# Chinese Abandon Iron Triangle Today And Fall Back To New Defense Lines

### YOU NAME IT

By Everett Taylor

A group, which includes Dr. Jim Whittington, Theo Lamb and Jack Frost, will make a trip to Kilgore this weekend to investigate the possibility of purchasing the equipment from the now defunct Municipal Hospital of that city. It is reported that that structure is equipped with almost new hospital fixtures which are no longer being used. The hospital operated until recently when some philanthropist gave the city money to build and equip a completely new hospital. In the excitement, the old unit was shut down and it is believed that its equipment might be purchased for much less than the original cost, which could be the answer to Eastland's problem of equipping a hospital. Still there is the question of a building, but Dr. Whittington seemed to think that perhaps this is it if the furnishings there can be purchased at a bargain. At any rate, it is worth looking into and we are interested in the report the group will have to make when they return to the city.

**MISSING BRITISH DIPLOMATS**—The mystery of the disappearance of two high ranking British diplomats, Donald MacLean, right, and Guy Burgess, center, deepened in London when it was discovered their families had received messages from them which were not in their handwriting. At the left is the American born wife of MacLean, Mrs. Melinda Harling MacLane. Prime Minister Attlee has ordered a Europe-wide search for the missing officials. (NEA Radiophoto).

## Senator McMahon Demands A Special Investigating Group

WASHINGTON, June 9 (UP)—Sen. Brien McMahon, D., Conn., demanded today appointment of a special Senate subcommittee to investigate alleged "China Lobby" operations from Formosa to New York. McMahon has charged that "a band of crooks" used American relief aid to line their own pockets and swing public opinion behind Nationalist China. He told newsmen the charges were "just a beginning." McMahon said he will ask the committee investigating Gen. Douglas MacArthur's ouster to appoint a special panel to take a "long look" at what he called a "lobby" which functioned for Generalissimo Chiang Kai Shek's regime in the "half light" of secrecy and rumor. He said also he will request an investigation by enforcement agencies of the Department of Justice and Treasury.

ature Secretary Charles F. Brannan, and that Brannan moved in against the "very serious" effort to establish "certain controls" over American prizes. Some Republican Senators said they would welcome an investigation of the "China Lobby," provided it was extended to lobbying by other groups as well. Sen. Styles Bridges, R., N. H., said it would be "most appropriate" to investigate Chinese Communist "propaganda activities" in this country, a suggestion seconded by GOP Sens. Alexander Wiley, Wis., and Owen Brewster, Me. McMahon and some other Democratic Senators are trying to uncover what they regard as a "tie-up" between a China Lobby and bitter attacks against administration foreign policy and allegations of "Communist sympathies" in the State Department. Acheson thus far has reacted in a most cautious manner to the Democratic suggestions. He reiterated again yesterday that his information was "fragmentary," and that his department was not an investigatory or law enforcement agency. But Sen. Wayne L. Morse, R., Ore., Brewster and McMahon urged that he present any facts available. McMahon also rapped Sen. Robert A. Taft, R., O., for charging that Acheson launched in his testimony a "cover-up" campaign designed to mask previous State Department efforts to hand China to the Communists. "Things are going so badly for those who have attempted to rewrite history," McMahon said, "that they have thrown Senator Taft into the breach in an effort to distract attention from the record of the current hearings."

McMahon also rapped Sen. Robert A. Taft, R., O., for charging that Acheson launched in his testimony a "cover-up" campaign designed to mask previous State Department efforts to hand China to the Communists. "Things are going so badly for those who have attempted to rewrite history," McMahon said, "that they have thrown Senator Taft into the breach in an effort to distract attention from the record of the current hearings."

### RA Enlistees May Take West Point Prelim Examination

Eligible enlisted members of the Regular Army and Air Force and their Reserve components may compete in a preliminary examination on July 2, for entrance to the United States Military Academy in July, 1952, the Department of the Army has announced. This preliminary or designating examination will be conducted to select the best qualified applicants, based on highest test scores, who will be appointed candidates to take the regular Military Academy Entrance Examination in March, 1952. Applicants for the July designating examination must apply prior to next June 30 or special application forms available throughout the Army and Air Force.

### Completes 100,000 Mile Sea Voyage

Stanley Reese of Ft. Worth, grandson of Mrs. Ida Harris of Eastland is serving in the U. S. Navy with a Marine research ship, San Pablo. His ship recently completed a 100,000 mile Atlantic voyage studying ocean and deep sea life. He is in the U. S. Navy with a Marine research ship, San Pablo.

