Side Issues

HENRY G. VERMILLION

This is a birthday issue of the Eastland County Record, in Volume 21, No. 1.

Less technical terminology. The Eastland County Record has reached an age, and this is our 21st birthday.

A couple of years or so ago on the occasion of the anniversary, I reviewed the history of the paper so I won't go into that at this time.

It is to say that we have the largest paid circulation in the history of the Record, and we hope to have many another birthday.

An anniversary is not unaccompanied by some pain.

Here Hutto got sick Wednesday and this has been practically a newspaper from a prostrate standpoint. The one man who

is slighted any of you in my, please forgive me. I've been the best I can.

My wife, who has never before been on a newspaper, has joined the staff of The Record, and I hope the stories in this issue will be

to you know anything worth writing, call Mrs. Vermillion, and I'll get in the paper if that is the husband of hers doesn't mind.

Preparations for the 1951 Quartet Club Minstrels are going on in a hurry, they tell me, but the services of James

is now in the Marines, had to be every one of the shows.

My last I heard of him, he was suffering a severe eye infection. I wish my friends here, I wish for a speedy recovery.

trouble with these weeks is they make 'em too short.

7-Day Cooking School To Be Held

Miss Anna Bines, director of home service for the Texas Electric Service Company, will conduct a cooking school in Eastland Monday and Tuesday.

The Majestic Theatre in Eastland will be the scene of the Texas Electric Service Company's 7-day Kilowatt Cooking School to be held Monday and Tuesday, it was announced this week by W. P. Pickens, district manager for the company.

The school will begin at 9:30 a. m. on each of the two days, Monday and Tuesday, Pickens said. Admission to the school will be free.

Pickens said the school will be of particular interest to housewives and homemakers of this area because of the practical type of instruction to be imparted.

Conducting the school will be Miss Anna Bines, director of home service for the electric company. She will be assisted by Miss Joyce Pickens.

Prizes will be given on each of the two days of the school, company officials said.

Travis Harrell of Lackland Force Base, San Antonio, is spending a 15-day furlough visit with his parents, Mr. and Mrs. B. Harrell, and sister, Mrs. Bill Harrell.

Friday Basketball Game To Benefit Red Cross Drive

The current Red Cross drive in Eastland will be benefited by a basketball game to be played at 8 p. m. Friday in the Eastland High School gym between Lamb Motor Company of Eastland and the Desdemona Independents, it was announced Thursday.

Eastland Red Cross drive Chairman Cyrus B. Frost, Jr., said all proceeds from the game have been promised to the Red Cross drive, which has gained close to the half way mark in Eastland.

The quota in the city is \$1500, and on Monday, \$745.75 had been collected in the city, Frost said.

Cisco was over its \$1500 quota with \$1672.63, said Mrs. Willard White, the Cisco chairman.

The county drive was just about at the half-way mark.

Ranger was trailing still in the three larger towns, with \$286 reported by the chairman, Miss Marjorie Maddocks.

In rural areas, complete returns of \$41.15 were reported from Pioneer, \$9.45 from Sabanno, \$76.65 from Cheaney and \$7.50 from Nimrod.

Incomplete returns were in from Lake Cisco \$3, Flatwood \$21.30, Crocker \$11, Word \$31.50, Okra \$51, Colony \$7 and Howard of Desdemona \$68.50.

The county total was \$3053.93, against a quota of \$8000.

Mrs. John Love, county drive chairman, said she still was hopeful that the county would meet the quota before the campaign ends.

Leaders Named In Clean-up Drive

Members of the Eastland spring clean-up committee of the Civic League and Garden Club were announced Thursday by Mrs. T. E. Richardson, general chairman of the drive.

Mrs. Richardson said that anyone wishing to obtain information on the clean-up, or to get trash removed, could call a committee member in the neighborhood, or could call Mrs. Richardson.

Actual city pick-up of trash in the drive will begin Monday, April 2, Mrs. Richardson said.

She urged a concentrated effort to get all unsightly trash and rubbish gathered up by then and put in piles near an alley or street.

Committee members are Mesdames M. S. Long, J. L. Cottingham, I. C. Heck, N. P. McCarty, Pearson Grimes, and Cecil Hollifield, and for the colored section, Jennifer Jones and Gloria West.

Mrs. Hollifield will be committee member for the downtown section, Mrs. Richardson said.

Polio Chapter Session Scheduled Friday

Officers of the Eastland County Chapter of the National Foundation for Infantile Paralysis will be elected at a meeting in the County Courtroom in the Court-house in Eastland at 8 p. m. Friday, it was announced this week by Mrs. Merle Barthelmy, acting county chairman.

