HENRY G. VERMILLION

Best jobs in Eastland these days are owned by three gentlemen—Hoffmann, Frost and Myrick. They will be able to testify to their natural born days getting money in large amounts from other people is a business, unless you're the Treasury Department. Someone pointed out, they are undertaking the job of getting together funds for the hospital for their own benefit, in any way, but as unofficial but agents of the public. The hospital will belong to the public, and will be for the benefit of the public.

Eastland's Dots and Dashes will appear on television.

The young square dance team has been invited to appear in the Square Dancing Festival at the Will Rogers Coliseum in Fort Worth April 28, and will be seen on WAP-TV, it was announced.

Members of the set are Gayle, Barbara Dalton, Goldie Skiles, Barbara Hightower, Webb, Tommy Cooper, Gay-Poe, David Carothers, and Miller, David Byers.

The second performance of the Eastland Quarterback Club Minors of 1951 will be seen in the Eastland High School auditorium at 8 p. m. tonight.

You were among the large crowd at the first showing Thursday night you may be forced to look for a second seeing, but you missed the first night, don't take in the second.

It really a good show, and the day all goes for worthy purposes.

Witness the new Whirlpool show being used by Eastland High School athletes, and which the Quarterback Club back \$450 or so.

And then there's the horse show Saturday. (Life in a small town Eastland is just one gay, mad mad of excitement, you know, chap.)

Where else can you spend a better sum, see movie stars (Wild Elliott and his horse) get a time show by real stars, and the same time aid so worthy a cause?

What do I think about Truitt and MacArthur?

They're both probably right and wrong. But a poll in Eastland, unless I've been talking to the wrong people, would be for MacArthur, by a landslide.

Walters in the Hubert Jones Sunday were Mr. Jones' sister, W. C. Jones, his sisters, Ruby, Peggy and Gladys, and a nephew, John Van-Griff, all of Weatherford.

\$350 Prize Money To Be Given In Dairy Show Here

Prizes to owners of prize winning animals and to winners in judging contests at the annual Eastland County Dairy Show in Eastland Wednesday will total \$350, it was announced this week.

Only female dairy animals will be exhibited in the show, said A. Z. Myrick of Cisco, president of the Eastland County Dairy Association which is sponsoring the show.

However, Myrick said, any kind of female dairy animal will be welcomed. The show is not limited to purebred or registered animals.

Myrick urged all persons in the county with dairy heifers or cows to bring them for exhibition in the show. Animals should be on the grounds at the softball field in Eastland by 10 a. m., he said, and may be taken home as soon as they are classified.

The show is a classification event, in that all animals entered compete against an ideal type, and not against each other.

Catalogues for the show already have been printed, said Manager H. J. Tanner of the Eastland County Chamber of Commerce which helps sponsor the event. M. D. Fox, vocational agriculture teacher in Eastland high school, headed a committee that worked out rules and regulations and set up the classes of animals to be judged.

Dairy Specialist A. M. Meekma of the Texas A. & M. College Extension Service will classify the animals.

Junior and adult judging contests at the show are to be handled by a committee composed of H. L. Geyer, Jack McCarty and S. P. Spenny of Rising Star. As in the past, cash prizes will be given winners in both junior and senior judging contests.

Myrick pointed out that the general level of quality of the animals to be shown should be considerably higher than in past years. A good many calves and heifers from artificially bred heifers will be on display.

Myrick pointed out that Eastland County is one of the few Texas counties with both an artificial dairy breeding program and a dairy herd improvement testing program going on. Clyde Hickson of Cisco is artificial breeding technician. (Continued On Page Eight)

Scout Fund Drive Termed Successful

Eastland's annual one-day Boy Scout fund-raising drive Tuesday netted a probable \$1100 to \$1200, or about the amount aimed at, W. B. Pickens said Thursday.

Pickens said all the funds had not been turned in yet, and he was basing his estimate on those that had.

The drive started with an "early bird" breakfast Tuesday morning and was ended Tuesday evening, except for scattered exceptions. Money raised in the drive goes to maintain Scouting in the Comanche Trail Council.

'Top Bracket' Being Worked In Local Hospital Drive

Fate of Eastland's hospital drive Thursday hinged on the decisions of about 15 people, those in the "top bracket" of possible donors to the \$100,000 hospital fund.

This was true without question, and thus far, with that fact firmly in mind, members of the hospital drive committee have concentrated their sole efforts on those 15 or so "big givers"—or persons, at least, who could make big gifts.

