PETITION WILL GO TO COUNTY COMMISSIONERS ASKING FOR ELECTION IN CITY OF EASTLAND

A petition signed by 100 or more property owners, tax payers of the City of Eastland, will be presented to the Board of County Commissioners at an early date, asking that an election be called for the purpose of making it possible for Eastland to join the Eastland County Water Supply District, now composed of the City of Ranger alone.

Should this election carry, and it is thought it will, the first step toward arranging an abundant supply of water for this area will have been taken. In all probability Cisco voters will petition for a similar election at an early date.

Should elections carry, it will mean that the Eastland County Water Supply District will be comprised of three cities, Eastland, Ranger and Cisco, and with a set-up of this kind in operation there is no doubt that a dam will be constructed in the Leon River area, just south of Olden and seven miles southeast of Eastland.

RJC Approved For Study By College Group

Dr. G. C. Boswell, President of Ranger Junior College, has received notice from Dr. J. M. Godard, Executive Secretary of the Southern Association of Colleges and Secondary Schools, that Ranger Junior College has been approved for a study. This study will naturally consist of several phases—library, science, cafeteria, music, agriculture, and all academic courses. It will take into account the financial condition of the college, the adequacy of its buildings, the teacher personnel, the reaction of the town and community toward the college, the college student council, the college program activities; in fact, it will be a complete study of the college students from the time they register until the time they finish and two years after finishing Ranger Junior College.

Should the study be approved Ranger Junior College will be admitted into membership of the Southern Association of Colleges and Secondary Schools, which is the highest honor that any college may obtain.

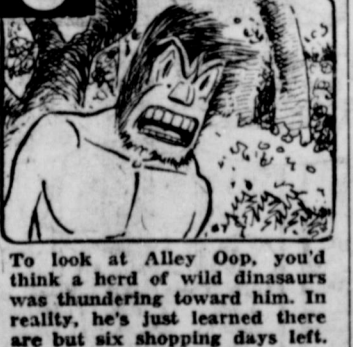

Dr. Boswell recently appeared before the committee in St. Petersburg, Florida and gave them a verbal picture along with a written application which was submitted in October of what the college is attempting to do. Now, according to his statement it is up to the college and Ranger to prove that the college is worthy of membership in the association.

The study will be made sometime during the school year.

and the water district has been created and approved by the State Legislature.

Only property owners and qualified tax payers in the cities of Eastland and Cisco, will be able to vote. Rural areas and smaller towns will not be affected. It is a question to be answered by only property owners in the corporate limits of the two cities that will vote.

This petition will likely be presented at an early date.

G. T. Huddleston Dies In Ranger; Be Buried Today

Glen Thomas Huddleston, 50, long time resident of this city passed away at a Ranger hospital at 12:20 a.m. Sunday. He suffered a severe heart attack earlier in the week, but it was thought for a time he was improving. However this proved to be incorrect.

The body was brought to Eastland by Hamner Funeral Home, who is in charge of all arrangements, and services will be conducted from the First Baptist Church at 3:30 o'clock this afternoon. Pastor C. Melvin Rathel will have charge of the service. Interment will be made in the Eastland cemetery, following the service.

Deceased leaves to mourn his loss, his wife, Mrs. G. T. Huddleston; a daughter, Mrs. Elvis Paschal of Eastland, and two sons, Price Huddleston of Portland, Oregon, and Glen of Eastland. His mother, Mrs. E. B. Huddleston; two brothers, Howard of San Angelo and David of San Antonio; three sisters, Mrs. Gladys Williams, Eula Bell Taylor and Dorothy Koethe, all of San Antonio, and one grandson.

Ridgway Says He Will Serve Where Ordered

TOKYO, Dec. 17 (UP)—Gen. Matthew B. Ridgway let it be known today that he will accept willingly any other command he may be given.

There have been reports that the Supreme United Nations commander may be appointed to succeed Gen. Dwight D. Eisenhower as Atlantic Pact commander or Gen. J. Lawton Collins as U. S. Army Chief of Staff.

