## Re-Born Hospital Celebrates 1st Anniversary

Edith Goucher, 81, died around 11 p.m. Friday night at the Muleshoe Nursing Home following a lengthy illness.

Funeral services are pending at Ellis Funeral Home in Muleshoe.

The Muleshoe Hospital Auxiliary Annual Christmas Project begins in November.

More details will be released at a later date.

Sammie Ethridge will be chairing the project again this year.

The Moonlight Homemakers Club has announced their Tenth Annual Arts and Crafts Bazaar to be held Friday, December 2 and Saturday, December 3, at the Bailey County Civic Center.

Applications are being accepted until November 25 for booths. For rental information, call Moonlighters Homemakers Club, 902 West Eighth Street, Muleshoe, Texas 79347.

Named as recipients of the weekly principal's awards at Watson Junior High School are Holly Donaldson, sixth; Filemon Olivarez, seventh and Mandy Edwards, eighth grade.

According to the Muleshoe Chamber of Commerce and Agriculture, new directors for the CofC for three year terms are Jeri Wiedebush, Robert Montgomery, Lonnie Adrian and Inez Bobo.

The new directors will be filling vacancies left by retiring directors, Elaine Burgess, Mike Hahn, Jeri Wiedebush and a resigned term by a retiring director.

Air Force Airman Johnny D. Bevers, son of Ray M. and Alma R. Bevers, Muleshoe, has arrived for duty at Langley Air Force Base, VA.

Bevers is an information systems programs management specialist with the 1913th Communications Group.

His wife, Melissa, is the daughter of Florencio and Margie Martinez of Muleshoe.

He is a 1987 graduate of Muleshoe High School.

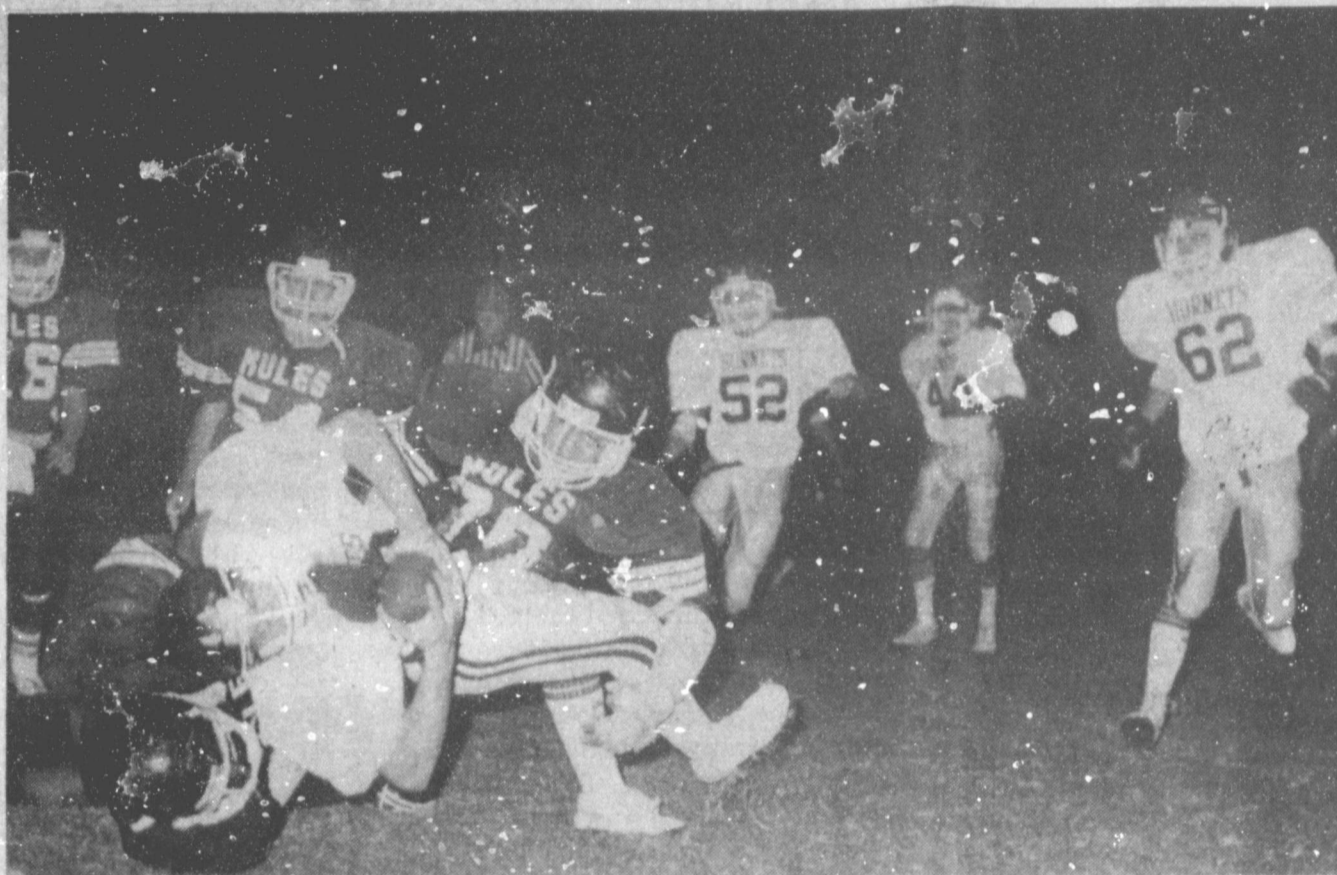

## Lazbuddie Vo-Ag Plans Annual Fruit, Meat Sale

"The VO-AG program is an ever changing science," said Rick Copp, VO-AG instructor at Lazbuddie. "We have now changed our name to Agricultural Science. In keeping with these changes, the FFA is always on the lookout for innovative fund raising activities. We feel we have found a very delicious and economic item to incorporate into our program this year."