All this does not mean that the rest of Eastland can sit back and have a hospital donated to it, or not, by the wealthier citizens.

Members of the committee said that everyone will have to dig into his pocket as deeply as he can before Eastland can get a hospital.

But in the words of Committee Chairman C. W. Hoffmann, who is in the top 15 bracket and has said he expects to give as much as anyone, "We're realistic enough to know that we must get at least 50 percent of the \$100,000 from those in the top bracket. And if we don't do it, we might as well end the drive right there. So we're going after them first."

Hoffmann also said, however, that the last part of the money, if the big donors come through, will be the hardest to get, despite the difficulty that certainly is being encountered in getting some persons to separate themselves from large rolls of beautiful greenbacks.

Other members of the committee, W. B. Pickens and Jack Frost, see eye to eye with Hoffmann on the matter. So this week the committee has been working on the big fellows and letting the small ones go through the net.

Hoffmann said in speeches at the Rotary Club Monday and the Lions Club Tuesday, however, that it would be different soon.

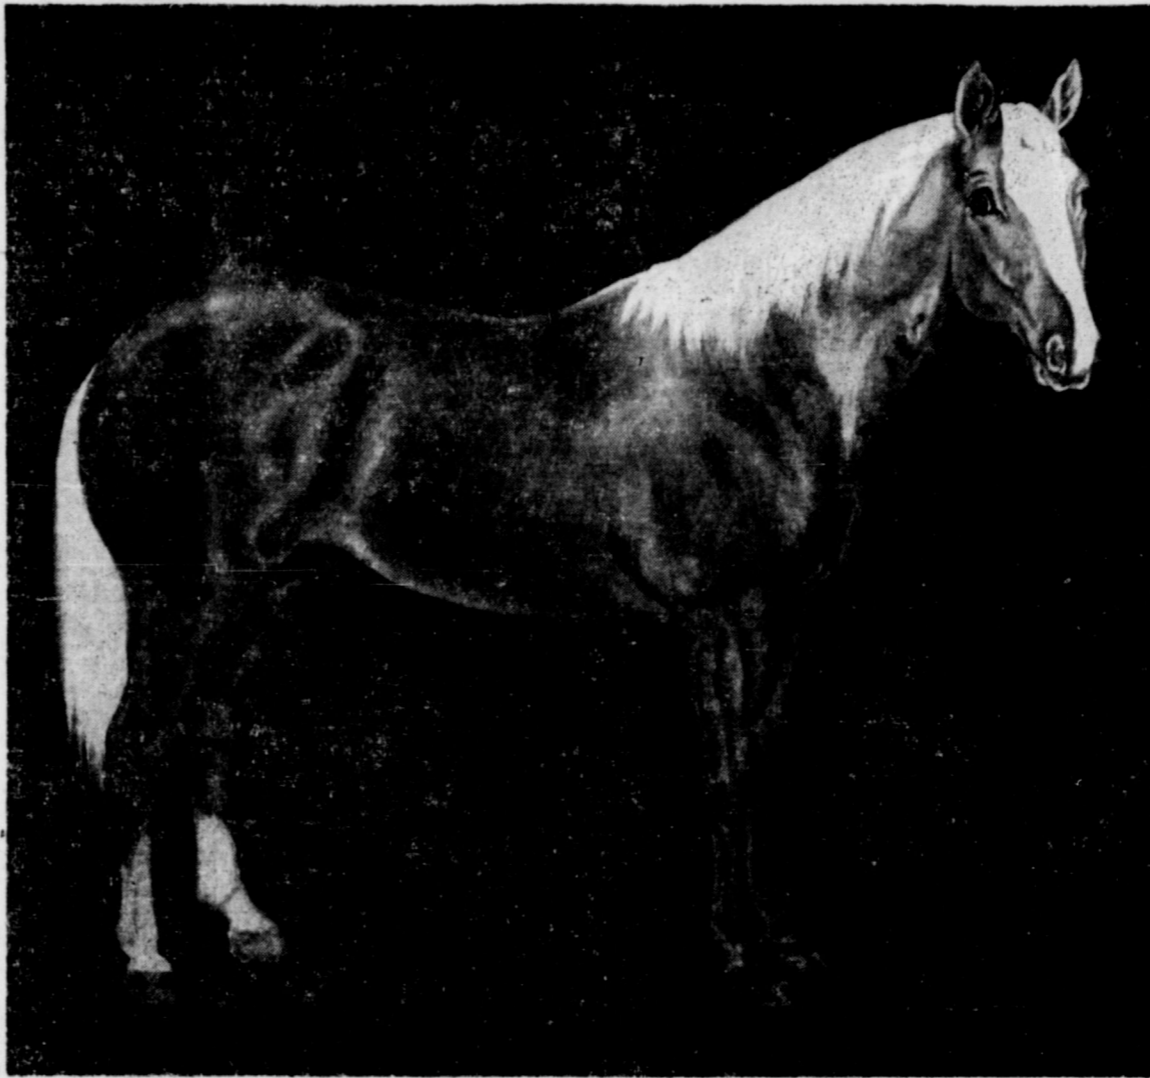

"We expect to know something in a week," he said Tuesday. In anticipation of that, the committee Thursday in an extended session discussed names for general fund-raising committees to be announced later.

No announcement was ready on how the fund-raising was going, but Hoffmann said he was not discouraged a bit, that no one yet had turned down the committee completely. Most wanted more time to think about it, he said, and to get over the shock of the large amounts requested.

Hoffmann said the drive will be entirely over, one way or another, by May 1 as the committee now sees it.

Meanwhile, Monday the Eastland Ministerial Fellowship, made up of Protestant ministers of Eastland, expressed its appreciation for the leadership that already has been given in the hospital drive. (Continued On Page Eight)

SHOW WINNER TO BE SEEN IN LOCAL EVENT

CLOVER BUCK, above, called the greatest winner as a two-year-old since the Texas Palomino Exhibitors' Association was formed, will be shown in the benefit horse show in Eastland Saturday by his owner, Bob Lucas of Fort Worth, president of the Palomino group. Sired by Pretty Buck, out of Clover Bell by Lucas Leaf, the young animal was bought as a colt by Lucas for \$1500, and later he rejected an offer of \$7500 for him.

Finest Animals In U. S. To Be On Display In Ring

