Phillips Leads Early Qualifiers With 73

Fifteen persons had qualified for the Eastland Invitational Tourney Thursday afternoon with Jimmy Phillips, Ranger's outstanding golfer, leading early posters with a one over par 73.

Marion Hiskey, North Texas College star, was one stroke behind Phillips at 74. Hiskey lists his home town as Twin Falls, Idaho.

Phillips qualified Wednesday with a 38-35 on his two rounds. Hiskey shot a steady 37-37 Thursday.

A large field is expected to compete for medal honors Friday. Match play begins Saturday with semi-finals and finals Sunday.

A large group of workers spent Thursday morning going over the hail damaged greens and smoothing them out.

Other qualifiers listed Thursday afternoon were E. K. Henderson, 41-38—79; Harry Blackwell, 100; Grady Pipkin, 108; W. L. Jacoby, 94; Joe Sparks, 80; J. E. Harkrider, 83; Bill Collins, 85; John Beady, 85; Gordon Smith, 95; E. M. Pritchard, 84; E. L. Norris, 92; Bruce Pipkin, 81 and Jack Germany, 98.

Henderson's 79 was the best score posted by Eastland entrants. The tournament will be the first invitation affair on Eastland's new course, and will be the first invitation since the early 30's for the city.

A barbecue and long driving contest will be staged at the country club Friday night preceding the opening of play Saturday.

Several nice prizes will be given winners of the various flights in the meet.

Aaron Robinson, Rising Star, runner-up in the Eastland county tournament held at the Eastland course last July was on the course Thursday. Jay Koonce, also of Rising Star and winner of the county meet last July, has not indicated whether he will enter or not.

Other members of North Texas College's outstanding golf team are expected to enter the tourney Friday and compete for medal honors.

Capt. R. L. Perkins At Carswell AFB

Capt. Roland L. Perkins, son of Mr. R. L. Perkins of 407 South Dixie St., in Eastland has been recently assigned to the 9th Bomb Sq. at Carswell Air Force Base, according to an announcement by Col. Calvin W. Fite, Jr., commanding officer.

Capt. Perkins, a veteran of 9 years service with the Air Force was last assigned in Alaska.

He graduated from the Eastland High School and then attended the North Texas State College where he played on the golf and tennis teams.

He is married and has two children, ages five and three.

MEXICAN BEAUTY IS FREE TO MARRY THE MAN SHE LOVES

SAN FRANCISCO, May 11 (UP)—A dark-eyed Mexican beauty from Guadalajara was free today to marry the man she has loved "forever."

A sympathetic superior judge granted an annulment yesterday after she testified she was forced to marry Joaquin Topete, 50, at the insistence of her father.

Mercedes' story, as told through an interpreter, was the familiar refrain of a father wanting his daughter to marry an "eligible" suitor although her heart belonged to another.

Mercedes told superior judge Frank T. Deasy that she met Daniel Vargas, 22, while both were vacationing in El Paso last year. From that moment on, she said, she loved him "always."

But on her return to Guadala-

Britain Would Give Formosa To Red China

LONDON, May 11 (UP)—Britain still favors returning Formosa to Red China, but only after peace has been restored in Korea, Foreign Secretary Herbert Morrison said today.

Morrison told Commons that the government still subscribes to the Cairo Declaration of 1943 awarding Formosa to the "Republic of China" after World War II.

But, he said, the first step was to obtain a Korean Peace settlement. Then the United Nations might "usefully" consider the Formosan dispute at "the appropriate time," he said.

Reds Have 893,662 Casualties Through April

WASHINGTON, May 11 (UP)—The army said today that Chinese Communist and North Korean forces have suffered 893,662 casualties through April 30.

The total includes enemy casualties suffered during the first nine days of its big spring offensive.

It represents an increase of 68,102 since the army's last report which covered the period through April 21, the date on which the enemy drive began.

By comparison, United Nations forces have suffered roughly 248,055 casualties through last Friday—including 64,035 Americans, some 180,000 South Koreans, and 4,000 troops of other United Nations.

