

10-2 and 4 Gets On New Pepper Cap

When you picked up that cold bottle of Dr. Pepper recently you may have noticed the new design on the bottle cap. Simplified and modernized, the new cap made its bow in Dallas and across the country June 1.

Perhaps you took less than five seconds in glancing at the cap, but almost a year of research, design consultation, and executive decision went into the selection of this new "trade-mark."

Shortly after Ruthrauff and Ryan, Inc. was named as advertising agency for the Company, Dr. Pepper executives went into plans to develop a new bottle cap. After some weeks elapsed, the Company was shown more than 150 designs developed by the agency, and additional designs were submitted by crown manufacturers.

Plans were then devised to expose the most promising designs to the soft drink consuming public in what was termed "jury tests". Consumers were shown these de-

signs in eight cities across the country, and results of the interviews carefully tabulated and weighed.

Phase number two was the use of the ad detector, a device based on the same principles involved in the lie detector. This device measured the "arousal value" of the several crown designs shown the consumers on whom the test was made.

Then, early in 1950, actual crowns were made up from the most popular designs based on the first two tests. These were then sent to 10 Dr. Pepper bottlers across the country with instructions to "cooler test" the new crown designs against the "old" crown and the crowns of competitive drinks. The tests were actually conducted for a month in more than twenty cities large and small, and in varying degrees of Dr. Pepper development.

On completion of these tests, an independent industrial designing firm was consulted in Chicago — and out of this careful, painstaking project came the design which graces Dr. Pepper bottles today.

Perhaps one of the more important results of the ultimate design selected is the saving effected by bottlers. The cap is produced in

A six-months conscience caught up with somebody in Ranger, making him return a billfold that he stole January 1 from R. C. Everett.

The conscience didn't bother the thief enough to make him return the \$24.29 that was in the billfold when it was taken.

Everett said that someone stole his wife's billfold out of the car when it was parked near a local cafe. That was six months ago; yesterday the man tucked the billfold between the screen and front door of Everett's house while he and his wife were working.

one color—instead of two—and the manufacturing saving accrues to the individual bottlers. Although this is a small unit saving, nevertheless it can become important on a volume basis. The cap is printed in red on a natural metal background.

This is the first "trade-mark" change to be made by Dr. Pepper in some 25 years. The lettering on the cap will carry over into all phases of company advertising and become a new logotype.

Insurance is a Life-Time Affair—

.....and is so considered by those who figure safety as a business and protection as an investment. The fact that a person has carried insurance many years and never had a claim does not mean that he lost his money premiums. Rather he has gained them because he invested in safety, got protection and lost none of his property. If we buy insurance for what it really is a large part of our financial problems will solve themselves.

AUSTIN, June 13. . . A thirteenth day glimpse of some of nature's recent oddities, as reported to the Game, Fish and Oyster Commission, could stimulate hoodoo worries among the ordinarily non-suspicious Animal Kingdom.

In Austin, a city truck driver claims the most distinctive bird's nest in captivity. He said a wren insists on building a nest in his truck which is mobile most of the time. The bird stays with the truck and thus has obtained housing material from all parts of the Capitol City.

A Harlingen man caught an alligator under his barn floor. This is far off the beat of these aquatic animals. It was three feet long. A Kingsville cat which has mothered 70 kittens and last year adopted nine baby opossums has been nursing four abandoned skunks.

A Fort Worth man found a squirrel inside the nose wheel of a B-36 bomber parked outside the Convair plant. A Beaumont cold storage plant, for some strange reason, was used as the temporary home of a wild duck and four ducklings.

The nursery room of a Kenedy, Texas, Methodist Church housed a large blue racer snake until a

Sunday School teacher sounded the shrieking alarm after discovering the reptile atop some building blocks. A federal trapper caught two adult wolves at the mouth of their den and ran his bag up to eight predators after finding six pups nearby.

A Texan rescued a wild turkey swimming in Eagle Mountain Lake, noticed a leg band and number and thought the smart thing was to ship turkey, hand and all to the game department. The bird escaped but the band number was forwarded, providing vital data to game managers. Yowis from beneath his truck hood prompted an Austin resident to locate a pussycat being massaged by the engine fan. Saved from this spot, the cat promptly scooted to another machine—and climbed inside the hood, YOWEE!

Boy Genius Doesn't Like Marie's Looks

HOLLYWOOD, (UP)—Cy Howard, the boy genius of radio, is the only man alive who doesn't like Marie Wilson's looks in a plunging neckline.

And that, he said, proves he's a "character."

Marie agreed with him.

"When the papers run one of those pictures of me—you know what kind I mean," she giggled, "it ruin'n Cy's whole day."

Howard has his reasons for this. He explained it this way:

"To men, Marie is 'My Friend Irma.' Irma isn't a low-cut neckline type. I hate to see her out of character."

