutive year.

Twenty-two boys and girls who will enter Bovina Schools for the first time in September reported for class Monday morning in the Head Start program here.

No reports had been received here early this week by Alfred Moody from workers in the advance drive of the Sears-Roebuck Foundation plans to raise \$50,000 for the construction of a medical clinic in Bovina and securing a doctor.

As the City of Bovina takes over the care of Bovina Cemetery, a five-year service to the community ends for Bill Venable. That's how long he has been working there with no salary for his efforts.

5 YEARS AGO—JUNE 7, 1972  
With a minimum of enthusiast, this area is on the brink of wheat harvest—1972. Wheat, once a major crop in Parmer County, has slipped in importance in recent years. This is especially true from the standpoint of wheat, which is harvested.

Voters in Parmer County, Democrats and Republicans, favored three of five state-wide winners in Saturday's run-off primaries.

About 25 persons attended the annual business meeting of Bovina Wheat Growers, Inc., Thursday night of last week at Community Room of First State Bank of Bovina.

Rev. Howard Marcom, former pastor of First United Methodist Church at Spur, is new pastor of Bovina United Methodist Church.

At 9 a.m. Saturday, boys in four age groups, from nine to 12, will compete in Bovina's third annual Pitch, Hit and Catch Contest at the baseball field.

LISA BRANUM and MIKE SPEARS, Mr. and Mrs. Wayne Branum of Portales, N.M., announce the engagement and approaching marriage of their daughter, Lisa, to Mike Spears, son of Wayne Spears of Bovina and the late Barbara Spears. The couple will exchange vows at 2 p.m. (MDT) Saturday, July 16, at the Central Christian Church in Portales. Miss Branum, a 1976 graduate of Portales High School,

attends Eastern New Mexico University at Portales. Spears, a 1972 graduate of Bovina High School, attended Ranger Junior College at Ranger and was graduated with a bachelor's degree in business from ENMU in December. He is currently employed at John Hancock Insurance Agency in Lubbock. No invitations are being sent out locally. Friends of the couple are invited to attend.

## CALENDAR OF EVENTS

WEEK OF JUNE 9-15  
Thursday, June 9  
City Council meets, City Hall, 7:30 p.m.  
Lions Club meets, Bovina Restaurant, 12 noon.  
Monday, June 13  
Jaycee Board of Directors meet, Bovina Restaurant, 12 noon.  
Tuesday, June 14  
Young Homemakers meet, United Methodist Church, 4 p.m.

## T-Bone Club To Meet

The Southwestern T-Bone Club will meet Thursday, June 30, at the Hilton Inn, Amarillo, President Rex McAnelly has announced. The Attitude Adjustment Hour begins at 6:30 p.m. followed by dinner at 7:30 p.m. Tickets will be \$10.00 each.

Featured speaker for the evening will be Ace Reid, the cowboy cartoonist who turned hard times into a fortune. He is the creator of the cartoon "Cowpokes" which ranks today as one of the nation's most successful and highly regarded cartoon features.

Reservations for the meeting can be made through the Amarillo Chamber of Commerce.

## 20 Attend Breakfast

"Wherever two or three are gathered in My Name... there will I be also."

Jesus Christ and twenty Christian men from Bovina shared a bacon and eggs breakfast after a blessing said by Dean Hastings.

Allen Cumpston introduced Carl 'Chili' Sanders, a deacon of the First Baptist Church of Friona, who shared with the group his personal testimony.

A prayer circle was held and the men were dismissed by L.L. Grissom after a vote to delay the July breakfast to July 11 at the Methodist Church, due to the National Holiday.

## FACTS By John Ricci

Have farmers done anything for you lately? Probably not. At least, not since your last meal. Figures developed by researchers with the USDA indicate that American farmers' production last year was high enough that each man farming produced enough to feed 57 people. In the European Common Market countries one farmer produced enough to feed 23 other people, the average of all developed countries was less than half the productivity in the U.S. and in Russia the average farmer produced enough to feed only about 8 others. Not only is the American productivity important in keeping us all well fed (most too well) it's also significant in that it allows 96 out of every 100 people to work in areas outside food production. That makes possible the production of the wide variety of goods and services which constitute our unparalleled living standard. Keep it up farmers!

TUCKER EQUIPMENT CO. 4100 Mabry, Clovis 782-4452

## Kassahn Shower To Be Held In Grissom Home

Wednesday, June 22, from 10 to 11:30 a.m., the home of Mr. and Mrs. Leon Grissom will be the scene of a

shower for Miss Jan Kassahn, bride-elect of David Thomas.

Miss Kassahn is the daughter of Mr. and Mrs. Jack L. Kassahn, Bovina, and Thomas is the son of Wayne Thomas of Hereford.

The hostesses for the affair will be Mrs. Tom Beauchamp, Mrs. John Dixon, Mrs. Vernon Estes, Mrs. Arlan Hartzog, Mrs. Huston Hoover, Mrs. Darrell Kirkpatrick, Mrs. Cap Naegle, Mrs. Leslie McCain.