County Treasurer Joe Collins, now in the Air Force, was chairman.

A film on the care and treatment of polio will be shown at the meeting by Ralph Frede, central Texas representative of the National Foundation for Infantile Paralysis.

Mrs. Barthelmy said the public is invited to attend the meeting.

Grover Collins Rites Held Here Tuesday

Funeral services for Grover Collins, 66, of Flatwood were held Tuesday afternoon in the Hamner Funeral Chapel in Eastland, with Rev. J. M. Bailey officiating. Burial was in the Eastland Cemetery.

Mr. Collins, life-long resident of Eastland County, died Monday in a Temple hospital.

Survivors include his widow, two daughters, Mrs. Merle Hickman of Rising Star and Mrs. Nell McAnally of Cisco, a sister, Mrs. S. V. Pritchard of Gorman, and three brothers, J. E. Collins of Eastland, T. J. Collins of Clyde and L. L. Collins of Gorman.

Hospital Fund-Raising Drive To Open March 30

RURAL WOMEN SOLICIT RED CROSS FUNDS IN DRIVE

Home demonstration club women of Eastland County again are pushing the Red Cross drive in the rural areas of the county, and above are a group of the women working in the rural areas. Seated at left is Mrs. John Love of Cheaney, the county drive chairman, and at right, Mrs. M. W. Grieger of Flatwood, rural areas chairman. In front row, standing, left to right are shown Mrs. A. H. Dean of Cheaney; Miss Willie

Word of the Word Club; Mrs. Marshall Berry of Pleasant Hill; Mrs. Paul Cawley of Okra; Miss Allene Fonville of Salem; Mrs. Joe Sparks, county home demonstration agent; Mrs. John Ryan of the Howard club, Desdemona, and Mrs. Nellie Housh of Lake Cisco. In far back row, left to right, are shown Mrs. J. S. Turner of Flatwood, Mrs. J. F. Mosley of Colony and Mrs. H. C. Fridge of Pioneer. (Photo by Shultz Studio.)

Public Meeting Set At High School For Final Discussions

Eastland's drive for a hospital, which has been in the talking stage so far, will get into the acting stage at a public meeting in the Eastland High School auditorium at 7:30 p. m. Friday, March 30, members of the Civic League and Garden Club hospital committee decided at a meeting Wednesday.

At the public meeting, plans for a proposed all-new hospital will be on display, and an estimate of the cost will be announced.

Anyone who wants to can have his say, and then the fund-raising is scheduled to begin.

Getting the money is expected to be the hard part of the hospital campaign, although it has been hard enough for the committee to congeal public opinion on any sort of definite plan for the hospital.

The hospital it is proposed to build will be a one-story all new building with 15 beds, and all the features a small hospital is supposed to have.

It is proposed to build it on the hospital site at Daugherty, Plummer and Green Streets.

Ted Howard, architectural student at Texas A. & M. College, is bringing the hospital plans with him for the Easter holidays, and also the cost estimate, which is not to be announced until the public meeting.

Mayor W. W. Linkenhog is to preside at the meeting, which is to be attended by members of the City Commission. The city has agreed to run the hospital if the town will build it.

Eastland High School Band Director T. R. Atwood will direct the band in a group of numbers at the beginning of the meeting.

Members of the hospital committee are to meet with Howard Friday evening to see the plans for the building.

Howard earlier had brought a set of tentative plans, but not the finished drawings.

Lone Star To Show Refrigerator Line

Orchids are to be given to all the ladies who attend the first Eastland showing of the 1951 Servel gas refrigerators Friday in the Lone Star Gas Company showroom, Lone Star Manager Hubert Westfall said Thursday.

The orchids were being flown from Hawaii especially for the occasion.

The showing will be from 2 to 9 p. m., and Willy-Willys Furniture Mart will join Lone Star in the showing.

The new Servels, featuring a 10-year guarantee and silent operation, have been re-designed so as to offer greater food storage and yet occupy less space in the kitchen, Westfall said.

For the first time in 15 years, the company is making a large refrigerator of 11.5 cubic foot capacity, equipped with two doors, one for frozen food compartment and the other for the regular cold compartment.

Lions To Have Lunch In Masonic Building

Eastland Lions Club will have its luncheon Tuesday of next week in the Masonic Hall banquet hall instead of the regular place in the Methodist Church basement, which will be unavailable, it was announced Thursday by Judge M. S. Long, president of the club.

At the meeting Tuesday, Judge Long said he would appoint a committee at next week's luncheon to nominate officers for next year.

The club also heard announcements of the coming district and international conventions.