### Gossett Will Vacate Post

WICHITA FALLS, June 9 (UP)—One candidate was already in the race today for the U. S. Representative post being vacated by Congressman Ed Gossett of Wichita Falls.

### Nazarene Have Pastor Recall

The Church of the Nazarene will have its annual pastoral recall just prior to the morning worship hour Sunday, June 10. At this time the church membership will vote to determine the pastoral relationship for the new year. Sunday School begins at 9:45 with the worship hour starting at a new time—10:45.

### Christian Church Council To Meet

The Eastland County Council of Christian Churches will meet in Cisco, Monday, June 11 at 2:30 p.m. The Cisco Church is in charge of the program for the meeting. Mrs. Jim Flournoy, Cisco, is president of the council. Mrs. M. G. Cartwright is publicity chairman. All members are urged to attend the meeting.

### Average American Eats Better Today

RAYMONDVILLE, June 9 (UP)—The average American eats 15 per cent more today than ever before, State Agriculture Commissioner John C. White said last night.

### American GIs Get Tough...

SALZBURG, Austria, June 9 (UP)—U. S. troops threw three angry members of a Russian repatriation mission out of the American zone of Austria today when they ignored an American ultimatum to go peacefully. The three Russians—two officers and a sergeant—were in their Mercedes sedan and locked the doors when U. S. troops came after them. A GI ripped open the door and shoved the sergeant into the back seat. Three American soldiers then jumped into the car, one in the drivers' seat, and raced the angrily shouting trio to the Soviet border at the head of an American convoy of military vehicles. The Russians were dumped there unceremoniously with several truckloads of their luggage including a baby carriage and potted plants. The other three members of the mission had departed yesterday, hours before the midnight deadline, rather than fight the American ultimatum to get out or be thrown out. American authorities contended the mission's work was finished because no more Russian nationals in the zone wished to be repatriated.

## MARTIN DIES CHARGES US DISUNITED

HOUSTON, June 9 (UP)—Martin Dies, former congressman and one-time head of the House Un-American Committee, said that there is more disunity and conflict in the country than at any time since the time of the War Between the States. Dies, addressing the opening session of the two-day Texas Wholesale Hardware Association convention here, said the only thing there is agreement about is that "we are faced with a great emergency from without and aid from within. It is my opinion the situation was brought about by the Roosevelt and Truman administrations' cooddling and protecting Communists and Communism at home and abroad." Dies said that in spite of the fact that there were 2,000 Communists on the public payrolls the administration refused to fire them. "It was this tragic attitude or Pro-Soviet Union which led to the blunders at Yalta and Potsdam," he said.

## BOY DIES OF RABIES

McAllen, June 9 (UP)—From 12 to 14 hospital attendants and nurses at McAllen Municipal Hospital were taken anti-rabies treatment today after being bitten and scratched by a four-year-old Rio Grande City boy who died in the hospital from rabies a week ago. Dr. J. O. Wharton, City Health Officer, said last night that there was "no reason for alarm" and that "all exposed persons are taking treatment."

## Price Rollback Is A Headache

WASHINGTON, June 9 (UP)—Republicans agreed today to help rush controls extension legislation through Congress, but the Administration had a new headache with the Beef Price Rollback. As president Truman won assurances of cooperation from leaders of both parties for extension of the Defense Production Act, the House Agriculture committee threatened to lead a farm bloc drive for a congressional veto of the beef order. Committee members authorized Chairman Harold D. Cooley, D., N. C., to tell the administration that it will decide within a few days what—if any—action to take if the government does not cancel the beef order "immediately." Despite this action, however, president Truman was reported to have told the group that he knows as much about beef as most other people, and doesn't think the order will hurt the beef industry. The rollback is intended to drive retail beef prices by 9 to 10 cents a pound.