Also, Mrs. Jay Sherrill, Mrs. Grady Sorley, Mrs. Earl Stevenson, Mrs. Robert Wilson, Mrs. A.M. Wilson, Mrs. Oakley Stevenson, Mrs. Byron Jones, Jr. and Mrs. Leon Grissom.

## Beverly Taylor To Be Honored

There will be a shower honoring Beverly Taylor, bride-elect of Kyle Ray Harris, on Thursday, June 16, from 3-4:30 p.m. in the home of Mrs. Thomas Ware, Sherwood Lane.

Miss Taylor is the daughter of Mr. and Mrs. E.P. McCallen of Clovis and Harris is the son of Mr. and Mrs. Jay Harris of Bovina.

Hostesses are Mrs. Glendon Sudderth, Mrs. Joe Fowler, Mrs. Scott Guber, Mrs. Nick Trienen, Mrs. Jimmie Cockerham, Mrs. Tom Ware, Mrs. Jim Russell, Mrs. Harry J. Charles, Mrs. Carl Rea, Mrs. Bob Turner, Mrs. A.L. Nuttall, Mrs. Don Murphy, Mrs. A.L. Kerby, Mrs. Billy Don Read, Mrs. Ches Woltman, Mrs. Bob Fillpot, Mrs. T.C. Wiseman and Mrs. Norvell Strawn.

## Shower To Honor Lisa Branum

Lisa Branum of Portales, bride-elect of Mike Spears of Bovina, will be feted with a bridal shower Tuesday, June 28, in the Community Room of First State Bank of Bovina. Calling hours will be from 10 to 11:30 that morning.

Hostesses will be Mrs. Jay Harris, Mrs. A.L. Nuttall, Mrs. Robert Read, Mrs. Tom Bonds, Mrs. Leon Grissom, Mrs. Chester Rogers, Mrs. Bob Turner, Mrs. Jack Woltman, Mrs. Lawrence Jamerson, Mrs. Pat Miner, Mrs. Mike Grissom, Mrs. J.E. Sherrill, Mrs. Nick Trienen, Mrs. Vernon Estes, Mrs. Henry Minter and Mrs. Jack Kassahn.

## Soybean Fertilizer Available At Parmer County Spraying

For soybean growers in Bovina, Foliol TM, the new soybean foliar fertilizer, is now available, says Kirby Carroll, partner of Parmer County Spraying Co.

According to Allied Chemical agronomists who developed Foliol, 10 to 20 per cent yield increases can be expected when the new fertilizer is applied to soybeans under favorable conditions and according to manufacturer's recommendations. The most recent study—conducted in Brazil during the 1977 January-to-April growing season—showed an average yield increase of 22 per cent.

Foliol contains special forms of nitrogen, phosphorus, potassium and sulfur (12-6-6-.5S) which enable it to be applied in concentrated form directly on the growing plant without serious injury under normal conditions.

"We are offering Foliol as a yield boosting supplement to regular soybean fertility programs," says Kirby Carroll.

"It is recommended for good stands of healthy, non-stressed

beans that already show a high yield potential."

"Growers can expect the greatest return on investment from applications during early or mid pod growth stages, Carroll adds. "If crop prospects continue to be favorable 10 to 14 days later also can be expected to give growers a good return on fertilizer investment."

Don Johnson, Allied Chemical's Manager of Agronomic Services, explains how the foliar fertilizer works: "During the pod filling stage, the developing beans demand more nutrients than the plant is able to supply, even in fertile soil. Plant food applied directly to the foliage during this period can get more nutrients into the plant so that more beans can fill to harvestable size. Foliol offers a means of doing this safely."

Recommended application rates are 100 to 110 pounds of fertilizer per acre, applied by either conventional high-clearance, ground equipment or aerial applicators.

Foliol has undergone five seasons of comprehensive testing. Average

yield increases have ranged from 10 to 32 per cent. In large scale field trials throughout the major soybean producing states in the summer of 1976, some test sites with favorable conditions showed 15 to 20 bushel per acre yield increases from a grower investment of \$10 to \$20 per acre.

Full manufacturer's recommendations and product literature are available from Parmer County Spraying Company, Inc.

## Crop Acreages To Be Reported

It is extremely important that 1977 crop acreages be reported to the Agricultural Stabilization and Conservation Service Office.

Wheat and barley acreage should be reported by June 20, and must be reported before harvest.

Cotton, corn and grain sorghum must be reported by August 1.

Under proposed legislation, 1977 acreages will have a direct bearing on 1978 farm program participation.

If there is a set-aside program in 1978, the farm's program benefits will likely be tied to the 1977 acreage planted for harvest. Of course, about one-half the wheat and barley acreages in Parmer County have already been reported. If there has been no change in acreage, no further report is needed on these farms—Except for cotton, corn and grain sorghum. If you have not reported any acreages as yet, farmers may report all crops at the same time if they are planted.

