YOU NAME IT

By Everett Taylor

Eastland High School's spring football drills have been delayed because of a bursted hot water heater at the field house by the football field each of the city.

Seems the water heater was burst by the extremely low temperatures of last winter. The damage was not discovered until the water was turned on at the field house this week in preparation for the beginning of spring training.

As a result, workouts this week have been limited to the issuing of equipment and a series of "skull" practices, which are not too popular with most of the prospective gridgers.

Since this is the first time in a number of seasons that spring training has been held in Class A football circles, the Eastland players will be going through their first spring drills.

The boys are very eager to get into action and promise to be one of the most spirited teams ever to represent Eastland High School.

Coach Wendell Siebert said this week that spring drills will be capped off with an intersquad game with Siebert coaching one team and his assistant, Ed Hooker, coaching the opponents.

Siebert said that the squads will be divided as nearly as possible into two teams of equal strength.

Actual workouts may begin Thursday or Friday, depending upon the time taken to get a new water heater installed.

The Eastland minstrel players have completed two of three out-of-town engagements, having played at Olden and Cisco.

Eastland merchants pitched in to help the show in Olden and several people from Eastland attended. Proceeds from the show there went to the Olden Community Club. The portion of the proceeds received by the minstrel group is pledged to the Eastland Hospital fund.

After expenses were paid, the Olden show netted a total of \$121.58 for each of the two above mentioned purposes.

At Cisco, the proceeds were split between the Cisco Lions Club and the minstrel group, with the minstrel group's receipts pledged to the hospital fund.

A complete figure has not been reached on the Cisco receipts but a total of approximately \$250 is expected to be the share to be pledged to the hospital fund.

The minstrel will be enacted at Weatherford Friday, May 4.

Thorbus Gets Life Sentence

SAN ANTONIO, April 26 (UP)—Richard D. Thorbus, 21, was sentenced to life imprisonment for his part in the March 8 robbery-slaying of A. J. Sendemir, 41, during which only \$6 was at stake.

Thorbus showed little emotion as the jury returned its verdict after deliberating 47 minutes.

Charged with Thorbus in the robbery were Robert E. Meirs, 19, and Leroy Johnson, 24, who will be tried later, and Lyndna Clark, 21, who has not yet been indicted.

The quartet was arrested at Houston and brought to San Antonio for trial.

THE WEATHER

By United Press

EAST TEXAS—Mostly cloudy with a few scattered showers in the north and central portions this afternoon and tonight. A little warmer in the northwest and extreme north portions tonight. Friday partly cloudy. Fresh to locally strong southeast and south winds on the coast.

WEST TEXAS—Partly cloudy, warmer in the Panhandle and the South Plains this afternoon and tonight. A few scattered thunder showers in the Panhandle tonight and Friday.

For Good Used Cars (Trade-ins on the New Olds) Osborne Motor Company, Eastland

Truman Will Try to Get Stronger Law

WASHINGTON, April 26 (UP)—

President Truman prepared to ask Congress today for a stronger defense production law to speed up the mobilization program and tighten price controls on food and rents.

A presidential message setting forth those and other recommendations for the law is scheduled to reach Congress later today. Administration leaders promised to introduce the measure in both chambers immediately and to begin hearings May 7. They hoped to get a new law on the books before most of the provisions of the present statute expires June 30. But they admitted it looked like a tough fight.

Defense mobilizer Charles E. Wilson, who had a hand in shaping the President's recommendations, said they would "plug some of the holes" in the present law and make for a generally "stronger" statute.

No major changes in the labor provisions of the present law will be recommended.

Principal stumbling block to quick action was expected to be Truman's farm price proposals. Informed sources said he would ask for a kind of parity "freeze" that would enable definite, dollars and cents ceilings on all farm prices.

U. S. Newsman Nabbed by Czech

PRAGUE, Czechoslovakia, April 26 (UP)—Associated Press Correspondent William N. Oatis has been arrested on charges of activities hostile to the state, the Communist government disclosed today.

Dr. Bedrich Runge, Assistant Chief of the Foreign Press Section of the Czech Foreign Ministry, notified the U. S. Embassy of Oatis' arrest. The 37-year-old American, a native of Marion, Ind., has been missing since late Monday.

Runge told Tyler Thompson, Counselor of the Embassy, by telephone that Oatis had been arrested on three charges:

1. "Activities hostile to the Czech State."

