Inter-Squad Tiff To End Maverick Drills

Members of the Eastland Maverick football spring training squad will be divided up for an inter-squad game to conclude spring training, Friday afternoon or night.

Individual squads have not been chosen by coaches Wendell Siebert and Ed Hooker.

There are not many more than enough players to make two elevens, and reserves will be very scarce.

Edwin Aaron, letterman end, and probable starter at an end-spot next fall, has missed spring practice because of a recent operation at an Abilene hospital. He is expected to be ready for action this fall.

Derrell Black, tackle letterman, injured a leg in practice this week, but the injury did not appear to be hampering his action much in Tuesday's action.

Black and Larry Miller appear to be developing into outstanding linemen. Both are big and plenty fast.

Four seniors have been working out with the group and will help in forming two teams for the inter-squad clash. They are Doug King, John Burleson, James Freeman and Gerald Davis.

Lettermen back for the spring grid include Eddie Haines, end; Black, tackle; Hill Gaeta and Miller, guards; Norman Watson, center; Rodney Stephen, Dick Evtatt and Morris Riggan, backs.

Making good showings in spring drills are backs, Jamie Jessop and Vern Meroney and linemen Don Roff, Snag Hansen and Alan Vermillion. Judging from spring drills, these boys appear most likely to

Deputy Expects Mail From HST

HOPEWELL, N. Y., May 16 (UP)— Sheriff's Deputy Art Scannell says he is expecting "one of those famous letters from Harry."

The Ontario County Deputy arrested Treasury Agent Grady A. Stowe, 31, for speeding through this Western New York town as Stowe was driving the president's sister, Miss Mary Jane Truman, back to her home in Grandview, Mo.

"Harry isn't going to like it, having his sister delayed like this," Scannell quoted Stowe as saying. He took Stowe before Justice of the Peace Warren Smith, who ruled: "You're either going to pay a \$20 fine or you're not getting out of here."

Stowe, who was driving a government limousine, reluctantly paid the fine. Scannell said Stowe then jotted down the deputy's name along with Justice Smith's in a little black book.

"Maybe we'll get one of those famous letters from Harry," Scannell said.

Saturday Ranch Day In Eastland

Eastland's Annual Ranch Day will be observed Saturday, with a number of High School bands from this section expected.

The day this year is being held in connection with Armed Forces Day in the city and members of Ciseo's and Ranger's National Guard units will march in the city.

Plans for the program Saturday are still being worked up, but a full day is slated.

Members of the Band Booster club support the day each year with proceeds going to the support of the EHS band.

Food booths will be in operation in the city. Sandwiches will be 15c, pie 10c and cake 10c. Everyone is urged to take their lunch with the Band Boosters during the day.

break into the lineup next fall. Roff, a big boy, has shown vast improvement this spring and may move into a tackle spot this fall. Hansen is up from Junior High and has been used at both end and center during drills. Vermillion is being groomed as guard.

Spring practice has been limited mostly to fundamentals, with special attention given to blocking and tackling. Coaches believe that the boys in the line have learned a lot during practice and think that their starting line next fall will be able to hold its own with any they meet. Reserves are another question.

At any rate, an inter-squad is set for Friday. According to Coach Siebert, "We are going to have a game of some kind Friday."

Fight Resumed In House Today

AUSTIN, May 16 (UP)—The fight over how House members of a conference committee on the Omnibus Tax measure will be instructed to be resumed in the lower chamber today with the rural road bloc holding a decided edge in the battle to date.

After the House voted to reject Senate amendments to the House-passed "catch-all" levy yesterday, the rural road forces succeeded in having committee members instructed on two points.

One would require the committee not to freeze or repeal current funds allotted for construction of rural roads, amounting to \$7,300,000 annually. Also, the committee was instructed to demand continuation of the \$15,000,000-a-year Colson-Briscoe Rural Roads Act unless the provisions of a \$30,000,000 natural gas gathering tax is inserted in the new levy.

Evangelist Gives Chalk Illustrations

Evangelist A. E. Barkley, now engaged in revival services at the Church of the Nazarene, illustrates the Gospel each evening by drawing pictures relating to the theme.

Mrs. Barkley conducts teen-age services at 7:15 nightly with the evening service beginning at 7:45. Evangelist and Mrs. Barkley sing together in each service.

These services will continue nightly through May 27 and the church extends to all an invitation to attend.