## Texas Boasted By Air Force

AUSTIN, June 9 (UP)—A whopping \$16,293,666 outlay for air force base installations kept the Texas construction picture from falling into the doldrums during the past week, the magazine Texas Contractor reported today. The military contracts highlighted an otherwise dull week which saw only \$4,557,800 earmarked for new housing and \$3,230,998 for engineering contracts. The overall week's total hit \$28,442,121 and shot the year's total to \$582,074,134—probably only a week away from the \$600,000,000 mark with the year not yet half gone. Non-residential construction provided the bulk of the week's total, thanks to the air force expenditures. Other contracts in this field totaled around \$2,000,000 for public buildings, \$1,485,104 for business structures, \$333,206 for schools and \$70,000 for churches and theatres. Irrigation and channel construction topped the engineering awards with \$2,152,237 of the total being for that type of work. In the residential field, multiple apartment projects headed the list with \$2,380,150 estimated cost set for projects to house 320 families. Only 173 new low-cost homes were started during the week at a cost of \$1,069,150; another 72 dwellings costing more than \$7,000 were put under construction at a cost of \$968,500, and two duplexes were started at a cost of \$40,000.

## INFANTRYMEN SCATTER REDS AS STAGE FOR BLOW IS SET

By EARNEST HOBERCHT United Press Staff Correspondent TOKYO, June 9 (UP)—The main Chinese forces appeared today to have abandoned beleaguered Chorwon, southwest anchor of the Central Korean "Iron Triangle," and fallen back to a new defense line farther north. To the east, United Nations infantrymen scattered Communist rear guards and drove to the edge of a narrow rice valley before Kumhwa, southeast anchor of the triangle. The stage was set for a knockout blow against the twin bastions.

## MACARTHUR BLAST GCM

WASHINGTON, June 9 (UP)—Gen. Douglas MacArthur charged today that the postwar Marshall mission to China committed "one of the greatest blunders in American diplomatic history for which the free world is now paying in blood and disaster." The deposed Far Eastern commander added that the free world "in all probability" will continue to pay this blood price "indefinitely." MacArthur, relieved from his Tokyo commands last April for public criticism of Administration policy, hurled his charge at a 1945-47 China mission headed by Gen. George C. Marshall in a telegram to Sen. William F. Knowland, R., Cal. MacArthur declared that the Marshall mission used "the potential of American assistance as a weapon to force" Chiang Kai-Shek's Nationalist government "into a political alliance with the Communists." "Its effect could have been foreseen," MacArthur said. "It at once weakened the government (of China) and materially strengthened the Communist minority."

## Brashiers Well Drilling Started

The No. 2 Brashiers near Olden was drilling at 350 feet Saturday morning. Location of the well is about a mile and a half west of Olden. Bob Gilchrist took the drilling contract. In other activity in the county, Wilcox Investment Co. has completed the No. 1 J. R. McElreath, southwest of Cisco, in the Strawn. Four miles southwest of Eastland, Oil Associates, Inc., have reached the Ellenberger lime in their No. 1 Schor. A drill stem test showed 60 feet of free oil in the hole with gas to the surface in 45 minutes. Bottom hole pressure was 1,700 pounds. Reports said that the hole was 20 feet in the Ellenberger.

## Officers Will Clean Up S. A.

SAN ANTONIO, June 9 (UP)—San Antonio's doubtful enterprises were under the gun today following the announced intention of city and county officers to drive gambling out of Bexar county. Eight sheriff's deputies yesterday seized one-ball marble machines, punchboards and bingo apparatus in what Chief Deputy George Huntress said was the opening shot in a campaign to clean up the city. No arrests were made in the raids, which took place as heads of local law enforcement met in a planning conference at the police vice squad offices. Police Commissioner George Roper, Assistant District Attorney Bert Smith, Sheriff Owen Kilday, constable Bill Hauck and Lt. R. D. Allen, San Antonio's new Vice Squad Boss, sat in on the conference. Also represented were Federal Narcotics Officers and the State Liquor Control Board. Sheriff Kilday said the drive was indicated because "the town has opened up to a degree."

## Christian Youth Camp Set Monday

The Christian Youth Fellowship Camp will be held at Brownwood Lake, June 10 to 15. From Eastland, the following plan to attend: Dixie Day, Jimm; Don Huckabay, David Marshall, Brenda Tankersley and Larry Tankersley. Mrs. Otto Marshall will be the camp nurse and Rev. Marshall will be an instructor for the camp.

Need More Lady Legislators, Declares Women's Party Chief

BY PETER EDSON  
NEA Washington Correspondent

WASHINGTON—(NEA)—Since the men folk in government have gunned up the works pretty effectively, it seemed like an idea to go see the newly-elected president of the National Woman's Party, Mrs. Etnel Murrell of Miami, Fla. Maybe if things could just be turned over to the women, they would do a better job of running this cockeyed world.