2. "Gathering and disseminating information considered secret by the Czech Government."

3. "Spreading malicious information regarding Czechoslovakia through illegal news organs, for which purposes he used Czechoslovak citizens."

"The Czechoslovak Government has witnesses to confirm the charges," Runge said.

Camp Faces Disbarment

WASHINGTON, April 26 (UP)—The District of Columbia Court of Appeals today ruled that John L. Camp a Houston attorney accused of assaulting a government lawyer, must submit to disbarment proceedings before the National Labor Relations Board.

The 48-year-old former football star is charged with attacking E. Don Wilson, an NLRB attorney, during hearings on an unfair labor practices case in Rankin, Tex., last year.

According to the charges, he punched Wilson in the nose.

UN FORCES IN KOREA TOTAL ABOUT 550,000 'POLICEMEN'

WASHINGTON, April 26 (UP)—The United Nations have about 550,000 ground, air, sea, supporting and police forces engaged in Korea.

Assistant Secretary of State Dean Rusk told the House Appropriations Subcommittee some two months ago that 250,000 American forces were in Korea. His testimony, made public last night, said the Americans plus 250,000 South Koreans amounted to 85 per cent of the UN forces.

Rusk said 13 other UN nations have committed approximately 35,000 men, or 15 per cent of the force engaged. He added that talks were underway in various capitals to increase Korean manpower through replacements or entirely new forces.

Rusk's figures totalled 535,000 men, but they included 100,000 South Koreans assigned to security forces such as police. Official sources indicated today that replacements and new troops dispatched by the United States in the last two months boost the total to at least 550,000.

Pumps Are Shut Down in Valley

WESLACO, April 26 (UP)—Irrigation pumps upstream from here on the Rio Grande were idle today to permit additional water to reach Matamoros and Brownsville.

The shutdown went into effect last midnight after the Valley Water Conservation Association received a complaint of insufficient flow near the mouth of the international stream.

The protest was filed by Mexico to the State Department, which relayed it to L. M. Lawson of El Paso, International Boundary and Water Commissioner.

Lawson informed the Valley Water Association. He said Mexico protested that the flow of water was less than the minimum of 35 second feet called for under international agreement.

Gordon Jackson, manager of the Water Conservation Association, said the flow had fallen as low as five feet recently.

The shutdown of upper Valley pumping will continue for 90 hours.

Coast Guard Stages Full Scale Probe

MOBILE, Ala., April 26 (UP)—A tanker captain and his second mate who accused each other of negligence in a sea disaster which took 39 lives returned to the witness stand today at a Coast Guard investigation.

Capt. Edward C. Geick of the Esso Suez admitted late yesterday that his ship was traveling too fast in the fog-bound Gulf of Mexico southwest of New Orleans when it crashed with another tanker, the Esso Greensboro.

The Bayone, N. J., captain had testified tearfully at his first appearance on the stand that his ship was moving slowly and that he had ordered full speed astern when his radar screen told him a crash was imminent.

Wetbacks Work For Eight Cents

LAREDO, April 26 (UP)—Charges by eight Mexican Nationals that they worked on a Jim Hogg County farm for eight cents an hour were under investigation here.

Mexican Counselor Hector Jara said the workers told him they worked 10 hours daily for 80 cents a day, plus meals.

The eight "wetback" workers were arrested yesterday by Border Patrolmen and jailed here.

Junior High Gets \$20 For Hospital

The Junior High hospital bank now contains a total of \$20.20, it was reported this week.

A total of \$25 from the bank is the goal.

This week's slogan is as follows: "We need a hospital. We do! We do! Don't you really think so too? If so, do your part today then when you're sick you'll have a place to stay."

The slogan was written by Joan Hicks of grade 6-A. A different slogan is used each week.

MOODY TO BE SWORN IN AS SENATOR—Blair Moody, former correspondent for the Detroit News who was named to fill the unexpired term of the late Sen. Arthur Vandenberg leaves his home for the Capitol in Washington, where he is to be sworn in. With him are Mrs. Moody and two of their three children, Christopher, 8, and Robin, 4. (NEA Telephoto)

Womack, Rucker, Teachers Are Renamed at School Board Meet

W. G. Womack was renamed as superintendent of Eastland Independent Schools and J. Roas Rucker was renamed as business manager at a meeting of the Board of Trustees Wednesday night.