The new breakdown of enemy casualties through April 30 showed: North Korean forces—314,381 battle casualties, 76,066 non-battle and 143,699 captured for a total of 534,146.

Chinese Communists—306,279 battle casualties, 49,814 non-battle, and 3,423 capture for a total of 359,516.

jara, she said, she never heard from him again. She said she later learned her father intercepted and hid Daniel's letters.

"They told me he didn't love me," she lamented.

Finally, she said, she consented to marry Topete. She said they went through a civil ceremony last August, but that the marriage itself was never consummated.

Three months ago, Mercedes said, an uncle discovered the letters Vargas had written and showed them to her. That convinced her he really loved her.

The uncle helped her run away from Guadalajara and come to San Francisco where her mother, Mrs. Maria Medina, lives.

After the judge granted the annulment, Mercedes said she planned to marry Daniel, who lives in San Francisco and works for the Ford Assembly Plant across the bay in Richmond, Calif.

Daniel is all for getting married, too.

EL SALVADOR QUAKE KILLS 1,000—Astounded resident walks through the streets of Jucupa, San Salvador, after earthquake struck town May 7. This area, and the town of Chinameca were hardest hit by quake which took heavy toll, killing 1,000 persons and injuring 4,000 others. (NEA Telephoto).

Ranger Country Club Expect Huge Crowd At Tournament

Practically all details have been worked out for the Sixteenth Annual Invitation golf tournament of the Ranger Country Club, according to A. N. Larson, President. Friday, Saturday and Sunday, June 1-2-3 are the dates, and invitations are now being mailed out by Earle Pittman, tournament chairman, to golfers over Texas.

WOMEN JAILED FOR RAPE OF BUSINESSMAN

CHARLESTOWN, R. I., May 11 (UP)—Three young women accused by a business man of forcing him at knife point to have sexual relations with one of them were jailed today to await trial.

The women identified themselves as Eileen and Barbara Reposa, sisters and Eunice Miller. All said they were 21 and gave several addresses which proved fictitious.

State Police said the three were given a ride from Providence yesterday by the man, who was motoring to Narragansett Pier from Providence for a fishing trip.

Police said one of the two girls on the front seat with the man drew a knife. He was shoved into the rear seat and one of the girls drove the car.

The car was stopped on a back road. The man, whose name was withheld by police, said the girl in the rear seat forced him to have relations with her while the girls in front threatened him with the knife. He then was robbed of \$10.

The girls took their victim to Pawcatuck, Conn., where he was ordered to go into a drug store and buy peroxide. The girls said they wanted to bleach their hair as a disguise. But the man called police.

The girls were taken to Westerly, R.I., where they pleaded guilty to charges of vagrancy and of lewd and obscene conduct. They were remanded to the reformatory at Cranston, R.I., for trial May 25.

James J. Moran Gets Five Years

NEW YORK, May 11 (UP)—James J. Moran, friend and political protégé of former Mayor William O'Dwyer, was sentenced today to five years in prison and fined \$2,000 for perjury. It was the maximum sentence possible.

Federal judge Charles A. Dewey followed the recommendation of the government in imposing the stiff penalty on the 49-year-old former city official, who lied to the Senate crime investigating committee.

Defense attorney Joseph L. Delaney said that he would file a notice of appeal immediately.

Moran was found guilty by a jury Tuesday.

He lied when he told the Kefauver Committee in March that Brooklyn "policy king" Louis Weber visited him no more than a half dozen times when Moran was first deputy fire commissioner and the man closest to O'Dwyer while the latter was mayor.

The government called witnesses who proved that the racketeer visited Moran no less than 100 times. Moran offered no defense.

Dewey permitted Moran to go free in the custody of his attorney until 4 p.m. when he must post \$25,000 bail to remain free pending appeal. The prosecution argued unsuccessfully that Moran should be remanded to jail.

High School A Capella To Give Program

Eastland High School's A Capella Choir under the direction of William Stanley, high school principal, will present a concert Tuesday, May 15, at 8 p.m. at the High School auditorium.