According to the VO-AG instructor, the new item this year is Smoked Turkeys. He said these turkeys will weigh 8-10 pounds and can be ordered for Thanksgiving or Christmas delivery, or both. They are shipped frozen, and will be delivered to the buyer the same day.

He said they are ordering their turkeys from Golden Valley Distributors, a subsidiary of Seitz Fruit, the same company they receive their fruits from.

Sales began October 17, and will continue through November 11. Turkeys ordered for Thanksgiving must be ordered by November 3. If you would like to order, contact any Lazbuddie FFA member or call Rick Copp at

ALL WRAPPED UP IN THE ARMS OF FOOTBALL--Muleshoe Mules are all over a Tulia Hornet with the football as they try to contain Tulia's power offense in Muleshoe Friday night. Although the Mules held Tulia scoreless in the first, they exploded with three touchdowns in the second, and another in the fourth to take a 28-6 victory over the Muleshoe Mules. The Mules will tackle Friona next Friday night at Friona. (Journal Photo)

## Tulia Hornets 'Buzz All Over' Muleshoe On Mules' Home Field

'Twas a sad night for the Muleshoe Mules when the Tulia Hornets swarmed into town Friday night. By the time the game was over, the Hornets had stung and re-stung the hapless Mules, and then flew home to Tulia with a 28-6 victory over the

Mules. At the end of the first quarter, no score was on the scoreboard for either team, as tough Mule defense kept the Hornets from swarming into the end zone, being forced to give over the ball on approximately the one yard line.

Benny Parker, assisted by Clarence Lewis, made a big play, effectively stopping a first quarter Hornet touchdown.

However, on the first play of the second quarter, the Hornets scored from two yards out, but the PAT failed. At that time, the clock showed 11:57.

At 3:21 of the second, the Hornets again found the end zone with a 17 yard TD, and this time, scored two points, making it a 0-14 ball game.

However, the Mules did retaliate on the kickoff when Daniel Olivas took the kickoff on the seven, and raced downfield for a 93 yard touchdown. He then failed to put the PAT through the uprights.

But, Tulia wasn't through. With just :33 left in the second quarter, Tulia hit on a 23 yard pass in the end zone, and the PAT was good.

As the clock ran out, the halftime score was Muleshoe 6, Tulia 21.

Toughened up Mule defense held the Hornets in the third, and

no points were put on the scoreboard.

But, the Mules failed to capitalize on back to back 15-yard penalties for the Hornets.

It was fumbles for Tulia and Muleshoe, and an interception that set the tone for the fourth and final quarter of the game.

Midway through the fourth, at 6:15, Tulia scored from one yard out, and made their PAT good, ending the scoring at 28-6.

It was also up to backup quarterback Larry Gonzales to finish the game, as A. J. Liles, who has been the Mule quarterback since the Denver City game, was injured making a defensive tackle. A. J. saved the touchdown at the expense of 'getting his bell rung.' It was not believed to be a serious injury.

As an example of how the Mules fared vs. the Hornets, the Mules rushed 22 times for 33 yards, and one of eight passes was completed for 17 yards, making 50 total offensive yards. At the same time, the Hornets had 291 rushing yards and 100 passing yards for a total of 391 offensive yards.

Muleshoe had five first downs to 28 for Tulia.

Next Friday night, the Mules will travel to Friona to take on the Chieftains in the ninth game of the season. With the Tulia game, the Mules are 2-6 for the

### Athletic Boosters Will Highlight Junior Varsity

At the Muleshoe Athletic Booster meeting on October 18, the freshman team was highlighted.

The Booster Club reporter said, "These young men have been playing some close games, and we look forward to seeing them on the JV team next year."

On Tuesday, October 25, the Boosters will be highlighting the Junior Varsity team.

The Muleshoe Athletic Booster Club said they would like to invite all the parents to come to the meeting at the MHS cafeteria at 7:30 p.m.

965-2806 or 965-2125.

Items available this year include:

- Small box of oranges (20-22 pounds), \$9; Large box of oranges (42-45 pounds), \$13;

### Rebekahs Annual Turkey Dinner Set November 3

Muleshoe Rebekah Lodge #114 will have their annual Thanksgiving dinner on Thursday, November 3.

Serving hours will be from 11 a.m.-1:30 p.m. at the lodge hall, located at 308 West Second Street.

A regular holiday menu will be served with all the trimmings.

All you can eat will be \$6 for adults and \$3 for children.

Take out plates will also be available.

### TEAMS Testing For High School Tuesday, Wednesday

Muleshoe High School will be conducting the fall administration of the 11th grade exit level Texas Educational Assessment of Basic Skills Test on Tuesday and Wednesday, October 25 and 26.

For the October 1988 test administration, 11th graders will be tested for the first time and students who previously have not demonstrated mastery on both sections of the test will have the opportunity to retake the assessment instrument.

It is important that every 11th grade student and any others needing to take or re-take the TEAMS be present in school on these days, according to Linda Marr, high school counselor.

Students have been assigned rooms to report to for testing. The testing will begin at 8:30 each morning and students may continue working on the test as long as necessary to complete each item.