Four Eastland Students Among HSU Candidates For Degrees

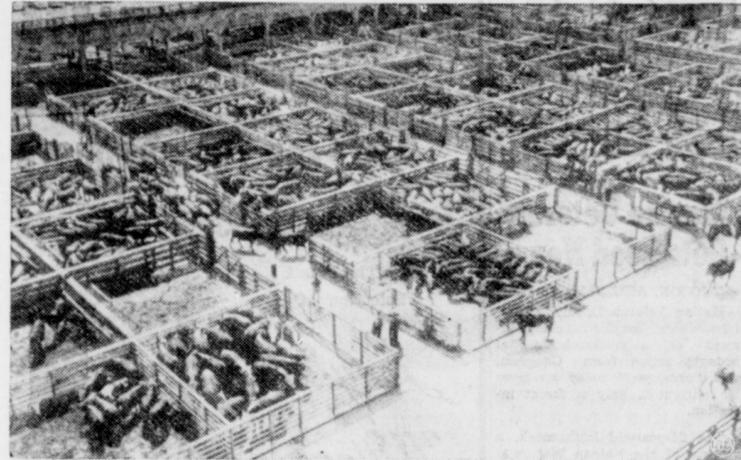

ABILENE — Four students from Eastland are among the 250 students who are candidates for degrees at Hardin-Simmons university, Monday, May 28.

They are Shirley Gladene Womack, Nelson T. Allison, Mrs. Frances M. Cooper and Mrs. Prudie H. Hardeman. Dr. P. D. O'Brien, Big Spring, will give the commencement address. Baccalaureate services will be held Sunday, May 27.

Miss Womack will receive a bachelor of arts degree. During her undergraduate days she has been a member of the cappella choir, Oratorio Society, and served on the Bronco staff, the school yearbook. She is the daughter of Mr. and Mrs. W. G. Womack.

Mrs. Cooper will receive a bachelor of science degree. Allison will receive a bachelor of arts degree. He has been a member of the Players club, Colt club, Life Service Band, Spanish club, Cow Hands, Sigma Tau Delta, honorary English fraternity; treasurer of Future Teachers of America. He is the son of Mr. and Mrs. J. Carroll Allison.

Mrs. Hardeman will receive a

Republicans Want The Facts On What Truman Said About General MacArthur In Meeting

WASHINGTON, May 16 (UP)—Senate Republicans hoped to sidestep a showdown with Gen. Omar N. Bradley today on what President Truman said privately about Gen. Douglas MacArthur and press the issue when Secretary of State Dean Acheson testifies later.

But Democrats were determined to settle the dispute immediately at Bradley's second appearance before the Senate Armed Services Foreign Relations Committee (at 10 a. m. EDT).

Committee Republicans met a half hour before Bradley's appearance to plan their strategy.

At stake was whether Bradley,

Chairman of the Joint Chiefs of Staff, should be ordered to tell the committee investigating MacArthur's ouster what occurred at a secret White House meeting on April 6, five days before the firing was announced. Bradley refused yesterday.

Bradley had the law and precedent on his side in refusing to divulge the confidential talks.

Republicans thought that Bradley's account, if forthcoming, might show that some political infighting, perhaps on Acheson's part, played a major role in the historic dismissal.

Some Republicans said privately that they wanted the showdown to come—including suggestions of contempt action—with Acheson not the five-star Bradley.

Democrats, on the other hand, wanted the showdown right now and with Bradley, whom they regard as a figure generally more popular in the public eye than the Secretary of State.

The row over Bradley's refusal to tell about his discussion with Truman for the first time brought partisan charges which split the heretofore surface harmony of the investigating committee.

Sen. William F. Knowland, R., Cal., told newsmen that if members were "foreclosed" from information it might be necessary for Republicans to quit the inquiry and report to the full Senate that the investigating committee "can't function."

Democratic Sen. Brien McMahon, Conn., said Republicans were putting on a "show," and would repeat the performance with Acheson.

Sen. Alexander Wiley, Wis., Senior Republican on the Foreign

Relations Committee, kicked the row off; it appeared almost by accident.

Wiley pressed Bradley to disclose the substance of the White House meeting which, he said, set the stage for the "very unusual and cruel" discharge of MacArthur. Besides Bradley, Acheson and Truman, the meeting was attended by defense Secretary George C. Marshall and W. Averell Harriman, presidential adviser.

Bradley refused, saying that presidential advisers including himself "might as well quit" if Congress forced them to disclose their private conversations with the president.