W. H. Stanley was reelected to his position as principal of Eastland High School; W. C. Robinson as principal of Junior High; Mrs. Ruth Poe Herring, West Ward Principal and Mrs. H. H. Durham, South Ward principal.

Wendell Siebert was elected to serve as athletic director for the coming year, expanding his coaching supervision within the school system. Ed W. Hooker was reelected assistant coach.

Vocational homemaking teacher, Miss Loretta Morris, was renamed to her present position.

M. D. Fox, vocational agriculture instructor is serving under a three year contract which will not expire until next year.

T. R. Atwood was reelected band director for Eastland High for the coming year.

The following teachers were renamed to their present positions for the year at the meeting:

Oil Operator Will Drill A Wildcat Test

HOUSTON, April 26 (UP)—Houston Independent Oil Operator John MecCom will drill a 10,500-foot wildcat test well one mile east of Beaumont, he said today.

The test is the one part of Beaumont, navigation district on a 250-acre tract in the Gilbert Stephenson survey. This location is about two miles northwest of MecCom's production in the Rose field of Orange County.

Enforce the Law Says New Chief

FORT WORTH, April (UP)—The first thing R. R. Howerton did when he took over as Fort Worth's new Police Chief yesterday was to order each policeman to enforce every law on his beat.

Results were evident before the day was over. Arrests during the night shift last night totaled 78, compared to 42 a week ago and 48 two weeks ago for the correspondent night.

The board said Titus and Red River Counties had two moonshine stills apiece, while Bowie, Cass, Wood, Smith and Shelby counties had one still each.

Texas Senate Debates Today

AUSTIN, April 26 (UP)—The Texas Senate takes up debate today on a House-approved Conference Committee report on the controversial Truck Overloading Bill.

The measure, as worked out in conference by the two chambers, would require on-the-spot unloading of overweight trucks on the state's highways.

Yesterday, the House adopted the committee report 97 to 34 in the feature action of an otherwise detail-filled day of voting on scores of uncontested and relatively minor bills.

In addition to 51 local and uncontested bills, the House gave final approval to a proposed constitutional amendment. Sponsored by Rep. Jack Cox of Breckenridge, it would permit the University of Texas Board of Regents to broaden the field in which university funds may be invested.

The plan provides that the permanent university fund may be invested in bonds and securities not now permitted under the constitution.

Navy Board Meets Today

KEY WEST, Fla., April 26 (UP)—A Navy board of inquiry met today to fix the blame for a "nightmarish" collision of a Naval plane and a Cuban airliner in which 43 persons plunged to an ocean death near President Truman's vacation retreat.

The twin-engine Navy plane with a four-man crew practicing blind flying, and the Cubana Airline's DC-4, with 34 passengers and five crew members, rammed together about noon yesterday over this southernmost tip of the United States. No one survived.

Navy rescue workers wearing face masks and foot flippers dived 30 feet to the floor of the Atlantic and brought up 17 bodies before darkness closed in last night. The bodies of two Navy fliers floated to the surface.

Identifying Dead Is Slow, Grisly, And Rugged Job

GALVESTON, April 26 (UP)—The slow and grisly job of identifying the bodies of 15 dead removed from the burned out Tanker Esso Greensboro was still under way here today.

W. C. Brown, an embalmer at the Malloy and Son Funeral Home said all the bodies were charred beyond recognition.

"We removed 15," he said. "There may be more. So far we have identified eleven, but we are not giving out their names until the next of kin have been notified."

The 15 men were among possibly 39 killed before dawn last Friday when the Greensboro collided with the Tanker Esso Suez in the Gulf of Mexico off the Louisiana coast.

Citizens Invited To Cisco Sunday

The 5th Sunday School Convention, will meet Sunday, April 29, at the East Baptist Church in Cisco. An invitation has been extended to all singers and to the public in the Ranger-Eastland area.

Liquor Control Seizes Stills

AUSTIN, April 26 (UP)—Titus and Red River Counties led in the number of bootleg whisky stills seized in March, the Texas Liquor Control Board announced yesterday.

A total of nine stills were seized, eight persons arrested and 830 gallons of mash and 15 gallons of whiskey captured during the month.

The board said Titus and Red River Counties had two moonshine stills apiece, while Bowie, Cass, Wood, Smith and Shelby counties had one still each.