Judge Long said Neil Day of Eastland, deputy district governor, might have had the nomination for district governor for next year, but had chosen "not to run."

Mrs. Tom Bearden of Los Angeles visited in the home of her brother, V. T. Moser, and family Friday and Saturday.

Friday Basketball Game To Benefit Red Cross Drive

The current Red Cross drive in Eastland will be benefited by a basketball game to be played at 8 p. m. Friday in the Eastland High School gym between Lamb Motor Company of Eastland and the Desdemona Independents, it was announced Thursday.

Trades Day Events To Be Continued

The Saturday trades days in Eastland will be continued, Eastland Chamber of Commerce Manager H. J. Tanner said this week after taking a poll of merchants taking part in the event.

The trades day event to be held a week from Saturday would have been the last had the program not been favored by enough merchants.

Tanner said only two of those who had been participating were opposed in any way to continuing the program.

Trash Fire Leads To House Blaze

Fire which started apparently from burning trash in a barrel destroyed a garage and washhouse Monday at the home of Charles Lovelace at 613 South Lamar Street, and for a time threatened to destroy his home too.

At it was, the house escaped with a charred and scarred north side and roof. The rest of the house was saved by the Eastland Fire Department.

A path of blackened grass led from the blazing trash in the barrel to the garage and wash house, which was burning big when the fire was discovered. Efforts of a bucket brigade were ineffectual, and before the fire department alarm was sounded, the outbuilding blaze was swept so strongly by a north wind that it had set on fire the north wall of the Lovelace home, some 15 or 20 feet to the south.

Lovelace said the fire loss was covered by insurance. He said tools and other belongings lost in the wash house were valued at some \$700.

Mother Of Eastland Man Is Injured

Charles Moore of Eastland left Monday to be with his mother, Mrs. Virginia Wrather of Kilgore, who was injured Saturday in an automobile accident.

Mrs. Wrather was on her way to Eastland to spend the Easter season with her son and his family when the accident occurred. Her car apparently skidded and overturned on wet pavement.

She is in the Roy Laird Memorial Hospital in Kilgore, suffering a broken vertebra and other injuries.

Myrick Again Head Of Dairy Group; Show Plans Made

A. Z. Myrick, Cisco dairyman who is the only president of the Eastland County Dairy Association has ever had, was assured of that distinction for another year Friday night when he was re-elected president of the group.

This will make Myrick's third term in the post.

Forrest Boone of Rising Star was named vice-president and Marshall Berry of Carbon was named secretary-treasurer.

Directors named at the meeting in Eastland were Loyd Freeman and Edward Watkins of Rising Star, C. D. Simmons and John W. Henderson of Gorman, L. O. Swindle of Cisco, Raymond Sprawls of Scranton, V. L. Jones and J. W. Moseley of Ranger and L. R. Higginbottom of Kokomo.

Plans for the annual Eastland County Dairy show sponsored by the association in Eastland each year were discussed, and groups named to prepare for the show.

H. J. Tanner and Theo Lamb, representing the Eastland Chamber of Commerce, reported for that group.

Eastland High School Vocational Agriculture Teacher M. D. Fox was named chairman of a committee to work out plans for the show, catalog, and George I. Lane and County Agent J. M. Cooper were named to help him.

Rising Star High School Vocational Agriculture Teacher H. L. Geye was named chairman of the show judging contests, and S. P. Spenny and Jack McCarty of Rising Star were named to help him.

Cooper Tells Club Of New Farm Outlook

Agriculture in Eastland County is branching out in new directions, Rotarians were told Monday by County Agent J. M. Cooper.

Cooper told the club of the effort being made by the government to get farmers of the county to grow castor beans; of the program for growing blackeyed peas that was begun last year and is continuing this year, and of the greater acreage in cotton that will be grown in the county this year compared to any recent year.

All these are being done, he pointed out, because the peanut crop that has been the mainstay of the county's agriculture for a good many years is restricted by government quotas, and because wise farmers are learning more and more of the beauties of diversified farming.

The post office lobby now is being closed at 7:30 instead of 8 p. m., he said.

New A. & P. Store Manager Takes Over

Fred Parsons, formerly of Longview, has been transferred to the Eastland A. & P. store as manager, and assumed his duties this week.

Parsons formerly had worked in A. & P. stores in Henrietta and Burkburnett.

He succeeds the late B. Howard Green, who died a few weeks ago.

Sunrise Easter Service Scheduled

All members of the recently formed Eastland Ministerial Fellowship will take part in the sunrise Easter service at 6 a. m. Easter Sunday in the First Methodist Church.