Farmers should make sure that their acreage measurements are accurate. Errors in acreage reports can be costly.

If a farmer wants the ASCS to measure his acreage, the fee is \$11.00 for the first 160 acres on a farm-plus, \$9.00 for each additional 160 acres. If ASCS measures the acreage, the farmer will have no problem in timely and accurately filing his acreage report. Farmers wanting ASCS measurement service must apply by no later than July 8.

"KEEP BEEF KING".... Working to "Keep Beef King," Texas Governor Dolph Briscoe and Mrs. Briscoe (left) accept a replica of the lapel button worn by thousands of cattle

producers around the nation. Presenting the button is Mrs. Neal Collier, Wichita Falls, president of the Texas CowBelles. Briscoe, a widely-known rancher, has endorsed

the upcoming Beef Referendum. He urged all Texas cattle producers to register between June 6-17 at their county ASCS office and then return to vote "Yes" during July 5-15.

## ASCS Gives Deadlines For Planting '77 Crops

Following are some helpful hints and suggestions from the Parmer County ASCS Office:

1976 Crop Loans: May 31 is the final date for placing 1976 commodities under CCC loan.

Final Planting Dates: Final planting dates (for program participation purposes) in Parmer County are: For Cotton—May 31; Grain Sorghum—June 20. These are the dates by which you must plant or replant. You may plant later if you wish.

Crop Reports: Cotton acreage (including "zero") must be reported

by August 1, if your farm is to be eligible for program benefits. Wheat and feed grains must be reported if you have a loss on either. Also, wheat and feed grain acreage will need to be reported if you have a loss on cotton and are substituting cotton for wheat or feed grains.

It will not cost much: If you would like for us to measure all your crops by Aerial Measurement Service, we will do it for \$11.00 for the first 1/4 section—plus \$9.00 for each additional quarter on the farm. If you want this service, you must file your

application for same by no later than July 1.

Beef Referendum: Each producer desiring to vote in this Referendum must register during the registration period (June 6-17) with the ASCS Office in the County where his cattle are (were) located. The producer must certify that he (she or it) has owned cattle during the past 12 months. The voting will take place early in July. Probably, during the first two weeks. Absentee forms for registering and voting may be obtained from your ASCS Office.

# Now! What you pay to lease a Zimmatic depends on the price of corn.

Here's another first from Lindsay... the Zimmatic Corn Crop Lease. Instead of a fixed lease payment, you pay for your Zimmatic based on the price of corn. If corn prices plunge, so does your lease payment.

By offering this new lease, Lindsay is sharing some of the same risks that you face every year. Corn prices fluctuate, which affects your profit picture. That's why Lindsay developed the exclusive Zimmatic Corn Crop Lease... a revolutionary program that tailors your lease payments to the changing price of corn, from one year to the next.

The Zimmatic Corn Crop Lease is designed so you can lease a Zimmatic without using your normal operating credit sources... your Zimmatic pays its own way by turning on your production.

The number of Zimmatics available under this program and the time period of this offer are

limited so come in soon and get all the details on the Corn Crop Lease and other exclusive leasing programs available only through Lindsay Credit Corp.

Take advantage of a program that has never been offered in the industry before... it's the lease we can do for you.

# Sabrina Houck, Ronald Nuttall United In Double Ring Ceremony

Sabrina Houck and Ronald Alan Nuttall of Bovina exchanged double ring wedding vows at 1 p.m. on Friday, May 20 in the parlor of Central Baptist Church in Pampa.

The bride is the daughter of Mrs. Dorris Houck of Pampa and the late Lindy Houck. The bridegroom is the son of Mr. and Mrs. A.L. Nuttall of Bovina.

Rev. Ted Savage, pastor, read the vows as the couple stood in a mirrored alcove flanked by urns of mixed spring flowers and softly lighted by chandeliers.

Mary Holman, pianist, accompanied Janet Whitsell of Pampa as she sang "Because You're Mine" and "No Greater Love."

The bride, presented in marriage by her uncle, Bill Houck of Fort Worth, selected a formal gown of silk organza over bridal taffeta designed with an empire waistline and v-neckline. Applied lace with seed pearl trim covered the bodice. The long, full sleeves were banded by deep cuffs trimmed in lace. The slightly flared skirt swept into a chapel train with the hemline edged in lace.

Her fingertip veil of bridal illusion was edged in lace and was attached to a lace and seed pearl caplet.

The bride carried a cascade of daisies, baby's breath, peach carnations and roses accented with peach ribbon streamers.

Mrs. Tanya Cummings of Pampa, sister of the bride, was the matron of honor. Miss Stacey Boddy of Pampa, classmate of the bride, was the bridesmaid. The attendants wore formal gowns of peach Quiana with matching shawls and carried bouquets of mixed spring flowers. Jennifer Cummings of Pampa, niece of the bride, was the flowergirl. She wore a formal gown of peach floral Quiana and carried a basket of mixed spring flowers.