The prosecution charged yesterday that the alleged spies had detailed information on the Allied landings at Inchon a week before the operation took place.

School Board Waits For June

FORT WORTH, May 16 (UP)—The Fort Worth Board of Education has put off until June a decision on the question of high school student marriages.

The board was unable to decide at a meeting last night whether marriage was sufficient reason to temporarily dismiss the students.

Board members heard a plea to "do something to deglamorize high school marriages." It came from Mrs. S. C. Walker, spokeswoman for a delegation of mothers.

As mothers, we are definitely opposed to high school students getting married," she said.

The 34-year-old blonde singer and Dr. Eugene Chapman, San Antonio, Tex., 44, were married here yesterday in St. Charles Ave. Presbyterian Church. Only a few relatives and close friends attended the ceremony and the wedding supper in Antoine's famous French Quarter restaurant.

The bride, former wife of radio executive Edward McKay Oates, revealed in an interview more than a year ago that she was in love with a married man. She announced wedding plans last February after both had been divorced.

The couple was attended by Mr. and Mrs. Gordon Atwater of New Orleans, the bridegroom's sister and brother-in-law, Miss Kirsten said she planned to visit her invalid mother in Neptune, N. J., on her wedding trip.

EHS A Capella Choir In Concert

The Eastland High School A Cappella Choir gave an hour long concert before a large audience at the High School Auditorium, Tuesday night.

Two groups of songs were offered by the choir and were well received by the audience. The first group consisted of religious songs, the second, love songs. A girls sextet and a boys quartet also sang on the program.

There are 70 members of the choir which is directed by W. H. Stanley, organizer of the group and High School Principal. The choir was organized last fall and has made remarkable progress.

Opera Star Is On Honey Moon

NEW ORLEANS, May 16 (UP)—Opera star Dorothy Kirsten honeymooned today with a Texas doctor she met and fell in love with two years ago when both were married to other persons.

The 34-year-old blonde singer and Dr. Eugene Chapman, San Antonio, Tex., 44, were married here yesterday in St. Charles Ave. Presbyterian Church. Only a few relatives and close friends attended the ceremony and the wedding supper in Antoine's famous French Quarter restaurant.

Prosecutors Have Evidence

TOKYO, May 16 (UP)—U. S. assistant prosecutor at the provost court today at the trial of 18 alleged Communist spies to prove that the spy ring had detailed official documents about secret Allied installations, proposed military routes and other vital military information.

Leonard Rand of Newark, N. J., assistant prosecutor at the provost court trials, brought detailed maps of installations at the Tokyo quartermaster depot, the layout of Far East air materiel command, location of anti-aircraft positions, military roads and proposed military routes.

Evidence brought before the court this afternoon was still so secret it was given at a closed door session "to protect the security of the occupation."

Some of the military routes were marked with the letter X "indicating areas warranting special attention" according to spy notes on the corner of the documents, Rand said.

The documents and maps introduced were uncovered by U. S. Counter Intelligence Corps officers and men when the spy ring was rounded up.

The reports contained such phrases as "as stated in the last report" and "continued in the next report."

The accused men, 16 Koreans and two Japanese, are charged with being members of an extensive spy ring operating in Japan with interests "inimical to the occupation forces."

The prosecution charged yesterday that the alleged spies had detailed information on the Allied landings at Inchon a week before the operation took place.

Police Want To Be Reinstated

EL PASO, May 16 (UP)—Two El Paso Police officers suspended for alleged friendliness toward Gambler Mickey Cohen within three days if they get their jobs back.

Civil Service Chairman Fred Swick, after two days of hearings on their petition for reinstatement, said a decision will be made this week, probably by Friday.

Detective W. D. White and Patrolman John Hartridge denied any "undue" association with Cohen when the gambler visited here in March for the funeral of Policeman Ralph Marmolejo, Jr., slain in a gun battle with an escaped felon.

Legion Meeting Set Thursday

A regular meeting of the American Legion Dulin-Daniel Post No. 70, will be held at the Legion Hall at 7:30 p. m. Thursday, C. G. Stinecomb, post commander, has announced.

All members are urged to attend. Refreshments will be served.

Probably the first use of scrap iron in America for resmelting purposes occurred in 1646 in Massachusetts.