FIGHTING IS ROUGH AS UN FORCES STAGE WITHDRAWALS

TOKYO, Friday, April 27 (UP)—United Nations forces on the west central Korean front withdrew another five miles Thursday but in the west they stopped Red Armies 17 miles northwest of Seoul.

Field dispatches said the new withdrawal placed the Allied line on the Pukhan River, a branch of the Han River running northeast to Chunchon.

"The latest withdrawal brought the number of surrendered miles to 27 since the Chinese Communists mounted their new thrust," United Press correspondent William Burson reported.

The high tide of the Communist advance previously was reported to be 22 miles.

UN troops fighting north of Chunchon on the central front pulled back to set up new lines north of the Kapoyon Chunchon highway after blowing up the Mojin Bridge across the Pukhan River.

MAC RECEIVES WELCOME FROM PEOPLE OF CHICAGO

By H. D. Quigg
United Press Staff Correspondent
CHICAGO, April 26 (UP)—Chicago greeted Gen. Douglas MacArthur today with one of the biggest and most heartwarming welcomes ever extended in the midwest.

The general, his wife, and their son, Arthur, landed from New York at midday for a triumphant two-day visit here and at Milwaukee.

Almost 6,000,000 persons were expected to see the Pacific hero, either in person or on television during his visit to Chicago, the nation's second largest city, and Milwaukee, where he lived as a youth and still maintains his legal residence.

The assembled throngs waved flags, cheered and showered MacArthur and his party with makeshift confetti and serpentine.

The city which became known as "the best damn soldiers town in the country" when its service clubs entertained 18,000,000 men during the war, went all out to demonstrate its hospitality to the general.

MacArthur was making his first visit here since May 5, 1937, when he and his bride, the pretty Jean MacArthur who accompanied him today, were enroute to San Francisco for assignment in the Philippines.

Hoffman Named Head of County Oil, Gas Group

DALLAS, Tex., April 26 (UP)—W. H. Hoffman, Eastland, has been named County Chairman for Eastland County in the Texas Mid-Continent Oil & Gas Association's statewide organization, Charles E. Simons, Association General Manager, announced today.

Mr. Hoffman will serve in the district organization headed by French M. Robertson, Abilene, Association vice president for the West Central Texas District.

The Texas Mid-Continent is composed of oil and gas operators, royalty owners, land owners, and other interest associated with the state's petroleum industry.

Lots of Wheat In This USA

WASHINGTON, April 26 (UP)—The Agriculture Department reported yesterday that the nation's wheat reserves on April 1 totaled 709,000,000 bushels, or 45,000,000 more than the same date last year.

Of the total, about 291,000,000 bushels were held on farms and the rest in mills, elevators and warehouses, the department said.

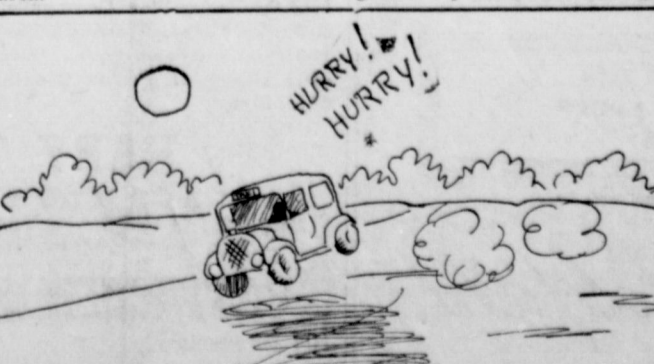

Is General To Settle In Texas?

BROWNSVILLE, April 26 (UP)—Arthur MacArthur requested some literature about this tip-of-Texas city, and the chamber of commerce complied.

After sending the papers to the Waldorf-Astoria Hotel, New York, as directed, chamber members began wondering if:

It was a joke.
The General's son wants to bone up on his geography.
The General might be thinking of settling here with his family.

New Officers Installed By Beta Phi Chapter

Officers were installed Monday evening at the meeting of the Beta Phi Chapter of Episcopi Alpha at the home of Mrs. Courtney.

Helen Lucas presided over the business session. Mrs. Aaron was the installing officer. An impressive ceremony, befitting the occasion, was conducted with a lace cloth and an arrangement of yellow flowers. The emblem of the chapter was on the table.