It was a mistaken notion. Not that there is anything the matter with Mrs. Murrell. She turned out to be a petite blue-eyed blonde number, with quite a wave, and smart as a whip. She was dressed—you always have to tell what they wore in these women's page political pieces, or you score an F for failure—in a dark blue skirt and matching shoes, with a bright red coat and matching lipstick.

Only six reporters turned out for her press conference—another guy and four gals. The women arrived late, as they would. But this poor attendance shows to what a low level the nation's press has fallen. No interest in women and the battle of the sexes any more. (Editor's Note—Oh yeah?)

Anyway, Mrs. Murrell said she wasn't interested in the battle of the sexes. "Controversy between the sexes is out of date," she said. "Why must women be against men?" she asked.

SPEAKING for herself, she said, "God made women and God made men, and I for one am glad of it. They should cooperate. They should meld."

One of the, shall we say, "cynical" newspaperwomen present remarked that, "You know darn well that the only women who accomplish anything are the clinging types."

Mrs. Murrell let it pass. But she wasn't at all interested in having the women take over the world and run it. She thought more women should run for office.

The other male present asked her, "Why don't you run?" "I don't have the ability to stay on a fence," she replied somewhat cryptically. "I can work for a cause, but I can't ask people to vote for me. I can't play with expediency," she explained.

What did she think about the idea of running Sen. Margaret Chase Smith of Maine as Republican candidate for the vice presidency? With a perfect dead pan she said, "I think Margaret Chase Smith is a very fine woman."

What did she think of this idea of appointing the widows of the late Congressmen John Kee of West Virginia and Frank Buchanan of Pennsylvania to fill out their husbands' terms?

"Now," replied Mrs. Murrell, "you're asking me to say something that would be unkind." But she would like to think that the appointive officials would name people for their competence to hold office. Women should be supported only when they are right for a job.

WHAT women should do, Mrs. Murrell said, is concentrate on some long-range objective, like that of the National Woman's Party. "They should stick to it through (pause and smile) high water."

The big idea here is to get a constitutional amendment saying simply, "Equality of rights under the law shall not be denied or abridged by the United States or by any state because of sex."

Both major party platforms have endorsed this in the last presidential elections. It passed the Senate in 1950, but was bottled up and died in House Judiciary Committee. In the present Congress, 171 representatives and 37 senators are supposed to be for it.

Mrs. Murrell hopes that it will be approved by the present Congress. More than that, she expects it to be passed. But these fickle men. They never can make up their minds.

President Murrell and her vice presidents are coming to Washington in relay to keep working on Congress. And Congress had better look out. Mrs. Murrell is a lady lawyer.

Italian Renaissance

Junior Joys  
Young Sheers for Junior Budget

NEW YORK—(NEA)—During the summer, the problem of dressing on a junior budget goes on just as it does during the school year. In the case of a junior who's finished school and is on her first job, there's still the same old problem. Salaries on a first job are not notably high. And the junior on a job feels keenly the need to keep up with fashion.

BY GAILE DUGAS  
NEA Staff Writer  
A sheath dress in bemberg (left) retails for under \$11. It's washable. It has a small, detachable cape edged in self-pleating. In pastel prints, it has a medium U-neck and a straight skirt that falls

into soft, unpressed pleats. Altogether, it's a good bet for any youthful wardrobe.  
Another bemberg sheer (right), this one costing about \$9, is in white, pin-dotted with color. A tiny stand-up collar is ruffled and tied in ribbon matched to the color of the dots. More ribbon encircles the waist, making a narrow sash. Sleeves are brief and ruffled. The skirt inclines to fullness but creates a slender look.

Jimmy Houghton To Speak At Ranger Church Sunday Evening

Blazing words of a spiritual nature will replace the blazing criminal career which once was Jimmy Houghton's. The loft spoken, mild mannered appearing ex-convict has traded his ways of the underworld for those of the church and the way of God, according to Rev. Ralph Perkins, pastor of the First Baptist Church, Ranger.

It has been said that "scores of men and one guard were converted as a result of Houghton's work in prison." Jimmy's good behavior, religious activities, and recognition by both officials and prisoners convinced prison authorities and the Parole Board that Jimmy was "truly converted." He was released on Parole. Word of the Ranger Ministerial Alliance, the First Baptist Church, and Hardin-Simmons University helped to release this Navy veteran who was wounded in the Marshall Islands. Hardin-Simmons University made special offers of material and moral assistance. This being acknowledged and recognized by state officials enabled Jimmy to come home to Ranger.