### First Question And Answer Series 'Food For Thought'

One year ago Wednesday, October 26, West Plains Medical Center (WPMC) re-opened its doors. We all rejoice at such a landmark as we remember the series of many leading to the re-birth of our hospital.

This article is the first of a series to be written in an attempt to answer many questions which exist concerning West Plains Medical Center and to inform you, our concerned public, of the current status, as well as the future direction, of our hospital.

As you peruse these first questions and answers, perhaps they will prompt a question, or questions of your own. If you have any questions about the hospital, or its operation, feel free to submit your questions to Cleta Williams, %The Journal, P. O. Box 449, Muleshoe, TX 79347, or call her at 272-4536.

Your questions will be answered in future editions of The Journals, as this is intended to be an informational series.

The first six questions and answers are:

QUESTION: How would you describe our hospital to a new resident of Muleshoe?

ANSWER: West Plains Medical Center is a thirty-one bed hospital facility with two-bed special care unit to facilitate our patients with more intense medical needs, and four bassinets for our newborn babies. It is the only hospital within a thirty mile radius which offers obstetrical services.

The staff consists of three family physicians with knowledge and skills of the newest and most effective procedures for treatment of sickness, disease and injury. Seven registered nurses, twelve licensed vocational nurses, one respiratory therapist, one x-ray technologist, as well as other support personnel.

This enables us to provide not only quality care, but also excellent emergency service, as recently demonstrated by treatment provided in the emergency rooms for patients which were involved in serious accidents or other life threatening emergencies such as heart attacks that have occurred over the past several months.

Advanced diagnostic testing is available through laboratory, x-ray, and mobile units such as C.T. scanners.

The family physician serves as a gate keeper for medical care. If a specialty referral is required, a good rapport exists with specialists located in Lubbock.

A personal touch leaves the patient in our hospital feeling

that; not only the disease was treated, but the whole person.

QUESTION: Will the hospital stay open?

ANSWER: Perhaps this is the most difficult question of all.

The hospital has not been able to meet monthly operating expenses. The margins to the 'break even' point however, is small so an optimistic attitude prevails.

It should be pointed out that with our current financial status many problems exist. Our employees have no medical insurance. Nurses wages are becoming noncompetitive. No room is within the budget to allow for equipment replacement or repair although such things appear inevitable. We have recently been informed the boiler's condition is terminal, carpet is greatly worn and structural improvements are needed.

At times, indigent care is supplied totally at the hospital's expense. People with life threatening emergencies are given care regardless of ability to pay and are often ineligible for indigent funds through the county or other sources. This leaves the hospital to bear a burden it is not able to carry. The Board however, is seeking long term solutions to these financial problems.

QUESTION: What steps are

## Country Club Report

By Claudine Elliott

The Muleshoe Women's Country Club Association met Wednesday, October 19th. for their monthly meeting. Helen Templeton, our president, presided over the meeting. She recognized our birthday ladies for October. They were Argilee Millen and Ruby Lee Kerr. We were also happy to have two guests, Martha Young and Kay Fields. All committees made their reports. Analita Haley, our Hi Plains Director, reported that five ladies went to Farwell for our last Playday this year. It was the

final tournament with four of our ladies as winners. Jeanetta Precure won low putts in the Championship Flight. Helen Templeton won low net in the Second Flight, Argilee Millen won low putts in the Second Flight, Mary Francis Holt won low gross in the Fourth Flight. We were so proud of them representing us so well. Marlene Martin, our Ways and Means Chairman, had our drawing for the door prize. Shirley Bean was the lucky winner of a beautiful hand painted pumpkin donated and

Painted by Lynn Campbell. We appreciate Lynn doing this for us and everyone wanted to win it so badly. It was so pretty. Playday awards were given to the following: Sept. 28th, total on all 3 Pars to Cookie Bamert, Jeanetta Precure and Helen Templeton. Oct. 5th. First on the green and No. 6 hole, Helen Templeton and Ruby Hart. Oct. 12th. Low Putts to Claudine Elliott. This was our last meeting for this year. Marlene Martin read each officer her duties for next year. Our new officers are: Dorothy St. Clair, president; Cookie Bamert, Vice-President; Mary Francis Holt, Secretary; Mary Francis Holt is also treasurer; Analita Haley, Tournament Chairman; Ruby Hart, Hi-Plains Director; Helen Templeton, Playday Chairman; Claudine Elliott, Reporter and Historian; Jeanetta Precure, Ways and Means Chairman. Dorothy St. Clair presented our President for this year, Helen Templeton, a lovely gift of appreciation from all of us for a job well done. Helen has done a super job as our president this year and she thanked all her officers for their great help all year.

After the meeting the ladies divided into teams and played a scramble. All teams played well, but the team winning with a score of 69 were Jeanetta Precure, Claudine Elliott, Neats Foster, and Linda Elder. You think I wasn't proud of us! We are so happy to finally get Yolonda Bell and Kay Fields playing with us. They are already two great golfers. We love having them joining us. Those attending our luncheon were: Jerry Mayo, Ruby Hart, Melzine Elliott, Dorothy St. Clair, Linda Elder, Helen Templeton, Jeanetta Precure, Martha Young, Claudine Elliott, Yolonda Bell, Kay Fields, Neats Foster, Shirley Bean, Analita Haley, Marlene St. Clair, Evelyn Riley, Jo Rempe, Darlene Henry, Marlene Martin, Carelean Hamilton, and Laverne Winn. See you next year! Keep Swinging!

Love, unlike desire, is no mysterious, separate thing but a matter of degree.