Gary VanBakel of Amarillo served as best man. Craig Stephen of Houston was groomsman.

Nancy Monroe of Pampa presided at the guest register.

For her daughter's wedding, Mrs. Houck selected a formal gown of pastel green Quiana, designed with a belted waistline and butterfly sleeves. She wore white accessories and an orchid corsage.

Mrs. Nuttall selected a formal gown of frosted Nile chiffon designed with a cape-effect bodice and tiered skirt. She wore gold

accessories and an orchid corsage. The couple greeted guests at a reception in the parlor following the ceremony.

The serving table was covered with a white satin cloth and centered with a memory candle flanked by white tapers and enhanced with the bride's bouquet. The three-tiered wedding cake was decorated with peach roses and topped with wedding bells and lillies of the valley.

Peach punch, mints, nuts and cake were served from crystal and silver appointments by Mrs. Clint Schueler of Clovis, N.M., Mrs. Steve Brandt of Stamford and Miss Rita Nuttall of Bovina, sisters of the bridegroom, and Melinda Millican of Pampa.

Following the reception the couple

departed for Eagle Mountain Lake near Fort Worth.

The bride, a 1975 graduate of Pampa High School, attends Texas Tech University at Lubbock.

The groom, a 1973 graduate of Bovina High School, attended West Texas State University at Canyon two years and will be graduated in August from Texas Tech University.

He is a member of Lambda Chi Alpha.

Special guests at the wedding included Mr. and Mrs. W.D. Houck of Mangum, Oklahoma, and Mr. and Mrs. G.L. Nichols of Pampa, grandparents of the bride; Mrs. Bill Houck of Fort Worth; and Mr. and Mrs. A.L. Berry of Amherst, the bridegroom's grandparents.

Mrs. Ronald Nuttall

## K. Estes Weds T. Prociopio

Mr. and Mrs. Bob Estes of Hugo, Oklahoma and formerly of Bovina announce the marriage of their daughter, Kathy Ann Estes, to Thomas R. Prociopio, son of Mr. and Mrs. Thomas J. Prociopio of Rome, New York.

They were married June 4, in the Arapaho United Methodist Church of Richardson, Texas, and will live in Houston. Both are employed by FDIC, with Kathy working as a bank examiner and her husband as a bank liquidator.

## Isaac Makes Honor Roll

Texas Tech University has announced its Spring 1977 Dean's Honor Roll, including students achieving a grade point average of 3.0 or higher during the spring semester.

Honorees making the list have taken full course loads and achieved B to A averages. Among the honor students is Tina M. Isaac of Bovina, daughter of Mr. and Mrs. Edward Isaac.

## KOFC Met Wednesday In Bovina

Wednesday, June 1, at 9:30 p.m. at St. Ann's Fellowship Hall, the Bovina-Friona Council 5426 of the Knights of Columbus met in regular session and elected officers for the fiscal year.

Elected as Grand Knight is Gene Schacher; deputy Grand Knight, Javier Robledo; chancellor, Joe Schilling; recorder, Leon Schilling; treasurer, Phil Brockman; advocate, Terry Schilling; warden, Wayne Jesko; three-year trustee, Andres Martinez; and Parish Council representative, Leon Schilling.

The new officers will be installed at the July 6 meeting.

### CHURCH OF CHRIST

Those who will serve--James Bentley, Lee Capps, Craig Capps, Jimmy Cockerham.  
Table--Steve McClaran and Terry Eubank; prayers--Buck Ellison and Larry Dopp; announcements--Lawrence Widner; nursery--Charles Johnson; prayer (offering)--Craig Capps.

The time is here again for Vacation Bible School. There has already been a great deal of work done and there is more in the mill. I can't remember a day that there has not been at least one person up here working. We are focusing in on the home this year because it is here that the future of the Church as well as the future of the Nation lies.

The Church at Klamath Falls wishes to express this appreciation to the congregation here for sending Jo and Cecil up there for the meeting. They appear to be exceptionally thankful.

The bus ministry is progressing well. We have been picking up about 20-25 kids each week. We have been calling different families to help once a quarter and some of the fifth and sixth grade boys have been helping every week.

### UNITED METHODIST CHURCH

This year the V.C.S. leader, Karen Kirkpatrick, and her staff have decided to ask for help from all of you who will be able to help. They are asking that we all bring cookies. Make a kind that will freeze well. You might put your name on them so they won't call you later if they need more cookies. Leave them in the kitchen and they will take care of them. She expects to need about 48 dozen.

Things to talk about: June 8--Men's Prayer Group, 6 a.m. June 13-17: Vacation Bible School, 9 a.m.

Happy Birthdays: June 2, Debbie Pewitt Shirley; 4, Michael Ware, Karl Willard; 5, Roger Ezell; 8, Clyde Schilling (husband of Debbie Gober). And, may there be many, many more!