South Koreans Fall Back Slightly But Other UN Forces Faced Assault

By Earnest Hoherecht
TOKYO, Thursday, May 17 (UP)—Chinese and North Korean Communists threw probing attacks at Allied lines all across Korea today. One Allied commander said the Reds' all-out offensive may begin by the light of the full moon on Friday.

Chinese Reds recaptured Inje, highway hub five miles north of the 38th Parallel and 25 miles inland from the East Coast, Wednesday after one of the heaviest Communist artillery barrages of the war.

Russia Could Bomb The USA

HOUSTON, Tex., May 16 (UP)—Russia has all the means of atom bombing the major U. S. cities at one time "and there is nothing we can do to stop them," Mildred F. Caldwell, Jr., federal civil defense administrator, said last night.

The United States' radar network could not be expected to locate incoming Russian bombers in time for fighter planes to ward off attack, Caldwell said.

The buildup of Russia's war machine and our own billion-dollar war effort has one only logical conclusion, he said, "and that is war."

"We know that the Russian philosophy decrees that democracy must be destroyed and we know that she will not be satisfied with anything else. We know that Russia is working day and night on a giant war machine. We know that Russia is blocking major agreements on every hand. We know that we are spending billions and drafting millions."

"It all means one thing from a logical standpoint and that is—war," he said.

Caldwell, in Houston to address a meeting of the general federation of women's clubs, said in an interview that there is a "definite probability of war."

"The timing is not for us. They will make the timetable. It will start whenever Russia thinks her interests will be served best."

A spokesman for the company said the case of the clerk, who has nearly 25 years' seniority, was the only grievance on file.

A spokesman at division headquarters in Dallas charged that the walkout was "irresponsible and in violation of a contract between the company and the CWA."

RJC A Capella To Sing Friday For Rotarians

The Ranger Junior College A Cappella Choir will sing at the Ladies' Night of the Eastland Rotary Club, Friday night at the Connelley Hotel Roof Garden.

Fred Baumgardner is director of the group which is recognized as one of the outstanding Junior College A Cappella groups.

The choir presented performances at Eastland High school and at a Lions Club meeting in Eastland last month.

Other details of the program for the Friday event have been arranged, and new officers of the Rotary Club will be installed at the meeting.

All members of the Rotary Club are urged to attend and bring their wives. Members of the Lions and other groups are also invited to attend the event.

Florists Offers Overseas Service

Poe Floral, 200 North Green, and Wittrup's Flowers, 200 Seaman St., as members of the Florist's Telegraph Delivery Association, are qualified to provide overseas floral service to permanent American Military Cemeteries in England, France, Belgium, Holland, Luxembourg, Italy, North Africa, Hawaii, Alaska, Puerto Rico, Panama and the Philippines.

For guaranteed delivery by Memorial Day, cable orders should be placed before May 25. Cable charges may be avoided by placing orders so that they may be relayed via airmail before May 20.

Detective W. D. White and Patrolman John Hartridge denied any "undue" association with Cohen when the gambler visited here in March for the funeral of Policeman Ralph Marmolejo, Jr., slain in a gun battle with an escaped felon.

Rep. John J. Rooney, New York Democrat retorted that the whole thing was "most picayune."

"It's unadulterated nonsense," Rooney said, "small time stuff."

The Treasury Department, which operates the secret service, said it's part of their job to take care of Truman's elderly, unmarried sister, Mary Jane. The secret service is responsible for the president's "immediate" family, the department said.

However, Rep. John Taber, R.,

Most of the enemy attacks met rock-wall resistance. The Reds struck in groups of 700 up to two battalions, and used hand grenades, automatic weapons and light artillery. Only the South Koreans fell back slightly. Other United Nations forces threw back the assaults.

Allied officers said the Reds stabs were attempts to find a weak spot in the UN lines. The Reds attacked most persistently in the Inje area.

Major Gen. William Hoge, commander of the U. S. 9th Corps, said the second round of the Chinese Spring Offensive is imminent. He said it may come with the full moon. He and his troops will "welcome it," he said.

The first assault in the spring offensive last month also began by the light of a full moon. The Reds hit with 300,000 troops. They are reported to have 300,000 ready for round two.

Phone Workers Back On Job

BEAUMONT, May 16 (UP)—Some 550 telephone workers who walked off their jobs for five hours here yesterday were back on duty again today but an official for the Communication Workers of America (CIO) warned "the situation is not settled yet."

The workers walked off their jobs for five hours yesterday morning, apparently to force Southwestern Bell Telephone Co. to fire a woman clerk the union charged with making "unfair reports."