The general public will be given a chance to hear his testimony tonight (Sunday) at 8 p.m. at the First Baptist church. Rev. Perkins said that Houghton will be baptized, licensed to preach, and will preach at the service. He said that this will be the first time in any church history that a person has received all three in one service. The affair will receive coverage from the Times, Abilene Reporter-News, United Press, and the Associated Press. Pictures will be taken and published by the AP and UN in newspapers all over the nation. Newsmen over the state have recognized this as a big and news worthy affair.

Houghton is married and has four children. His parents are respected citizens of Ranger and his father owns and operates a local garage. This story is being carried by the wire services and the Abilene Reporter-News.

BY HAL COCHRAN  
A PRISON sentence for robbery upset the plans of a Minnesota man. However, he'll still be tied down.  
There are times when a rich man's daughter is just a little check girl.

MARINES "STRETCH" DURING A BREAK—Marines on the East Central front in Korea play a game called "Stretch" during a lull in fighting. The game goes like this: Players stand in a circle, with feet together, and take turns trying to stick a bayonet in the ground within a bayonet's length of any other player's foot. The target man must cover the bayonet scar with his foot. As the game goes on, players get progressively further "stretched" and are eliminated one by one as they can't stretch any more. Last man standing is winner. (Acme photo by Staff Photographer Jim Healy)

# Man Chains Small Son To Bed Four Days As A Punishment

HOUSTON, June 9 (UP)—The probation department was scheduled to open an investigation today into the case of a 10-year-old boy whose father kept him chained to his bed in an apartment from Monday morning until last night.

Patrolman N. B. Rackley, investigating a call from neighbors, found frail, blond Floyd Denton Ward sitting chained on the lower tier of a double-deck bunk in an upstairs apartment bedroom in St. Felipe Courts.

One end of a five-foot cow chain was around his ankle, the other end around a bedpost. Both loops were fastened so securely with clothes hanger wire that pliers were necessary to release the youth.

When he arrived at the home, Rackley said, the youth was alone except for his 13-year-old sister. His two younger brothers were out playing and his parents, Mr. and Mrs. William E. Ward, were out visiting.

The officer called the Crime Prevention Division and two detectives were sent to the scene, but before they arrived the parents returned home.

Ward, a 33-year-old part-time mechanic, admitted he chained his son at 6 a.m. Monday because he had ran away from home a second time. During the day Monday, the boy got loose and the father chained him again more securely.

He unchained the boy at the officers' orders.

Young Ward told Rackley that he was "just being punished and I deserve it."

"I used to look in the mail order catalogue and see the pretty toys," he said. "I was mad because I couldn't have any of them. I was going to go to work and make enough so I could buy some toys."

He said he hadn't been uncomfortable during the chaining.

"My sister brought me bread and gravy and breakfast cereal to eat," he added.

Ward said he was most surprised that any further action would be taken.

"Shucks, the boy was just punished," he said. "He wasn't hurt. The chain was just for effect."

## Mrs. I. C. Heck Honors Niece At Formal Tea Friday Afternoon

Mrs. I. C. Heck honored her niece, Bettye Grimes, bride-elect of Bill Page, Friday afternoon, when she entertained with a formal tea in her home, 601 South Connellee.

Mrs. A. H. Johnson greeted the guests at the door, where they were received by the hostess and presented to Mrs. Pearson Grimes, and her daughter, Bettye, the honoree, Mrs. Robert Childress of Abilene, Mable Grimes and Guyrene Robinson.

Mrs. John Turner presided at the bride's book and registered about 80 friends, who called during the hours 4 till 6 p.m. They were invited into the dining room by Mrs. Arthur Murrell.

Mrs. Samuel Butler and Mrs. E. M. Grimes presided at the refreshment table, which was covered with a white satin cloth, extending to the floor. Along the full length of the table a garland of fern and pink rosebuds had been placed. A sweetheart bouquet of Marconi daisies, each of which had been centered with a tiny pink rosebud, was placed in the center of the table and cascaded down the satin folds of the cloth. It was tied with satin streamers. Suspended above the table were white wedding bells,

and sprays of lilly of the valley, tied with white satin. The dining room draperies formed the background for the table. Crystal appointments were used and iced fruit punch, white cake squares and pastel colored mints were served.

Others in the house party were Mmes. James Horton, W. C. Robinson, Frank Castleberry, W. W. Linkenhoger, Hubert Jones, Joe Stephen, Catherine Tipton and Misses Joy Lynn Robinson and Jana Weaver.