You are invited to a bridal shower for Kathryn Patton (bride-elect of Michael Ware), June 11, from 3:4-3:30 p.m. in the home of Mrs. Earl Whitten.

ST. ANN'S CATHOLIC CHURCH  
Masses at Bovina: Sunday morning at 8:30.

Masses at Friona: Saturday evening at 7:00; Sunday morning at 10:30.

Confessions: Bovina, Saturday, 10 a.m. till 3 p.m. Friona, Saturday, 5:30 p.m. till 6:30 p.m.  
Baptisms every first Sunday of month.

New series of instructions start every first Sunday of month at 8 p.m. June 11 at 8:30 p.m. Saturday--St. Ann's will have Penitential Rite with private confessions before and after scripture readings.

Sponsored by Youth Exchange Service, a U.S. State Department designated teenage visitor program, exchange students from Brazil, Argentina, Uruguay, Honduras, El Salvador, Guatemala, Mexico, Canada and Europe, are eager to spend one to two semesters in this country. They are carefully screened, covered my medical insurance, and bring their own spending money. Aged 15-18, they will share family life, community, school and church. If you want more information on this experience for your family, please contact YES, P.O. Box 4020, San Clemente, CA. 92672, or phone (714) 492-7907. Families receive \$50.00 tax deduction for each month student is in home.

### FIRST BAPTIST CHURCH

The nominating committee is at work securing Sunday School officers and teachers for the new church year. The Sunday School year begins July 1.

The Southern Baptist Convention will meet in Kansas City, Mo., June 14-16. Pastor Lewis does not plan to attend.

Wednesday night Bible Study time at FBC has been changed to 8 p.m. The study is the Book of John.

Three members of the FBC have been elected to positions in the Llanos Altos Baptist Association, to begin terms in October.

Pastor Derrel Lewis will serve as moderator of the Association. Juanda Murphy will begin a second year as associational Women's Missionary Union Director and Doris Lawlis will serve a second year as associational Library Director.

--BOOKMOBILE SCHEDULE--  
The High Plains Bookmobile will be in our area on the following dates:

Thursday, June 16--West Camp, 9:15-10:15 a.m.; Lariat, 10:30-11:30 a.m.; and Bovina, 12:30-3:15 p.m.

## SOCIAL DRINKING

Social drinking is becoming an increasing problem in affluent America. Some church members participate and have been known to put pressures on fellow church members to go along.

But would the person who defends social drinking be willing to sign the following?

-I do not believe drinking damages my reputation and influence.

-I believe I can convincingly talk to a person about Christ with a drink in my hand.

-I've lost none of my spiritual fervor since I started drinking.

-I have become more generous in giving since I started drinking.

-When Jesus comes I'd be perfectly comfortable meeting Him with a drink in my hand.

--Drinking has been good for my marriage. We have a better relationship since alcohol became a part of it.

-I believe my drinking is a good influence on my children; I have no objection to them following my example.

There is no justification for social drinking. The arguments are shallow; not worthy of the intelligence these persons apply in other phases of their lives.

Solomon asks, "Who has Woe? Who has sorrow? Whose has fighting? Whose has babbling? Whose has wounds without cause? Whose has redness of eyes? Those who stay long at the wine; those who go to seek mixed wine." (Prov. 23:29-30)

## NEWS OF PHYSICAL FITNESS

### EXERCISE HELPS COUNTERACT FATIGUE

Keeping in tune with today's travel means keeping your muscles in tone—especially if you're flying.

That's the opinion of experts, who have come up with a series of inflight exercises aimed at counteracting the fatigue that occurs from sitting inactively for long periods of time. The tired and sluggish feeling often peaks at just about the time the body should be in prime shape for disembarking, picking up baggage, clearing customs and making onward connections.

So Jurgen Palm, a leading trainer of champion athletes, in cooperation with the German Sports Federation, developed a recorded physical exercise program for Lufthansa German Airlines. The isometric exercises are now part of the inflight entertainment program on Lufthansa's 747s and DC-10s.

The mini-gymnastics, recorded on one of the music channels, are especially designed to be done without dis-

Fatigue Fighter—Exercise reduces long-flight sluggishness.

turbing other passengers. They are based on the fitness program used by American astronauts on long-distance space flights.

The Lufthansa German Airlines "Fitness in the Air" program begins with a bit of advice on the importance of performing the exercises properly. It moves on to instructions for exercising all the muscles from the feet to the shoulders, for stretching the limbs and joints, and for

loosening the spine, which often tenses up during long spells in the sitting position. The exercises also stimulate heart action and blood circulation by improving the oxygen supply.

A bonus of the program: interested passengers who learn the exercises can also use them to help relieve similar fatigue at desk jobs, business conferences and on long distance auto trips.

"Thinking is easy, acting is difficult, and to put one's thoughts into action is the most difficult thing in the world." Goethe

There are about 45,000 young men and women in America who are members of the U.S. Marine Corps Reserve. They earn about \$1,300 while on active duty and a minimum of \$643.23 a year for working one weekend a month and two weeks a year with the corps.