Asked to comment on the rumors, Col. George Patrick Welch, Ridgway's public information officer, said:

"General Ridgway has asked me to state personal conviction by which he is uniformly guided, that senior officers of the Army should express no personal interest in conjectural assignments subsequent to their present duty.

"He believes that officers should willingly accept and faithfully discharge any assignment decided upon by superior authority."

CIO Asks For Wage Low To Be Raised

WASHINGTON, Dec. 17 (UP)—The CIO, in a series of recommendations ranging from rent control to social security, has urged President Truman to increase the national minimum wage rate from 75 cents to \$1.25 an hour.

The "bold" program of domestic legislation was outlined by Emil Rieve, administrative chairman of the CIO committee on economic policy. The recommendations, many of which parallel administration proposals, were based largely in the legislative policy advocated by the CIO National Convention last month.

Rieve urged Mr. Truman to ask Congress to amend the Fair Labor Standards act to increase the hourly minimum pay by 50 cents. He said the present minimum rate is inadequate, and pointed to the "increasing distress among lowest-income families, as reported by a number of government agencies."

Escaped Convict's Crime Tour Of Texas Is Stopped

WICHITA FALLS, Dec. 17 (UP)—Elusive Ernest George Bland, 37, was held under guard at Wichita Falls General hospital today, his alleged crime tour of Texas halted by a police bullet.

The escaped convict was shot by a Negro patrolman, Tommy Nelson, after he and a companion were arrested for disturbance in a Negro cafe here. Nelson said he fired as Bland began to run. The bullet hit Bland in the leg.

Three Year Old Vernie Smith Loses Sight

WOODWARD, Okla., Dec. 17 (UP)—Three-year-old Vernie Smith, who awoke today to a world of darkness.

He could hear his mother's voice, but for the first time in his young life he couldn't see her. And he never will again.

Doctors yesterday removed his right eye in an attempt to save his life. A cancerous growth which forced the removal of his left eye had spread to his remaining good eye.

He went into the operating room without being told that he would never see again when he came out. Nobody had the heart to tell him he was going to lose his sight forever.

The chubby little boy celebrated an early Christmas last week so that he would be able to see the gifts and the tree before the operation.

Olden's Hornets Satisfied With Tournament Tilt

Olden Hornets will be back in the home gym Tuesday night for two games (boys and girls) with the Putnam clubs. Time of the game will be 7 p.m.

The Hornets made themselves felt in the Desdemona tournament, taking consolation and honors and Thomas Lindsey making the all-tournament team.

The girls placed Rita Jones in the all-tournament team, with the sportsmanship award going to Maxine McCotter.

Funeral Services For Sgt. Caudle To Be Tuesday

Funeral services will be held Tuesday, December 18, at the Merriman Baptist church for Sgt. Forest D. Caudle, who died at Yakota Air Force Base, Japan.

The Rev. Hari Williams will officiate and interment will be in the Merriman cemetery.

Sgt. Caudle was born April 20, 1931, in Bedford, Texas, and had lived in the Gorman community for the past 14 years. He was a graduate of Desdemona high school and enlisted in the Air Force June 2, 1948.

After enlisting in the Air Force he was sent to Lackland Air Force Base at San Antonio, where he received his basic training. From there Sgt. Caudle went to Scott Air Force Base, Ill., and from there to Hensley Field at Grand Prairie, Texas.

He left Hensley Field and went to Japan and Korea on the 18th of July, 1951. He was in the 6161 Air Force Rescue Squadron while overseas.

Sgt. Caudle was a member of the First Baptist church of Fort Worth.

He is survived by his father and mother, Mr. and Mrs. Forest T. Caudle of Route 3, Gorman; two brothers, Harold and Ray; a sister, Sheryl Nan, all of Gorman.

Funeral services will be conducted at the Hammer Funeral Home at 2 o'clock this afternoon, with Pastor J. Morris Bailey in charge, assisted by the Baptist Pastor, C. Melvin Rathel. Interment will be made following the services, at Eastland cemetery.

Palbearers will be Buddy Vinson, J. W. Vinson, Joseph Eish-burke, Junior Davis, Calvin Ainsworth, all of Ranger; and Paul Fox of Desdemona.