Some of the most beautiful and best blooded Palomino horses in the United States will be seen in Eastland in the Eastland Roping Club's Hospital Benefit Horse Show Saturday. Bob Lucas of Fort Worth said Thursday.

Lucas should know, since he is president of the Texas Palomino Exhibitors Association.

Both Palomino and quarter horse judging will begin at 10 a. m. Saturday in the Sig Faircloth auction ring just east of Eastland, and Palomino halter judging will begin at 2 p. m.

At 8 p. m., performance classes will be held, and that means the calf roping and cutting horse show will go on in the roping club's arena near the auction barn.

Women of the Eastland Civic League and Garden Club headed by Mrs. Theo Lamb as chairman have sold hundreds of tickets to the affair. All gate receipts except taxes go into the Eastland hospital fund.

Outstanding horses to be exhibited in the Palomino classes include those owned by Lucas and Dr. S. H. Alexander of Terrell, secretary of the Texas Palomino group, The Waggoner 3-D Farm at Arlington, and Lloyd Jenkins of Fort Worth.

Lucas said the top Palominos of this country are centered in North Texas, and many of them will be exhibited in Eastland.

The Eastland show and the fact it is for benefit of the hospital fund were featured in top place in the latest bulletin issued by the Palomino exhibitors' association.

Judges at the show will be Benson Kretzmeier of Beaumont, Palominos, and Sig Jernigan of Goldthwaite, quarter horses.

Trophies for the show, some of which had been delayed because a special order had to be made, finally all were on display Thursday in the windows of Carl Johnson's and Cecil Holifield's on the north side of the square.

The handsome trophies will go to first place winners in all events, and ribbons will go to winners of other places.

At the night event Saturday, the Eastland High School Band will give a brief concert.

It also was planned to hold a short horsemen's parade at 9 a. m. Saturday with the band performing.

At the arena, Cecil Holifield will furnish loud speaker equipment for the announcing of events, and the city is putting up bleachers for spectators.

Texas Electric Service Company will furnish 150 folding chairs for spectators.

The roping club members spent Sunday painting and dressing up their arena, and will meet again Friday to build booths and otherwise complete the preparations.

A featured attraction at the affair will be the appearance of the movie star, Wild Bill Elliott, who appears mostly in horse operas but has been billed as William Elliott in more serious screenings.

Elliott now is headquartered at Mineral Wells while expanding and developing his rodeo holdings in Texas, was to arrive late Thursday and spend two days in Eastland.

He was to put up at the Connelley Hotel.