## Methodist To Honor Pastor And Family

The Methodists will hold an informal reception from 7 till 9 p.m. Tuesday on the lawn at the home of Mr. and Mrs. Frank Castleberry, 209 South Oak Street.

The party will welcome the pastor, the Rev. J. Morris Bailey and his family, who have been attending the conference in Waco. All members of the church were invited to attend, Mrs. H. L. Hassell, WSCS president, said.

## Mrs. Perkins To Speak At WSCS Monday At 4

Mrs. Joseph M. Perkins will be the speaker at the meeting Monday at 4 p.m. of the Women's Society of Christian Service at the First Methodist Church.

Mrs. James Horton will be the leader and will present Mrs. Perkins, who will speak on "Books for Summer Reading."

Mrs. Ed Willman will give the devotional. All women of the church were invited to attend.

**JET ACE RELAXES**—Capt. James Jabara, first jet ace in aviation history, spends his first day at home with his family in McKinney, Texas reading nursery rhymes to his small children Carol Ann, 8-months, on the lap of her mother Mrs. Nina Jabara, and James William, 2½-years. Jabara, with six MIG's to his credit during air battles in Korea, has been assigned to Scott Field, Illinois to train future jet pilots. (NEA Telephoto).

## Baptists Honor Wallers At Farewell Party At Church Thursday Night

Different Departments of the First Baptist Church were represented Thursday evening, in honoring Mr. and Mrs. J. L. Waller, loyal Baptist Workers, who are leaving Saturday with their young sons, Jimmy and Bobby to make their home in Alpine. The informal farewell party was held in the fellowship room of the Church.

A. J. Blevins Jr. was master of ceremonies. Several impromptu talks were made and skits presented.

Mrs. I. C. Inzer presented the honorees with a chest of silver, on behalf of the group, which included the Women's Missionary Union Circles, Home Makers Class, Choir, Intermediates, Sun-

## Norma Jane Clemmer Weds C. G. Renfro Friday Nite

Miss Norma Jane Clemmer, daughter of Mr. and Mrs. Ira Clemmer of Route 1, Ranger, was united in marriage to Mr. Clifton Gerald Renfro, son of Mr. and Mrs. C. J. Renfro, of Olden.

The holy rites were read in the home of the bride June 8 at 8 o'clock by Rev. Ralph Perkins, pastor of the First Baptist Church of Ranger.

The bride wore a navy organz street length dress with rhinestone buttons and white accessories. Her corsage was of pink rose buds. The home was decorated with gladiolus and red roses.

The bride is a graduate of the Ranger High School and attended Junior College one year. The groom is a graduate of the Olden High School and is now serving with the Air Force in Chenuit, Ill. He is connected with the hospital there.

A reception was hosted by Mr. and Mrs. Clemmer in their home immediately following the wedding. The table was covered with a cut work cloth and centered with a three-tier white wedding cake. Punch was ladeled from a crystal

al bowl on a reflector surrounded by Asters by Mrs. Clemmer. The table also was graced by tall pink tapers. Mrs. Renfro assisted in serving.

The couple will leave shortly for Chenuit, Ill., where Mr. Renfro is stationed.

## Mrs. Garrett Hosts Stitch And-Chatter Club Meeting

Members of the Stitch and Chatter Club met Wednesday afternoon with Mrs. Kenneth Garrett, 210 East Hill Street.

The afternoon was spent with handwork and visiting. Refreshments of frosted punch and cookies was served.

Mrs. Guy Robinson, loyal member, who is a patient in an Abilene hospital was greatly missed, and the group talked of plans for her on her arrival home.

Present were Mmes. Howard Upchurch, Henry Van Geem, Weldon Armstrong, Wells Dalton, Wayne Jackson, Gene Haines, and the hostess, Mrs. Garrett.

## Mrs. Watkins Hosts Altar Society Meeting

Members of the Saint Francis Altar Society met Wednesday afternoon at the home of Mrs. Billy J. Watkins.

Mrs. Pete Clement, president presided over the business session during which reports were given on the Abilene deanery meeting of the National Council of Catholic women held recently.

Refreshments were served to Mrs. John Osborne, Clemen, L. F. Hamilton, Earl Francis, L. S. Lemmertz by the hostess.

## Personals

Mrs. Elva Lee Jones of Washington, D.C., is spending her vacation here with her parents, Mr. and Mrs. R. L. Jones, also with her sister, Mrs. L. A. Parrish of Houston.