Mrs. Harkrider installed the new officers. Evelyn Courtney, president; Bobbie Taylor, vice president; Mrs. Martin, recording secretary; Helen Lucas, treasurer; and Mrs. Aaron, sponsor.

Miss Lucas, outgoing president, presented a gift from the sorority.

Refreshments of cake and coffee were served to Mrs. Everett Plowman, O. B. Shero, E. E. Shultz, Aaron, Bill Martin, May Edna Smith, Misses Bobby Shero, Evelyn Bigby, and Helen Lucas, by the hostess, Mrs. Courtney.

Martha Dorcas Class Give \$100 To Hospital Fund

Mrs. Frank Castleberry was hostess, Wednesday afternoon to members of the Martha Dorcas Class of the First Methodist Church for their monthly business and social meeting. Mes. B. O. Harrell, E. M. Grimes and Fred Davenport were co-hostesses.

Mrs. Harrell presided over the business session during which the group voted to give \$100 to the hospital fund, following a financial report read by Mrs. George I. Lane.

Mrs. Davenport gave the devotional using as her topic, "Here Is No Tomorrow".

Piano solos were played by Karen Castleberry and Mary Vaughan. Refreshments were served to 14 members and the following guests, Mes. Jessop of Topeka, Kansas, Wilber Laney, and Ethel Kolman.

Miss Bess Edwards Luncheon Speaker

Miss Bess Edwards will be the guest speaker for the luncheon on May 2, at the First Methodist Church, given by the Home Demonstration Clubs, celebrating National Home Demonstration Week.

Miss Edwards is a former home demonstration agent of Eastland County and recently resigned as district agent, but still makes her home at College Station.

Mrs. Harkrider Reviews Book on Days of '49

Mrs. J. E. Harkrider reviewed "Each Bright River" by Mildred Masterson McNeilly for members of the Beta Pi chapter of Beta Sigma Phi and their guests, members of the Exemplary chapter, Tuesday evening at their meeting in the home of Mrs. Oscar Avera, 1005 South Daugherty. Mrs. J. E. White was co-hostess.

Mrs. Avera introduced Mrs. Harkrider, who was well received with her interpretation of the period and early settlers of Oregon during the California Gold Rush days.

Mrs. J. T. Cooper president, presided over the business session, during which plans were completed for the banquet and Ritual of Jewels to be given for the pledges.

Refreshments were served to Mes. Terry Barrett, M. D. Fox, H. C. Gage, Harkrider, Don Hill, W. H. Hoffman, Ed W. Hooker, W. A. Leslie, Jack Germany, Gayland Poe, Ross Rucker, Bill Walters, Cooper, Bill White, and guests, Mes. Mattie Doyle, Bill Collings and Dee Estes, by the hostesses.

Cub Scouts Meet At City Park For Picnic

Cub Scout pack number three met Wednesday afternoon at the City Park for a picnic.

Herby Weaver, den chief, conducted a period of games preceding the meal, which was arranged by Mrs. Neil Day and Mrs. J. T. Cooper, den mothers.

From Den One were Gayland Poe, Jr., Tomm Cooper, Billy Don Turner, Nickey Arther, Dean Fox, Jimmy Webb, and Herby Weaver, chief, and Mrs. Cooper.

From Den Two were Martin Day, Bobby Barber, Jimmy Barthelmy, Jimmy Walle, Victor Lath, Trevette Vermillion and Mrs. Day, den mother.

Baptist Women Prepare For Revival

The Baptist Women of the Morison Valley Community have been working diligently this week re-decorating the Harmony Baptist Church and annex in readiness for the Revival beginning this week end at their church.

Dr. Tidwell of Howard Payne College, Brownwood will fill the pulpit Sunday.

The Rev. Claud Harris of Calvary Baptist Church will be the evangelist preacher and Helen Hazard will lead the song service, with Royce Burrows at the piano. Both are students at Howard Payne College, Brownwood.

New Officers Elected by Music Club

New officers were elected Wednesday afternoon at the meeting of the members of the Scale Runners Juvenile Music Club in the home of Mr. and Mrs. I. C. Inzer, 300 Oak Lawn Street. Their daughter, Julia Lynn was hostess to the group.