All in all, the affair promised to be a success. (Continued On Page Eight)

Return Of Fire Blanks Is Urged

Eastland residents this week were urged to complete the home fire inspection blanks distributed to them Saturday by Boy Scouts, and return the blanks to the Fire Prevention Committee of the Eastland Chamber of Commerce.

The blanks were distributed by Boy Scouts of Eastland, and may be returned by sending them to school by any student, or may be sent or handed in to the Chamber of Commerce.

E. E. Freyschlag, chairman of the committee, said at mid-week that only a few of the blanks had been returned, and that no conclusions can be drawn from such a small return.

"There is nothing compulsory or official about this program," he said. "We're only trying to get information on which to build a more effective program for preventing fires in Eastland."

Freyschlag said about 700 of the blanks were distributed to homes in Eastland.

Gorman Artist Burned In Home Accident

Mrs. Maude Underwood of Gorman, well known Eastland County artist and former teacher in the Gorman High School, is in Blackwell Hospital in Gorman after receiving first degree burns on her legs and hands.

Mrs. Bill Jessop of Eastland, who visited Mrs. Underwood Tuesday, said that Mrs. Underwood's chenille housecoat brushed a gas heater and flamed high, burning the entire skirt before she could loosen the knot of her sash and remove the coat. She burned her hands untying the knot.

Mr. Underwood, an invalid, watched helplessly from his bed while his wife tried desperately to extinguish the flames.

Mrs. Jessop said that Mrs. Underwood's condition is serious but not dangerous.

4-H Work Awards To Be Given Saturday

Awards for outstanding 4-H Club work will be given to Eastland County boy and girl club members Saturday as part of the annual Rally Day program in Eastland.

In a program to begin at 10 a. m. Saturday in the Lyric Theatre, County Judge John Hart will present 17 bronze pins, 19 silver pins, 15 gold pins and one gold star to outstanding girls.

He also will present 21 awards to 18 boys for outstanding achievements in 4-H club work.

All members of the clubs, parents and friend were invited to attend the program, and also to attend the picnic lunch which will be spread at noon in the Eastland City Park.

Harmony Church To Have New Pastor

Rev. Curtis Simpson, senior student at Howard Payne College in Brownwood, will begin his ministry at the Harmony Baptist Church at Morton Valley with a two-week revival beginning May 1, it was announced this week.

Mr. and Mrs. Simpson will live in Brownwood until the close of school, at which time they will move to Morton Valley with their sons, Don and Dale.

Clean-up Chairman Tells Of Gratitude

Thanks to everyone who helped make the 1951 Eastland clean-up drive "an unqualified success" was expressed Thursday by Mrs. T. E. Richardson on behalf of herself, her clean-up committee of the Civic League and Garden Club, and the sponsoring organization.

"We want to thank the newspapers for their help and publicity, the city for its help, the schools who fixed the posters, and everyone who contributed so generously toward the success of the campaign," Mrs. Richardson said.

The campaign was to end this week end after a month's period.

Mrs. Richardson said that success of the drive was never so apparent to her as when a tourist from the West Coast the other day asked her the name of Eastland as he stopped here for a short time, and said "Never have I seen such a pretty, clean little town as this."

Mrs. Richardson pointed out that the annual drives and the spirit they engender may have contributed more than a little to such an impression on the part of a visitor.

THIRD SUNDAY SINGING NOT TO BE HELD

The Third Sunday Afternoon Singing Class in Eastland will not be held Sunday because of the State Singing Convention to be held in Stephenville, it was announced this week.

The singing class will meet again the third Sunday in May.

Food And Soft Drink Profits At Show All Will Go Into Eastland Hospital Fund

All the money raised from the sale of food and soft drinks at the benefit horse show Saturday will go to the hospital fund, concession operators said Thursday.

Most of the food and drinks were donated, it was said, and the prices will be reasonable so those attending the horse show can eat meals on the grounds, feel they are getting their money's worth, and still donate thereby to the hospital drive.

Concessions will be operated by the Civic League and Garden Club with Mrs. Frank Castleberry as chairman, and the Zeta Pi Chapter

of Beta Sigma Phi, with Mrs. Terry Barrett as chairman.

The food concessions will be operated from 9 a. m. until 11 p. m., and will feature ham and cheese sandwiches and hot dogs at 25 cents each.

Coffee and soda pop will be five cents, and pie and cake will be 10 cents a slice. There also will be Dixie cups and other delicacies.

Mrs. Baird's Bakery donated \$75 toward buying the food, and Mead's Bakery \$50.