That's a sin Howard was never guilty of. At 35, he's radio's top screwball-genius. He writes, produces and directs. He also screams

bellows, sneers and hollers louder than anybody.

Sometimes he's funnier than the script.

"If my talents don't impress you," he'll leer at a balky actor, "I'll bring in my clippings. I'm very big in New York. They don't know you don't let me direct."

"And don't correct me! That gives me complexes."

Rebekah Lodge Formally Organized; Many State Officers Here For Gala Ceremonies At Legion Hall

Rebekah Lodge No. 177, I.O.O.F. was formally organized here Monday evening, June 12, 1950 at the American Legion Hall, by members of the Harmony Club, who had organized previously to institute the Lodge here. They were also hostesses to the guests here for the occasion.

Visitors from Gorman, Cisco, Ranger, DeLeon, Mineral Wells, Fort Worth Abilene Baird, Breckenridge, Smithville, Gordon, and Eaton, Illinois registered in the visitors register presided over by Mesdames Ruth Lewis, Lola Humphreys and Olive McCain. Members badges were presented by Mesdames Johnnie Mathews, Irene Porter and Jo Herring.

The hall was beautifully decorated with arrangements of carnations and greenery in colors significant of the Order of Rebekahs. Lantern effects on the lighting fixtures were also in colors emblematic of the Order, and at various times in the ceremonies colored lights and spotlights were employed which added much to the effectiveness of the ceremony.

The meeting was called to attention by Mrs. Johnnie House, Past President of the Rebekah As-

sembly of Texas, who, acting by the authority and for Mrs. Mabel Patterson, President of the Rebekah Assembly of Texas, and assisted by Mrs. Berta Porter, Secretary and Mrs. Evelyn Lovelace, Warden of the Assembly, and Mrs. Eula Gillock, District Supervisor, declared a temporary Rebekah Lodge which was opened in form. The petitioners for the new Rebekah Lodge were recognized. The meeting was then turned over to the Eula Gillock Degree Team of DeLeon who presented the beautiful and impressive Rebekah Degree, to the candidates and members present. The team, about thirty-five in number, had the officers in formal dress and the characters in colorful costumes. Mrs. Gillock was at the piano.

Following the initiatory ceremony, Eastland Rebekah Lodge was formally instituted with the following members; by card; Mesdames Opal Terrell, P. N. G., Blanche Nicols, P. N. G., Jo Herring, P. N. Brock, Robt. Monk, W. B. Howell, Donnie Rogers, and Ben Mathews, by initiation; Mesdames Lola K. Humphreys, Hazel Peyton, Minerva Harbin, Bessie Hart, Thelma Williams, Della Hagar, Olive McCain, Allene Mathews and Ruby Barton. The Charter list was closed.

The first order of business for the new Lodge was the election of officers as follows; Noble Grand, Opal Terrell; Vice Grand, Beulah Monk; Recording Secretary, Irene Porter; Financial Secretary, Olive McCain; Treasurer, Mary Frances Street.

The Noble Grand appointed, Warden, Loney Brock, Conductor, Lola Humphreys; Chaplain, Erma Kelly; Musician, Ruth Lewis; Color Bearer, Etta Drake; Right Supporter to the Noble Grand, Johnnie Mathews; Left Supporter to the Noble Grand, Jo Herring; Inside Guardian, Allene Mathews; Outside Guardian, Robt. beautiful floor drill as they escorted and seated the installing officers and later the new officers of the Eastland Lodge.

Johnnie Mathews, Deputy Marshal, presented the officers badges, which were a gift from the Ranger Installation Staff.

Following the installation of officers, the visiting officers of rank were presented and given the proper recognition. Introduced were; Mrs. Johnnie House, Past President of the Rebekah Assembly of Texas and Mrs. Berta Porter, Secretary of the Rebekah Assembly of Texas, both of Fort Worth; Mrs. Evelyn Lovelace, Grand Warden, of Smithfield; and Mrs. Eula Gillock, District Supervisor, of DeLeon. Gifts were presented to the instituting Officers and talks were made by the visiting Grand Officers.

Happy Is The Day When Backache Goes Away

As we get older, stress and strain, over-exertion, excessive smoking or exposure to cold sometimes slows down kidney function. This may lead many folks to complain of nagging backache, loss of pep and energy, headaches and dizziness. Getting up nights or frequent passages may result from minor bladder irritations due to cold, dampness or dietary indiscretions. If your discomforts are due to these causes, don't wait, try Doan's Pills, a mild diuretic. Used successfully by millions for over 50 years. While these symptoms may often otherwise occur, it's amazing how many times Doan's give happy relief — help the 15 miles of kidney tubes and filters flush out waste. Get Doan's Pills today!