Evelyn Bailey was elected president; Mary Vaughan, vice president; Glenna Kilgore, secretary; Sue Stocker, Critic; Betty Jo Westfall, pianist; Jayme Barker, Historian Jane Howell, Reporter; Julia Lynn Inzer, assistant pianist; Ella Joy Walker, Parliamentarian.

The program was opened with assembly singing of America with Julia Lynn at the piano. Playing piano numbers were Mary Vaughan, Sue Stoker, Mike Perry, Julia Lynn Inzer, Glenna Kilgore, Ella Joy Walker, and Linda Huckabay, and Evelyn Bailey. Gayle Kilgore gave an article on "How Fairies Play the Piano."

Mrs. A. F. Taylor, counselor conducted a musical quiz.

Refreshments of cookies and Cokes were served by the hostess and her mother.

Others present not mentioned above were Pat MacMoy, Glenna Kilgore, and Beverly Moser.

The next meeting will be May 9th in the home of Gayle and Glenna Kilgore.

Tickets Available

Tickets are now on sale for the Mother and Daughter banquet sponsored by the South Ward Parent Teacher's Association, which will be given at 7:30 p.m. May 3rd at the First Methodist Church.

The ticket committee is composed of Mes. E. M. Pritchard, Earl Conner, Jr., W. W. Linkenhogger and Mrs. E. J. Turner, president of the sponsoring organization.

Wake Up To More Comfort Without Nagging Backache

Nagging backache, loss of pep and energy, headaches and dizziness may be due to slow-down of kidney function. Doctors say good kidney function is very important to good health. When some everyday condition, such as stress and strain, causes this important function to slow down, many folks suffer nagging backache—feel miserable. Minor bladder irritations due to cold or wrong diet may cause getting up nights or frequent passages. Don't neglect your kidneys if these conditions bother you. Try Doan's Pills—a mild diuretic. Used successfully by millions for over 50 years. It's amazing how many times Doan's give happy relief from these discomforts—help the 12 miles of kidney tubes and filters flush out waste. Get Doan's Pills today!

How to Get the Most For Your Coffee Money!

Here's the Way to Enjoy Superb Coffee—Economically

Buy fresh coffee. If it isn't fresh, you're not getting your money's worth. Buy in-the-bean coffee. When coffee is pre-ground, part of the flavor escapes. Buy Custom Ground coffee. That's coffee ground exactly right for your coffemaker. Famous Eight O'Clock, Red Circle and Bobor coffee, delivered fresh-in-the-bean to your A&P, are Custom Ground to your order—to one of seven degrees of fineness. For maximum number of good cups from these thrifty coffees: Be sure coffee pot is clean. Measure both coffee and water... two level tablespoons of coffee to 4 of a standard measuring cup (or 1 ordinary cup) of water per serving. Serve immediately.

Cards Will Play In San Antone

CHICAGO, April 26 (UP)—The Chicago Cardinals Professional Football Team will meet the Detroit Lions in San Antonio, in an exhibition game Sept. 15. Cardinal President Ray Benningsen said today a five-game preseason schedule has been completed. The San Antonio date is fourth on the exhibition calendar.

The Cards also will play Green Bay at Green Bay, the New York Yanks at Chicago, the Los Angeles Rams at Salt Lake City, and the San Francisco 49ers at Omaha before beginning league play.

cial difficulty at the time he opened the Shamrock because of "being mixed up with bankers" and because he had an income of "only about a million dollars a year." He admitted, however, that since then his financial condition has improved to where his income is "more than a million dollars a year."

Meanwhile, Federal Judge James C. Carter leveled a threat to hold night sessions to "end the trial in three days." His ultimatum came after Rumman's attorneys, who claimed the argument developed over arrangements for a professional football game, said it would take at least two weeks to present their case.

Didn't Kick Him, Says McCarthy Just Pushed Him With Feet

LOS ANGELES, April 26 (UP)—Wealthy Texas Oilman Glenn McCarthy told a Federal Court jury he didn't kick Sports Promoter Larry Rumman—"I just shoved him with my foot."

The now famed kick or shove came at the height of an argument between the husky, six-foot one-inch Texan and the Los Angeles promoter. The argument resulted in a \$210,000 damage suit filed by Rumman.

"I thought he was going to grab my legs when I jumped up on my desk to come across and talk to him," the mustached McCarthy said in explaining the "shove" to the jury of nine men, three women hearing the damage suit.