## Creative Living

By Sheryl Borden

A demonstration on Pronto Pies Plus, information on new countertops and cabinets and household decorating ideas will be presented on "Creative Living" on Tuesday, Nov. 1 at 12 noon and repeated on Saturday, November 5 at 2 p.m. on KENW-TV. (All times are Mountain.)

A variety of pie recipes and tips will be presented by Bonita Snyder, spokesperson of Bama Pie, Ltd. in Tulsa, OK. Ms. Snyder will emphasize quick and easy preparation using convenience foods, the microwave oven and making recipe adaptations.

What's new in cabinets and countertops will be discussed by Jill Absher of Creative Kitchen Designs in Birmingham, AL. Ms. Absher will talk about the different categories of cabinets and countertops available and the major products used for exterior finishes. She'll conclude by telling some of the futuristic expectations in the area of kitchen appliances and cabinets.

The flashback segment will feature Carolyn Jabs who represents the American Paper Institute. Carolyn authored a book entitled "Reuses" and will demonstrate some reuses of items in the home that aid in decorating. Carolyn's "claim to fame" is her ability to take old, unused items around the house and turn them into work of art or functional and attractive decorative items. She's from New York. On Tuesday, November 1 at 9:30 p.m. and on Thursday, November 3 at 12 noon, "Creative Living" will present information on barbecuing and cooking seafood as well as share a flashback segment on a product called Restore-X Wood Renewer. Betty Hughes, representing Weber-Stephen Products, Palatine, IL will show how to add a new flavor to barbecuing. Her trick is the newest-yet oldest-flavor addition to the great tradition of outdoors cooking. A different kind of spice called wood will be the new point emphasized. According to Betty,

the delightful taste of hickory-smoked turkey or mesquite-grilled steaks can be easily duplicated on the outdoor grill. The secret to achieving these aromas is simple: know your woods, know what they best compliment and learn the how-to's of grilling. Marilyn Rose is from the Florida Department of Natural Resources in the Seafood Marketing Bureau, and she will discuss sauces and garnishing ideas for seafood. Marilyn will talk about the different recipes. Marilyn is from Plantation, FL. The flashback segment features Roger Langenberg who will demonstrate a product called Restore-X Wood Renewer. Roger is Vice-President of Sales and Marketing for Research Industries in Eugene, OR. Restore-X Wood Renewer has been referred to as a "kind of liquid sandpaper". It's biodegradable, non-flammable, and removes paint and other finishes chemically--with a limited amount of elbow grease!

"Creative Living" is produced and hosted by Sheryl Borden. The show airs on more than 100 PBS stations in the United States, Canada, Guam and Puerto Rico and is distributed by Pacific Mountain Network, Denver, CO. Viewers can request copies of printed materials offered on the show by calling on KENW-TV's toll-free telephone lines between 8 a.m. and 5 p.m. In New Mexico, the number is 1-800-432-2361, out-of-state: 1-800-545-2359 and Portales and Roosevelt County: 562-2112.

## Nursing Home Volunteers Honored At Banquet

"We all receive more than we give and the volunteers put the icing on the cake, Jim Swanner, administrator of the Muleshoe Nursing Home, said, in speaking for the nursing home staff during his welcoming speech at a banquet honoring the Nursing

Home Volunteers. "This speaks well of the community, to have so many volunteers who give many, many hours of work for the benefit of others. It is one of life's greatest blessings."

The nursing home staff and the residents families hosted the banquet Tuesday night, Oct. 18 in the fellowship hall of the Muleshoe Church of Christ. The tables were covered with white tablecloths accented with pink placemats and brass and crystal votive cup candleholders.

Curtis Shelburne, minister of the 16th and Ave. D. Church of Christ gave the invocation preceding the meal, prepared by the staff and residents families.

Special music was provided by the Gospel Notes, Jacque Baker, Dwayne Lloyd, R.A. Bradley and Jennean Gable.

Ted Trieder of Lazbuddie, guest speaker stated that he

really didn't know why he was asked to speak, someone must have told Joy he was a speaker or something "I guess I have someone fooled" but after hearing politicians the last several months I decided anyone could get into politics. There's no way we can loose in the coming election, everyone has promised us everything.

"The nursing home holds a special place in my heart, having had a grandmother residing in the nursing home in Hereford 24 years." In speaking of the volunteers and their work at the nursing home he said "I like to watch people as they go about their lives, trying to understand why they do the things they do. I even like to go to the mall and set on a bench and watch as people come by whether they are shopping or just browsing. If the only thing you get out of life is money or a pay check, you are getting cheated."

Certificates of appreciation were presented to the volunteers by Joy Stancell, Activities Coordinator at the nursing home.

The benediction was given by J.C. Shanks.

### Rebekah Lodge News

Muleshoe Rebekah Lodge No. 114 met Tuesday night, Oct. 18 with 15 members present. The meeting was called to order by Louise Allen, Noble Grand, and the opening prayer was given by Pat Langfitt. Minutes of the previous meeting were read by June Green, secretary, and they were approved as read.

It was reported that Larry Price, husband of Novella Price had died. Good news was received from her granddaughter, Candy, who underwent surgery on Monday and is reported to be doing well. She will have more surgery at a later date.

Plans are still in the making for the Thanksgiving dinner to be held on November 3.

The lodge practiced for initiation which will be held on Oct. 25. A salad supper will be served prior to the meeting and everyone is asked to take a salad and be there by 7 p.m. if possible. It was reported that all members are urged to be present for this important meeting.

Happy birthday was wished for Frances Burrows.