A spokesman for the company said the case of the clerk, who has nearly 25 years' seniority, was the only grievance on file.

A spokesman at division headquarters in Dallas charged that the walkout was "irresponsible and in violation of a contract between the company and the CWA."

Flowers Add To Beauty Of Texas They Should Not Be Destroyed

By ESTHER GAYLE WINSTON
The wildflowers of May blooming by the wayside on West Texas highways add a pleasure to motoring that must not become exhausted.

For more than a hundred years the beauty of the wild flowers and vegetation of Texas has brought pleasure to nature lovers not only at home but throughout the country. The wide variety of wild flowers, their range and their hardiness has been a matter of interest to flower lovers every where. More than five thousand varieties have been identified. For here in Texas bloom in riotous;

uncultivated beauty almost every flower the florist has brought to exotic, beauty cultivation for sale in stores throughout the country.

The carpeting of Texas vegetation has always seemed to be in such abundance that only in the past twenty years have we begun to realize there is a decrease in their abundance of growth. It was not until 1933 the State Legislature passed a law to forbid the picking of flowers and the breaking of trees and shrubs along our highways.

Increased population, tourist travel, cultivation and over-grazing have made their civilizing inroads into our beautiful Texas countryside and our flowers and trees have paid the penalty.

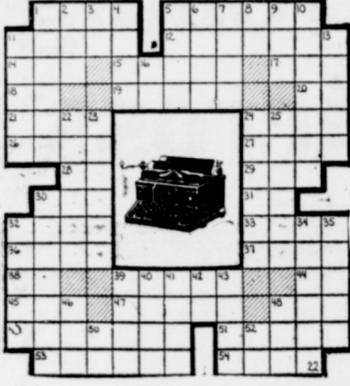

Florist have been known to drive through various parts of the state buying or digging up wild flowers and plant life in such quantities as to become a menace to certain prized plants. By the truckload our rare and highly prized cacti has been taken from its natural habit to market. Purple gentian has been brought up in large quantities. The list is endless.

Answer to Previous Puzzle

Wordsworth's "host of golden daffodils," suffers in comparison with our Texas nostalgic memory of vast fields of Blue Bonnets "dancing in the breeze." No, to be able to call up that "inward glance" to invoke, so beautiful a memory would leave out much that goes into the making of our real wealth. Unless we build up an awareness in every citizen of what our real wealth means to us so that further inroads on our wild flowers are checked much of what makes our treasured memories will no longer be a heritage when our grandchildren hold forth here.

Marine Veteran Gets Good News

TUCSON, ARIZ., May 16 (UP)—Marine Veteran David J. Arfelano, whose plea for cancer treatment at a veterans hospital brought action from Congress, was "overjoyed" today at news his ailment is only a throat infection.

The 21-year-old leatherneck, a veteran of the Korean War, was denied treatment at a veterans hospital because the law provides free government treatment for veterans of declared wars.

He was admitted to Pima County Hospital, where physicians disclosed he was suffering from granuloma, an infection of throat glands, and not cancer as originally had been delivered.

Hollywood Girls Are Wolves Thoses Ladies Are Dangerous

HOLLYWOOD, May 16 (UP)—Not all the wolves in Hollywood are men, actor Gig Young said today. Some ladies are plenty dangerous, too!

"The gents get all the blame—and the gals get all the men," Young complained. "And they don't care how they do it."

"Married . . . single . . . it's all the same to some babes." Young, who has been a married man since January when he said "I do" with Drama Coach Sophie Rosenstein, has discovered he's still on the lists of a few man-hungry honeys.

"Some of 'em haven't found out I'm married," he blushed. "And some of 'em just don't give a darn. It's kind of embarrassing." Especially to a bridegroom. Fast as he changes his phone number the gals pounce on the new one and there he is with his troubles starting all over again.

"It's not only me," Young explained. "I'm no prize. It's just that Hollywood is long on single girls and short on eligible men."

"The brutal truth is there aren't enough males to go around. So the

poor ladies have to do the best they can.

"Marriage means nothing to some of them. As long as they can get a man to take them out they don't care whom he belongs to."

Young says he's compared notes with a gang of actor pals and they all have the same troubles. "Sometimes they just keep hanging around where you're working and sort of hint they'd like to have a date."

"Sometimes they just plain call you up and ask you to take 'em some place, I finally joined a telephone service so I could have my calls screened."