Rev. Truman Walker will give the invocation, Rev. W. E. Hallenbeck will offer a sunrise prayer, and the scripture will be given by Rev. Loyd Chapman.

The sermon will be delivered by Rev. Otto F. Marshall, and the benediction will be given by Rev. William C. Emberton.

Rev. J. Morris Bailey will be the host pastor.

Members of the ministerial group, which is sponsoring the sunrise service as its first activity since its organization, invited the public to attend the service.

Mrs. J. P. Kilgore will play the church organ for music before and during the service.

Post Office Hour Changes Are Made

Because of the current Post Office Department economy move, a number of schedule changes at the Eastland Post Office were made Tuesday, Postmaster E. E. Layton announced.

Last collection from the courtesies box on the sidewalk at the post office now is at 6:45 p. m. instead of 7:45 p. m.; last dispatch of outgoing mail now is closed at 7 p. m. instead of 8 p. m.

Layton said that local mail for morning delivery on the city routes should be deposited in the post office not later than 5 p. m.

The post office lobby now is being closed at 7:30 instead of 8 p. m., he said.

Horse Show And Contests To Benefit Drive For Hospital

Plans were made at a meeting in Eastland Thursday night for a giant benefit horse show and roping and cutting events in Eastland Saturday, April 14 to raise funds for the Eastland hospital.

Bob Lucas of Fort Worth, president of the Texas Palomino Exhibitors' Association, and Dr. G. H. Alexander of Terrell, secretary, were on hand to discuss the plans for the Palomino show, expected to draw 50 entries or more.

In addition, there will be a show for quarter horses, and that will be under sponsorship of the American Quarter Horse Association.

Dr. Alexander and his wife flew to Eastland for the meeting.

Fast calf ropers of this area are to be on hand for the show here, it was said, including Royce Seawalt of Brownwood, Don McGoughlin of Fort Worth, Dan Taylor of Big Spring and Jack Newton of Abilene.

In addition, some of the finest cutting horses in Texas are to be seen in action, including those from the famed 3-D Stock Farm at Arlington.

Outside events will be sponsored by the Eastland Roping Club at its outdoor arena near the Sig Faircloth Auction Barn, and the city will erect seats for spectators, it was said.

Show events will be in the auction barn arena.

Spain's Feed Store To New Address

Spain's Feed Store will be moved over the week end to its new location on North Seaman Street, and will be open for business there Monday, Mr. and Mrs. W. D. Spain, owners, said Thursday.

The new building has been erected by the Spains for their feed business. It is of frame and corrugated iron construction, and has dimensions of 28x50 feet.

The store has been housed in a building on West Commerce Street for some time, and before that was on South Seaman Street.

Mr. and Mrs. Spain invited the people of the Eastland area to visit them and inspect their store in its new location, which is near the Eastland softball park.

HADACOL is Requested By Nurses

HADACOL Helps Folks Suffering Deficiencies of Vitamins B₁, B₂, Niacin and Iron.

Registered nurses, in increasing numbers, are showing a keen interest in HADACOL and in the results that are being secured with this great modern formula. Requests have been received from many of these nurses for professional samples of HADACOL and many of them indicated that they recommend the HADACOL formula to patients who are deficient in Vitamins B₁, B₂, Iron and Niacin.

Mrs. Lovett
Mrs. L. D. Lovett, a registered nurse who lives at 2205 Walnut St., Philadelphia 3, Pennsylvania, says this about HADACOL:
"I was down in Florida for the past month. I had no energy so several members of my family told me to try a bottle of HADACOL. My sister, who is a nurse, was taking a bottle so I tried a bottle. I feel fine since taking HADACOL. I do private duty here. I am 50 years old."
HADACOL can help you if you suffer such deficiencies. Ask your druggist for HADACOL today. Only HADACOL gives you that "Wonderful HADACOL feeling."

DODGE**

"Job-Rated" TRUCKS

The trucks that do the most for you!

Makes driving extra easy!

You get smooth-as-silk performance with gyrol Fluid Drive—a Dodge exclusive available on 1/2, 3/4, and 1-ton models. This proved fluid coupling between engine and clutch eliminates jerky starts, helps prevent stalling. Loaf along in high, slow down in traffic, speed up again—all without touching the gearshift or clutch!

More convenience on hills!

Fluid Drive lets you stop on an upgrade and hold your Dodge "Job-Rated" truck in gear, simply by slightly speeding up the engine. And on a downgrade, Fluid Drive gives you effective engine braking. Under all driving conditions, Fluid Drive is easier on both driver and truck.

New safety on slippery roads!