The program for the concert will include "Adoramus Te," "Madame Jeanette," "Cindy," "Beautiful Savior," "Ezekial Saw De Wheel," "O Jesus Grant Me Hope and Comfort," "The Lord Bless You and Keep You," and "Now The Day is Over."

Several numbers by the girls sextet and a boys octet will also be presented.

The choir has appeared at the Rotary and Lions Clubs and was well received.

A 65 voice group, the choir was organized Oct. 1, 1951. All members of the student body are eligible. The choir rehearses three times a week from 11:30 a.m. until 12:00 noon. Several night rehearsals have also been held.

The public is invited to attend the concert Tuesday.

Van Geem Heads FMC Stewards

Henry Van Geem has been elected chairman of the First Methodist Church Board of Stewards for the coming year.

Van Geem will replace N. P. McCarney as head of the group. Also elected was J. P. Kilgore, vice chairman.

Earl A. Bender and Mrs. E. C. Satterwhite were re-elected as treasurer and secretary respectively. New officers and Stewards will take up their duties June 1.

The Board of Stewards and the quarterly conference have requested the return of the pastor, J. Morris Bailey, to the church for another year. Rev. Bailey is completing his second year with the church. Appointment of pastors will be made at the Statewide Methodist conference June 6-10.

The local church conference has been called for Wednesday, May 16, at 7:30 p.m., at which time a vote will be made on proposals for a new parsonage. A plan for a new parsonage has been approved by the Board of Stewards and authority has been given by the quarterly conference.

Taft Charges Administration Using Straw Man

WASHINGTON, May 11 (UP)—Sen. Robert A. Taft, R., O., said today the Truman administration is using the Russian-Chinese Communist defense past as a straw man to justify firing Gen. Douglas MacArthur.

Defense Secretary George C. Marshall, who returns at 10 a. m. EDT) for a fifth successive day before the Senate committee investigating MacArthur's discharge, has stated repeatedly that MacArthur's policies might mean a war with Russia which the free world is not ready to fight yet.

Taft, Senate republican policy chief, told a reporter that Marshall's testimony has not changed his mind "one bit." He still believes the nation must choose between an "appeasement" settlement in Korea or adoption of MacArthur's plan for pressing the war home to Communist China.

TRUMAN CALLS KOREAN WAR VETS PEACETIME VETERANS

WASHINGTON, May 11 (UP)—Refusal by the Veterans Administration to hospitalize a cancer-stricken veteran of the Korean war touched off a drive in Congress today to treat ex-GI's of Korea like veterans of any other war.

President Truman told his news conference the VA was perfectly right in ruling that under present law it could not admit the cancer patient because he was a "peacetime" veteran whose ailment had no connection with his service in Korea.

UN OVER RAN RED POSITIONS CAPTURE KEY TOWN OF INJE

By Frank Termaine
United Press Staff Correspondent
TOKYO, May 11 (UP)—Chinese Communist Commanders resorted to battlefield loudspeakers to encourage their hard-pressed forces on the East-Central Korean Front today, promising them reinforcements if they would hold their lines.

But United Nations forces overran the Reds' mountain-top positions and recaptured Inje, an important Highway town five miles North of the 38th Parallel, without firing a shot.

Elsewhere along the 100-mile Korean front there was an ominous stiffening of enemy resistance.

Allied troops probing towards suspected Communist build-up points on the Western Front North of Seoul were blocked by Red forces apparently thrown out to screen the main Chinese armies.

The Reds put special emphasis on the Central front. They were reported massing West, North and East of Kapyong and Chunchon, giving indications they may be about to pull the trigger on round two of their spring offensive.

The enemy loudspeakers were heard East of the Inje while South Korean troops were knocking two companies of Communists off a hill.

"Hold your positions at all costs" the loudspeakers blared in Chinese. "Reinforcements are on the way."

But the Allies found no immediate sign of the promised reinforcements. Field dispatches rather said there were signs of a new withdrawal between Inje and Yanggu, 10 miles to the northwest.