Young people who join the Marine Corps Reserve up to six months before they graduate from high school can earn money at monthly meetings and still stay in school, becoming Marine Reservists within 60 days after graduation.

## PATIENTS IN HOSPITAL--

Emma Elmore, Eva Jones, Otis Higgins, Mrs. Robin Mahaney and baby boy, Alvin Rolan, Alicia Aleman and Frances Avila.

# At Home In Parmer County

By Jana Pronger

I ran across some information recently that sure sounded good for these hot summer days, especially when you have trouble getting the kids to drink enough milk.

Take a milk break today and every day. Get the habit. Toast your own health, daily, with a protein-powered drink that will lift sagging spirits, add a blush of good health to your cheeks, and tease jaded appetites.

Milk is in plentiful supply right now. According to the U.S. Department of Agriculture, milk and dairy products have climbed to a new high for the year. Seasonal production is up and supplies are spilling over.

Marketing specialists with USDA's Agricultural Marketing Service tell us that butter, cheese and nonfat dry milk as well as milk are in abundant supply. Commercial stocks are well above last year's figures.

If you haven't learned to enjoy milk for its good taste and valuable nutrients, get acquainted. Try some of these new ways with milk drinks. They make a big hit with youngsters, but they're not exclusively for kids. They're good for any age group, anytime.

**Protein-Power Sipper:** Beat 1/2 cup creamy peanut butter and 1-3 cup honey in mixing bowl or blender. Add one quart milk gradually. Chill. Stir before serving. Yield: approximately 5 cups.

**Milk Julep:** Mix 4 tablespoons

mint jelly with 1/4 cup milk in mixer or blender. Gradually add 1 3/4 cups milk and 1-2 drops green food coloring. To serve, pour 1 cup mint mixture in each glass, add 1/2 of a 7-ounce bottle of ginger ale, mixing well. Top with scoop of chocolate ice cream. Yield: Two 12-ounce servings.

**Orange Energizer:** Combine 2 eggs, 1/4 cup frozen concentrated orange juice and 1 tablespoon sugar in mixing bowl or blender. Gradually add 1 1/4 cups milk. Yield: 2 cups.

**Lush Lime Cooler:** Beat 1/2 pint (1 cup) lime sherbert in blender or mixing bowl. Add 1 can (6 oz.) frozen concentrate for limeade. Add 3 cups milk. Pour into glasses. Top each with scoop of lime sherbert, garnishing with fresh mint or cherry. Yield: approximately 5 cups.

**Chocolate Orange Blossom:** Blend 2 cups chocolate milk with 1 tablespoon frozen concentrated orange juice. Yield: 2 cups.

**Vanilla Ice Milk** is another delectable summer treat suggested by USDA. It is made with skim milk instead of cream and provides only about half the calories of ordinary ice cream. To make 26 servings of 1/2 cup each, you will need:

- 2 cups sugar
- 1/4 cup cornstarch
- 1/4 teaspoon salt
- 8 cups (2 quarts) skim milk
- 3 eggs beaten
- 1 tablespoon unflavored gelatin

1 1/2 teaspoons vanilla

Mix sugar, cornstarch, and salt in the top of a double boiler. Blend in 4 cups skim milk gradually. Cook over hot water, stirring occasionally until thickened, 12 to 15 minutes.

Stir a little of the hot cornstarch mixture into the beaten eggs; then stir the eggs into the remaining cornstarch mixture. Cook over hot water, stirring constantly 4 to 5 minutes longer, or until the mixture is about the consistency of soft custard.

Soften gelatin in 1 cup skim milk. Stir into hot mixture. Chill thoroughly. This step is essential for a smooth ice milk.

Stir in vanilla and remaining 3 cups of skim milk. Pour into a 1-gallon ice cream freezer canister; fill not more than two-thirds full.

Freeze in a handcranked or electric ice cream freezer, packed with a mixture of 1 part ice cream salt and 6 parts crushed ice.

Remove dasher. Repack ice cream freezer with a mixture of 1 part salt and 8 parts ice. Allow to ripen about 2 hours before serving. Or, pack ice cream in freezer containers and harden in a home freezer.

**Variation-- Fruit ice milk:** Stir 2 cups crushed or pureed sweetened fruit into the ice milk after the dasher is removed. About 120 calories per serving if frozen strawberries are used. If served plain, about 100 calories.

# Tammy Christian Feted With Shower

Miss Tammy Christian was feted with a bridal shower Saturday afternoon, June 4, in the home of Mrs. Tom Ware.

The serving table was covered with a white polyester cloth edged with lace and centered with a spring arrangement in assorted colors, baby's breath and greenery. Napkins in floral design completed the table setting. Lemon punch, meat tarts, and carrot cookies were served from crystal appointments.

Presiding at the serving table was Miss Trumi Christian, cousin of the bride-elect.