"But when they corner you at a party you've got to use other weapons."

"A lot of us talk our bachelor friends into taking the girls off our hands. My present agent is a good guy for this. He's single. And believe me, he's out almost every

John Maragon Is Hopeful

WASHINGTON, May 16 (UP)—John Maragon, one-time White House hanger-on whose perjury appeal was rejected by the Supreme Court, pondered today the long chance the justices might reconsider their decision.

Maragon scheduled a conference with his attorney, Edward J. Hayes of Washington to discuss the situation. The former Kansas City shoeshine boy who became a friend of Maj. Gen. Harry H. Vaughan, President Truman's military aide, is now slated for a jail term of from 8 to 24 months as soon as trial court is informed officially of the Supreme Court's action yesterday. He was convicted of lying to senate "five percent" investigators in 1949.

The court rarely grants a rehearing after once rejecting an appeal. Maragon has been free on \$5000 bond for more than a year.

Japs Take Steps To Make General Lifetime State Guest Of Japan

TOKYO, May 16 (UP)—Japan took steps today to create the title of "state guest" and confer its honors and privileges upon Gen. Douglas MacArthur for life.

Premier Shigeru Yoshida called his cabinet together to discuss a bill creating the title for the special benefit of MacArthur. Semi-official sources said a state guest would be exempted from all customs, duties and tolls of a new emperor or inauguration would be given a special escort and a state residence.

State guests would be invited to Japan, on occasions of national ceremony such as the coronation of a new emperor or inauguration of the first post-treaty Japanese government.

The draft bill, which will be introduced to the Japanese diet in the future, provides that:

1. Any foreigner who has rendered meritorious services for the

Two Ceremonies Conducted For Exemplar Group, Beta Sigma Phi

Two important ceremonies were conducted by Mrs. A. H. Johnson Tuesday evening at the meeting of the members of the Exemplar chapter of the Beta Sigma Phi Sorority in her home, 414 Hillcrest St.

The first was the ritual ceremony for the two new members, Mmes. Bill Walters and M. D. Fox, and was conducted before a table prepared with a white satin cover, bearing the Sorority emblem, and holding an arrangement of yellow roses. Diplomas representing four years active membership in the Sorority were presented to them.

The second was a ceremony installing the new officers and was conducted following the meal, which was served from the polished

board of the dining table and consisted of a salad plate followed by a desert course. The table held two porcelain Pheasants, and a group of candles in silver holders, used to light the scene. New members places were marked with budvases holding yellow roses, later presented to them as gifts.

Installed were Mrs. Bill Collings, president; Mrs. Dee Estes, Jr., vice president; Mrs. M. H. Perry, corresponding secretary; Mrs. Mattie Doyle, recording secretary; Mrs. Eugene Hickman, treasurer and reporter.

Mrs. Mattie Doyle, retiring president, presented Mrs. Johnson with a gift of lingerie, for her gracious support throughout the year.

Mr. and Mrs. C. E. Owen had as Mother's day guests in their home their daughter, Mrs. Bill Drienhofer and daughters, Danna and Susan and Agua Dulce and Mr. and Mrs. Pat Owen and little son, Joe David of Abilene.

LOOK WHO'S NEW

Mr. and Mrs. James Sellers of Wichita Falls are the parents of a daughter, born in a Wichita Falls hospital Monday May 14th, she has been named, Brenda Kay. Grandparents are Mr. and Mrs. W. F. Harris of Electric, and Mr. and Mrs. Sellers of Arkansas. Great grandparents are Mr. and Mrs. Henry Pentecost, South Lamar.

Olden P-TA To Meet For Luncheon

Members of the Parent-Teachers Association of the Olden School will meet Thursday at noon for a luncheon at the Home Economics cottage.

The meal will be followed by a business meeting and a white Elephant sale.

E. E. Wood, who has been ill for several weeks is able to be up in a chair and moved about the home. Mr. Wood suffered a stroke at his home and spent several weeks in a Ranger hospital, but is recovering nicely.

Mrs. Susie E. Paschal, Arlington, and F. L. Carney of Kermit, spent Mother's Day with their parents, Mr. and Mrs. W. W. Carney.

"Maytime" Theme Of Junior Senior Banquet At Connellee Roof Garden

The Connellee Hotel Roof Garden was the scene of a very elaborate banquet given by the junior class in honor of the seniors on Friday, May 11, at 7:30 p.m. The theme "Maytime" was used, and decorations centered from a tall gold Maypole with pastel streamers radiating to the walls and drooping to the floor.