With Fluid Drive, there's less wheel-spinning, less tendency to skid on wet or icy pavements. You can start in higher gear, apply power gradually and get away smoothly and safely. Traction is applied more efficiently. With less wheel-spinning, tires last longer, too—another money-saving advantage of Fluid Drive!

Lengthens truck life!

The "cushioned" power of Fluid Drive saves wear and tear on over 80 vital parts—including clutch, transmission, rear axle. This insures longer truck life—lowers your upkeep costs. And trade-in value stays high! Ask us for interesting booklet on gyrol Fluid Drive.

Better load protection!

Fluid Drive assures extra-smooth starts . . . protects your load. There's less chance for cargo to shift—less chance of breakage or other damage.

WHAT "JOB-RATED" MEANS TO YOU
A Dodge "Job-Rated" truck is engineered at the factory to fit a particular job . . . save you money . . . last longer.

Every unit from engine to rear axle is "Job-Rated"—factory-engineered to haul a specific load over the roads you travel and at the speeds you require.

Every unit that SUPPORTS the load—frame, axles, springs, wheels, tires and body—is engineered right to provide the strength and capacity needed.

Every unit that MOVES the load—engine, clutch, transmission, propeller shaft and rear axle—is engineered right to meet a particular operating condition.

COME IN AND BE CONVINCED! TRY A NEW **DODGE "Job-Rated" TRUCK** WITH FLUID DRIVE!

WHO CAN RECOGNIZE Mother Goose? The old crone has gone soft. To blame are child psychologists, alarmed by her lustier tales and the gore and questionable morals they display. Junior, led to the brink of total depravity by radio, video and comic books, mustn't be shoved over the precipice by bedtime tales, so they doctored the stories.

In the modern versions, the characters lead a clean, dull life. Nothing ghastly ever happens to infringe on nightmare patents held by Hopalong Cassidy. Here are a few examples of the reforms instituted by the psychological vice squads:

Baby, in Hush-a-Bye Baby, doesn't land on his fat little head any more when the bough breaks, because the bough doesn't break. It bends. Baby gets a gentle sway to the accompaniment of background violins.

All the king's horses and all the king's men put Humpty-Dumpty back together again—with cellulose tape. Or else, he didn't fall off the wall at all when eggs were supported by parity.

Tom, Tom, the piper's son, doesn't steal pigs. (A little black marketing, maybe, but absolutely no stealing.)

The Three Blind Mice are no longer blind—they're kind. Their tails get no whacks with a carving knife, but a home permanent, so they can appear in ads asking, "Which Tail Has the Toni?" (Not a commercial. We can't recommend Toni for the tails of mice.)

Mother Hubbard's cupboard is stockpiled now, but no one mentions before innocent babies that probably she's hoarding.

The Old Woman Who Lives in a Shoe no longer feeds her offspring breadless broth and sends them to bed with blows on the backside. There's hot soup, a juicy sirloin and a goodnight kiss to placate their impressionable little egos.

How sweet! No wonder the kids have turned to radio cowboys, even though most of them drink sarsaparilla.

Women first appeared, as professional dancers on the French stage in the 17th century.

The first Bible printed in America was printed in the Indian Language.

Kerosene replaced whale oil as a means of illumination.

FFA CHAPTER DONATED USE OF TRUCK BY MOTOR FIRM

Above is shown the ceremony recently in which the King Motor Company of Eastland donated use of a Ford pickup to the Eastland High School chapter of the Future Farmers of America. H. L. King, second from left, is shown handing keys to the pickup to M. D. Fox, vocational agriculture teacher at the high school and F.F.A. club sponsor, while School Supt. W. G. Womack, far right, and Bob King, second from

right, look on. Fox said the pickup is one of the most valuable aids the boys in the chapter could have obtained. He pointed out that it will enable them to locate and secure better stock for feeding; will enable them to take livestock to shows; will permit taking bulky equipment and teaching aids to and from the school and demonstration farm, and will serve in other ways to further the agricultural teaching program.

Thursday Club Has Browning Program

Mrs. Hubert Jones reviewed the book "The Immortal Lovers" at the meeting of the Thursday Afternoon Club last week.

The tender story of the lives of Robert and Elizabeth Browning was given as a part of a full program on Browning.

Mrs. Roy Townsend, leader, presented Mrs. Robert Perkins, who recently on a trip to Baylor University at Waco gathered information on the fine Browning collection in the new Browning Memorial on the campus. She gave a full report on the old first editions in the Browning Library housed in the building.

Mrs. B. W. Patterson sang "The Years of Spring" from Browning's "Pippa Passes."