Lodge was dismissed by Louise Allen and refreshments was served by Audrey Langfitt and Frances Burrows.

**DEDICATED VOLUNTEERS**--Beth Watson, Laverne James and Ruth Clements, with the help of the Muleshoe area residents, purchased this Microwave oven for the Muleshoe Nursing Home. Over a period of 10 months customers spent a total of 4,584 books of Circle "W" Blue Stamps, making it possible for these dedicated volunteers to purchase the Microwave oven for the nursing home. Ina Wilemon stated that as soon as all the organizations who are working toward a gift receive their gift the company is discontinuing the project. Mrs. Clements, Mrs. James, and Mrs. Watson were members of the Nursing Home and Hospital Auxiliary until it disbanded and have continued to do work at the nursing home. (Journal Photo)

**Sudan Methodist Women Plan Bazar**

The United Methodist Women met Monday morning in regular session. The meeting opened with a prayer by Rhoda Minyard.

Laverne Harper gave the lesson for this session from the book of Esther.

A business session was conducted by Mary Olds. The upcoming bazaar was discussed. This will be held on November 10 and the usual meal of chili, stew, beans, dessert and drinks will be served. Posters will be placed to remind citizens of this annual event.

The closing prayer was given by Margaret Smith.

Bertha Vereen was hostess and served refreshments to Nell Lane, Thelma Shaffer, Hazel Gaston, Ruth Newman, Norma Burnett, Jewel Rich, Anna Black, Gil Rogers, Rhoda Minyard, Mary Olds, Laverne Harper and Margaret Smith.

**Sudan Booster Club News**

The Sudan Booster Club met at 7 p.m. Tuesday, Oct. 11 with eleven members and the five coaches present. Kathy Gatewood served refreshments.

It was reported that the football contest was very close this week. Four people missed two games each, so the tie-breaker game scores had to be used to determine the winner. Even those scores were very close, but Joe Bellar was the winner. The new game cards were distributed and filled out.

The meeting was called to order by vice president, Joe Bellar, and the minutes of the previous meeting were read by Jodee Tennyson.

**Tops Club**

Muleshoe TOPS Club chapter No. 34 met at 6:30 p.m. Thursday, Oct. 20 in the Heritage Thrift Shop. Laverne James, leader, called the meeting to order. The TOPS pledge was recited and the fellowship song sung. Mrs. James led the group in a prayer.

Orvdie Burris called the roll with ten members present. A new member, Betty Davis, was welcomed to the club.

Minutes of the previous meeting were read by Aurora Mata and they were approved as read.

Lucille Harp was named best loser for the week and runners-up were Laverne James and Alene Bryant, tied for first, and Rose Sain, second.

Two new contests were started. The "Money" contest began and will continue until Dec. 15. Another contest "Cat" began and will continue until all names are drawn from a can.

The meeting was closed with the fellowship song following a game led by Mrs. James.

**Muleshoe Study Club**

The Muleshoe Study Club met in the home of Mrs. J. G. Arnn on Thursday, Oct. 13. The new president, Louise Agee, presented the guest speaker, Doris Scoggins, Junior High School science teacher, who gave an informative program. It was reported that the club appreciates those who give of their time from a very busy schedule.

New year books were presented to members with Louise Agee previewing them and discussing the up-coming programs.

Refreshments were served to the following members: Louise Agee, Joylene Costen, Fern Gregory, Jewel Pool, Izetta Shain, Alma Turner and guest, Doris Scoggins, by the hostess, Verde Nelle Arnn.

The next meeting will be at the Muleshoe State Bank with Betty Jo Carpenter as hostess at 4 p.m. on October 27.

## Re-Born Hospital

Cont. from Page 1

being taken by the Board to pursue financial stability?

ANSWER: In the past three years, the Board of Trustees of West Plains Medical Center have worked many hours searching for a final solution to the financial woes of our community hospital. The board tried diligently to establish a financial relationship with Methodist Hospital in Lubbock. These attempts were met with resistance by the Board of Directors at Methodist and only a nonfinancial "wish you well" relationship exists.

In the spring of 1987, plans were made to present a bill to the Texas Legislature to establish a hospital district, boundary lines that included only the trade area. We were within 24 hours of having the legislation passed. Unfortunately, because of procedural legalities, the bill failed. This pushed our bid for a hospital district off until 1989.

In November of 1987, the Board of Trustees were pushed to the wall to get the hospital opened. That feat was accomplished with the help of hundreds of community volunteers, hard work by administrative personnel, physicians, nurses, and

the grace of God. We had sparse financial resources but a great deal of dedication. Since that time, the hospital has functioned on a month to month basis and has managed to keep things together for the past year.

The opening, however, has not ensured our long term viability. We have been inundated with many unexpected financial burdens since the reopening. The burdens include increased taxes, and insurance premiums that have drained us of any borderline profits we have made.

We have not addressed other financial responsibilities to the Farm Home Administration in over two years. They have been understanding, but their patience grows thin.

The feelings of most Board members is that there is only one viable option to secure long term viability of our medical center; to establish voter approval of a hospital district that serves the local trade area. The Board is actively pursuing and ready to present appropriate legislation to the Texas Congress when it convenes in 1989. With legislative approval, we will bring the decision of our hospital's future

to the voters of this community.

The details of the necessary legislation have not been finalized, but we feel that the numerous advantages received from having a local hospital far outweigh the small increase in tax liability. One must remember that the hospital is an industry second only in size to the local school district. It has produced, for example, sixty new jobs and has infused over \$750,000 from payroll into the local economy in this one year, besides excellent Healthcare. The Board will not consider another corporate agreement as experienced by the Westworld catastrophe. The Board feels such action would be fatal to the existence of the hospital.