In addition, Pipkin's Grocery arranged for donation of Admiration coffee.

FREE MUSICAL PROGRAM TO BE GIVEN BY SHRINE CHANTERS APRIL 20

A free musical program will be presented in Eastland at 8 p. m. Friday, April 20, in the Eastland High School auditorium by the Moslah Shrine Chanters of Fort Worth, local members of the Shrine said this week.

The 40-member chorus has been acclaimed as the outstanding male singing organization of its type in the South, and in its 28-year career has given programs from Miami, Fla., to Los Angeles, before a wide variety of audiences.

Noble A. J. Wylie, well known Eastland, will be the "basso profundo" of the Chanters, and will be featured with Allen Rutherford and Ray Dunaway, the "bass" and "baritone" as soloists.

The special program will be conducted by J. Oscar Webster, who has been directing the group for over 18 years, with Robert J. Barker at the piano.

Noble Jack Frost will be master of ceremonies and will introduce the Chanters and the speaker, S. W. Collier, one of Texas better known Masons, who will give a talk on "The Shrine and Orphaned Children."

The musical program will be sponsored by Eastland Masonic Lodge No. 487 and the Shriners of Eastland.

You Can Even Choose It for Economy!

Standard equipment, accessories and trim illustrated are subject to change without notice.

It is true, of course, that when men and women move up to Cadillac, their motivating thought is not economy. Their hearts are set on owning the "Standard of the World."
But if they needed another impulse to move them to Cadillac, it could certainly be found in the car's remarkable record for practicality.
Even on the basis of its initial cost, a Cadillac represents a surprisingly sound automotive investment. Indeed, some half million American motorists are driving other makes of cars which actually cost them more than they would have had to invest if they had purchased new Cadillacs!

And the surprise is no less when you look to the everyday aspects of Cadillac's economy. Few could ask for greater mileage from a gallon of gasoline. And the car's freedom from the needs of service—beyond the routine—has long been traditional.
And finally, of course, is Cadillac's tremendous capacity to serve—the years and years and years of wonderful utility designed and built into it.
Yes—when you want a Cadillac, you want it for what it is, and does, and represents. But what an added satisfaction it is to reflect that it is also so eminently practical!

We deeply regret that we are unable to deliver new Cadillac cars without some delay. But the demand for the car is unprecedented—and much of the company's energies and materials are now being devoted to the needs of national security. Once the car is delivered into your hands, however, we know you'll agree that—patience never brought a richer reward.

Here's where You come into your own

Once in a while, any man is entitled to let himself go.

He's entitled to that glow of pride that comes from feeling like the very important person that he really is.

He's entitled to take practical steps to make his dreams come true.

In short, he's entitled to own a ROADMASTER, and particularly a ROADMASTER as it is custom built for '51.

For this great automobile is more than big and roomy and distinguished in its styling.

It's more than sweetly willing in performance, and superbly poised in stride.

It does things to you, when you let yourself sink deep down in the subtle softness of its cushions, and run a caressing hand over the fine texture of its fabrics.

This is everything a fine car should be!

Of course, this brilliant performer is Fireball powered. It is cushioned by coil springs on every wheel. It provides, at no extra cost, the complete relaxation of Dynaflo Drive. It has durable and dependable sturdiness engineered into every mechanical part.

But the best is yet to be told. When you check the ROADMASTER price list, you'll find that the car of your choice can be yours for hundreds of dollars less than you'll pay for others with comparable reputation.

Come in soon and see this buy of buys in the fine-car field.

Why Should I Have an Abstract?

... is a question often asked of abstractors and one we like to answer. When ownership of real property enters your business life then title problems also come in. Buying, selling, mortgaging or otherwise dealing with real estate is based on the title to the property and not on the ground or other material of which it is composed. The abstract reflects the true record title and therefore has everything to do with the question of values. That's one answer—there are many others.

LOBSTER OR CRABMEAT makes a good main dish salad if it's served with a tasty dressing. To salted, soured cream, add chili sauce, chopped green pepper and chopped red pimiento.

Fine dish for a ladies' luncheon, or as a shower refreshment uses a slice of avocado on a piece of thin toast. Over this pour Welsh rarebit. Garnish with ripe olives and water-cress.

Tomato soup can look like something out of a picture book if you garnish it with salted whipped cream, and over that sprinkle some crisp, crumbled bacon.