Mrs. W. B. Reeves left Saturday morning for Fort Worth, Houston, and Gulf Port, Miss., where she will visit with her children and other relatives and friends.

Miss Joyce Johnson who is head librarian of the Amarillo schools is spending the summer vacation

here with her mother, Mrs. J. L. Johnson and Miss Verna Johnson.

Miss Verna Johnson and Miss Joyce Johnson visited Friday in Denton with their sister, Mrs. Holmes Webb, who with Mr. Webb is making her home in Denton this summer while Mr. Webb is teaching a six weeks course in North Texas State College.

Mr. and Mrs. Richard Jones received a message from her sister-in-law, Mrs. Ollie Hennessee, that she had undergone surgery in a Wichita Falls hospital last Thursday. She is reported to be doing fine.

Mr. and Mrs. Stanley Hake of Midland, are spending the week end here in the home of Mrs. Hake's parents, Mr. and Mrs. J. B. Johnson.

Mrs. Harold Durham who is teaching in the Education Department at Hardin-Simmons University in Abilene, is spending the week end here with Mr. Durham.

Mrs. Ita Parrish spent Saturday in Fort Worth visiting in the home of Mr. and Mrs. Billy Jack Parrish.

Mr. and Mrs. Coy Friday and family of Buna Vista, are spending the week end here with Mrs. Friday's mother, Mrs. L. M. Hoag.

Rabat on the west coast of French Morocco is the site of a new U. S. Air Force headquarters, the Fifth Division base, commanded by Maj.-Gen. Archibald J. Old.

A cordial welcome awaits you.

Majestic mountains and placid valleys! These catch the eye and stir the imagination... symbols of power and of fertility.

Rugged peaks and lush meadows however do not exist for themselves, or even for stirring our love of the beautiful. They serve the tiny lily which climbs from the dark earth up into the sunlight of God. Mountain and valley are servants of the purity and the loveliness of the flower. Out of the rock the Divine Gardener gathers rich minerals to be pulverized into life-sustaining soil; down the crevices and the canyons run the rivulets and the creeks which carry the moisture to quench the thirst of growing things; matted earth catches and protects the seed until it can feel the call of the warm sun for its growth up into light and unfolding glory.

The valleys of ancient Canaan were a riot of color in the springtime, shouting to the man with eyes to see that God was walking His earth and every path was checked with anemones and iris and tulip and cyclamen and daisies. Acres of color and of fragrance testified to the presence of the Lord of Life. The anemones or windflowers may well have been the 'lily of the valley,' dear to the heart of the Master; they carpeted the land in "brilliant reds or delicate pinks, purple, white, blue and cream." "Even Solomon in all his glory was not arrayed like one of these."

Look at the purity and the beauty of the lily; see the care and the love of the beautiful which mark our God; know too that the same good God is seeking by every ministry of grace to bring purity and loveliness to flowers in the human gardens of His love. Your life is of more value than is any 'lily of the valley' and your purity and gracious kindness of soul bring greater joy to His heart than does any flower of the field. You are to grow forever under the watch-care of the loving Creator. Will you keep your heart pure and your soul sensitive? Will you respond as naturally to the ministries of divine Love as the lily answers the call of sunshine and of shower? Then attend your church and support her good work.

• BARBS

BY HAL COCHRAN

A UNIVERSITY of California student rode a teeter-totter for 53 hours and 54 minutes, a world record. The rest of us are having our ups and downs, these days, too.

Some folk take palmists' opinions seriously despite the fact they're just off hand.

The first grasshoppers of every summer are the little kids who wreck the family lawnmower.

Oh, to sit down, flop back and take it easy this summer—and then jump up on account of a sunburned back!

Roller skating teachers really are generous—allowing students an unlimited number of sittings.

**SHARPSHOOTERS**—While Cpl. Hugh A. Steffy, Okmulgee, Okla., with glasses, spots the target Cpl. Paul C. Harness, Carthage, Tenn., fires a 75mm recoilless rifle at the enemy on an opposite ridge. Allied units are encountering strengthening enemy resistance in their drive on the Korean "Iron Triangle" and are being met by the heaviest Red artillery activity of the war. (NEA Telephoto).

AGENTS WILL INVESTIGATE

RICHMOND, Ind., June 9 (UP)—Air Force and FBI Agents investigated today whether sabotage caused eight F-84 Thunderjet fighters to crash in the biggest multiple airplane disaster in peacetime history.