Miss Kim Ware presided at the guest register. The table was covered with a white linen cloth and centered with an arrangement of

yellow roses in a white bud vase.

Corsages of carnations in assorted colors were presented to Tammy, her mother, Mrs. Wendol Christian of Oklahoma Lane, and her grandmother, Mrs. C.C. Christian, from Farwell. Also, Mrs. Vernon Willard and Mrs. Pauline Toddy of Vernon, Texas.

Hostesses were Mrs. Thomas Ware, Mrs. Leon Ware, Mrs. Thomas Rhodes, Mrs. Tom Caldwell, Mrs. Jay Sherrill, Mrs. Huston Hoover, Mrs. Jack Kassahn, Mrs. Joe Cox, Mrs. Bob Turner, Mrs. L.F. Jacobs, Mrs. Jim Heard, Mrs. Grady Sorley, Mrs. Glendon Sudderth, Mrs. Edward Isaac, Mrs. Oakley Stevenson and Mrs. Leslie McCain and Mrs. Houston Bartlett.

# Nuttall On Honor Roll

Ron Nuttall of Bovina has been named to the Dean's Honor List for the spring semester at Texas Tech University in Lubbock.

Students named to the Dean's List must have earned a semester grade

point average of 3.0 or more on a 4.0 point basis while carrying 12 semester hours or more.

Nuttall, a senior majoring in marketing, had a 3.8 average. He is the son of Mr. and Mrs. A.L. Nuttall.

# Investors Are Urged To Check Taxes

Comptroller Bob Bullock again warned investors recently that if they are interested in buying a Texas business they would be smart to check carefully to see if the business owes the state delinquent sales taxes.

"Without checking, it's like buying a pig in a poke," said Bullock. "It's just not a happy event to buy a business, open up shop and then get a fat bill for delinquent sales taxes before you get started."

Bullock said the sales tax law makes the new owner responsible for any delinquency run up by previous owners.

He urged the news media to help get the warning out to all potential business investors.

Bullock noted that his office has changed procedures to make it easier for business buyers to get delinquency information quickly.

"We have also put out news releases, news columns and public service ads, but this unfortunate occurrence is still too common," said Bullock. "It's a sad story, but unfortunately one we can do nothing about other than issue warnings."

The Comptroller said the law actually requires the new owner to withhold the amount of any delinquent taxes from the purchase price of the business but as a practical matter many deals are already closed and paid before the new owner finds out about the back taxes.

Bullock urged every potential buyer of a business to contact the nearest Comptroller's field office early during purchase negotiations to make certain there is no outstanding delinquency.

"It ought to be as automatic as checking for clear title when buying a new home," he said.

# July 4th Celebration Set In Muleshoe

A celebration is to be held on Monday, July 4, beginning at 7 a.m. with a Pony Express Race from Needmore to Muleshoe, a Ride-In, Fly-In Breakfast, Mule Shoe Pitching Contest, "County Fair" booths (something for everyone) on the Court House lawn, and kids activities abound. Possibly even a

greased pig race.

Kids' activities include bicycle decorating contest, bicycle riding and racing contest, skate board contest, dart throws, archery, activities for the very small including "sand-box treasure hunt," etc.

Parade begins at 4 p.m. and will include old cars, riding clubs, floats, bands, etc.

Anyone interested in participating in parade, etc., you are welcome! Just call us at Muleshoe Chamber of Commerce and Agriculture office, 215 South First, Muleshoe, Texas, 79347. Phone 806-272-4248.

# Patton Shower To Be In Whitten Home

On Friday, June 11, there will be a bridal shower honoring Kathryn Patton and Michael Ware. The affair will be held from 3 to 4:30 p.m. in the Earl Whitten home, 902 Sherwood Lane.

Hostesses will be Mrs. Jack Kassahn, Mrs. Tom Beauchamp, Mrs. Joe Fowler, Mrs. Leslie McCain, Mrs. Tommy Williams, Mrs. Bedford Caldwell, Mrs. Huston Hoover, Mrs. Oakley Stevenson, Mrs. Jimmie Clements, Mrs. Vernon

Willard. Also, Mrs. Earl Whitten, Mrs. Jim

Russell, Mrs. T.C. Wiseman, Mrs. Scott Gober, Mrs. Jake Jacobs, Mrs. Joe Cox, Mrs. Arlin Hartzog and Mrs. John Dixon.

The smallest mammal is the pygmy shrew, which is only 1 1/2 inches long without its tail, and weighs only one-eighteenth of an ounce.

Egg protein is so near perfection that scientists often use it as a standard to measure the value of protein in other foods.

# S. Johnston Injured Monday

Scotty Johnston, 12, son of Mr. and Mrs. Dennis Johnston, was reported in good condition Tuesday (yesterday) afternoon by a spokesman at Clovis Memorial Hospital.

Scotty sustained injuries to his right arm at about 1:30 p.m. Monday when a pickup he was driving turned over about six miles north and three miles west of Bovina.