Fifteen miles Northeast of Seoul, on the opposite end of the front, Allied patrols were halted by tank traps protected by heavy rifle and machine gun fire.

San Antonion Dead In Crash

DAYTON, Tex., May 11 (UP)—Lt. Col. William N. Hensley, 33, of San Antonio, was killed yesterday when his National Guard jet fighter plane crashed in a rice field eight miles north of here.

Hensley, district attorney at San Antonio on leave since the 182nd Fighter Squadron he commanded was called to active duty, was enroute to Langley Field, Va. where the unit is stationed.

The Air-Rescue Unit at Ellington Air Force Base near Houston said Hensley radioed saying his engine had "flamed out" at an altitude of 40,000 feet. Two minutes later he radioed that the plane's "windshield has frosted over." That was the last message received.

The plane struck a power line and burst into flames as he attempted to crash land in the rice field.

Decision Reserved In Divorce Suit Against Millionaire Sportsman

BRIDGEPORT, Conn., May 11 (UP)—Decision in the divorce suit of Mrs. Verna Hoover Fonda of Stamford against her millionaire sportsman husband was reserved today by superior court Judge Edward J. Daly.

Mrs. Fonda sobbed yesterday when she testified Douglas C. Fonda admitted being unfaithful "on numerous occasions" after they separated in August, 1949.

She is seeking a divorce on the ground of adultery, identifying the other woman only as "Edith." Mrs. Fonda claimed she went

to Naples, Fla., in January, 1950, and discovered her Texas oil man husband had been there a month earlier with "Edith." Deposits from Gulf Hotel employees said Fonda and a woman registered as his wife stayed at the hotel five or six days in December, 1949.

Fonda's plane log showed he had flown to Florida after flying to Texas on business.

In testimony on financial affairs of the Fondas, Mrs. Fonda wept again as she admitted signing her husband's name to checks to get money to pay her living expenses. She said she "worked like a laborer raising hay and alfalfa" on their Baltimore, Md., farm.

R. L. Arndall, an accountant employed by Fonda, was a principal defense witness in testimony about Fonda's financial affairs. It was claimed his income from the Fonda Guage Company of Stamford and the Fonda Oil Co., is about \$100,000 a year. Mrs. Fonda is seeking alimony.

The Fondas were married in February, 1939, and have no children.

UNITED NATIONS TAKE FIRST ROUND OF RED SPRING ATTACK

By Harry Ferguson
 United Press Foreign News Editor

Balance sheet for the week between good and bad news in the hot and cold wars:

Good News

1. The size of the United Nations victory in the first round of the Communist spring offensive grows by the day. Red casualties were around 75,000, some 24 divisions were badly mauled and the entire army has been forced to pull back. The Chinese Communists probably will strike another blow, but their ability to attack has been severely curtailed.

2. Sentiment is growing among America's allies to impose a tighter embargo on Red China in an attempt to drain her capacity to make war. The United States already has a complete embargo on shipments of goods and Britain announced yesterday she would halt the sending of rubber to Communist China for the rest of the year.

3. There doesn't seem to be any doubt that the United States already has perfected or is about to perfect a deadly field weapon which utilizes atomic war-heads. If atomic artillery shells could be added to the fire power of the United States Eighth Army, that might be the answer on how to break the stalemate in the Korean War.

Bad News

1. Gen. Douglas MacArthur and Defense Secretary George C. Marshall are in agreement that Russia has sizeable concentrations of troops and weapons within striking distance of the Korean battlefield. MacArthur thinks they are there solely for defensive purposes, but their mere presence there is a constant threat in event Moscow decides to take the big chance.

2. Ten weeks of attempt to negotiate with the Russians over how to end the cold war have passed without anything happening except the speaking of bitter words and the creation of ill will.

Rex Barney Is Sent To Cats

FORT WORTH, May 11 (UP)—Rex Barney, Brooklyn pitcher beset with control trouble since 1948, joined the Fort Worth Cats mound staff today and prepared for a Sunday night assignment against Shreveport.

Barney arrived from Brooklyn last night by plane, ready and eager to get to work. He was immediately given the Sunday night assignment by Fort Worth Manager Bobby Bragan.