QUESTION: What are the future plans for WPMC?

ANSWER: With long term financial stability, we can then add to the Medical Staff a full time surgeon, nurse anesthetist, and additional family physicians. We will also become medicare certified and serve the senior citizen community. Ancillary services will increase by adding a full time physical therapist so people requiring rehabilitation can be served. Needless to say, we hope to provide competitive nursing salaries, employee insurance, buy equipment, repair equipment, and hire additional nursing as needed.

QUESTION: Why do we not have Medicare certification?

ANSWER: This question has several aspects to the answer.

First, in order to be medicare certified, certification requirements must be met by the hospital. There are minimum staffing requirements for registered nurses. There are also additional administrative personnel to just keep up with medicare filing, changes in medicare laws, as well as to maximize reimbursement within the medicare system. All of these additional people cost money. Unfortunately, the amount recovered from medicare claims does not come close to covering the additional expense.

Secondly, there is and has been for several years, inequality in reimbursement for rural hospitals as compared to urban hospitals. We receive some times as much as 40 percent less pay for the same services rendered by urban hospitals. Medicare patients often require longer hospital stays, more numerous diagnostic tests and procedures as well as more expensive medical regimens. It is unfortunate that the medicare program has such inequalities in reimbursement. One would think if anything, we in the rural setting should be allowed as much, if not more, because of our increased cost per patient to serve. There are some legislative bills that have been introduced to Congress to eliminate some of these inequalities. We are optimistic.

Hopefully, if another avenue of financial stabilization (i.e. hospital district) occurs, Medicare certification will be obtained.

QUESTION: What happens to the Medicare patient now in an emergency situation?

ANSWER: Presently, if a Medicare patient presents to the emergency room, they are cared for as any other patient. They will, however, be responsible for the emergency charge they incur. We have applied for emergency room Medicare certification that would make West Plains Medical Center able to give up to 24 hours of care as an outpatient, and still be reimbursed by the medicare program.

## FmHA Farm Loans Slated For Minorities

The Farmers Home Administration (FmHA) is preparing to activate a loan program designed to help members of socially disadvantaged groups, including minorities, acquire land for farming. J. Lynn Futch, FmHA State Director, said this week.

Under the new program, FmHA will try to find persons in those categories who are interested in farming and can qualify for an FmHA farm ownership loan. The agency would also be prepared to sell or lease to them a farm held in its inventory if any are available in that county, Futch said.

FmHA can also provide other loan and technical assistance, if needed, to help the borrower get started.

The new program was included in the agricultural credit act signed earlier this year, Futch said, and funds have been reserved for farm purchases based on the population of socially disadvantaged persons.

The population of such persons range from as low as one percent in some New England and midwestern states to highs of 68 percent in Hawaii, 57 percent in New Mexico and somewhat lower percentages in southeastern states. Population groups involved are Hispanics, Native Americans, Blacks, Asians and Pacific Islanders.

Persons who think they might be eligible and who are farming or who would like to become farmers are urged to contact the Farmers Home Administration county office serving their area, Futch said.

questions presented, and hope you gained much insight to the operations of the hospital in Muleshoe.

Doctors, board members and staff members of the hospital are giving much thought, and doing much work to try to answer your questions as fully, honestly and quickly as possible.

WPMC personnel believe the 'key' to acceptance of the hospital is your understanding of what is happening at WPMC, and what can and should happen in the future.

And, remember, if you have a question, or questions, about any aspect of the hospital, it is not necessary to submit your name unless you choose to do so. We are interested in your questions, not who is asking the question(s).

### On Recent Trauma

On Monday, October 24, the Board of Trustees of the Muleshoe Independent School District will meet in regular session at 7:30 p.m. in the school administration building.

Board members will be considering the following business items after formal opening of the meeting:

Review information relative to the Educators Group Health Trust bankruptcy and take appropriate action; consider Project Graduation for 1989 seniors and take appropriate action; select two board members and one community representative to serve on Management and Leadership Development Advisory Committee.

After hearing the tax collection report, the board will hold a Project Redesign meeting and evaluate the effects of the recent trauma at his school.

Following informational reports, the board will adjourn.

## Kiwanis 'Believe' Goal Includes Helping Youth

By: R. A. Bradley

Eighteen members and 10 guests met Friday morning for a regular weekly meeting of the Muleshoe Kiwanis Club.

President Keith Turner called the meeting to order. Robert Montgomery led the club in the pledge to the flag and Howard Watson gave the invocation.

The friendship coin is still in Colorado elk hunting. Maybe that coin will come back with an elk. Hope so.

Our guests included Chad Johnson, son of Reggie Johnson. We might talk Chad into being our sweetheart yet.

Guests from the Amarillo Golden K (Senior Citizen Club) were George Mann, Frank Benites, Charlie Barron, Carl Williams and Troy Perkins. Troy Perkins was formerly a high school principal in Muleshoe. It seems that Kiwanian J. O. Parker knew Mr. Perkins real well as he spent part of his education in the principal's office.

From Canyon, guests were G. H. Acotta, Allen Hoover, Bill Threlfall and Lt. Gov. of Division 33, Bill Miller. It was very good to have these gentlemen come all this way in a very soupy fog. We also hope they have a safe journey home.

Bill Miller had a slide presentation from the Kiwanis International President on Kiwanis Major Emphasis.