During a business meeting, Mrs. Arthur Murrell was elected delegate to the Sixth District convention to be held at Junction April 5 and 6. Mrs. Ben Hamner was named alternate.

Attending were Mesdames J. M. Bailey, Frank Crowell, Cecil Collins, Earl Conner, Sr., W. B. Pickens, Dixie Williamson, Harold Durham, Jack Frost, C. W. Hoffmann, James Horton, W. W. Linkenhogger, W. P. Leslie, Milburn Long, Frank Lovett, J. M. Perkins, Robert Perkins, Fred Davenport, and those on the program.

Pvt. Harold Dwain Lusk, son of Mr. and Mrs. Jack Lusk of Eastland, has been assigned to attend school at the Army Chemical Center in Maryland.

R. E. McKee, Eastland oil man, left Wednesday for Fort Worth to enter All Saints Hospital for an extended checkup. He had been in a Ranger hospital for several weeks after a heart attack. He was accompanied to Fort Worth by his daughter, Miss June McKee, who will remain with him.

Mrs. John Osborne and Miss Jane Osborne were in Dallas the earlier part of the week.

WARNS OF WEAKNESS Gen. Omar Bradley tells committee that weakness in rope invites attack and laughing stock of defense plan.

MOST TEMPTING LIPS Irish Constance Smith, now in Hollywood, has been acclaimed girl with most tempting lips in America's cosmetologists.

Mr. and Mrs. Parker Browder daughter Barbara of Borger, visited his parents, Dr. and Mrs. C. Brown, last week end. He is employed with the Continental Oil Co., at Borger.

REEDER ASSISTANT MANAGER OF FIRM

Joe Reeder has been transferred by Higginbotham-Bartlett Company from Colorado City to be assistant manager of the firm's Eastland lumber yard, it was announced this week by the local manager, R. L. Perkins.

Reeder and his wife, who will join him here the first of the month, will live at 307 South Dixie Street.

Mrs. Perkins Honors Episcopal Easter Services Scheduled

Mrs. Joseph M. Perkins entertained in her home Friday evening with a dinner honoring Mrs. Few Brewster of Austin and Mrs. Sam Sullivan and Mrs. Jim Weatherby, both of Goldthwaite.

The honor guests were in Eastland to attend the Sixth District Music Festival.

Mrs. Sullivan is president of the Sixth District, Texas Federation of Music Clubs, and Mrs. Brewster was guest pianist and judge of the piano contests during the festival Saturday. Mrs. Weatherby is the sister of Mrs. A. F. Taylor of Eastland.

Other guests at the informal dinner, served at a sweet pea-centered table, were friends of the honorees, and included Mrs. Bill Brashier, Mrs. Grady Pipkin, Mrs. Taylor and Mrs. Robert Perkins.

Episcopal Easter Services Scheduled

Special Easter services will be held at 11 a. m. Sunday in Trinity Episcopal Church in Eastland with Rev. William Albert officiating. Communion services will be held. The public was invited to attend.

Good Friday services are to be held in the church at 8 p. m. Friday, with confirmation classes to precede the service.

Mr. and Mrs. L. J. Lambert and daughter, Mrs. Fred Scott of Cisco, attended the funeral of Mrs. Lambert's niece, Mrs. Pauline Daniel, in Weatherford Tuesday. Mrs. Daniel, formerly Miss Pauline Snyder of Eastland, died at her home in Las Vegas, Nev., after an operation.

W.S.C.S. TO HAVE DINNER FOR YOUTH

Annual Youth Fellowship Dinner of the W. S. C. S. of the First Methodist Church, to be held Tuesday in the church, was planned in final detail by members of the society at their meeting Monday.

All the young people of the church were invited to attend the dinner, which will begin at 6:30 p. m.

At the meeting Monday, Mrs. Fred Davenport was program chairman, and presented Mesdames J. M. Bailey, W. P. Leslie, and Earl Bender, who discussed mission articles. Mrs. Frank Crowell and Mrs. R. D. McCrary gave a short skit on home and foreign missions, and Mrs. A. E. Cushman gave short Bible readings.

The entire program was on periodicals of the church.

Mrs. Ina Bean presided over the business meeting.

Present in addition to those mentioned were Mesdames R. C. Ferguson, T. L. Fagg, Ida M. Foster, Frank Castleberry, B. O. Harrell, J. A. Doyle, W. H. Mullings, George I. Lane, O. O. Mickle, R. D. Estes, Will Martin, and Cecil Collings.

CIVILIAN DEFENSE FEDERATION TOPIC

"Civilian Defense" as outlined by home demonstration clubs of Eastland County was the subject of the program of the County Federation of Clubs at its meeting in Gorman Saturday.