"Then he made what I thought was a threatening gesture, I just pushed my foot against his shoulder and shoved him away."

But Rumman claimed in the suit that McCarthy kicked him in the face, punched him in the jaw and generally damaged his person and reputation.

Scene of the argument was the fabulous Shamrock Hotel Sept. 22, 1949.

McCarthy, in continuing his testimony begun following selection of the jury yesterday, said the argument was precipitated when a friend told him Rumman had called a gambler in Reno to place a \$500 bet in McCarthy's name against the Texas A&M Football Team.

The oilman said he "was very indignant" and called in Rumman to explain. "I was unhappy that the bet was placed in my name plus the fact I very seldom bet on football contents," McCarthy said. He indicated the bet implied an apparent disloyalty to home gridiron talent.

Testifying about his wealth, McCarthy said he had been in finan-

GET OUT OF KOREA WAR ANDREI SAYS

PARIS, April 26 (UP)—Soviet Deputy Foreign Minister Andrei Gromyko threatened the United Nations today with vast new casualty lists in the Korean War unless they abandon the peninsula to the Reds.

"There will not be enough room in Korea for the white crosses over the graves of the interventionists if the fighting does not come to an end," he said during belligerent, two-hour monologue.

If You Need An ELECTRICAN Call Basham's Electric

"There is an excellent remedy for the worry of the West in Korea—pull out and go home." His speech was made during the 37th meeting of the big four deputies in efforts to agree on an agenda for a proposed big four foreign minister meeting. No agreement has been reached.

Gromyko called Former British Prime Minister Winston Churchill a "cannibal" and "aggressor" for his April 19 speech in the House of Commons. His tirade was silenced only when British Deputy Ernest Davies charged that Gromyko had insulted the British Government and had "sunk to a low level beyond the bounds of decency."

An Added Value at No Extra Cost—

... is the way one of our customers put it a few days ago when he commented on how much insurance costs had declined the past few years. He asked us to make a survey of his properties and place adequate protection on each unit in line with present-day property values. Yes, home is really worth something now. Protect its increased value with adequate low-cost insurance.

If It's Insurance We Write It.

Mule Is Held At City Pound

FORT WORTH, April 26 (UP)—A skittish mule that was trapped on a railroad trestle 50 feet above the street was being held

at the city pound today after its rescue by four officers and four passersby.

The animal was one of two that was reported wandering over lawns and alleys yesterday in the east part of town. The officers managed to lasso one of the animals, but it yanked free and hurriedly left the scene.

The remaining mule started out over the 65-foot long trestle and did fine until reaching the center. Then it took a mis-step and all four legs plunged through openings between the ties.

There it remained until freed the rescuers who led the animal to safety along a narrow catwalk on the trestle.

All babies have blue eyes because the pigment cells of the iris, which determine eye color, have not developed at the time of birth, but appear between six and twelve months after birth. Then the eyes assume the color they will have through life.

BRITISH AID COMMUNISTS IN KOREA

WASHINGTON, April 26 (UP)—Rep. Clarence J. Brown, R., O., said today he has been informed that "every single enemy plane" shot down in Korea was found to be powered by British-built jet engines.

He said he was told this by a member of Gen. Douglas MacArthur's Staff.

Brown made the statement at a House Rules Committee hearing on proposed legislation to loan U. S. grain to India.

He complained that U.S. Foreign Aid Programs have frequently helped build-up Communist-controlled countries because there have not been adequate safeguards to prevent that.

U. S. aid to Britain, he said, helped Britain construct the engines which, he said, are now being used against American troops in Korea.

Brown did not identify his informant by name. Nor did he say whether the informant is in the United States with MacArthur or still on duty in the Far East.

Overtime Haircuts \$2

GENEVA, N. Y. (UP)—Construction employees at Sampson Air Force base asked Geneva barbers to stay open longer so they could get haircuts when they finished work. The barbers agreed to stay open on Tuesday night. The workers weren't too appreciative, prices for after-hours operations, including \$2 per haircut.

Marine Will Get Sheriff's Badge

FORT WORTH, April 26 (UP)—A Marine private in Korea will be wearing a deputy sheriff's badge soon from Tarrant County.

Worth wrote Sheriff Sully Montgomery that "they say this is a police action, so I want a sheriff's badge."

The Sheriff said he was fixing up a commission and badge to be sent to Goff.