Three pilots were killed and 10 injured late yesterday when the planes crashed mysteriously while flying in a flight of 71 planes through an electrical storm. The three other pilots were unurt.

At least two pilots said their engines exploded after they were safely through the storm. Another said his engine "conked out" and that he saw at least two of the ships collide. All the planes crashed in a 25-mile radius near here.

An Air Force spokesman said it apparently was the biggest number of planes ever lost during a peacetime operation. The biggest previous, to his recollection, was when a flight of pursuit planes flew into bad weather near Raleigh, N.C., in 1939, and six were lost.

Sixty of the planes in yesterday's flight flew on to Selfridge Field, Mich.

**CUBBARD ALMOST BARE**—When Joseph Janik, Milwaukee, Minn., butcher, checked his meat locker he found it almost bare. Reduced cattle receipts on the Milwaukee markets have caused a beef shortage. Predictions are that the city's 3600 retail outlets will be out of beef shortly unless more cattle are slaughtered. (NEA Telephoto).

★ WASHINGTON COLUMN ★

**Russia Will Talk Louder As She Stockpiles A-Bombs**

BY PETER EDSON  
NEA Washington Correspondent

WASHINGTON—(NEA)—Watch for a change in Russia's policy on the atomic bomb. It is not considered an immediate prospect. But Washington authorities who study and follow this situation closely believe that as the Russians accumulate a stockpile of A-bombs, they will use this power as a threat to help them gain political ends.

Informed opinion here is still pretty sure that the Russians will not make an open attack any place this year. A world war would be just as destructive of Russia as it would on other parts of the world. The Russians should know this even if they don't. It is the big deterrent to the start of open hostilities at any time in the future.

This will not hold the Russians back from using other means to obtain their imperialistic ambitions. And once the Russians get a stockpile of atomic bombs, their bargaining position would be greatly increased. They could then use more of the "Do what we say or else" technique.

In other words, the mere threat of Russian-held bombs would be a propaganda weapon, if not an actual weapon of warfare.

Accidental stumbling into a war in which A-bombs would be used would, however, always be a possibility.

Negro Student Put In LA Jail

LOS ANGELES, June 8 (UP)—Law student Willie Hawkins, 28, was jailed today on charges he sold hundreds of "quickie" Texas divorces to couples who since may have remarried without knowing their divorces were illegal.

Officers said the couples paid Hawkins fees of more than \$100 to obtain the divorces when they did not want to wait the year required by California law.

The innocent victims were told they could have the papers in 30 to 60 days and were unaware Texas law required the same waiting period, police said.

Lt. Walter Sullivan of the District Attorney's office said Hawkins, a Negro, who represented himself as a lawyer, contacted lawyers in Dallas and Ft. Worth, and they in turn hired couples to go to court and obtain divorces in the names of California persons.

Their case was heard in court before a Texas judge who knew nothing of the deception.

Today's Election Will Decide Issue

TEXARKANA, June 9 (UP)—Bowie County voters will decide the prohibition issue in a local option election today.

While the campaign by "wets," who want sale of alcoholic beverages legalized here, has been described as "quiet," the opposite was true of the "dry" campaign.

The "drys" staged a public rally at Grim Stadium in Texarkana last night, featuring speeches by ministers, a number of popular high school students and former drinkers who are now "on the wagon."

An all-night prayer service for success of the dry campaign was held in a large Texarkana Church from 9:30 p.m. to 7 a.m.

Native diet in the Australian bush include ants, caterpillars, cicadas and other insects, as well as various dishes compounded of snake meat.

School Fund Is Enlarged Today

AUSTIN, June 9 (UP)—The University of Texas' Department

School Fund grew by \$5,651,550 from a public auction of leases on 148 tracts of state land yesterday. Magnolia Petroleum Company offered the high bid of \$1,280,000 for an eight-parcel drilling block in Andrews County.

**MEAT OR MILK FROM GRASS IS THE CHEAPEST YOU CAN GET**

Under a grass-livestock program you make more dollars per acre with lower cost and less work.

When livestock feed themselves by grazing good pastures, you not only gain a high value crop from the land, but also get an increase of organic matter and fertility in the soil.

Grassland farming based on grass and legumes, and legumes in the cropping system, and in permanent pastures, increase the dollar income per acre with less work. Builds and maintains high fertility in the soil.

You can't beat such a combination. Talk with your County Agent about devoting some of your land to pasture.