Mrs. E. E. Todd of Gorman was program chairman. Mrs. W. H. Mullings of Eastland gave the invocation, after which the pupils of Mrs. L. L. Collins of Gorman sang a group of songs.

Mrs. Todd outlined the civilian defense program on which members of the home demonstration clubs are working, to be prepared in case of a war emergency.

During a business session, presided over by Mrs. A. Louise Weber of Rising Star, president, Mrs. A. J. Olsen of Cisco was elected delegate to the Sixth District convention to be held April 5 and 6 in Gorman. The next meeting will be held at 1 p. m. May 26 as a luncheon at Cisco Park in Cisco.

Eastland women attending the meeting were Mesdames Bill Jessop, delegate from the Eastland Civic League and Garden Club, and Mullings, treasurer of the federation.

SHERIFF'S NOTICE OF SALE

THE STATE OF TEXAS, COUNTY OF EASTLAND

WHEREAS, by virtue of a certain judgment issued out of the District Court of Stephens County, Texas, on the 18th Day of December, A. D. 1950, wherein C. V. Welch and C. A. News From . . . Morton Valley

By MRS. CLIFTON BECK

Spring is here, tra-la, tra-la. One of the best ways to get your gardens spaded, ladies, is to mention those horrible, slimy, long worms in the ground (that you want dug.) That ought to do it, unless the man of the house uses a rod and reel, altogether.

Almost everyone who plans to raise chickens has bought theirs. If anything can make us think of spring, it's a soft yellow chick. Mr. and Mrs. Jeff Laughlin have 1200. Mrs. Copeland has 700 and there are quite a few with one and two hundred.

We notice that Mrs. Frost's duck has gone back to the pond in the corner of Mr. Tobe Morton's pasture. The children always look for it there. Another sure sign of spring.

Five girl members of the Odessa A Cappella Choir spent last Wednesday night in the home of Mr. and Mrs. John H. Nix. The Odessa group sang in Eastland.

Mr. and Mrs. H. C. Thompson returned home Monday after visiting Mr. and Mrs. W. B. Stewart in Lubbock.

Mr. and Mrs. H. C. Pounds were dinner guests of Mr. and Mrs. Johnston Smith in Eastland Saturday

By LITTLE HULL

NOT ONE MAN, of all those who are filling the air with platitudes and bromides about sending or not sending troops to Europe, but realizes, that if the Russian hordes attack, these troops will be destroyed unless they can retreat into an armed Spain! Why hasn't a single one of them the political guts to get up on his hind legs and tell the country the truth? What if they do lose the votes of those whom Red propaganda has fooled?

The Spaniards know what will happen if Russia decides to take Europe—and these orators and legislators of ours know it also. They know that Russia will probably drop thousands of paratroopers in the vital parts of an unarmed Spain and, within a few days, could bring in half a million more fighters by air—and we haven't the air-power to stop them.

Where then do these young men of ours go? Right straight into the water off the coasts of France? Instead of which—if our politicians had the bravery to disregard a few group votes—an armed Spain could save the lives of these men; could control the mouth of the Mediterranean; could enfilade the North African coast, and the Atlantic coast to the north and south; and could hold the only beachhead available in western Europe.

If Spain were armed Russia would not dare attack western Europe! Why don't these politicians say so? Why doesn't just one of them say so? Hoover, Dewey, Taft, even Eisenhower, mention the need of Spain's help with bated breath or in small print. And the administration apparently never heard of the Iberian Peninsula!

We believe that if one brave man—disregarding the ignorant opposition of the Anti-Spanish groups—explained the situation to the American people, and to the world, he could have any office he wanted when Western civilization finally realized what it owed him.

OLDEN HIGH SCHOOL NEWS

By PAULINE COLTHARP

The P.T.A. gave a cake walk in the gym Tuesday night of last week. Everyone seemed to have a nice time, whether they won a cake or not. Music was provided by records.

The annual junior-senior banquet was held in the P.T.A. room Friday night. Attending were the members of the junior and senior classes and the faculty. The Easter theme was carried out in the decorations. Pastel crepe paper streamers hung from the ceiling, and card tables for four were laid with luncheon cloths. The meal was eaten by candlelight while Strauss waltzes provided background music.

School Supt. Travis Hilliard gave the invocation, followed by the welcome by Helen Day. A toast to the seniors was given by Bettye Vaughn, and Jackie Clack gave the response. The concluding number of the banquet was the school song sung in unison.

Rhode Island was the first state in the Union to build its own airport.