Places were marked by "Memories" booklets, and pastel dolls representing guests danced around miniature May poles on the long banquet tables. Pastel daises were used on all tables and on the registration desk.

Guests other than members of the senior class were members of

the Board of Education and their wives, members of the faculty and their wives or husbands and representing from the freshmen and sophomore classes.

The program consisted of a duet of horn and cornet played by Joe Ernst and Jim Ed William, a solo by Joy Lynne Robinson and numbers by the girl's sextet and boys' quartet from high school choir.

Dancing followed the banquet with music provided by Parmer's orchestra and the entire high school was invited to attend.

Auxiliary Meets In Oakley Home

Members of the Auxiliary of the First Presbyterian Church met Monday afternoon in the home of Mr. and Mrs. C. M. Oakley in Hillcrest. The Rev. M. P. Elder, pastor, gave the Bible study.

A social hour followed the lesson study during which refreshments were served. Present were Mr. and Mrs. Elder, Mmes. LeRoy Arnold, W. L. Hart, Mary Lowenthal and Mr. and Mrs. Oakley, hosts.

Mrs. Cecil W. Mayfield and little daughter, Jane Ann left last Friday for Olney to join their husband and father after having spent two weeks here with Mr. and Mrs. Harry Wood.

Class Supper Hosted By Mrs. Lucas

Members of the Home Maker's Class of the First Baptist church met Tuesday evening in the home of Mrs. C. T. Lucas for their regular monthly covered dish supper. Mmes. Doll Stetson and Carl Jones were co-hostesses.

The meal was served with an arrangement of American Beauty roses, flanked by green tapers in crystal holders. Mrs. R. L. Young gave the invocation.

Guests were seated at game

tables in groups of four. Present were Mmes. L. C. Inzer, J. M. Mitchell, Roy Jones, Sidney Roff, Artie Liles, Earl Stephen, Ita R. Parrish, Ben E. Hamner, Don D. Parker, Frances Zerial, Roy Young, T. L. Amis, Victor Cornelius, and Misses Christine Garrard, Lola Laney and the hostess group.

Mrs. Mary Loenthal will leave Friday for San Antonio, where she will visit with her daughter, Mrs. Harry Walter, while her husband, Major Walter accompanies their son Harry, Jr., to Canton, New York, to visit with his grandmother.

Plymouth's New "Safety-Flow Ride" Takes Bounce Out of Bumps

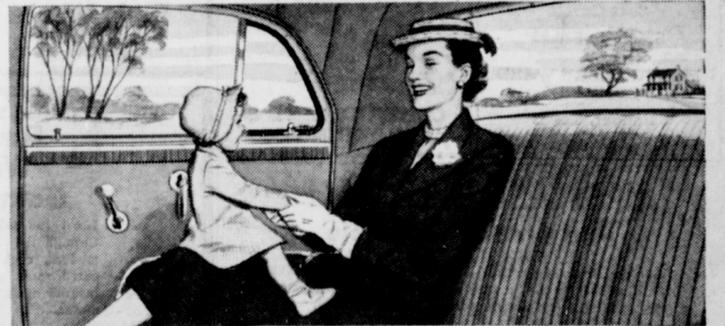

MOTION PICTURES made by our engineers show how little the new Plymouth goes up and down when passing over a bump, compared to cars that do not have the new "Safety-Flow Ride." New Oriflow shock absorbers, along with balanced weight distribution,

synchronized springing, and other engineering features, hold the car closer to a level plane. They give Plymouth the riding qualities of a car weighing a thousand pounds more, in the opinion of Tom McCahill, automotive expert, writing in *Mechanix Illustrated*.

OUR TEST DRIVERS repeatedly drove the new Plymouth across ditches and deep holes. Instead of the terrific pitching and tossing you'd expect, the car absorbed the impact and stayed under easy control.

"SAFETY-FLOW RIDE" IS SO STEADY, even on rough roads, that you don't worry about giving rear seat passengers a toss or thump. This means peace of mind as well as bodily comfort. It's relaxed and restful—a completely new experience in riding comfort.

HEADS UP! With "Safety-Flow Ride" you can forget about the condition of the road immediately in front of the car and give your entire attention to oncoming traffic, pedestrians, and intersections ahead.