Equipment Going In For Garment Plant In City

Equipment for the new garment factory is arriving daily, and quite a large amount has been set and will be ready for operation within a short time.

The new factory will furnish employment for some 80 to 90 women, and as the work is done with experienced and even expert workers, salaries will be exceptionally good, it is thought.

Clayton Rand Says

"WHAT TO DO IN 1952" I met with 700 salesmen on the occasion of the 5th Annual Sales Managers' Clinic in Milwaukee where peddlers were getting primed for the New Year.

There is a general feeling that sooner or later it will be necessary to do some intensive selling again to keep the wheels of industry turning. As "Red" Motely puts it, "Nothing happens until somebody sells something." So smart sales managers are getting conditioned to meet the knee competition around the corner.

Gas Well Fire West Of Ranger

A fire on a gas well about 12 miles west of Ranger on the Ranger-Breckenridge highway Sunday afternoon remained out of control despite efforts of fire departments from Ranger, Breckenridge and Cisco.

The fire broke out around ten o'clock in the morning when the gas pocket was unexpectedly hit in the drilling.

Army Charged With Waste

WASHINGTON, Dec. 17 (UP)—Chairman Lyndon B. Johnson of the Senate Preparedness Subcommittee today charged the Army with "an unjustified waste of the taxpayers' money" by sending recruits to Hawaii for basic training.

In a letter to Army Secretary Frank C. Pace, Jr., the Texas Democrat said the Hawaiian training program "involves high transportation costs to the government."

Olden's Hornets Satisfied With Tournament Tilt

Olden Hornets will be back in the home gym Tuesday night for two games (boys and girls) with the Putnam clubs. Time of the game will be 7 p.m.

The Hornets made themselves felt in the Desdemona tournament, taking consolation and honors and Thomas Lindsey making the all-tournament team.

The girls placed Rita Jones in the all-tournament team, with the sportsmanship award going to Maxine McCotter.

Allies "Irked" By Red Truce Actions

Former Resident Be Buried Today Local Cemetery

Elbert Eugene Andrews, 53, died Friday afternoon, Dec. 14, at a Veterans hospital in Shreveport, La., following an illness of several months duration. Funeral services were conducted in Longview, his home for many years, at First Methodist church, Sunday. However, both deceased and his wife grew up in Eastland, and the body was brought to this city for burial.

Short funeral services will be conducted at the Hammer Funeral Home at 2 o'clock this afternoon, with Pastor J. Morris Bailey in charge, assisted by the Baptist Pastor, C. Melvin Rathel. Interment will be made following the services, at Eastland cemetery.

Deceased leaves to mourn his passing, his wife, Mrs. E. E. Andrews of Longview; his mother, Uncle Gege Witt; four sisters, Mrs. L. A. Hightower of Eastland, Mrs. Paul McFarland, Mrs. Kilns Manly, Abilene, and Mrs. Ruth Hague of Three Rivers, Texas.

Eastland Girls Win Tournament

Eastland girls won the tournament in Cisco Saturday. They defeated Carbon by a score of 28 to 13 on Friday. Saturday morning they defeated Cisco with a score of 21 to 31, and Saturday afternoon they crushed Cisco with a 24 to 17 score, in the finals game.

Eastland won the tournament and received their trophy, with Cisco taking second place.

Eastland players included Langlitz with a score of 14, Tankersley 7 and Robertson 3. Beck White, Stuard and McFatter also played.

Olden Group To Present Cantata

A group of about 40 Olden young people will present the cantata, "Child Jesus" by Joseph W. Clokey and Hazel Jean Kirk, Wednesday at 7 p.m. at the Olden Baptist church, co-sponsored by the Methodist church.

Brownwood Cashier Charged In Embezzlement Of \$125,000

BROWNWOOD, Dec. 17 (UP)—William O. Kemp, \$250-a-month assistant cashier at the First National Bank here, was free on \$5,000 bond today after his arraignment on an embezzlement charge.

J. K. Mumford, FBI special agent at Dallas, disclosed yesterday that Kemp was arrested and accused of taking \$125,000 from the bank "over a period of years."

Investigation of the shortage is continuing, Mumford said, and the estimate of the missing money came from Kemp himself. The suspect was arraigned before U. S. Commissioner Mrs. Ida James at Abilene yesterday, and promptly made bond.