WHEN BETTER AUTOMOBILES ARE BUILT BUICK WILL BUILD THEM

Now that the 1951 offerings of the motorcar industry have had a chance to strut their stuff, we ask you—can there be any doubt which is the really smart buy?

If you want a "new look"—Buick has it. That sturdy push-bar forefront says "1951" to all who see it—and provides unsurpassed front-end protection to boot.

If you want power that you can live with through many moons to come—Buick has that too. Years of expert engineering have made Buick's thrill-packed Fireball engine just about as dependable as a power plant can be.

If you want features that combine present pleasure with long-time durability, consider this:

Buick's level-going ride stems from coil springs on all four wheels which are virtually break-proof and never need servicing.

Buick's Dynaflo Drive* takes the strain out of every mile of driving—and pays off by eliminating any need for friction clutch repairs and replacements, by reducing engine and transmission upkeep, and lengthening life of tires.

*Standard on ROADMASTER, optional at extra cost on other Series.

If you want room and comfort and handling that make any trip a breeze—there's no simpler way to find them than to take over a '51 Buick SPECIAL, SUPER or ROADMASTER—relax and enjoy yourself.

And if you want all this at a minimum outlay of dollars—one look at Buick prices will settle this point.

So the smartest thing you can do is get in touch with your Buick dealer. How about doing that right now?

Equipment, accessories, trim and models are subject to change without notice.

"EASY DOES IT"

SPRING is the time for colorful foods, so be lavish with them and add gaiety to the table.

Make a ring mold of tomato aspic in which you have placed, at the bottom of the mold, six to eight deviled eggs. Unmold, and place a tossed green salad in the middle.

Saute some mushroom caps and place them on unbuttered toast. Over the mushrooms, place poached eggs, two to each serving; surround with green, cooked mushroom tips, and pour over all a rich cream sauce.

Broccoli, cooked until tender, then drained and seasoned with salt, pepper and nutmeg, makes an excellent base for sliced, creamed chicken.

For a lovely and delicious salad, pick tender lettuce hearts and use

RECIPE OF THE WEEK

Frozen Salad (Serves 6)
 2 cups thick soured cream
 1 tablespoon lemon juice
 3/4 cup sugar
 1 cup crushed strawberries, slightly sweetened
 Lettuce or greens
 Mix sour cream, lemon juice and sugar. Fold in strawberries. Pour into refrigerator tray. Freeze. Cut into squares and serve on lettuce or greens, with a teaspoon of salad dressing, if desired.

as a bed for artichoke hearts and peeled orange segments. Serve with a lemony French dressing, Swiss cheese and crackers.

Use fritter batter for dripping slices of tomato, then fry them golden brown. Serve with crisp bacon or grilled ham.

Quick for lunch or nice for breakfast are scrambled eggs served on toast points with small, broiled sausages and grapefruit segments, broiled right along with those sausages, with a touch of brown sugar and butter placed on them.

One of the easiest and nicest of desserts uses apricots poached in their syrup. Cool and fill with vanilla ice cream. Dust with macaroon crumbs and top with pistachio nuts.

Ever tried to stretch strawberries or raspberries for the shortcake? Do it with sliced bananas. Serve with whipped cream.

Large Audience At Fine Arts Show

An interested audience from Eastland and from out of town filled the auditorium of the First Methodist Church to capacity Saturday for the fine arts program of the Sixth District Music Club Festival.

Featured on the program were Mrs. Few Brewster of Austin on the piano, and J. R. Brantley of Tarleton State College, Stephenville, who gave a group of vocal solos.

In the festival contests for music students, there were 99 entrants in piano, of which 27 received ratings of superior and 48 of excellent.

Two students rated superior in the accordion event, and one each in the hymn playing and hymn memory and essays contests.

Each entrant was given a ribbon denoting his or her rating, the ribbons donated by the Eastland Chamber of Commerce.

Mrs. Louie Corbell, festival chairman, presented the awards, assisted by Mrs. A. E. Cushman, co-chairman.

Explorer Scouts Have 'Cook-out' At Lake

Explorer Scouts of Eastland Post 48 held a "cook-out" at Ringling Lake Monday night with Bill Jessop, post adult leader, in charge. The boys cooked their own supper over an open fire, then sang songs and talked.

Jessop said the outing is part of the regular required outdoor program of the post.

Attending were Alan Vermillion, Herman Hassell, Jim Ed Willman, Donald Webb, Joe Ernst, Joe Muirhead, Herby Weaver, Jamie Jessop, Neil Van Geem, John Whately and George Harris.

Mr. and Mrs. E. C. Johnston and daughter Susan attended the Fort Worth concert of Jose Iturbi last week end.