# NEWS OF SAFETY

Are We Car Careless? Mechanics Say Yes!

Fan belts are one of the items most frequently overlooked by car owners. Headlight aiming is overlooked even more. But among 29 common preventive maintenance services and components, the three overlooked most are transmission services, battery cables and shock absorbers.

If you are planning to do some trailer towing this summer, give special attention to your car's transmission.

In response to a Car Care Council survey asking what car parts and services their customers overlook the most, members of Automotive Service Councils, Inc. voted the automatic transmission number one, battery cables second and shock absorbers third.

"This is the second time we have conducted this study among garage owners," says Car Care Council President, William B. Bass of Champion Spark Plug Company. "The transmission's rise from fifth place to the top spot may reflect the increase in trailer boating and travel trailer towing. This kind of abnormal use will add to the frequency of repairs among cars that have had inadequate preventive maintenance."

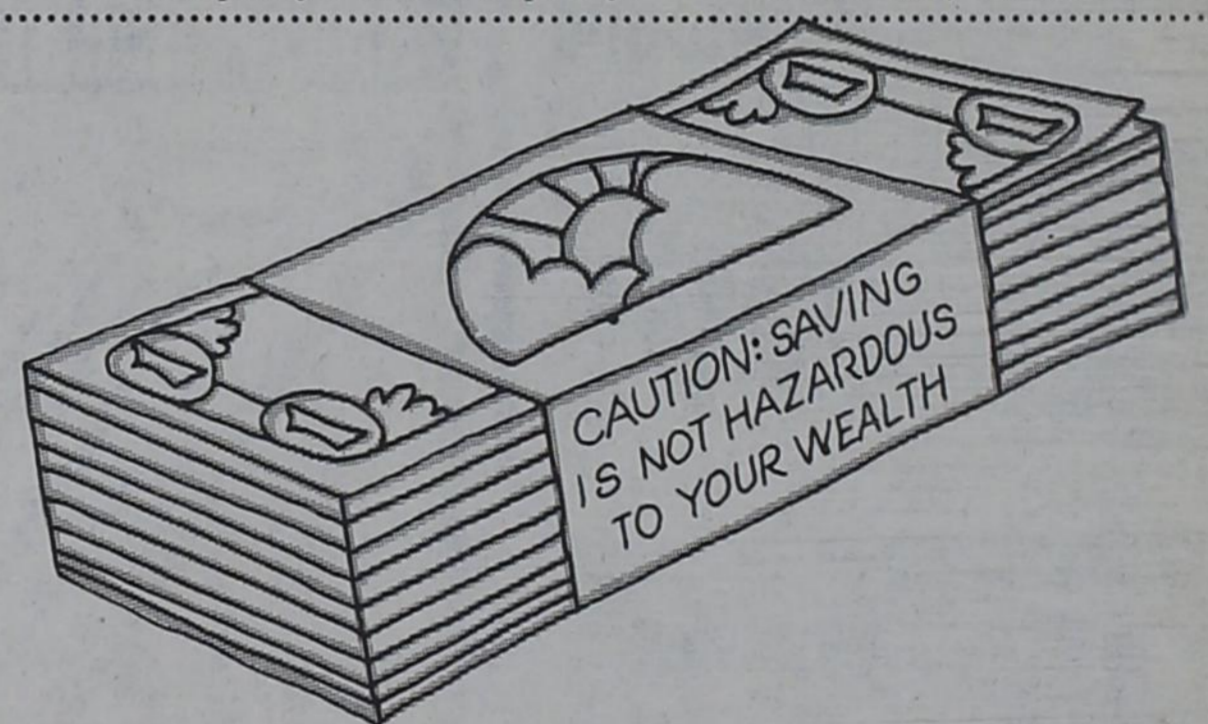

Basic service on the transmission usually involves nothing more than changing oil and filter plus necessary adjustments.

Significantly, battery cables, which had the dubious distinction of topping the neglected list in survey years ago, still retain a strong second place in the opinion of the experts. Most of the respondents were unable to limit their nominees to just five as requested. A few said they could have checked each category.

Owner complacency is attributed to lack of understanding of their car's maintenance needs. Some said there is a communications gap between the owner and his mechanic.

Longer warranty and extended service intervals tend to lull motorists into a false sense of security, according to some comments.

The advent of the self-service gas station is partly responsible for maintenance neglect, too. When the car is not checked by an attendant, week after week, things begin to wear out without the owner's being aware of it. By the time the garage mechanic has a chance to see the car, the damage may already have been done.

There are very few things in life that are absolutely good... There's always some little hitch... A price you have to pay. But we'd like to suggest that you open a Savings Account. It WON'T cost you anything, cause any pain or give you reason to think twice. It WILL give you daily compounded interest and a nice return on your money. You might say savings is NOT hazardous to Your Wealth. Start Saving now and Watch the Sum Rise.