#1 is Growth - each club needs to grow and also help start new Kiwanis Clubs.

#2 is Fellowship - What you joined Kiwanis Club for. What Kiwanis does for you and your community. Have fun in all these

areas.

#3 - Helping of Youth - by doing this we must "Achieve By Believing."

First you must believe in yourself. Believe and help underprivileged youth. Help and encourage them to raise their grade one grade point.

Help the average young person to believe in themselves and help them to achieve in school and life after school.

Help the gifted students to set their goals high and achieve in all phases of life.

Believe in youth and help them believe in themselves.

This writer believes that there is nothing more rewarding than believing and helping young people. Sometimes you get to thinking that no one is listening or paying any attention to what you do or say.

Don't get discouraged because some times it may be years later when you see or hear that some young person has "Achieved" and it may be directly from something you said or did. So don't give up but always believe. So, for 1988-89, let us help Kiwanis Grow. Have Fun - And Achieve by Believing.

Keith Turner and Jim Lutz on behalf of the Muleshoe Kiwanis Club presented Lt. Gov. Bill Miller with a small Halloween pumpkin. The home grown pumpkin measured 19 inches tall and 19 inches across.

We hope that Bill did not hurt his back when he carried that pumpkin to the car. It was almost as big as he was. We hope and pray that our guests had a good and safe trip home. It is always good to have them come and visit us.

**Lazbuddie Notes**

BY: LHS NEWSPAPER STAFF

On October 18, the Junior Class took their pre-SAT test, and October 25, the Sophomore Class will take their pre-ACT test. The purpose of these two tests is for the juniors and sophomors to get an idea of what a college entrance exam is like.

The Junior Class will take their TEAMS test October 25 and 26, which will determine if they graduate. In order to pass, the juniors will have to get 50 of the 72 problems in math and language correct. They will be able to take a retake in May if needed.

Representatives from Lazbuddie attended a Parent Advisory Council (PAC) meeting in Amarillo at the Region XVI Service Center, October 12. The purpose of the meeting was for the parents of migrant children to get together and to learn about the TEAMS objectives.

Parent Donna Cozby, who is the vice-president of the regional PAC, attended the meeting with the Migrant staff, Mrs. Darla McBroom, Miss Debbie Hall, and Miss Teresa Valencia. Also attending were students, Ricky Delao, Juan Pacheco, and Jerri Cozby. These students attended a Migrant-sponsored camp last year. They went to the meeting to report what they experienced to the PAC.

Wednesday, October 19, the Sophomore Class received a presentation from Elementary Principal Anne Farris concerning the Hugh O'Brian Youth Foundation (HOBY) conference. The purpose of the program is to bring together a select group of high school sophomores with distinguished teachers leaders in business, government, education, and the professions so they can discuss present issues using an informal question-and-answer format.

All sophomores are eligible to apply for the HOBY conference. The weekend seminar will be conducted sometime between March 24, and June 19, 1989. It will be held in Amarillo or Dallas. One sophomore out of the Lazbuddie High School will have the privilege to attend the seminar.

On October 25, the cross country team will travel to the Littlefield Country Club for the district meet. Also, the Lazbuddie Junior High football team will play Midland Baptist at Smyer, beginning at 5:30 p.m.

Nice of You to Ask  
"Hey, you down there," thundered her father's voice from upstairs. "Do you think you can stay all night?"  
"Gee," replied the young man, "Thank you, sir! But I'll have to call my folks first to see if it's okay!"

**Running stocker calves on wheat pasture?**  
Now, more than ever, **IVOMECS** can build your profits.

At this year's beef prices, every pound you put on your calves is worth good money. And with IVOMECS (ivermectin) you can put on plenty of extra pounds.

Whenever you have cattle on pasture, you're bound to have parasites. And if your calves have been sold and resold before shipping, you can't know what parasites they've picked up. And parasites steal weight.

But one shot of IVOMECS kills 31 different kinds of parasites—more than twice as many as TRAMISOL® and WARBEX® combined.

IVOMECS kills mature and immature worms, so you don't have to use it again in a couple of weeks. And IVOMECS gets external parasites, too. It does it all with just one simple shot under the skin. No wrestling. No Mess. No stress.

So go with your best shot. Get IVOMECS.

**Vegetable Producers Set Annual Fall Conference**

The Twelfth Annual Conference of the Texas Vegetable Association will be held Nov. 2-4, 1988, at the College Station Hilton. More than 200 conferees from across the state are expected to attend.

Educational activities will kick off on Wednesday, Nov. 2, at 1:30 p.m. with a special "Pre-Conference" session covering some of the basic principles for profitable vegetable production in Texas. Topics will include variety selection, selecting and using fertilizer, mulches and irrigation, pest control, preparation for sale, and choosing a market, said Spencer Tanksley, county agent with the Texas Agricultural Extension Service. A specially prepared information packet covering basic vegetable production will be available.

Registration for the remaining portion of the TVA Conference will be from 3-6:30 p.m. that day followed by a social at the Hilton Inn.

This year's TVA conference will cover such topics as plasticulture and drip irrigation, nationwide onion marketing,

food safety and nutrition, applied vegetable research from the Texas High Plains, and breeding cold hardiness into onions.

A panel of industry leaders in production, shipping and marketing of vegetables will discuss trends and expected changes predicted by the year 2001.

During the banquet on Thursday night, the prestigious TVA Award of Merit will be presented to a deserving member of the vegetable industry. Dr. Charles Arntzen, deputy chancellor and dean of agriculture at Texas A&M University, will be the keynote speaker.