Barney said his ailing arm was stronger than at any time last year. The big right hander added that he felt there was nothing wrong with him that regular work—and lots of it—wouldn't cure.

HITCHHIKING THUGS ROB STATE BANK

COLLINSVILLE, GRAYSON COUNTY, TEX., May 11 (UP)—A hitchhiking bank bandit robbed the Collinsville State Bank of \$4,009 today, but was apprehended about an hour later and all of the money recovered.

The bandit, who identified himself as Earl Franklin Morris, 29, of Wichita Falls, walked into the bank at the 9 a.m. opening and obtained the money while holding a .32. caliber Italian-made pistol.

An hour later he was arrested about a mile from the bank by

Right American We Would Say

WASHINGTON, May 12 (UP)—One of the most celebrated American "Mata Haris" of World War II is having trouble proving she's an American citizen.
Except for one legal hitch—her birth never was recorded—pretty Claire Phillips seems to have every qualification.
She was born in Grand Rapids, Mich., and owns a place in Portland, Ore. She married a GI sergeant. She snooped among the Japanese, ferreted out information that helped to win the Pacific war, and in the process got herself captured by the enemy.
The lovely, but modest, brunette told me about some of her experience over some prime roast beef.
She went to Manila in 1941 with an American show troupe which got special permission to go there to entertain U.S. troops. There she met and fell in love with Sgt. John Phillips of the 31st American Infantry Division. With-

out warning came Pearl Harbor. On Christmas Eve, a Catholic Chaplain married the girl and the Sergeant. The soldier had to hurry to the front. A few months later he died from malnutrition, wounds and Malaria.
Claire got herself a small night club right among the enemy and was allowed to stay around because she got her hands on some faked Italian credentials.
She danced with Japanese officers and would like to remark at this late date that most of them danced like a man trying to kick a field goal in a telephone booth.
While they were in their cups she pumped the enemy big wheels for vital information. This she relayed by guerrillas to the U.S. Command. She got credit for giving a tip that resulted in the sinking of an enemy aircraft carrier.
From the reports and tips she received at the nightclub, she toured the various black markets and obtained the drugs and supplies the American Guerrillas and Filipinos in the hills so badly needed. During a long period, some \$50,000 fluttered through her hands—but Claire took not a dime

for herself.
Finally, though, the pretty girl's luck ran out.
She became a prisoner of the Japanese and, on May 23, 1943 was court martialed and sentenced to death. Later the enemy commuted her sentence to "life imprisonment". After that came months after months of horrible torture. Claire still has the scars.
Nails were driven under her fingernails. She was subjected to high pressure water hose. She was beaten and starved—all in an effort to make her talk. Claire was hurt and bleeding, but she refused to talk. Finally the war ended and she was liberated.
America learned a little about her trials and tribulations in a book called "Manila Espionage." It will learn a little more in a forthcoming movie based on her experience.
Claire has had many citations for her courage. One was the coveted Medal of Freedom, which was awarded her on recommendation of Gen. Douglas MacArthur.
The one thing she covets most of all, however—legal proof of her American Citizenship—still eludes her.

Mrs. Hill Of Dallas Speaks At Final Meeting Of Civic League And Garden Club At Woman's Club

Mrs. Carl Hill of Dallas talked on flower arranging according to the seasons and told how to prepare arrangements for entering into a flower show. She was the guest speaker, Wednesday afternoon at the meeting of the Civic League and Garden Club.

Mrs. Hill is a former Eastland resident, a member of the Home and Garden Department of the Dallas Women's Forum and president of the Junior Unit of the Dallas Woman's Club. She also holds the record in Dallas with nine stripes awarded by the Red Cross for nine years of service as a Gray Lady.

Mrs. Arthur Murrell, chairman of the hostess group, introduced the speaker, who had on display six different arrangements. She told how to plan for an arrange-

ment, how to prepare the material and how to work for the best results.