You can be prepared for second and third helpings when you serve these recipes to the youngsters:

RECIPE OF THE WEEK

Pork Hocks with Sauerkraut
(Serves 4)

- 4-6 fresh pork hocks
 - 1 tablespoon lard or drippings
 - 2 medium onions, sliced
 - 1/2 teaspoon salt
 - 1/2 teaspoon pepper
 - 1 cup boiling water
 - 1 No. 2 1/2 sized can sauerkraut
 - 1/2 teaspoon caraway seed
- Brown pork hocks slowly in lard. Add onion, sliced, salt, pepper and boiling water. Cover closely and cook 1 1/2 hours until meat is tender. Add sauerkraut; heat through. Sprinkle caraway seed over sauerkraut before serving.

spread white bread with strawberry jam or preserves. Top with another slice of bread and dip in egg-milk mixture, as for French toast. Fry until golden brown.

Chicken salad stuffed into hollowed out crusty rolls make a perfect salad sandwich. So do chopped egg and shrimp with watercress, and so do sliced cucumber and deviled eggs.

If you don't use all the syrup from tart red cherries in the pies you make, sweeten it and add the same amount of red currant jelly, melt and cool. Use for serving over ice cream.

Small baking powder biscuits are lovely for the spring luncheons, especially when you've dressed them up a bit with crumbled bacon mixed in the dough, and then sprinkle the tops with grated American cheese before baking.

H. D. Council Plans Contest For Queen

Plans for the Eastland County Home Demonstration Council's 1951 "Queen for a Day" project were begun at a council meeting in Eastland Wednesday.

The contest again will be held in conjunction with the Eastland Old Rip Horned Toad Derby.

The project last year was successful in raising money for the council, and it was hoped that this year's event will be even more successful.

Mrs. E. E. Todd will head the committee on arrangements. At the council meeting, Mrs. Florence Yancey of Salem was elected first vice-president, Mrs. D. J. Jobe of Bass Lake second vice-president and Mrs. H. C. Fridge of Pioneer third vice-president.

H. D. Week Events Planned At Session

Special events for the observance of National Home Demonstration Week in Eastland County were planned at a meeting in the home of Mrs. Ethel Sparks, county home demonstration agent, Monday.

All special committees of the Eastland County Home Demonstration Club Council were represented at the meeting.

The week is to be observed April 29-May 5, and highlight will be a special observance at Eastland.

Miss Willie Word, chairman of the committee on general arrangements, will be assisted by Mesdames A. H. Dean of Cheaney, H. C. Fridge of Pioneer, Lee Burkhead of North Star, Charles Stafford of Carbon, Charles B. Harris of Morton Valley, M. P. Farnsworth of Word, John Love of Cheaney, Wiley Harbin of Flatwood, Ben Freeman of Cheaney and Bill Tucker of Salem.

Mesdames Harbin and Tucker, of the education committee of the council, made the quarterly report Monday to the Eastland County Commissioners Court.

Mrs. Ed Willman was elected director of the school, and Mrs. Milton Day her assistant.

Department superintendents are to be Mrs. A. E. Cushman, intermediate; Mrs. J. Morris Bailey, junior; Mrs. W. E. Brashier, primary, and Mrs. Herman Hassell, beginners.

Each department head will appoint her own staff of workers and teachers.

C. G. Stinchcomb, Jr., chairman of the board of education, presided at the session Tuesday.

VACATION SCHOOL INSTITUTE SET

Workers and teachers in the Eastland First Methodist Church Vacation Bible School, and other similar schools, to be held in nearby towns, will be trained in a Methodist Vacation Church School Institute to begin at 10 a. m. Thursday of next week in the First Methodist Church of Cisco.

Mrs. J. O. Gholson, a patient in the Ranger General Hospital, is reported improving.

Dairy Show . . .

(Continued From Page One)

nician and J. B. Jones of Route 3, Ranger, is tester for the dairy herd improvement program.

To be seen at the show will be most of the 17 heifers awarded by businessmen of the county to club boys in December, 1949, and January, 1950, and some of the calves born to the heifers.

Dr. N. A. Brown of Cisco has been invited to show some of his Brown Swiss cattle at the show. He has the only herd of its kind in this section, Myrick said.

The cattle recently were viewed by those who took the annual Eastland County Livestock Raisers Association tour, and attracted much attention, because of their size and gentleness.

Last-minute plans for the show were made at a meeting of the dairy association Thursday night in Eastland.

The view was expressed that the show probably will be the best of its kind ever held in the county.