On Friday, talks on grower financed promotional programs, workers' compensation in agriculture, pesticide safety, new chemical registrations and the Texas Water Issue will be covered, said Tanksley.

Tours for spouses will be conducted to Messina Hof Winery and the Bryan Garden District for shopping and lunch on Thursday. On Friday, a tour of the Heritage Society in Washing-

ton County and the Blue Bell Ice Cream plant in Brenham has been scheduled.

For additional information on the conference, contact Tom Longbrake, Extension Vegetable Specialist, 225 Horticulture and Forestry Building, Texas A&M University, College Station, Texas 77843; telephone 409/845-7341. Hotel reservations should be made direct to the Hilton, TVA Conference -- telephone 409/693-7500.

Those interested in attending the Louisiana Tech vs. Texas A&M football game at 2 p.m. Saturday, November 5, with the TVA group should contact Ray Prewett at 512/687-7158 or the A&M Ticket Office at 409/845-2311.

**STATEMENT OF NONDISCRIMINATION**  
Bailey County Electric Cooperative Association has filed with the Federal Government a Compliance Assurance in which it assures the Rural Electrification that it will comply fully with all requirements of Title VI of the Civil Rights Act of 1964, all requirements of Section 504 of the Rehabilitation Act of 1973, as amended, all requirements of the Age Discrimination Act of 1975, as amended, and all requirements of the rules and regulations of the U.S. Department of Agriculture to the end that no person in the United States shall, on the ground of race, color or national origin, or solely by reason of such person's handicap, or on the basis of age, be excluded from participation in, be denied the benefits of, or be otherwise subjected to discrimination in the conduct of its program or the operation of its facilities. Under this Assurance, this organization is committed not to discriminate against any person on the ground or race, color or national origin, solely by reason of such person's handicap, or on the basis of age, in its policies and practices relating to

applications for service or any other policies and practices relating to treatment of beneficiaries and participants including employment, rates, conditions and extension of service, admission or access to or use of its facilities, attendance at and participation in any meetings of beneficiaries and participants or the exercise of any rights of such beneficiaries and participants in the conduct of the operations of this organization. The person in this organization responsible for coordinating the nondiscrimination compliance efforts of this organization is Wanda Robinson. Any individual, or any specific class of individuals, who feels subjected by this organization to discrimination prohibited by Title VI of the Civil Rights Act, Section, by Section 504 of the Rehabilitation Act, by the Age Discrimination Act or by the rules and regulations of the U.S. Department of Agriculture may personally or through a representative, file with the Office of the Secretary, U.S. Department of Agriculture, Washington, D.C. 20250; the Office of the Administrator, Rural Electrification Administration, Washington, D.C. 20250; the Office of Advocacy and enterprise, U.S. Department of Agriculture, Washington,

D.C. 20250; or this organization, or all, a written complaint. Such complaint must be filed not later than 180 days after the alleged discrimination, or by such later date to which the Secretary of Agriculture or the Administrator of the Rural Electrification Administration extends the time for filing. Identity of complainants will be kept confidential except to the extent necessary to carry out the purposes of the rules and regulations of the U.S. Department of Agriculture.

**The Marvels of God's Creations**

WHY DO FISH LIVE IN WATER? We can answer this question partially by saying, that their lungs were created to draw oxygen from the water. However, to know how and why, we must look to God's word. "In the beginning God created the heaven and the earth." ... "And God said, let the waters bring forth abundantly the moving creature that hath life..."  
Attend Church and worship the one who created these marvels.

The Church is God's appointed agency in this world for spreading the knowledge of His love for man and of His demand for man to respond to that love by loving his neighbor. Without this grounding in the love of God, no government or society or way of life will long persevere and the freedoms which we hold so dear will inevitably perish. Therefore, even from a selfish point of view, one should support the Church for the sake of the welfare of himself and his family. Beyond that, however, every person should uphold and participate in the Church because it tells the truth about man's life, death and destiny; the truth which alone will set him free to live as a child of God.

**CITATION BY PUBLICATION**

THE STATE OF TEXAS  
TO: Thomas Randolph Shaw, Respondent:  
GREETINGS:  
YOU ARE HEREBY COMMANDED to appear and answer before the Honorable District Court, Bailey County, Texas, at the Courthouse of said County in Muleshoe, Texas, at or before 10 o'clock a.m. of the Monday next after the expiration of 20 days from the date of service of this citation, then and there to answer the petition of KERSONDRA IRENE SHAW, Petitioner, filed in said Court on the 6th day of April, 1988, against THOMAS RANDOLPH SHAW, Respondent, and said suit being numbered 5888 on the docket of said Court, and entitled "In The Matter of Marriage of KERSONDRA IRENE SHAW and THOMAS RANDOLPH SHAW", the nature of which suit is a request to Divorce.

The Court has authority in this suit to enter any judgement or decree dissolving the marriage and providing for the division of property which will be binding on you.

The Court has authority in this suit to enter any judgement or decree in the child's interest which will be binding upon you, including the termination of the parent-child relationship, the determination of paternity and the appointment of a conservator with authority to consent to the child's adoption.

If this citation is not served within ninety days after the date of its issuance, it shall be returned unserved.

The officer executing this writ shall promptly serve the same according to requirements of law, and the mandates hereof, and make due return as the law directs.

Issued and given under my hand and the seal of said Court at Muleshoe, Texas, this the 19th day of Oct., 1988.

Nelda Merriott Clerk,  
District Court,  
Bailey County, Texas. By Elaine Parker, Deputy.