Frosted fruit punch was served from the polished board of the new conference table, which was centered with an arrangement of white iris, made by Mrs. Hill and used in her talk. Mrs. Arthur Murrell ladeled the lime punch and was assisted in serving fancy cookies and mints by Mmes. Cecil Collings, F. M. Fullen and F. M. Graham.

Mrs. James Horton, president, presided and heard reports from the officers and committees. Mrs. John Turner made a report on the hospital committee. Mrs. Theo Lamb gave a report in full on the horse show and moneys collected therefrom. Mrs. Jack Carothers, reporting for Mrs. Robert Vaughan, chairman of the margarine box tops committee, and Mrs. Sam Gamble on the regular finances of the club and the different funds making up the whole. In the beginning of the club year Mrs. Gamble reported a balance of \$415.03 made and added during the year \$604.78 making a balance on hand of \$1019.81. Following the business meeting Mrs. Horton presented Mrs. Fred

Tri-County Baptist Youth Rally Is Set Monday At Rising Star

A message by W. H. "Dub" Jackson and the Billy Graham film, "Mid-Century Crusade", will highlight the Tri-County Baptist Youth Rally to be conducted at the First Baptist Church in Rising Star on Monday, May 14, beginning at 8:00 p.m.

Sponsored by the Cisco Baptist Association, the rally is planned especially for the young people of Stephens, Eastland, Shackelford counties. Some 300 are expected to attend.

The visiting speaker, "Dub" Jackson of Fort Worth, is a veteran P-38 fighter pilot of the Pacific war. Last summer, he conducted revival meetings throughout Japan. A graduate of Hardin-Simmons University and Southwestern Baptist Seminary, Jackson will sail for Japan in August where he will take over his duties as a Southern Baptist missionary to the Orient.

Filed in technicolor, "Mid-Century Crusade" is the story of the Greater Portland Evangelist Campaign and feature a portion of one of Billy Graham's revival messages and music by George Beverly Shea and the 1,000 voice Portland choir under the direction of Cliff Barrows.

Paul Stephens of Cisco will be in charge of the Rising Star rally. Hulien Hazard will lead the song service and Royce Burrows will be the pianist.

The general public has been invited to attend the youth meeting.

Mrs. Billy Jack Watkins was the honoree at a pink and blue shower Tuesday evening following the program when members of the Zeta Pi chapter of Beta Sigma Phi met for a regular meeting in the home of Mrs. Terry Barrett. Mrs. W. M. Brown was co-hostess.

For the party for Mrs. Watkins, the Exemplar chapter joined the group. The beautifully wrapped packages were rolled in on a toy wagon.

Mrs. Jimmy Harkrider, president, presided over the business session and named committees for the new year. Names were drawn for Phi-Pals.

The scrapbook and history of the years work made by Mmes. Watkins and Brown was on display and will be entered in competition at the state convention, May 18, in Fort Worth.

Mrs. R. N. Whitehead talked on "The Art of Thinking" using as her background an article written by Helen Keller.

Others present were Mmes. J. T. Cooper, W. H. Cooper, Oscar Avera, Milton Fullen, H. C. Gage, Ed Hooker, El Jeune Horton, F. L. Graham, Bob King, Bill Leslie, Jack Germany, F. N. Sayre, Ross Rucker, W. L. White, and the

Members Of Sorority Will Attend Meeting

A large group of members of the Beta Sigma Phi Sorority are planning to attend the State convention of the Sorority being held May 18th at the Blackstone hotel in Fort Worth.

The new president of the Zeta Pi chapter, Mrs. Jimmy Harkrider and the retiring president, Mrs. J. T. Cooper are included in the group planning to attend. Mrs. Cooper was awarded the courtesy of a standing vote of thanks from the Zeta Pi chapter at last Tuesday's meeting for having attended every meeting of the group during her tenure of office.

Mrs. Will Collings, president elect of the Exemplar chapter and Mrs. Mattie Doyle, retiring president, Mrs. Marene Johnson, sponsor of the Zeta Pi chapter, and honorary member of the Exemplar chapter will also attend.

Five thousand sorority members are expected to attend the convention.