Kemp, father of six children, had been employed by the bank almost 30 years. The FBI quoted him as saying he had spent the money for household items and family expenses.

Ride The "ROCKET" And Save Osborne Motor Company, Eastland

The money was taken through an elaborate system of drafts known as "floaters," Mumford said. It was discovered by a federal examiner.

Kemp maintained a modest home here, and was one of Brownwood's best-known "white collar" workers. He was the First National's assistant cashier and exchange teller.

Hearing on the case was set for April 28, in federal court at San Angelo. Mumford said none of the money has been recovered.

Teams Fail To Reach Any New Agreements Over Weekend

The UN has refrained from attacking the Pyongyang-Kaesong road since Nov. 27, when agreement was reached with the Reds on a cease-fire line good for 30 days, because the Allies wished "to avoid any unpleasantness," Nuckols said.

But, he said, the Communists took advantage of the immunity to move 18 to 20 vehicles a day toward the front in addition to the truce team's own cease-marked vehicles.

Henceforth, the Communists will be restricted to two truce team supply convoys a day of not more than six vehicles each, all marked with cerise-cherry red panels, Nuckols said. All other will be subject to attack.

New Cold Mass Poised Above Canadian Border

A brand new Artic-spawned cold air mass sent its first icy feelers down into the cold-numbered United States today as it waited offstage in Canada to make its grand entrance.

Forecasters predicted the new deep freeze would hit before the states east of the Rockies had recovered from chill blasts that already have resulted in 137 deaths.

Already the new cold front has crept into Northern Montana and forecasters said the mass would continue to ease southward, bringing new lows.

Hope for an armistice by Christmas was fading fast.

The Communists were reported planning to seek a 30-day extension of the trial cease-fire line. However, both subcommittees will meet again at Panmunjom at 11 a.m. Tuesday.

The Communists were told of the UN decision to bring the Pyongyang-Kaesong road under attack again at a meeting of liaison officers in Panmunjom Monday afternoon.

Tournament Won By Ranger Boys In Dublin Game

Nuckols said the decision was "a tactical consideration arrived at by the 5th Air Force with the concurrence of all."

Although the 5th Air Force has not attacked the road since Nov. 27, it has kept it under surveillance, Nuckols said.

The Ranger basketball team defeated Eastland in a hotly contested game at Dublin, Saturday, when the finals game was played. The score was 36 to 21 in favor of Ranger.

Olden Group To Present Cantata

It seemed that the Eastland boys just could not get started off and Ranger took the lead from the very first.

Williamson was picked for the all-tournament team.

Stephens and Williamson tied for 5 points each, trailed by Haines 3, Harris 2, Herring 2 and Hanson 1.

Ranger won first place in the tournament with Eastland second and Dublin third. Trophies were awarded.

Brownwood Cashier Charged In Embezzlement Of \$125,000

The FBI specifically charged Kemp with violation of the Federal Reserve Act by falsification of the bank's daily statement of Dec. 6, 1951.

The money was taken through an elaborate system of drafts known as "floaters," Mumford said. It was discovered by a federal examiner.

Kemp maintained a modest home here, and was one of Brownwood's best-known "white collar" workers. He was the First National's assistant cashier and exchange teller.

CHRYSLER BEST U. S. CAR IN MEXICAN RACE

Bill Sterling (right), of El Paso, Texas, and co-pilot Bob Sandidge are shown with the Chrysler Saratoga which they drove to victory over all other American cars in the 1,933-mile Pan American Race. Sterling drove his modified Chrysler, powered by the 180 horsepower FirePower V-8 engine, the length of Mexico in an elapsed time of 22 hours and 6 minutes

shape up as worthy contemporaries for Lubbock and Breckenridge.

While Lubbock's Westerners were squeezing past Baytown 14-12 and Breckenridge's Buckaroos were upsetting Temple 20-14, Arlington knocked off Anson 26-6. La Vega bowled over Donna 38-7 and Newcastle shocked mighty Wink 33-26. Giddings had advanced Friday night by turning back Vanderbilt 22-13.

