Linked with Duggan's poisoning is the death of Miss Katherine Shaw, aged and blind? who apparently was to meet Duggan at Dr. Zim-mer's home: Later while discuss-ing Duggan's murder with Ste-phen Lawrence, the poet, Perdita, the poet's daughter, faints. Basil, at Lawrence's request, is to con-suit with Dr. Zimmer, who is a payer office to talk to Frank Lloyd, a reporter who is engaged to Perdita. . . .