Arlington's win over previously undefeated Anson was a mild upset tarnished somewhat by the absence of the loser's star back, Kenneth Scott, because of a cracked leg bone.

But, Newcastle's spectacular win over Wink was the real shocker. The Bobcats had been expected to prove a bit stubborn defensively since they had been scored on only twice all season. But, the defense cracked.

For every crack in the defense, however, the Bobcats had an offensive explosion—two of them coming in the last quarter to break a 20-20 tie and put the Bobcats ahead to stay.

The performance probably will establish the Bobcats as a favorite to trim Giddings in the final, while La Vega probably get the nod against Arlington.

Sharp blocking on two lightning scoring junkies by James Sides and the trusty toe of Don Jones gave Lubbock its margin over Baytown, which might just as easily won as lost if the Ganders could have avoided crushing

15-yard penalties at inopportune moments.

It was the Westerner's second title. They won the class A-M crown back in 1939, 10 years after Breckenridge's previous taste of championship honors. The Bucks shared the 1929 honor with Port Arthur after a scoreless tie on a snow-covered field.

There wasn't any snow at last week's six games, but freezing north winds plagued practically every game and kept crowds at a minimum.

The cold didn't keep Breckenridge's Kenneth Ford from outdoing his more-mighty publicized rival, Doyle Traylor of Temple, at the passing game.

While Ford's defensive mates gave Traylor a generally rough afternoon, he hit eight of 16 for 164 yards and one touchdown and engineered another payoff drive.

Game Commission Reports Violation Drop In November

AUSTIN, Dec. 17—The Chief Clerk of the Texas Game and Fish Commission said a 25 per cent drop in law enforcement cases for November under the same month last year "probably shows better sportsmanship."

The total cases for November, 1950, was 443 with fines and court costs aggregating \$12,207.58. The total for November, 1951, was 332 cases with fines and court costs aggregating \$10,055.20.

The Chief Clerk observed that the decrease was shown despite an increased number of enforcement officials and normally improved law enforcement facilities over last fall.

"We hope the showing reflects a better attitude among hunters and fishermen," said the Chief Clerk. "Of course, there still is room for improvement."

Items in the monthly arrest report for November include the usual violations:

STYLE AND POWER FEATURED IN 1952 CHRYSLERS

The 1952 Chrysler New Yorker Newport, powered by the 180 horsepower FirePower V-8 engine, is an example of the sleek massive beauty which is typical of the luxurious new Chrysler line.

The interior of the 1952 New Yorker sedan features beautifully designed hardware and newly styled luxury upholstery and trim.

Refinements throughout the line, rather than revolutionary engineering innovations, characterize Chrysler's 1952 models.

Chrysler officials point out that the demands of the rearmament program have precluded the extensive tooling program necessary for drastic model changes. They add that Chrysler introduced more important new features in its 1951 line than ever before were offered by any manufacturer in a single year.

Refinements contributing to performance, appearance, safety, economy and comfort have been incorporated in the 1952 line. Features formerly available only in certain models have been extended to cover the entire line.

1952 Line Features 18 Body Styles
The number of body styles offered by Chrysler has been considerably reduced by eliminating those of smaller production and those that are approximated by others retained in the line. Despite this reduction, however, there remain 18 body styles.

All models save those in the Windsor and Windsor DeLuxe lines are powered by the 180-horsepower V-8 FirePower engine. The Windsor and

Little Butch Eastland spent last week with his grand parents, Mr. and Mrs. Elmer Blackwell and family.

Numerous friends and neighbors extend sincere sympathy to the Uncle Bill Sparger family in the loss of their daughter, Mrs. Zelia Perrin, who was laid to rest in the Alameda cemetery 1 a s t Wednesday, December 5. She had been an interested member of the Salem Home Demonstration Club for about four years. And always attended and did what she could. We will miss her at the meetings.

Doris Wayne Varner was home for the weekend and attended Alameda church services.

You should have seen the Allis Chalmers Combine Cotton picker which Jack Hart used to gather his cotton the past week—and doing a good job, too. I honestly believe the cotton was whiter and cleaner cotton than that which I pulled and put in my sack—but don't ask me why. The machine sort of tore it apart and shuffled out a lot of the burrs and leaves.

Johnson Home Becomes 'Train'; Guests 'Come Aboard' For Party

It was "All Aboard" for a big Christmas party Friday night when Mr. and Mrs. Art Johnson entertained members of the Zeta Phi and Xi Alpha Zeta chapters of Beta Sigma Phi Sorority and their husbands and friends.

Mr. and Mrs. Johnson greeted guests at the door and sent them to the "ticket office" where Mr. LeJeune Horton issued tickets for the chair coach, day coach, club and parlor cars. Each of these "cars" was represented in a different room of the house.

On the "train" Mr. Lowell Snyder was brakeman. Mr. W. A. Leslie "conductor", punched tickets. Mr. Bill Collins and Mr. Jim Golden, "butch boys", distributed candy souvenirs.

Since Mr. and Mrs. Pat Miller are moving soon to Knox City and Mr. and Mrs. Marshall Fox will leave for New Delhi, India, it was announced that these places would be the destinations of the train. At the first stop, "Knox City," guests were served a fingertip dinner. Mr. Don Lowenhofer of Abilene carved the turkeys for the meal which was served in the enclosed parlor of the Johnson home. In the dining room Meses. F. W. Graham, Bill Collins, Mattie Doyle, and Roland Phillips alternated pouring at the samovar.

Each guest had boarded the train with baggage containing items that the Foxes and the Millers should include in their packing. When Mrs. Johnson asked guests to model what they had brought, out came such things as red flannel underwear, a Hindu costume, a "flapper" hat, a derby, and a large red flannel nightgown.

At the second stop, guests gathered around the sequin-studded chenille Christmas tree and as a farewell good deed, Mr. Marshall Fox and Mr. Pat Miller distributed Christmas gifts. Each couple received a gift from a secret pal in the sorority.

Mrs. Johnson presented each of

the women with one of the bells of Sarna, authentic Hindu worship bells. To each woman who has a birthday in December, she presented an additional gift. There was also a gift from her and Mr. Johnson to each of the men present.

Mr. and Mrs. Johnson were then presented with gifts from both chapters of the sorority.

Included in the Christmas decorations at the Johnson home were ten large satin Santa Claus stockings filled with fir, balsam, and pine. Hundreds of silver tinsel bells decorated the patio which was lighted by white candles in brass and red peasant candelabra. Small gay figures made of pipecleaners danced around the dining table centerpiece.

Out-of-town guests at the party were Mr. and Mrs. Robert Clinton of Cisco and Mr. and Mrs. Don Lowenhofer of Abilene.

Others at the party were Meses. Jack Germany, F. W. Graham, Joe Halbert, Don Hill, LeJeune Horton, Bib King, W. A. Leslie.

John Goode, Joe Sparks, Josh Trotman, Fehrman Lund, Roland Phillips, F. N. Sayre, W. H. Stanley, W. L. White, R. N. Whitehead. Meses. W. H. Hoffman, Ed W. Hooker, R. B. Pipkin and Mattie Doyle and Messrs. James Golden and Lowell Snyder.

Amon Carter's Name Mentioned In Tax Probe

FORT WORTH, Dec. 17 (UP)—Amon Carter, Fort Worth publisher said last night that Charles Oliphant was "just one of 3,000 people all over the country that we send remembrances to every year."

Oliphant, resigned chief counsel for the Internal Revenue Bureau, testified before the House Subcommittee investigating tax scandals that he received "four or five" cases of liquor a year from Carter and other persons he could not remember.

Carter said the mention of his name amused him. "If that had been brought out sooner," he said, "I might have saved that last batch I sent out."

He said the gifts were sent each

year to persons to "whom we were under no obligation, from whom we received no favors and expected none."

Carter said at least 50 Washington residents are on his gift list.

"I am going to send the committee a wire today," he said. "I think some of the committee members are on it."

He wouldn't name the other officials on his Christmas list.

"If I did," he explained, "We'd have some of the top people."

Cpl. Bob Franklin of McDill Field, Fla., is the holiday guest here of his parents, Mr. and Mrs. Wesley Franklin.
